

The ultimate husband in Chinese chapter 2641-2650

Chapter 2641

At this moment, Yue Feng only felt a powerful pressure sweeping through his body! I don't know how to describe that feeling, as if my body was being squeezed in all directions, it was very uncomfortable.

At the same time, Yue Feng's eyes were also completely dark, and he couldn't see anything at all, he could barely see his fingers. The body is also completely suspended.

I don't know how long it took, Yue Feng's feet fell on the ground!

call!

Yue Feng took a deep breath, slowly opened his eyes, and was immediately stunned!

As you can see, there is a huge underground town in front of you! Like a paradise.

Yue Feng saw that this place was several times larger than Donghai City. At first, he thought it was an ancient tomb, but slowly he discovered that it should be the ruins of an ancient city. It should be because of the war, and it was finally buried underground. Because Yue Feng saw that many houses had traces of fighting, as well as the remains of weapons...

Moreover, the characters left by some houses were extremely ancient.

Yue Feng took a deep breath, calmed himself, and then slowly walked forward. The three brothers and sisters don't know where they went, but if they can find it, they must know where it is!

Crash... After

walking more than 100 meters, Yue Feng heard the sound of running water on the right side.

At this moment, Yue Feng was faintly excited, and if there was flowing water, it proved that there was an exit.

Soon, Yue Feng found an underground river.

However, at this time, Yue Feng saw a slender figure standing on the bank of the river, her delicate body trembling, it was the younger sister of the three siblings, Zang Yunyue.

In front of Zang Yunyue, in the center of the underground river, a huge body was hunched over, staring coldly at Zang Yunyue.

This chapter is provided by . Visit for daily update.

It's a giant python!

Yue Feng glanced at it, and while he was shocked, he was also extremely puzzled.

This is a black sand python with a huge body, about the same size as the one that was about to turn into a dragon that I saw in the Wild and Strange Domain Death Valley before.

It's just...this is the mainland of Kyushu, how can there be a black sand python? Isn't this kind of beast only in the wild and strange realm?

"Hello? Why did you come in? Hurry up, it's dangerous here." This is, Zang Yunyue also found Yue Feng, and her delicate face was full of anxiety.

Yes, after the three brothers and sisters entered the barrier, they were immediately sent to different places and temporarily separated. Just when Zang Yunyue was about to look for her two brothers, she suddenly came across this black sand python.

Although Zang Yunyue was in the realm of the fifth stage Martial Emperor, her strength was not too low, but this black sand python was also a beast of the Martial Emperor realm. As a woman, it would be very difficult for her to kill this black sand python.

In Zang Yunyue's eyes, even herself was not sure of defeating this black sand python, and the person in front of her was even more impossible.

Hiss....

As soon as the voice fell, I saw the black sand python king hissed and rushed towards Zang Yunyue! The speed is almost as fast as lightning.

Zang Yunyue's face changed, her jade hand raised, summoned a machete, and cut it directly.

"Stab!"

This knife cut down and saw a white mark left on the body of the black sand python. It did not cause much damage, but it also stimulated the fierceness of the black sand python. With a sweep of its tail, Yue Feng directly Sweep away!

"call!"

Zang Yunyue flew out more than ten meters, and felt that the river was turned upside down in the stomach, and a mouthful of blood spurted out.

At this moment, the black sand python's tail swung over again.

Zang Yunyue didn't stand up yet, she didn't have time to dodge, her face suddenly pale and a little desperate.

Whoosh!

Seeing this scene, Yue Feng didn't have time to think, his body flashed, and he rushed directly to the top of Heisha Python's head.

Pfft!

This palm contained Yue Feng's sixth-layer internal strength, and the black sand python let out a whimper and died instantly.

Seeing this scene, Zang Yunyue's delicate body trembled, and she was immediately dumbfounded. This person, seemingly ordinary, didn't expect his strength to be so terrifying?

Who is he?

Chapter 2642 The

heart was shocked, Zang Yunyue was about to stand up, but her delicate body trembled, and she couldn't exert any strength.

I have to say that the black sand python was too strong just now, and was swept by its tail, and Zang Yunyue was seriously injured.

Seeing this scene, Yue Feng couldn't help but said: "Don't worry, you just suffered a little shock, you'll be fine after a rest."

Having said that, Yue Feng thought of something and asked, "By the way, what is this place? I see that your three brothers and sisters are very familiar with this place."

This...

Zang Yunyue bit her lip lightly and hesitated: "This place used to be the clan of our Rakshasa clan, and this ruin was thousands of years ago. , a city built by our Rakshasa clan. Later, because of the anger of Emperor Xuanyuan, the clan land was taken back, and the clan people were forced to be exiled into the wild and strange realm."

