

The ultimate husband in Chinese chapter 2601-2610

Chapter 2601

At this moment, seeing the scene behind them, everyone couldn't help gasping for air.

I saw in the direction behind them, dozens of elites from the Heavenless Organization came, each with a weapon, murderous aura, these elite disciples, the lowest strength is also Marquis, and several are actually Wudan Wusheng...

Swish!

At the same time, these elite disciples also saw Sun Dasheng, Ren Yingying and the others, and they all cheered up and shouted.

"Sun Dasheng... don't run away, just grab it!"

"You have no way out."

"Hurry back with us, maybe the lord is merciful and can save your life..."

These elite disciples spoke in a cold tone. There were contempt and abuse in their eyes. Before, when they encountered a being like Sun Dasheng, they didn't dare to breathe. Now, they have no inner strength, so they don't need to pay attention.

Made!

Hearing the shout, Sun Dasheng and the others looked extremely ugly. They didn't have time to think about it, they turned around and ran towards the depths of the woods.

Brother Wen tried his best to give everyone a chance to escape. No matter what, he could not be caught back.

Seeing this scene, dozens of elite disciples glanced at each other, all extremely annoyed.

"Chasing!"

"A group of prisoners still want to turn the sky over?"

"Don't talk nonsense, hurry up and chase!"

This chapter is provided by . Visit [for daily update.](#)

After shouting angrily, dozens of elite disciples quickly chased after Sun Dasheng, Ren Yingying and others.

Sun Dasheng, Ren Yingying, and everyone else had run all the way before, and they were already exhausted. At this time, they were chased by so many elite disciples. They were tired and nervous. After a few minutes, they reached a big river.

broken!

When they got to the shore, they saw the rushing river in front of them, and they would be washed away if they fell into it. In an instant, Sun Dasheng and everyone looked at each other in despair, and stopped quickly at the same time.

There is actually a dead end here, could it be...is this God's will?

Thinking to myself, Sun Dasheng is very sad and angry!

Whoops!

At this moment, the elite disciples behind also chased after him.

"I can't run, haha..."

"Mad, against our lord, this is the end."

"Give it up, you will be captured..."

Dozens of elite disciples quickly surrounded them while laughing loudly. .

"To catch Lao Tzu alive? You are not qualified." Sun Dasheng roared, his eyes were extremely blood red, and he rushed forward.

In the current situation, there is no way for everyone to retreat, it is better to fight.

"Great Sage..."

Seeing this scene, everyone in Ren Yingying's expressions changed, and they all exclaimed, all of them in a hurry.

Without internal strength, fighting with these elite disciples is just courting death.

However, if you don't resist, it won't end well if you get caught.

"Uuuu..."

At this critical moment, suddenly, a quiet and gentle piano sound rang from the shore not far away.

hum!

At the moment when the piano sounded, I saw a powerful wave that quickly filled the air, and I saw layers of ripples in the air!

Feeling this fluctuation, whether it is Dasheng Sun, Ren Yingying and others, or those elite disciples, their faces changed greatly! Covering their ears one after another, they clearly felt that the sound of the piano contained a very strong rhythm, and everyone felt dizzy and could not stand steady!

Especially the dozens of elite disciples were all shocked.

Because they clearly felt that under the shroud of the sound of the piano, their dantian seemed to be suppressed, and they could not exert any internal strength.

Chapter 2602

This... the sound of the piano!

At this moment, Sun Dasheng everyone reacted and looked in the direction of the sound of the piano.

At the same time, dozens of elite disciples also turned their heads.

At this moment, seeing the scene in front of them, these elite disciples were all stunned.

I saw a slender figure coming slowly from the river bank. The pace seemed to be very slow, but it gave people a very light feeling, indescribably agile and elegant.

It is the piano saint Mu Xixi.

hiss.

Seeing the appearance of the person who came, dozens of elite disciples gasped in air one after another, only to feel that the blood all over their bodies was faintly boiling.

So beautiful. This is simply a fairy coming down to earth.

At this time, Mu Xixi was wearing a long white dress, full of fairy spirit. Three years ago, after the war between the Kyushu Continent and the Rakshasa ended, Mu Xixi took Song Qian to a quiet place to escape and practice.

Today, Song Qian reached a bottleneck in her practice, and Mu Xixi came out to find the elixir to help her break through, but she didn't expect to meet Sun Dasheng and others here.

Haha...

At this time, Sun Dasheng and others came back to their senses, and they were all excited.

Qin Sheng appeared, and these people were saved.

“Tsk tsk tsk...”

At this moment, the leading disciple reacted, a pair of eyes swept back and forth on Mu Xixi's body, and sighed with a smile: “Beauty, this is something of our Wutian organization, you don't want it Intervene, otherwise, it will cause trouble for the upper body.”

