

## The ultimate husband in Chinese chapter 2651-2660

### Chapter 2651

After a few minutes, Ye Meng finally couldn't hold it anymore, and was slapped by Yu Wenyan on the back, her delicate body trembled, and she fell to the ground.

Yu Wenyan took advantage of the momentum to pursue, rushed to Ye Meng, raised her jade hand and touched her acupuncture point.

In an instant, Ye Meng's pretty face changed, and she couldn't move.

"Sect Master Shenwei." At

that moment, one of his subordinates came over and praised Yu Wenyan very respectfully. Then he pulled out his long sword: "Sect Master, since this woman is Yue Feng's apprentice, just kill it."

As he said, the subordinate looked at Ye Meng up and down, his eyes flickering faintly.

Beautiful, really beautiful, this Yuefeng peach blossom luck is also very good, not only have a few confidantes of national beauty and heavenly fragrance, but also such a stunning female apprentice.

To be honest, it is a pity to kill such a beautiful woman, but they all know that the feud between the leader and Yue Feng is endless, so this woman must die.

"Wait!"

Before he could make a move, Yu Wenyan suddenly scolded.

"Don't kill her yet." Yu Wenyan frowned and looked around: "This place is so weird, as a disciple of Qingyun Sect, she must know where this place is! Take her around and see if she can I can't find anything..."

Yu Wenyan thought carefully, knowing that this place was unusual, so he wanted to get some clues from Ye Meng.

"Yes, Sect Master!"

Hearing Yu Wenyan say this, several subordinates responded in unison, and all of them were inexplicably excited.

The leader does not kill this woman, it is with their heart, so that they can have a chance to get along with beautiful women.

This chapter is provided by . Visit for daily update.

Soon, several subordinates held Ye Meng and walked towards the depths of the passage.

“Let me go, or else, the Qingyun Sect will not let you go.” Ye Meng was so angry that he didn’t listen, but the acupoints were sealed, and nothing could be changed.

call!

Seeing Ye Meng being taken away by his subordinates, Yu Wenyan breathed a sigh of relief.

The next second, Yu Wenyan walked over slowly, looking down at the unconscious Yue Feng, his delicate face was full of resentment: “Yue Feng, today, I will repay the humiliation you gave me.” As he

said, Yu Wenyan squatted down and searched Yue Feng carefully, but only found a spirit beast sac and some spirit pills, but nothing else.

“Strange, people like Yue Feng don’t easily appear in this place.” Yu Wenyan frowned and muttered to himself: “His presence here means that there must be some treasures here.”

Yuwen said while saying that. Homura was very annoyed. In her heart, Yue Feng must have found a treasure here, but found nothing.

At this time, Yu Wenyan didn’t know yet, and Yue Feng didn’t figure out this place either. Those who really knew the secret here were the Zang Shuiyue brothers who had just escaped.

call!

At this moment, Yue Feng let out a low hum, and then slowly woke up.

The moment he opened his eyes, Yue Feng only felt a pain in the injured area. Mad, those two brothers were too ruthless. Fortunately, they had the power to protect their bodies, otherwise, the two palms would have been shattered. own heart.

I go!

Muttering in his heart, Yue Feng looked up, stunned, and couldn’t help taking a breath of cold air.

Seeing that Yu Wenyan was half a meter in front of him, he was looking at him with a smile that was not a smile.

At this moment, Yue Feng's brows were tightly locked together, and he instinctively became vigilant, but a pair of eyes were involuntarily deeply attracted.

At this time, Yu Wenyan, the tight black dress, and the charming curves are quite lethal to any man. Especially the long legs exposed outside are enough for countless men to kneel and lick.

have to say. Yu Wenyan is really too sexy, not only sexy, but also the mature charm on his body, any man will be unable to extricate himself when he sees him.

The same is true for Yue Feng. Even if they have deep grievances with each other, it is still difficult for Yue Feng to calm down when he sees Yu Wenyan who is close at hand.

"Yue Feng!"

Just when Yue Feng was fascinated, Yu Wenyan said coldly, "I didn't expect it to fall into my hands so quickly."

Chapter 2652

When he said this, Yu Wenyan's delicate face was full of hatred, and his red lips were raised a little bit, looking quite tempting.

Yue Feng didn't speak, but looked at Yu Wenyan up and down, his mind spinning rapidly.

Mad, if it wasn't for her distraction just now, she wouldn't have been successfully raided by the Zang Shuiyue brothers.

She ruined Yu Wenyan's innocence, and with her personality, she would definitely not forgive herself lightly. Thinking to himself, Yue Feng looked around and saw Ye Meng. He had a bad premonition

and couldn't help but ask, "Where's my apprentice?"

