

## The ultimate husband in Chinese chapter 2701-2710

Chapter 2701 The

voice fell, and the surrounding Liujintan disciples also agreed.

“That’s right, can that kid be better than my master?”

“Even if he said the question about the big sister just now, it’s just a coincidence!”

“Liu Qingqing, don’t pretend, I think you’re here to see a joke, right? ?”

Everyone’s accusations came from you and me, Liu Qingqing was so angry, her delicate body trembled!

In the next second, Liu Qingqing gathered up his courage and said, “Thank you, Altar Master, if Wuchen doesn’t understand anything, can he be so accurate? If he is blind, why can he accurately name Fengchi and Yinshen points? What?” The

voice fell, Xie Liuyun was stunned there, speechless!

At the same time, the surrounding Liujintan disciples also stopped berating!

Yes!

Everything that kid said just now was fulfilled by Zhang Na.

If it is Mongolian, how can it be so accurate?

“Who is this person?”

At this moment, Yi Yunfeng looked at Yue Feng and was very surprised.

Xie Liuyun’s face was a little embarrassed, but he still explained the situation.

Someone sent by Yue Feng?

This chapter is provided by . Visit for daily update.

Yi Yunfeng frowned, then he couldn’t help laughing, and said to Xie Liuyun, “Since this little brother has said Zhang Na’s situation in one sentence, maybe he really has a way, why don’t he give it a try!”

Xie Liuyun’s face changed, and he resisted instinctively: “Master Yi, what are you kidding? How can the lives of our Saint Sect disciples be handed over to an outsider?”

When he said this, Xie Liuyun's face was extremely embarrassing.

In Xie Liuyun's eyes, that kid is a nameless person who is not in the mainstream. Moreover, a few minutes ago, Liu Qingqing was forced to drive him away. , where to put face?

Zhang Na, who was lying there, couldn't help but said, "...I don't want him to save..."

Like Xie Liuyun, Zhang Na looked down on the people brought by Liu Qingqing from the bottom of her heart.

Seeing this situation, Yi Yunfeng smiled and said helplessly: "This is the only feasible way, if not, you can only ask the sect master to leave the gate ahead of time, but you know the sect master's temper, the retreat is usually interrupted. , the consequences are unimaginable."

Phew!

Hearing this, Xie Liuyun was very entangled in his heart, yes, who would dare to disturb during the retreat of the headmaster?

Moreover, Yi Yunfeng also said that even if the Sect Master came, it was hard to say whether there was any way.

After more than ten seconds, Xie Liuyun made up his mind and waved at Yue Feng: "Since you have a way, come and try it!" What's the

matter, Xie Liuyun didn't want to invite him, but he couldn't help it. , Zhang Na's situation at this time, if she doesn't rescue in time, she will really die!

However, Yue Feng was standing there motionless.

"Thank you, altar master!" Yue Feng smiled lightly, looked at Xie Liuyun and said: "If you let me save, I will be saved? Just now, you wanted to drive me away."

Uh...

Xie Liuyun's face suddenly became ugly, but still Squeeze out a smile: "Little brother, I have offended you a lot just now, I hope you don't take offense!"

When he said this, Xie Liuyun had a smile on his face, but his heart was gloomy!

Madd, this kid is still putting on a show, you wait for me!

"All right!"

Yue Feng pondered for a while, and made a reluctant appearance: "Since Altar Master Xie is so sincere, I will try it, but I still have one condition."

"What condition?" Xie Liuyun asked with a frown.

The surrounding Liujintan disciples also frowned secretly and looked at Yue Feng unhappily.

Does this kid really think of himself as a character? Master has already made concessions, but he still has to make further progress?

Yue Feng smiled slightly, looked around and said, "It's very simple, if I save Zhang Na, she will apologize to Liu Qingqing in public, and, in the future, when you people in Liujintan meet Liu Qingqing, you will shout out respectfully, Senior Sister."

Chapter 2702

Wow!

The voice fell, and the audience was in an uproar.

All the disciples of Liujintan changed their faces, and they were very angry.

"What did you say, kid?"

"Do you want us to honor Liu Qingqing as senior sister? And senior sister to make amends to her?"

"It's so shameless, what qualifications do you have to say these words?"

Yi Yunfeng, who was standing beside him, was also wrinkled. Frowning, he looked at Yue Feng with interest, his eyes flashing a strange light.

This kid is very kind, dare to talk to Xie Liuyun like that?

Liu Qingqing was even more shocked, looked at Yue Feng blankly, and was stunned.

She knew that this Yue Feng's subordinate had a great sense of justice. She saw that the people in Liu Jintan were targeting her everywhere. At this time, she took advantage of Zhang Na's illness to seek justice for herself.

But...isn't he too confident like this, what if he can't save Zhang Na after waiting?

"Good boy!"

