

The ultimate husband in Chinese chapter 2621-2630

Chapter 2621

Although the person in front of him is really strong, don't panic, after all, he still has a hole card to show.

Seeing this situation, everyone in Bai Hao below shouted and booed.

"Haha, this kid is scared."

"What if this kid defeated us? Didn't he get taught by Blue Rose in the end?"

"That is, a nameless soldier who still wants to be the leader of the alliance? What dreams do you have?" He

was defeated by Yue Feng before. Bai Hao and the others were full of resentment in their hearts, but when they saw Yue Feng's downfall, they didn't miss the opportunity to mock him.

These scumbags!

Listening to Bai Hao's belittling, Yue Feng didn't bother to pay attention and sneered silently!

In the next second, Yue Feng breathed a sigh of relief and looked at Ye Meng quietly: "Since you have to decide the winner, let's continue!"

Hearing this, Ye Meng did not hesitate, raised his jade hand, A powerful force swept away towards Yue Feng!

Ugh!

Yue Feng sighed, without hesitation, he moved his figure to meet him!

In a blink of an eye, more than ten minutes passed, and the two fought for more than a dozen rounds. It seemed that their strengths were comparable to each other, but in fact, Yue Feng and Bai Lian Leng Huo did not show off.

Yes, in order not to reveal his true identity, Yue Feng endured not to use this trump card.

"Miss Ye Meng, right?" Under the fierce battle, Yue Feng couldn't help but said: "What's the point of fighting like this? Why don't I admit defeat, you are the leader of the alliance." The

two were above the sky, Yue Feng Only the two of them could hear it.

“There’s no need for you to release water!” Ye Meng’s face was frosty, and she said coldly and tenderly, “I want to be the leader of the alliance, and I will defeat you with my strength. If I lose, my skills are not as good as others.”

In a few words, Ye Meng said decisively. .

Speaking of which, Ye Meng has liked to dance with guns and sticks since he was a child. Ten years ago, Yue Feng became famous in the Kyushu continent. He once participated in the martial arts competition in the Apocalypse continent. The audience was silent, and Kyushu was shocked. Ye Meng was still a little girl at that time. , I once saw Yue Feng’s performance in the finals, and I admired it at that time.

Since then, Ye Meng has adored Yue Feng and inspired to become a hero like Yue Feng. It can be said that Yue Feng is her only idol.

However, she didn’t know that the man she looked down on was the hero she had always admired.

All right!

Hearing this answer, Yue Feng smiled bitterly and nodded silently.

Seeing Yue Feng’s expression, he thought he was timid, Ye Meng knew that the opportunity was coming, and he shouted: “Boy, the game is over!”

Ouch!

In the next second, Ye Meng didn’t hesitate at all, his figure turned in mid-air, and he was astonished, holding the long sword tightly in his jade hand, and stabbed towards Yue Feng with a sword.

Kachacha...

This sword contains all of Ye Meng’s inner strength. As soon as the long sword passed, the snowflakes instantly turned into steam. Obviously, the cold air in it was evacuated, and all the cold air in the world merged here. In a sword.

And Ye Meng’s body was also covered with a layer of ice protection.

hiss!

Seeing this scene, everyone below was dumbfounded. It turned out that this was Ye Meng's last killer move.

At this moment, Hua Ling, who was under the stage, also trembled, and couldn't help exclaiming.

"Be careful... Fengtao!"

While shouting, Hua Ling bit her lip and wanted to rush to help, but she was helpless.
call!

The sword qi turned into a huge crescent moon shape, like a frost storm, and instantly arrived in front of Yue Feng!

Chapter 2622

At this time, Yue Feng's eyes flickered constantly. At this critical moment, countless ways to deal with it flashed in his mind, but in the end, he would give up.

Yes, with Yue Feng's strength, it is very easy to block this sword, but since then, his true strength cannot be hidden, and his identity will be exposed.

Thinking to himself, Yue Feng decided to give up resistance, but just raised his hand in front of him to form a protective film.

"Boom!..." In the

blink of an eye, the crescent-shaped sword shadow slashed on the protective film, and the protective film instantly collapsed, and Yue Feng also groaned, his body like a broken kite, far away. fly away.

Pfft!

At this moment, Yue Feng's figure flew out of the ring, and finally fell to the ground, his face was pale and very weak.

At this time, Yue Feng was very helpless.

Mad, who thought he could easily be the leader of the mercenary world, did not expect a blue rose halfway through. That's all, this alliance leader, he still won't grab it.

Whoa!

Seeing this scene, the audience was boiling!

This Ye Meng, as expected of the blue rose of the mercenary world, is really strong.

Hua Ling, who was standing there, had a delicate face, but she felt a little regretful. She thought that this wind wave could seize the position of the leader of the alliance, so that her blood stab mercenary team would be able to make a name for herself.

Unexpectedly, he still lost to Ye Meng in the end. But it's no wonder that Ye Meng's strength is too strong.

