

The ultimate husband in Chinese chapter 2631-2640

Chapter 2631 I

got a blessing in disguise and worshipped a good master, but Sun Dasheng and Ren Yingying have no inner strength, and they don't know what happened.

Fang Qifo smiled and said, "I heard that Sun Dasheng and others were rescued by Qin Sheng. As for Zhang Jiao, he just secretly invited some sect leaders in Kyushu. I don't know what to do."

"This bad guy . , there will definitely be no good things." Mei Hui clenched her pink fist and said angrily.

Fang Qifo thought for a while: "On the way back just now, I saw the head of the Snow Mountain Sect in the Southern Cloud Continent. He should have been invited by Zhang Jiao. Let's eat first, try to catch him, and then pretend to be his. Look, go to see Zhang Jiao..."

This... seems a bit risky.

Hearing this, Mei Hui's body trembled a little, and she pretended to be a guest to see Zhang Jiao. You know, Zhang Jiao is not only cunning, but also very powerful.

However, seeing Fang Qifo's confident face, Mei Hui still nodded.

Soon, after eating, the master and the apprentice set off on their way.

As Fang Qifo said, he really met the head of the Snow Mountain Sect on the way. Fang Qifo did not hesitate at that time. After subduing, he got the invitation letter, and he showed his faceless face and became the head of the Snow Mountain Sect. look.

Mei Hui also slightly changed her appearance.

Afterwards, the master and the apprentice rushed towards the general altar of the Wutian Organization.

Along the way, Mei Hui felt very uneasy, but when she saw Master following by her side, she regained her courage.

After several hours of traveling, we finally arrived at the foot of Taiyin Mountain.

call!

At this moment, looking at the place where she was trapped, Meihui's heart was complicated, but her eyes were extremely firm.

This chapter is provided by . Visit for daily update.

At this moment, at the gate of the Wutian Organization's main altar, Zhang Jiao's two apprentices, Shen Fei and Su Li, were welcoming the distinguished guests. The handsome men and beautiful women were very eye-catching.

Fang Qifo walked over with Meihui and handed over the invitation letter. Everything went smoothly. I have to say that Fang Qifo's faceless face is really a magical skill, and his demeanor is the same as the real head of the Snow Mountain Sect. , no one in the room doubted.

Seeing this scene, Mei Hui felt more relieved, but she couldn't help looking at Su Li.

Meihui could not forget how vicious Zhang Jiao, a female disciple, was under her beautiful appearance.

It was at her suggestion that Zhang Jiao arrested Zhu Bajie again, and it was she who had brought people to the cell again and again to humiliate herself and Sun Dasheng and others.

The humiliation she suffered during the days she was locked in the cell will never be forgotten in her life.

Meihui knew that she was pretending to be a disciple of the head of the Snow Mountain Sect, but seeing Su Li as a woman, she couldn't help but feel the hatred in her heart.

You hurt me and my brothers and sisters, scattered and separated, and I will definitely make you pay the price.

Thinking to herself, Meihui clenched her fists secretly.

Seeing Meihui's gaze, who has been scrutinizing herself, Su Li was very surprised.

What happened to this Snow Mountain Sect disciple?

At this time, Su Li didn't realize that the girl in front of her was the lady of the Ouyang family who was pursued by the Wutian Organization.

"Head of the Snow Mountain Sect?"

Su Li smiled at Fang Qifo and asked, "Do you know me, this apprentice?"

Fang Qifo's brows moved, knowing that his apprentice couldn't hold back his emotions, so he How would you like to explain.

"do not know!"

At this moment, Meihui reacted and showed a charming smile: "I just think my sister is very good-looking and very close to people."

When saying this, Meihui made a very well-behaved look.

Although your identity will not be exposed, you must also restrain your emotions.

Chapter 2632

"I'm very good at talking." Su Li was in a good mood, and made a gesture of invitation: "Master is in the main hall, and has been waiting for a long time, everyone please come in."

Fang Qifo nodded, took beauty, and entered Great Hall!

so many people? !

As soon as they entered, the master and apprentice were stunned, and they saw many familiar figures in the hall, which were very lively.

Almost dozens of sects from all continents have gathered. Although these sects are not top sects, the scene is a bit shocking when they gather together.

Fang Qifo kept calm, and took Mei Hui to find a seat and sit down.

At this time, the guests were almost all there, and the banquet began.

Whoa!

At the same time, Zhang Jiao appeared, causing the entire hall to be restless.

"Mr. Zhang!"

"Mr. Zhang, stay safe, huh..."

Everyone stood up to say hello, with a very polite attitude. You must know that Zhang Jiao has been famous for thousands of years. He once traversed the Kyushu continent. Three years ago, he helped Yang Jian fought in the east and west, and it can be said that he is famous. Who dares to be rude?

Meihui also stood up with Fang Qifo, but Meihui didn't say anything, instead she frowned and looked at Zhang Jiao tightly.