When saying this, Zang Yunyue's eyes flashed with confusion, you know, this is their secret. The secret must never be told to outsiders, especially those from Kyushu, but Yue Feng saved his life. It would be inappropriate to hide it from the benefactor.

It turned out to be so.

Hearing this, Yue Feng nodded suddenly, no wonder the place looks so vicissitudes.

At this time, Zang Yunyue continued: "When we were forced to leave, our ancestors left some things here. Our three brothers and sisters found it here because they were looking for those things. Unexpectedly, we just found this place two days ago. It was discovered by the people of Qingyunzong, who thought that we were spies of the Rakshasa clan, and if it was not good for Qingyunzong, they imprisoned us."

After saying the last sentence, Zang Yunyue smiled at Yue Feng: "This is The secrets between our brothers and sisters can't be told to others, you have to keep them secret for me, especially when you meet my two brothers, don't tell them, otherwise, I will be scolded again."

His eyes flashed with anticipation, he said Incredibly charming and cute.

Yue Feng showed a slight smile, nodded and said, "Okay, I won't say it."

Unexpectedly, among the Rakshasa clan, there are also women with such a gentle personality.

Boom...

At this moment, there was a vibration not far away, obviously the mechanism of which room was touched.

Zang Yunyue was suddenly a little anxious and wanted to go there to see it, but she couldn't use any strength, so she couldn't help but said to Yue Feng:

"Fengtao...you...can you take me over to see it? I'm afraid that the two brothers are in danger." Having

seen Yue Feng's strength just now, Zang Yunyue knew that this Kyushu man was very strong, and as long as he was willing to help, he could save a lot of trouble.

Feeling Zang Yunyue's pleading gaze, Yue Feng secretly relieved and said with a smile, "Okay, I'll accompany you to see it!"

Having said that, Yue Feng realized something and looked at Zang Yunyue up and down: "However, you are now If you can't exert any inner strength, and walking is a problem, how can I take you there?"

Yes!

How to do this?

Zang Yunyue was also in a hurry, bit her lip and thought for a while, it seemed difficult to open her mouth, she glanced at Yue Feng, then lowered her head: "Would you... or you should hug... hold me!"

After saying this, Zang Yunyue's face was inexplicably flushed. Originally, she also hated Kyushu people very much, but for some reason, she didn't have the slightest resistance to the storm in front of her.

What made her even more unexpected was that she would take the initiative to let the other party hold her.

I go!

Yue Feng was immediately stunned, thinking that he heard it wrong, and at the same time, he was also a little emotional, this Rakshasa woman, shy, was so charming.

Muttering in his heart, Yue Feng walked over and picked up Zang Yunyue, urging the figure to rush in the direction of the vibration.

A few minutes later, Yue Feng and Zang Yunyue arrived in a yard that was shaking, and saw that the yard had collapsed in half, the dust and smoke had just dissipated, but there was no one there.

What are these three siblings looking for?

Yue Feng held Zang Yunyue and stood there, looking around, frowning secretly.

And the brothers, are they too careless, they are separated from their sister, and they don't know how to look for them?

Zang Yunyue was hugged by Yue Feng, her delicate body was tense, and she must not dare to move.

Chapter 2643

"Fengtao!"

Seeing what Yue Feng was thinking about, Zang Yunyue couldn't help but softly said: "Otherwise, you put me down first, I'll adjust my dantian first, you can take a look around, there are There is no whereabouts of my two brothers."

When she said this, Zang Yunyue looked at the environment in the lower yard, it was much safer than the riverside, and more importantly, I was a woman, so I couldn't let him hold her all the time. .

All right.

Yue Feng nodded, put Zang Yunyue down, and then thought about searching around.

boom!

I don't know how far I walked, when I heard another vibration coming from the front, Yue Feng hurriedly accelerated his pace, but when he arrived at the place, he was stunned.

I saw a slender figure standing dozens of meters away, with a beautiful face, full of confusion and shock, and a look of shock.

It was Ye Meng.

“Master?”

At this time, Ye Meng also saw Yue Feng, shouted with joy, and then walked over quickly: “Master, I knew that you would be fine.”

Yue Feng showed a smile: “You Why are you here?”

Ye Meng looked around and said softly, “After I woke up, I heard from the cell guard that you ran away. Dad sent a lot of disciples to look around. I was afraid that you would be found. I looked at the mountain, and I found a cave by accident, and then... I'm here.”

Yue Feng nodded silently, it seemed that Ye Meng broke in by accident.

“Master, where is this?” Ye Meng couldn't help asking.

