

The ultimate husband in Chinese chapter 2516-2520

Chapter 2516

Soon, under Zhang Jiao's deployment, many killers set up ambush on several main roads in the suburbs of Yunchuan City.

...

the other side!

Murong family.

Under Yue Feng's advice, Bai Li and the Murong family signed a cooperation agreement.

For a time, in the hall, all the Murong family members looked at Yue Feng's eyes, and they were all shocked.

It's unbelievable that it is just a bodyguard who has such a large network of contacts to allow the president of Baiyun Group to come in person. If he hadn't seen it with his own eyes, who would dare to believe it?

Yue Feng was too lazy to talk nonsense, and greeted Bai Li and Xiao Xi to leave.

Before leaving, Yue Feng looked back at Murong Yan and the others and said, "Your Murong family has passed through the crisis, and your words are counted. You are not allowed to disturb Xiao Xi in the future." The

voice fell, and Yue Feng took the two Xiao Xi and strode forward. Leave.

"Mr. Feng."

When they got outside, Bai Li said excitedly: "I'm so happy to see you again, let's have a meal together."

Yue Feng smiled and politely refused: "Don't be so polite, I still have something to do."

Then, Yue Feng thought of something, and said seriously: "Miss Bai, Yunchuan City is not very peaceful recently, I think you'd better not leave here, it's better to stay here for two days before leaving. "

I don't know why, but Yue Feng always felt that something was going to happen, and it was a little wrong to let Bai Li come rashly. You must know that the treasure that Bai Hetang got before was the Heaven Repairing Stone, which is no trivial matter.

This chapter is provided by . Visit for daily update.

After Bai Hetang died, Bai Li would definitely become the next target of those killers.

“Okay!” Bai Li nodded solemnly and said, “I remember what Mr. Feng said.”

Or, Bai Li and Yue Feng said goodbye and left, and found a hotel to stay temporarily in the downtown area.

“Young Master!”

As soon as his forefoot left, Xiao Xi couldn't help but say, “Should we continue to investigate the Wutian Organization?”

Yue Feng nodded, and then said seriously, “Don't call me Young Master in the future, call me Brother Tao.” He has hidden his identity and cannot be easily exposed.

Xiao Xi is smart and clever, she immediately understood what Yue Feng meant, and smiled: “Okay, Brother

Tao.” After speaking, Xiao Xi thought of something, and continued: “I know that in Yunchuan City, there is a branch hall without a heavenly organization. Let's just see the situation.”

Yue Feng nodded with a smile and let Xiao Xi lead the way.

On the way, Yue Feng bought one for Xiao Xi when he saw someone buying candied haws.

Yue Feng remembered that when he first met Xiao Xi, Xiao Xi liked eating candied haws the most.

“Thank you.” Xiao Xi was very moved, holding the candied gourd and reluctant to eat it, she was so cute and charming that she couldn't tell.

A few minutes later, at an alley, Xiao Xi pointed to the innermost shop without a plaque: “Brother Tao, that's it, Brother Wen sent someone to check it before.”

However, the Wutian organization is developing rapidly, and Wen Chou Chou is very Attention, I once sent someone to check this entrance, and Xiao Xi was there at the time, but no useful clues were found at that time.

Yue Feng nodded and did not move. And secretly look around.

It was found that the street was very remote, almost no one was there, and on the side of the road ahead, a sports car was parked there, and the driver of the car was sneaky, and seemed to be observing the situation in this hall.

Discovering this, Yue Feng calmly walked over.

When she was about to pass the sports car, the candied haws in Xiao Xi's hand had melted and dripped onto the car because she hadn't eaten it.

"Nima, you are blind."

At this moment, the guy sitting in the car scolded the door and walked out, pointing at Xiao Xi and shouting, "Do you know how much my car is? You drop the sugar. Above, what do you say?"

With long hair, his face was full of anger.

Xiao Xi's face was full of fear, and she said in a low voice, "I'm sorry, I'll wipe it for you."

"Wipe it? You said it lightly, the paint is sticky with sugar, and wipe it off?" The long hair said coldly, A very unreasonable attitude.

As he spoke, he observed the hallway not far away.

Aware of this, Yue Feng came over, stood in front of Xiao Xi, and looked at the long hair with a half-smile: "What do you want?"

Yue Feng was very curious, and the long hair was also investigating the Wutian organization. There is no opposition to the organization, and I want to ask about the situation.

Chapter 2517 Who

knows, this long hair thinks they are easy to bully, and only wants to corrupt a sum of money.

"How is it? Of course I lost money!" Long Mao said with a arrogant expression as a matter of course.

Ha ha!

Yue Feng nodded and said with a smile: "Okay, if your car is repainted, it will cost you about a thousand yuan. I'll give it to you."

