

The ultimate husband in Chinese chapter 2671-2680

Chapter 2671

Hearing this, Yue Feng sneered: "Okay, aren't you going to arrest me? Come in if you can!"

Su Li guessed right, Yue Feng lost a lot of internal strength before, but it is still very difficult to deal with Su Li. It was easy, but Yue Feng wasn't sure if there were any other pursuers, so he didn't want to waste his energy on Su Li.

Yue Feng thought about it and used this formation to capture Su Li alive.

"Haha!"

Su Li looked around at the formation, her face full of contempt: "Yue Feng, you have to underestimate me, thinking that a five-element gossip formation can trap me?" As she finished speaking

, Su Li lifted her legs and walked away. came in.

At this moment, Yue Feng remained calm, but secretly moved a wooden stake.

Su Li didn't notice Yue Feng's actions, and she was very excited at this moment. As long as she caught Yue Feng, she would have made a great contribution in front of her master, and she will have a bright future in the future!

Su Li is beautiful and smart, and she is very fond of Zhang Jiao. She often teaches her some secrets of formation, which also makes Su Li very proud of her personality.

In Su Li's eyes, the Five Elements and Eight Trigrams array in front of him was just a medium formation, which he could crack with his eyes closed. It was ridiculous that Yue Feng wanted to use this formation to trap himself.

"Yue Feng, let's capture it!"

The moment she entered the formation, Su Li let out a coquettish cry, clenched her long sword tightly, and stabbed directly at Yue Feng.

Yue Feng chuckled lightly and stepped back to avoid it.

Su Li bit her lip and continued to chase. She was very confident at first, but slowly, she realized that something was wrong. He and Yue Feng were clearly less than ten meters away, but they couldn't catch up with him.

What shocked her even more was that the surrounding formations seemed to have changed unknowingly, and she couldn't understand it!

This chapter is provided by . Visit for daily update.

How could this be?

Ha ha!

Seeing Su Li's shocked expression, Yue Feng sneered, and while she wasn't paying attention, he suddenly rushed over, shot like electricity, and directly sealed Su Li's acupuncture point.

Su Li's delicate body trembled, and she couldn't move at all.

"Thank you for being Zhang Jiao's apprentice." Yue Feng walked up to him, looked Su Li up and down at close range, and said sarcastically, "I don't know if there are several variations of this five-element gossip array?"

"You..."

Su Li's face flushed, she was ashamed and angry, and she was speechless for a while to refute.

At the same time, Su Li was also a little annoyed. She was too careless and fell into Yue Feng's trick. It's just, when did he change the formation? He didn't even notice it.

Yue Feng looked at her without the slightest sympathy, and asked, "I ask you, where are Dasheng Sun and the others?" From Yu Wenyan's mouth, Yue Feng knew that Wen Chou Chou was dead, while Da Sheng Sun and the others were caught by Zhang Zhang. Horns caught alive.

Because of Wen Chou Chou's death before, Yue Feng lost his mind, but now he calmed down and decided to first ask about the whereabouts of Sun Dasheng and others.

At this time, Yue Feng also knew that Sun Dasheng and everyone had already left Zhang Jiao's control.

Su Li snorted coldly, ignoring it!

"I'll ask you again, where are they?" Yue Feng asked again coldly.

Hearing the questioning, Su Li said angrily, "Why should I tell you? I warn you, it's useless if you catch me. Sooner or later my master will find this place. When that time comes, you won't be able to escape!"

Yue Feng was too lazy to talk nonsense , his eyes were bloodshot: "Do you want to say it or not?"

Su Li felt the killing intent in Yue Feng's eyes, but Su Li didn't panic at all, but instead mocked: "Yue Feng, don't scare me. I don't believe what you dare to do to me. "

When she said this, Su Li had a firm look on her face, but she was still a little nervous in her heart. After all, Yue Feng's aura was too strong.

Yue Feng frowned, completely impatient, and said coldly, "You forced me!" After he finished speaking, he suddenly stretched out his right hand and grabbed Su Li's long skirt.

Chapter 2672

"You..."

Su Li suddenly panicked, staring at Yue Feng in shock and anger: "What are you going to do?" It's just the two of you here, if Yue Feng wants to do something, you can do it yourself There is no resistance.

Looking at her expression, Yue Feng sneered, with a bit of teasing on his cold face: "We are alone, what do you think I'm going to do?"

Sting!

When the words fell, Yue Feng suddenly exerted force and tore off a piece of cloth, only to see Su Li's delicate body trembling, revealing a snow-white...

