

The ultimate husband in Chinese chapter 2721-2730

Chapter 2721

Soon, someone reacted and said displeasedly: "Yue Feng, before you and Zhang Jiao asked to meet, the mother said, let you come tomorrow morning."

"That's right!"

"Hurry up, don't disturb the mother!"

" This is a forbidden area, leave quickly, otherwise don't blame us for being rude!"

In the hearts of these disciples, the behavior of 'Yue Feng' in front of him, although a bit reckless, was after all a member of the Holy Sect, so he decided to give him a chance !

Ha ha!

However, upon hearing these words, Liang Hao's face showed a hint of gloom, and he said word by word: "What I want to do, Yue Feng, has not been done yet, I will see the empress tonight, whoever dares to stop it will bear the consequences. With

that said, Liang Hao looked around and his tone became more and more arrogant: "Now I'm in a good mood, you all move away quickly, otherwise, I will destroy you one by one!" In the

last sentence, Liang Hao's eyes were full of contempt and arrogance. Extremely.

Zhang Jiao had instructed before that when he kidnapped Chang'e, no matter who he met, he should not give face. Anyway, he wanted to put the blame on Yue Feng. Of course, he was so arrogant!

Whoa!

All of a sudden, all the disciples of the Holy Sect who were present felt that Fei was going to explode. Mad, this 'Yue Feng' was too arrogant. For the sake of him being a disciple of the Holy Sect, he would not agree with him. He cares about it, he's good, and even put on an air.

What makes everyone more unbearable is that this 'Yue Feng' is arrogant and wants to fight with everyone present!

"Yue Feng... Have you ever thought about the consequences?!"

"Ma De, what are you talking about with him? When this kid joined our Holy Sect, he hid his identity, and at first glance, he was a scheming villain!"

This chapter is provided by . Visit for daily update.

“That’s right, this time to visit Empress, there will definitely be no good thing!”

As they said, these disciples walked over slowly and surrounded Liang Hao!

“Everything you don’t know how to lift, since you want to court death, I will fulfill you all!”
Liang Hao was too lazy to talk nonsense, said coldly, suddenly raised his hand, his body shot out, and rushed to the two closest disciples. Two palms hit the past!

Bang Bang.... Before

the two disciples could understand what was going on, the blood spurted out, screamed and flew out. When they landed, they were out of breath!

hiss!

Seeing this scene, the other Saint Sect disciples present couldn’t help but gasped.
Shocked!

This... This Yue Feng is crazy, he said he would do it, and he killed someone?

At this time, they still don’t know that the person in front of them is not the real Yue Feng at all, so naturally they will not show mercy.

“Quick, call for support!”

“Ma De, let’s go together!”

After being stunned for a few seconds, the disciples of the Holy Sect, howling angrily, rushed towards Liang Hao while shouting for support.

Wow...

In the blink of an eye, the surrounding patrol disciples heard the movement and rushed over, there were hundreds of them.

Seeing this scene, Liang Hao’s eyes flashed with complexity, and at the same time, the fighting spirit in his heart was also inspired. Zhang Jiao gave himself the magic pill, saying that it could double his strength, so he could use these disciples of the Holy Sect to practice his skills.

Anyway, if you kill someone, Shengzong will only remember his hatred on Yue Feng, and it has nothing to do with himself!

Thinking of this, Liang Hao showed a bit of excitement on his face, and said coldly: "A bunch of stinky fish and rotten shrimp, dare to fight with me? Go to hell!"

hum!

The moment the voice fell, I saw Liang Hao slowly raise his hands, and the power of Dantian in his body surged wildly. In an instant, the surrounding air was instantly distorted! A terrifying breath swept over!

Immediately, Liang Hao raised his hand and pointed, and saw eight dragon shadows, roaring out in an instant!

This trick is the 'Dragon and Eight Palms' skill that Liang Hao cultivated, and it is very similar to Yue Feng's 'Nine Dragons Ascension', only one dragon is missing. It is because of this that Zhang Jiao let Liang Hao pretend to be Yue Feng.

Seeing this scene, all the Saint Sect disciples present trembled.

Such a powerful force, worthy of being the Sect Master of Tianmen.

boom!

