

The ultimate husband in Chinese chapter 2611-2615

Chapter 2611

Bai Hao looked at Hua Ling with a smile: "You Bloodstab mercenary team, there are only a few people, not even a team. Let's forget about the arena competition.

"Wretched, looking at Hua Ling up and down, he continued: "Besides, you are so beautiful, it would be a pity if you were injured on stage. When I take the first place and become the leader of the alliance, you will stab the servant with blood. Soldier team, join me, I will keep you rich and rich."

Bai Hao's eyes made Hua Ling very uncomfortable, and she said with shame and anger: "Thank you for your kindness, where will my Bloodstab mercenary team go, there is no need for it? You worry..." To be

honest, Hua Ling didn't plan to participate in the competition at first, but when Bai Hao said that, she couldn't help it.

At this moment, the victory and defeat on the stage were already divided, and Zheng Gang won.

Without hesitation, Hua Ling jumped gently, like a butterfly, and landed on the ring.

so beautiful.

At this moment, seeing Hua Ling, the eyes of many men in the audience were straight.

As expected of the goddess of the mercenary world, with beautiful long hair, delicate facial features, and perfect body proportions, any man will be unable to extricate himself when he sees it.

Seeing this scene, Yue Feng couldn't help but show a smile. This Hua Ling is too competitive.

"Tsk tsk!"

At this time, Zheng Gang looked at Hua Ling with a smile, and said, "So it's the beauty Hua Ling from the Bloodthorn mercenary team. She has no eyes on her fists and feet in the ring, or you should admit defeat, I can't bear to hurt you. "

Crack!"

Before she could finish her sentence, Hua Ling was astonished, she came to him in an instant, and slapped him in the face!

Hua Ling has a tough personality. At this time, Zheng Gang was rude to herself in front of so many people, and she couldn't bear it.

This chapter is provided by . Visit for daily update.

Dengdengdeng...

Zheng Gang was slapped with a slap, and he stepped back a dozen steps in a row, almost unsteady, and yelled in anger: "Shame on your face." Saying that, his inner strength urged him to charge directly. come over.

In the blink of an eye, the two fought fiercely together.

Hua Ling's strength is already the fourth rank of Martial Emperor, much stronger than Zheng Gang. Within a few minutes, Zheng Gang was slapped in the back, and the whole person flew out and fell under the ring.

Whoa!

Seeing this scene, there was an uproar in the audience, and many men looked at Hua Ling closely, each of them couldn't be excited, and admired them very much.

Hua Ling's face was expressionless, without the slightest fluctuation, and looked around: "Who will enlighten me next."

Just after winning a game, Hua Ling's expression was indifferent, but she was very excited.

If you take the first place and become the leader of the alliance, the Bloodthorn mercenary team will become famous all over the world.

"I'm coming!" The

voice fell, and everyone looked at each other. Immediately afterwards, a burly man rushed to the stage excitedly, but he was easily defeated by Hua Ling after a few rounds of fighting.

In an instant, the entire valley was boiling, and all the men present were excited and wanted to go on stage to conquer this beauty.

In the next half an hour, five or six mercenary groups of powerhouses came to the stage to compete, but none of them were Hua Ling's opponents.

Seeing this, Yue Feng was also very happy for Hua Ling, and at the same time was a little worried.

After all, Hua Ling's strength is not the strongest in the audience.

"Amazing, really amazing!"

Finally, a faint voice sounded, and then, a man in white jumped onto the ring and looked at Hua Ling with a half-smile.

It is the deputy group of Tianlei Mercenary Group, Goldman Sachs!

Seeing Goldman Sachs, Hua Ling frowned and her eyes suddenly became solemn.

As the goddess of the mercenary world, Hua Ling has many suitors, including this Goldman Sachs. In order to pursue Hua Ling, Goldman Sachs can be said to have spent all her time and stalking her, making Hua Ling tireless.

But he never expected to meet him again in this arena.

Chapter 2612

Goldman Sachs looked at Hua Ling and said with a smile: "Hua Ling, we are also old acquaintances, you are not my opponent, admit defeat."

Hearing this, Hua Ling was very displeased: "Don't be so confident. , I won't admit defeat."

As the captain of the Bloodthorn mercenary team, since he came to power, he represented the entire team, if he admits defeat, how can he stay in the mercenary world in the future?

Ugh!

Goldman Sachs sighed and revealed a smile: "Okay, since you have to fight, let's make an extra rule."

"What rule?" Hua Ling frowned.

Goldman Sachs smiled and said confidently: "If you lose, be my woman. If you win, I won't pester you again, how about you?"

"You..." Hua Ling's pretty face flushed red. , is not very angry.

This Goldman Sachs is really shameless and despicable. In this ring meeting, in front of so many people, he actually said such things.

