

The ultimate husband in Chinese chapter 2591-2600

Chapter 2591

Hearing this, Bai Ma was shocked, his eyes lit up, and his heart was very excited.

This Wen Chou Chou finally took the initiative to teach him the exercises. On this day, I thought about it day and night, and I didn't know how long I had been looking forward to it, and it finally came true.

Bai Ma has already thought about it, as long as he is able to move flowers and join trees, he will take the seat of the Palace Master of Longevity.

Thinking to himself, Bai Ma said with sincerity and fear: "Palace Master, I'm afraid this is not suitable. It is the treasure of our Changsheng Palace. Only the Palace Master can cultivate. How can my subordinates be qualified?

", but my heart is very much looking forward to it.

Ugh!

Wen Chou Chou sighed and smiled: "At this moment, tonight is the only chance. In case of failure, perhaps the Hall of Longevity will no longer exist. At that time, what is the use of the exercises?"

Bai Ma A happy expression on his face: "Do you really want to pass it on to me?"

"I hope you will do your best for the Palace of Longevity in the future!" Wen Chou Chou nodded earnestly.

Pfft!

The voice fell, and the white horse hurriedly knelt down and made a very moved look: "Thank you for the cultivation of the hall master, the hall master can rest assured that I will do my best to serve the hall master

in the future. Bai Ma looked serious, but his heart was full of gloom.

Allegiance to you? When I learn to move flowers and join trees, you will die.

Wen Chou Chou didn't realize that there was anything wrong with Bai Ma, and at the same time, he was anxious to go to the cell, so he raised his hand and motioned for Bai Ma to get up: "Get up, at this critical period, don't be so polite, I'll tell you the formula now. , listen carefully.."

For the next half hour, Wen Chou Chou said the formula of “Moving Flowers and Connecting Trees” seriously.

This chapter is provided by . Visit for daily update.

In Wen Chou Chou’s eyes, Bai Ma, like himself, pretended to surrender to Zhang Jiao, unaware that he would really betray him.

call!

At this moment, Bai Ma took a deep breath, got a 12-point spirit, and memorized the formula in his heart.

Finally, Wen Chou Chou said the last slogan, and urged the white horse: “You hurry up to cultivate now. After dark, listen to my instructions.”

At this time, Wen Chou Chou couldn’t wait!

“Don’t worry, the hall master, I will work hard to cultivate.” Bai Ma smiled and saluted Zhang Jiao, then walked out quickly.

Haha...

When I got outside, Bai Ma wanted to laugh up to the sky and move flowers to connect trees. I have already succeeded. After tonight, the Hall of Longevity will be my own.

In the room, watching the white horse leave, Wen Chou Chou did not hesitate, collected the medicine pill, and hurried to the cell.

When they got to the cell, Wen Chou Chou pushed away the cell guards who were guarding the door.

At this time, Wen Chou Chou was Zhang Jiao’s most valued subordinate. He had ability and strength, and several cell guards did not dare to neglect, let alone ask more questions.

Pushing aside the guards, Wen Chou Chou took a deep breath and walked in.

“Brother Wen!?”

“Brother Wen is here.”

Seeing Wen Chou Chou coming in, everyone in the cell was extremely excited.

At this time, Ren Yingying couldn’t help but ask: “Brother Wen, how is the situation outside?” The

voice fell, and everyone else was staring at Wen Chou Chou. After being detained for a few days, everyone was going crazy.

“Not optimistic!” Wen Chou Chou smiled bitterly, and then explained in detail what happened outside these two days.

Chapter 2592

What? Zhu Bajie was also arrested?

Knowing the situation, everyone looked at each other in dismay, and they were all extremely shocked. You must know that Zhu Bajie is a peerless powerhouse who has been famous for thousands of years. Even he was caught by Zhang Jiao, which is really surprising.

Finally, Sun Dasheng reacted and asked Wen Chou Chou, “What about... Feng Zi?”

Wen Chou Chou sighed, shook his head and said, “It is said that when Feng Zi and Zhu Bajie were besieged, a giant dragon appeared. , and later, Fengzi disappeared, where is now, no one knows, Zhang Jiao is also sending someone to investigate...”

“What should I do?” Ren Yingying frowned, anxious.

Sun Dasheng and others are also helpless, and the current situation is getting more and more unfavorable. Looking at everyone’s expressions, Wen

Chou Chou smiled slightly: “Don’t panic everyone, I already have a plan. A day ago, I secretly sent news to Tianmen and the Tianqi royal family, and they will be able to arrive tonight.”

He took out the medicinal pill on his body again: “Also, this medicinal pill was obtained from Empress Chang’e, you should take it quickly, remember, after recovering your inner strength, don’t rush out of the cell first, and wait until Tianmen and Apocalypse Continent. News, when the time comes, we should work together inside and outside, and we will be able to successfully escape.”

Wow!

Hearing this, everyone was excited and smiled.

