

The ultimate husband in Chinese chapter 2566-2570

Chapter 2566

“Yes...Yes.” Jed nodded, seemed to hesitate, and then his eyes returned to firmness.

The Rakshasa tribe has always been very united, so Jed believes that even if Mona and Yue Feng know each other and know what happened, they will support him.

call!

At this time, all the people around were holding their breath and watching, not daring to let out the air.

Her Majesty, what will you choose? She is the queen of the Rakshasa, and everything will be based on the interests of the Rakshasa, right? After all, this is Xuanshi City, the place of the Rakshasa!

Knowing this, Mona frowned, and this Jade was indeed too much.

Seeing Mona's expression, thinking she had acquiesced, Jed showed a smug smile.

Immediately afterwards, Jade shouted at the surrounding Rakshasa soldiers: “Catch this kid for me and put him in the prison.”

How does this hateful kid know Her Majesty the Queen? Dare to make trouble in Xuanshi City, it is completely courting death. What's more hateful, this kid dares to sit there, which is simply a kind of contempt for Jed.

Whoops!

As soon as the voice fell, the surrounding Rakshasa soldiers surrounded Yue Feng again.

Seeing this scene, Yue Feng chuckled lightly, and remained motionless with a calm expression.

“Stop it all!” At this moment, Mona shouted, her beautiful face was extremely cold, and at the same time, a powerful aura burst out.

hiss!

Feeling the Queen's anger, all the Rakshasa soldiers were shocked, and hurriedly stood there, not daring to let out the air.

This chapter is provided by . Visit for daily update.

“Her Majesty the Queen...”

Seeing this scene, Jed was blinded and looked at Mona without answering.

As soon as the words fell, Mona walked over quickly.

“Crack!”

Immediately after, Mona raised her jade hand, slapped her face without warning, and threw it on Jed’s face!

The crisp slap sounded, and Jed was blindfolded. He turned around a few times in the same place, and finally sat on the ground with blood on the corners of his mouth, and two of his teeth collapsed.

Whoa!

Seeing this scene, everyone present was in an uproar.

“Your Majesty... actually hit the Lord of the City...”

“This...”

“What’s the situation?”

At this time, Jed was terrified, covering his face and facing Mona, saying aggrievedly: ” Her Majesty, why, I didn’t do anything wrong...”

Being blocked by so many people and being slapped by Her Majesty is too embarrassing.

At the same time, the surrounding Rakshasa soldiers also stood there tremblingly.

Mona ignored the reactions of the people around her, her pretty face was cold, she walked to Jed step by step, and said condescendingly: “Jed, you are so bold, dare to provoke my VIP, I didn’t kill you immediately, it’s already very Be merciful.”

What? VIP?

Hearing this, everyone present was dumbfounded.

Yu Qianqian’s red lips parted slightly, staring at Yue Feng blankly, speechless.

I thought this person was just a brother that Master made friends with, with no special background, but he never expected that he was actually the VIP of Queen Rakshasa. No wonder he was so polite to him just now.

At this moment, Jed stayed there, his mind buzzing.

I thought that this kid just knew Her Lady Queen, but he didn't expect that his identity was so special.

"Your Majesty, I..." The

next second, Jade opened his mouth and shouted: "I did this for the good of our Rakshasa clan, and the extra money will be distributed to our clansmen in Xuanshi City, I have no favoritism."

"Also, even if this kid is a VIP, he can't compare with the interests of our clan..."

Chapter 2567

Hearing this, Mona was furious: "Shut up, do you know that our Rakshasa clan can have a stable life now, thanks to the help of this VIP." After

speaking, Mona waved down Jade Hand: "Drag Jade down to me, and I will be fined 100 slabs."

"Yes!" After hearing the order, the surrounding Rakshasa soldiers did not dare to disobey, and dragged Jade outside directly.

Bang bang bang...

Soon, the crackling sound of the big board kept coming, accompanied by Jade's screams.

At this moment, everyone present was terrified.

In a blink of an eye, Jed was beaten to the bone, and blood flowed, very miserable!

No one dared to step forward to stop it. Mona is the Queen of Rakshasa. At this time, she is burning with anger. Who dares to touch the bad head?

In the end, the movement attracted other generals of the Rakshasa clan. Seeing Jed's miserable appearance, they couldn't bear it any longer. They walked over and stuttered.

"Female... Your Majesty the Queen!"

"Your Majesty is gracious, Jade these years..."

"Shut up!" Mona shouted with a strong aura.