"Master!" Mei Hui couldn't help but said.

Fang Qifo lowered his voice: "Teacher, what's wrong?"

“Master!” Mei Hui lowered her voice and said softly, “Zhang Jiao secretly invited so many people, there must be a conspiracy, we have to be careful.”

Mei Hui clearly remembered , A month ago, Zhang Jiao visited the Ouyang family alone, claiming to know the whereabouts of Yue Feng, which attracted everyone in the Ouyang family into the trap.

Seeing this scene now, Mei Hui has a feeling of deja vu. After all, Zhang Jiao is too cunning and has to guard against it.

Um!

Fang Qifo nodded and glanced at Meihui approvingly: “I understand, this time, we are here to investigate the news. If there is any sudden change, don’t panic...”

“Everyone!”

At this time, Zhang Jiao stood up slowly, looked around the audience, and said with a smile: “I am not very honored to be invited by you all, Zhang Jiao, please come, and come here, it is to enhance the feelings of our comrades in the rivers and lakes. Let’s discuss cooperation with you.”

Hearing this, the audience was in an uproar.

cooperate? What cooperation?

Fang Qifo and Meihui also frowned secretly.

Zhang Jiao smiled slightly and continued: “I know that all the sects present have a grudge with the Rakshasa clan. In my eyes, the savage people of the Rakshasa clan should be wiped out. It’s a pity that Yue Feng advocated that the Rakshasa clan should be destroyed. Rakshasa and talk.” The

voice fell, and many people nodded.

“Yes, those Rakshasa people are savage and rude, and it is the worst decision to live in peace with them.”

“I get angry when I see those Rakshasa people.”

“Three years ago, in order to fight against the Rakshasa, my disciples Disciples have suffered countless casualties...”

Hearing the surrounding discussions, Mei Hui realized that the sects who were invited were all hostile to the Rakshasa clan.

What is this corner going to do?

“Haha...”

Zhang Jiao was very satisfied with the scene in front of him, and smiled: “It seems that we have reached a consensus to deal with the Rakshasa together, and there is a second thing, I hope to get everyone’s support. .”

Everyone looked at each other and spoke.

“Mr. Zhang, feel free to say anything.”

“Yes, as long as we can do it, we must do it.”

On the issue of the Rakshasa, Zhang Jiao won everyone’s sense of recognition. It is an honor to cooperate, and at this time, we are trying our best to express our attitude.

Seeing that the fire was almost over, Zhang Jiao’s expression became solemn, and he said slowly: “The second thing, I want everyone to help me deal with Yue Feng.”

Chapter 2633

What? To deal with Yue Feng?

At this moment, everyone present was stunned!

You must know that Yue Feng is a famous figure in the Kyushu Continent. He is powerful. In the three-year period, he even led the Kyushu Continent and defeated the Rakshasa army.

Under the shock, many people looked at each other, unable to say a word!

Meihui frowned, her heart froze.

I knew that this Zhang Jiao was uneasy and kind, and he showed his fox’s tail so quickly. Want to unite so many sects to deal with the big brother?

Aware of everyone’s astonishment, Zhang Jiao chuckled lightly: “I know what you are worried about, Yue Feng is powerful, and Tianmen, but for me, it is nothing to be afraid of.”

“Although this person has justice in his heart, he is too much. The benevolence of a woman, the advocacy of peace talks with the Rakshasa is an example. At that time, we fought with the Rakshasa. How many people died? How much blood was shed?”

“Also, the relationship between Yue Feng and the Rakshasa is delicate, and we have to deal with it. The Rakshasa clan must be obstructed by Yue Feng, so this person must be removed.”

After saying the last sentence, Zhang Jiao’s eyes slowly swept across the audience, a powerful aura that made people palpitate.

“This... it seems reasonable...”

“But... Yue Feng is very strong, even if we join forces, I’m afraid...”

After a few seconds, everyone reacted one by one and couldn’t help it. Open your mouth.

Feeling everyone’s doubts, Zhang Jiao smiled confidently: “Everyone doesn’t need to worry, to deal with Yue Feng, you don’t need to take action, you just need you to provide me with clues.”

Yes, the giant dragon suddenly appeared at that time, and Yue Feng disappeared. , Zhang Jiao sent people to search for a few days without a clue, and the more he couldn’t find it, the more anxious Zhang Jiao became.

In the end, Zhang Jiao thought of this method and used the power of these sects to investigate Yue Feng’s whereabouts.

Zhang Jiao has a cunning temperament and acts cautiously. He knows that he will deal with Yue Feng from the beginning, and these sects will definitely be timid, so he will mention the Rakshasa first to gain everyone’s sense of identity.

At this moment, Zhang Jiao summoned the opening axe and another thing, and said loudly: “I promise, after getting rid of Yue Feng and the Rakshasa clan, I will share Kyushu with everyone present.”