At this time, Xie Liuyun was unforgivable, his inner strength surged, and he glared at Yue Feng: "You are courting death!" The

voice fell, and Xie Liuyun wanted to do it.

A nameless soldier, he promised to let him save Zhang Na, which was already very face-saving, but he even made an inch.

Feeling Xie Liuyun's anger, Yue Feng did not panic at all, and smiled lightly: "What? The dignity of your Liujintan is more important than Zhang Na's life? It seems that you, a master, say that you care, but it's actually not very important. That's it."

Xie Liuyun's face was ashen, and he was speechless for a while.

"Ha ha!"

At this moment, Yi Yunfeng smiled and said: "Thank you, altar master, what this little brother said is not too much, our five major altars of the Holy Sect are all from the same sect, let your disciple call Liu Qingqing. Senior sister is not too much."

"Also, Zhang Na's situation can't be delayed, saving people is the most important thing!"

After saying the last sentence, Yi Yunfeng glanced at Zhang Na.

At this time, Zhang Na was weak all over, but there was resistance on her face. At the same time, his eyes stared at Yue Feng fiercely.

This person is really desperate, dare to make such a request? You are the senior sister of Liu Jintan, how can you make amends for Liu Qingqing? If this news spreads out, how can you stay on the mountain gate in the future?

Thinking to herself, Zhang Na wanted to refuse Yue Feng's help. But I don't have the courage. After all, in my current situation, both the master and the master of the altar are helpless, and if they continue to waste, I'm afraid it's really hopeless.

Moreover, seeing that Xie Liuyun did not directly refuse, Zhang Na had to choose the default.

call!

Seeing that they didn't speak anymore, Yue Feng showed a smile: "Okay, since you don't say anything, I'll take it as you agreed!"

"Stop talking nonsense, and hurry up to save people!" Xie Liuyun said angrily.

Yue Feng smiled, but didn't move. Instead, he said to Xie Liuyun: "Thank you, altar master, I can only tell you how to save people. It's up to you to do the specifics." After speaking

, Yue Feng's face became serious. , said word by word: "Please thank the altar master to use the internal force to disperse the positive poison remaining in Zhang Na's body into the meridians..."

In the next few minutes, Yue Feng said a lot of details, and his tone was indifferent. , but beyond doubt.

After saying this, Yue Feng put his hands behind his back and looked leisurely: "Okay, thank you, you can start!"

What?

The words fell, and all the disciples of the surrounding Liujin altar stopped working.

"You dare to instruct our master?"

"I don't think he doesn't understand, so I deliberately let master play, and if I fail, I can make excuses..."

The shouts from the crowd kept coming, Yue Feng didn't take it to heart, and said lightly. : "To cure Zhang Na completely, you need someone with deep internal strength. Lord Xie Tan has a strong internal strength. I sigh."

When he said this, Yue Feng's face was serious, but his eyes flashed with a smile.

Yes, treating Zhang Na does require deep internal strength. Yue Feng doesn't want to reveal his identity, so naturally he can't show his internal strength.

Chapter 2703

Moreover, there are differences between men and women, Yue Feng didn't want to do it himself, so he could only leave it to Xie Liuyun.

Made!

Xie Liuyun's face was gloomy, and his heart was burning with fire.

He is the dignified altar master of the golden altar, and his status is detached, but now he is being pointed at by an outsider.

However, Xie Liuyun held his own identity and did not have any seizures. He gave Yue Feng a cold look: "If your solution doesn't work, don't think about leaving alive!" After the

voice fell, Xie Liuyun sat cross-legged in Zhang Na Shen and began to run internal strength, as Yue Feng said. way to expel her.

It has to be said that Xie Liuyun is indeed capable of being the altar master of the Sacred Sect. Under Yue Feng's instructions, he will soon completely expel the positive poison from Zhang Na's body.

Half an hour later, I saw Zhang Na's pale face turned ruddy, and her whole body recovered her spirit and energy, and her previous half-dead state was completely gone.

I went...

Seeing this scene, everyone present was amazed.

"Okay?"

"This...it's incredible!"

"Senior sister seems to have completely recovered!"

Xie Liuyun stood up slowly, and was also shocked.

He clearly felt that Zhang Na's positive poison hidden in the depths of her dantian had completely disappeared, and what surprised him was that the method Yue Feng said was the same as the method he used to help Zhang Na fuse the mysterious yellow grass. Only a few small details are different.

But it was these little details that almost killed Zhang Na.

call!

At this moment, Liu Qingqing, who was standing beside him, was also trembling, looking at Yue Feng closely with admiration in his eyes.

He really saved Zhang Na. And, in just a few understatement, it's incredible.

Although it was Xie Liuyun who started the rescue, everyone present knew that without Yue Feng's instructions, no matter how deep Xie Liuyun's internal strength was, it would not help.

"Wonderful! How wonderful!"

