

The ultimate husband in Chinese chapter 2521-2530

Chapter 2521

In his heart, Yue Feng is just a driver, not a threat at all.

“You...”

Li Haishan’s gaze made Tian Fei very angry, and said coldly: “Stop talking nonsense, I am here today to tell you that our Black Tiger Industry will not compromise.” The

voice fell, Yue Feng slowed down. He walked over slowly and looked directly at Li Haishan: “You are the head of the branch in Yunchuan City, right, tell me, who is the head of your Wutian Organization?”

What?

Li Haishan was stunned, and the surrounding subordinates also thought that he had heard it wrong.

This kid has a big mouth.

“Boy!” Li Haishan couldn’t hide his contempt, looked at Yue Feng and said coldly: “What did you just say? Do you want to see our head?”

“Yes.” Yue Feng said lightly.

“Who is your special code?” Li Haishan shouted angrily.

Mad, is this kid tired of living, and he is so shameless by himself? You must know that even Li Haishan has never seen the behind-the-scenes head of the Wutian Organization. He only knows that the head of the organization is mysterious, and the dragon is extremely powerful.

Yue Feng breathed a sigh of relief and said slowly, “I’m Mr. Tian’s friend. I helped her settle this matter today.”

Hahaha...

Hearing this, Li Haishan reacted, and his stomach hurt from laughing. : “Boy, you said you came to settle this matter, did you settle it with a special code? It’s just you?”

At the same time, the surrounding subordinates couldn’t help but laugh.

At this time, Li Haishan's eyes fell on Tian Fei, and he couldn't help mocking: "Beauty Tian, where did you find such a fool? You want to deal with our entire hall alone? Your brain is caught in the door. "

Swish!

Hearing this, Tian Fei's delicate face suddenly turned red, very angry, and at the same time a little anxious.

The whole Fengtao is really too confident. How could he beat so many people by himself?

Thinking to herself, Tian Fei is about to speak.

However, at this moment, Yue Feng said to Li Haishan, "I'll only say it once, don't pay attention to Heihu Industry in the future, and take me to see your head immediately."

"Go to Nimad. Li Haishan suddenly became angry and shouted loudly. In an instant, the people lying in ambush suddenly lit the torches, and at the same time, he pulled out the gun on his body and aimed at Yue Feng and the two at once.

Oops!

Seeing this scene, Tian Fei's body trembled, and she couldn't be more anxious. The opponent had a gun in his hand, and both of himself were within the opponent's attack range. Part-time jobs were living targets.

Seeing Tian Fei's expression, Li Haishan gave a wicked smile: "Beauty Tian, to be honest, we have no grievances and no grudges, there is no need to be so stiff, so you give up the business in Yunchuan City and become my woman, Forget it."

"You..." Tian Fei blushed, so angry that she was speechless.

This Li Haishan is just a bastard, he doesn't count as grabbing business, he wants to take advantage of himself.

Anxious, Tian Fei looked at Yue Feng, and was stunned. She saw that Yue Feng was not in a hurry, picked up a branch from the ground, and was folding it into sections.

At this moment, Tian Fei was completely in a hurry. When is it, this Feng Tao still has the mind to do this?

This is, Li Haishan saw Yue Feng's action, his eyes flashed coldly: "Kill him to death for me first!" A boy who doesn't know whether to live or die, dare to pretend in front of himself, and kill him first.

bang bang bang...

The voice fell, and more than a dozen men fired at the same time.

At this moment, Tian Fei was taken aback and wanted to make Yue Feng be careful, but the next scene completely shocked Tian Fei.

At this critical moment, Yue Feng's wrist flicked, and the dozen or so branches in his hand made a sharp sound.

Putong putong...

I saw that none of the more than a dozen guns and bullets hit Yue Feng. On the contrary, the surrounding subordinates did not respond to what was going on. Trembling, he fell into a pool of blood.

More than a dozen bullets were all shot by the branches, and at the same time, the branches were all stuck between the eyebrows of these people, killing them in one hit.

Chapter 2522

This...

Seeing this scene, Tian Fei's body trembled, staring at Yue Feng blankly, completely stupid.

I thought he was just a guest of the boss, but he never imagined that this person was so powerful that he could block bullets with branches and kill people. It was incredible.

"You..."

Li Haishan was also full of horror, looking at Yue Feng, as if he had seen a monster, his tone trembled, and he couldn't say anything.

Yue Feng was too lazy to talk nonsense, his body flashed, and he raised his hand and touched Li Haishan's acupuncture point.

Yue Feng's speed was very fast, Li Haishan only felt a flower in front of him, and then the acupoint was blocked, and the whole person could not move at all.

"What are you doing? Let me tell you, it's not going to end well if you provoke our Wutian Organization." At this time, Li Haishan couldn't help shouting, his mouth seemed tough, but his eyes flashed with panic. That proud and confident look.