Su Li was completely panicked, almost crying, and scolded: "Yue Feng, what the hell are you doing? He is also a famous figure in Kyushu. Isn't it shameful to treat a girl like me in this way?"

"What hero, I think you are a despicable and shameless womanizer."

Su Li cursed more and more fiercely, but found that Yue Feng did not take the next step, but looked at himself with a half-smile.

That's right, Yue Feng didn't want to do anything to her, just tore off her skirt just to scare her.

Seeing Su Li's face with tears and grief and anger on her face at this time, Yue Feng knew that it was almost done, and said coldly, "Do you want to talk about it now?"

Hearing this, Su Li bit her lip and whispered: "Sun Dasheng I really don't know where they are, all I know is that three days ago, with the help of Wen Chou Chou, they escaped from the main altar, and then they disappeared!"

Su Li's face showed a bit of a hint of flickering. Complicated: "We have no organization, and we are hunting them. There is just no clue."

Phew!

Yue Feng was stunned for a moment, and his heart was very excited.

Great, Sun Dasheng and the others actually managed to escape, so now they don't have to worry about it.

I thought to myself that Yue Feng was about to let Su Li go. To be honest, although this woman is abominable, Yue Feng didn't intend to kill her. Now that I get the answer I want, I don't want to waste it with her.

Whoops!

However, at this time, I saw the sky not far away, and more than a dozen figures flew quickly. It was the hall masters of the Wutian Organization.

"Seeing that your nature is not bad, I will spare you today." Yue Feng looked at Su Li, and said coldly: "Your people are here, let them solve your acupuncture points later, but I will change this formation. Now, it's up to them whether they can come in or not." The

voice fell, Yue Feng turned around and flew into the air, quickly flying towards the distance.

Fang Qifo told him before that if he succeeded in getting out of trouble, he would go to a small town in the northwest to meet up. He had delayed for so long to deal with Su Li, and it was estimated that they had already arrived.

At this time, Yue Feng didn't know that Fang Qifo and Meihui had been imprisoned by Zhang Jiao's suspicion.

"Hey, you..."

Su Li was furious when she saw Yue Feng walking away, her delicate face was full of humiliation.

This bastard, Yue Feng, had his own acupuncture points and tore off his skirt. When those hall masters approached and saw this scene, how would he meet people in the future?

This bastard did it on purpose.

The more Su Li thought about it, the more angry she became, her delicate face was full of shame and anger.

Yue Feng, when you fell into my hands that day, you will definitely be told that you cannot survive and die.

.....

the other side.

Qingyunzong's back mountain cell. Fang Qifo and Meihui were sitting in the corner, each other's faces were very solemn.

Especially Fang Qifo, looking at the night outside, his heart is even more anxious.

Done!

Before, I used up too much internal energy, and the effect of having no appearances and thousands of faces will soon disappear. At that time, I will return to my original face and be known by Zhang Jiao, and it will be completely over.

Chapter 2673

Thinking to himself, Fang Qifo tried his best to calm himself, and said softly to Meihui: "Teacher, Master has a plan, you must cooperate well later, you know?"

Hearing this, Meihui's eyes Yiliang quickly asked, "Master, what plan do you have?"

In her heart, Master knows everything and can do anything.

call!

Fang Qifo took a deep breath, looked at the guards outside the old gate, and said in a low voice, "I'll find a way to bring the guards here, and then give you a chance to leave, remember, you can just run, don't worry about me. Do you understand?"

When he said this, Fang Qifo was a little helpless, and in the current situation, he had no better way at all, the only thing he could do was to get Meihui out of danger and pass on the Thousand Faces.

What?

Hearing this, Mei Hui's delicate body trembled, and she stared at Fang Qifo blankly, her whole body stunned.

What is the way to do this? It's a complete mess.

"No?" Soon, Meihui reacted and shook her head resolutely: "I want to go with Master. If Master doesn't go, I won't go either."

Although they didn't get along for a long time, Meihui could feel that Fang Qifo It is to love myself from the bottom of my heart. In this world, the person closest to me, besides my eldest brother Yue Feng, is Master.

Moreover, Meihui was still thinking about traveling with Fang Qifo in the future, how could they separate so quickly?

"Teacher!" Fang Qifo said with a wry smile: "Don't be so stubborn, if you follow your ideas, neither of us will be able to leave. Be obedient, okay?"

After speaking, Fang Qifo became serious and continued: "You are talented Yes, I have no regrets in my life to receive an apprentice like you. Next, I will pass on all my cultivation experience to you, so listen carefully."

As soon as the voice fell, Fang Qifo taught himself the secret of being a thousand-faced person, without concealment.