At this moment, Yi Yunfeng, who was beside him, reacted and looked at Yue Feng with a smile: "I didn't expect this brother, who seems to be mediocre, to have such high attainments in medicine. With

that said, Yi Yunfeng's eyes were full of anticipation: "I don't know where my brother's medical skills came from?"

"I..."

At this moment, Yue Feng wanted to say that he learned from Shennong. However, after saying one word, he quickly changed his mouth and said: "I accidentally got a medical book, and I will study it if I have nothing to do."

Everyone knows that Shennong has a close relationship with himself. If Shennong's name is mentioned, his identity will definitely be exposed.

"So it is!" Yi Yunfeng nodded and didn't ask any further questions.

As the altar master of the Miaohuo altar, Yi Yunfeng is also a smart person. He can see at a glance that Yue Feng did not tell the truth and did not force it.

"Thank you, altar master!"

At this moment, Yue Feng smiled slightly and said to Xie Liuyun: "Everyone is from the rivers and lakes, what you say is counted, now your apprentice has been cured, should you fulfill the conditions?"

Saying these At the time, Yue Feng looked at Zhang Na intentionally or unintentionally.

Xie Liuyun's face was extremely ugly, and he was speechless to refute!

hum! At this moment, Zhang Na's beautiful face was instantly bloodless!

She bit her lip tightly and looked at Xie Liuyun with a gloomy face. She was full of resistance. Just now, the master had promised this dust-free. If she didn't apologize to Liu Qingqing, the master's face would be lost. The Liujin altar would be a joke of the Holy Sect.

But...but...you apologize, how will you meet people in the future?

"Liu Qingqing..."

Finally, after a few seconds, Zhang Na bit her lip, walked slowly to Liu Qingqing, and whispered, "I was wrong before, I apologize to you, I apologize to you."

The sound is so small that you can't hear it if you don't listen carefully.

Standing there, Liu Qingqing only felt his brain buzzing. I just feel that the scene in front of me is like a dream. You must know that Zhang Na, as the senior sister of Liu Jintan,

has always been very arrogant, and now she actually wants to make amends for herself?

Chapter 2704

However, what Liu Qingqing didn't expect is still behind.

"Haha!"

Seeing that Zhang Na's apology was very perfunctory, Yue Feng couldn't help but chuckle: "Zhang Na, you have no sincerity at all. Now that you have apologized, how can you call your name? It should be called Senior Sister Liu. "

You!"

Zhang Na was so angry that she was speechless to refute.

The next second, Zhang Na concealed her dissatisfaction and said to Liu Qingqing, "Senior Sister Liu, I was wrong..."

When she said these words, Zhang Na couldn't say anything.

She never dreamed that one day she would apologize to Liu Qingqing! He never thought that the one who forced himself to let go of his dignity was still an outsider!

At this time, Liu Qingqing reacted and said softly, "Zhang Na, as long as you don't target me, and our Xingmu Tan, the past will be forgotten!"

Liu Qingqing is kind-hearted, although the scene in front of you , I also feel relieved, but after all, they are from the same family, and I don't want to embarrass Zhang Na too much.

Ugh!

Seeing this scene, Yue Feng sighed inwardly, this Senior Sister Liu is really kind. Thinking to himself, Yue Feng looked around and looked at the other disciples in the Liujin altar

: "Your eldest sister has already apologized, how about you?" The disciples looked at each other in dismay, each with a more splendid expression. "I've seen Senior Sister Liu!" In the next second, one of the disciples greeted Liu Qingqing with a respectful attitude.

Immediately afterwards, the others also reacted and saluted Liu Qingqing in unison: "I've seen Senior Sister Liu!" To

be honest, at this time, the disciples of the Liu Jintan were very upset, but there was no way. Just now, the master agreed. If the conditions are met, if they go back on their word, the entire Liujin altar will become a joke.

Liu Qingqing stood there, looking at the scene in front of him, her face was extremely red, and she was even a little helpless!

You must know that in the past, these disciples of Liujintan had a high-level attitude when they saw themselves, but now, in front of them, they all let go of their dignity.

This scene, I never dared to think about it before.

Um!

Seeing that Liu Qingqing didn't speak, Yue Feng came over and looked around with a smile: "If you see her in the future, you will always call her that, you know?"

Zhang Na and the surrounding Liujintan disciples were very dissatisfied in their hearts, but their faces were sullen. Not daring to show it, they all nodded.

"Okay!"

Yue Feng was relaxed and smiled at Liu Qingqing: "Time is running out, take me to see the empress."

Meihui was still waiting for herself at the foot of the mountain, so she couldn't delay.

Um!

Liu Qingqing responded and was about to leave with Yue Feng.

"Wait a minute!"

But at this moment, Xie Liuyun shouted, and then his figure flashed and blocked in front of Yue Feng.

"You said that you were sent by Yue Feng, seeing that Empress Chang'e has something important to tell me?" Xie Liuyun's face was indifferent, but his eyes flashed cunningly: "What the hell is going on?"