Especially feeling the terrifying aura of Yue Feng, Li Haishan couldn't help trembling.

Who the hell is this? The strength is also terrible.

“Sir!”

At this moment, Tian Fei stepped on her high heels, walked over quickly, glared at Li Haishan with shame and anger, and said, “Just kill him.”

Thinking of Li Haishan’s attitude just now, Tian Fei became angry. Fighting in one place, such a scum in the arena, killing it is killing the people.

“Forgive your life, spare your life...”

Feeling Tian Fei’s killing intent, Li Haishan’s face was extremely pale, and he could hardly stand still, and would slump on the ground at any time.

At this time, Li Haishan wanted to turn around and run away, but the acupoint was taped and he couldn’t move at all.

“Don’t worry!”

Seeing Tian Fei’s angry look, Yue Feng smiled slightly, and said slowly, “It’s still useful for me to keep this person.”

After that, Yue Feng said to Li Haishan, “How is it? I said just now. Yes, do you agree now?”

“Agree, agree...” Li Haishan nodded like a chicken pecking at rice, he was not a fool, why didn’t he know what Yue Feng meant?

Yue Feng stopped talking nonsense, took out his mobile phone from Li Haishan, and then under his guidance, dialed the number of Li Haishan’s subordinates and turned on the speakerphone.

“Hey..” Li Haishan was full of cold sweat, and shouted at the phone: “Pass my order, from now on, anyone under the hall, don’t call the attention of Heihu Industry...”

And the above tasks are of course Important, but not life.

Soon, after the phone call, Li Haishan looked at Yue Feng with a flat face: “Your Excellency, is this all right?”

Yue Feng ignored him, tilted his head and smiled at Tian Fei: “Okay, your problem is solved. Now, you go back first, I have to ask him some other things.”

Saying that, Yue Feng thought of something: “By the way, the girl with me, please tell her, let her stay in your company and wait for me. , I’ll come back to find her after I finish my business.”

Yue Feng thought about it, going through this Li Haishan and breaking into the Wutian Organization. It is inconvenient to bring Xiao Xi, so it is better to let her stay here.

This...

Hearing this, Tian Fei hesitated a little. This person is the boss’s VIP. I’m afraid it would be inappropriate to leave him here alone, but seeing Yue Feng’s firm expression, he didn’t say much.

“Sir, take care.” Tian Fei said, turning to leave.

“Your Mightiness!”

As soon as his forefoot left, Li Haishan was full of fear and pleaded with Yue Feng: “I have done what you told me, please forgive me...”

Yue Feng showed a smile and said lightly: “What are you panicking about? I still have something to do. , I need your help.”

“What are you busy with?” Li Haishan was about to cry, what else did this man think?

Yue Feng thought about it and said slowly: “You take me to see your head, and I will spare your life.”

Chapter 2523

What?

Hearing this, Li Haishan shuddered and shook his head like a rattle: “No, absolutely not, our head has a weird personality, and we don’t like the person under him the most, so we took the initiative to find him.”

Yue Feng frowned, and then Leng Leng walked up to Li Haishan, opened his mouth and lips, took out an elixir from his body, and quickly stuffed it into it.

Gudong!

Before Li Haishan could react, the medicinal pill was swallowed directly into his stomach.

“You... what did you give me to eat?” Li Haishan looked at Yue Feng, his tone full of fear.

Yue Feng sneered and stared at Li Haishan: "Have you heard of Tongtian Pill?"

Yes.

What Yue Feng just gave him was Tongtian Pill!

"Tong... Tongtian Pill?" Li Haishan's heart was shocked, and his body was dripping with cold sweat, and he was terrified. Ten years ago, there was a Tongtian sect in the Earth Circle Continent, and the strength was tyrannical. Take something like Tongtiandan.

It is said that after taking Tongtian Pill, within a year, if there is no antidote, the whole body will fester and die.

Li Haishan is also a person from all corners of the world, and he knows some of these things.

At this time, Li Haishan, the more he thought about it, the more frightened he became, staring at Yue Feng: "What do you want?"

Yue Feng said leisurely: "It's very simple, you just need to take me to see your head, and I will give it to you. You have an antidote, otherwise, you will die."

"Okay..." Li Haishan wanted to cry but had no choice but to agree.

To be honest, Li Haishan was reluctant to take him to see the Sect Master. You must know that Wutian's organization is strictly hierarchical, and without the Sect Master's invitation, he cannot rush to see him.

However, at this time, Li Haishan had no choice.

I can't do it if I don't agree. Li Haishan shuddered when he thought that he would fester and die without an antidote.

Seeing his promise, Yue Feng showed a smile, and then opened the acupuncture point for Li Haishan.

He had already taken Tongtian Pill forcibly, and Yue Feng was not afraid of Li Haishan running away.

"Your Excellency, I want to inquire about the whereabouts of the head first." Li Haishan opened his mouth cautiously, and then took out his mobile phone.