Immediately, feeling the anger of Mona, several Rakshasa generals felt a chill in their hearts and quickly stepped aside.

Finally, seeing that Jed was about to be beaten to death, Mona waved her hand to stop.
call!

In the next second, Mona took a deep breath, squeezed out a charming smile, and walked quickly to Yue Feng: "This Jade, this offends you so much, what do you want to do with it?"

Shuh!

At this moment, everyone's eyes converged on Yue Feng, and they were all shocked.

I thought that this kid would provoke the city lord of Xuanshi City, and the end would be extremely miserable, but I never thought that the situation had changed so quickly, this seemingly inconspicuous Kyushu native actually controlled Jed's life and death...

What is this ? What is a no-one? But the real master!

At this moment, no one dared to speak, and the entire trading floor was silent, almost audible for needles falling.

Ha ha!

Yue Feng showed a smile and said lightly at Mona: "Speaking of which, I can understand your Rakshasa clan, who have been exiled for thousands of years, and now they finally return to Kyushu, they want to get back what they have lost. However, trade should be about fairness and integrity."

"Since you have taught him a lesson, I have nothing to say, but I don't want this kind of thing to happen in the future."

"This... I understand!" Mona nodded humbly, like a child who did something wrong.

The next second, Mona turned her head and looked at Jed coldly: "Jed, from now on, immediately promulgate a new system, and trade with Kyushu in the future must be fair and just, otherwise, you Xuanshi City Lord should not I did."

"Yes, Your Majesty!" Jed nodded quickly.

Immediately, Jed said to his subordinates: "Quick, hurry up and go through the transaction procedures for Miss Yu."

At this time, Jade was almost on the verge of crying. The stone hit him in the foot.

Soon, Assistant Jade walked over quickly and respectfully helped Yu Qianqian go through the formalities.

This...

At this moment, Yu Qianqian couldn't hide the shock in his heart, and his eyes changed when he looked at Yue Feng.

Who is this uncle? Even the queen of the Rakshasa family gave him face like this.

"You..."

At this moment, Mona came slowly, bit her lip lightly, and said to Yue Feng: "Are you free now? If you don't mind, stay in Xuanshi City tonight, I will A banquet will be specially held for you."

Banquet?

Yue Feng was stunned for a moment, then shook his head and smiled: "No need, I will come to visit when I have time in the future." I

don't know how the situation of the Ouyang family and Xiaoxi is going. How can I be in the mood to attend the banquet? , Zhang Jiao has many eyes and ears, so it is better to be cautious.

Chapter 2568

Hearing this, Mona was very disappointed and squeezed out a smile: "Okay then."

After saying that, Mona left with her subordinates.

call!

As soon as the forefoot left, everyone in the trading hall secretly breathed a sigh of relief and finally left. I have to say that this queen's aura is too strong.

At this time, Yu Qianqian also completed the transaction. As the queen explained, not only did he not get any money, but he also exchanged many perfect leather armors made by the Rakshasa tribe.

It can be said that the Yu family can make a lot of money from this transaction.

"Uncle!"

At this time, Yu Qianqian walked over with a smiling face, and said excitedly at Yue Feng: "You are too powerful, even the Rakshasa Queen knows it. Seriously, what is your identity?"

When saying this, Yu Qianqian looked curious.

Yue Feng said with a smile: "I don't have any identity, I just know the Queen."

"Forget it." Yu Qianqian pouted and hummed, indescribably charming.

Yu Qianqian is not a fool, he knows that Yue Feng is lying to himself, but he doesn't say it, and it's not easy to ask.

Half an hour later, Yu Qianqian and Yue Feng returned to Yu's villa.

"Master!"

Just after returning to the room, a servant of the Yu family walked in and said respectfully to Yue Feng: "There was a lady who wanted to see you just now and is waiting in the side hall." Because Yue Feng is Zhu Bajie's sworn brother, and Zhu Bajie is the master of the eldest young lady, so everyone in the Yu family is honored as "Master".

When he said this, the eyes of this person flashed a strange light, as if envious, but at the same time with doubts.

You know, that lady is really too beautiful, she is like a fairy.

Someone wants to see me?

Yue Feng frowned, feeling a bad premonition in his heart, Nima, Zhang Jiao sent someone to find this place, right?

Thinking to himself, Yue Feng signaled his servant to lead the way and went directly to the side hall.

hiss!

As soon as he arrived at the side hall, Yue Feng was stunned when he saw the scene in front of him, and he took a breath of cold air at the same time.