"What do you think?"

It's your apprentice, do you think I'll let her go easily?"

Mad!

Yue Feng clenched his fists tightly, suddenly a little anxious: "What did you do to her?"  
The

more Yue Feng was like this, the more proud Yu Wenyan was, and sneered: "Look at how nervous you are, I haven't killed you yet. She, but whether she can live or not depends on your attitude."

"What do you mean?" Yue Feng calmed down and said lightly.

While speaking, Yue Feng's face remained calm, but he secretly used his inner strength to start healing.

Yes, Guiguizi's exercises are very mysterious, and they can be used to heal wounds without being noticed.

"Where is this place? What are you doing here with your apprentice? Answer honestly and don't hide it." Yu Wenyan asked coldly without talking nonsense.

call!

Hearing this, Yue Feng let out a secret sigh, and suddenly realized that this Yu Wenyan also broke in unintentionally.

Thinking to himself, Yue Feng responded: "I only know that this is the former clan of the Rakshasa clan, and I don't know what is hidden."

"Really?" Yu Wenyan smiled slightly, and then came over Lifting his legs, the high heels fell on Yue Feng's shoulders, directly stepping on Yue Feng.

The next second, Yu Wenyan suddenly exerted force, and the stiletto heel of the high-heeled shoes suddenly sank into the skin.

"Ah!" Yue Feng couldn't help shouting, and he was dripping with cold sweat in an instant. Speaking of which, it would take a few minutes for Yue Feng to fully recover his strength.

Yue Feng knew that before his strength recovered, Yu Wenyan must not be noticed, otherwise, with her personality, she would definitely kill her directly.

So Yue Feng thought about it, and pretended to be weak to confuse Yu Wenyan and reduce her vigilance.

Sure enough, seeing Yue Feng's painful appearance, Yu Wenyan was very proud: "Does it hurt? Just tell me if it hurts. Stop fooling me."

Nima!

Yue Feng was very angry, staring at Yu Wenyan, she had told the truth, but she didn't believe it.

In the next second, Yue Feng's eyes wandered, and he almost spurted out a nosebleed! At this time, Yu Wenyan, although wearing a long skirt, was close at hand. When Yue Feng looked up, he could just see her long white legs pouring into his eyes. At that time, Yue Feng felt that blood was rushing up, straight forehead.

hum!

At this moment, Yue Feng only felt that his mind was blank and buzzing. He had to admit that Yu Wenyan's ruthless appearance gave people a wild temptation.

Finally, Yue Feng reacted and secretly swallowed a mouthful of saliva, trying to calm himself down!

Mad, who is also a famous figure in Kyushu after all, is now being trampled underfoot by a woman, which is really embarrassing.

"Yue Feng, you're not convinced, aren't you? Aren't you amazing? Huh? Didn't you expect that you would have today too?" Seeing Yue Feng's expression, Yu Wenyan sneered at the corner of his mouth.

Just as he was talking, Yu Wenyan kicked abruptly. Kicked directly on Yue Feng's face, Yue Feng only felt the pain coming from his heart, and his facial features were twisted.

High heels kicking people, it really hurts too much.

Yue Feng couldn't help taking a breath of cold air, and this kick directly kicked him a few meters away.

Yue Feng rubbed his face, Mad, this Yu Wenyan is too cruel, even if you tarnish your innocence, but she was drugged by Zhang Jiao at that time, and it was not my initiative.

Chapter 2653

Thinking, Yue Feng struggled to stand up, but before he could fully stand up, Yu Wenyan walked over quickly and slapped him again. Tossed in his face!

"Crack!"

Yu Wenyan used all his strength for this slap, Yue Feng felt that half of his face was numb, and blood oozes out of the corner of his mouth instantly.

Yue Feng was instantly angry, but the injury had not completely healed, so he could only endure it.

“Yue Feng. I’ll give you a chance, as long as you agree to my conditions, and kneel down and admit your mistake, I’ll let you go.” Yu Wenyan said with a smile that was not a smile, with a high-level attitude.

“What conditions.” Yue Feng wiped the blood on the corner of his mouth and said lightly.

Yu Wenyan sneered, walked in slowly, and said word by word, “First, kneel down and admit your mistake.”

“Second, hand over your Fang Tianhuaji and your practice.”

“Thirdly, there must be treasures in this place, you take me to find the treasures!”

When he said this, Yu Wenyan smiled confidently, with a hint of coldness in his eyes.

In her heart, in addition to Yue Feng, Zhang Jiao’s enemies are not his own, and Yue Feng will not be more chaste.