This kid, who just made the entire Liujintan disgrace, must not let him leave easily.

Yue Feng frowned, then said with a smile: "Xie Tanzhu, this is no trivial matter. I need to meet the empress before I can talk about it."

Yue Feng could see that Xie Liuyun was deliberately looking for trouble. Even if he told the situation, he would find a way. It is better not to say anything than to waste words.

“Your name is Wuchen, right?”

At this moment, Zhang Na came over and said to Yue Feng with a fake face: “Although you have just saved me, the lady’s status is special, and you can’t see it just by saying a word. “

It’s better for you to tell the story, and our master can speak for you.”

Like Xie Liuyun, Yue Feng made the entire Liujin altar lose face, and Zhang Na felt ashamed and angry, how could it be possible for him to meet Chang’e as he wished?

Nima!

Yue Feng frowned secretly, feeling very irritable in his heart, so he had to think of a reason to perfunctory, when suddenly, he heard a loud noise coming from the entrance of the mountain gate.

“It’s not good!”

Immediately afterwards, a disciple rushed over, sweating profusely, and said to Xie Liuyun and Yi Yun: “Altar Xie, Altar Lord Yi, many people came down the mountain, and the leader claimed to be Zhang Jiao. .”

Chapter 2705

What?

Hearing this, Yi Yunfeng and Xie Liuyun were both stunned.

Who does not know Zhang Jiao’s prestige. He formed the Yellow Turban Army thousands of years ago and ran rampant in the world. A few years ago, he helped Yang Jian conquer the Quartet. With his help, the continent of Kyushu almost fell.

It’s just that Zhang Jiao and Shengzong have never had an intersection. What did he suddenly bring people to do?

What the hell!

Yue Feng was even more shocked, secretly anxious.

Mad, originally wanted to be one step ahead of Zhang Jiao to see Chang’e, but now, Zhang Jiao has arrived before Chang’e has seen her.

“Quick!”

At this time, Yi Yunfeng reacted and ordered to the surrounding disciples: “Order all the disciples to be on guard!” As the

voice fell, Xie Liuyun also shouted: “Also, here in the forbidden area, send more disciples to guard it. , no one is allowed to approach, especially outsiders!”

When he said the last sentence, Xie Liuyun glanced at Yue Feng.

Obviously, Zhang Jiao made a sudden visit with unknown intentions. For Chang’e’s safety, it was even more impossible for this person from Yue Feng to go to see Lady Chang’e.

“Yes!”

After receiving the order, the disciples present went to prepare.

Yi Yunfeng and Xie Liuyun took the other disciples and walked quickly towards the main hall square.

Seeing this, Liu Qingqing frowned and had no idea.

“Let’s go!” In the

next second, Liu Qingqing said to Yue Feng, “I can’t see you for the time being. Let’s go and see the situation first!” The forbidden area strengthened its vigilance. As a disciple, it was impossible for her to break in.

Yue Feng nodded with a wry smile, and went to the main hall square with Liu Qingqing.

When I arrived at the square, I saw several other altar masters also arriving, and in front of the crowd, a slender figure was particularly eye-catching.

It was Mu Qingyue, the altar master of the Star Wood Altar.

Seeing Mu Qingyue, even though Yue Feng was mentally prepared, he still couldn’t look away.

It has to be said that Mu Qingyue, as the only female altar master of the Holy Sect, is definitely a goddess-level existence, no matter her temperament or image.

At this time, Mu Qingyue, wearing a dark purple dress, bright eyes and white teeth, hair like clouds, was filled with an aura that was not dare to blaspheme, people and men would be unable to extricate themselves when they met.

After watching it for more than ten seconds, Yue Feng retracted his gaze and looked towards the opposite side!

hiss!

At this moment, seeing the scene opposite, Yue Feng couldn't help taking a breath!

As soon as I saw the entrance of the mountain gate, it was densely covered with practitioners, all dressed in black, and the momentum was soaring.

These cultivators, whose strength is above the Martial Saint, are the elites of the Heavenless Organization.

In front of these unorganized elites, there was a man standing in a black robe, with a good aura and a confident smile on his sinister face.

It is Zhang Jiao!

At this time, Zhang Jiao's strength has already reached the tribulation mirror!

Feeling Zhang Jiao's powerful aura, Sheng Zong and others present felt an invisible pressure.

See the enemy, especially jealous!

At this moment, Yue Feng locked Zhang Jiao tightly, and a monstrous anger rose in his heart.

At this time, Yue Feng wanted to do it, but he held back.

Um?

The next second, Yue Feng was stunned when he saw a person beside Zhang Jiao!

Yue Feng could clearly see that there was a ruthless man standing beside Zhang Jiao, and this man was exactly the same as he looked three years ago.

This...

At this moment, Yue Feng's heart set off a shocking wave.