“Haha...” Sun Dasheng laughed, took the bottle first, poured out a medicinal pill from it, and swallowed it.

After swallowing it, Sun Dasheng praised at Wen Chou Chou: “Brother Wen, you still have a way, I know that at a critical moment, you will definitely be able to rescue everyone.”

At this time, the medicinal pills were distributed at the end, and there were still two pills left. , but there are still three people who did not take it, among them Meihui.

Meihui was smart and kind, and said with a smile, "I don't want to eat it, you guys can take it." Her strength is the weakest among the crowd, and taking the pills won't help much.

Seeing this scene, Wen Chou Chou and everyone couldn't help but nod their heads in approval.

As expected of the young lady of the Ouyang family, this humble quality is worthy of praise.

Soon, everyone in Ren Yingying took the medicine pill, and they were all inexplicably excited, and they all spoke at the same time.

"Thank you Brother Wen."

"Brother Wen has worked hard..."

Everyone said in succession, and then sat there cross-legged, trying to stimulate their inner strength.

Wen Chou's ugly smile is also looking forward to it.

Soon, Ren Yingying, who was sitting there, suddenly trembled, her delicate face was pale, and the whole person looked extremely weak and painful.

"This...!" Wen Chou Chou was taken aback and quickly asked, "What's wrong?"

Ren Yingying bit her lip tightly, looked at Wen Chou Chou and said softly, "Brother Wen, are you sure this is the medicine to restore strength? , but why do I feel that the inner strength of the dantian is rapidly disappearing..."

When she said this, Ren Yingying's face was extremely pale, her body was soft, and she couldn't exert any strength. What frightened her even more was that the inner strength of her dantian, It is collapsing and disappearing at a terrifying speed...

At the beginning, I was still in the realm of Martial Emperor. After a few seconds, it was weakened to Martial Saint, followed by Marquis....

At this speed, in less than a minute, He will become an ordinary person, and he will have no inner strength at all.

What kind of elixir is this, so domineering and terrifying?

What?

Wen Chou Chou suddenly panicked, and said, "This... This is what Bai Ma brought from Empress Chang'e. It can't be poison."

"There is definitely something wrong with this medicine pill." Ren Yingying said weakly.

After the last word was said, Dasheng Sun and others next to him also trembled. Then, their faces turned pale, and they all slumped on the ground with painful expressions.

"Oops, my inner strength is running out too fast..."

"Me too..."

Mad.

Seeing this scene, Wen Chou Chou was both self-blame and annoyed.

Is it the white horse's fault? This kid didn't go to Shengzong to find Chang'e at all...

Chapter 2593

Haha...

Just when Wen Chou Chou was secretly annoyed, there was a loud laugh outside, and then, two figures walked in slowly, it was Zhang Jiao and Bai Ma.

Seeing the scene in the cell, Zhang Jiao showed a wicked smile, and said to Wen Chou Chou, "Palace Master Wen, didn't you think?"

Wen Chou Chou didn't respond, his eyes locked on Bai Ma, and he shouted angrily, "Bai Ma, you betrayed me. ?"

Feeling Wen Chou Chou's anger, Bai Ma didn't panic at all, and retorted with a sneer: "Betrayal, in my heart, I have never regarded you as the palace master, how come the betrayal? Wen Chou Chou, if you want to blame it, you are too smart. , being clever is mistaken by cleverness."

At the same time as he spoke, there was a hint of pride in his eyes.

Whoa!

When the words fell, Sun Dasheng couldn't help but curse.

"White horse, you despicable villain."

“Betraying Brother Wen and mutilating your own people, it is not a pity for a person like you to die.”

“I knew this earlier, when Brother Wen first sat in the hall, he should have been killed directly. “

Faced with the scolding from everyone, Bai Ma sneered and said nothing.

Wen Chou Chou was so angry that he was about to ask questions, but was interrupted by Zhang Jiao.

Zhang Jiao’s face showed a playful look: “Wen Chou Chou, I respect you as a man, and invite you to join with integrity. I didn’t expect that you lied to me and pretended to surrender.”

“However, I already guessed it, so I secretly let the white horse watch over it. You.”

“Let me tell you, the medicinal pill Baima gave you was made by me, called San Gong Pill. After a practitioner takes it, his inner strength will soon dissipate and he will become an ordinary person.”

San Gong Pill?

Hearing this, Wen Chou Chou’s face was extremely ugly.

The poison of San Gong Pill, Wen Chou Chou, has only been recorded in ancient books. As for how to refine it, it has long been lost, but Zhang Jiao would have been able to refine it.

“Zhang Jiao...” Wen Chou Chou was furious and clenched his fists.

The next second, Wen Chou Chou’s eyes locked on the white horse, and he wanted to tear him to pieces. Passed on the formula of moving flowers and connecting trees to him.