Yu Wenyan thought about it, after dealing with Yue Feng, the next step is Zhang Jiao, but Zhang Jiao, like Yue Feng, is powerful, fighting alone, and he is not an opponent at all, but if he learns Yue Feng’s exercises, then Not the same.

Hehe...

Hearing this, Yue Feng couldn’t help laughing secretly, this Yu Wenyan has a lot of ambition, not only does he want Fang Tianhuaji, but also his own practice?

Seeing Yue Feng sneering and not saying a word, Yu Wenyan suddenly became angry and shouted: “Yue Feng, I don’t have time to spend with you. If you don’t want to die, kneel down for me first. If you hear me, kneel down!”

Speaking of the last sentence At that time, Yu Wenyan’s delicate face was full of madness.

This crazy woman!

At this moment, Yue Feng suddenly rushed forward, grabbed Yu Wenyan’s hands, and pressed her against the wall before she could react!

Yu Wenyan’s tender body trembled. He didn’t expect Yue Feng to regain his strength so quickly. You must know that he received two slaps just now, and it took a long time for him to recover.

In shock, Yu Wenyan wanted to struggle, but Yue Feng pressed his hands behind his back, and he couldn’t break free.

“Crack!”

With a crisp sound, Yue Feng slapped Yu Wenyan. At the same time, he mocked: “Master Yuwen, you like to abuse people, don’t you, how does it feel to be abused?”

After speaking, Yue Feng hit again, feeling the amazing elasticity, the indescribable beauty.

“You...” Yu Wenyan bit her lip tightly and let out a low groan.

“You, Yue Feng, I’m going to kill you!” Yu Wenyan reacted, her beautiful face was extremely red, and she shouted: “Let me go, let me go!”

“Let go of you, do you think it’s possible?” Of course, Yue Feng didn’t let go, but looked at her with a smile: “Will you let me go when I was in your hands just now?”

Yu Wenyan bit her lip, her face flushed, and she was extremely embarrassed.

Yue Feng continued to laugh and said, “Don’t talk? You’re addicted to being beaten, you won’t have a tendency to be abused, right?” After speaking, Yue Feng hit him again.

Yu Wenyan pressed his body tightly against the wall, with a thin layer of sweat dripping from his beautiful cheeks, and remained silent.

What’s the matter?

Feeling Yu Wenyan’s emotional change, Yue Feng not only frowned secretly.

This Yu Wenyan was beaten by himself, wouldn’t it be a blow to his self-esteem, can’t think of it?

Seeing Yue Feng looking at him thoughtfully, Yu Wenyan reacted, embarrassed and angry: “You... what do you want to do?”

When he said this, Yu Wenyan blushed and was inexplicably panicked.

It’s just himself and him here, this bastard won’t think about it again...

Chapter 2654

“What do you say I want to do?” Yue Feng said with a smile, and reached out and hit again.

Yue Feng showed a smile, and at this moment, Yue Feng raised his hand and touched Yu Wenyan’s acupuncture point.

In an instant, Yu Wenyan's tender body trembled, unable to move.

"Yue Feng, let me go, get out of me... Get out!" Yu Wenyan kept shouting, but Yue Feng clicked on her acupuncture point, how could she move half a point! Just kept yelling.

"Hehe, what if I don't get out?" Yue Feng looked at Yu Wenyan with a smile, Nima, this Yu Wenyan, who stole his Linglong Tower three years ago, and then trapped himself in a cave to die.

Just now, I wanted my own life.

Thinking to himself, Yue Feng couldn't help but chuckle, and looked at Yu Wenyan with a teasing face: "Yu Wenyan, I know you hate me and hate me for taking away your chastity before, but don't forget, three years You attacked me first and almost killed me, and you were drugged by Zhang Jiao..." Before

he could finish, Yu Wenyan blushed and interrupted.

"Shut up!" Yuwen was so arrogant, this Yue Feng was really good at being cheap.

Feeling Yu Wenyan's hatred, Yue Feng didn't panic at all, the smile on his face couldn't stop at all: "Okay, let's not talk about this for the time being, the situation is obvious now, Zhang Jiao's ambition is getting bigger and bigger, you To deal with him, I also have to deal with him, why do we have to fight each other, how good is the cooperation?"

Cooperation?

Hearing this, Yu Wenyan bit his lip, and his attitude was very firm: "It's impossible to cooperate with you." This person has ruined his innocence for a lifetime, and he can't wait to slash him, how can cooperation be possible?

The more Yu Wenyan thought about it, the more angry he became. He glared at Yue Feng fiercely. If his eyes could kill, I am afraid that Yue Shishi would have died countless times.

Nima!