The branches of the Wutian Organization are all over the continent of Kyushu. Of course you have to ask first.

Soon, Li Haishan got the news and said to Yue Feng: "The head is now in Zhongyuan Continent, let's go."

Zhongyuan Continent?

Yue Feng nodded, then set off with Li Haishan.

....

on the other side.

Zhongyuan Continent, Tianning City.

On the hills in the eastern suburbs of Tianning City, there is a magnificent manor with antique buildings.

At this moment, in the hall of the manor, a slender woman was sitting there.

Looking closely, the woman is only thirty years old. She is wearing a luxurious long dress and a veil. She has a compact body, a dignified temperament, and a beautiful face. Under the veil, she is looming, like a fairy in the sky, sacred and cannot be desecrated. .

It is the head of the Wutian Organization. If Yue Feng was present, he would be shocked to see her, because this woman was the former Huanyin Sect leader, Yu Wenyan.

Yes, the Wutian Organization was really created by Yu Wenyan. Three years ago, when the Kyushu Continent was still at war with the Rakshasa tribe, Yuwenyan snatched Yue Feng's Linglong Pagoda, withdrew from the battlefield, and began to silently develop his own power.

Now that three years have passed, the Wutian Organization created by Yu Wenyan can completely compete with Tianmen.

Chapter 2524

Yu Wenyan was sitting there at this time, with a beautiful face without the slightest expression, it can be said to be frosty.

In the past six months, the Wutian Organization has set foot in the business world and wanted to expand its strength again by controlling the business world.

This made Yu Wenyan very annoyed.

"Sect Master!"

At this moment, an elite female disciple walked in and said respectfully, "The envoy is here." After speaking, she took out a special black jade plaque.

Seeing the jade card, Yu Wenyan was slightly moved, and immediately got up and went to the back hall.

As soon as he arrived in the small hall, he saw a man in black robe sitting there quietly, with a faint smile on his sinister face. A strong aura pervaded his body.

It was Zhang Jiao.

"I haven't seen you for a while, stay safe." Seeing Yu Wenyan coming in, Zhang Jiao said with a smile.

Yes, Zhang Jiao is also a member of the Wutian Organization. It can be said that he established the Wutian Organization together with Yu Wenyan.

After the peace talks between the Kyushu army and the Rakshasa tribe, Zhang Jiao left without saying goodbye. He knew that by doing so, he had no place in the various forces in the Kyushu mainland, so he secretly created the Huangtian transaction, and then accidentally met Yuwen. Homura, learning that this woman is also ambitious, co-founded the Wutian Organization with her.

However, Zhang Jiao was cunning and unwilling to show his face, so he let Yu Wenyan manage the Wutian Organization and controlled it behind the scenes.

Yu Wenyan showed a smile: "Mr. Zhang suddenly came to visit, I don't know what to teach you?"

Huh!

Zhang Jiao took a deep breath and said slowly, "Did you know that Yue Feng has returned?"

What?

Hearing this, Yu Wenyan's tender body trembled, and he was stunned for a moment, and there was a bit of fear on his beautiful face.

When he robbed Yuefeng Linglong Pagoda, Yuwenyan decided that Yuefeng had no chance of revenge, because at that time, he had already become a cripple. Who would have thought that Yuefeng would regain his strength later, and then the war between Kyushu and the Rakshasa ended. , Yue Feng disappeared, Yu Wenyan was very happy at that time.

But I never thought that Yue Feng had disappeared for three years, but he came back.

Seeing her expression, Zhang Jiao smiled slightly: "But don't worry, Yue Feng did not return to Tianmen, but hid his identity. I guess he wanted to investigate the Wutian Organization."

When he said this, Zhang Jiao had a face He smiled confidently, but his heart was indescribably annoyed.

A day ago, Zhang Jiao set up an ambush around Yunchuan City on the Yellow Sea Continent, but as a result, Yue Feng was never ambushed, which made Zhang Jiao very annoyed.

Hearing this, Yu Wenyan's eyes flickered: "Then according to your opinion, what should I do?"

Zhang Jiao pondered for a while, and said slowly: "Simple, you ordered the Wutian organization to attack the Tianmen, it is best to raid the Ouyang family, After grabbing the women of Yue Feng, Yue Feng will definitely show up, and then I will hide in the dark and make a surprise attack."

"No!"

Yu Wenyan's pretty face changed and immediately refused: "The Wutian Organization is developing, if it is with Tianmen In a head-to-head battle, our long-term efforts will be ruined. No way!"

In the past three years, Yu Wenyan has invested too much energy in Wutian Organization, and he doesn't want to take such a risk.

Made!

Seeing her refusal, Zhang Jiao's eyes flickered with displeasure. Sure enough, she is a woman, after all, there are some women's benevolence.

At this time, Zhang Jiao was very dissatisfied with Yu Wenyan. Speaking of which, half a year ago, the two had a disagreement on the development of the Wutian Organization. At that time, Zhang Jiao wanted to kick Yu Wenyan out of the game, but he kept forbearance. When she saw her rejecting her suggestion again, she couldn't help it.