This horn, where did I find someone exactly like me?

## **The ultimate husband in Chinese chapter 2706-2710**

At this time, Yue Feng only felt that his brain was buzzing and he was completely blinded.

Seriously, if Yue Feng didn't have three scars on his face, compared to the person next to Zhang Jiao, he would be like a pair of twins.

Swish!

Just when Yue Feng was secretly shocked, the eyes of everyone in the audience were also focused on the fake 'Yue Feng'.

Especially Mu Qingyue and Liu Qingqing were overjoyed.

"Everyone!"

Finally, Zhang Jiao looked around and said with a smile, "Please forgive me for visiting rashly. We are here to see Empress Chang'e on something important!" After

hearing this, Mu Qingyue and Xie Liuyun The altar master looked at each other.

In the next second, Xie Liuyun took a step forward and said to Zhang Jiao: "The niangniang has long since concentrated on escaping from the world to cultivate and no longer care about the worldly affairs. Moreover, if you want to see the niangniang, you must first obtain the permission of the head. It's just that our head is in retreat, So I'm sorry!"

Hehe!

Hearing this, Zhang Jiao's face showed a trace of displeasure, and he looked at Xie Liuyun closely, with an imposing manner: "Listen to your tone, could it be that you are the Xie altar master of Liujin altar!"

Phew!

I have to say that Zhang Jiao's aura was too strong, Xie Liuyun couldn't help taking a deep breath, and cupped his hands: "Yes. It's down..."

Before he could finish speaking, he was interrupted by Zhang Jiao.

"In the past three years, the Rakshasa clan seems to be calm, but in fact they are secretly moving, and they have never given up their invasion of Kyushu." Zhang Jiao said with a serious face, "Furthermore, over the years in Kyushu mainland, many mysterious forces have emerged, making the situation worse. very complicated."

This chapter is provided by . Visit [for](#) daily update.

“In this case, if you want to keep the peace of Kyushu, you need a person with high morals and respect to preside over the right path!”

“Chang’e’s mother is the ideal candidate!”

Phew!

Hearing this, Sheng Zong and others present were silent. A few seconds later, Mu Qingyue remembered something, and said

slowly, “Yue Feng, the sect master of Tianmen, is also a rare talent. Everyone can see his strength. Wouldn’t it be better for him to host?”

Mu Qingyue glanced at the fake ‘Yue Feng’ with admiration in her eyes.

In Mu Qingyue’s heart, Yue Feng was his apprentice, so naturally he should praise him.

At this time, Mu Qingyue didn’t know that the real Yue Feng was behind him, and the person standing beside Zhang Jiao was an impostor.

“Haha!”

Zhang Jiao smiled and explained: “I have discussed this matter with Sect Master Yue, but Sect Master Yue thinks that his ability is limited and it is difficult to be a big responsibility.” After

speaking, Zhang Jiao hinted that he was fake. The ‘Yuefeng’.

Yes, this fake Yue Feng was dressed up by Zhang Jiao’s subordinates. His real name was Liang Hao, and he was Zhang Jiao’s right-hand man.

In the cell of Qingyunzong, he saw Fang Qifo’s camouflage technique. Zhang Jiao was deeply inspired, so he let Liang Hao dress up as Yue Feng and went to Shengzong to deceive Chang’e’s trust.

Although Zhang Jiao doesn’t have the ‘a thousand faces and no appearance’ of Fang Qifo, he is also knowledgeable. Through his own research, he specially made a fake mask for Liang Hao. After wearing it, it looks almost exactly the same as Yue Feng.

call!

Hearing the hint, Liang Hao came out, first looked around, and then said to Mu Qingyue, “Thank you, Master, for your love. Over the years, although I have been famous in Kyushu, my ability is limited. Now I can stabilize the situation in Kyushu. Only Empress Chang’e.”

Before coming, Liang Hao had done a lot of homework and knew that Yue Feng had worshipped Mu Qingyue as his teacher.

Seeing that 'Yue Feng' said so, Mu Qingyue pondered.

The Shengzong and others behind him also whispered.

"It seems that the situation in Kyushu is really troublesome."

"Yeah, otherwise, Yue Feng and Zhang Jiao wouldn't come together to see Empress Chang'e."

Chapter 2707

Call!

Looking at the scene in front of him, Yue Feng frowned secretly, his eyes fixed on Liang Hao, very angry.

Nimad, no matter who you are, if you dare to pretend to be me, you must pay the price.

"Hey!"

Just as Yue Feng secretly underestimated the roar in his heart, Liu Qingqing turned his head to look over and whispered, "Yue Feng is planning to come in person, why did he send you here in advance?"

At this time, Liu Qingqing Qing, like the people around him, didn't realize that Yue Feng beside Zhang Jiao was fake.

Hearing this, Yue Feng wanted to cry without tears.