Yu Wenyan's eyes made Yue Feng very angry. At this time, he couldn't bear it any longer. He suddenly raised his arm, slapped him fiercely, and hit Yu Wenyan directly in the face!

"Crack!"

At this moment, Yu Wenyan, who was under Yue Feng, couldn't help but cried out in pain. Yue Feng's slap used all his strength, and Yu Wenyan was immediately stunned. .

"Crack!" But Yue Feng didn't mean to stop at all, and slapped him again!

"Yu Wenyan, you are very proud, right? Do you think you can deal with me and Zhang Jiao at the same time with your own strength?" Yue Feng said coldly, full of mockery.

To be honest, Yue Feng didn't want to be so embarrassed with Yu Wenyan, but this woman is too self-righteous, and she must take a good blow to her self-esteem.

Seeing Yue Feng's icy face, Yu Wenyan finally let go of his pride, bit his lip, and kept begging: "Yue Feng, can you let me go, you let me go..."

"Why should I let you go?" Yue Feng sneered. Said to Yu Wenyan.

"Yue Feng, I beg you, you let me go..." Yu Wenyan was about to cry, but the acupoint was blocked by Yue Feng, and he had no resistance at all.

"Haha!"

Yue Feng chuckled, his tone full of sarcasm: "Now you know I let you go? Now you know I beg me?" The voice fell, and he slowly took out a pill from his pocket. .

This elixir is the Tongtian Pill. There are still many Tongtian Pills that Yue Feng refined. Speaking of which, Yue Feng did not want to use this method to deal with Yu Wenyan, but this woman has a strong personality and must use some extraordinary A way to deal with it.

At this moment, Yue Feng did not hesitate at all, and directly stuffed the Tongtian Pill into Yu Wenyan's mouth.

"You..."

Before Yu Wenyan could react, he swallowed it all at once, and then looked at Yue Feng with great fear, his beautiful face was full of paleness: "What did you give me to eat?"

Yue Feng showed a trace Smile: "This is the Tongtian Pill of our Diyuan Continent. You should know the Tongtian Sect. Ten years ago, it was a powerful sect in the Diyuan Continent. The Tongtian sect master used the Tongtian Pill to control his subordinates.

" , Yue Feng couldn't help but leaned closer, and looked at Yu Wenyan with a half-smile: "I tell you, after taking Tongtian Pill, there is no antidote within a year, and the whole body will fester and die, how miserable it is. ..you are so beautiful, it would be a pity to die like this."

“You...”

## Chapter 2655

Hearing this, Yu Wenyan’s body trembled, his heart was inexplicably frightened, his whole body festered and died, and he shuddered just thinking about it.

In the next second, Yu Wenyan reacted and looked at Yue Feng in shock and anger: “What the hell are you doing?”

Yue Feng sighed lightly and said with a smile: “It’s very simple, I also have two conditions for you to agree to, first , hand over the things that robbed me first.”

“What?”

“Still pretending?” Yue Feng looked at Yu Wenyan, frowned secretly, and then chuckled: “Linglong Tower!”

“No...not on me!” Yu Wenyan bit his lip and said softly.

After being framed by Zhang Jiao, Yu Wenyan escaped too hastily, so Linglong Pagoda stayed in the Wutian Organization’s main altar, and later fell into Zhang Jiao’s hands.

not on you?

Yue Feng naturally didn’t believe it, so he stretched out his hand and started searching Yu Wenyan.

At this moment, he felt Yue Feng’s hand on his body, searched and searched, Yu Wenyan was ashamed and angry, but he couldn’t dodge.

After searching twice, Yue Feng saw that Yu Wenyan had quite a few treasures from heaven and earth, but there was no trace of Linglong Pagoda.

Nima, really not.

“Sect Master!”

“Sect Master, we are back!”

Just when Yue Feng was secretly annoyed, suddenly, a few shouts came from the passage not far away, and then, several figures rushed over, it was Yu Wenyan of several subordinates.

what’s the situation?

When they got to the front, they saw Yu Wenyan leaning against the wall, unable to move at all, while Yue Feng stood aside with a faint smile, and several people were immediately stunned.

Whoosh...

It was at this time that Yue Feng did not hesitate at all. He rushed over in a flash, charged in, and sealed the acupoints of several people.

Several people let out a muffled groan, each of them, like Yu Wenyan, unable to move.

For a time, several people were terrified and completely stunned.

This...isn't this Yue Feng in a coma? With the strength of the leader, he can completely control the whole situation, but why? In just a few minutes, the leader was arrested by Yue Feng?

But on second thought, after all, Yue Feng is a famous figure in Kyushu, and it is not surprising that he can turn the situation around.

I thought to myself, a few people are all terrified.