At this time, Zhang Jiao looked at Wen Chou Chou and said lightly, “I originally thought that you were a talented person and wanted to keep you alive to serve me, but now it seems that there is no need.” The

voice fell, and a terrifying breath came from Zhang Jiao. The horns burst out.

Wen Chou Chou didn’t hesitate, and his internal force urged him to stand in front of everyone. Anyway, the plan was revealed and he could only fight.

At the same time, a slender figure also walked over quickly, standing firmly beside Wen Chou Chou, it was Mei Hui.

Meihui did not take San Gong pills, so it had no effect. However, her internal strength was blocked and she has not replied yet, and she is similar to ordinary people at this time.

“Just the two of you want to block me?” Zhang Jiao sneered, his face full of disdain.

Wen Chou Chou is not his opponent at all, and this beauty is not worth mentioning.

Wen Chou Chou was also in a hurry, and said to Mei Hui: “Mei Hui, you step back, I will block him.”

Mei Hui shook her head firmly: “No, we will die together, we will die together!”

“Stop fighting.” Zhang Jiao was cold. Said: “Tonight, none of you will survive.” The voice fell, and the figure flashed, and rushed towards Wen Chou Chou.

boom!

However, at this moment, there was a huge earthquake outside, and the gate of the main altar was directly smashed, and then, a shocking scream sounded.

Wen Chou Chou's face was overjoyed, reinforcements came, it was great.

what's the situation?

Zhang Jiao's expression changed, he stopped and turned his head to look at Bai Ma: “What happened outside?”

Bai Ma pretended to be confused, and pretended to say, “I...I don't know.” He knew, This is the reinforcement of Tianmen and Tianqi royal family, but they did not tell Zhang Jiao about this in advance.

Chapter 2594 The

white horse is very cunning. It was only an expedient measure to take refuge in Zhang Jiao before. In his heart, he always wanted to become a real strong man, never really loyal to Wen Chou Chou, let alone Zhang Jiao.

When he was taught by Wen Chou Chou to move flowers and join trees before, Bai Ma thought about it, and then let Wen Chou Chou and Zhang Jiao fight each other and reap the benefits of the fisherman by himself.

In this case, naturally, Wen Chou Chou would not be told about the reinforcements.

“Master!”

At this moment, a disciple walked in quickly, his face was pale, and he shouted at Zhang Jiao in fear: "Master, it's not good, the Tianqi army and... and Tianmen disciples are coming. ..."

When he said this, the disciple's legs were weak and he was almost paralyzed on the ground!

The Tianmen forces have always been very strong in the Kyushu mainland, and coupled with the Tianqi royal family, even if there are hundreds of thousands of elite disciples in the main altar, it is not easy to deal with.

What?

Zhang Jiao was taken aback, and his face was extremely ugly. Madd, he has always kept things secret about capturing the people of the Ouyang family and dealing with Yue Feng. How did the Tianqi royal family and Tianmen know about it?

Definitely ugly.

Thinking to himself, Zhang Jiao glared at Wen Chou Chou, full of murderous intent.

Wen Chou Chou frowned and looked at the white horse, Mad. This kid is despicable and shameless and lied to himself, but why didn't he tell Zhang Jiao about the reinforcements, if he told Zhang Jiao in advance, Zhang Jiao would have enough time to deploy defense.

What is he going to do? Sitting on the mountain to watch the tiger fight?

If this is the case, this white horse is too sinister.

At this moment, a slender figure walked quickly into the cell, with a beautiful face, showing a bit of solemnity, and a domineering aura, it was Lu Lingshan.

"Mr. Zhang, Tianmen and the Tianqi royal family are calling, how should we deal with it?" Lu Lingshan asked, her delicate face did not fluctuate at all, but she was also anxious.

Three days ago, after Lu Lingshan came to express cooperation, she has been recuperating at the Wutian Organization General Altar.

call!

Zhang Jiao took a deep breath, looked around, and said coldly: "Lord Lu, Bai Ma, you stay here, deal with the matter in front of you, and remember nothing."

"Tianmen and Tianqi royal family, I will deal with them. "The

voice fell, and Zhang Jiao walked out quickly.

“Wen Chou Chou, Sun Dasheng...”

Lu Lingshan glanced at Wen Chou Chou, then looked around at the next Da Sheng Sun, and said with a sneer, “I didn’t expect you to have this day too. Back then, you united to destroy my Ming Cult. Today, I want to return the money to you.” The

voice fell, and a strong aura permeated from Lu Lingshan’s body.

call!

Feeling Lu Lingshan’s killing intent, everyone felt a chill inexplicably, especially Sun Dasheng and others. Because of taking San Gong pills, the inner strength of their dantian was completely gone, and they became ordinary people. However, Sun Dasheng had a fiery personality, and he still refused to accept the softness and shouted: “Lu Lingshan, you Mingjiao has done many injustices, and it is God’s will to be destroyed.” Hearing this, Lu Lingshan was so angry that she shouted: “Stop talking nonsense, today I will take your lives and pay homage to the dead souls of my thousands of disciples of the Ming Cult.” The last word fell, Lu Lingshan was astonished, and she slapped her palm. Hit Sun Dasheng.”With me, Hugh hurt my brother.”