“I can't bear to start with such a beautiful woman, hehe...”

Swish!

Hearing this, Mu Xixi's delicate face showed a hint of shame and anger, and then, without hesitation, her figure rose up and flew into the crowd.

Bang bang bang...

The next second, before dozens of elite disciples could react to what was going on, they felt a terrifying force and instantly swept them away. Just flew out!

“Ah...”

With a scream, dozens of elite disciples were all thrown into the river, and the screams were quickly drowned out by the rushing river!

Seeing this scene, Sun Dasheng and others were extremely excited.

“Miss Mu!”

At this moment, Ren Yingying took the lead to react, walked over quickly, and said anxiously: “Quick, go and help Brother Wen and Miss Ouyang Meihui, they are all trapped in the main altar of Wutian Organization. That's it.” The

voice fell, and Sun Dasheng and others also nodded.

“You...” Mu Xixi was shocked when she heard this, and when she felt the inner strength of Ren Yingying and others, she was even more astonished: “Your inner strength...”

She clearly felt that Ren Yingying These people's dantian inner strength is not left at all, and now they have become ordinary people.

Wow..

As he was talking, he heard footsteps in the woods in the distance. There were many people. Obviously, the Wutian Organization sent to arrest Ren Yingying and others.

“I’ll take you to a safe place first, and then come back to save Palace Master Wen and the others.” Mu Xixi said seriously.

Mu Xixi acted cautiously. She knew that the Wutian Organization was very powerful. It was impossible to save Wen Chou Chou with Sun Dasheng and others with her own strength. They have no time to be separated, taking into account their safety.

The safest thing is to rescue them first and then come back alone.

Hearing this, Sun Dasheng, Ren Yingying and the others looked at each other and nodded.

After that, Mu Xixi no longer hesitated and left quickly with everyone.

.....

this moment, the other side.

The Wutian Organization General Forum, the fierce battle continues.

In midair, Yue Wuya and the four Duan brothers tried their best to besiege Zhang Jiao.

Chapter 2603

However, nearly an hour has passed. The five combined, still can’t win Zhang Jiao!

At this time, Yue Wuya, the more he fought, the more frightened he became. Mad, three years ago, although Zhang Jiao was powerful, he could still fight against him with the Overlord Hammer.

But now, Zhang Jiao has the axe to open the sky, and his strength has reached a terrifying point. He and the four uncles of the Duan family are even unable to suppress it.

At the same time, Zhang Jiao is also getting bigger and bigger.

Looking at the battlefield below, the disciples of the Wutian Organization, many people fell down, Zhang Jiao’s eyes were blood red, and he roared loudly: “Today, I will teach you all to come and go!”

Om!

The voice fell, and the air around Zhang Jiao suddenly condensed! A terrifying force spread out from his body crazily!

“Go to hell!” The

cold words came out of Zhang Jiao’s mouth, and in the next instant, he clenched the opening axe and swung it fiercely, and saw a dazzling golden light, tearing apart the world, towards Yue Wuya five shrouded.

Seeing this scene, Yue Wuya and the four brothers of the Duan family all changed their faces, and they all urged their inner strength to jointly deploy a protective film in front of them.

boom!

Jin Mang erupted and smashed the protective film directly. Yue Wuya snorted and was knocked back more than 100 meters by the volley.

Stabilizing his figure, Yue Wuya gritted his teeth secretly, his face extremely ugly.

Strong, too strong, this horn has a sky-opening axe, it is simply impeccable.

And, more importantly, there has been no news from Uncle Wen, is something wrong?

At this time, the four brothers of the Duan family endured the pain, looked at Yue Wuya one by one, and asked.

“Young Master, what should I do?”

“This horn is too strong, and if we continue to fight, it will be more and more unfavorable for us.”

“Also, Palace Master Wen has been unable to signal...”

As he was talking, he saw the general manager. In the direction of the altar, a slender figure in mid-air came quickly, with a bit of gloom on his delicate face, it was Lu Lingshan.

What?

Seeing Lu Lingshan, Yue Wuya was shocked, she...why is she here?

Back then, Yue Wuya had defeated Lu Jiechen as his teacher. According to his seniority, Lu Lingshan was his aunt, and of course he was no stranger.

“Withdraw...”

Soon, Yue Wuya recovered, gritted his teeth and waved his hand.

To be honest, Yue Wuya didn't want to leave like this, but there was nothing he could do. Zhang Jiao was too strong, and Wen Chou Chou had never given any signal. This time, the plan to attack both internally and externally was a failure.

Yue Wuya decided to evacuate first, and then send someone to investigate the news.

Wow..