Wow!

Seeing what Zhang Jiao took out, the audience was shocked.

I saw that a golden axe and an exquisite pagoda, both treasures, were filled with incomparably full spiritual power.

It is Kaitian Axe and Linglong Tower.

Yes, after Yu Wenyan was framed by Zhang Jiao, he was rescued by Yue Feng at a critical moment, but did not take the Linglong Pagoda. Later, Zhang Jiao got the Linglong Pagoda in the secret room where Yu Wenyan practiced.

This... these are two peerless treasures.

At this moment, everyone looked at the two treasures, and their hearts were shocked.

Mei Hui was shocked, and her delicate face was full of resentment and complexity.

The eldest brother's Linglong Tower is actually in Zhang Jiao's hands.

Haha...

Finally, the translators came over, and I don't know who shouted: "If you can get two peerless treasures, Mr. Zhang is indeed a genius of the sky, and I will cooperate with you.

"I express my support every word.

"Yes, that Yue Feng, although powerful, is indeed too kind."

"The Kyushu Continent needs people like Mr. Zhang!"

Hahaha! Everyone hit it off and laughed in unison.

Seeing this scene, Mei Hui was so anxious that she looked at Fang Qifo: "Master, what should I do?"

Fang Qifo shook his head, indicating that she should not be in a hurry, and then continued to watch the situation in front of her.

"Okay!"

Hearing everyone's response, Zhang Jiao was overjoyed and ordered someone to bring a covenant: "Since everyone agrees and the saliva is unfounded, let's make a blood alliance and put a handprint on the alliance letter, and we will be ourselves in the future. It's gone." The

voice fell, Zhang Jue slashed his fingers with a dagger, and pressed the bloody handprint first.

At this moment, many people stepped forward one after another, imitating others and pressing their fingerprints.

Chapter 2634

Fang Qifo also pressed the handprint, anyway, since he is the head of the fake Snow Mountain Sect, it doesn't matter if he pressed the handprint.

When the covenant was reached, Zhang Jiao was very happy, raised his glass, and celebrated with everyone.

“Teacher!”

Seeing Meihui’s expression, Fang Qifo comforted in a low voice, “Don’t worry, Zhang Jiao will leave everyone here to rest tonight. When the time comes, let’s see if there is a chance to join Kaitian Axe and Linglong. The tower was stolen.”

Hmm!

Meihui nodded heavily, a look of anticipation in her eyes.

Originally, seeing so many sects united to deal with the elder brother and the Rakshasa tribe, Mei Hui was anxious, but when she heard Fang Qifo’s plan, her heart suddenly calmed down a lot.

Without the Kaitian Axe and the Linglong Pagoda, where is Zhang Jiao still the eldest brother’s opponent?

...

the other side!

Qingyunzong, Yue Feng got a lot of news with the help of Ye Meng. The weather royal family and Tianmen attacked the main altar of the Wutian Organization, but they returned without success. The whereabouts of the Ouyang family, Sun Dasheng and Ren Yingying are unknown.

Knowing these circumstances, Yue Feng was in a hurry.

Yue Feng thought about it, first go to Tianmen to gather everyone, and then find a way to find Sun Dasheng and the others.

At this moment, inside the hall. “Master!” Ye Meng took Yue Feng’s arm, her beautiful face was full of reluctance: “Are you really leaving

now?”

Very reluctant.

Yue Feng showed a wry smile and nodded.

“Otherwise, I’ll be with you.” Ye Meng said expectantly.

Yue Feng shook his head: "This is a grievance between me and Zhang Jiao, and I can't implicate you." You must know that Zhang Jiao is ruthless, and he will pay for it, and he cannot implicate the Qingyun Sect.

Next to it, Xie Cai and some Qingyun Sect disciples stood there politely.

Especially Xie Cai, knowing that Ye Meng was called Yue Feng's apprentice, was even more uncomfortable. This girl was lucky, but even though she was upset, because Yue Feng was on the side, Xie Cai didn't dare to show it.

"The head is back."

At this moment, a disciple called out from outside, and then, a middle-aged man with extraordinary equipment walked in slowly, it was the head of Qingyunzong, Ye Changsong.

"Father!"

"You're back!"

Seeing Ye Changsong, Ye Meng and Xie Cai shouted almost at the same time, and greeted him with a smile.

Afterwards, Ye Meng pulled Ye Changsong's sleeve and looked very proud: "Dad, we have a big man in Qingyunzong, and I have successfully apprenticed, do you see who it is?" The

voice fell, Ye Meng laughed Yingying looked at Yue Feng with joy on her face.

Apprenticeship?

Ye Changsong was stunned for a moment. His adopted daughter was extremely talented in cultivation, and there were not many heroes in the world who could make her look right. How could anyone have such a great charm that she could be so happy to be a teacher.