Wen Chou Chou roared angrily, rushed over quickly, took Lu Lingshan’s palm, and then the two fought fiercely in the cell.

the other side!

Zhang Jiao left the cell and reached the gate of the main altar. Seeing the scene in front of him, his face suddenly became extremely gloomy.

I saw hundreds of thousands of Tianqi Yulin Army, and tens of thousands of Tianmen elites, standing in line, surrounding the entire Wutian organization general altar like iron barrels!

The Royal Forest Army is the elite of the Tianqi royal family! At that time, Yang Jian captured the Tianqi Continent and forced the King of Guangping to surrender. Later, the Kyushu Continent fought with the Rakshasa tribe, Yang Jian fell, and King Guangping became emperor again. In the next three years, the army of the Royal Forest was expanded, making it the most famous among the Kyushu. Iron-blooded soldier.

In the sky above the Royal Forest Army, a handsome figure is suspended, wearing a golden armor and holding a giant hammer, majestic! It was Yue Wuya!

On Yue Wuya’s side are the Four Heavenly Kings of Tianmen, the four brothers of the Duan family.

Chapter 2595

At the end of the war between the Kyushu mainland and the Rakshasa clan, Yue Wuya returned to the Tianqi royal family to accompany his relatives, Rongyin, to fulfill his filial piety. In the past three years, he did not forget to cultivate. At this time, it was already a mirror of tribulation.

Made! !

Feeling Yue Wuya's strength, Zhang Jiao frowned secretly, is this kid so strong?

Thinking of this, Zhang Jiao chuckled, and his figure flew up in the air, facing Yue Wuya from afar: "Boy, what do you want to do with so many people? My Wutian Organization and your Tianqi Royal Family have no grievances..."

Before he could finish speaking, he was interrupted by Duan Feng.

"Zhang Jiao, don't be pretentious here." Duan Feng shouted: "You used despicable means to arrest the family of our Sect Master, as well as the Palace Master Wen, Sect Master Sun... Hurry up and let them go." The

voice fell, Duan The three of them also roared in anger.

"Yes, let them go.."

"Otherwise, you will destroy your Wutian organization."

Listening to their howls, Zhang Jiao evoked a sneer: "What if I don't let it go?"

Huh!

Yue Wuya's eyes were instantly blood red, and a roar sounded, murderous: "Kill me, everyone in the entire main altar, not a single one!"

For three years, although Yue Wuya has been in the Tianqi royal family, he has always maintained a relationship with the Ouyang family. Because of the connection, in his heart, the Ouyang family was his second home, but now it was almost destroyed by Zhang Jiao, and he couldn't bear it no matter what.

When issuing the attack order, Yue Wuya kept an eye on the situation inside the main altar.

Wen Chou Chou made it clear in the secret letter that once he launched an attack from the outside, Wen Chou Chou, Sun Dasheng and others would respond inside.

"Kill!" The

voice fell, and the hundreds of thousands of the Imperial Forest Army, as well as the disciples of the Tianmen, were so powerful that they pulled out their long swords, and without a word of nonsense, they rushed directly into the crowd of Wutian Organization!

“Ah!”

The disciples of the Wutian Organization did not expect that Yue Wuya would be so decisive. He said that he would do it. At that time, no one reacted. Only a few screams were heard, and there were dozens of Wutian Organization. Disciple, fell into a pool of blood.

“Good boy...” Zhang Jiao was furious: “Dare to act wild with me, I will tell you to come and go today!”

Yue Wuya’s anger rose and shouted: “Zhang Jiao, I thought you were my sister at the beginning. Master, I have given you courteously again and again, but I didn’t expect you to be ambitious and want to dominate the Kyushu. Now you have arrested my family, which is extremely abhorrent.”

With that, Yue Wuya’s eyes flashed with anger, and he pointed at Zhang Jiao and shouted: “It’s you who is really damned.” The

voice fell, Yue Wuya held the Overlord’s Hammer tightly and charged directly towards Zhang Jiao.

“Young Master, let’s help you.”

At the same time, the four brothers of the Duan family exploded their inner strength one after another, and together with Yue Wuya, fought against Zhang Jiao.

Yue Wuya is not only the prince of Tianqi, but also the son of the sect master of Tianmen.

“Okay, very good...”

The four brothers of the Duan family and Yue Wuya rushed forward together, Zhang Jiao sneered, his face full of sinister: “Since you have to die, I will fulfill you today.”

hum!

The voice fell, and a terrifying aura burst out from Zhang Jiao’s body, and for a moment, the surrounding air seemed to be stagnant.

The strong breath makes the people who are suppressed panic!