Inside the cave, there is such a large ruins of an ancient city, which is really shocking. I grew up here and never knew it.

“It's an ancient city, once the clan of the Rakshasa clan.” Yue Feng responded.

What?

Hearing this, Ye Mengjiao's body was shocked, and her mind was buzzing?

The clan of the Rakshasa? How come here?

However, Yue Feng didn't have time to explain at this time. He just promised Zang Yunyue to find her two brothers, but he didn't find them, but he met Ye Meng.

Thinking about it, Yue Feng took Ye Meng and continued to look around.

I have to say that this ruin is too big, and the light is dim. Even if Yue Feng has Yin Yang Feng Shui, he still loses his direction.

"Master, look there..." After walking for ten minutes, Ye Meng suddenly stopped and stared blankly not far away. Pointing to the wall.

Yue Feng frowned and turned his head to look.

I saw that some ancient patterns were clearly painted on the wall, some were pictures of ancient people hunting, and some were of animals. These paintings were very vivid, and it could be said to be vivid, just like the real thing.

Next to that picture, there is a black protrusion, which is a small black stone, which looks very conspicuous.

Obviously, what kind of organ this stone should be.

"What is that stone?" At this time, Ye Meng was very curious and asked Yue Feng.

At the same time, he stared at the wall without blinking.

Yue Feng took a deep breath and shook his head: "It should be an agency, this place is full of weirdness."

Hearing this, Ye Meng nodded, but her strong curiosity still drove her to walk over.

Seeing this scene, Yue Feng couldn't help reminding: "Teacher, don't move that stone yet! Be careful of traps." While speaking, Yue Feng subconsciously looked around.

Chapter 2644

"Master, the dust has been sealed here for so many years, so there shouldn't be any danger!" Ye Meng looked relaxed, looked around, and couldn't help but said: "Even if there are traps, thousands of years have passed, and they will be ineffective. ."

While speaking, Ye Meng stretched out his jade hand and pressed the black stone.

call!

Seeing this scene, Yue Feng suddenly became anxious, took a deep breath, and was about to rush over to block it, but he was still a step behind.

Click!

As soon as he rushed behind Ye Meng, he heard a vibration under his feet, and then, the ground suddenly collapsed into a big hole!

“Ah...”

All this happened too fast, Yue Feng and Ye Meng didn't have time to react, they let out an exclamation and fell directly.

.....

the other side!

In the Qingyunzong hall, Ye Changsong sat there, his face extremely ugly.

Next to it, Xie Cai stood there, her charming face also showed a bit of solemnity, and the dozen or so elite disciples around them bowed their heads and did not dare to speak.

“Trash, it's all trash.”

Finally, Ye Changsong took a deep breath and couldn't help scolding those disciples: “You don't know that Yue Feng and the three Rakshasa people ran away, and people can't find them now. Where is your senior sister? Did you find it?”

Seeing the master's anger, the dozen or so elite disciples were all nervous.

Afterwards, a disciple came out and said cautiously: “Master, the big sister went to the back mountain, but we searched twice and couldn't find it.”

Hearing this, Ye Changsong was very angry. interrupted.

“Look.” Xie Cai gloated and couldn't help but scornfully said: “After all, it's not his own, what's the use of raising such a big one? In the end, he didn't run away with someone, as I see it, the reason why Yue Feng accepted her As a disciple, I have ulterior motives, and it is estimated that I am attracted to her beauty.”

Xie Cai has always had an opinion on Ye Meng, and seeing that she is also missing at this time, she will naturally not miss the opportunity to sow discord.

“Don't say a few words.” Ye Changsong

said with a gloomy face, facing Xie Cai: “Don't talk nonsense before you find someone.

“

He panicked: "Master, it's not good, Zhang... Zhang Jiao is here."

When he said this, the disciple was almost paralyzed on the ground!

Zhang Jiao is here? So fast?

Ye Changsong was stunned for a moment, then frowned and said displeasably: "Look at your panicked appearance, Zhang Jiao was invited by me." Before catching Yue Feng, Ye Changsong passed the news to Zhang Jiao.

"No..." The disciple was sweating profusely, and eagerly explained: "The situation is not right, Zhang Jiao brought a lot of people and surrounded our mountain gate."

What?

Ye Changsong's face changed, he quickly stood up, and walked out quickly.

He had already formed an alliance with Zhang Jiao and helped him deal with Yue Feng, why did he bring people to surround Qingyunzong?

Xie Cai and those disciples quickly followed.

hiss!

When he got outside, seeing the scene in front of him, Ye Changsong couldn't help taking a breath!

Xie Cai trembled even more delicately.