"Fengtao..."

With emotion, Hua Ling walked over quickly and took Yue Feng's arm, her eyes full of worry: "How are you? Are you alright?"

Although he lost, he also helped himself to resolve the crisis, so I should thank him no matter what.

Yue Feng shook his head and smiled, indicating that he was fine.

call!

Afterwards, Yue Feng breathed a sigh of relief and looked at Ye Meng in midair, his eyes flickering faintly.

The next second, Yue Feng said to Hua Ling: "The game is over, I have to leave."

"I'll give you a ride." Hua Ling bit her lip and said, and then left the valley with Yue Feng.

At this time, there was still a heated discussion in the audience, and they didn't pay attention to Yue Feng's departure. All eyes were on Ye Meng.

Especially Bai Hao and the others, all praised Ye Meng to please. After all, Ye Meng was going to be the leader of the alliance, and he had to perform well.

"Blue roses are amazing!"

"What blue roses, now you are the leader of the alliance..."

"Yes, the leader of the alliance..."

Listening to the cheers of the crowd to please, Ye Meng showed a smile, and her figure gracefully landed slowly.

Falling on the stage, Ye Meng smiled at Yang Hong: "If no one continues to challenge, you can announce the result of the competition." The

voice was not loud, but there was an unquestionable aura.

call!

Yang Hong nodded, then walked out slowly, and looked around the audience: “Ye Meng, the head of the rose group, is extremely powerful, and his skills are overwhelming. From now on, he is the leader of our mercenary alliance.”

After speaking, Yang Hong bowed deeply to Ye Meng . With a bow, “See the leader!”

“See the leader.”

In an instant, a large area of kneeling knelt around the arena.

Seeing this scene, a smile appeared on the corner of Ye Meng’s mouth, and he was about to raise his hand to signal everyone to get up, but at this moment, when he saw the position of the skirt on his left side, his body trembled.

Ye Meng could clearly see that there was a burning palm print on the left skirt, which was obviously the trace of the wind blowing just now.

Just... how is this possible?

He motivated the Jiuyou Ice Vessel Art to protect the body, and even the clothes were protected. In the world, there is no power that can be broken open, unless it is the world’s first strange fire, Bailian Lenghuo, who has this strength.

Wait... Bailian cold fire?

Could it be that the person just now....

Ye Meng only felt that his legs were softening, staring at the palm print on the skirt, unable to say a word for a long time!

“That kid just now... no, where’s the one named Feng Tao just now!?” Finally, Ye Meng reacted, stomped her feet anxiously, and looked around, where is Yue Feng’s figure?

“Looks like he’s gone..”

Chapter 2623

“Haha, that kid just now, although his strength is good, he is not the leader of the leader’s defeat in the end?”

“That is, what is the leader looking for for such a nameless person?”

Everyone in the audience erupted into a heated discussion. , each with disdain on his face.

Ye Meng bit her lip tightly and walked down the ring quickly, her beautiful face was very anxious and complicated, no matter what today, she must find him! It turned out that this person can be Bailian Lenghuo, and he must be his idol Yue Feng. You must know that in the world, only Yue Feng has integrated Bailian Lenghuo.

At this time, Ye Meng's heart was trembling. If it was really Yue Feng, he must have let him go just now. Moreover, this is the peerless hero he admires, but he calls him a kid...

Ye Meng guessed right, just now Yue Meng Feng really let her go. At the moment of the final confrontation, Yue Feng thought about using Bailian Cold Fire, but he had already motivated it at that time, but he still gave up.

Otherwise, Ye Meng would have been seriously injured in a coma at this time.

"Get out of the way, get out of the way..." The more Ye Meng thought about it, the more anxious he became, pushing the crowd away and chasing in the direction Yue Feng left.

This....

seeing this scene, everyone present was stunned, and then they all followed up subconsciously.

At this moment.

On the road a few miles away from the valley.

"Fengtao."

Hua Ling and Yue Feng walked side by side, thinking of the scene just now, they were still very grateful: "Thank you, you just stood up for me. But you should be careful, the Tianlei mercenary group is not easy to mess with, you will be careful with them in the future. revenge."

Saying that, Hua Ling showed a bit of admiration on her face: "I really didn't expect that you were so strong that you could easily defeat Goldman Sachs, and you were able to fight Ye Meng for so long. To be honest, who is your master?"

Master ? ?

Hearing this, Yue Feng's eyes flashed with a hint of sadness, and he said with a smile: "My master is no longer in this world."

In this world, the master Yue Feng really worships, except for the sword demon Nangong Jue, is Guiguzi. It's a pity, One of the two died tragically, the other soared, and they are no longer in the world.

"I'm sorry!"

Hua Ling was a smart woman. When she heard this, she felt a little ashamed, and said embarrassedly, "I mentioned your sadness."

Yue Feng smiled and shook his head, just as he was about to speak, suddenly, a voice behind him said Come.