I saw a slender figure sitting on a chair in the side hall, with charming and delicate facial features, and a graceful and charming figure. Whether it is appearance or figure, it is the best of the best. It's like a fairy descending to earth.

It is Diaochan.

Yue Feng was dumbfounded for a while, but he didn't recover for a while.

I have to say, this Diaochan is really beautiful. It's been a long time since I haven't seen it. It's still beautiful.

"Yue Feng!"

Diao Chan quickly stood up when she saw Yue Feng, with a bit of excitement on her delicate face: ""You really are here. "

Yes, after Diaochan took Xiaoxi away a day ago, she used a special secret technique to integrate Xiaoxi's soul and the power of Dragon Ball into the dragon egg.

At the same time, Diaochan went around to inquire about Yue Feng's whereabouts. Half a day ago, Diaochan passed by Xuanshi City inadvertently, and heard that Queen Rakshasa went to the trading city in person, and was very respectful to a Kyushu man.

At that time, Diaochan guessed that this Kyushu man might be Yue Feng, so he continued to inquire about the news, and finally learned that this The man from Kyushu was the VIP of Yu's family. Diaochan didn't think much about it at that time and came to visit Yu's house directly.

Although Diaochan was prepared, she was very happy to see Yue Feng.

"Mother...Mother!"

Yue Feng reacted, unable to hide his excitement: "Why are you here?"

Thinking about it carefully, he and Diaochan hadn't seen each other for many years.

Diao Chan smiled lightly, without any nonsense, and said straight to the point: "I came to you on purpose, you must protect this thing." After speaking, she took out something from the spirit beast sack on her body.

call!

Seeing that thing, Yue Feng was stunned.

Chapter 2569

saw that this was an egg with a diameter of half a meter, covered with beautiful patterns, and there was a strange light flowing on the case, which was not ordinary at first glance.

After being stunned for more than ten seconds, Yue Feng reacted and couldn't help saying: "This...this is..."

Before he could finish speaking, Diaochan smiled and said, "This is a dragon egg, left by Emperor Xuanyuan back then. The treasure of , Emperor Xuanyuan left two things, one is a dragon ball and the other is a dragon egg, which are placed in two treasure boxes."

What?

Is this dragon egg something guarded by the Sea Flood Dragon?

Knowing this, Yue Feng was shocked.

"How did you get it?" Yue Feng looked at Diao Chan in surprise, very puzzled.

At this time, Yue Feng was completely ignorant of the situation.

"Actually..." Diaochan bit her lip and was about to speak, thinking of Xiao Xi's soul being merged into a dragon egg, she couldn't tell how she felt.

However, before he could finish speaking, he was interrupted by an abrupt voice.

"Brother, brother..."

A loud shout came, and then a handsome figure walked in quickly, his face full of eagerness: "Brother, there is news."

It was Zhu Bajie.

Um?

Just as she was screaming, she suddenly saw Diao Chan, and Zhu Bajie's attention was suddenly attracted.

"Beauty Diaochan, long time no see." After more than ten seconds, Zhu Bajie reacted and looked at Diaochan with a smile: "I didn't expect that beauty Diaochan would still be so sexy and charming after a few years."

"You Don't forget me, back then, but I resurrected you."

"If you want to thank me, just be a friend with me, hehe..." As

he said, Zhu Bajie's eyes kept looking at Diaochan.

Zhu Bajie has a romantic nature. When he sees Diaochan, he feels as if he is drunk.

Seeing this scene, Yue Feng smiled bitterly.

This Zhu Bajie's lecherous personality really hasn't changed at all.

Zhu Bajie's gaze made Diaochan feel uncomfortable.

"You..."

Diaochan's face was extremely red, she resisted her anger and said coldly to Zhu Bajie: "I'm not interested in making friends with you."

"Don't, I'm very sincere." Zhu Bajie Bajie said with a smile, then walked over and admired it from a close distance: "Beauty, so beautiful, Diaochan beauty, your beauty is indistinguishable from Empress Chang'e, each has its own merits."

Diaochan couldn't take it anymore, rushed Zhu Yue Feng said: "Yue Feng, I can't tell you the specifics for the time being. In short, you have to protect the dragon egg well and take care of her..." Diaochan pointed her

toes, her figure was astonishing, and she rushed forward in a blink of an eye. Out of the side hall, flew towards the distant sky.

To be honest, Diaochan planned to tell Yue Feng the details of what happened, and let him know that the soul in the dragon egg was his confidante Xiaoxi, but Zhu Bajie kept making trouble beside him, and Diaochan couldn't bear it.

"Hey? Beauty Diaochan, don't go."