At this moment, Meihui resisted from the bottom of her heart, but seeing the seriousness on Master's face, she didn't dare to go against it, so she could only tearfully remember every word of Fang Qifo in her heart.

call!

Half an hour later, Fang Qifo imparted the last sentence, took a deep breath, and patted Meihui's head with a smile: "After you escape, join up with Yue Feng as soon as possible, and then carry forward the Thousand Faces. "

Meihui nodded, feeling very sad.

Bang bang bang...

Seeing her promise, Fang Qifo was not talking nonsense and slapped the iron bars of the cell hard.

"What are you doing?!" The

movement made the guards outside very dissatisfied, frowning and came over, coldly scolding: "I cut you again."

Fang Qifo showed a smile and complimented: "Little brother, please come closer. Now, I have something to tell you."

“What?” The guard looked impatient. But he still walked slowly.

Fang Qifo kept smiling, watching the guard getting closer and closer, he took out a dazzling inner alchemy from his body, and said politely: “Please send a message to Mr. Zhang, just say that I have a serious situation, Report to him.”

While speaking, Fang Qifo handed the inner alchemy to the outside of the railing.

At this time, Fang Qifo had a harmless look on his face, but he was secretly ready to go.

Swish!

In an instant, the guard’s gaze was drawn to Neidan, and he was very excited and shocked.

Damn it, the inner alchemy of the Martial Emperor Realm, if he successfully integrates himself, wouldn’t his strength increase a lot?

Excited, the guard did not hesitate at all, and walked over quickly: “This... Since you are so sincere, I will help you spread the word.” When the voice fell, he was about to take the inner alchemy.

However, at this moment, before the guard’s hand got the inner alchemy, Fang Qifo’s hand was clenched into a fist, and he slammed into the guard’s heart with lightning speed.

Chapter 2674

Fang Qifo was so fast that the guard had no time to react.

boom!

Hearing a dull sound, the guard was directly punched in the heart and passed out.

Fang Qifo was quick-witted, and his other hand quickly reached out, grabbed the guard’s clothes, pulled him to the iron fence, and quickly found the key.

Whoa!

The next second, Fang Qifo called at the prison door, turned back and shouted at Meihui, “Quick, hurry up!” To

be honest, Fang Qifo really wanted to leave with Meihui, but he had consumed a lot of internal energy before. Going together will only drag her down.

More importantly, there are a lot of unorganized people outside, and Fang Qifo has to use himself to attract enemies and cover Meihui.

“Master!”

Mei Hui quickly rushed out of the cell, biting her lip, but did not leave immediately, but looked at Fang Qifo with reluctance.

She knew that Fang Qifo wanted to stay behind as a cover to give herself a chance to leave, but at such a time, how could she leave?

Hula...

At this moment, when I heard the movement inside, dozens of disciples from the Heavenless Organization rushed in. Seeing that the prison door was opened, Fang Qifo and his apprentice both ran out, and one of the guards fell unconscious on the ground, and they were all shocked and angry.

“What a brave man!”

“Take it!” In the

roar, dozens of disciples from the Heavenless Organization swarmed towards Fang Qifo.

Seeing so many people rushing in, Fang Qifo’s face was fearless, and his inner strength urged him to meet him.

At this time, Fang Qifo could feel that his inner strength was almost exhausted, but for the sake of the inheritance of the Thousand Faces, and for the safety of his disciples to leave, he completely sacrificed himself.

“Master, I’m here to help you!” Meihui couldn’t help shouting, and was about to rush over.

However, he was scolded by Fang Qifo before he rushed a few steps.

“You go quickly, Master blocks them, remember what I told you just now. Go!” Fang Qifo howled loudly, no doubt.

“I...”

At that moment, Meihui’s tears finally couldn’t be restrained, and she kept shaking her head: “I won’t go, I won’t go, Master, let’s go together.”

Abandoned Master, to leave alone, she can’t do it, really can’t do it.

“Stupid apprentice, if you don’t leave, both of us will die here, let’s go, hurry up!” Fang Qifo suddenly became anxious and shouted like crazy.

puff!

As soon as the words fell, a disciple of the Heavenless Organization rushed over, the long sword pierced Fang Qifo’s shoulder at once, and the blood was left, staining the ground red.

“A bunch of scumbags, just because you want to arrest me? Come on!” Under the severe pain, Fang Qifo was completely insane, and his internal strength surged, sending a few people out.

hiss!

Seeing that Fang Qifo was so brave, the rest of the Wutian organization disciples couldn’t help but gasped.

Nima, the head of the Snow Mountain Sect, is this powerful?