Muttering in his heart, Ye Changsong's eyes fell on Yue Feng.

"Sect Master Ye!" Yue Feng smiled slightly, and cupped his hands: "Yue Feng hastily visited, what a disturbance!"

Buzz!

Hearing this, Ye Changsong was shocked, and the whole person was dumbfounded, staring blankly at Yue Feng, speechless.

Tianmen Sect Master Yue Feng?

Yes, Ye Changsong also attended Zhang Jiao's banquet, and also pressed his handprint on the covenant. Because Qingyunzong had important things to do, he didn't stay at the Wutian Organization's main altar and came back early.

At this time, Ye Changsong only felt that his whole head was buzzing.

A few hours ago, I just made an appointment with Zhang Jiao to deal with Yue Feng and the Rakshasa clan together. I never thought that Yue Feng was actually in the Qingyun Sect, and he was also his daughter's master.

This makes people, a little caught off guard.

"Ha ha..."

Chapter 2635

Finally, Ye Changsong reacted and clasped his fists at Yue Feng with a smile: "Sect Master Yue is here, it really makes my Qingyun Sect flourish." As

soon as he finished speaking, Ye Meng walked over and said: "Father, Master When we are in trouble, Zhang Jiao designed to frame the Ouyang family, let's help Master."

After speaking, Ye Meng explained the situation in detail.

Father is back, as long as he is willing to help, Master may not leave for the time being.

This....

Ye Changsong's face was embarrassed.

In the next second, Ye Changsong squeezed out a smile and said to Yue Feng, "I didn't expect that Zhang Jiao would be so abhorrent. Please wait for Sect Master Yue, and let me think about it."

"Thank you Sect Master Ye!" Yue Feng nodded. .

Yue Feng didn't want to implicate Qingyunzong at first, but seeing Ye Changsong say so, it's not easy to refuse.

Ye Changsong said no more, walked out of the hall and went to the back wing.

Xie Cai, who was on the side, saw that her husband looked a little strange, so she quickly followed.

“Changsong, what’s the matter?”

Xie Cai couldn’t help asking as soon as he entered the room.

Ye Changsong smiled bitterly and looked at Xie Cai: “Madam, guess who is the head of the Wutian Organization who invited me to the banquet this time?”

“Who?”

“It’s Zhang Jiao!” Ye Changsong said complicatedly.

What?

Xie Caijiao’s body trembled, and she was immediately stunned.

Ye Changsong sat on the chair, and suddenly became worried: “At the banquet, Zhang Jiao advocated to deal with the Rakshasa clan and Yue Feng, and he also made an alliance with blood, who would have thought that Yue Feng was actually in our Qingyun Sect, and he became a Meng’er’s master. This is a bit difficult.”

When he said this, Ye Changsong felt melancholy. He asked Yue Feng to wait for a while, but he didn’t know what to do for a while and wanted to calm down.

You must know that Yue Feng is very strong. If you let him know that he and Zhang Jiao will join forces to deal with him, they will definitely not let Qingyunzong go.

But if he let him go, Zhang Jiao knew that he would be just as troublesome.

Seeing his melancholy face, Xie Cai turned her eyes and said angrily: “What’s so rare, since you and Zhang Jiao are allied, just find a way to catch this Yue Feng.”

Ye Changsong heard the lotus picking. He smiled bitterly: “You said it lightly, Yue Feng is now Meng’er’s master...”

Before he could finish, Xie Cai interrupted.

“Meng’er, Meng’er, you know Meng’er.” Xie Cai’s delicate face couldn’t hide her disgust: “She is just an adopted daughter you picked up, do you still take it seriously? It’s just a wild girl, these Years, but you hold it in the palm of your hand, like a princess...”

When it came to Ye Meng, Xie Cai couldn’t help but get angry.

Ye Changsong opened his mouth, not knowing how to refute for a while.

At this time, Xie Cai breathed a sigh of relief and was silent for a long time, then said: “Think about it now, although Yue Feng is a famous figure in Kyushu, but that was also

three years ago, the scenery was long gone, and Zhang Jiao was organized without heaven. The head, and there are so many allies, you can decide which is more important.”

“If you offend Zhang Jiao, our entire Qingyun Sect will be in trouble.”

Hearing this, Ye Changsong was silent for a moment, after a struggle in his heart, still nodding: “Okay! I know how to do it.”

A few minutes later, Ye Changsong returned to the main hall.

“Sect Master Yue!”

Ye Changsong looked at Yue Feng and said with a smile: “To be honest, on the way back just now, I accidentally got news from Dasheng Sun.”

Really?

Yue Feng’s eyes lit up, and he was very excited: “Please tell me the whereabouts of Sect Master Ye.”

Ye Changsong smiled: “I heard that Sect Master Yue and Sun Dasheng have a deep relationship, which is really enviable, I will wait for it. Send a disciple to investigate, find Sun Dasheng, and bring him to meet Sect Master Yue.”