I saw that nearly 100,000 cultivators were lined up neatly! The entire Qingyunzong Mountain Gate was surrounded in groups, with awe-inspiring momentum, and a fly could not fly out.

These cultivators, wearing uniform black robes and holding long knives, are imposing!

Ye Changsong could sense that these cultivators were generally not low in strength. They were basically around Marquis Wu, and even quite a few were at the level of Martial Saint.

Apparently the elite of the unorganized organization.

And above these elites without a heavenly organization, there was a sullen man quietly suspended in a robe, with a strong breath, it was Zhang Jiao.

Chapter 2645

Feeling Zhang Jiao's strength, the entire Qingyunzong is under pressure.

"Mr. Zhang!"

Finally, Ye Changsong regained his senses, forced a smile, and walked forward quickly: "Mr. Zhang is here so fast, there is a long way to greet, and a long way to greet."

Zhang Jiao was expressionless, looked at Ye Changsong lightly, with an unquestionable tone: "Sect Master Ye, you said you caught Yue Feng, who? Take it out and let me see!"

This...

Ye Changsong hesitated, and cupped his hands: "Mr. Zhang, to be honest, that Yue Feng was too cunning and escaped from the cell, I am sending people to search everywhere..." The

voice fell, Xie Cai next to him couldn't help but said: "Yeah, that Yue Feng is cunning and despicable, I couldn't help running away, and also kidnapped our adopted daughter."

Really talkative.

Ye Changsong was very unhappy and glared at Xie Cai, but because of Zhang Jiao's presence, there was no attack.

"Really?"

Hearing this, Zhang Jiao showed a smile and looked at Ye Changsong coldly: "Ye Changsong's responsibility is quite straightforward, but you just say it, how do I know that Yue Feng escaped by himself, Or did you let him go?"

What?

Hearing this, Ye Changsong's expression changed.

What does Zhang Jiao mean? He doesn't believe me?

Thinking about it, Ye Changsong smiled and said carefully: "Why did Mr. Zhang say that? If I helped Yue Feng, why would I have formed an alliance with you in the first place? If Mr. Zhang doubted me, it would be really chilling."

"Doubt you?"

Zhang Jiao couldn't help laughing, his tone was extremely gloomy: "Ye Changsong, let me ask you, I heard that your adopted daughter worshipped Yue Feng as a teacher, isn't that good?"

"Also, your adopted daughter, formed two years ago. A Rose mercenary group served as the head of the group, and just a few days ago, he became the leader of the mercenary alliance, do you know all this?"

When he said this, Zhang Jiao was expressionless, but his heart was very gloomy.

Yes, the mercenary alliance was established to deal with the Huang Tian transaction. As the person behind the Huang Tian transaction, Zhang Jiao was naturally extremely annoyed.

This....

Ye Changsong's face changed, and his heart was bitter, and he couldn't help but say: "The little girl is used to doing nonsense, Mr. Zhang doesn't need to meet a junior."

Zhang Jiao chuckled: "Okay, let's not talk about the mercenary alliance for the time being. , But, your daughter is Yue Feng's apprentice, you said that you caught Yue Feng, but now you can't hand it over, and you said that your daughter ran away with Yue Feng, and you played with me like this, do you know the consequences?" The

last sentence After the words fell, Zhang Jiao suddenly looked cold!

"Everyone obeys!"

A roar sounded, and Zhang Jiao was murderous: "If you take down the entire Qingyun Sect, whoever dares to resist will be killed!"

Yes, Zhang Jiao didn't trust Ye Changsong, so he wanted to take the opportunity to directly annex Qingyun. Zong.

"Yes!" The

voice fell, and the elites of the hundreds of thousands of Wutian organizations were so powerful that they pulled out their long knives one after another. Without a single word of nonsense, they rushed directly into the crowd of Qingyunzong!

"Ah!" The

incident happened suddenly, and only a few screams were heard. Many Qingyun Sect disciples, in shock, wanted to resist, but before they drew their weapons, they fell into a pool of blood.

“Zhang Jiao, you...”

Ye Changsong was shocked and angry, his face turned pale!

He never thought that he would cooperate sincerely, but in exchange for Zhang Jiao's suspicion, in the end, it would bring disaster to Qingyunzong. If I knew this earlier, I shouldn't have plotted against Yue Feng at that time.

It's just too late to say anything now.

Zhang Jiao's face was gloomy and cold: “Ye Changsong, you played tricks on me. If you want to play me, don't blame me for turning your face and being ruthless.”

With that, Zhang Jiao's eyes flashed gloomy and cold, pointed at Ye Changsong and said, “Today, as long as you Qingyun Sect, promised to merge into the Wutian Organization, and I can spare you all to die.”