Then, he took out his mobile phone and transferred money to Chang Mao.

Speaking of which, in such a situation, Yue Feng would definitely teach him a lesson before changing it. But today, Yue Feng wants to investigate the situation of Wutian Organization, so he doesn't want to care too much.

More importantly, Yue Feng wanted to probe some news from this long-haired mouth.

"One thousand!?"

Seeing that Yue Feng was so good at talking, his long-haired eyes flickered, revealing a bit of a grim smile, and said coldly: "You want to kill me for a thousand dollars? Think I'm begging? Tell you, ten thousand less. Block, you don't want to leave."

What? Ten thousand dollars?

At this moment, Xiao Xi couldn't be more angry: "Don't go too far."

Yue Feng also frowned, with a bit of displeasure on his face: "Lion's big mouth, are you going too far?"

"Who are you ? Friends, don't get close to me!" Chang Mao was also annoyed: "I tell you, I just mentioned this car, Mad, and you almost ruined the paint after driving for a few days, don't talk nonsense with me, Hurry up and get me the money, if you don't lose money, I want you to look good!"

"What if I don't pay today?!" Yue Feng chuckled and said coldly.

Mad, I wanted to speak well, but I didn't know this kid was quite arrogant.

"Go to Nimad!"

Long Mao shouted angrily, raised his hand and punched him.

Do it?

Yue Feng sneered, grabbed his wrist, and then suddenly tried hard!

Dengdengdeng...Chang

Mao only felt a strong force coming, the whole person staggered back a dozen steps, and finally sat on the ground.

Yue Feng walked over and said no nonsense: "I ask you, what are you doing to monitor the branch of the Wutian Organization?"

Huh?

Longhair froze for a moment, a little flustered.

Soon, Changmao reacted, but did not respond, but quickly took out his mobile phone and made a call: "I'm in trouble here, come here..." After the

call, Changmao put it away. The mobile phone sneered at Yue Feng, and said harshly: "Boy, don't run away, wait for me!"

Hehe, still calling someone?

Yue Feng showed a smile, with a leisurely look on his face: "Don't worry, I won't run!"

Xiao Xi was a little flustered, and whispered: "Not far away is the hall of the Wutian Organization, if we are like this, will we scare the snakes?"

Yue Feng thought about it for a while, and was about to answer when he saw several cars driving over.

Crunch!

After stopping on the side of the road, dozens of men in black quickly got out of the car, and then, led by an enchanting figure, quickly walked over.

The woman is dressed in a long red dress, painted with smoky makeup, sexy and compact, with delicate and charming facial features, and a high aura all over her body.

What the fuck?

This long-haired boss turned out to be a woman, so sexy?

Muttering in his heart, Yue Feng couldn't help but look at it a few more times.

At this time, Chang Mao walked over quickly, squeezed out a smile and greeted: "Sister Fei!" The

woman's name is Tian Fei, the general manager of Heihu Industry, the Yunzhou branch.

When he got to the front, Tian Fei first glanced at Yue Feng, then frowned and shouted at Chang Mao Jiao: "I asked you to monitor this hall, who made you trouble?"

Chang Mao was very aggrieved: "Sister Fei, I didn't. They made trouble, they deliberately picked things up."

After speaking, Chang Mao lowered his voice: "Sister Fei, this kid seems to be organized without heaven." Just now Yue Feng asked him why he was monitoring, which made Chang Mao mistakenly think that, Yue Feng is unorganized.

Chapter 2518

Huh?

Hearing this, Tian Fei frowned, stepped on her high heels and walked to Yue Feng, and said coldly, "Are you organized without heaven?" Her tone was cold and full of hostility.

Yue Feng looked indifferent, shook his head and said, "I'm not organized by the Heavenless. This is a misunderstanding."

After saying that, Yue Feng looked at the badge on Tian Fei's body and showed a smile: "Are you from Heihu Industry?"

Yue Feng's gaze made Tian Fei very annoyed, and she shouted: "What are you looking at? Honestly, I will gouge your eyes out." The

voice fell, and the people around suddenly gathered around, facing Yue Feng one by one. The wind glared angrily.

Yue Feng laughed: "It's just a trivial matter, is that so?"

After speaking, Yue Feng looked at Tian Fei: "Why do you want to monitor the Wutian Organization?"

"Why should I tell you?" Tian Fei said coldly "You haven't answered my question yet."

Yue Feng took a breath, knowing that she couldn't ask anything, smiled and said, "Your boss, is Li Heihu in Yunchuan City? Let him make a call. , said an old friend saw him."

What?

Hearing this, Tian Fei and the people around were stunned.

This kid has a big tone, but he wants to see the big boss?