However, Zhang Jiao is the best at hiding a knife in a smile, and he didn't attack on the spot at this time.

"Alright then, let's send someone to investigate Yue Feng's whereabouts and make plans." Zhang Jiao said with a smile.

When the words fell, Zhang Jiao poured two cups of tea, put some medicinal powder in one cup, and then handed it to Yu Wenyan.

Zhang Jiaofang's medicinal powder, called Huanxisan, is a very powerful medicine.

Zhang Jiao thought about it, this Yu Wenyan is arrogant, and since she doesn't follow her own wishes, let her become her own woman, and then she will not go against what she says.

Zhangjiao's speed was very fast, and Yu Wenyan didn't notice it at all.

At this moment, watching Yu Wenyan drink the tea, a smile appeared on the corner of Zhang Jiao's mouth.

"Master!"

Chapter 2525

It was at this time that an elite female disciple stood outside the small hall and said respectfully, "The head of the Yunchuan City branch, Li Haishan, asks to see you."

Li Haishan?

Yu Wenyan frowned, very displeased: "He is not staying in Yunchuan City, what is he doing here?"

"He said he had something to ask for." The female disciple said in a panic.

Yu Wenyan took a deep breath, turned his head to look at Zhang Jiao and said, "Mr. Zhang, wait a moment, I'll take a look." After speaking, he got up and went to the front to agree.

At this moment.

In the hall, Yue Feng and Li Haishan stood there.

What the hell!

Looking at the surrounding environment, Yue Feng was very shocked. He saw that this place was very luxuriously decorated, like a palace, and there were dozens of elite disciples standing around the hall.

These elite disciples are all girls in their mid-twenties, with pretty faces, graceful stature, and not low strength, all of which are the strength of a Martial Emperor.

This godless organization is really powerful.

“Here comes the head!”

Just as Yue Feng sighed inwardly, a cold voice came, and then, Yu Wenyan walked in slowly and sat on the throne.

At this moment, seeing Yu Wenyan, Yue Feng was stunned.

Nima, it was her?

In which mountain cave, Yu Wenyan tied himself up, and after all kinds of humiliation, he stole the Linglong Pagoda. Yue Feng will never forget it for the rest of his life.

But she never thought that she was the head of the Wutian Organization.

Pfft!

As soon as Yu Wenyan appeared, everyone in the hall knelt down, Li Haishan also knelt down with a face full of fear, only Yue Feng stood there proudly.

Swish!

Yu Wenyan’s eyes locked on Yue Feng all of a sudden, “Who are you?”

Before he came, Yue Feng put on makeup on purpose, and with three scars on his face, Yu Wenyan couldn’t recognize it at all.

“Sect Master!” Li Haishan hurriedly said: “This person wants to join our Wutian Organization, and he found me on purpose, saying that he has treasures for the Sect Master.”

When he said this, Li Haishan was nervous. On the way, Yue Feng explained to him.

treasure?

Hearing this, Yu Wenyan looked at Yue Feng up and down: “What treasure?”

Yue Feng smiled slightly and said, “This treasure, the sect master must like it.” After saying that, he took out a few top-quality Wuhuang realm. inner dan.

To be honest, after learning that the head of Wutian Organization was Yu Wenyan, Yue Feng couldn’t restrain his inner anger, but he finally held back.

After all, I am alone, so I am not afraid to fight, but in this case, I will be exposed.

Yue Feng thought about it, first stabilize Yu Wenyan, and then subdue her when he finds an opportunity.

call!

Seeing those few top-quality inner cores, everyone present was extremely shocked.

Even Yu Wenyan's eyes flickered, looking at Yue Feng's eyes with a strange light.

"Well, yes, this seat believes in your sincerity." Yu Wenyan said, his eyes fell on Li Haishan, and he praised: "You can recruit such a talent, it is considered a merit, this seat will reward you.

" Li Haishan couldn't be more excited about this.

"Good boy, go to hell!"

However, no one thought that at this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, with rapid lightning, rushed from behind Yue Feng and slapped Yue Feng with a palm!

It is Zhang Jiao!

The ultimate husband in Chinese chapter 2526-2530

Chapter 2526

Just now, Zhang Jiao tricked Yu Wenyan to take Huanxi San, so he sat in the back small hall and waited, but after waiting, he didn't see Yu Wenyan coming back, so he came to have a look.

As a result, as soon as he arrived in the hall, he saw Yue Feng at a glance. Although Yue Feng put on makeup, the three scars on his face were very conspicuous. Zhang Jiao was surprised and happy.

hum!

Rushing to the front, a powerful breath burst out from Zhang Jiao. .

"Zhang Jiao!!!"

At this moment, seeing Zhang Jiao, Yue Feng was shocked and furious. I never thought that I would meet Zhang Jiao here.