Everyone present at this time, except for Mei Hui, did not realize that the person in front of him was not the head of the Snow Mountain Sect at all.

Master....

Seeing this scene, Meihui’s tears kept flowing, her eyes were fixed on Fang Qifo, her lips were about to bleed. She will never forget that this master, who had just been in contact with him for less than half a month, finally traded her own life for her own safety.

“Go, go!”

Fang Qifo kept shouting, while urging his skills to deal with the enemy, he shouted at Mei Hui, perhaps because he was too excited, just after he finished speaking, a mouthful of blood spurted out.

Many Wutian organization disciples rushed in, and more and more, Fang Qifo was almost unable to bear it.

“Master, if something happens to you, I swear, I will destroy the Wutian Organization to avenge you!” Finally, Meihui couldn’t hold back any longer and burst into tears.

Chapter 2675

Immediately, taking advantage of Fang Qifo blocking the crowd, Mei Hui rushed out quickly, her figure flew up, and went into the distance.

call!

Seeing Meihui's figure disappear into the night, Fang Qifo took a deep breath, and the big stone in his heart finally fell.

Immediately afterwards, Fang Qifo's gaze fell on the people in front of him again, flashing with determination!

However, as there were more and more enemies, Fang Qifo couldn't hold on anymore.

Pfft!

Finally, Fang Qifo's last trace of internal strength was exhausted, he staggered back, leaned against the wall, his face was pale, and he was extremely weak.

At the same time, the camouflage on his face slowly disappeared, and it returned to its original appearance. The knife-cut face had no expression at all, only a hint of pride flashed in his eyes.

hiss!

Seeing this scene, everyone present couldn't help gasping for air.

"This...what's the matter?"

"He's not the head of the Snow Mountain Sect?"

"Why did his face change? Who is he?" While

everyone was talking, a figure walked in slowly, with a sinister face, revealing With a bit of anger, it was Zhang Jiao.

Seeing Zhang Jiao coming in, all the Wutian Organization disciples at the scene hurriedly knelt on the ground, all of them being extremely respectful.

Fang Qifo was indifferent.

Um?

Seeing the scene in front of him, Zhang Jiao frowned: "What's the matter? Where is the person?" As he asked, he looked at Fang Qifo.

"Master!" A disciple hurried over and said cautiously, "This person is pretending to be the head of the Snow Mountain Sect." After speaking, he explained the scene just now in detail.

Hearing this, Zhang Jiao was calm on the surface, but he was extremely surprised in his heart.

There is such a magical camouflage in the world?

Thinking of this, Zhang Jiao walked over slowly, looked down at Fang Qifo, and asked coldly, "You are not too timid to pretend to be the head of the Snow Mountain Sect to deceive me. It seems that my intuition was correct before, and you really have it. Question."

As he spoke, Zhang Jiao's eyes flashed with a hint of sternness: "Tell me, who are you?"

"Thousand-faced!" Fang Qifo said lightly.

Fang Qifo knew that if his secrets were exposed, he would definitely not be able to survive, but he didn't feel the slightest panic. Anyway, the apprentice had successfully escaped.

The Thousand Faces?

Hearing these three words, Zhang Jiao was stunned for a moment, and his heart was extremely shocked.

Is this person a thousand-faced person? No wonder you can deceive yourself.

Zhang Jiao is a cultivator who has gone through thousands of years. He has a lot of knowledge. Before he was suppressed by Lu Bu, he heard about a mysterious organization of cultivators in Jianghu. It looks like anyone, but the Thousand Faces is very mysterious. After thousands of people came, Zhang Jiao had only heard of such a person, but he had never seen it before.

But he never thought that the person in front of him who pretended to be the head of the Snow Mountain Sect was actually the One with Thousand Faces.

Hehe...

At this time, Zhang Jiao reacted, smiled slightly, and said to Fang Qifo: "Your camouflage skills are truly amazing, you don't need to panic, I, Zhang Jiao, have always been very good at people who are really capable. Respect."

"No matter what your relationship is with Yue Feng, as long as you are willing to rely on me, I promise, I will give you everything you want, how about that?"

When he said this, Zhang Jiao looked relaxed, but there was some expectation in his eyes.

Yes, Zhang Jiao didn't really want Fang Qifo to join, but wanted to get his camouflage. After all, this kind of camouflage is so shocking that I didn't even notice it before.

Fang Qifo has been walking around the world for many years, and he is not a fool. He immediately saw Zhang Jiao's purpose, chuckled lightly, and refused without hesitation: "I understand the good intentions, and cooperate with a wicked person like you. , it's a shame to me."

"Kill if you want, no need for nonsense.