Yu Wenyan's body trembled even more, and there was a hint of despair on her beautiful face. At the same time, she glared at a few of her subordinates.

I thought that I would still rely on these subordinates to save the situation, but they turned out to be more useless than each other, and they were all subdued by Yue Feng with just one face-to-face effort.

"Sect Master Yue, spare your life!"

"Yes, no matter what our business is, I beg Sect Master Yue to be merciful."

Several of his subordinates started begging for mercy at Yue Feng, completely losing the arrogant look they had before.

Yue Feng's face was expressionless, without the slightest fluctuation, he looked around at a few people, and said coldly, "Where is my apprentice?"

Before, these people grabbed Ye Meng and went to explore the depths of the passage, but now they are the only ones who come back and see Ye Dreams have to be suspicious.

## **The ultimate husband in Chinese chapter 2656-2660**

soon as the voice fell, the guy in the lead quickly responded: "Sect Master Yue, that girl... oh no, the disciple is witty and smart, and when we were not careful and escaped, the Yue Fengs couldn't find her, so they Come back and ask the sect master for instructions."

Haha...

Hearing this, Yue Feng showed a smile and was overjoyed.

As expected of his own apprentice, Ye Meng can do it, even under the surveillance of a few people, he was able to escape successfully.

Yu Wenyan next to him was flushed and in a terrible mood.

Why did you bring so much junk with you?

"Yu Wenyan?"

At this moment, Yue Feng looked at the people in front of him with a smile, and finally taunted Yu Wenyan: "Tell me yourself, what should I do with your subordinates?"

Yu Wenyan bit her tightly. He pressed his lips together, embarrassed, not knowing how to respond.

Several subordinates were so panicked that they almost cried, begging for mercy one by one.

"Forgive your life!"

"Forgive us, Sect Master Yue!" The

leader, whose legs were weak with fright, suddenly thought of something, and hurriedly said, "Sect Master Yue, as long as you let us go, I will tell you a secret!"

When he said this, the man had a sincere expression on his face.

secret?

This chapter is provided by . Visit for daily update.

Yue Feng was stunned for a moment, and his interest was instantly hooked, and he asked with a smile: "What secret, tell me!"

Speaking of this, a coldness flashed in Yue Feng's eyes, causing several people to sweat!

"I said, I said, just now we found the secret of this underground passage. It was a huge underground palace. At that time, we didn't dare to investigate rashly, and decided to come back and report to the sect master first." The leading boy said tremblingly, At the same time, he carefully paid attention to Yu Wenyan's expression.

To be honest, I didn't want to tell this secret, but now it's all on Yue Feng's body. If he says it, there may be a chance to live.

What? Dungeon! ?

Hearing this, Yue Feng suddenly became excited, and even Yu Wenyan, who was next to him, trembled, inexplicably excited. At the same time, he couldn't help but glared at this subordinate.

This news should be his own exclusive, but now it is in vain for Yue Feng.

"If you dare to lie to me, I will make your life worse than death." At this moment, Yue Feng reacted and scare the subordinate coldly.

"Don't dare, don't dare!"

The subordinate was so frightened that he almost burst into tears, and waved his hands again and again: "I dare not lie to Sect Master Yue, I still remember the route, I will take you there now, I just hope that you will arrive. The place, Sect Master Yue can let me go."

Yue Feng's brows were tightly locked, and he finally nodded: "Okay!" After the

voice fell, Yue Feng untied the subordinate's acupuncture point, let him lead the way in front, and then Followed by Yu Wenyan.

"Let's go!"

At this moment, Yue Feng smiled and said to Yu Wenyan: "Let's go and see, what treasures are there in the place you mentioned. Aren't you curious? You searched me before."

"Yue Feng, since you know where the treasure is hidden, let me go!" Yu Wenyan bit his lip and pleaded with Yue Feng.

Seriously, if it were normal, Yu Wenyan would never miss this opportunity, but now that he is in Yue Feng's hands, and his future is unknown, how can he be in the mood to find treasures?

"I can't help you if you don't want to go." Yue Feng chuckled, no doubt: "I warn you Yu Wenyan, whether you hand over the Linglong Tower or not, you will be mine in the future, otherwise, you will wait a year later. Fester all over and die."

"You..."

Hearing this, Yuwen was arrogant, but he had nothing to refute.

Yue Feng stopped talking nonsense, grabbed Yu Wenyan, followed the subordinates in front, and probed inside.

Chapter 2657

Wrong!

After walking for a few minutes, Yue Feng suddenly thought of something and stopped there.

Ye Meng escaped under the guards of several people. It stands to reason that she would come to find herself as soon as possible, but now that half an hour has passed, and she has not seen her return, there will be no accident, right?