"You two, please stay!" The voice was sweet and melodious, showing a bit of excitement.

Yue Feng looked back subconsciously, frowning secretly.

Hua Ling was even more shocked.

I saw a slender figure not far away, chasing quickly all the way, dripping with sweat, it was Ye Meng!

And behind her, there are people from major mercenary teams.

what's the situation?

Hua Ling was inexplicably nervous. Did they know that Feng Tao was not one of their team members and was here to make trouble?

On the other hand, Yue Feng calmed down a bit, calmed down quickly, and quietly watched them approach.

When he got to the front, Ye Meng bit his lip lightly: "Then...that, Your Excellency is extremely powerful. It's because I have eyes and don't know Mount Tai. I was offended just now."

Ye Meng stared at Yue Feng tightly, his tone was a little bit Trembling: "Excuse me, are you Sect Master Yue?"

At this time, Ye Meng was unspeakably uneasy, and it was hard to imagine that a goddess who was revered by everyone in the mercenary world was as prudent as a little girl who did something wrong.

It's broken, and the identity is still exposed.

Yue Feng was taken aback secretly, and for a while he didn't know how to deal with it. He knew that he shouldn't have hesitated at the time, and just admitted defeat.

"Pfft!"

Ye Meng was a smart woman. Seeing the change in Yue Feng's expression, she was instantly certain that the person in front of her was Yue Feng. Her legs were weak and she knelt directly on the ground.

"Did you know? The person I admire most is you..." Ye Meng was incoherent, her delicate body trembling.

This is your idol, can you not be excited?

What?

At this moment, everyone present was dumbfounded and opened their mouths wide!

Total shock!

An aloof iceberg goddess, at this moment, kneeled down to a nameless soldier, and was excited like a child!

This... what's the situation? !

Hua Ling's body trembled, she stared blankly at Yue Feng, speechless.

Chapter 2624

"Miss Ye, what's the matter? Why did you accidentally sprain your foot?" Yue Feng responded quickly and lifted Ye Meng up with a smile, and at the same time, he blinked at her secretly.

Ye Meng Bingxue is smart, and when she sees Yue Feng like this, she immediately understands. He definitely didn't want to reveal his identity.

"I was not careful..." Ye Meng bit her lip lightly and let out a long sigh of relief: "I'm sorry, I made you laugh."

"Hu..."

Hearing this, everyone present was secretly relieved.

It turned out to be accidentally kneeling down. I thought this kid was a big man who could not hide it.

Thinking about it carefully, a kid who just joined the Bloodthorn mercenary team, even if he is strong, is just a nameless person, how can he know that he is favored by Blue Rose.

Moreover, the two had just fought in the arena.

“The leader of the alliance definitely wants to discuss cultivation with this person. Although this kid is unknown, his strength is really good.” It wasn’t just anyone in the crowd.

Hearing this, everyone’s eyes suddenly converged on Yue Feng, and there were many discussions.

“This kid is just lucky.”

“That’s right, he was able to win Goldman Sachs just by coincidence...”

“The leader was just curious, so he took the initiative to find him. After waiting for the novelty, he probably wouldn’t even look at him. .” When the

discussion came, almost everyone despised Yue Feng from the bottom of their hearts, in their hearts, Yue Feng was a nobody, and it was impossible for him to have a relationship with Ye Meng.

However, they didn’t know that the man in front of them was Ye Meng’s idol, the famous Tianmen Sect Master.

“You all shut up.”

At this moment, Ye Meng couldn’t listen anymore, frowned, looked around and said coldly: “Who asked you to follow, I asked this person something, what are you talking about? Hurry up.

” Ye Meng wanted to tell Bai Hao and the others that the unknown person you mocked was Yue Feng, the famous Tianmen sect master, but he held back when he thought of Yue Feng’s hint.

Uh...

Seeing the anger of the leader, Bai Hao and the others looked embarrassed, and quickly closed their mouths, then left silently.

Hua Ling, who was on the side, also reacted at this time, feeling inexplicably nervous, thinking that Ye Meng was going to be bad for Yue Feng.

“Ye Meng, the game is over, what else do you want to do?” Hua Ling couldn’t help but said.

Ye Meng was stunned for a while, because he didn’t know the relationship between Hua Ling and Yue Feng, so he didn’t know how to respond.

“It’s alright.”

Yue Feng smiled slightly, and comforted Hua Ling: “You go first, I’ll talk to this girl Ye, don’t worry about me, it’ll be fine.”

Seriously, Yue Feng I don’t know Ye Meng very well, and there is nothing to say at all, but the other party recognized her identity and could not dismiss her lightly, otherwise, if Ye Meng said it, her whereabouts would be exposed.

Seeing what he said, Hua Ling was no longer worried, nodded and turned to leave.

“Sect Master Yue!”

As soon as he left, Ye Meng couldn’t hide his excitement, and said to Yue Feng, “I finally see you again... Do you know? I adore you so much...”