“Crack!”

With a crisp sound, a giant axe appeared in Zhang Jiao's hand. The rays of light are radiant, like a round of scorching sun.

It is the opening axe!

As soon as this knife came out, the world was immediately enveloped by a powerful killing intent.

Open the axe?

At this time, whether it was Tianmen or the Royal Forest Army, they were all stupid, not only for Yue Wuya and the four brothers of the Duan family, they broke a cold sweat.

The ultimate husband in Chinese chapter 2596-2600

Chapter 2596

Yue Wuya also changed his face.

Mad, didn't the Kaitian Axe disappear with Duan Yu? How could it appear in Zhang Jiao's hands?

But soon, Yue Wuya calmed down and shouted: "Four uncles, be careful."

Although the four brothers of the Duan family are subordinate to their father, they are loyal and admirable for Tianmen, so Yue Wuya has always been Called uncle.

Hearing this, the four brothers of the Duan family looked at each other and nodded.

"Young master, rest assured."

"Today, let's work together to kill this scourge."

In response, the four brothers and Yue Wuya quickly surrounded Zhang Jiao and started a fierce battle.

.....

this moment, the other side.

Inside the cell, Lu Lingshan and Wen Chou Chou fought fiercely.

Lu Lingshan was originally a well-known goddess of rivers and lakes in the Apocalypse Continent, with extremely high talent and strong strength, and Wen Chou Chou, as the master of the Palace of Longevity, has already broken through the mirror of transcending tribulation.

It can be said that the two sides are evenly matched in strength. In the blink of an eye, half an hour has passed, and there is still no winner.

Wen Chou Chou is in a hurry.

Mad, there was already a fight outside, but he hadn't led everyone out of the cell, so he couldn't send a signal to Ya'er.

This chapter is provided by . Visit for daily update.

Behind him, Sun Dasheng and others were also in a hurry. Everyone wanted to rush to help, but their inner strength was gone, they became ordinary people, and they couldn't help at all.

"Meihui!"

Facing Lu Lingshan's attack, Wen Chou Chou became more and more anxious, and shouted: "Quick, take the Great Sage and the others and go through the back door." These days, Wen Chou Chou has carried Zhang Jiao on his back and quietly made a secret behind the cell. the back door.

Hearing this, Mei Hui's delicate face was very hesitant: "What do you do?"

"Don't mind me, I can block them." Wen Chou Chou shouted.

Seeing the situation in front of her, Mihui wanted to stay to help, but she also knew that her strength was useless at all. She bit her lip and nodded, and then opened the back door from the past.

"Brother Wen!" Sun Dasheng's eyes were blood red: "We won't leave, we will fight with them."

Just after speaking, Ren Yingying said anxiously: "Dasheng, calm down, if we don't leave, we will all die. By then, Brother Wen will die. All the hard work was in vain."

Seriously, Ren Yingying didn't want to go like this, but there was no way, no chance if she didn't go, and she firmly believed that with Wen Chou Chou's strength, as long as she and others left, he would be completely can get away.

"Want to go?"

At this moment, the white horse, who had been watching the battle, sneered, and his internal energy exploded and rushed towards Sun Dasheng and the others.

Everyone was shocked. Now they have no inner strength, how can they stop it?

“Bai Ma, you despicable villain, damn it.”

At this moment, Wen Chou Chou roared angrily, turned around and hit Bai Ma with a palm. This palm contains eight layers of Wen Chou Chou’s skills, and the air was distorted. amazing.

The white horse didn’t dare to take it hard, his expression changed, and he hurried to the side to dodge.

Taking advantage of the opportunity, Mei Hui took everyone and quickly left through the back door.

Seeing this scene, Lu Lingshan’s face flushed, extremely ugly.

“Wen Chou Chou, do you really think you can turn the situation around by yourself?” As she said coldly, Lu Lingshan rose up gracefully and came to Wen Chou Chou again.

At the same time, Lu Lingshan did not forget to shout at the white horse: “Don’t rush to chase those people first, kill Wen Chou Chou first.” To

be honest, Lu Lingshan is arrogant and would never invite others to deal with the enemy with her. But Wen Chou Chou in front of him was so strong that he couldn’t suppress it by himself, so he had to ask Bai Ma to help.

Hearing this, Bai Ma showed a smile: “Sect Master Lu is absolutely right.” After speaking

, Bai Ma looked at Wen Chou Chou coldly: “Wen Chou Chou, today’s situation, your situation is over, even if you call in reinforcements, it will change. If you can’t die here, accept your fate.” To

be honest, Bai Ma didn’t want to shoot so quickly, in his plan, after Lu Lingshan and Wen Chou Chou were both defeated, he would come out to clean up the mess, but just now Wen Chou Chou hit him. With one palm, Bai Ma realized that although Wen Chou Chou had broken his arm, his potential was still very powerful.