Thinking to myself, Yue Feng was so anxious that he decided to find Ye Meng first, but after searching for half an hour, in the end, Yue Feng was sweating profusely, and he still couldn't find Ye Meng!

Nima!

At this time, Yue Feng was very angry in his heart, and looked around at the same time, but he didn't even notice Chen Yemeng's shadow.

After all, this place is too big!

"Ye Meng!"

Finally, Yue Feng couldn't bear it anymore. He raised his dantian and shouted to the surroundings: "Ye Meng, where are you?! If you hear it, answer Master!"

Yue Feng kept shouting, But no one answered Yue Feng at all!

It's over....

Yue Feng's mind is full of Ye Meng's figure. Such an apprentice of Bingxue smart, if something really happens, he will never feel at ease in his whole life, that is his first apprentice.

Will Ye Meng meet the Zang Shuiyue brothers? If that were the case, it would be troublesome.

Ugh!

The more Yue Feng thought about it, the more anxious he became. However, at this moment, suddenly, a faint sigh came from the depths of the front. The sound seemed to be far away, giving people a very mysterious feeling.

“Who?” Yue Feng frowned and couldn’t help shouting loudly.

Yu Wenyan next to her also trembled slightly, and she was inexplicably nervous.

At this moment, the subordinate who led the way seemed to have thought of something and was very excited: “Sect Master Yue! This... This seems to be sent from the underground palace. When the few of us arrived at the entrance of the underground palace, we also I heard such a voice, can’t be wrong.” It

came from the underground palace?

Hearing this, Yue Feng thought for a while, and then did not hesitate: “Go, go to the underground palace!” Ye Meng could not be found for the time being, so he could only go to explore the underground palace first.

“Go, lead the way ahead!” Yue Feng said lightly.

Along the way, Yue Feng looked around, hoping to see the shadow of Chen Yemeng, but in the end, Yue Feng was still very disappointed. Didn’t see it at all.

A few minutes later, under the guidance of his subordinates, Yue Feng and the others finally arrived at the entrance of a special passage. This passage was all made of white stones. In stark contrast to the other black channels.

“Sect Master Yue, this is the place.” The leading subordinate said to Yue Feng very excitedly.

Yue Feng nodded silently, did not speak, and took Yu Wenyan to walk in first.

At the beginning, this passage was very narrow, but gradually it became wider. In the end, it was even wider than the main street of Tianqi Imperial City. It was dozens of meters wide, which was very shocking.

“Roar!”

Suddenly, a roar that shocked the soul came, like a tiger roaring and a dragon roaring. At that time, not only Yue Feng, but also Yu Wenyan and several subordinates had goosebumps all over their bodies!

The next second, Yue Feng reacted, scratching his head and thinking. When he first entered the ancient tomb of Lu Bu, he heard that there was a Pixiu, and that Pixiu was the spirit beast guarding the ancient tomb. Could it be here too?

Moreover, such a heart-shattering roar seems to be stronger than his former Qiongqi.  
what exactly is it?

Thinking about it, Yue Feng was a little inexplicably excited, and at the same time, he was also alert and alert.

After walking for a few more minutes, Yue Feng saw that a huge tower appeared in front of him, and inside the tower, there was a dazzling light.

call!

At this moment, Yue Feng only felt that the blood all over his body was boiling all of a sudden, and he finally reached the underground palace. After passing this tower, the center of the underground palace is inside. It is absolutely impossible to go wrong!

Chapter 2658

Excited, Yue Feng took Yu Wenyan and walked quickly to the city tower.

I go!

After passing through the tower, Yue Feng's body trembled when he saw the scene in front of him, and he was stunned.

At the same time, Yu Wenyan's tender body trembled, and several of his subordinates were also killed, standing there dumbfounded, shocked beyond words.

They saw that in front of them was an incomparably grand palace. The palace was even more majestic than the palaces in the Northern Ying Continent. Moreover, the entire palace was splendid, and the surrounding pillars and walls, including the roof, were all golden.

Obviously, the entire palace is made of gold.

And at Yuefeng Station, between the palace and the palace, was a huge square. This square was bigger than any square Yue Feng had ever seen.

Around the square, there are more than a dozen huge statues of spirit beasts. There are twelve statues in total, corresponding to the twelve zodiac signs. Each statue is more than ten meters high. Can be alive at any time.

What surprised Yue Feng even more was that there were strange aura fluctuations within these retail statues.

hiss!

Seeing this scene, both Yue Feng and Yu Wenyan couldn't help gasping for air.

So shocking.

Finally, Yue Feng reacted, his eyes retracted from all around, and he looked towards the main entrance of the palace.