"Yue Feng!" The corner of Zhang Jiao's mouth rose slightly, unable to hide his excitement and hatred, and said coldly: "I was worried that I couldn't find you, but I didn't expect you to come to the door on your own initiative, this is God's will, you, go Die!" The

voice fell, Zhang Jiao's inner strength surged, and he slapped it with a palm.

This...

Seeing this scene, Yu Wenyan's body trembled, his eyes fixed on Yue Feng, and he was shocked.

He... is he Yue Feng?

In the next second, Yu Wenyan reacted and was furious. He yelled at Yue Fengjiao, "Yue Feng, how dare you sneak into my place, you..."

Just now, Yu Wenyan was still thinking, and Yue Feng disappeared. Three years later, when he suddenly came back, how should he deal with it? In a blink of an eye, Yue Feng disguised himself and appeared in front of him.

Yu Wenyan is arrogant and arrogant, when has he been played like this?

After drinking Jiao, Yu Wenyan wanted to rush over, but suddenly, Jiao's body trembled, and he found that the internal force could not be activated. Not only that, but there was a strange force surging in the dantian.

This chapter is provided by . Visit for daily update.

boom!

The speed of the angle was too fast, Yue Feng had no time to react, this palm slapped on Yue Feng's body, and a dull vibration was heard, Yue Feng's blood spurted wildly, and the whole person flew out at once.

Pfft!

After flying for more than 100 meters, Yue Feng shed a rain of blood in the air, and finally fell heavily outside the hall. The pain came, and he almost fainted.

Yue Feng clearly felt that the blood in the body was surging, and the inner strength of the dantian was all disordered!

Huh..

Yue Feng is sweating profusely, Zhang Jiao's palm is too strong! Fortunately, I have internal strength to protect my body, which offsets some of my strength. Otherwise, I would be dead.

"Hahaha.."

Zhang Jiao was extremely excited, laughed up to the sky, and sneered at Yue Feng: "I didn't expect it? Yue Feng, even if you are a hero of the Kyushu continent, in the end, won't you die by my hands? I tell you, get rid of your stumbling block, and I can dominate Kyushu."

"Zhang Jiao!"

Yue Feng's face was pale, staring at Zhang Jiao, and said coldly: "Are you only attacking? So despicable and insidious, Even if you kill me, no one will

obey you." "I'll kill anyone who doesn't agree with me. You don't have to worry about that." Zhang Jiao walked step by step with a grim expression on his face.

At this moment, Yu Wenyan snorted: "Zhang Jiao, don't kill him first, Yue Feng is still useful." Three years ago, Yu Wenyan stole the Linglong Pagoda, thinking that he could use the power of the Linglong Pagoda.

But in the end, Yu Wenyan couldn't find the secret to opening the Linglong Pagoda. How could Yue Feng be allowed to die at this time? You know, when Yue Feng dies, the secret of Linglong Pagoda will never be solved.

"shut up!"

Zhang Jiao let out a loud shout and looked at Yu Wenyan with a half-smiling smile: "You self-righteous woman, do you really think you are in control of the audience? Let me tell you, from now on, the Wutian Organization will have the final say.

"The corner of the corner of the mouth evoked a sinister smile: "Do you feel powerless now? I put the joy powder in the tea just now, you can rest assured behind your back and be my woman, hahaha..."

What?

Hearing this, Yu Wenyan's beautiful face suddenly flushed red, and her body trembled with anger.

This Zhang Jiao is really despicable and shameless. He has been allied with him for three years, but he is...

Nima!

At this moment, Yue Feng was also staring at Zhang Jiao, scolding inwardly.

This man is so sinister, he even plots against his own people.

"Yue Feng, die." Zhang Jiao said with a smile!

Chapter 2527 The

voice fell, Zhang Jiao raised his hand again, and hit Yue Feng with a palm.

Nima!

Yue Feng cursed loudly, raised his hand and waved, releasing the cold white lotus fire, forming a white wall of fire in front of him.

Bailian cold fire?

Zhang Jiao's face changed, he didn't dare to be brave, and quickly urged his inner strength to resist the white flame. Zhang Jiao felt that in the past three years, Yue Feng's strength has become stronger, and the white lotus cold fire that broke out is much stronger than before.

Whoosh!

However, taking advantage of this opportunity, Yue Feng rushed over quickly, hugged Yu Wenyan, and rushed out of the hall.

"Zhang Jiao, I'll come back to you soon for this account." When he rushed out of the manor, Yue Feng's roar came coldly, and everyone felt a chill in their hearts.

Bang!

Zhang Jiao's face was extremely ugly, and he smashed the chair next to him and shouted, "Follow me." After the words

fell, many disciples in the manor rushed to the sky and chased in the direction of Yue Feng's escape.

On the other side, Yue Feng hugged Yu Wenyan and flew all the way at high altitude for more than an hour. Seeing that the pursuers behind him were successfully thrown away, Yue Feng took a deep breath and landed in a forest.