After receiving the order, everyone in Tianmen, as well as the Royal Forest Army, quickly lined up to retreat.

“Want to go!”

Seeing this scene, Lu Lingshan frowned and wanted to pursue, but was stopped by Zhang Jiao.

Zhang Jiao said with a smile, “No need to chase, this kid Yue Wuya is scared to death by my axe, and he won't dare to commit it in a short time.”

When he said this, Zhang Jiao looked confident.

To be honest, Zhang Jiao also wanted to pursue and annihilate Yue Wuya's Imperial Forest Army and Tianmen in one fell swoop, but in the fierce battle just now, Zhang Jiao frequently used the Heavenly Axe, which had consumed a lot of internal energy.

“correct!”

Zhang Jiao looked at Lu Lingshan and asked, “How is the situation on your side?”

“Wen Chou Chou was heartbroken by the white horse and fell into the abyss. He must die.” Sun Dasheng and those people have no inner strength, so they are nothing to worry about.”

“Okay, very good!”

Zhang Jiao smiled and praised: “It is really enjoyable to cooperate with the leader Lu, haha...”

Wen Chou Chou When he died, Sun Dasheng lost his inner strength, and Yue Feng lost his right-hand man. This is definitely great news.

Chapter 2604

Excited, Zhang Jiao rushed to Lu Lingshan and said with a smile: "Lord Lu has worked hard, hurry up and rest."

Hmm!

Lu Lingshan nodded and turned to leave.

Zhang Jiao looked around, instructed his disciples to clean up the battlefield, and then returned to the secret room to practice and recover.

In the secret room, Zhang Jiao meditated and practiced for a while, then closed his eyes and prepared to rest.

hum!

However, at this moment, a slight fluctuation of breath came, and then a figure appeared in front of him. This person was wearing a black robe and a certain black hat. Under the hat was a pale and expressionless face.

Sensing the situation, Zhang Jiao immediately opened his eyes alertly. He was stunned when he saw the man in black robe, and said coldly, "Who are you?"

When he said this, Zhang Jiao was on guard.

This person can enter his own secret room quietly, and it is definitely not an ordinary person.

The man in black robe smiled slightly and said lightly: "Commander Zhang, we met a thousand years ago, have you forgotten?"

After speaking, the man in black robe showed a trace of seriousness: "I am the messenger under the Throne of Pluto, Yan Luo, a thousand years old. A while ago, Hades issued a summons to you, but you were suppressed by Lu Bu. I thought you had been suppressed for thousands of years and could repent of your mistakes, but I didn't expect that after you saw the sun again, you would start doing wrong again..."

"The king of Hades ordered, I'll take you to Hades to meet Hades to atone for your sins."

His tone was cold, without the slightest emotion.

What? It was him...

Hearing this, Zhang Jiao's heart trembled, and he was dripping with cold sweat.

In the cultivation world, if you have justice in your heart and your strength reaches a certain level, you will be able to rise through calamity. However, some practitioners who do many evils and are prevalent in viciousness are impossible to ascend. Infernal version of punishment.

The underworld is the final destination of all the most sinful people in the world. The place where the underworld is located is the ghost world.

A thousand years ago, Zhang Jiao formed the Yellow Turban Army, causing chaos in the world, causing the people to be displaced and struggling to live. The King of Pluto specially sent messengers to arrest Zhang Jiao. However, Zhang Jiao's behavior at that time caused the anger of the heroes of the world, and encircled and suppressed them. In the end, Zhang Jiao was arrested. Lu Bu captured it and suppressed it in his own tomb.

Knowing the situation at the time, Hades thought that this was Zhang Jiao's deserved end, so he gave up the arrest.

Unexpectedly, after a thousand years, Zhang Jiao will see the sun again, and he will start chaos in the Kyushu continent again.

Zhang Jiao is still a little angry because he will be reminded of the previous actions of the messenger.

"Your Excellency the messenger!"

At this time, Zhang Jiao reacted, and he was so nervous that he knelt down directly in front of Yan Luo: "I have repented of my mistakes, please tell Hades and give me a chance."

Zhang Jiao was arrogant, The sky is not afraid of the earth, but Pluto is not the existence he provokes. You must know that people in the world, as long as they do evil things that are angry and resentful, will be judged by Pluto in the end. That is a powerful ruler who controls countless lives and deaths.

However, Yan Luo did not have the slightest mood swings, and said coldly, "Zhang Jiao, whether there is real repentance, it is not up to you, come with me to the underworld!"

"Your Excellency the messenger, give me a chance, I will one day. Material treasure, I will give you what you want." Zhang Jiao said sincerely, but there was a hint of gloom in his eyes.