When he said this, Ye Meng looked excited and cheered.

Yue Feng smiled: “Thank you for not asking me about it just now...”

Before he could finish speaking, Ye Meng dreamed of something and interrupted: “Why do you want to hide your identity? By the way, I remembered it. Recently, people have been inquiring about your news on the rivers and lakes. It seems to be a Wutian organization.

”, Ye Meng looked very urgent: “Sect Master Yue, are you in trouble? Do you need my help? I will definitely help you.”

Wutian Organization.

Hearing this, Zhang Jiao’s image suddenly appeared in Yue Feng’s mind, and his anger was indescribable. Mad, this despicable villain, knew that he was so insidious and should have killed him three years ago.

Thinking of this, Yue Feng smiled and shook his head: “No need, I can handle it myself. Congratulations on becoming the leader of the alliance, I still have something to do and I have to go.”

Ye Meng suddenly became anxious: “You won’t go alone. Let’s deal with the Wutian Organization? I heard that they are very powerful.”

Saying that, what Ye Meng dreamed about, and Jumei's face showed a bit of solemnity, and continued: "By the way, in this area of Heishui Town, the Wutian Organization A lot of people have been sent secretly, and if you are discovered, your whereabouts will be revealed."

Chapter 2625

Mad.

Hearing this, Yue Feng scolded secretly, this Zhang Jiao, in order to deal with himself, really used any means.

Did something else happen during the two days that you were taken to Shenlong Island?

Seeing that Yue Feng was silent, Ye Meng said quickly: "How about this, let's go around Heishui Town and go back to Qingyunzong together, Qingyunzong is located in the southwest of Heishui Town, not very far, and also, if my father would I must be very happy to know that you are here."

"My father is the head of the Qingyun Sect. When the time comes, I can send a disciple to help you investigate the news..."

When he said this, Ye Meng's eyes were full of anticipation.

Yue Feng thought for a while, then nodded and said, "Well, I'll interrupt you rashly. I hope your father doesn't take offense." To

be honest, Yue Feng didn't want to go to Qingyun Sect with Ye Meng, but if he didn't go, it would be difficult to investigate by himself. A message to the ungodly organization.

Great!

Seeing Yue Feng's promise, Ye Meng cheered and couldn't be more excited.

Half an hour later, Ye Meng took Yue Feng and returned to Qingyunzong Mountain Gate.

At this moment.

Outside the gate of the Furong Club, a car came quickly. After stopping at the gate, Yue Feng quickly got out of the car.

"Wait a minute, I'll go and invite my father out."

Ye Meng said with a smile in the rest hall at the back, and couldn't wait to go to the back.

call!

Yue Feng took a deep breath, looked around the magnificent hall, and just found a chair and sat down.

"Hey!" At this moment, a Qingyunzong disciple came over and looked at Yue Feng up and down: "Are you Senior Sister Ye Meng, a member of the mercenary group?"

Yue Feng was stunned, then nodded with a smile: "Yes!"

Although he has already come to Qingyunzong, Yue Feng still doesn't want to be too public. He thinks it's better to keep a low profile, so he doesn't reveal his identity. Since the other party thinks that he is Ye Meng's teammate, just let him be.

"Haha!"

Hearing the answer, the disciple sneered: "The people on the rivers and lakes are really becoming more and more unruly. Although you are a member of Senior Sister's mercenary group, this is the Qingyun Sect, and this chair is something you can do. Is it right?"

"Just wait outside if you have something to do, understand?"

When he said this, the disciple looked arrogant and looked at Yue Feng with impatient eyes.

Although Qingyunzong is not famous in Kyushu, it is also a famous and authentic sect that has been passed down for more than a thousand years. It is not anyone who wants to come in.

The boy in front of him, who was lucky enough to join the mercenary group of the senior sister, is already considered by his ancestors to burn high incense, and he even dares to sit in the living room, does he really regard himself as a character?

Yue Feng frowned, glanced at her, and said with a smile, "It's you, Senior Sister Ye Meng, who asked me to wait here."

The disciple was stunned for a moment, and was about to speak.

"What's the noise?"

At this moment, a sexy and charming figure walked in slowly, wearing a long green dress, a beautiful alchemy, and a graceful and tight figure, indescribably charming.

It is the wife of the head of Qingyunzong, Xie Cai.

“Miss, this kid is a member of the senior sister’s mercenary group, and he has no rules at all. He is sitting in the living room, and I am driving him out.” The disciple spoke quickly.

Um?

Hearing this, Xie Cai looked up and down at Yue Feng, her face couldn’t hide her contempt: “This girl Ye Meng is becoming more and more unruly. What kind of mercenary group is set up outside? Bringing people to the mountain gate doesn’t look like a daughter’s family, and it really loses the face of Qingyunzong.”

Said, Xie Cai said coldly to Yue Feng: “Get out.”