At the position of the palace gate at this time, there was a huge black dragon lying on it, with black scales all over its body, exuding a cold light, more than 100 meters long, and it was like a hill there.

Yue Feng clearly felt that this Flood Dragon was not real.

Obviously, the previous roar was made by this black dragon.

And above the black Flood Dragon, there is a burly figure suspended, an old man with a good aura.

This old man, with the long gray-white hair of the steamed bun, was wearing a black leather armor, and his body was filled with a powerful aura of the king, especially his eyes, which seemed to be able to see through the vicissitudes of the world and evil.

Like the black Jiaolong, this old man was also transformed into a powerful force, and he could feel his gaze, and Yue Feng felt terrified in his heart.

Who is this old man?

Is that the owner of this underground palace?

Yue Feng couldn't help but take a deep breath and muttered in his heart.

A few Yu Wenyan next to him, under the strong pressure of the old man, their brains were buzzing, and they were completely stupid.

Um?

Just when Yue Feng couldn't help but want to step forward and ask the old man's identity, his eyes suddenly flashed, and he was stunned when he saw the back of the black Jiaolong.

Just saw, in the shadow behind Jiaolong, a slender figure, kneeling there at the old man, with a beautiful face, showing deep piety and respect.

The charming curves reveal a wild beauty, and the delicate face reveals an indescribable tenderness.

It was Zang Yunyue who was rescued by Yue Feng not long ago.

Gudong!

At this moment, several of Yu Wenyan's subordinates also saw Zang Yunyue! One by one, they couldn't help but swallowed their saliva!

Speaking of which, most of the Rakshasa women are very sturdy, and they don't quite fit the aesthetics of Kyushu men, but there are exceptions, such as the Rakshasa Queen Mengna, who is a stunner in the world, combining the wildness of the Rakshasa with the softness of Kyushu women, Perfect fusion.

And Zang Yunyue in front of her was no less inferior to Meng Na.

Beautiful, really beautiful.

For a time, several subordinates were stunned.

"Huh..."

At this moment, Yue Feng reacted and was very surprised. He never thought that this woman would find this place so quickly.

Chapter 2659

On second thought, this place was originally found by the three brothers and sisters, and it is normal for Zang Yunyue to come here.

Thinking to himself, Yue Feng looked around vigilantly, Zang Yunyue was here, could her two brothers be here too, hiding in that corner?

At this time, Zang Yunyue also saw Yue Feng, a trace of depression flashed in her eyes, and she quickly regained her composure.

"For thousands of years, this place is so lively for the first time."

However, at this moment, the old man floating above the black dragon suddenly opened his mouth. While speaking, his eyes swept across Yue Feng and the others.

Loud and shocking.

Hearing the old man's voice, Yue Feng's whole body suddenly trembled. Although he didn't know who the old man was for the time being, he was still shocked when he heard him speak.

This... this is just an illusion of power, not a real person, how can he speak?

Looking at his dress, he must have been a big man in the world. Thinking of this, Yue Feng tried his best to calm himself down and cupped

his hands at the old man: "Don't blame me for breaking in rashly.

"

It has reached the late stage of the Tribulation Transcendence Realm, and it is rare to be so humble, rare, rare..."

What? !

At this moment, Yue Feng was stunned for a moment, and his heart was extremely shocked.

You must know that Yue Feng's true strength is only known to him, and even Zhu Bajie can't figure it out, and the old man in front of him can accurately say his strength just by looking at himself.

This.... what kind of existence at this time? too terrifying.

At this moment, Yue Feng seemed to see the figure of Guiguzi from the old man in front of him, even more terrifying than Guiguzi.

Gudong!

A few seconds later, Yue Feng reacted, couldn't help swallowing a mouthful of saliva, resisted the shock in his heart, and cupped his hands at the old man again: "Dare to ask the senior... your name." The person who

asked these words At that time, Yue Feng was confused.

At that moment, the old man showed a smile, and before he could speak, he was interrupted by Zang Yunyue.

“Fengtao!”

Zang Yunyue stood up slowly, looked at Yue Feng and Yu Wenyan, and said softly, “This is the ancestor of our Rakshasa people, praise your father.”

When he said this, Zang Yunyue’s beautiful face is full of respect.

What? !

At this moment, let alone Yu Wenyan, even Yue Feng was blinded! Staring blankly at the old man! Can’t say a word.

Kua.. Kuafu..

Did you hear it right? Is this old man Kuafu?

You know, the story of Kuafu chasing the sun, the continent of Kyushu, who doesn’t know? Almost no one knows, no one knows. It can be said that the name of Kuafu is much louder than that of Zhurong Gonggong and even Shennong.