The ultimate husband in Chinese chapter 2676-2680

Chapter 2676

Hiss!

At this moment, the entire cell was silent! Everyone's eyes are frowning at Fang Qifo!

He...he is so bold, even if the lord personally invites him and refuses, he dares to call the lord a wicked person!

Tired of living?

Just at this moment, Zhang Jiao's face suddenly turned extremely ugly. You must know, in front of so many subordinates, being so insulted by Fang Qifo, where would he put his face?

For a while, the atmosphere in the cell was extremely solemn. Except for Fang Qifo, everyone present did not dare to take a breath.

"Okay, very good!"

Finally, at this time, Zhang Jiao sneered: "Since you are begging for death, I will fulfill you!" The voice fell, and Zhang Jiao slapped it with lightning.

Fang Qifo's internal power was a catastrophe, and he was extremely weak, and he couldn't avoid it at all. This palm hit his heart, and Fang Qifo groaned. Already out of breath.

"The one who escaped just now was his apprentice, so send someone to chase him immediately and be sure to catch him back." Zhang Jiao's face was extremely gloomy, and he ordered everyone around him.

"Yes!" Everyone around hurriedly responded, and then organized manpower to chase after Meihui.

At this time, Zhang Jiao's mind changed, and he quietly looked at Fang Qifo's body, the corners of his mouth twitched: "Although you would rather die than use it for me, you have given me some inspiration.

"The disciple beside me said, "Pass my order, everyone get ready. Early tomorrow morning, I will set off for the Holy Sect. Empress Chang'e has been away from the world and cultivated for so many years, so it's time to leave the mountain." The

last sentence fell, Zhang Jiao showed a smile, and his eyes were full of eyes. treacherous.

On the other side, south of Xuanshi City, the habitat of the Rakshasa! Queen's Palace!

The Queen's Hall is a palace specially built by the Rakshasa clan for Mona. It is where Mona handles political affairs and receives her subordinates and VIPs. Although it is not as magnificent as the palace in the Kyushu mainland, it is also majestic.

Since the building of the main hall, it has always been solemn and deserted, but today, it is an indescribably lively celebration!

At this time, the main hall was full of banquets, and the officials of the Rakshasa tribe, as well as the warrior generals, all sat down in full costumes.

On the throne of the main hall, Mona wore a leather robe unique to the Rakshasa tribe, embellished with jewelry and bone accessories, giving a different kind of sexiness, and her body was filled with a powerful aura that could not be desecrated.

Near the bottom of the throne, there are several seats specially set up, namely, Jade, the city master of Xuanshi City, the three brothers and sisters of Zanghuoyue, and the twelve gods of the Rakshasa clan.

Yes, the three brothers and sisters of Zangshuiyue entered the Kyushu Continent, searched for the former clan land, and explored the ancestor Kuafu underground palace. This matter was allowed by Mona, and Jed was solely responsible for it.

Half a day ago, the three brothers and sisters successfully returned, and Zang Yunyue received the inheritance of the ancestors. The entire Rakshasa clan was very happy. Mona was very happy and specially held this celebration banquet.

At this time, Jed sat there proudly dressed in full clothes, and couldn't hide the pride on his face.

This time, the three brothers and sisters were able to successfully find the underground palace.

“Jed.”

At this time, Mona’s eyes fell on Jed and smiled: “This time you can successfully find the ancestral underground palace and get the inheritance. You have contributed a lot. From now on, you will be awarded the title.

” A few months ago, I was disrespectful to Yue Feng and made myself very angry, but I have to say that his ability to do things is very strong.

“Thank you, Her Majesty!” Jed quickly got up and thanked him with a smile on his face.

Everyone next to him stood up to congratulate, Jade smiled and said hello, the scenery was infinite.

“In addition!”

At this moment, Mona showed a smile, and her eyes fell on the three brothers and sisters of Zangshuiyue: “You three brothers and sisters are the heroes of my Rakshasa clan, Yunyue has obtained the inheritance of the ancestors, this king gives you As a saint, you will be admired by the whole family, and I hope you will serve the entire ancestor well in the future.”

Hearing this, Zang Yunyue’s delicate body trembled, and she was very flattered: “Thank you, Her Majesty, for your love.”

And Zang Shui, who was sitting beside him The Yue brothers had a calm look on their faces, without the slightest excitement.

“Your Majesty!”

At this moment, Jed stood up and said to Mona: “Three years ago, the Kyushu Continent united, and the strength was strong. Having obtained the inheritance of our ancestors, our strength is unfathomable. This is an opportunity and a good sign for us.”