Ye Meng is the adopted daughter of the head of Qingyunzong. It’s not his own life. As an adoptive mother, Xie Cai has always disliked Ye Meng. It’s just that the head of the family is very fond of Ye Meng. to trouble her.

Seeing Ye Meng at this time, he brought back the people from the mercenary team and arranged them in the living room, and he was immediately angry.

The ultimate husband in Chinese chapter 2626-2630

Chapter 2626

Nima!

At this moment, Yue Feng was a little dumbfounded, and at the same time was a little angry.

Qingyunzong is also considered to be a famous sect, why is this lady in charge of talking so mean? It seems that the world is huge, and there are people everywhere who look down on people.

Thinking to himself, Yue Feng took a deep breath and smiled at Xie Cai: “You are the wife of the head, I have already told him about it, it was Ye Meng who asked me to wait here...”

On the way here , Ye Meng told himself that Qingyunzong was very hospitable, but he never thought that he had hit a soft nail when he first came. This disciple doesn’t know him, so it’s fine if he speaks rudely. The lady in front of him is actually so powerful.

This thing is done. At this moment, Xie Cai was stunned for a moment, followed by a sneer: “Good boy, do you think Ye Meng’s words are a

possession? Tell you, this is the Qingyun Sect, if you don't go out, I will blast you down the mountain!"

Dressed up in poverty, still want to sit in the living room? There really is no self-awareness.

Yue Feng was too lazy to talk nonsense, and turned to leave. Anyway, they don't have much friendship with Qingyunzong, and they don't need much help at all.

At this moment, Ye Meng came back, and when she saw the scene in front of her, she frowned and asked Yue Feng, "What's wrong?"

Yue Feng smiled and said nothing.

"Ye Meng!"

Xie Cai shouted at Ye Meng with a look of disgust: "As the senior sister of Qingyunzong, do you have any restraint in a girl's family? It's okay to set up a mercenary group outside, and now you still have it. The team members brought them back to the mountain gate and arranged them in the living room. What do you think of this place? Do you still understand the rules?"

"What happened when I brought someone back? Who have I lost?" Ye Meng said angrily, with a bit of displeasure on her delicate face.

Seeing this scene, Yue Feng smiled bitterly, and it could be seen that the relationship between mother and daughter was not very harmonious.

"Oops?"

Xie Cai couldn't do it, pointed at Ye Meng and said, "You are getting more and more courageous, and you still talk back when you do something wrong?!"

Ye Meng didn't give in at all: "What did I do wrong?"

Phew!

Xie Caiqi's delicate body trembled, stomped her feet, pointed at Yue Feng: "You brought this so-called team member to the Shanmen meeting room, you are wrong, what is this place, the head of Qingyunzong receives distinguished guests Place, look at this person you brought back, is he a distinguished guest? At most, he is a gangster..."

"You..." Ye Meng's face flushed, and he was speechless for a while.

This is her idol, the famous Tianmen Sect Master in Kyushu, but she was called a gangster?

The next second, Ye Meng restrained his emotions, showed a smile, and said slowly: "Who told you that he is not a distinguished guest? You are still the wife of the head, and you don't even know the big man in front of you.

" Yue Feng's side, his tone was extremely respectful: "I tell you, this is the hero who led the Kyushu continent to defeat the Rakshasa clan three years ago, and finally forced the Rakshasa clan to negotiate peace, the Tianmen Sect Master Yue Feng."

What?

Hearing this, both Xie Cai and the surrounding disciples were all dumbfounded.

This... is this person Yue Feng?

This is impossible, Yue Feng has been missing for so long, how can he appear here, and he also agreed to Ye Meng's invitation to come to Qingyunzong as a guest?

Seeing their expressions, Yue Feng knew that he couldn't hide it, so he simply took out the golden mask that symbolized his identity.

Immediately, Yue Feng smiled at Xie Cai and said, "Yes, I am Yue Feng, and I rashly visited, and please don't blame the lady in charge."

This... it was really him.

Seeing the golden mask on Yue Feng's face, Xie Cai's body trembled, her legs were soft, and she could hardly stand still. As the wife of the head of the Qingyun Sect, Xie Cai certainly knew about Yue Feng's golden mask, but this one, with exquisite workmanship, could never be wrong.

This person is Yue Feng.

At this moment, the entire hall was silent.

After more than ten seconds, Xie Cai reacted and smiled awkwardly at Yue Feng: "That.... It was a misunderstanding just now, which made Sect Master Yue laugh."

When saying this, Xie Cai looked at Ye Ye in a complicated way. Dreaming of a glance, this dead girl is so lucky that she can really invite a character like Yue Feng to come to Qingyunzong as a guest.

You must know that Yue Feng is a famous person in Kyushu. If he can come, Qingyunzong can be said to be full of glory. At that time, the husband will dote on this dead girl even more.

At this time, Ye Meng asked Xie Cai, "Where is my father?"