Chapter 2597

In case Wen Chou Chou defeats Lu Lingshan, then it will be over if he tries to remedy it. It is better to practice his skills and kill him quickly.

The voice fell, and the white horse was motivated, and together with Lu Lingshan, they besieged Wen Chou Chou.

In the face of the two people’s practice, Wen Chou Chou was able to deal with it calmly at first, but gradually he couldn’t hold it anymore.

In a blink of an eye, Wen Chou Chou had a few more injuries on his body. He didn't have time to think about it, and rushed out of the cell and towards the back mountain.

“Run?”

“This is your burial place today.”

Lu Lingshan and Bai Ma were chasing after him angrily.

broken!

When he reached the back mountain and saw the abyss in front of him, Wen Chou Chou's face changed, and he was suddenly a little desperate.

Are you really going to die here today? Fortunately, Mei Hui took the Great Sage and the others and successfully escaped.

At this moment, Lu Lingshan and Bai Ma chased after him.

Haha...

Seeing the scene in front of her, Bai Ma was extremely proud: “Wen Chou Chou, can't you run away? This is your destiny, accept it.”

Lu Lingshan didn't talk nonsense, she was motivated and directly shot at Wen Chou Chou.

Bai Ma did not hesitate and followed closely behind.

Made!

Wen Chou Chou was shocked and angry, and even if he died today, he would drag them to hell together.

A few minutes later, Bai Ma found the opportunity, slapped him fiercely, and hit Wen Chou Chou directly. Wen Chou Chou was busy dealing with Lu Lingshan and couldn't dodge in time.

Bang!

This palm, containing ten layers of white horse power, hit Wen Chou Chou's heart ruthlessly, and when he heard a miserable cry, the whole person flew straight up, and finally fell toward the abyss.

Seeing this scene, Lu Lingshan breathed a sigh of relief and finally took revenge.

“Palace Master Wen, don’t blame me for being ruthless.”

Bai Ma took a deep breath and stood on the edge of the cliff, watching Wen Chou Chou’s figure fall quickly, and finally disappeared, without the slightest pity and heartache in his eyes, he said in a cold voice : “How can a woman like you lead the Hall of Longevity? Only I can carry it forward.” The

voice was so soft that Lu Lingshan next to her couldn’t hear it.

Saying that, the white horse turned his head towards Lu Lingshan and said with a smile: “Master Lu, go ahead and help the lord. I will go after Sun Dasheng and others. They have no internal strength, so don’t bother you.”

“Yeah!” Lu Lingshan nodded. , tap the ground with your toes, and rush towards the battlefield outside the mountain gate.

call!

Seeing Lu Lingshan walking away, the white horse took a deep breath, turned and chased towards the back mountain path.

There is a hidden path in the mountain behind the main altar. If Sun Dasheng and the others want to escape successfully, that is the only way out.

.....

At this time, on the back mountain trail.

Mei Hui and Sun Dasheng moved forward quickly, and at the same time they paid attention to their backs, all of them were anxious.

Up to now, Wen Chou Chou has not caught up. I don’t know if there is a problem. After all, Lu Lingshan is strong and powerful, and it is not easy to defeat her.

“Who?!”

“Stop!!”

Seeing that they were about to reach the bottom of the mountain, they could escape completely. At this time, several Wutian organization disciples stationed here found Meihui and others, and rushed over one by one angrily.

The Wutian organization has strict rules. Although the main altar was attacked by the Tianmen and Tianqi royal family, there was no order from Zhang Jiao, and the few disciples guarding the back mountain did not dare to leave their posts without permission.

Chapter 2598 Terrible

!

Seeing a few Wutian organization disciples rushing in, Dasheng Sun, Ren Yingying and others all changed their expressions and panicked.

One by one has no internal strength, where are these disciples' opponents?

"Big sage brother, sisters-in-law, hurry up, I'll stop them." Meihui urged her, biting her lip tightly. Among the crowd, only oneself still retains strength.

"You..."

Sun Dasheng was anxious: "No, we can't leave you."

Meihui said with a determined face: "Don't worry, I can beat them back." Although Meihui's strength is the weakest among the people, but It's no problem to deal with a few disciples of the Heavenless Organization.

Seeing what she said, everyone in Sun Dasheng hesitated.

"Okay!"

Finally, Ren Yingying reacted and said earnestly: "Meihui, be careful, beat these people back and catch up with us." Ren Yingying felt that Meihui's internal strength had recovered a little, so how many times to deal with it? A disciple, it's really not a problem.

"Yeah!" Meihui nodded.

Seeing that several disciples were about to arrive, Ren Yingying, Sun Dasheng and the others, without delaying, quickly ran towards the woods in the distance.

"You bad people, die." Mei Hui shouted, and greeted the disciples directly.

At this time, Meihui's delicate face was full of anger, and her eyes were even more firm. In the past, it was these big brothers and sisters who protected herself, but now, it was finally her turn to protect them.

Bang Bang....