Yes, the messenger of Hades in front of him, although he was working for Hades, was also a cultivator.

Zhang Jiao knew that Pluto had nine messengers in the Kyushu Continent, in charge of affairs in the Kyushu Continent. These messengers were all gifted geniuses, and they seldom appeared in front of people, but once there were vicious people, they would Show up.

However, even the messengers of Hades, they also need and need treasures to enhance their strength.

Hearing this, Yan Luo's eyes flashed: "What treasure, take it out and see."

Zhang Jiao guessed right, everyone has selfishness, even the messenger of Hades is no exception.

"I'll get it for you!" Zhang Jiao said complimentably, then stood up and pretended to take something from his body.

"You...Go to hell!"

The moment he stood up, suddenly, Zhang Jiao roared, a powerful breath burst out from Zhang Jiao's body, slapped it fiercely, and hit Yan Luo directly in the heart .

Chapter 2605

Yes, although Zhang Jiao is afraid of Pluto, he is not afraid of Yan Luo in front of him. Moreover, Zhang Jiao has always been a wicked person. How could he obediently follow Yan Luo to see Pluto to atone for his sins?

What?

Yan Luo was extremely frightened, and he never thought that Zhang Jiao was so bold and dared to attack the messenger of Hades. At this moment, he wanted to dodge, but Zhang Jiao was too fast to dodge.

Speaking of which, Yan Luo's cultivation strength is also very strong, otherwise, he would not be the messenger of Hades, but the speed of Zhangjiao was too fast before, and it was too late to react.

Bang!

This palm, which contained Zhang Jiao's tenth layer of skill, hit Yan Luo's heart ruthlessly, and when he heard a miserable cry, the whole person flew straight up, a mouthful of blood spurted out, and finally landed in the corner of the secret room.

At the moment of landing, Yan Luo widened his eyes, looked at Zhang Jiao unwillingly, and swallowed his last breath.

“Pluto?”

Zhang Jiao took a deep breath and quietly looked at Yan Luo’s corpse with madness in his eyes: “What about Pluto? When I become the Supreme Lord of Kyushu, I will be the ruler of this world...”

... ..

on the other side.

The white horse was injured by Fang Qifo and fled, and did not return to the Wutian Organization, but rushed directly to the main altar of the Hall of Longevity.

Bai Ma knew that staying by Zhang Jiao’s side would be unpredictable, so it would be better to return to the Hall of Longevity and establish himself as the hall master. Anyway, he learned to move flowers and trees, and he was not afraid of opposition.

A few hours later, the white horse finally returned to the main altar of the Hall of Longevity.

“Dharma King White Horse?”

“Why did you come back alone? Where is the palace master?”

“Are you injured?”

As soon as they arrived at the entrance of the main hall, the other Dharma Kings in the Hall of Longevity, as well as more than a dozen hall masters, all changed their expressions and hurried over to ask about the situation.

Before, Bai Ma and the Ouyang family were caught by Zhang Jiao, and then Wen Chou Chou went to rescue them, and they were finally trapped in the Wutian organization’s main altar.

Knowing this, the Changsheng Palace was all in a hurry. At this time, they were discussing how to rescue the palace master and the Ouyang family, but they did not expect that the white horse came back.

Pfft!

In the face of everyone’s inquiries, Bai Ma knelt on the ground at once, and burst into tears in a fake voice: “The hall master...the hall master was killed by Zhang Jiao.”

“The hall master pretended to surrender at the beginning, the purpose was to save the Ouyang family. Everyone, but in the end, it was noticed by Zhang Jiao... The hall master was dying, he blocked the pursuers and let me escape, I... I am ashamed!”

While crying, Bai Ma observed the changes in everyone's expressions.

What?

Hearing this, everyone present was shocked. Immediately afterwards, the hall fell to its knees and cried bitterly!

"Palace Master..." A

sad and angry voice resounded throughout the hall!

Seeing this scene, Bai Ma couldn't express the excitement in his heart, haha... I was so witty, I lied to everyone in just a few words.

Everyone was grief-stricken, and it was unknown how long it took before a hall master couldn't help but ask, "Dharma King White Horse, before you leave, what did the hall master entrust?"

Huh!

Bai Ma took a deep breath, slowly stood up, looked around, and said with a heavy heart: "Palace Master Wen said, I will be the next generation of Palace Master."

Hearing this, the hall was silent, and everyone looked at the white horse, his face dazed. Doubtful.

You must know that among the Four Dharma Kings, Bai Ma is not very strong, and his abilities are not particularly outstanding. Why did Wen Chou Chou want to make him the next generation of temple masters? This is a bit sloppy.

The ultimate husband in Chinese chapter 2606-2610

Chapter 2606

Call!