Mad, if you knew that Zhang Jiao would bring a fake Yue Feng, he shouldn't have hidden his identity just now.

In the next second, Yue Feng's head turned quickly and he said in a low voice, "Senior Sister Liu. Can you take a step to speak?" After saying that, Yue Feng looked around, took Liu Qingqing's hand, and walked towards the back of the hall.

At this moment, when Yue Feng held hands, Liu Qingqing resisted a little, but seeing his solemn expression, he did not break free.

At this time, Sheng Zong and others' attention was all on Zhang Jiao and Liang Hao, but Yue Feng and Liu Qingqing quietly left behind.

Soon, in a secluded corner at the back of the main hall, Yue Feng released his hand and looked at Liu Qingqing seriously: "Senior Sister Liu, wait for me to tell a secret, don't panic or shout, you know?"

Liu Qingqing frowned tightly: "you are so mysterious, what are you doing?"

This Wuchen is Yue Feng's subordinate, but he didn't show up to say hello when he saw Yue Feng just now, but quietly pulled himself away from the scene, it was really suspicious .

call!

Aware of Liu Qingqing's doubts, Yue Feng took a deep breath and said word by word, "Senior sister, I am actually Yue Feng!"

When he said this, Yue Feng's face was calm, but his eyes flashed with emotion.

What?

Liu Qingqing's delicate body trembled, and the whole person was stunned, staring at Yue Feng blankly, unable to speak for a while.

Isn't his name Wuchen? What is Yue Feng?

If he is Yue Feng, who is that in the main hall square at this time?

Besides, what happened to the three scars on his face?

At this moment, Liu Qingqing's head is full of doubts, but he only feels that his head is big.

At the same time, Liu Qingqing also carefully looked at the person in front of him, and soon found that if the person in front of him had no scars on his face, it really looked like Yue Feng, but he didn't pay much attention to it before.

"You... Are you really a junior brother? " Finally, Liu Qingqing reacted and couldn't help asking.

Yue Feng smiled wryly and nodded: "If it's a fake, when I first came to the mountain gate, I saw that my senior sister didn't recognize it, so I made a mistake and concealed my identity. I never thought that Zhang Jiao actually made a fake me to deceive you. With

that said, Yue Feng couldn't hide his anxiety: "Zhang Jiao let people impersonate me, he must be trying to deceive Lady Chang'e! This person is insidious and cunning, he must not be allowed to succeed."

Phew!

Hearing this, Liu Qingqing's mind suddenly became confused, but he still chose to believe in Yue Feng. After all, just now, only the real Yue Feng had such superb medical skills when he saved Zhang Na.

"What do I do next?" Liu Qingqing bit her lip and couldn't help asking.

Without any hesitation, Yue Feng said quickly: "The best way now is to take me to see Empress Chang'e, and you must be in front of Zhang Jiao."

Yue Feng thought about it and went directly to the main hall square to meet the fake Yue Feng. Fighting against the wind is the stupidest thing to do. Because the fake Yue Feng that Zhang Jiao was looking for was too similar to himself, if the people of the Holy Sect didn't believe in him, he would be in big trouble.

good!

Liu Qingqing bit her lip and nodded, then took Yue Feng and took a shortcut to the place where Chang'e retreated.

However, neither Liu Qingqing nor Yue Feng noticed that behind them, a figure was quietly following. Wearing a long pink dress, she has a graceful figure and delicate facial features, but there is a bit of treacherousness in her eyebrows.

It was Zhang Na who was rescued by Yue Feng before.

Chapter 2708

Not bad, when Yue Feng pulled Liu Qingqing away just now, Zhang Na discovered it.

Zhang Na has always been suspicious of Yue Feng's identity, and when she saw Zhang Jiao and the fake Yue Feng coming, and this person who claimed to be Wuchen didn't come forward to meet, she was a little suspicious.

At this time, seeing Liu Qingqing and Yue Feng quietly enter the forbidden area, the doubts deepened.

the other side!

Yue Feng and Liu Qingqing were in a hurry to see Chang'e, but they didn't realize that someone was following them.

I have to say that the Sacred Sect is really big, especially the forbidden area in the back mountain. It has strengthened its vigilance, and there are people patrolling everywhere.

Fortunately, Liu Qingqing is very familiar with this place, and took Yue Feng to avoid many disciples' inspections.

After a while, I saw that there was a quiet courtyard not far ahead. The small courtyard is full of exotic flowers and plants, and the environment is beautiful, just like an outdoor peach garden.

"Ms. Chang'e, it's in the front yard, this meeting should be cultivating!" Liu Qingqing said, "you go in and visit, I'll stay outside!"

Hmm!

Yue Feng nodded and was about to walk over!

However, at this moment, there was only a sound of anger!

"I knew you had a problem!" The

voice fell, and a woman behind her, holding a long sword, came straight to Yue Feng!

It's Zhang Na!