In the blink of an eye, several disciples were quickly knocked to the ground by Mei Hui's actions.

However, to Meihui's surprise, more disciples chased after her.

“Quick, catch them.” “Can’t let them run away.”

Mei Hui saw that dozens of Wutian Organization disciples were chasing them from the trail, and the leader was Baima.

When he got to the front, Bai Ma looked down at Mei Hui and smiled contemptuously: “You are over your own power, do you think you can stop us by yourself?”

Mei Hui bit her lip and retorted coldly: “You are such a bad person, there will be no good. It’s the end.”

As soon as he finished speaking, the white horse’s figure flashed, and he shot like lightning and directly hit Meihui’s acupuncture point.

Meihui’s body trembled, and she couldn’t move.

“Quick, Sun Dasheng and the others won’t go far, catch up.” Bai Ma ordered the surrounding disciples. And when he said this, his eyes were looking at Meihui up and down, and there was an evil glow.

“Yes.” Dozens of disciples responded and quickly chased in the direction Sun Dasheng had fled. Mei Hui was so anxious that

she glared at Bai Ma fiercely: “You betrayed Brother Wen, and now you have to kill them all. You bastard will be punished by heaven.”

“Haha.”

In your heart, Wen Chou Chou, Sun Dasheng are good people? Hehe, they killed no less than me back then.”

Saying that, Bai Ma grabbed Mei Hui and did not return to the Wutian Organization’s main altar, but went to a place a few miles away. remote valley.

When they reached a forest, Hakuba put down Meihui.

Seeing Meihui staring at herself angrily, the white horse showed a wicked smile, evoking Meihui’s down: “Miss Ouyang, don’t stare at me like that, I’ll think you’re in love with me, hehe...”

I have to say that this young lady of the Ouyang family is so beautiful,

“Hurry up and let me go...” Mei Hui couldn’t help but say, “I tell you, I won’t let you go when my eldest brother Yue Feng comes back.”

When she said this, Meihui was angry, but she was a little scared.

It's so remote here, what is he going to do?

Chapter 2599

"Go to Nimad?" Bai Ma's face sank, and he raised his hand and slapped it!

"Clap!"

With this slap, Bai Ma tried his best to hear Mei Hui cry out, and a bright red handprint appeared on her face.

"Don't use Yue Feng to scare me." Bai Ma's face was gloomy and cold, and he grinned: "Now that Yue Feng can't protect himself, how can he have time to save you?"

After speaking, Bai Ma's face became more and more gloomy: "I tell you, Wen Chou Chou is already dead. Now, next is Sun Dasheng, Yue Feng, hehe, these three brothers, they think they are heroes of the Kyushu continent, and they can be famous in the history, but unfortunately, they are all too conceited... In the end, it was nothing more than that. ."

What?

Hearing this, Mei Hui's body trembled, and she stared blankly at the white horse.

Brother Wen is dead? No...it can't be.

"You lie, Brother Wen is a great hero, a great hero." Mei Hui shook her head excitedly: "He won't die, you lied to me, lied to me..."

Baima's face was full of abuse: "Don't believe me? He joined hands with Cult Master Lu to knock Wen Chou Chou off the cliff, his heart was shattered by me, and there was no chance of him surviving."

"People in the world say that Wen Chou Chou is a gentleman who is gentle and elegant, but in fact, he is a rubbish who doesn't know the current affairs."

"The Hall of Longevity is in his hands, what has been the development of these years? The old hall master was really blind."

"It is inevitable that he will end up like this, and Yue Feng and Sun Dasheng will also end up like Wen Chou Chou. "

Miss Ouyang, you are a smart person. As long as you follow me, I will guarantee your safety." With the

last sentence, Bai Ma's eyes were full of sinister and wretchedness.

“Shut up! Don’t say it anymore!” Meihui burst into tears: “I won’t believe you, Brother Wen is definitely not dead, and, you despicable villain, dare to touch me, I will make you die. .”

As she said that, Mihui finally couldn’t help it, and cried out with a wow. Tears streamed down his cheeks and kept falling.

In her heart, Wen Chou Chou, like Yue Feng, is the elder brother he respects, and he has always taken care of her. Moreover, Wen Chou is so witty, how could he die? ! It must be the white horse who said that on purpose. Thinking to herself, Meihui

was very sad and angry, her eyes were red, and she scolded at Baima: “You little man, you will definitely be struck by lightning.”

“Made!”

On, he sneered: “You bitch who doesn’t know how to lift up, don’t blame me if you don’t grasp the opportunity given to you.” The

voice fell, and Baima grabbed Meihui’s skirt and tore off a large piece of cloth. White Horse has thought about it, such a sexy beauty must be enjoyed once, and then killed, anyway, this place is so remote, no one will know.

“You... stop!! You stop quickly...”

At this moment, Mei Hui wanted to dodge, but the acupuncture point was clicked, and she couldn’t dodge at all, her heart was extremely desperate, and her whole person collapsed completely!