Seeing the changes in everyone's expressions, Bai Ma took a deep breath and said with a heavy heart: "Speaking of which, my white horse has limited qualifications and was unable to take on a major role, but I had to follow the orders of the Palace Master." After speaking

, Bai Ma looked around: "Wen The hall master has taught me the technique of moving flowers and connecting trees."

Om!

As soon as the voice fell, the white horse's internal force was running, and he suddenly raised his hand to hit a pillar in front of him, and he heard a vibration. The palm force passed through the pillar, and a palm print was made on the wall behind.

It is the essence of moving flowers and connecting trees, hitting objects from the air!

On the way back, Bai Ma realized that what he said was unfounded, and everyone would definitely not believe it. At this time, he deliberately tried to prove that what he said was true.

Seeing this scene, everyone present was stunned, staring at the white horse, speechless.

The master of the palace passed all the secret skills of the town school to him, and it seems that the white horse did not lie.

At this moment, a slender figure suddenly came out and knelt down in front of the white horse in public: "My subordinate, the red snake, see the palace master."

It was the wife of the white horse, the Dharma King of the Red Snake.

At this time, the red snake had a respectful look on his face, but his heart was full of excitement. Can he be unhappy when her husband became the head of the palace?

"My subordinates see the hall master!"

In an instant, the entire hall knelt down.

Haha...

This chapter is provided by . Visit for daily update.

Bai Ma couldn't tell the excitement in his heart, but his face still had a fake sadness: "Everyone, get up, the hall master was killed by the Wutian Organization, this revenge will be avenged, but the Wutian Organization is too powerful. Big, it is absolutely impossible for us to rush to the door and fight recklessly."

"Pass my order, all the disciples return to the mountain gate, and wait until the situation of Wutian Organization is detected before taking action."

"Yes!" Everyone responded in unison.

At this moment, Bai Ma's expression was sad, but there was a faint sneer in his eyes.

Wen Chou Chou is dead, and he has successfully become the temple master. As for Sun Dasheng's gang, they have no internal strength and no threat to themselves.

Moreover, Zhang Jiao is also sending people to hunt down Sun Dasheng and others, and he is not afraid of Sun Dasheng and the others to tell the truth.

.....

the other side!

Wen Chou Chou only felt that he had a very long dream, and the dream was full of his past. He had just joined the Hall of Longevity until he became a respected hero in the Kyushu Continent. Those scenes kept flashing in the dream.

hiss!

Finally, I don't know how long it took, Wen Chou Chou woke up, and just opened his eyes, he only felt excruciating pain all over his body.

Wen Chou Chou clearly felt that his heart was broken, and his dantian had no inner strength.

This... where is this?

What made Wen Chou Chou even more horrified was that he was at the bottom of an extremely dim abyss, with a steep cliff above his head, and the air around him was extremely cold.

In front of him, there is an endless deep hole, slowly descending, I don't know where it leads, and the gloomy wind keeps blowing, which is terrifying.

It seems that this is the only way out.

Looking around, Wen Chou Chou endured the pain and slowly walked towards the deep hole.

As soon as he walked inside, Wen Chou Chou couldn't help sucking in the cold air, as if gathering the Yin Qi in the world, making people feel a kind of cold deep in the bones, and there was no end in sight, and no idea how long it was, as if it were endless. !

Aren't you dead? Is this the way to the ghost world?

Thinking about it, Wen Chou Chou panicked inexplicably, but his legs continued to move forward involuntarily.

“Whoosh...”

I don't know how long I walked, but I heard a wave of breath coming from the front, and then a black shadow appeared in front of me.

Seeing the face of the black shadow, Wen Chou Chou felt a chill in his heart, and saw that his face was extremely pale, there was no blood, and his eyes were not alive at all, they were empty.

Chapter 2607

“Who dares to trespass into the underworld?” The shadow spoke coldly.

Hades?

Hearing this, Wen Chou Chou was shocked, and the whole person was stunned.

Wen Chou Chou has heard that people will enter the ghost realm after death, and in the ghost realm, there is an underworld, which is a place for judging the wicked. Whether it is an ordinary person or a cultivator, as long as they sit in bad things, they will be punished by the underworld. The trial of Hades.... It's

over, I really died.

At this moment, Wen Chou Chou was both frightened and unwilling, and he still had a lot of things to do, so he died like this.

Just when Wen Chou Chou was shaking his head, Hei Ying couldn't help but talk, rushed over, grabbed Wen Chou Chou, and headed for the depths.

Hu Hu Hu...

Wen Chou Chou only felt the chill whistling in his ears, but before he could react, he arrived in front of a huge city in a blink of an eye.