“Ah...”

There was another scream, and more than a dozen disciples of Qingyun Sect who wanted to resist fell in a pool of blood.

The ultimate husband in Chinese chapter 2646-2650

Chapter 2646

“Okay, okay!”

Ye Changsong's face was extremely ugly. Under the grief and anger, his anger rushed up, and he looked at Zhang Jiao: “Zhang Jiao, I was blind, and I promised to cooperate with you at that time.”

“If you want to annex my Qingyun Sect, you must first see if the sword in my hand will answer it!” The

last sentence fell, and Ye Changsong howled: “Qingyun Sect disciple, protect the ancestors' inheritance, even if you die today, you can't let this traitor. As you wish.”

“Kill!”

Hearing the howl of the head, at this moment, all the disciples of Qingyunzong reacted one after another, pulled out their weapons, and fought fiercely with each other.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Qingyunzong!

Seeing this scene, Xie Caiqiao's face was pale, and her delicate body kept shaking.

How could this be?

Isn't Qingyunzong allied with Zhang Jiao? Why did Zhang Jiao deal with Qingyunzong? It is said that Zhang Jiao is ruthless, and it really lives up to the name. If he knew this, he should not persuade her husband to deal with Yue Feng.

Thinking about it, there was a trace of regret on Xie Caijuemei's face.

.....

the other side!

Whoohoo!

This chapter is provided by . Visit for daily update.

The wind whistled in their ears, Yue Feng and Ye Meng fell quickly, and they saw that it was pitch black all around, and they couldn't see the surroundings at all.

"Master, I'm so scared!" Ye Meng was so panicked that she couldn't help exclaiming, and at the same time she stretched out her hand and hugged Yue Feng.

hum!

Feeling Ye Meng's figure, Yue Feng's mind went blank.

I have to say, this apprentice's figure is really good, but at this time, how could Yue Feng feel this?

"Don't be so reckless in the future." Yue Feng said, grabbing Ye Meng's hand and pulling her behind him. In this case, waiting for her to fall to the ground can help her slow down some of the impact of the fall.

"Master!"

Ye Meng was a smart woman. Seeing Yue Feng's actions, she knew that her master was protecting herself. She was moved for a while, and at the same time, she regretted her recklessness.

"Don't panic, nothing will happen." Yue Feng smiled and comforted.

The voice fell, and the two finally reached the point. At the moment when both feet landed, Yue Feng's internal force was running, and he slapped his palm on the cliff next to him to slow down the falling force.

Dengdeng...

Despite this, Yue Feng staggered back a dozen steps, and his body was churning with blood.

And Ye Meng was guarded by Yue Feng, but there was nothing serious, but his delicate face was also surging with blood and red.

"Master, we are not dead, we are not dead!"

Ye Meng reacted, very excited, hugging Yue Feng and cheering.

I thought that if I fell from such a good place, if I didn't focus, I would fall directly to death, but I didn't expect it to be a near miss in the end.

After all, Yue Feng responded quickly.

At this time, Ye Meng worshipped Yue Feng even more.

Yue Feng didn't speak, just looked at Ye Meng with such a smile, his apprentice is really smart and lively, and his personality is ever-changing. In front of outsiders, he is an aloof iceberg goddess, but in front of himself, he is so unrestrained.

Especially at this time, taking the initiative to hold myself, the taste is really wonderful.

To be honest, Yue Feng once fantasized about having such an apprentice, but after it was really realized, he couldn't stand it. After all, he and her had a master-apprentice relationship, and it would be bad if they were too close.

Swish!

Seeing Yue Feng smiling and not speaking, Ye Meng finally realized something. Seeing that he was hugging his master, his delicate face turned red all of a sudden. I just felt a burning pain in my face.

"Master, I..." Ye Meng bit her lip and hesitated, very shy.

Ha ha...

Chapter 2647

Looking at her appearance, Yue Feng was indescribably comfortable, and said with a smile: "What happened just now? I have forgotten it as a teacher, but don't be so indifferent in the future."

When he said this, Yue Feng The wind looked around.

When he first fell, he couldn't see anything clearly, but after getting used to the dim environment, Yue Feng saw that there was a wide passage in front of him. This passage is completely paved with bluestone, just like the ancient city gate street.

The passage has been extended, do not know where to lead.

call!

Seeing this, Yue Feng couldn't help but take a deep breath and was very shocked.

Unexpectedly, there is an underground labyrinth under the ruins of the ancient city of the Rakshasa. This was built thousands of years ago, and it is so shocking.

Ye Meng was also trembling, shocked and speechless.

"Go, go inside and take a look!"

Yue Feng reacted and walked forward first.