Seeing that she didn't respond, Goldman Sachs smiled: "If you don't speak, I'll take it as your agreement, the lady is first, and you move first." After he finished speaking, he

waved to Hua Ling.

Om

Hualing didn't talk nonsense, she just flicked her wrist and hit it with a palm!

"Tsk tsk.... the speed is not good."

"It seems that you are destined to be my woman..."

Goldman Sachs fifth stage Martial Emperor strength, one level higher than Hua Ling, is very relaxed and comfortable when fighting, at the same time Don't forget to speak up.

Hua Ling was shy and angry, and her shots were getting faster and faster, but it was of no use at all. Every time she attacked, she could be easily avoided by Goldman Sachs.

Seeing this scene, Yue Feng frowned secretly under the stage.

This Goldman Sachs, who can be considered a figure in the mercenary world, was actually on stage, teasing a girl with words, and the more he said it, the more explicit he was, it was really shocking.

call!

At the same time, the surrounding audience also frowned secretly, but Goldman Sachs was the deputy head of the Tianlei mercenary group with a strong background, and no one dared to provoke him.

In the blink of an eye, Hua Ling and Goldman Sachs fought for more than a dozen rounds, but Hua Ling never hurt Goldman Sachs! She was shocked and angry, and she was so anxious!

Swish!

Finally, Hua Ling bit her lip and pulled out her long sword with a jade hand.

"Don't you give up?"

Seeing the long sword in Hua Ling's hand, Goldman Sachs didn't panic at all, and said with a smile: "I've been playing with you for so long, it's time to end, the game has to continue." The

voice fell, Goldman Sachs urged Dantian, and a tyrannical internal force swept the audience instantly! The next moment, he slapped it with one palm, and this palm took all his strength!

Seeing Goldman Sachs calling, Hua Ling's eyes flashed coldly, and she shouted coldly: "Xueyue is shocking."

In an instant, Hua Ling saw the long sword in Hua Ling's hand, like a shock, quickly stabbed at Goldman Sachs come over! The speed is astounding!

The exciting battle is finally here!

Seeing this scene, many people in the audience started to discuss.

In the eyes of everyone, Hua Ling's move was very sharp and had a high chance of winning, but Yue Feng shook his head secretly. This Goldman Sachs was clearly trying to lure the enemy into the depths, and Hua Ling's defeat was set.

At this moment, Goldman Sachs avoided the sharp sword and raised his hand to slap Hua Ling's wrist.

A metal vibration spread, Hua Ling's hand was unstable, the long sword almost flew out, and her delicate body took several steps back!

"Hua Ling, you lost." Goldman Sachs said with a smile.

Flashing, Goldman Sachs rushed over quickly, wrapping Hua Ling's slender waist with one hand.

Chapter 2613

Hua Ling was so anxious that she wanted to dodge subconsciously, but at this time, her internal strength was almost exhausted, so she could only watch Goldman Sachs's hand on her waist.

"You...let me go." Hua Ling's face flushed, and she gave a cold drink.

Goldman Sachs didn't show any signs of letting go. He admired Hua Ling up close and said with a smile, "Hua Ling, the outcome is already divided, you will be my woman from now on."

Hearing this, Hua Ling was both ashamed and angry: "Who is your woman? Let go of me quickly!"

Hua Ling's face was extremely ugly at this time. This was at the ring meeting, and Goldman Sachs actually did something to her in public. When the news spread, her innocence was completely cleared. destroyed.

"Would you like to admit defeat? You won't deny it, will you?" Goldman Sachs teased.

Hua Ling was so anxious: "I didn't make a bet with you at all, it's you who acted passionately."

Phew!

Seeing this scene, everyone around couldn't stand it anymore. I don't know who shouted: "Captain Gao, you can't go after the beauty in private, don't affect the game." The

voice fell, and many people nodded.

Goldman Sachs looked around coldly, and said angrily: "What are you panicking about? This bet was made in this arena, how could it affect the game? Whoever doesn't report will come up to challenge me.

" Bai Hao of the mercenary group followed and shouted, "That's right, Goldman Sachs and Hua Ling are a natural pair, what are you talking about?"

Bai Hao and Goldman Sachs have a good relationship and naturally help Goldman Sachs to speak.

At this moment, the entire arena was silent. For a moment, no one dared to talk nonsense any more.

Although Goldman Sachs' strength is not the strongest in the whole world, the Tianlei mercenary group behind him can't be provoked by anyone.

Seeing this scene, Goldman Sachs showed a satisfied smile. The next second, Goldman Sachs grinned at Hua Ling and said, "Okay, no one bothers us anymore. As long as you are willing to be my woman, I promise, no one will dare to look down on your Bloodstab mercenary team..."