This city is several times larger than the largest city in Kyushu. The city is surrounded by black mist, like a chaotic world, giving people an indescribable feeling of depression.

Above the gate of the city, there are two big characters 'Netherworld'.

Soon, Wen Chou Chou was brought into the hall of Hades.

call!

Seeing the scene in the main hall, even though Wen Chou Chou was mentally prepared, he couldn't help but take a deep breath.

As you can see, the hall is incomparably majestic, with the underworld soldiers standing neatly on both sides. These underworld soldiers, wearing uniform black helmets and black armor, and holding long knives, are suffocating.

In the center of the hall, there is a black throne, and a burly man is sitting on it.

It is the Lord of Hades, Hades.

“Your Majesty!”

At this time, the black figure who came with Wen Chou Chou respectfully knelt on the ground and told Pluto: “I was just on the way to attract the soul, and I caught a dying person.” The

way to attract the soul?

Hearing this, Wen Chou Chou was stunned. It turned out that the road just now was called the Soul Guiding Road. No wonder the Yin Qi is so heavy. According to ancient books, there are some hidden places in the Kyushu continent, and there are entrances to the ghost world. The legend, I didn't expect it to be true.

Also, he said he was dying? In other words, he is not dead yet?

Thinking about it, Wen Chou Chou was inexplicably excited.

Swish!

At this time, all eyes in the hall focused on Wen Chou Chou.

The next second, Pluto looked at Wen Chou Chou: “Who are you?”

“Your Majesty Pluto.” Wen Chou Chou took a deep breath, tried to calm himself down, and responded, “My name is Wen Chou Chou, and I am the Palace of Eternal Life on Earth Circle Continent. Lord.”

After speaking, Wen Chou Chou looked expectantly and begged: “Your Majesty, I was framed by a traitor, I fell off a cliff, and entered the Soul Path, I hope Your Majesty can send me back.”

Madd, wait for himself Going back alive, Zhang Jiao and Bai Ma must not be spared.

Hearing this, Hades frowned and said without any emotion: “Wen Chou Chou, the Lord of the Palace of Longevity? I heard about you, your heart was broken, and you can't live for a day, since you came by mistake. Here, it is also God's will.”

Having said that, the Pluto ordered to the underworld soldier next to him: “Take him to the land of reincarnation and reincarnate as a human being.” Wen Chou Chou is a gentleman, not a person of great evil, and does not need to be judged.

The voice fell, and the two ghost soldiers walked over quickly.

What?

Wen Chou Chou was taken aback, he was murdered like this, he couldn't just die like this.

"Your Majesty!"

At this moment, an underworld soldier hurried in and shouted in a panic, "No, there is something wrong with the messenger of Yan Luo."

Wow!

Hearing this, the entire Underworld hall was in an uproar, and even the two underworld soldiers who were about to arrest Wen Chou Chou couldn't help but stop.

Chapter 2608

"What's the matter?" Hades asked coldly with an extremely ugly face.

Yan Luo, a messenger carefully selected by himself, has been diligent and conscientious, deeply appreciated by himself, but something happened.

"Your Majesty!"

Ming Bing wiped his cold sweat and said cautiously: "Half a day ago, the messenger of Yan Luo was ordered to arrest Zhang Jiao, the wicked man. As a result, Zhang Jiao not only pleaded not guilty, but instead raided the messenger of Yan Luo and killed him. ."

Boom!

Pluto was furious and slammed down the throne: "This Zhang Jiao is so bold, he dares to kill the messenger of the underworld?!"

At this time, his fame was burning with anger. Thousands of years ago, Zhang Jiao had sent messengers to ask for the chaos of the world. He was arrested and punished in the ghost world. As a result, Zhang Jiao was suppressed by Lu Bu in the ancient tomb. Now that a thousand years have passed, Zhang Jiao has been in chaos again, so he sent Yan Luo to arrest him. Unexpectedly, Zhang Jiao actually resisted and killed him.

Zhang angle?

At this moment, Wen Chou Chou, who was kneeling there, was shocked, and his expression was extremely complicated.

This despicable and shameless person really did all the bad things, and even Hades wanted to arrest him.

call!

Finally, Pluto calmed down, sat on the throne, and said coldly: "Zhang Jiao is extremely sinful and ordered messengers from other continents to see this person with all his strength." To

be honest, Pluto really wanted to take action in person, but because of his identity, he couldn't. Leaving the ghost world and going to the mainland of Kyushu, we can only send more people.

"Yes, Your Majesty!" After receiving the order, the underworld soldier responded and walked out quickly.

At this time, seeing that Wen Chou Chou was still there, Hades frowned and said, "Why haven't you taken him down yet?"

"Your Majesty!"