"Yue Feng!"

At this moment, Yu Wenyan gritted his teeth and said, "Let me go. I don't need you

to save me." "Can I save you?" With a beautiful face, she said coldly, "I just don't want Zhang Jiao's trickery to succeed. Let me tell you, Yu Wenyan, you stole my Linglong Tower three years ago, and the account hasn't been settled yet.

", Yue Feng couldn't help looking at Yu Wenyan, and saw that her face was blushing, her appearance was really charming.

I have to say that this woman is really beautiful. I don't know how many men are willing to bow down under her skirt.

However, Yue Feng was not interested in her at all.

This Yu Wenyan, at the beginning of the Kyushu Continent, was the same enemy, fighting against the Rakshasa, but what about her? For the sake of his own interests, he secretly arrested himself and robbed Linglong Tower. It can be said that Yue Feng did not have the slightest affection for them, even if not at all!

“You...”

Hearing this, Yuwen was arrogant, but he was speechless.

For a while, neither of them were talking, and the atmosphere was very depressed.

Yue Feng was too lazy to pay attention to her and sat aside, thinking about what happened just now, Madd, he didn't expect Zhang Jiao to be a Wutian organization. Now Zhang Jiao and Yu Wenyan have torn apart their faces and completely controlled the Wutian organization. deal with.

“Yeah!”

Just when Yue Feng was thinking about this, Yu Wenyan, who was beside him, suddenly let out a low moan, showing pain.

This voice seemed to carry a fatal temptation, Yue Feng only felt that all the bones in his body were brittle.

“Yuwenyan!” Yue Feng frowned, turned his head to look, and said angrily: “Yuwenyan, don't think about making excuses for me, I'll tell you...”

Before he finished speaking, Yue Feng said Seeing Yu Wenyan's appearance, he couldn't help taking a breath.

Just saw Yu Wenyan curled up on the grass, under the long skirt, that charming curve was looming. He was dripping with sweat all over his body. And that beautiful face, seemingly incomparably painful, at the same time charming!

This, what's the situation?

Yue Feng frowned, remembering that before leaving just now, Zhang Jiao seemed to say something happy.

Thinking to himself, Yue Feng couldn't help but say, “Yu Wenyan, calm down.” After speaking, Yue Feng was about to find a sobering elixir from the spirit beast sack.

Swish!

However, as soon as the words fell, Yu Wenyan hugged Yue Feng!

At this time, Yu Wenyan, under the attack of the medicine, has completely lost his mind!

What the hell!

At this moment, Yue Feng wanted to struggle, but Yu Wenyan hugged him tightly with both hands, not giving him any chance at all. The beautiful face came up, and the red lips kissed Yue Feng at once!

At this time, Yu Wenyan only felt that his body was extremely hot, and his whole body was about to burn, and he had no idea what he was doing.

Chapter 2528

Om!

At this moment, Yue Feng was stunned, and immediately, he and Yu Wenyan rolled on the grass!

“Hey, Yu Wenyan, wake up...” Yue Feng couldn’t help but speak.

However, at this time, Yu Wenyan couldn’t hear Yue Feng’s voice at all. She hugged Yue Feng tightly and started to pull on Yue Feng’s clothes.

“Oh!”

A low voice came from Yu Wenyan’s mouth, echoing among the unknown woods.

I don’t know how long it took, Yu Wenyan finally woke up, fell to the side, and fell asleep.

Yue Feng was sitting next to him, and at this time, he was also very tired.

Although it was cloudy and rainy just now, Yue Feng felt very uncomfortable at this time. In the manor before, he was sneakily attacked by Zhang Jiao, and Yue Feng was seriously injured by this palm.

Yue Feng sat cross-legged, healed his injuries for a while, and felt much better, only then did he breathe a sigh of relief.

Fortunately, the injury was not serious, and the injury recovered quickly. Otherwise, it will be troublesome.

Thinking to himself, Yue Feng only felt a killing intent coming from the side!

“Yue Feng!” I saw that Yu Wenyan didn’t know when he woke up. At this time, there was still a blush on the beautiful face, and his eyes were fixed on Yue Feng, with endless shame and anger!

Such a strong murderous aura!

Feeling Yu Wenyan’s murderous gaze, Yue Feng was very embarrassed, but he quickly calmed down.

Yue Feng felt that Yu Wenyan was still very weak after passing through the cloud and rain just now. Moreover, what happened just now was her own initiative, why should I panic?

“Yue Feng, you...you bastard.” At this moment, Yu Wenyan bit his lip, his eyes full of resentment: “You ruin my innocence, I, I will kill you!

” Flame’s delicate face, with endless anger and shame!

The head of his own Wutian organization, the goddess of icebergs on the rivers and lakes, was actually defiled by Yue Feng, which was even more uncomfortable than killing her!

“Yuwenyan!”