Soon, Tian Fei reacted and looked at Yue Feng with a half-smiling smile: "If you want to see our boss, okay, I'll call you. If you play tricks on me, think about the consequences."

After speaking, she took out her mobile phone . , called Li Heihu.

"Boss, there is a kid who said he is your friend and wants to talk to you." After speaking respectfully, Tian Fei handed the phone to Li Heihu.

Yue Feng smiled and walked aside.

“Hello? Who...” On the other side of the phone, Li Heihu’s voice was very impatient.

“It’s me.” Yue Feng said lightly.

At this moment, when he heard Yue Feng’s voice, Li Heihu trembled: “Feng... Brother Feng, are you all right? In the past three years, many people have said that something has happened to you.”

“Let’s not talk about this now, I In Yunchuan City on the Yellow Sea Continent, the Wutian Organization must be investigated... By the way, don’t reveal my identity.”

“Understood!”

After explaining a few words, Yue Feng handed over the phone to Tian Fei.

“Boss, this kid...”

“Shut up for me, what kid? This is a VIP, wait for what he asks you, tell the truth, if you dare to neglect, don’t do it.”

Hearing this, Tian Fei Jiao’s body trembled, and she stared at Yue Feng blankly, her whole body completely messed up.

This... This person turned out to be the VIP of the big boss?

After hanging up the phone, Tian Fei bit her lip and stepped in front of Yue Feng with her high heels: “I’m sorry, I was offended just now.”

What?

Seeing this scene, the surrounding Chang Mao and others were all dumbfounded.

You must know that Tian Fei is a well-known strong woman in the Black Tiger Industry, and she is also a goddess in many people’s hearts. Anyone who sees it is polite, but I didn’t expect that in front of this kid at this time, so groveling.

Yue Feng raised his hand with a smile and said: “Okay, stop so many rules, let me ask you, what kind of grievance do you have between Black Tiger Industry and Wutian Organization? Why do you send someone to monitor?”

This...

Tian Fei clenched her lips and hesitated.

Yue Feng immediately understood what he was talking about, so he greeted Xiao Xi to get in the car.

Chapter 2519

A few minutes later, at the office of Black Tiger Industrial Company, Tian Fei made tea attentively.

Immediately afterwards, Tian Fei sat opposite and said slowly: "That's it, the Wutian Organization has been acquiring companies from all over the past six months to expand its strength in the business world."

"In the past three months, the mainland of Kyushu has , There are many companies that have been acquired."

"The Wutian Organization did this to make more money and then recruit more disciples. A month ago, the Wutian Organization sent someone to find me and asked me to give up the Black Tiger Industry. , I didn't agree to all the business in Yunchuan City."

Speaking of this, Tian Fei's delicate face was full of anger: "As a result, the Wutian Organization used all kinds of despicable means to suppress the company's business. The solution is to invite some practitioners to prevent accidents, and at the same time send people to investigate the branch of the Wutian Organization. However, the Wutian Organization is too cunning, and within this month, the hall has been replaced in five places. "

It turned out to be so!

Hearing this, Yue Feng suddenly nodded, and at the same time, he was secretly surprised.

This godless organization is really generous, and it has acquired so many companies. However, after acquiring so many companies and accumulating wealth, it is rich and powerful. It is no wonder that the previous Ren Changxi threatened to join.

Thinking about it, Yue Feng will continue to ask.

However, at this moment, Tian Fei's cell phone rang.

Seeing the point, Tian Fei's pretty face changed, and then she answered the phone.

"Hey, beautiful Tian Fei, have you considered what I told you last time? It's been half a month since you gave up all of your company's business in Yunchuan City..." a gloomy voice said. Come on, playful.

Tian Fei couldn't help but shouted coquettishly: "I want to seize the business of our Black Tiger Industry, dreaming, I tell you, we will not let it."

When she said this, Tian Fei's delicate body trembled.

"Huh?" The

other side of the phone seemed stunned for a moment, and then sneered: "You have a lot of confidence, yes, I know that you Black Tiger Industries have business in all continents and are very strong, but it is useless to fight against us. Yes ."

"I heard that you have recruited a lot of cultivators. If you want to confront our Wutian Organization head-on, I will give you a chance. Tonight at eight o'clock, the abandoned factory in the West District will have a fight. If you dare not come. , I think you admit defeat, hahaha..."

After saying that, she didn't give Tian Fei a chance to react, and just hung up the phone.

"Too arrogant." Tian Fei put away her phone and stomped her feet in anger, her teeth itch.

Yue Feng came over, showed a smile, and comforted: "Don't panic, they are more powerful, right? I'll go with you at night." "

Are you going?"

It's very strong, it is said that the masters are like clouds, I'm afraid..."

This person is the boss's honored guest, you can't let him take risks, if something happens, you can't afford it.