After speaking, Ye Changsong said with sincerity: “Sect Master Yue, a generation of heroes, came to my Qingyun Sect, and accepted a little girl as a disciple, and we will be a family from now on. Well, such a happy event, you must drink a few glasses.”

When the last sentence fell, Ye Changsong’s eyes flashed with complicated light.

Yes, Ye Changsong didn’t really want to entertain Yue Feng, but wanted to keep him in this way. Just now, Ye Changsong had sent his disciples to pass news to Zhang Jiao.

The ultimate husband in Chinese chapter 2636-2640

Chapter 2636

Seeing Ye Changsong’s sincere face, Yue Feng was very embarrassed: “Then I will trouble the head of Ye.” To be

honest, Yue Feng wanted to leave immediately, but it was difficult to show the kindness.

Moreover, Zhang Jiao has countless eyes and ears, and is looking for his own traces. If he really wants to be discovered, he will be very passive.

“Haha...”

Seeing Yue Feng agree, Ye Changsong was very happy and waved his hand: “Quick, go get

the wine and food ready.” Upon hearing the order, Xie Cai hurriedly called the disciple to do it.

Seeing this scene, Ye Meng was very happy, Yue Feng chose to stay, and he had more opportunities to ask for advice.

Seven o'clock in the evening.

The living room was filled with a lively atmosphere. Under Yang Changsong's arrangement, a sumptuous banquet had been prepared.

There are four people at the table.

Yue Feng, Ye Changsong, Xie Cai, Ye Meng.

Ye Changsong was very enthusiastic, chatting with Yue Feng with a smile, and at the same time, he did not forget to make a toast.

Ye Changsong thought about it, first, he used alcohol to reduce Yue Feng's vigilance, and when Yue Feng was drunk, he would look for an opportunity to subdue him. After all, Yue Feng's strength is too terrifying.

Yue Feng had a smile on his face, but it was difficult to calm down in his heart.

Although Ye Changsong had agreed to send his disciples to find Sun Dasheng and bring Qingyun Sect, Yue Feng was still a little worried.

This chapter is provided by . Visit for daily update.

Three rounds of wine.

Seeing that Yue Feng was a little drunk, Xie Cai thought of something, and looked at Ye Meng with a smile: “Meng'er, you are so lucky, you have worshipped such a good master, and I will have a few more toasts later.”

When saying this, Xie Cai's face was full of smiles, but her eyes flashed coldly. As long as Yue Feng is drunk, her husband will have the opportunity to take action.

Ye Changsong on the side also smiled and nodded in agreement.

Hearing this, Ye Meng quickly poured wine for Yue Feng.

Although he and Xie Cai have always been discordant, this time, Ye Meng agrees with the adoptive mother's words very much, knowing that a big man like Yue Feng doesn't have many opportunities to sit and drink with him.

As a disciple, I naturally have to toast a few more cups.

Yue Feng waved his hand: "It's almost there, if you don't drink anymore, you'll be drunk again." The

life and death of family and friends are uncertain, and they really don't feel in the mood to drink so much. Moreover, Yue Feng once thought of being killed by Ye Ziyi in Mingjian Villa. When the cousin got drunk, that Dong Long was insidious and cunning, tricked himself into getting drunk, and then got himself into Ye Ziyi's room, causing a misunderstanding...

Thinking of this, Yue Feng became much more cautious.

This...

Seeing this scene, Ye Changsong frowned secretly, this Yue Feng is so cautious, what should he do next?

After thinking about it, Ye Changsong suddenly had a new plan, and turned his head towards Ye Meng and said, "Meng'er, I remember that you like alchemy very much, but it's a pity that you don't have a good teacher to teach you.

"As a disciple, you have to ask for more advice."

Hearing this, Ye Meng's eyes lit up, pulling on Yue Feng's sleeve, coquettishly said: "Master, you teach me Alchemy, I have obtained a few pill recipes, but unfortunately I don't know the trick and have been unable to refine it."

When he said this, Ye Meng's beautiful face was full of expectations, and his father didn't say it, he almost forgot. , Master is still a master of alchemy.

"Okay!"

Yue Feng showed a smile, looked at Ye Meng and said, "What kind of medicinal pills did you make, tell me..."

Ye Meng quickly said the names of a few medicinal pills. At the end, he pulled Yue Feng and said: "Master, why don't we go to the alchemy room now, you can make it for me on the spot, and let me learn..."

"Nonsense!"

Ye Changsong couldn't help scolding: "I'm drinking, how can I go to the alchemy room?" Saying so, Ye Changsong couldn't help but stand up.

Yes, Ye Changsong's purpose was to ask Yue Feng to go to the alchemy room. When he arrived at the alchemy room, he could capture Yue Feng without any bloodshed.