Said that Gao Sheng was going to grab Hua Ling's wrist.

Hua Ling ducked for a while, and said unhappily, "Goldman Sachs, please show some respect, and I'm really welcome.

" She never thought that in this ring meeting, Goldman Sachs was dishonest, and no one was blocking the crowd.

"Tsk tsk, you're welcome? We've already played against each other just now. I know how powerful you are... Besides, you look so sexy when you're angry." Hua Ling's scolding did not make Goldman Sachs restrain, but instead stimulated his interest.

After saying this, he hugged Hua Ling's waist and pressed against him.

Immediately afterwards, Goldman Sachs got a little closer, sniffed lightly in front of her, and his face was intoxicated: "As expected of the goddess of the mercenary world, it's so fragrant. Haha..."

"Don't be afraid, I will take good care of you in the future. Yours." Goldman Sachs laughed and put his mouth up slowly.

Knowing that she could not escape the clutches, Hua Ling gave up her struggle and closed her eyes in despair.

Total despair!

I thought that I would be able to use this conference to make the name of the Bloodstab Mercenary Team, but I didn't expect to encounter a despicable scoundrel like Goldman Sachs.

Thinking to herself, Hua Ling felt unspeakable grievances, her eyes were red, and tears could not help falling.

Hua Ling could feel the heavy breathing of Goldman Sachs hitting her face.

Seeing this scene, everyone in the arena had complicated expressions.

Hua Ling, such an excellent beauty, is really unlucky to be targeted by people like Goldman Sachs, but there is no way, who makes Goldman Sachs powerful?

Whoosh!

Seeing that Goldman Sachs was about to kiss, at this moment, a figure like thunder and lightning reached the stage in an instant, and then pulled Goldman's hand away.

It was Yue Feng.

Originally, Yue Feng didn't want to meddle in his own business, but Goldman Sachs' approach was too extreme. Hua Ling was a pure and clean girl, and he was so rude and lawless.

Chapter 2614

"Fuck, who are you special?" When

good things were disturbed, Goldman Sachs was full of anger, and when he looked back at Yue Feng, he couldn't help cursing.

"Who is this?"

At the same time, the eyes of everyone around the arena were also focused on Yue Feng, all of whom were extremely surprised.

They saw that this man was dressed in ordinary clothes and seemed to have average strength, and he dared to disturb Goldman Sachs.

Isn't this looking for death?

At this time, everyone did not know that the person in front of him was the famous Tianmen Sect Master in Kyushu, and Yue Feng also hid his strength.

"Fengtao?..." Hua Ling opened her eyes and was stunned when she saw Yue Feng:
"Why did you come up?"

Yue Feng smiled and signaled her not to panic.

At this time, Goldman Sachs reacted, looked at Yue Feng up and down, and said coldly:
"Little arm brat, who are you?"

Yue Feng glanced at Hua Ling, and said lightly: "A member of the Bloodthorn mercenary team."

Yes, Yue Feng didn't want to reveal his identity. Since he entered the ring, he should pretend to be a member of Hua Ling, otherwise, he would not be qualified to come up.

"Oh?"

Goldman Sachs smiled contemptuously, his face full of provocation: "What? Seeing the captain's loss to me, I feel unhappy and want to save face? Or do you want a hero to save the beauty?"

"Let her go."

Yue Feng said every word said. His eyes were extremely cold.

"Ma De, you're crazy, you just joined the mercenary world, and you don't know who you're talking to, do you? Dare to take care of me? Get out of here." Goldman Sachs was too lazy to talk nonsense, so he burst out and rushed over.

Seeing this scene, the expressions of everyone around the arena became complicated.

Although they all looked down on this Feng Tao, at this moment, many people did not want him to be ousted.

Of course, they all know that this is all wishful thinking. After all, this Goldman Sachs is so powerful that there are very few who can beat him on the scene.

"Fengtao, hurry up and don't cause trouble!" Hua Ling was even more anxious, shouting at Yue Feng.

In Hua Ling's heart, this Fengtao has helped her several times, and she is very grateful to him, and she can no longer let him offend Goldman Sachs for her own sake.

You know, Goldman Sachs has a strong background.

However, Yue Feng didn't seem to hear it, and stood there quietly, watching Goldman Sachs rushing in, his expression did not change in the slightest, as steady as Mount Tai.

Hua Ling was in a hurry and was about to rush up, but it was already too late.

Bang...

At this moment, I heard a breath vibrating, and Yue Feng and Goldman Sachs fought fiercely together.

Seeing the scene in front of her, Hua Ling's delicate body trembled and she was dumbfounded.

Not only her, but everyone in the arena was stunned!