Feeling Yuwenyan’s anger, Yue Feng showed a smile, and said lightly: “I ruined my innocence? It’s ridiculous, you took the initiative just now, and I didn’t force you, and Zhang Jiao gave it to you. After taking the medicine, if you want revenge, you should go to him.” As he

said that, Yue Feng looked up and down Yu Wenyan.

I have to say that this Yu Wenyan deserves to be a goddess-level existence in the rivers and lakes. This figure and appearance are perfect. Especially the taste just now, it is even more memorable.

“You...” Yu Wenyan blushed and bit his lip, almost bleeding. Can’t speak for a while.

This bastard, Yue Feng, took advantage of himself and said slander! The thought of his relationship with Yue Feng made Yu Wenyan extremely ashamed and angry, and he was reluctant to accept this fact.

For a time, Yu Wenyan stared at Yue Feng fiercely, the atmosphere was solemn.

“Yue Feng, you have ruined my whole life, I want to kill you, kill you.” Yu Wenyan shouted tenderly, stood up, raised her jade hand and slapped Yue Feng.

Ugh!

Yue Feng shook his head and sighed, not knowing whether to laugh or cry, Yu Wenyan’s palm was no threat at all.

Yue Feng took a step away, dodged the palm gently, and said lightly: “Yuwenyan, don’t be ridiculous, it’s Zhang Jiao who harmed you, this person is despicable and cunning, what do you think it’s good for you to cooperate with him? Or help? I’ll deal with him together.”

“Shut up!” Yu Wenyan scolded in a low voice, and slapped him again.

Although Zhang Jiao was hateful, he did not defile himself. He had to kill Yue Feng today.

Seeing Yuwenyan’s face full of grief and indignation, Yue Feng only felt a big head. How to say, he really ruined Yuwenyan’s innocence, and it is not easy to fight back.

While dodging, Yue Feng shouted: “Yuwenyan, you have to settle the bill, right? Well, three years ago, you robbed me of Linglong Tower and trapped me in a cave to die. Now that three years have passed, it is time to take Linglong Did you give me the tower back?”

Chapter 2529

“Don’t pay it back!”

Yuwen is so arrogant, this bastard, who has ruined his life, still wants to go back to Linglong Tower? It’s so disgusting, how can there be such a shameless person?

Yue Feng didn’t know whether to laugh or cry, and at the same time, he was also a little angry: “Yu Wenyan, you are unreasonable.”

Mad, it was you who robbed my Linglong Tower first, and then killed me at that time. Are you still right now?

Buzz.... As

he was talking, suddenly, there was a strong aura fluctuation not far away, and then, six people walked over quickly.

Seeing these six people, Yue Feng frowned, and saw that these six people were wearing the same clothes, black and red long gowns embroidered with flames.

After encountering the King of Six Tribulations (Quiet, Illusory Body, Huifeng, Slaughtering Spirit, Locking God and Slaying Demons)

and then sensing their strength, I was secretly surprised. It turned out to be the realm of the fifth stage Martial Emperor. .

Who are these six people? The strength is so powerful.

Swish!

The six people approached, their eyes locked on Yue Feng at once, as if they were guessing Yue Feng's identity.

“Six, he's Yue Feng, grab him quickly.” At this moment, Yu Wenyan pointed at Yue Feng and couldn't help but shouted, while speaking, the figure quickly retreated.

Yes, Yu Wenyan knew the identities of these six people, the King of Six Tribulations of the Holy Fire Palace.

The Holy Fire Palace is also a new sect that has risen in the rivers and lakes in recent years. It only rarely walks on the rivers and lakes. It can be said that it is very mysterious. No one knows who the leader is. Even the well-informed Yu Wenyan could not find out who the leader of the Sacred Fire Palace was, but she knew that the Sacred Fire Palace often sent the King of Six Tribulations to investigate the news on the rivers and lakes.

Even the King of Six Tribulations often went to the wild and strange realm to search for Yue Feng's whereabouts.

Yu Wenyan found out that the Sacred Fire Palace searched for Yue Feng's whereabouts because the leader had a grudge against Yue Feng.

Therefore, seeing the King of Six Tribulations at this time, Yu Wenyan pointed out Yue Feng's identity without hesitation, and wanted to use this knife to kill people.

What?

Hearing Yu Wenyan's cry, Yue Feng's expression changed.

At the same time, the King of Six Tribulations locked Yue Feng at once, and six powerful internal force fluctuations came from their bodies!

In the next second, the King of Six Tribulations shot at the same time and charged towards Yue Feng.

Nima.

Yue Feng didn't have time to think about it, and immediately joined the base station of the Six Tribulation King. Speaking of which, with Yue Feng's strength, even if the Six Tribulation King was a fifth-rank Martial Emperor, he would not be afraid. At this time, facing the siege of the King of Six Tribulations, some dangers suddenly appeared.

Pa...