Bai Ma threw away the cloth strip, looked up and down at Mei Hui’s charming curve, and the blood all over his body boiled completely.

Thinking of this, the white horse is about to pounce.

Whoa!

However, at this time, there was a sound of footsteps not far away, and the footsteps were very light.

Bai Ma frowned, stopped quickly, turned his head to look over, and was stunned.

I saw a man in a white long shirt coming slowly, his pace seemed to be very light and slow, but in the blink of an eye, he was in front of him.

The man is about forty years old, his facial features are extremely ugly, just like a ghost from hell, and the breath that permeates his body is even more unfathomable.

Madd, who is this?

The white horse was startled and became alert.

Mei Hui's body trembled, her eyes darkened, and she fainted directly. She had spent a lot of internal energy in dealing with the disciples of the Wutian Organization before, and was caught by the white horse. She was almost exhausted. The ugly man couldn't take it anymore.

Chapter 2600

"You..."

Finally, Bai Ma reacted and looked at the middle-aged man: "You... Who are you?" The middle-

aged man did not respond directly, but said lightly: "As a A cultivator, bullying the weak and the weak, really loses the face of the righteous way, and quickly let this girl go." The

tone was righteous and dignified, and could not be refuted.

The middle-aged man named Fang Qifo is a reclusive cultivator. He happened to pass by here today and saw that the white horse was going to plot against Meihui, so he took the initiative to stop it.

Made.

Bai Ma's face changed, and he couldn't help but scolded: "What does Lao Tzu want to do, what does it have to do with you, don't meddle in your own business, get out!" To

be honest, sensing Fang Qifo's strength, Bai Ma felt a little nervous in his heart, but it's a good thing Being disturbed, there is still some fire.

"I don't know what is good or bad!"

Fang Qifo frowned, too lazy to talk nonsense, then his figure rose into the air and came straight to the white horse.

In a blink of an eye, Fang Qifo was in front of the white horse, with absolute contempt in his eyes: "If you can't persuade good words, then I have to do it."

Om!

The voice fell, and a terrifying aura erupted from Fang Qifo's body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Fang Qifo slowly raised his right hand and hit the white horse with a palm!

It's... so fast...

Feeling the speed of Fang Qifo's lightning fast, Bai Ma was startled, he didn't have time to dodge, he quickly pulled out his long sword and attacked! Bai Ma knew that Fang Qifo was very strong, so he didn't dare to be careless and urged all his inner strength to resist!

Bang!

In the blink of an eye, the palm of his hand slapped on the long sword, and the white horse only felt an overwhelming force coming, and then heard the white horse let out a muffled groan, and the whole person was shocked and flew out, and flew more than one hundred meters away. , and fell heavily to the ground.

Although the white horse has practiced shifting flowers and connecting trees, the time is too short, and the strength has not yet been cultivated, and the powerful blow of the seven Buddhas on the face cannot be resisted at all.

"Okay, very good, you wait for me." Baima struggled to get up, wiped the blood from the corner of his mouth, glared at Fang Qifo, and turned around and ran away.

Bai Ma is not a fool. Knowing that he is not Fang Qifo's opponent, he continues to fight, and he is afraid that he will die here.

In a blink of an eye, the white horse disappeared into the woods.

At this moment, Fang Qifo wanted to pursue him, but he held back when he saw Mei Hui who was in a coma.

Afterwards, Fang Qifo walked up to Meihui and was relieved to see that she was in a coma caused by just being too tired.

"Meeting is a predestined relationship, I'll take you out of here." Fang Qifo said softly, with beauty, and headed for the distance.

...

the other side!

Taiyin Mountain, about thirty miles to the northeast, has a mountain forest.

At this moment, Sun Dasheng, Ren Yingying and others were crying and running forward desperately. Everyone was tired, but they dared not stop. They know that once they stop, they may be overtaken by the Wutian Organization!

I don't know how long they ran, but Sun Dasheng, Ren Yingying and the others were sweating profusely. When they reached a forest, they took a short rest. While resting, he couldn't help but look behind him.

call!

Seeing that the surrounding environment is complicated, Sun Dasheng, Ren Yingying and others are resentful and panic.

Zhang Jiao, the despicable and shameless villain, has harmed himself and these people, and he has no inner strength. Otherwise, he would have helped Wen Chou Chou to kill him just now.

It has been so long, and Wen Chou Chou has not caught up with him. If he faces so many people in the Wutian Organization by himself, will something go wrong.

And Mei Hui... It's been so long with no news.

Thinking about it, a trace of inexplicable worry rose again in the bottom of everyone's heart.

Whoops!

At this moment, there was a sudden sound of footsteps behind him. The footsteps were dense and fast, and there were obviously many people.

Hearing the voice, Sun Dasheng, Ren Yingying and others quickly looked back.

hiss!