Seeing this scene, Zhu Bajie shouted eagerly, and then chased after him.

This...

Seeing this situation, Yue Feng was dumbfounded.

The next second, Yue Feng tilted his head to observe the dragon egg carefully, feeling indescribable in his heart.

Three years ago, in order to obtain the treasure left by Emperor Xuanyuan, I went through twists and turns. However, the Dragon Ball was still lost in Death Valley, and there was no clue at all. Later, I left Death Valley and finally found Dragon Ball, but Dragon Ball was arrested again. corner snatched.

But he never expected that in the end, this treasure still fell into his hands, and what was shocking was that it turned out to be a dragon egg? !

What surprised Yue Feng even more was that, for some reason, he always felt that this dragon egg had a very special intimacy.

It's like... we've been together for a long time.

Chapter 2570 That

's right, you must quickly recognize the master.

Thinking to himself, Yue Feng reacted and quickly cut his finger and dripped blood on the dragon egg.

However, at this time, Yue Feng didn't know that the soul inside the dragon egg was Xiao Xi, and even if there was no blood to recognize the master, Xiao Xi would guard him for the rest of his life.

"Om!"

In an instant, a dazzling light burst out from the dragon egg, illuminating the entire side hall!

Recognize the Lord successfully!

Yue Feng showed a smile, but deep down in his heart, there was not much excitement and excitement. He remembered the scene where he recognized Qiong Qi as the master ten years ago in the underground secret room of the Ming Cult.

I thought that Qiong Qi would be able to accompany him for the rest of his life, but he did not expect that when it was about to break through its peak strength, it was brutally killed by Lu Lingshan. Not the spirit beast, but his own family.

Therefore, facing the dragon egg at this time, although he was kind, Yue Feng couldn't help but miss the previous Qiongqi in his mind.

"Kacha!"

Just when Yue Feng was sighing, suddenly, he heard a crisp sound of breaking the shell. Then, he saw some cracks in the dragon egg in his arms, and then a hole broke open. A spiritual little head drilled out.

The light green skin is only in a state of rebirth at this time, so scales have not grown yet, and the blue eyes are indescribably cute.

What a charming little dragon.

Yue Feng was both surprised and delighted, and hugged Xiaolong in his arms, for fear of falling down accidentally.

Xiaolong stared closely at Yue Feng, looking very intimate, opened his mouth and babbled: “Hey...”

While screaming, he pressed his little head tightly against Yue Feng.

Yes, Xiaolong’s soul is Xiaoxi’s. Diaochan used a secret technique to integrate her soul into the dragon’s egg. Xiaoxi’s soul was still there, and she was naturally overjoyed to see Yue Feng at this time.

However, the dragon is the most powerful mythical beast in the world, with a long life and terrifying strength, and the process of growth is extremely slow, so once the shell is broken, he can’t speak.

Hahaha..

Although I don’t know Xiaolong’s soul, it’s Xiaoxi, but seeing it so cute, Yue Feng just felt that his heart was about to melt, so he touched Xiaolong’s head: “What a well-behaved little guy... Obedient, you know?”

Xiaolong nodded obediently.

“Brother!”

He was fighting Xiaolong when he heard Zhu Bajie’s voice from outside.

Just now Zhu Bajie went to chase Diaochan, but Diaochan resisted and didn’t give him a chance to get close, so in the end, Zhu Bajie returned without success.

“Brother, why is Diaochan here? I’m going...” As soon as he entered the side hall, Zhu Bajie couldn’t help shouting, but as soon as he said a few words, seeing Xiaolong in Yue Feng’s arms, he suddenly became stupid.

In the next second, Zhu Bajie’s eyes widened: “Dragon, this... This is a dragon? My God, there have been no dragons in Kyushu for thousands of years. Where did this come from?”

” At these times, Zhu Bajie couldn’t help but approach. He clearly felt that although this little dragon was young, there was a strong blood aura all over his body.

This breath is not comparable to ordinary spirit beasts at all, but the breath of a king.

Yue Feng smiled slightly and said to Zhu Bajie: “This is specially sent by Diaochan, and I want to protect it.”

What? Diao Chan sent it?

In an instant, Zhu Bajie's body shook, and he was stunned.

Dragon is the most powerful mythical beast in legends. That Diaochan recognized the master without dropping blood, but gave it to Yue Feng?

Aware of Zhu Bajie's shock, Yue Feng laughed and then asked, "By the way, Big Brother Zhu, you said there was news, how about it? Are the Ouyang family and Xiao Xi all right?"