“I think we can plan well and conquer the Kyushu Continent.”

Chapter 2677

When the last sentence was finished, Jed looked around.

In an instant, the people who were friends with Jade in private responded.

“That’s right, it’s really embarrassing for us to live in such a small place.”

“Although we built a Profound Stone City and took the initiative to trade with the people of Kyushu, is this the result we want?”

“Your Majesty, Jie De is right, the continent of Kyushu is vast, and we can have better habitats instead of hiding in this ghost place.”

The opinions of the people kept coming, and Mona frowned.

Finally, Mona couldn't bear it any longer, she slammed down the dragon chair and shouted: “Shut up!”

Immediately, Mona stood up slowly and looked around: “I know, you have a lot of complaints in your heart. , but compared with the wild and strange realm, it is already a paradise.”

“Yes, we Rakshasa are brave and good at fighting. In terms of strength, there is no force in the Kyushu continent that is our opponent, but you forgot that thousands of years ago, Because our ancestors were too arrogant and conceited, they were driven to the wild and strange realm.”

“Now we finally have a new beginning, and I don't want to fall into endless wars again.”

“Also, fighting is not ours. The only fate of the clan.”

Seeing Mona's anger, many people closed their mouths.

“Your Majesty!”

Jed was very dissatisfied, and looked at Mona fearlessly: “I thought you were the only great queen of my Rakshasa clan, but I didn't expect that you would be so cowardly, I really lost our Rakshasa people. Maybe it was a mistake to support you as the queen back then!”

“You want to be subordinated to the mainland of Kyushu, looking at the faces of those people from Kyushu, I don't want to be like this for the rest of my life.”

“You are bold!” Hearing this, Mona's pretty face changed, her petite body trembled with anger, and she pointed at Jed

Jiao and shouted, “Come on, put Jedla down and put him in jail.”

Be bold and dare to say in public that you are not.

Mona was originally the only daughter of the previous Rakshasa King, with a arrogant temperament. No one dared to violate her last wish from childhood to adulthood, but at this time, Jed actually committed the following crime.

Although Jade is a rare talent of the Rakshasa clan, but with some credits, he is arrogant, no matter how strong his ability is, he cannot keep it.

Hula...

The voice fell, and the twelve divine powers sitting beside them all stood up at once, and surrounded Jade directly.

Seeing this scene, the others in the hall were all silent, and they didn't dare to take a breath. The twelve gods are dispatched together, who dares to stop them? Besides, Jed is really too much.

Pfft!

However, before they could reach Jed, the twelve divine powers all frowned, and then collapsed to the ground!

what's the situation?

Mona frowned slightly, and couldn't help but say, "What's going on?"

One of the gods, with a complex expression on his face, said weakly, "Your Majesty, this subordinate is suddenly weak, which is very strange." The

voice just fell, The other gods also joined in.

"Me too!"

"The wine...seems to be a problem!"

Hearing this, Mona realized that it was not good, and her beautiful face was extremely ugly.

Ha ha...

At this moment, Jed stood up proudly and sneered at Mona: "Mona, I can't imagine that this banquet was arranged by me. I didn't notice it at all, you said, what qualifications do you have to be the king of the Rakshasa clan?"

What?

Hearing this, both Mona and everyone else present were shocked.

Chapter 2678

This...

At this moment, many people's eyes were fixed on Jade, and they were extremely shocked.

This Jed is really audacious, he dares to do something at the celebration banquet.

Mona's pretty face also changed, and she was furious. She glared at Jade and said coquettishly, "Jade...you are so bold. Do you know what you are doing?"

"Half a month ago, in Xuanshi City, Trading house, what you have done, I have given you a chance, but I didn't expect that you not only did not restrain, but became more and more arrogant! How dare you commit the crime now?"

When she said this, Mona's delicate face was full of anger, This Jade, relying on his position in the clan, acted arrogantly and domineeringly, he had turned a blind eye before, but he never thought that his connivance made Jade more and more arrogant! Today, I actually did my hands and feet at the celebration banquet.

If this person is not eliminated, it will become a serious problem in the future!

"Where are the warriors in the main hall?" The more Mona thought about it, the more angry she became, and she

looked outside the hall: "Quickly take Jed to me and put me in jail..."

At this moment, Mona was full of anger, but her heart was full of anger. I felt a little uneasy. The twelve divine powers were poisoned and had no ability to escort them, so I couldn't count on them at all, and I just drank two cups, and my inner strength was also affected.

In this case, we can only rely on the warriors outside the main hall.

However, no warrior came in under Mona's drank. Jed transferred all the warriors in the hall to other places before the celebration feast began.