In the next second, before the disciples of the Sacred Sect could react, eight dragon shadows raged, and the terrifying power spread through the crowd. In just a few breaths, the disciples of the Sacred Sect let out a shrill scream!

Chapter 2722

"Stop!"

At this moment, I heard a coquettish shout, and then the door of the small courtyard was opened, and a slim figure walked out slowly, with a beautiful face full of coldness Frost!

It's Chang'e!

After Yue Feng left just now, Chang E only felt that something was wrong, and she had no intention of resting at all. As a result, the person who pretended to be Yue Feng came to him blatantly, and injured so many disciples of the Holy Sect. How could Chang E not angry?

"You are so bold!" Chang'e stared at Liang Hao and spoke angrily.

At the same time, seeing around the small courtyard, many disciples of the Holy Sect were crying in a pool of blood, and Chang'e was even more angry.

“Miss Chang’e!”

Seeing Chang’e coming out, Liang Hao was a little flustered instinctively, but thinking of Zhang Jiao’s instructions, he suddenly regained his confidence and said with a smile, “Visiting late at night is really inconvenient, but there is one important thing that needs to be done. Niangniang just walk with me.”

When he said this, Liang Hao stared at Chang’e, and he was almost drunk!

beautiful!

So beautiful, is this Empress Chang’e? It really is like a fairy.

Speaking of which, Liang Hao had heard of Chang’e’s name for a long time, but he had never seen it. When he visited Zhang Jiao before, he had never seen it. It can be said that this was the first time I saw Chang’e. people.

Liang Hao saw that Chang’e in front of her was not only beautiful in appearance, but also indescribably charming and sexy, especially the powerful aura that filled her body. Any man who saw it would be unable to extricate himself!

Take a trip?

Hearing this, Chang’e frowned.

Immediately, sensing Liang Hao’s gaze, Chang’e became even more angry, and said straight to the point: “Okay, you don’t have to pretend, you are not Yue Feng at all!”

When she said this, Chang’e looked at Liang Hao’s face and was shocked. .

Where did Zhang Jiao find someone who was exactly the same as Yue Feng three years ago? To be honest, if it wasn’t for Yue Feng’s notification, Chang’e would have been fooled by this Liang Hao.

What?

At this moment, the disciples of the holy sect who were guarding around were all shocked, and their eyes focused on Liang Hao, each one flashing with complexity.

Isn’t he Yue Feng?

Seeing the scene, Liang Hao felt a little flustered, and it was broken. Empress Chang’e saw through her identity and knew that she was fake. Now it’s a bit difficult.

In the next second, Liang Hao's mind changed, and he suddenly had an idea, and said to Chang'e with a half-smile, "Yes, the lady said it right, I am no longer the Yue Feng I used to be!"

"Three years ago, I did it for the Kyushu Continent. After so many things, what did I get in the end?"

"With my strength, it's no problem to be the Supreme Being of Jiuzhou, but some forces in the arena still don't take me seriously, even you, your mother, think I You are a clown, I tell you, today I will take you to the Beiyang Palace, become emperor, and then make you my woman, as long as you, Chang'e, become my woman, who in the world would dare to disobey me?"

" At that time, Liang Hao's expression was full of madness.

Yes, since Chang'e knew that she was a fake Yue Feng, she decided to do whatever she wanted.

This....

Hearing this, the disciples of the Holy Sect present were furious, this Yue Feng is really crazy.

Yes, after hearing Liang Hao's words, these disciples of the Holy Sect thought that the 'Yue Feng' in front of them had been stimulated to change his temperament. They didn't realize that he was not Yue Feng at all.

"Shameless!"

Chang'e was also trembling with anger, and she was speechless.

This person is too cunning to disguise his identity like this.

Thinking to herself, Chang'e didn't bother to talk nonsense, and she coquettishly said: "Desecrate this palace, courting death! If I don't kill you today, I'll be Empress Chang'e!" It's fine for this person to pretend to be Yue Feng, and taking the opportunity to take advantage of himself is a crime that deserves death. .

"Kacha!" The

voice fell, and with a crisp sound, a sword appeared in Chang'e's hand.

Chapter 2723

This sword is full of brilliance, and the blade is three feet and one inch long, shining like a star and moon.