Although she did not successfully meet with Zang Yunyue, which yard she is in is temporarily safe and will not be in danger.

Ye Meng didn't speak, and followed closely behind.

I go!

After walking for a few minutes, Yue Feng only felt a buzzing sound in his head, and his head was big, because he found that there were many forks in the passage, and each fork extended towards all directions, like a huge maze.

Nima, how big is this place? Wouldn't you hollow out the entire back mountain of Qingyunzong?

At this time, Yue Feng felt that he was in a circle. This place is much bigger than he imagined!

"who?"

"Made, is that kid, and that Ye Meng?"

Just as Yue Feng was about to ponder the laws of this underground labyrinth, suddenly, there was a burst of shouting in front of him, and then, two figures appeared in a dozen meters away. place.

With gloomy and hostile eyes, it was Zang Yunyue's two older brothers.

Hidden Fire Moon and Hidden Water Moon.

At this time, the eyes of the two brothers were all focused on Ye Meng, their faces were full of badness.

"Senior Sister Qingyunzong? I didn't expect that we would meet so soon."

"Our account, it

's time to settle it." When they said this, the two brothers had a grim look on their faces.

Yes, a few days ago, when the three brothers and sisters came to investigate, they met Ye Meng. At that time, Ye Meng did not hesitate and led a dozen Qingyun Sect disciples to arrest the three brothers and sisters. When they met Ye Meng at this time, the brothers were very excited.

Speaking of which, if it was before, the brothers did not dare to be so arrogant at all. You must know that Ye Meng is the strength to cross the tribulation realm.

However, at this time, the brothers clearly felt that Ye Meng's face was a little weak and seemed to be injured. In fact, Ye Meng was not injured, but inhaled the deterrent powder before, and it has not been completely get rid of.

Feeling the eyes of the brothers, Ye Mengxiu frowned and did not respond.

Yue Feng breathed a sigh of relief, took a step forward, and said to the brothers, "You two, we came here unintentionally and have no ill will towards you. Besides, I believe that my apprentice arrested you before, but it was also a misunderstanding."

"Also, your sister is waiting for you to go to find her, so there's no need for us to have a life-and-death relationship between us!" The

words were extremely calm.

Yes, Yue Feng didn't want to have a grudge with the two brothers. After all, there was no grievance or hatred. More importantly, Yue Feng wanted to know what secrets there was in this place, and he didn't want to cause trouble.

However, the brothers did not take Yue Feng seriously at all.

“What are you?”

“Go away.”

In the hearts of the brothers, Yue Feng was just an ordinary Kyushu native, and there was no threat to them.

However, just as he was talking, the elder brother Zang Shuiyue suddenly realized something, and his eyes locked on Yue Feng: “What did you just say? Your apprentice? Is she your apprentice?”

When saying this, Zang Shuiyue couldn't help but look Ye Meng glanced at him, his eyes full of surprise.

Chapter 2648 Zang Huoyue

at this time is also staring at Yue Feng closely, his eyes are full of shock.

You must know that this Ye Meng is very powerful, not only the elder sister of Qingyunzong, but also the leader of the mercenary alliance, such a proud iceberg goddess, there are not many men in the world who can make her look down on her.

And the boy in front of him turned out to be her master?

How can it be?

“Not bad!”

Looking at the expressions of the brothers, Ye Meng took a step forward and said coldly: “He is my master, you two, you three brothers and sisters were sneaking around in our Qingyun Sect before, just looking for this ruin? “

You'd better explain clearly what is here, otherwise, don't blame me for being rude.”

“Even if my strength is damaged and I can't do it with you, but there is still my master, you'd better explain honestly, otherwise, Don't even try to run away.”

Ye Meng had a cold and arrogant personality, and had no good impression of these two Rakshasa men, but when he saw them contempt for his master, he couldn't help it.

“Haha...”

Hearing this, the two brothers looked at each other and couldn't help laughing. Then, Zang Shuiyue looked disdainful: “Ye Meng, don't scare me, this kid was with us before. How could it be your master?” The

voice fell, and Zang Huoyue taunted: "Yes, you are injured and can't beat us, so let this kid pretend to be your master to scare us, right? "

The brothers at this time didn't believe Ye Meng's words at all. In their hearts, the people of Kyushu were the most sinister and cunning, and what they said was not credible at all.

"Believe it or not! Hurry up and answer my question." Ye Meng, too lazy to talk nonsense, shouted coldly.

Ha ha!

Zang Shuiyue sneered and looked at Ye Meng up and down: "Although this is still the sphere of influence of your Qingyun Sect, but in this waste, it is not you who has the final say."