Nima, why did this woman follow me?

At that time, Yue Feng was startled and a little annoyed!

Liu Qingqing's body trembled as well, and there was a trace of nervousness on her beautiful face. She didn't seem to expect that Zhang Na would follow behind!

"Zhang Nana, isn't the person you are talking about a subordinate of Yue Feng? What? Yue Feng is in the main hall, why didn't this person come forward to meet?"

Zhang Na said while looking at Yue Feng coldly: "Or, he is not from Yue Feng at all, you helped him enter the forbidden area, and he has a secret?"

"I..."

Liu Qingqing bit her lip, not knowing how to answer for a while.

She knew that this person around her was the real Yue Feng, but how could she tell Zhang Na about this kind of thing? If she knew the truth, she would definitely use the topic to play it!

Seeing that Liu Qingqing didn't speak, Zhang Na looked proud: "No more words!"

Hu...

Yue Feng exhaled a long breath. Indifferently said: "Zhang Na, I have an urgent matter to see Empress Chang'e. I hope you don't make trouble. Also, it wasn't me before, you have already returned to the west with your life, don't repay your kindness!

"

Hearing this, Zhang Na's face changed suddenly. It's good that Yue Feng didn't mention this, but when he mentioned it, he was immediately angry. If it wasn't for him before, would he be able to apologize to Liu Qingqing in public?

No matter who this person is, if he embarrassed himself, he must not let him go!

Thinking to herself, Zhang Na looked at Yue Feng, her eyebrows were tightly locked, and the long sword in her hand was whispering!

"Zhang Na, you brought someone into the forbidden area in private and violated the rules of the house. No matter what today, you will be arrested and punished. If you are sensible, you will be arrested!" A cold voice came out of Zhang Na's mouth, and then Motivating the inner strength, a sword stabbed towards Yue Feng!

call!

This sword contains Zhang Na's ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

Yue Feng frowned secretly, and was about to meet him!

"I'm coming!"

But at this moment, Liu Qingqing shouted tenderly and stood in front of Yue Feng!

"You go to see Empress Chang'e first, and I will block her. Go!" As she said, Liu Qingqing drew out her long sword and fought fiercely with Zhang Na.

"Dangdangdang!"

Zhang Na and Liu Qingqing's long swords collided, making loud noises, only Yue Feng was dazzled! They are all disciples of the Holy Sect, one is Senior Sister Liujintan and the other is Senior Sister Xingmutan, with equal strength.

Chapter 2709

Hu..

At this moment, Yue Feng was a little stunned!

You know, Liu Qingqing and Zhang Na, both in figure and appearance, are the best in Shengzong! At this time, fighting fiercely in mid-air, that charming curve is looming, and it is difficult for Yue Feng to calm down for a while!

After watching it for more than ten seconds, Yue Feng reacted, seeing that the two were of equal strength, so he didn't think much about it, and quickly walked towards the front yard.

To be honest, Yue Feng wanted to take action, but he held back because he was anxious to see Chang'e. Moreover, Liu Qingqing's strength made it perfectly fine to block Zhang Na.

Soon, Yue Feng arrived in front of the small courtyard!

Bang bang...

Yue Feng didn't rush in, but knocked on the door first, but there was no response at all!

Nima.

Yue Feng was in a hurry, Chang'e won't be resting right now, right?

Thinking to himself, Yue Feng lightly stepped, pushed open the door and walked in slowly.

It doesn't matter, even if you are resting, you have to go in. Zhang Jiao is in the front hall, so he must get ahead of him and tell Chang'e the situation!

hiss!

As soon as he walked in and saw the scene inside, Yue Feng was shocked and couldn't help taking a breath.

I saw a slender figure sitting cross-legged in the fragrant room, immersed in the realm of cultivation.

It's Chang'e!

At this time, Chang'e was only wearing a silk gauze, and her charming curves were simply indescribable beauty. Although it has been hidden for three years, there is still a strong aura around him.

After watching for a while, Yue Feng reacted. Just get ready to speak!

"Who?"

At this moment, Chang'e sensed the movement, opened her eyes, and locked on Yue Feng! The beautiful face was full of anger and consternation.

This man is so daring, he dares to break into his forbidden cultivation area.

At this time, Chang'e, like Liu Qingqing and others before, didn't recognize Yue Feng at all. After all, Yue Feng spent three years in the wild and strange realm and left scars on his face, which is very different from the previous appearance. Big.

"I..." Yue Feng opened his mouth and was about to explain, but he was interrupted by Chang'e as soon as he said one word.

"Shameless! Dare to trespass into the forbidden area of the Holy Sect!" Chang'e said coldly, "Bengong doesn't want to take action, so you can do it yourself!" The tone was cold and unquestionable!

In Chang'e's eyes, no matter how the person in front of her got in, she must be thinking of something wrong. She was dressed like this, and she was almost seen by the other party, so how could she not be angry? But her love song is arrogant, and she doesn't want to get her hands dirty!