It was Chang'e's personal weapon, the Xingyue Sword! This is a rare weapon, the quality is above the purple rank, comparable to the magic weapon!

hum!

As soon as this sword came out, I saw the aura of heaven and earth around me, suddenly converging!

In the next second, Chang'e didn't talk nonsense, her figure was like a flicker, and she stabbed Liang Hao with a sword!

call!

This sword contains Chang'e's ten successes, as well as the anger in his heart. He had just been taken away by Yue Feng, and he was already angry. At this time, he was provoked by Liang Hao, a fake Yue Feng. How can he bear it?

It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

What the hell!

Feeling the power of the sword, Liang Hao's expression changed. He didn't have time to think about it. He quickly stepped back and dodged. He thought he would be embarrassed.

At the same time, Liang Hao clearly felt that after taking the Tongshen Pill, his internal strength and reaction speed were obviously improved a lot.

Haha...

The master's magic pill is really a good thing.

"Niangniang, it is your honor and your destiny to be my woman! Why do you have to be obsessed with it?"

With a smile, Liang Hao's confidence increased greatly, and the aura around his body rose, followed by a figure. In a flash, directly meet Chang'e!

In a blink of an eye, the two fought fiercely in mid-air!

call!

This scene made many disciples of the Holy Sect below feast their eyes!

You must know that Chang'e is the existence of a fairy in the world. Although she practiced in the holy sect before, these disciples of the holy sect could not meet each other. At this time, Chang'e and Liang Hao were fighting in mid-air, and the charming curve it was revealed, so that many of the male disciples present had their eyes straightened.

Chang'e's graceful figure was constantly fighting back and forth with Liang Hao.

At first, Chang'e was very confident, but gradually, she became anxious.

Chang'e clearly felt that, although she was rescued by Yue Feng, she was still a little weak and could not exert her true strength at all.

At the same time, the fake Yue Feng in front of her also shocked Chang'e secretly!

What happened? This Yue Feng is obviously fake, but how can he be so strong? It seems that it is not much different from the real Yue Feng!

At this time, Chang'e didn't know that Liang Hao, who was in front of her, had doubled his strength after taking Zhang Jiao's Tongshen Pill.

"Hahaha..."

At this moment, realizing that Chang'e was a little flustered, Liang Hao raised his hand and called at Chang'e!

The speed of this palm was too fast, and Chang'e could not dodge it. At that time, she could only use her internal strength to greet it with one palm!

boom!

The two palms touched each other and made a dull vibration. At this moment, Chang'e's tender body stepped back several steps, and her beautiful face was full of anger and unwillingness!

The next second, Liang Hao rushed over, quickly raised his hand, and tapped Chang'e's acupoint twice.

In an instant, Chang'e's body froze, unable to move.

"Niangniang, I've been offended!" Liang Hao didn't talk nonsense, he laughed loudly, picked Chang'e up, and flew directly into the distance!

Zhang Jiao said that the effect of the Tongshen Dan can only last for an hour, and now it has taken more than half an hour, so I can't stay any longer, I have to leave quickly!

What?

Seeing this scene, the surrounding Shengzong disciples were all stunned. When they came back to their senses, Liang Hao and Chang'e had disappeared into the night.

Chapter 2724

“Oops, Yue Feng kidnapped the goddess!”

“Hurry up, hurry up!” Amidst the

exclamations, the entire forbidden area in the back mountain was in chaos.

In the eyes of these disciples, until this moment, they still believed that the person they saw was the deity of Yue Feng!

.....

At this moment, the front mountain gate is in the air! The figures of Zhang Jiao and Yue Feng are constantly moving back and forth!

The two fought fiercely for half an hour, but there was still no winner.

The older Yue Feng was, the more impatient he became. Ma De and Zhang Jiao possessed the Heaven-opening Axe. It would be harder to kill him in a short period of time than to ascend to the sky. More importantly, that fake Yue Feng went to catch Chang'e, if he succeeded, the consequences could be disastrous.

At the same time, Zhang Jiao's face was also gloomy and indescribably anxious.

This Yue Feng's strength is getting stronger and stronger, and he can't suppress it even if he owns the Heaven-Opening Axe.