Chapter 2637

"Okay, let's go and see." Yue Feng said with a smile.

My apprentice, smart and beautiful, is really attractive.

A few minutes later, guided by Ye Meng, Yue Feng came to the alchemy room, and Ye Changsong and Xie Cai followed.

I have to say that Qingyunzong is worthy of being a big sect. The alchemy room is very spacious, the size of three or four basketball courts, and it is decorated in an antique style.

Yue Feng could see that the shelves around the alchemy room were filled with various precious herbs.

"Master!"

At this time, Ye Meng walked up to an alchemy furnace and asked for advice very humbly: "The last time I alchemy was two months ago, when I made a Xuanling pill, but unfortunately I tried it many times. All failed."

Xuanling Pill?

Hearing this, Yue Feng couldn't help laughing and said, "It's actually not difficult to make Xuanling Pills, just control the ratio of heat and materials."

In Wuji Pills, Xuanling Pills is a medium Pills, with Yue Feng's alchemy accomplishments at this time, can be refined with eyes closed.

"I'll show you a demonstration for the teacher." Yue Feng said, walked to the shelf, selected a few materials, and then began to refine the medicine pill.

Ye Meng was extremely excited, watching Yue Feng's movements closely, not daring to blink at all.

call!

On the other hand, Ye Changsong and Xie Cai looked at each other deeply.

Especially Ye Changsong, he was nervous and somehow excited.

Just now, he added something to the materials that Yue Feng needed. At that time, Yue Feng talked to Ye Meng again, and he didn't pay attention at all.

Time passed by minute by minute.

It originally took ten minutes to refine the Xuanling Pill, but Yue Feng succeeded in refining it in less than five minutes.

Um?

However, just when Yue Feng was about to take out the medicinal pill, he suddenly realized that something was wrong and couldn't help frowning.

At this time, Yue Feng's face was a little bad. It was strange. He was fine just now, why is he so soft now that he can't exert any strength?

Not only that, but the inner strength can't be released! Dantian seems to be suppressed by an invisible force!

How could this be? Poisoned yourself?

call!

Seeing this scene, Ye Changsong took two steps forward and asked cautiously, "Sect Master Yue, what's wrong?"

While speaking, Ye Changsong paid close attention to the changes in Yue Feng's expression.

Yue Feng did not respond immediately, but took out the refined medicinal pill, but when he saw the color of the medicinal pill, Yue Feng vaguely guessed something.

"Sect Master Ye, there is something wrong with your alchemy materials."

Huh?

Ye Changsong's face changed, and he pretended to be shocked: "Why did Sect Master Yue say this?"

Ye Meng didn't know the situation, but when he saw Yue Feng's face was wrong, he panicked inexplicably: "Master, what's wrong with you?"

Yue Feng took a deep breath, looked at Ye Meng, and said slowly: "The ingredients used to make Xuanling Pills should have been mixed with fragrant powder."

“Shixiang powder is a colorless and odorless poison. If the medicine is mixed into the alchemy material, it will destroy the effect of the elixirs. In other words, the Xuanling Pill I made just now has no effect.”

“Also, in the process of refining the elixirs, I didn’t realize it. Inhaled incense powder, has been poisoned.”

What?

Hearing this, Ye Mengjiao’s body trembled, and the whole person was blinded.

How could this be? In the alchemy room of Qingyunzong, no one can come in casually, and the alchemy materials are also strictly screened, how could there be a problem?

Chapter 2638

“Haha...”

At this moment, Ye Changsong couldn’t help laughing, and said to Yue Feng: “Sect Master Yue, you don’t have to guess, I just put the fragrant powder in.”

What?

Yue Feng was shocked and angry, and his heart was also extremely shocked! This...why did Ye Changsong do this? I don’t have any grudges with him at all, on the contrary, I have become his daughter’s master, so why hurt me?

Ye Meng next to him was also stunned, staring blankly at Ye Changsong, speechless.

call!

At this moment, Ye Chang heaved a sigh of relief and looked at Yue Feng in a complicated manner: “Sect Master Yue, I’m sorry, I have to do it too, to tell you the truth, I attended a banquet before, and this banquet was hosted by Zhang Jiao. “

Zhang Jiao?

Hearing this, Yue Feng’s heart was shocked, and he suddenly understood something: “Are you from Zhang Jiao?”

No wonder he plotted against himself, it turned out to be Zhang Jiao’s accomplice.

Ye Changsong shook his head: “Sect Master Yue is wrong, I’m not Zhang Jiao’s person, I just have a cooperative relationship with him, don’t blame me, if Zhang Jiao knows that you are here with me, and I still treat you with courtesy, Our Qingyun Sect will be in big trouble.”

“You...” Yue Feng was shocked and angry, glaring at Ye Changsong, angrily.

Unexpectedly, this Ye Changsong looks elegant, but he is a hypocrite. What’s even more irritating is that he was so vigilant that he was planted in his hands in the end, which is a shame!