Wen Chou Chou couldn't help but shouted: "Your Majesty, please listen to me, that Zhang Jiao's crime is very heinous, I was killed by him like this, if I die like this, it is too wrong, I hope Your Majesty will give me a chance to let me go back. "

This...

Hades frowned, hesitated, and said slowly: "The life and death of a person is the law of heaven and earth, your heart is shattered, and your life is not long, if I let you go back, it is a violation of heaven. "

I beg Your Majesty to give me a chance..." Wen Chou Chou became anxious, knelt down and kept kowtow.

Seeing this situation, Pluto pondered for a while, and suddenly had an idea: "If you want to go back, you can be my messenger, and I will give you a chance to be reborn."

After speaking, Pluto's expression became serious: "But you want to Remember, once you become the messenger of Hades, you are no longer an ordinary person, and you must cut off contact with everyone, including your family and friends."

The messenger Yan Luo just died, and this position just became vacant, and Wen Chou Chou is a talented person. Yes, just to fill the vacancy.

However, the messenger of Pluto is not something ordinary people can do. It represents Pluto, rewarding the good and punishing the evil in the Kyushu continent. It needs to be selfless and not have the slightest personal feelings. More importantly, the identity is secret and must not be exposed.

“I...”

Hearing this, Wen Chou Chou was stunned. He wanted to cut off contact with everyone. Wouldn't that be... After seeing Fengzi and the Great Sage, they won't be able to recognize each other?

If so, what is the difference between that and death.

“What? Don't you want to?” Pluto asked at Wen Chou Chou with an expressionless face.

“I...will!” Wen Chou Chou struggled in his heart, and finally nodded firmly.

Although I can't meet Fengzi and the others when I go back, at least I can protect them in the dark, and I can also deal with Zhang Jiao.

“Okay!”

Hades nodded in approval, then slowly raised his hand, and saw a strange force surging throughout the hall, and finally enveloped Wen Chou Chou.

Feeling this strange power, Wen Chou Chou did not move, knowing that it was Hades healing him.

At this moment, Wen Chou Chou closed his eyes and shouted secretly in his heart.

Kyushu Continent, I'll be back soon

...

the other side!

Chapter 2609

Yue Feng stayed on Shenlong Island for one night. Early the next morning, Long Xianger was ordered to send Yue Feng and Xiao Xi out.

call!

A few hours later, Yue Feng stood on the ruins of the Primal Chaos Mountains and looked back at the dark, wild and strange realm. He couldn't help but take a deep breath.

Finally came out, Mad, thought he was going to die on Shenlong Island.

Haw...

Xiao Xi next to her was also indescribably excited. As a young dragon, she couldn't speak at all, but she also made a cheerful cry.

Seeing Xiao Xi's cute appearance, Yue Feng showed a smile, picked her up, and put her in the spirit beast bag.

I don't know what happened to Zhu Bajie and the Ouyang family.

Thinking of this, Yue Feng didn't have time to think, he left the ruins and rushed towards Kyushu.

Um?

When approaching Heishui Town, Yue Feng was stunned when he saw the scene in front of him.

I saw that a huge arena was built in the valley of Blackwater City ahead, and thousands of cultivators gathered around them, discussing something.

Yue Feng saw that the clothes of these cultivators were embroidered with some logos, and they were members of mercenary groups from various continents.

So many mercenary groups, what are they doing here?

Yue Feng murmured in his heart, and suddenly turned his eyes to the side, and saw a slender woman standing in a corner of the ring, wearing a red leather suit, indescribably sexy and charming.

It was the captain of the Bloodthorn Mercenary Team, Hua Ling.

"Fengtao?" At this moment, Hua Ling also discovered Yue Feng, and was stunned for a moment, then greeted her with joy.

When she came to the front, Hua Ling's delicate face could not hide her urgency and excitement, and she said softly, "Fengtao, why are you here?"

Half a month ago, this man helped her a lot. Why is this kindness? will not forget. Until now, Hua Ling had not realized that Feng Tao who once helped her was actually Yue Feng, the famous Tianmen Sect Master in the Kyushu Continent.

Yue Feng showed a smile: "I happened to pass by, by the way, there are so many of you, what are you doing here?"

Hua Ling smiled bitterly, very helpless: "All the mercenary teams in the Kyushu mainland will be held here. In the ring match, we will elect the leader. Before, we, the mercenary team, were scattered and suffered too many losses, so we must unite."

Lost?

Hearing this, Yue Feng frowned. How could these mercenary teams be at a loss when they traveled between the Wilderness and Strange Domain and Kyushu, killing beasts, obtaining internal pills, and earning high profits?

I muttered in my heart, seeing this ring, the valley passage was completely blocked, and I couldn't get through for the time being, so Yue Feng followed Hua Ling to the ring to watch the excitement.