It can be said that the situation in the main hall at this time is already under Jade's control.

"No need to shout, no one will help you today!" Jade sneered.

The voice fell, and a dozen people stood up one after another in the surrounding seats. All of them had a good relationship with Jade in private and held important positions in the clan.

The moment they stood up, these people looked at Mona in a complicated way and comforted her.

“Mona, there is a saying in Kyushu, that the person who knows the current affairs is called Junjie...”

“You really are not fit to be king, step down!”

“Yes, as long as you are willing to step down, we will not embarrass you.”

These People, we have discussed with Jade in private, and we will force Mona to step down together while taking advantage of this festive feast.

call!

Seeing this scene, the rest of the people all changed their faces and stepped aside, no one dared to criticize. Jed is so powerful that he doesn't even care about the Queen, who can compete with him!

Moreover, at this time, the situation in the main hall was firmly controlled by Jed, whoever came out would die.

What?

Seeing this scene, Mona's delicate body trembled, her beautiful face was extremely ugly, and she glared at Jed: “Jed, you commit a crime below, you are treasonous, and the ancestors of the Raksha clan will not let you go, God won't let you go?”

“Treachery and seizing the throne?”

Jed's mouth twitched, looking at Mona with a playful smile: “Mona, what is wrong with what you said? For thousands of years, only men have been kings in our Rakshasa clan, and there has never been a queen. After all, women have a narrow vision. When they supported you as queen, it was just for the sake of the previous generation of kings.

” It is an advanced decision to hand it over to you, but unfortunately, women are women, and the Kyushu people will give you a little favor, and you will start to settle for the status quo.”

“Mona, don't talk nonsense, the situation is very clear now, Quickly give way, otherwise, don't blame us for being rude.”

Swish!

Hearing this, Mona was very angry, and said coldly: “Jed, I should have seen your wolf ambitions long ago.”

After saying that, Mona looked resolute: "Stop talking nonsense, today is death, and I will too. I won't let you succeed!"

"I don't know how to praise!"

Hearing this answer, Jed's face was extremely gloomy: "If that's the case, then don't blame me!"

Chapter 2679

Om!

The voice fell, and a powerful breath burst out from Jed's body, slapped it fiercely, and hit Mona directly.

Seeing this scene, everyone who retreated to the surroundings was taken aback.

This... This Jade is crazy, forcing Her Majesty to abdicate is not counted, and now he is doing it!

Zang Yunyue, who was sitting beside her, was also trembling and shocked.

In the next second, Zang Yunyue reacted and said to the two brothers next to her, "Big brother, second brother, what should I do?"

At this time, Zang Yunyue was very anxious and a little complicated at the same time. When the three brothers and sisters were young, their parents died. The three brothers and sisters depended on each other for life. It was very hard. Later, Jade adopted them.

It can be said that Jed is the father of rebirth of the three siblings.

Zang Yunyue has always respected Jade. In her heart, Jade was loyal to the Rakshasa family, but she never thought that one day this adoptive father would be so rebellious and dare to attack the queen in public.

In the face of the little sister's panic, the brothers Zang Shuiyue and Zang Huoyue looked indifferent.

"Little sister! Don't worry about it."

Zang Shuiyue tilted her head and glanced at Zang Yunyue, then shook her head secretly, signaling her not to be nervous.

Yes, this time Jed decided to force Mona to step down, and the brothers Zang Shuiyue and Zang Huoyue knew in advance. Moreover, they are also very supportive of Jade.

“Do it with me?”

At this time, seeing Jade rushing directly over, Mona’s face flushed red and she was extremely angry, but she didn’t panic too much.

Although Mona drank poisonous wine, the exercises she practiced were unique skills that the Rakshasa kings of all dynasties could only practice, which could temporarily suppress the poison.

Bang!

In the blink of an eye, the two palms collided, and they saw Mona and Jade shaking their figures, then stabilized their figures. Obviously, no one took advantage of this palm.

Made!

Jed looked at Mona closely with a gloomy expression on his face. This Mona, who drank his own poisonous wine, was able to explode with such a powerful force. It seems that the miracles practiced by the great kings of all dynasties are really mysterious. It is the strongest practice of the Rakshasa.

Thinking to himself, Jed’s eyes flashed with burning heat, yes, just now he was so eloquent, saying so many things about Mona, forcing her to give up, in addition to wanting to be a king, more importantly, he also wanted to get Mona to practice. Extraordinary work.

call!

Mona and Jed looked at each other, their beautiful faces were full of determination, and at the same time there was a bit of consternation.

This Jade, when did his strength become so strong?