At this moment, Ye Meng reacted with anger on her pretty face, she couldn’t help shouting at Ye Changsong: “Dad, you are crazy, why do you do this, he is my master.” As he

spoke, Ye Meng came over, Block in front of Yue Feng.

Today, no matter what, the master cannot be harmed in the slightest.

Ugh!

Ye Changsong sighed, not knowing how to explain.

At this time, Xie Cai sneered, looked at Ye Meng, and said slowly: “Xiao Meng, why are you talking to your father? Although Yue Feng is famous, but now and then, your father has already said that he and Zhang Jiao has cooperated, Zhang Jiao is a big man who has been famous for thousands of years, and I don’t need to say more about his strength.”

“For the sake of a master you just worshipped, to provoke an existence like Zhang Jiao, do you want the entire Qingyunzong to follow you? Buried together?”

Hearing this, Ye Mengqi’s delicate body trembled.

It turned out that in their eyes, nothing could compare to the safety of Qingyunzong.

At this moment, Ye Mengmeng was about to refute, but her face suddenly changed before she opened her mouth. She clearly felt that her inner strength could not be exerted, and at the same time, her whole body was soft.

Yes, when Yue Feng was concocting pills just now, she was very close, and she also inhaled the fragrant powder.

“I...my inner strength...” Ye Meng’s red lips parted lightly, and before she could finish speaking, she swayed, and she fainted directly to the ground.

Whoops!

A hint of distress flashed in Ye Changsong’s eyes, but he still called his disciples, helped Ye Meng down, and at the same time, sent Yue Feng to the cell.

Yue Feng was affected by the fragrant powder, and his internal power was extremely disordered, and he couldn't exert it at all, and he had no resistance.

Boom!

A few minutes later, Yue Feng was taken into the Houshan cell. As the cell was closed, Yue Feng looked at the dim environment in front of him and felt bitter in his heart.

The next second, seeing other people in the cell, I was stunned.

I saw three people sitting quietly in the corner of the cell, two men and one woman.

The two men were both tall and mighty in their forties. Seeing that the grades were not much different, they both had unruly sneers on their faces.

The woman is about twenty-five, with delicate features, showing a bit of heroic spirit, wearing a black leather skirt, showing a wild beauty, indescribably charming and sexy. On her, Yue Feng saw the first woman in the Apocalypse Continent. God of War, the shadow of Xing Yao.

Yue Feng could tell from the clothes of the two men and one woman that they were all from the Rakshasa clan!

Speaking of which, since the Kyushu Continent and the Rakshasa clan had peace talks three years ago, the world has been peaceful, but the sects of each continent are still very hostile to the Rakshasa clan.

After all, in the war that year, many people died in various sects.

However, now that the peace talks have been concluded, the major sects are still very rational, and they have not reached the point where they will act upon seeing the Rakshasa clan. These three people are imprisoned here, and there must be a conflict with the Qingyun Sect.

call!

Chapter 2639

Feeling the strength of them, Yue Feng couldn't help taking a deep breath.

It turned out to be the realm of Fifth Stage Martial Sovereign.

Swish!

At the same time, the three of them also discovered Yue Feng, and their eyes suddenly came to him.

The eyes of the two men were very bad, and only the woman looked very curious.

Yue Feng nodded politely to say hello: "My name is Fengtao, I don't know what the three of them are called?"

Being locked together means that they are destined, but Yue Feng did not intend to reveal his identity. After all, it is too much to be plotted against Ye Changsong Shame.

When the words fell, the woman nodded at Yue Feng: "Hello, my name is Zang Yunyue, this is my elder brother Zang Shuiyue, and my second brother Zang Huoyue."

When she said this, Zang Yunyue Luoluo was generous and was righteous. It is the unique personality of Rakshasa women.

It was three siblings.

Yue Feng smiled and nodded, but the name sounded very special.

"Little sister!"

At this moment, the second brother Zang Huoyue frowned: "What are you doing with this Kyushu man?" His words were full of hostility towards Yue Feng.

Zang Shuiyue, who was next to him, also nodded in agreement: "Yes, the people from Kyushu are the most treacherous, ignore him."

After speaking, Zang Shuiyue looked up and down at Yue Feng: "Boy, we are not familiar with you, don't think about getting too close, We have no interest in making friends with you." The

last sentence fell, Zang Shuiyue pulled Zang Yunyue and sat down, ignoring Yue Feng.

Uh...

Feeling the hostility between the brothers, Yue Feng couldn't help laughing.

The most important thing now is to expel the poison of the deterrent powder in the body as soon as possible, and quickly restore the strength.

Muttering in his heart, Yue Feng sat there cross-legged and began to practice silently.

Before I knew it, two hours passed.

At this time, Yue Feng was about to expel the soul-repelling incense that he had inhaled. Suddenly, he heard a strange movement from the side.