Chapter 2627

Just now, Ye Meng looked around and didn't see the shadow of his father, so he returned and saw his adoptive mother and a few disciples, who made unkind words to Yue Feng.

"He has something to go out, and he will come back before dark." Xie Cai replied softly, at this time, the lofty attitude he had before was gone.

Ye Meng was too lazy to leave her, and smiled at Yue Feng: "I'll arrange a room for you first."

After saying that, he called Yue Feng out of the living room.

To be honest, Xie Cai's attitude towards Yue Feng just now made Ye Meng very angry. At this time, she really wanted to embarrass her, but she thought that Xie Cai was her adoptive mother after all, so forget it.

A few minutes later, Ye Meng arranged a room for Yue Feng to rest.

Pfft!

As soon as he entered the room, Ye Meng bit his lip, bent his knees, and knelt down towards Yue Feng.

Yue Feng was startled, what the fuck is this for?

At the same time, from Yue Feng's point of view, he also happened to see Ye Meng's figure. This Ye Meng's figure is simply perfect! There is no trace of fat on the body, it is simply too hot.

While admiring, Yue Feng supported Ye Meng with both hands, and asked with a smile: "Miss Ye, what are you doing? What happened just now is that the lady in charge doesn't know who I am, it's not surprising that I don't know, you are with you. It doesn't matter, you don't need to blame yourself so much."

Yue Feng thought that Ye Meng was apologizing for what happened just now.

"Sect Master Yue."

Ye Meng didn't stand up, but bit her lip, her beautiful face full of determination: "Can I worship you as my teacher? Seriously, many years ago, I dreamed that you could Be my master..."

What the hell, worship me as a teacher?

Yue Feng was stunned for a moment, then smiled bitterly: "I can't protect myself now, how can I have time to accept apprentices."

Ye Meng was in a hurry and walked to Yue Feng on his knees, pulling his sleeves: "Really, Sect Master Yue , I really want to apprentice, you promise."

At this time, Ye Meng, in front of Yue Feng, was indescribably well-behaved, and the arrogant and cold look in front of Bai Hao and others before, formed a clear distinction. comparison.

"This..." Yue Feng scratched his head, very hesitant.

"Master, please, accept me..." Ye Meng knelt on the ground and bowed slightly, with a sincere face.

"You..."

Feeling Ye Meng's sincerity, Yue Feng's face was full of helplessness. If she didn't agree, I was afraid that she would keep pestering her, so she nodded and said, "Okay, I agree, get up.

" Really, Yue Feng didn't think about accepting an apprentice, but this Ye Meng's aptitude is really good, especially in the previous arena, it was really rare to be able to force his own white lotus out.

Great!

Seeing that Yue Feng finally agreed, Ye Meng couldn't be more happy, she jumped up and kissed Yue Feng's face lightly.

"Thank you, Master, I knew that Master would definitely agree, hee hee..."

Om...

At this moment, Yue Feng was completely blinded, I'll go, this apprentice has a cold face, he didn't expect to be so unrestrained .

At this time, Yue Feng was very emotional.

I thought that today, I could stop the leader of the mercenary world, but I didn't expect that I would become the master of the leader in the end.

But...it seems not bad to have such a beautiful apprentice!

.....

the other side!

In the Yellow Sea Continent, in a steep and unnamed valley.

Mei Hui didn't know how long she had been in a coma, but in a daze, she felt a light tap on her shoulder.

Meihui slowly opened her eyes and saw herself lying at the entrance of a cave, with a person standing quietly in front of her, watching her quietly.

The man was about thirty years old, with a cold, knife-like face, without the slightest expression.

Chapter 2628

Om!

In an instant, Meihui became alert, her delicate body trembled, and she sat up all of a sudden.

"You... who are you?" Mei Hui asked in a panic.

I only remember that when I was caught by the white horse and was about to be humiliated, a very fierce and ugly man suddenly came, and I didn't know anything after that.

What happened after you fell into a coma? Who is this person in front of me?

What about that ugly middle-aged man?

Seeing Meihui's puzzled look, the man smiled slightly and said, "I've only been in a coma for a day, and I don't know my savior?"

Meihui frowned, and this voice was the voice of that ugly man...

not bad , This man is Fang Qifo.

What's the situation?

At this moment, the man turned around, facing Meihui, silently reciting a serial formula. After a few seconds, when he turned around again, his cold face became extremely ugly.

Meihui looked dumbfounded and stared at Fang Qifo: "You...what kind of method are you doing?"

Fang Qifu looked at Meihui and said lightly, "Don't make a fuss, this is my way of disguising."

Saying that, Fang Qifo's eyes showed a bit of seriousness: "Girl, what's your name? Where are you from?"

After saving Meihui, she was in a coma, so until this time, Fang Qifo didn't know her identity.

"I..."