At this time, the arena is about to start.

"Tsk tsk..." As soon as he arrived in the ring, a mocking voice

came from the side: "Captain Hua Ling, can't you recruit anyone for your Bloodstab mercenary team? Haha, why do you want everyone?"

The man in a white gown walked over with a smile, and it was Bai Hao, the head of the Giant Elephant Mercenary Corps.

The Bloodthorn Mercenary Team, led by Hua Ling's efforts, often obtained a lot of inner elixir in the wild and strange realm, and was envied by many other mercenary teams. The Giant Elephant Mercenary Team was one of them.

In this case, these mercenary teams are looking for opportunities to suppress Hua Ling.

Bai Hao looked at Yue Feng with a smile but not a smile, and continued: "Is this a piece of trash that was brought in from there?"

This man was in tatters, and being a mercenary, he really lost the face of the world's mercenaries.

The voice fell, and there was laughter around.

"Haha... Picked it up from a heap of beggars."

"I think your bloodstab mercenary team should be disbanded as soon as possible..."

The taunting of you and me came from everyone, Yue Feng frowned secretly and ignored it. .

Nima, these guys, consider themselves Hualing's team members.

Chapter 2610

Hua Ling's face was flushed and she was angry.

“Fengtao, ignore them.” Hua Ling bit her lip and said softly to Yue Feng.

All of his team members went to the wild and strange realm to hunt down beasts, leaving him alone to participate in this arena competition. At this time, facing the ridicule of everyone, he was too lazy to talk nonsense with them.

But seeing Feng Tao being misunderstood by them, Hua Ling was still a little angry.

Yue Feng shook his head and smiled, indicating that he did not take it to heart.

At this moment, I saw a middle-aged man with extraordinary temperament slowly walking towards the center of the ring: “Everyone, be quiet!” The

voice was not loud, but it spread throughout the valley, with deep inner strength!

Swish!

At this moment, everyone’s eyes were focused on him.

Seeing Yue Feng’s puzzled expression, Hua Ling whispered, “Fengtao, this is Yang Hong from the Tianlei Mercenary Group. The Tianlei Mercenary Group is the largest mercenary group in Kyushu and has a great influence.”

Yue Feng Nodding silently, he looked at this Yang Hong.

Fifth paragraph of Wuhuang.

The strength is not low.

At this time, Yang Hong looked around and said slowly: “Everyone! Everyone knows the purpose of this conference. All the black markets and trading markets that Huang Tian Trading has recently monopolized, we risk our lives and death to work hard. If you want to sell the inner alchemy and other treasures you have obtained, you must trade them in Huangtian.”

“However, Huangtian takes more and more commissions. It has seriously violated our interests, so, In this arena, we must elect a leader and unite as one to fight against this injustice.”

“Furthermore, this is not just to deal with the Huang Tian transaction. As long as we form an alliance, we can solve other problems in the future.”

It turned out to be the case.

Hearing this, Yue Feng nodded secretly.

At this time, there was also cheers around the arena.

“Yes, as long as we form an alliance, no one will want to bully us.”

“Haha... After the alliance is established, I am afraid that those famous and decent people will be polite when they meet us.”

“Let’s start quickly, I will I can’t wait.”

When everyone’s words came, Yang Hong showed a smile and looked around the audience: “Okay, it seems that many people can’t wait, and the ring will start, but before we start, let me talk about the rules, in order to maintain The fairness of the game, each mercenary team can send a maximum of two people to participate, and the age must not exceed 40 years old.”

Saying that, Yang Hong raised his hand: “Okay, the game starts, who wants to be the first to play. , please come up.”

“I’ll come first!” The

voice fell, a voice sounded, and then a figure appeared more and more, and landed steadily on the stage, with thick eyebrows and big eyes, very aura.

The man clasped his fists at the surroundings: “Yuan Lei, Hongye Mercenary Group, which one will come up to ask for advice?” The

voice fell, and after a brief silence in the audience, a thin man smiled slightly and took the stage, facing Yuan Lei slightly. A smile: “Zheng Gang of the Feiyu mercenary group asks for advice.”

Shuh!

The eyes of everyone around them converged on the two of them, and they were all excited.

Yue Feng watched quietly, the strength of the two people on the stage was about the same level as the Emperor Wu.

hum!

At this time, the two people on the stage were already fighting, and the figures were intertwined, causing a lot of excited shouts below.

However, Yue Feng’s mind was not on the stage, but turned to look at Hua Ling: “Are you going to participate in the competition later?”

"..." Hua Ling bit her lip and was about to speak when she was caught by the next person. Bai Hao interrupted.

"Miss Hua."