Seeing her expression, Yue Feng smiled: "Don't be afraid, if something really happens, I will tell Li Heihu myself."

Hearing this, Tian Fei nodded, but she was still a little worried and couldn't help saying: "Okay, but when you get there, don't be impulsive. I hired a lot of experts. Do you know?"

Yue Feng smiled and didn't say much.

To be honest, in today's realm, as long as he didn't encounter someone like Zhang Jiao, Yue Feng would not panic at all.

....

seven thirty in the evening. Abandoned factory in the west district of Yunchuan City.

This factory was originally located in a relatively remote location, leaning on a barren mountain. Now it has been abandoned for more than two years, and there are weeds everywhere. At this time, when night falls, the abandoned scene looks a bit gloomy.

In the workshop, a bonfire was lit, illuminating the surroundings.

There are dozens of people standing around, standing there respectfully, each of them is in the realm of Martial Saint, and by the bonfire, sitting a burly man.

This burly man is the head of the Wutian Organization, Li Haishan, at the entrance of Yunchuan City.

“Teacher, do you think that Tian Fei’s woman will be afraid to come?” At this time, a subordinate came over, lit a cigarette for Li Haishan, and asked carefully.

The appointed time is approaching, and no one has been seen yet. The brothers can’t wait.

Chapter 2520

Li Haishan’s mouth twitched slightly, revealing a sneer: “If she doesn’t dare to come, it means that this woman has given up. We can save some energy, and then take over the business of Heihu Industry in a fair and honest way.”

Said these At that time, Li Haishan was full of confidence.

In the past three months, Li Haishan has played against Tian Fei more than once. It can be said that Tian Fei suffered every time. Therefore, Li Haishan concluded that Tian Fei did not dare to come tonight.

Thinking to himself, Li Haishan felt a little regretful: “However, speaking of it, I hope this woman can come, Mad, this woman has no body or appearance, if we can taste her tonight, hehe, let’s count as well. It’s a worthwhile trip...”

Haha ... The words

fell, and the surrounding subordinates all laughed, each with a sinister expression on their faces.

“Yeah, that woman is really a top quality.”

“Teacher, that Tian Fei is really going to hurt us. If you eat meat, you have to drink some soup for your brothers.”

“Yeah...”

Li Haishan smiled and said: "Don't worry, at that time, there will be a fight."

This Li Haishan was originally a desperado on the Yellow Sea Continent. Because he was chased by a famous family, he finally had no choice but to take refuge in Wutian organization.

Li Haishan is ruthless, and the people he targets will end up tragically.

Now, in order to complete the task explained above, Li Haishan has set his sights on Tian Fei.

"Master, there is a car coming!"

Everyone was talking and laughing when suddenly, a little brother pointed at the mountain road in front of him and shouted excitedly.

"Quick, according to the plan, ambushed!" Li Haishan said excitedly, throwing away the cigarette in his hand.

"Yes!" The

voice fell, and many of the surrounding men scattered.

At the same time, on the road outside the factory, a car slowly drove over and finally stopped outside the factory.

Then, a man and a woman walked down.

It was Yue Feng and Tian Fei. Considering safety, Yue Feng did not let Xiao Xi come.

At this time, Tian Fei, looking at the abandoned factory building in the night ahead, felt inexplicably nervous!

Speaking of which, when he came, Tian Fei wanted to bring some more people, but Yue Feng insisted not to use it. Tian Fei was very anxious at that time, but he didn't know how to persuade him.

"Sir!"

At this time, looking at the darkness around the factory building, Tian Fei bit her lip and said softly: "The Wutian Organization, the head of Yunchuan City, is called Li Haishan, this person is very cunning, I heard that We used to be outlaws on the rivers and lakes, let's be careful."

Tian Fei was very nervous when she said this.

If I had known this earlier, I would have brought more people.

However!

Yue Feng had a calm expression on his face and smiled: "It's alright!"

After saying that, he walked straight over.

Tian Fei was nervous and anxious again, so she quickly followed.

Swish!

When they got to the bonfire, whether it was Li Haishan or the people around him hiding in the dark, their eyes were all focused on Tian Fei, and their eyes were straight.

beautiful!

So beautiful.

At this time, Tian Fei, wearing a long black dress, gave people a cold and arrogant feeling. In the night, she was indescribably sexy and charming. Any man who saw it would be stimulated by a strong impulse to conquer.

Tsk tsk...

Li Haishan stood up slowly, stared closely at Tian Fei, and said with a smile: "Beauty Tian, you really kept the promise, how is it? You bring someone here. Are you planning to surrender?"

"At these times, Li Haishan's eyes were looking at Tian Fei up and down, but he didn't pay attention to Yue Feng at all.