Meihui bit her lip and said softly, "My name is Ouyang Meihui, I'm from the Ouyang family, I..." As she was talking, she thought that all the relatives of the Ouyang family were caught by Zhang Jiao, while Dasheng Sun and Ren Yingying were all caught by Zhang Jiao. Waiting for others, and I don't know where to go, I was suddenly sad, and tears flowed down.

The Ouyang family?

Fang Qifo was stunned for a moment, very surprised: "It turned out to be from a famous family."

Seeing that he knew about the Ouyang family, Meihui calmed down and asked a little excitedly: "Master, can you help me find my family? Me and them Lost, woohoo..."

Phew!

Fang Qifo took a deep breath and his expression became complicated: "This.... I was shopping in a nearby town half a day ago. I heard that the Wutian Organization has sent a lot of people to arrest the Ouyang family and Sun Dasheng, according to the gossip. , their situation does not seem optimistic."

What?

Hearing this, Meihui's delicate body trembled, and her delicate face was full of resentment.

Zhang Jiao, this bad guy, is too hateful. Not only does he want to harm the big brother, but he also has to deal with everyone related to Yue Feng at this time, especially when

he thinks of Sun Dasheng and others, who have been killed by Zhang Jiao and lost their internal strength and cultivation base, and Meihui is even more resentful. .

The more she thought about it, the more resentful she became, she stood up and rushed into the distance.

“What are you doing?” Fang Qifo shouted from behind.

Meihui stopped and looked back at Fang Qifo: “I want to avenge everyone. Get rid of the wicked Zhang Jiao.”

Hearing this, Fang Qifo was stunned for a moment, then couldn't help laughing: “Miss Ouyang, just With your little strength, even if you meet Zhang Jiao, you will die in vain.”

At

this moment, Mei Hui's face flushed, and she was embarrassed beyond words.

Fang Qifo is right, his strength is too low, I'm afraid even the elite disciples of Wutian Organization can't beat him, how can he eradicate Zhang Jiao?

For a time, Mei Hui stood there, a little overwhelmed.

After seeing Fang Qifo, Meihui's eyes flashed, and she knelt down to him: “Master, please accept me as your disciple, teach me my practice, and wish me revenge.”

This man can easily defeat the white horse and save himself He came out, but there was no rumor of him in the rivers and lakes. He is definitely a reclusive master. As long as he learns and cultivates with him, there will definitely be a way to deal with Zhang Jiao.

Chapter 2629

This....

Fang Qifo was stunned, and looked at Meihui quietly, after a few seconds, he took a deep breath and said, “Sorry, I never accept apprentices.”

Meihui suddenly became anxious: “Please You accept me as your disciple, or I will never get up.”

Hearing this, Fang Qifo's face did not fluctuate at all, and said lightly, “As you are!” After speaking, he turned and walked to the entrance of the cave to lie down, and soon fell asleep.

Is this guy cold-blooded?

Seeing this scene, Meihui was a little desperate, but she continued to kneel there with gritted teeth. Speaking of which, although Meihui was the young lady of the Ouyang family, she had a very tough personality, and she would never give up easily. .

Time passed by and it was getting dark.

Fang Qifo slept for a few hours, sat up and looked at it, and was stunned.

I saw Mei Hui still kneeling in the same place, her delicate body was swaying, and she was going to faint at any time. She had been in a coma before, and she knelt for several hours without eating or drinking after waking up. No one could stand it. .

Really stubborn personality.

Fang Qifo sighed in his heart, walked slowly to Mei Hui, and said word by word, "Do you really want to worship me as a teacher?"

Mei Hui was about to faint when she heard Fang Qifo's words, she suddenly became energetic and determined. Nodding: "Yes, I beg Master to accept me as a disciple."

Fang Qifo looked at Meihui and nodded slowly: "I didn't expect you, a girl, to have such great perseverance. Well, I promise you.

" Then, Fang Qifo helped Meihui to stand up and went back to the cave to rest.

"Since you've become my disciple, then I'll tell you my rules." Fang Qifo said with a serious face, and said to Meihui, "The exercises I practice have no sect or sect, but there is a saying, called "Thousand-faced person!"

"Thousand-faced person must help the weak, and don't be greedy for fame and fortune."

"Thousand-faced person is a single lineage, this is the rule, my master is only my apprentice, and I only accept you. One, so, you have no brothers and sisters, and one day your teacher dies, you are the only Thousand-faced person in the world, and you have to find a suitable person to pass on the Thousand-faced Person."

Thousand-faced person?

Hearing this title, Meihui's beautiful face was full of surprise.

What a strange name, and I have never heard of it myself.

Seeing the change in Meihui's expression, Fang Qifo took a deep breath and slowly explained the origin of the Thousand Faces.

It turns out that the Thousand-faced Man has been passed down for more than two thousand years. The founder of the Thousand-faced Man was originally a slutty disciple of an aristocratic family. He often used his power to bully others. Living in the rivers and lakes, suffering from the warmth and coldness of the world.