I saw that Yue Feng was very relaxed in the face of Goldman Sachs' attack. In that way, it was like a father facing a naughty son, completely crushing him.

Hua Ling stared blankly at this scene, her mind blank.

How...how could this Feng Tao's strength be so powerful?

Last time at the Huangtian Trading House, he took out so many Emperor Wu's inner pills at once to help him pay off a huge debt. He thought he was just lucky, but he turned out to be a hidden master.

At this moment, Hua Ling stared blankly at Yue Feng, her heart could not help beating faster.

Bang!

In less than half a minute, Yue Feng slapped Goldman Sachs with a palm, only to hear Goldman Sachs screaming out, staggering back, and finally slumped on the ground, extremely embarrassed.

What?

This... this kid beat Goldman Sachs?

In an instant, there was silence around the entire arena, and a drop of a needle could be heard clearly, and everyone was dumbfounded.

Where did this bloodstain mercenary team attract such a strong existence?

Chapter 2615

“You...!”

Goldman Sachs struggled to stand up, his eyes were blood red, he raised his finger and pointed at Yue Feng, his anger rose, but he only said one word, his eyes darkened and he passed out.

Yue Feng's inner strength is extremely strong, and it is simply not something that Goldman Sachs can stop.

Seeing this scene, everyone in the Tianlei mercenary group and Bai Hao's expressions changed, and they rushed over to lift Goldman down while shouting at Yue Feng.

“Stinky boy, do you know the rules? Who asked you to come up?”

“You are maliciously sabotaging the game.”

Bai Hao looked contemptuous as the crowd shouted: “Boy, the game between Goldman Sachs and Hua Ling has not yet been completed. It's over, what are you doing here? You Bloodthorn Mercenary Corps, don't you understand the rules at all?”

Rules?

Hearing this, Yue Feng smirked: “You tell me the rules? This arena was originally to elect the leader, but this Goldman Sachs, in front of everyone, was rude to our captain and even moved his hands and feet. “Yes .”

“You didn't step forward to stop one by one, and you used silence to help Zhou and abuse. You people are really ridiculous.” These

words were just words.

And when he said this, Yue Feng's eyes were like electricity, and he looked around coldly.

call!

Feeling the aura that filled Yue Feng's body, many people were shocked and closed their mouths one after another.

"Yue Feng!"

At this moment, looking at Yue Feng who was standing in front of her, Hua Ling was so moved that she said softly, "Thank you..."

Yue Feng smiled and said, "Go down and rest. I will help you. You are in the ring." The voice was not loud, but it was unquestionable!

Um!

Hua Ling bit her lip, hesitated, and finally nodded. Speaking of which, Yue Feng was not a member of their mercenary team, and was not obliged to help her in the ring, but the situation in front of her could not be admitted.

If everyone knew that Feng Tao was just her friend, not her teammate, it would be more troublesome.

"Boy!"

At this moment, Bai Hao looked at Yue Feng with a half-smile, and said coldly, "Since you want to continue to fight in the ring, well, we'll give you a chance to see how confident you are, so let's change the rules. , there is no limit to the number of players, how about it?"

Just now, Bai Hao, who was a little shocked by Yue Feng's strength, quickly calmed down.

This kid just wins by surprise, and Goldman Sachs underestimates the enemy. If he is a peerless powerhouse, how can he be an unknown member?

In any case, he must have an outlet when he beat his friend Goldman Sachs.

The voice fell, and many members of the Tianlei mercenary group echoed loudly.

"Yes, since you can fight like this, let's just have fun."

"Even Goldman Sachs has been defeated, so I'm sure we are not afraid of joining forces .

"

gloomy.

Like Bai Hao, they also believed that Yue Feng was just lucky to win Goldman Sachs.

“You guys...”

Seeing this scene, Hua Ling was furious: “You want to fight the wind and the waves with one wheel? Is there any reason for heaven?”

These people, talking about the rules, are actually the most unreasonable. A man of rules.

The more Hua Ling thought about it, the more excited she was, she was about to pull Yue Feng down from the stage. It would be boring to fight in such a ring, so she might as well give up.

However, at this moment, Yue Feng signaled to Hua Ling not to get excited.

Immediately afterwards, Yue Feng looked around and showed a smile. This group of people is really despicable enough, and they want more people to come on stage to challenge together.

The next second, Yue Feng asked Hua Ling to go down to rest, then looked around the audience and said, “You can fight whatever you want, anyway, I am the only one in our Bloodstab mercenary team. Anyone who wants to challenge, just come up. “The sound is not big, but it spreads throughout the valley, full of momentum.

Speaking of which, Yue Feng is not acting on his temper at this time, because Yue Feng found that these mercenary teams add up to a force that cannot be underestimated. , to check and balance Zhang Jiao.