What the hell!

Yue Feng opened his eyes subconsciously and was stunned when he saw the scene in front of him.

I saw that in the corner in front of me, three gaps were dug out by the three brothers and sisters. At this time, the boss, Zang Shuiyue, was sticking his head out to see the situation outside.

“It’s safe, we can leave now.”

“That’s great!”

As they were talking, the three siblings were stunned when they saw Yue Feng’s gaze.

The next second, Zang Shuiyue said coldly to Yue Feng: “Boy, you are lucky today, you met the three of us, but after you go out, you’d better keep your mouth tight. Do you hear me?!”

”, Zang Shuiyue drilled out first, followed by Zang Huoyue, and finally the little sister Zang Yunyue.

“Alas!”

Just when Zang Yunyue was about to go out, she tilted her head and smiled at Yue Feng: “After you go out, run for your life, don’t get caught again.” Zang Yunyue is

kind-hearted and treats Yue Feng well Good impression, kindly reminded.

Yue Feng smiled, nodded his thanks, and then got out.

call!

When I got outside, I saw that this was the back mountain of Qingyunzong. It was covered with dense forests, the environment was complicated, and there was a cliff next to it.

Yue Feng saw that the three brothers and sisters were talking about something while walking towards the back of the mountain, as if they were looking for something.

What are these three Rakshasa people going to do?

Unable to hold back his curiosity, Yue Feng followed.

Chapter 2640

Finally, in front of a cliff, the three siblings stopped.

Through the moonlight, Yue Feng saw that the little girl Zang Yunyue took out an ancient blueprint and was looking at something carefully, talking while looking at it.

The two brothers Zang Shuiyue kept looking for something on the cliffs. The cliffs were full of vines, and Yue Feng was so far away that they could not see clearly.

Kachacha...

After more than ten seconds, Yue Feng was shocked to see what the three brothers and sisters had found, and the cliff slowly cracked a gap, revealing a hidden cave.

How did they know, the secret of Qingyunzong's back mountain?

Yue Feng frowned secretly, his curiosity became heavier and heavier.

The three siblings were very excited, and then dodged into the cave.

Yue Feng didn't have time to think about it, and quickly followed.

Just arrived at the entrance of the cave, suddenly, a figure flashed out, blocking Yue Feng's eyes, it was Zang Shuiyue.

"Boy!"

Zang Shuiyue's eyes flashed with suffocation, and she said coldly at Yue Feng: "If you don't want to die, leave quickly." Just now, he noticed that Yue Feng was following behind.

"Where is it?" Yue Feng did not panic at all, and said lightly: "How do you know the secret of Qingyunzong's back mountain?"

Zang Shuiyue did not answer, but looked at Yue Feng coldly.

At this time, Zang Shuiyue wanted to kill Yue Feng, but she was afraid that the movement would attract the disciples of Qingyun Sect, so she held back.

"If you're really not afraid of death, come in!"

Finally, Zang Shuiyue was too lazy to talk nonsense, and said to Yue Feng: "The danger inside is not what you can imagine. It is really dangerous at that time. Don't blame me for not reminding you, and don't expect us to save you.

", turned around and walked in.

Scaring me?

Yue Feng couldn't help laughing, and followed in without the slightest hesitation.

hiss!

As soon as he entered, Yue Feng was stunned.

I saw a huge stone formation in front of me. The whole stone formation is composed of dozens of huge stone pillars. These stone pillars have a long history at first glance, and they are filled with a vast ancient atmosphere.

The stone formations are arranged in a disorderly manner, seemingly disorganized, but in fact, there are hidden secrets.

This...

After a full ten seconds, Yue Feng reacted.

If someone else came in, they would definitely lose their way, but to Yue Feng, he didn't panic at all.

Yue Feng could see that this was an ancient 'Liuyi' formation. In the Baiqishen formation, the Liuyi formation was an upper-middle formation, and it was not difficult to decipher it.

What makes Yue Feng puzzled is that the three brothers and sisters are not only powerful, but they can even crack the Six Righteous Array. Because Yue Feng saw that there were no three brothers and sisters in the formation, apparently they passed through successfully.

It seems that Zang Shuiyue knew this formation just now, so she scare herself.

Thinking of this, Yue Feng showed a smile and walked into the formation. Soon, he successfully passed through this six-righteous formation.

Enchantment?

After passing through the formation and seeing the scene in front of him, Yue Feng's expression suddenly became solemn.

I saw that there was a protective film at the entrance of the channel in front of me. This protective film continued to fluctuate like water marks, which was very peculiar.

Where is this place, not only the Six Righteousness Array, but also the enchantment?

Muttering in my heart, Yue Feng suddenly walked into the enchantment!

“Om!”

At this moment, Yue Feng felt his head as if it was about to explode, and then, the enchantment enveloped him.