"Just now the two of us were still thinking about how to find you. Qingyunzong's revenge, and you came to the door."

When he said this, Zang Shuiyue's eyes were cold, hiding the evil spirit in his heart.

Speaking of which, if they weren't caught by Ye Meng and sent to the cell two days ago, the three brothers and sisters would have been on their way back with their belongings.

As for Yue Feng, they didn't believe it was Ye Meng's master at all.

"You..." Ye Meng was very angry, and said tenderly: "What do you want to do?"

"What?"

Zang Huoyue's eyes flashed with a wicked smile, looking at Ye Meng and saying word by word: "These two days, we have The humiliation suffered by the brothers and sisters will be on you, and I will pay it back."

Speaking of which, Zang Huoyue looked at Ye Meng up and down, especially when she saw Ye Meng's straight legs, her eyes were even more released. The same light!

To be honest, the brothers have never liked people from Kyushu, but Ye Meng is so sexy that even the hot-tempered Zang Huoyue couldn't bear it.

"Obviously, let's capture it!" Zang Shuiyue was too lazy to talk nonsense, said a word coldly, and rushed directly towards Yue Feng and Ye Meng.

Swish!

At this moment, Ye Mengxiu frowned and was furious.

At the same time, Yue Feng's body flashed, blocking Ye Meng.

"You hide to the side first." Yue Feng said to Ye Meng with an expressionless face.

Ye Meng did not dare to disobey the master's order, and stepped aside strangely, but still couldn't help saying: "Master, be careful!" Although he was very confident in Yue Feng's strength, for some reason, Ye Meng always felt in his heart. There is an uneasy feeling.

Yue Feng didn't speak, and quietly watched the two brothers who rushed up, as steady as Mount Tai.

"You two, I advise you to calm down." Yue Feng said lightly: "Besides, I met your little sister just now, and she was trapped in a yard. Now I don't know what the situation is."

"Speaking of which, our relationship There is no grudge, there is no need to fight to the death."

Yes, in Cang Yunyue's face, Yue Feng did not want to fight with her two brothers.

However, hearing these words in the ears of the brothers, they thought that Yue Feng was despising them.

"Boy, stop doing this!"

Chapter 2649

"Do you want to divert our attention with the matter of your little sister? Hehe, you Kyushu people are the most cunning, do you think we will believe it?"

"

The weapons of the two brothers were long bone knives unique to the Rakshasa tribe, filled with a gloomy chill.

"Since you are obsessed, don't blame me." Yue Feng breathed out, very helpless.

Are all these Rakshasa people stupid and stupid?

"Boy, the special code is installed in front of us, and I warned you before not to come in and die. If you don't listen, then don't blame our brothers for being cruel." At this moment, Zang Huoyue was finally angry.

Speaking of the end, Zang Huoyue pointed at Yue Feng and shouted: "Special code, you want to court death, I will fulfill you..."

Om!

When the words fell, Zanghuoyue's internal force exploded, and he saw that the long bone knife in his hand was like a dragon, drawing a dazzling white light, and stabbed at Yue Feng fiercely!

Seeing this scene, Ye Meng didn't have time to think, and threw the treasured sword to Yue Feng.

Yue Feng clenched his sword tightly, without hesitation, he directly attacked.

"Boom!" In the

next second, the long sword in Yue Feng's hand collided fiercely with Zang Huoyue's long sword! The weapons are intertwined. A string of sparks hit directly, and then, Zang Huoyue was shaken back ten steps, and her face was extremely ugly.

However, Yue Feng did not move slightly.

Made!

Zang Huoyue was furious, and at the same time, she was extremely surprised. This kid seems to be ordinary, but his strength is so strong?

Zang Shuiyue, who was next to him, also frowned, looking at Yue Feng carefully, and underestimated in his heart: Is this kid really Ye Meng's master? But, why haven't you heard of it before?

"Let's go together!"

Soon, the brothers reacted, looked at each other, and rushed towards Yue Feng again.

I have to say that although these two brothers are reckless, they cooperate very well. At first, Yue Feng was very relaxed, but gradually he became overwhelmed.

Of course, Yue Feng didn't want to really fight them, so he didn't do his best. Otherwise, the brothers would have been defeated long ago.

"Master!"

Seeing this situation, Ye Meng was so anxious at the time that he couldn't help shouting: "These two people are so ignorant and aggressive, don't hold back any longer."

Ye Meng is very smart and has a quick mind. It was immediately obvious that the master did not have the heart to hurt the brothers and did not do his best.

call!

Hearing this, Yue Feng took a deep breath, still a little hesitant in his heart.