Soon, Mona realized that Jade has been hiding his strength. As for his purpose of hiding his strength, he was waiting for this day.

Understanding this, Mona was even more angry.

“Everyone!”

At this time, Jed looked around and shouted: “If you don’t want to be ruled by this woman, help me take her down!”

Hula!

The voice fell, and two people rushed up immediately.

“Jade, let’s help you!”

At the same time, other people who had a good relationship with Jade followed closely. For a time, more than a dozen figures erupted in internal power and quickly surrounded Mona in the middle.

“You...”

Seeing so many people rushing over, Mona’s body trembled and her face was extremely ugly. She never thought that Jed had won over so many party members in the past three years.

Chapter 2680

However, Mona has been a Rakshasa queen for three years, and she is no longer the impulsive princess she used to be.

Facing the appearance in front of her, Mona quickly calmed down, sneered, and her beautiful face had no expression at all: “Okay, very good, it turns out that you have secretly taken refuge with Jed, and you dare to rebel with him, it is all sin. Damn it!”

Ouch!

The voice fell, and a terrifying breath burst out from Mona’s body, and in an instant, the surrounding air seemed to be stagnant.

The strong breath makes the people who are suppressed panic!

“Crack!”

With a crisp sound, a long white bone knife appeared in Mona’s hand.

The long sword is more than ten feet long. It is Mona’s father, the weapon of the previous generation of Rakshasa Kings. Three years ago, after the Rakshasa tribe and the Kyushu Continent had peace talks, Mona began to send people to find her father’s whereabouts. At the bottom of Wanzhang Volcano, the remains of my father were found, as well as the long sword of white bones.

Since then, Mona has been carrying the long knife close to her body in memory of her father.

hum!

As soon as the knife came out, the surrounding temperature seemed to plummet! There was an aura of death in the air of the entire hall.

However, many people in the hall broke into a cold sweat for Mona.

Although Mona is powerful and has the weapons of the previous generation of Rakshasa Kings, Jed is not weak, and there are so many help from his party. Mona alone is a bit mysterious to deal with so many strong men.

“Hehe...”

Looking at the long white bone knife in Mona’s hand, Jed’s eyes flashed with fear, but he still sneered: “Mona, don’t do the fearless struggle, the overall situation is settled, surrender now!”

When the words fell, Jade waved his hand, and in an instant, the surrounding accomplices moved one after another, forming a formation with both offense and defense, surrounding Mona in the middle.

Um?

Seeing this scene, Mona’s face was expressionless, but there was something wrong in her heart.

Mona clearly saw that although Jade and the others did not form a formation, they cooperated tacitly with each other and had both offense and defense. It was difficult to break through their formation in a short time.

However, Mona was not discouraged at all, and went straight to face it and fought fiercely with Jed.

Mona is powerful, with a long sword of bone in her hand, and while waving, there are bursts of ghost-like whistling, very fierce, and everyone from Jade dares not get close, but Mona is also besieged by everyone from Jed to death, for a while and a half Can’t get out for a while.

The battle was deadlocked for a while! As the time dragged on, Jed was so anxious that he could not hold on to his accomplices. He shouted at

the Zang Shuiyue brothers in their seats, “Shuiyue, Huoyue, what are you waiting for?”

Jed, his face was gloomy, but his heart was like an ant on a hot pot.

He has completely torn his face with Mona. If you can’t stop Mona today, not only will all your efforts be in vain, but you will also fall into a doom.

Whizzing!

When the words fell, the brothers Zang Shuiyue and Zang Huoyue looked at each other, without any hesitation, they flew up together, rushed to Jed's side, and fought against Mona together.

Huh..

Seeing this scene, everyone who retreated to the surroundings raised their hearts.

They saw that after the addition of Zang Shuiyue and Zang Huoyue, the situation suddenly turned to Jade's side, and Mona, facing the siege of so many masters, was in danger, and her face gradually turned pale.

Yes, the repressive poison is about to start to strike.

For a time, many people wanted to rush to help Mona, but they were afraid of Jade's power and finally held back.

Bang!

After another ten minutes, Mona finally couldn't hold it anymore. At this moment, Jed found an opportunity, attacked from behind, and slapped Mona on the shoulder.

This palm contained Jade's seven-layered skill, and Mona couldn't react at all. She heard a groan and was shocked and flew out, flying dozens of meters away before landing on the square outside the main hall.

puff!

Mona struggled to stand up, her delicate body trembled, she couldn't help spitting out a mouthful of blood, and stared at Jade, very unwilling.

Is this God's will? Are you doomed to die at the hands of Jed?