Whoa!

At this moment, I saw a group of people rushing over quickly!

It was the five altar masters of the Holy Sect, Mu Qingyue, Xie Liuyun, Yi Yunfeng and others, as well as several hundred elite disciples. Just now, when I heard a fight coming from the entrance of the mountain gate, I rushed over to take a look!

Seeing Shengzong coming, Zhang Jiao and Yue Feng's faces became a little complicated.

call!

At the same time, the people of Shengzong were also stunned.

What's the situation? Why did Mr. Zhang get into a fight with someone?

The next second, seeing Yue Feng, Xie Liuyun's eyes flashed coldly, and he couldn't help shouting: "Okay, you kid, you sneaked into the forbidden area of my holy sect before, sneaking, and now you dare to do something with Mr. Zhang..."

In Xie Liuyun's heart, Zhang Jiaoyuan is a guest, a VIP, and this kid named Wuchen, whose origin is unknown, naturally won't have a good face!

Whoa!

The voice fell, and everyone around was talking about it!

This person called Wuchen, who broke into the forbidden area before and disappeared, now appears here again, and fights with Zhang Jiao?

For a time, everyone's eyes were locked on Yue Feng.

Seeing this scene, Yue Feng didn't have time to think about it, and shouted: "Don't get me wrong, I'm Yue Feng, the one who came with Zhang Jiao before is fake!"

What?

Hearing this, everyone was shocked again!

Is he Yue Feng? Why doesn't this look different?

To be honest, Yue Feng had spent three years in the wild and strange realm, and there were three scars on his face, and his temperament and appearance had changed, so these people from the holy sect were surprised for a while.

"Boy!"

At this moment, Zhang Jiao sneered and scolded loudly: "Don't act, I know you are Yue Feng's confidant, you are ordered by Yue Feng, come to the Holy Sect first, don't have any purpose, For now, let's just get caught!"

Having said that, Zhang Jiao looked around and continued, "Everyone, I was resting just now, and this person suddenly invited me out to tell me about something important, so who knows that as soon as they meet, they will make a surprise attack."

It's a waste of my trust in Yue Feng, so I accompany him to the holy sect and ask Empress Chang'e to come out of the mountain, but I didn't expect that Yue Feng would actually send someone to plot against me!" He

said righteously.

Yes, Zhang Jiao wanted to conquer Yue Feng quickly, but he did not expect that Yue Feng could not be defeated in the fierce battle for so long, which led to the attraction of people from the Holy Sect.

However, Zhang Jiao's palace was very deep, and he quickly thought of the reason for the slander.

Nima!

Hearing this, Yue Feng was furious.

This Zhang Jiao is insidious to the extreme, even if the black and white is reversed, and he also pulls himself together with that fake Yue Feng.

“Good boy!”

At this moment, Xie Liuyun was furious, took a step forward, pointed at Yue Feng and cursed: “I know you didn't have a good heart when you came to the Holy Sect, honestly, what is the purpose of Yue Feng sending you here in advance? “

That idiot!

Facing Xie Liuyun's questioning, Yue Feng was very speechless, he said it was Yue Feng, but this Xie Liuyun still chose to believe Zhang Jiao's nonsense.

Chapter 2725

It's no wonder Xie Liuyun, when Yue Feng first came, claimed to be Wuchen, Xie Liuyun was preconceived and naturally would not believe his words, on the contrary, Zhang Jiao's words were more convincing!

Not only Xie Liuyun, but everyone present also leaned towards Zhang Jiao's rhetoric.

Only Mu Qingyue stood there, looking at Yue Feng complicatedly!

“Are you really Yue Feng?” Mu Qingyu couldn't help but asked softly.

Speaking of which, Mu Qingyue was Yue Feng's master after all. When Yue Feng joined the Holy Sect, he spent half a month with Mu Qingyue. In Mu Qingyue's heart, no one in the Holy Sect knew Yue Feng better than her.

The person in front of him, although his appearance is somewhat different from Yue Feng three years ago, his behavior cannot be changed.

“Master!”

Yue Feng smiled and apologized to Mu Qingyue: “Sorry, I didn’t visit you right away when I came back!”