Three years ago, the Kyushu Continent and the Rakshasa people had peace talks, which made the people live and work in peace and contentment. Yue Feng really didn't want to have any more conflicts with the Rakshasa people. So just be patient.

Crash...

Just at this moment, there was a sound of footsteps in the passage not far away, and then, several figures appeared in Yue Feng's sight.

Seeing one of them, Yue Feng was stunned.

I saw that among the few people, there was a slender figure with beautiful facial features, but it was gloomy and cold, and the charming curves also revealed an inaccessible aura.

It was Yu Wenyan!

Beside Yu Wenyan, several of his subordinates are not low in strength.

After being framed by Zhang Jiao and later having a relationship with Yue Feng, Yu Wenyan was so ashamed and angry that he returned to the Huanyin Sect to hide for a while, trying to cultivate and intend to take revenge. Two days ago, Yu Wenyan learned that Zhang Jiao was secretly dating more than a dozen people. The cooperation of various sects, including Qingyunzong.

Yu Wenyan planned to investigate Qingyunzong secretly first to find a way to deal with Zhang Jiao. As a result, he accidentally discovered a secret passage in the back mountain of Qingyunzong. Yue Feng.

"Yue Feng?"

At this moment, Yu Wenyan reacted, his eyes fixed on Yue Feng, his heart was full of shame, this bastard, ruined his innocence, Cangtai has eyes, and he actually met here.

Chapter 2650

Yuwenyan?

At this moment, Yue Feng was also shocked.

Why is this woman here?

“Go to hell!”

At this moment, taking advantage of Yue Feng’s attention, all of them were on Yu Wenyan, the Zang Shuiyue brothers shouted angrily and slapped Yue Feng with their palms.

The two brothers cooperated tacitly and were extremely fast, and they were in front of Yue Feng in the blink of an eye.

“Master!” Ye Meng’s body trembled and exclaimed. At the same time, she wanted to rush over to help, but she was too far away to have time.

Yue Feng was also taken aback and wanted to dodge, but he was still a step too late.

Boom!

The two palms slapped hard on Yue Feng, Yue Feng groaned, and the whole person was shocked and flew out, flying more than ten meters before landing heavily on the ground.

To be honest, I really have to go all out, the brothers are not Yue Feng’s opponents at all, let alone hurt him, but the appearance of Yu Wenyan really surprised Yue Feng.

“Pfft!” Yue Feng tried to stand up, but his eyes darkened, he spat out blood, and passed out.

Yue Feng, do you have today too?

Seeing this scene, Yu Wenyan felt an indescribable relief in his heart.

The next second, seeing the Zang Shuiyue brothers slowly walking towards Yue Feng, Yu Wenyan did not hesitate, and ordered to his subordinates: “Take these two people down.”

These days, Yu Wenyan has fantasized countless times that he wants to let Yue Feng live than to die, how can others kill him?

Swish swish...

The voice fell, and several of the subordinates did not hesitate, and they moved their figures one after another, and surrounded the Zang Shuiyue brothers.

Seeing the few people rushing up, Zang Shuiyue’s face changed: “Damn Kyushu people!”

At the same time, Zang Huoyue also roared and rushed forward.

However, although the brothers cooperated tacitly, they were outnumbered after all, and they were injured in a short while.

“Let’s go!” Zang Shuiyue knew that if he continued to fight, it was more fortunate and less fortunate. He forced the two back with one palm, turned and ran away, shouting at the second brother at the same time.

Zang Huoyue did not hesitate, followed closely, and in a blink of an eye, disappeared into the vast passage.

“Master!”

At this time, Ye Meng reacted, ran over and hugged Yue Feng, and couldn’t help crying.

Ye Meng clearly felt that Yue Feng’s injury was not very serious, but he was still worried when he saw that he was unconscious.

Master?

Yu Wenyan frowned, his eyes fixed on Ye Meng: “Are you his apprentice?”

When he said this, Yu Wenyan’s inner anger rose again, Yue Feng, this bastard, actually accepted such a beautiful apprentice , certainly impure motives.

“Not bad!” Ye Meng nodded in response.

At this time, Ye Meng didn’t know what the relationship between the woman in front of him and Yue Feng was.

“If that’s the case, then you’ll be offended!” Yu Wenyan was too lazy to talk nonsense, his figure suddenly flew up like a fright, and slapped Ye Meng with a palm.

“You...”

Ye Meng was taken aback and quickly got up to fight.

Although Ye Meng is a powerhouse of crossing the Tribulation Mirror, Yu Wenyan has been famous for a long time. Three years ago, he was the leader of the Huanyin Sect, who was feared by everyone in Jianghu, and the venerable master of Xiyuan Pavilion.

bump!