Finally, just when Yue Feng was in a hurry, one of the Six Tribulation Kings found an opportunity, shot from behind, and clicked on Yue Feng's acupuncture point!

It is the Demon Slayer!

The Kings of Six Tribulations are Huansen, Huifeng, Slaughtering Spirit, Locking God, Slaying Demons, Nimie, and Slaying Demons, ranking third.

Yue Feng didn't have time to react at all, and his body couldn't move in an instant. He looked at the King of Six Tribulations in shock and anger: "Several, we don't know each other, why..."

Before he could finish speaking, the Demon Slayer interrupted coldly: "Stop talking nonsense, our Sacred Fire Palace and you are at odds with each other, please follow us obediently."

Sacred Fire Palace?

Hearing this sect, Yue Feng wanted to cry but had no tears. Nima, this is the first time I heard about this sect.

"Yue Feng, do you know how long we've been looking for you?" The Demon Slayer said coldly, "In order to catch you, our leader, we have worked hard." The

voice fell, and the Demon Slayer raised his hand with a palm, directly Stun Yue Feng.

Chapter 2530

Seeing this scene, Yu Wenyan can't help but relieve his anger. This Yue Feng is finally going to get his retribution.

Thinking to himself, Yu Wenyan was about to leave.

"Wait!"

However, at this moment, the King of Six Tribulations came over and stopped in front of him.

"You also come with us." The Demon Slayer said lightly.

Yu Wenyan was shocked and angry: "Yue Feng and I are also enemies, what are you arresting me for?"

Yu Wenyan was very annoyed at this time, and he didn't expect that he would help the Holy Fire Palace and reveal Yue Feng's identity, but not only did he not get it Thanks, but they were also stared at.

The Demon Slayer King was too lazy to talk nonsense, looked at the other five kings, and worked together to subdue Yu Wenyan. Yu Wenyan's situation was not much better than Yue Feng's, and in the blink of an eye, the acupuncture point was hit.

At this time, it was already dark, and the King of Six Tribulations returned to the Holy Fire Palace with Yue Feng and Yu Wenyan.

....

On the other side, the Wutian Organization stronghold.

In the hall, Zhang Jiao sat there with a gloomy face.

Below, stood more than a dozen elites from the Heavenless Organization, all of them were in a state of fear, and did not dare to let out the air.

Just now, Zhang Jiao sent people to pursue Yue Feng's whereabouts with all his strength. As a result, several hours passed without any progress. Yue Feng fled completely. Not only that, but Yu Wenyan also lost news.

This made Zhang Jiao very annoyed.

"Trash, a bunch of trash." Zhang Jiao scolded coldly, then patted his forehead, thinking about his next plan.

Mad, failed to catch Yue Feng, it seems that he can only start with the Ouyang family.

.....

the other side.

Yue Feng didn't know how long he had been in a coma. He seemed to have had a long dream, and when he woke up and opened his eyes, he found himself lying on the cold ground. In front of him is an incomparably majestic palace, and in the center of the palace is a huge pool of fire, which is burning with purple flames.

Outside the palace, there is a snow-capped mountain.

Nima, where is this? !

Muttering in his heart, Yue Feng wanted to stand up, but found that he was tied up by five flowers. This time, Yue Feng was stunned, looked up and couldn't help taking a breath of cold air.

I saw a graceful figure sitting quietly on the throne of the palace. The King of Six Tribulations, who had captured him before, was standing quietly on both sides, looking very respectful.

Yue Feng couldn't help but glanced at the woman and was stunned.

It turned out to be Lu Lingshan, the leader of the Ming sect. A few years ago, the Ming sect was destroyed by Yue Feng. Sister and brother Lu Lingshan and Lu Jiechen fled to the Xuanye Continent. Later, they were encountered by Yue Feng and killed Lu Jiechen. Lu Lingshan fled at that time. .

I never thought that Lu Lingshan disappeared for a few years and created the Holy Fire Palace.

But I have to say that after a few years of absence, Lu Lingshan is still charming and sexy, even a little more mature. At this time, she is only about 30 years old, with a compact body and charming temperament. Obsessed breath.

beautiful. Really beautiful.

Yue Feng breathed a sigh of relief, looked at Lu Lingshan, and said with a smile: "Master Lu, stay safe."

"Stop smiling with me?!" Lu Lingshan slowly stood up, walked to Yue Feng's side, and slapped him his face.

"Snapped!"

This slap was so powerful that Yue Feng felt his face go numb.

"Crack! Slap!"

Before Yue Feng could react, two slaps fell again!

"You bastard!" Lu Lingshan gritted her teeth angrily: "Back then in Xuanye Continent, you killed my younger brother tragically. Today, I will let you pay your debts with blood."

Nima!

It's good that Lu Lingshan didn't mention it. When he mentioned it, Yue Feng's anger suddenly rose: "Blood and blood to pay? Lu Lingshan, you know better than anyone what your brother did back then. His death was his own fault."