What the hell!

Hearing this, Yue Feng wanted to cry without tears.

This Chang'e, considers herself a womanizer?

"Niangniang, this is a misunderstanding!" Yue Feng explained, and while speaking, he slowly walked forward.

At the same time, sensing Chang'e's strength, Yue Feng was also secretly shocked!

Unexpectedly, after not seeing each other for three years, Chang'e's strength has reached the late stage of Transcending Tribulation Realm! When the truth comes out later, with her help, Zhang Jiao will surely die.

Seeing Yue Feng approaching, Chang'e was very displeased, thinking that he was going to do something wrong!

"You are so bold, you are courting death!" Chang'e's pretty face was full of frost, and she gave a coquettish cry!

"Buzz!"

Immediately afterwards, Chang'e raised her jade hand, and a strong internal force fluctuation instantly filled the entire room. I saw that a powerful force condensed out in an instant! Then a sword shadow condensed out.

Although this sword shadow is only over one meter long, it is dazzling and powerful. It is obviously transformed by internal force!

“Whoosh!”

Chang'e looked indifferent, looking at Yue Feng closely, with a wave of her jade hand, the sword shadow ripped apart the air, and roared towards Yue Feng with lightning speed!

Chapter 2710

“Go to hell!” Chang'e's red lips parted lightly, and a cold voice came out of her mouth.

At this time, Chang'e hadn't recognized it yet, but the person in front of her was Yue Feng.

Hiss!

In an instant, the sword shadow cut through the air, and the speed was really too fast. In the blink of an eye, Yue Feng was about to be split in half!

I go!

Feeling the power of the sword shadow, Yue Feng was shocked!

As expected of Empress Chang'e, when I first met three years ago, her strength was not very terrifying. I didn't expect that I haven't seen each other for three years. In this holy sect, my realm has improved so much!

At this critical moment, Yue Feng had no choice but to raise his hand and wave it in the air to form a protective layer.

That's right, Yue Feng didn't want to fight Chang'e! He knew that Chang'e was angry now, so let her get angry first, and then explain it slowly by himself when the anger subsided.

“Clang!”

In an instant, the sword shadow slammed into the protective layer, causing a violent vibration, and saw that the protective film was instantly shattered by the sword shadow, and Yue Feng also snorted, and his body staggered back!

call!

Yue Feng took a deep breath, endured the churning of blood in his body, and said to Chang'e, "Niangniang, this is a misunderstanding, please listen to my explanation! I am Yue Feng!"

Yue Feng?

Hearing this, Chang'e's body was shocked, her eyebrows knitted tightly, and she looked at Yue Feng carefully: "You...how did you become like this? What's the matter with the scar on your face?"

When she said this, Chang'e's beautiful face was full of astonishment.

"This, it's a long story!" Yue Feng smiled bitterly, intending to make a long story short.

"Well..."

But at this moment, Chang'e's delicate body trembled, and she collapsed on the soft couch, with a soft moan in her mouth, which was very painful.

This soft moan seemed to carry a fatal temptation, Yue Feng only felt that all the bones in his body were going to be crisp.

hiss.

The next second, when he saw Chang'e's appearance, Yue Feng was shocked, and the whole person was insane.

Seeing Chang'e curled up there, dripping with perspiration, her delicate body trembled gently. It seems so painful!

This... what's the situation?

Yue Feng was stunned for a while, but he soon realized what was wrong. He rushed in just now, he should have disturbed Chang'e's practice, and then he moved again. Wouldn't it be to go into the devil?

Yue Feng guessed right. Just now, Chang'e was interrupted by him at a critical moment in her meditation practice.

When she just learned that it was Yue Feng, Chang'e was shocked, and her mood was completely chaotic.

"Niangniang!"

Yue Feng reacted and walked over quickly. He couldn't help but ask, "How are you?" His whole body seemed to be frozen by the ice, and that sexy body kept rolling.

What the hell!

Seeing this scene, Yue Feng was also a little flustered. This situation is very serious, and Chang'e is in the late stage of the Tribulation Transcendence Realm.

Thinking to himself, Yue Feng hurriedly stepped forward: "Miss Chang'e, don't panic, I'll help you!"

With that said, Yue Feng was about to use her internal strength to help Chang'e suppress the disordered power in her body!

"Cold, I'm so cold!"

However, at this moment, Chang'e was almost out of her mind, she gave a soft cry and hugged Yue Feng!

"Your Majesty, it's you, Your Majesty!" The moment she hugged Yue Feng, Chang'e couldn't help but spoke softly, her eyes misty.

Yes, in the realm of Chang'e, once he goes into trouble, the consequences will be unimaginable. At this time, Chang'e's thinking has collapsed, and he has hallucinations, and regards Yue Feng as Emperor Hou Yi.