Speaking of this, Fang Qifo's eyes flickered and he said slowly: "Later, the founder was murdered by a bunch of wicked people and fell into the abyss. He was sure to die, but a year later, he appeared on the rivers and lakes again, not only The broken leg is healed, and he created his own 'Wuxiang Qianmian' exercise, calling himself a thousand-faced person."

"Because of the great wealth, the dangers of the rivers and lakes, and the ugliness of human nature, this founding ancestor set the rules, As long as you become a thousand-faced person, you must hoe the strong and help the weak, and you should not be greedy for fame and fortune."

"More importantly, the thousand-faced person must remain mysterious, and no one on the rivers and lakes can know our existence, even if it is a relative. Not even friends, or a great calamity will come, understand?"

When he said the last sentence, Fang Qifo was extremely serious, his voice was not loud, but he couldn't doubt it.

call!

Meihui took a deep breath and nodded quickly: "I know Master."

After that, Meihui said a little excitedly: "Master, after you teach me the practice, can you help me kill Zhang Jiao?"

Hearing this, Fang Qifo I couldn't help laughing: "Zhang Jiao is very strong, even if you learn all my skills, we will not be able to beat him together."

Ah?

Meihui looked disappointed, so what's the use of being a teacher?

At this moment, Fang Qifo continued: "You must know that we, the Thousand Faces, do not rely on our powerful cultivation strength to eradicate the wicked, but rely on the means of 'Wuxiang Qianmian'."

Mei Hui was stunned for a while, A thousand faces? Is it the disguising method that Master used just now? It's just a disguise, how can you deal with evil people?

Chapter 2630

Seeing Meihui's expression, Fang Qifo showed a confident smile: "Don't underestimate this 'without appearance and thousands of faces', it can not only change the appearance, but also the voice."

Change the voice?

Hearing these words, Mei Hui was stunned!

At this time, Fang Qifo did not hesitate, urging Wuxiang in front of him to transform into Meihui, and said, "Do you believe it now?"

When he said this, Fang Qifo's appearance was almost exactly the same as Meihui. Even the sound is vivid.

It is the essence of 'no phase, thousands of faces'.

hiss!

At this moment, seeing the master turned into himself, and the voices are exactly the same, Mei Hui's body is shocked, and the whole person is stunned!

This.... this faceless face, it's amazing!

If you use Wuxiangqianmian and change into someone close to Zhang Jiao, wouldn't it be easy to deal with him? Who would have thought that he was a relative by his side and someone else pretended to be?

Finally, Meihui reacted and couldn't hide her excitement. She smiled at Fang Qifo and said, "Master, you are amazing, I want to learn..."

Fang Qifo smiled and said seriously, "You must be thinking, This Wuxiang Qianmian, after learning it, can change into someone else's appearance at will, but as a teacher, I want to tell you that every time you use Wuxiang Qianmian, you have to pay a lot of price."

"This skill consumes the most internal energy and uses it. Once, it will cost you a month of cultivation, so remember, don't use it at will, understand?"

What?

Hearing this, Meihui was stunned for a moment. It took a month to practice once in actual combat? The price is really big.

But after thinking about it, if the price is not too big, if you can cast it at will, wouldn't it be invincible?

Next, Fang Qifo explained a few more words, and then began to teach the formula of Meihui Wuxiang Qianmian. Meihui is smart, she learns very seriously, and keeps the formulas in her heart.

A few hours passed and the sky was bright.

“You have a good time here, get some food for the teacher, and then inquire about the situation outside.” Fang Qifo stood up and said to Meihui, his eyes full of admiration.

This apprentice is extremely talented and can perfectly inherit the mission of the Thousand Faces.

Um!

Meihui nodded obediently, sat cross-legged, and began to comprehend.

Half an hour later, Fang Qifo brought back some delicious breakfasts. Speaking of which, Fang Qifo had always been alone, but suddenly there was a female apprentice, who naturally took care of him in every possible way.

However, Meihui was not in a hurry to eat, and her mind was on the exercises.

“Master, I realized it again, I’ll give it a try.” Meihui said excitedly.

“Good! Good!” Fang Qifo smiled and said, “Let Master take a look.”

Meihui nodded, began to recite the formula, and then activated her internal strength. Suddenly, she felt a special feeling on her face, and then her skin and facial features, Changes have taken place slowly.

After more than ten seconds, Meihui looked at Fang Qifo with a full smile: “Master, how is it?”

Haha...

Fang Qifo was very happy, laughed and praised: “I didn’t expect that your comprehension ability is so high, Not bad..”

I saw that Meihui at this time, a face changed to the appearance of Fang Qifo, but the voice did not imitate it, but it is very rare to have such an effect just after cultivating Wuxiang Qianmian. .

Fang Qifo clearly remembered that when he first learned, it took half a month to change his appearance, and the apprentice in front of him only took more than an hour, which was incredible.

Mei Hui also had a look of joy when she was praised by her master.

“Master, have you found any news?” Mei Hui asked impatiently.