After all, in ancient times, Kuafu was a god-like existence.

“Hey!”

Yue Feng was stunned for more than ten seconds before he realized it. He couldn’t help gasping for air. He only felt that his whole body was soaked with cold sweat.

Unexpectedly, Kuafu turned out to be the ancestor of the Rakshasa!

At this time, Yue Feng didn’t know that Kuafu was the number one general under Xuanyuan Huangdi back then. He helped Xuanyuan Huangdi and defeated Chiyou, and made great achievements in battle. Moreover, Kuafu was loyal to Xuanyuan Huangdi, and it was because of him that the Rakshasa clan was right. Xuanyuan Huangdi was born and died.

However, after the death of Kuafu, the Rakshasa tribe lost the restraint of their leaders, gradually became arrogant and arrogant, coupled with cruelty and easy to kill, and finally slowly rebelled against Xuanyuan Huangdi.

Chapter 2660

Call!

At this moment, Kuafu, who was suspended there, took a deep breath, looked around and said, “I left the last ray of thought here, so that future generations can get my

inheritance, but I didn't expect that this would be a problem. I have waited for so many years."

Saying that, Kuafu's eyes fell on Zang Yunyue: "Although you are a woman, you have a good talent. From now on, you will get my inheritance. Remember, you will benefit the tribe a lot in the future, knowing that is it?"

Hearing this, Zang Yunyue's delicate body trembled, unable to express her excitement.

Afterwards, Zang Yunyue reacted and was flattered: "Thank you for your great love, but... I'm afraid I can't take on this important task.

", I was shocked when I learned that Kuafu wanted her to accept the inheritance.

At the same time, Yue Feng, Yu Wenyan and others were also stunned.

Kuafu wants to give his inheritance to this Rakshasa woman? This is an ancient god-like existence, what kind of power will his inheritance be?

"Haha!"

Kuafu smiled and looked at Zang Yunyue seriously, his eyes full of admiration and love: "You are a Rakshasa person here, if you don't accept it, who else can you?"

Seeing him like this saying that, Zang Yunyue nodded: "Okay, I will obey the orders of the ancestors."

"Okay, okay!"

Kuafu was very happy, nodded in approval, and then looked at Yue Feng and the others: "Several With extraordinary temperament, he must be a person with kindness and kindness. During the inheritance process, we must not be disturbed in the slightest, I hope you can help me protect the law, how?"

At this

moment, Yu Wenyan and several subordinates, their eyes flickered, Some hesitant.

Speaking of which, Kuafu is an ancient god-like existence. Who wouldn't be jealous of his inheritance? So in Yu Wenyan's heart, in that instant, some thoughts arose, but he didn't dare to express them.

After all, the inheritance of Kuafu can only be obtained by the Rakshasa clan, and Kuafu has chosen Zang Yunyue. More importantly, although the Kuafu in front of him is always in a bad mood, his power is too terrifying. Even if he wants to grab it, Yu Wenyan doesn't have the courage.

“Okay! Don’t worry, senior!” Yue Feng did not hesitate at all.

In Yue Feng’s heart, Kuafu is a senior, and his wishes must be followed. Moreover, Yue Feng was open-minded and never thought of grabbing this inheritance.

“Okay, okay!”

Hearing Yue Feng’s answer, Kuafu was very happy, nodded at Yue Feng’s approval, and signaled Zang Yunyue to start accepting the inheritance.

At this moment, Yue Feng kept his promise and took Yu Wenyan with him to guard the entrance of the city gate.

“Yue Feng!”

At this time, Yu Wenyan bit his lip and asked very puzzled: “The inheritance of Kuafu is no trivial matter, and you know that the Rakshasa people are brave and good at fighting, and they were able to negotiate with Kyushu before because of the situation. But once this woman gets the inheritance of Kuafu, the power of the Rakshasa clan will greatly increase, which is not good news for us.”

“As far as I can see, this Kuafu’s remnant is strong, but with your strength, it should be It can be suppressed.”

“If you want to seize the inheritance, how about we cooperate with you?”

Yu Wenyan’s face was serious when he said this, but his eyes flickered, not looking at Yue Feng.

Yu Wenyan is thoughtful, resourceful and far-sighted, and her intelligence is comparable to Ren Yingying. Although she was forced to take Tongtian Pill by Yue Feng, she could not help herself, but she was still unconvinced in her heart.

Yu Wenyan thought about it, instigated Yue Feng to snatch the inheritance, and raided Yue Feng at a critical time. As long as Yue Feng was defeated, he would be able to get the Tongtian Pill antidote from him.

And if there is an antidote, there is no need to be controlled by Yue Feng.