Seriously, the entire Holy Sect treats him well, except for senior sister Liu Qingqing, this is the one Master.

“Altar Mu!”

At this moment, Xie Liuyun couldn’t help but shouted, and sneered at Mu Qingyue: “You see clearly, he is Yue Feng’s subordinate, where is Yue Feng? You also believe his lies?”

Saying that, Xie Liuyun glared at Yue Feng: “Come on, what is the purpose of Yue Feng sending you here? By the way, what about Yue Feng people?”

Mad!

Seeing Xie Liuyun messing around here, Yue Feng was anxious and angry.

With such a simple mind, I really don’t know how he got on the altar of Liujin altar.

“Oh no!”

At this moment, several disciples rushed over in a panic and kept shouting: “Ms. Chang’e was taken away by Yue Feng, and many disciples were injured!

” Injury, it is the patrol disciple who was in the forbidden area before.

What?

Hearing this, the expressions of everyone present changed, and they were all shocked and angry.

Yue Feng is so daring, he actually took away Empress Chang’e?

Mad, it’s still too late.

Yue Feng was even more shocked, and at the same time, he was also extremely shocked.

Chang’e is not weak, how did that fake Yue Feng capture her?

Haha...

Seeing this scene, Zhang Jiao's face was calm, but his heart was filled with joy!

Liang Hao did not let himself down, and as expected, Chang'e was successfully captured.

Thinking to himself, Zhang Jiao pointed at Yue Feng and shouted: "Boy, I know, you lied to me and deliberately caused chaos here, just to create an opportunity for Yue Feng to catch Chang'e, right, a good strategy! "

When he said this, Zhang Jiao's eyes were full of pride.

Yue Feng, Yue Feng, this time you jumped into the Yellow River and you can't wash it.

Yue Feng's face was ashen, and he didn't know how to refute it for a while. This Zhang Jiao was really cunning, and he was so eloquent and eloquent that black can be said to be white.

Whoa!

At this moment, Zhang Jiao's words immediately caused the anger of Xie Liuyun and others!

"Grab this kid first!" Xie Liuyun said coldly, his inner strength urged, and his figure jumped up, at the same time, a long sword appeared in his hand: "If you can't catch it, just kill it on the spot! "

The voice fell, and Xie Liuyun's long sword was almost reaching Yue Feng's chest!

Yue Feng clenched his fists tightly, and his anger was released, he couldn't help cursing: "Are you all idiots? I said it all, I'm Yue Feng, the one who took Chang'e was fake, why don't you believe it? ?" When the

voice fell, Fang Tianhuaji appeared instantly, laying across his chest, blocking Xie Liuyun's blow!

"Clang!"

Fang Tianhua halberd and the long sword violently collided, making a loud noise, Xie Liuyun was shaken back several steps, and a mouthful of blood spurted out!

So strong.

At this moment, Xie Liuyun stabilized his figure and stared blankly at the Fang Tianhuaji in Yue Feng's hand, the whole person was a little stupid!

Could it be that what this kid said is true, he is Yue Feng? You must know that there is only one Fang Tianhua halberd in the world. After the discovery of the ancient tomb of Lu Bu, Fang Tianhua halberd fell into the hands of Yue Feng and never changed hands.

The ultimate husband in Chinese chapter 2726-2730

Chapter 2726 The

more Xie Liuyun thought about it, the more frightened he became.

Mad, this kid is the real Yue Feng, but he deliberately used Wuchen's pseudonym before, obviously he was playing with Shengzong.

You especially thought that in the daytime, Yue Feng treated Zhang Na and forced the entire Liujintan to apologize to Liu Qingqing, and Xie Liuyun felt even more humiliated.

No wonder this kid would help Liu Qingqing so much. It turns out that he is Yue Feng's deity.

"Haha!"

At this moment, Zhang Jiao, who was watching from the side, couldn't help but sneered and looked at Yue Feng and said, "Boy, it seems that Yue Feng trusts you very much, even his own weapon, Fang Tianhuaji, I'll let you use them all!"

"Yue Feng gave you Fang Tian's halberds to block the people of the Holy Sect, so that he could delay time to catch Lady Chang'e, right?"

When he said this, Zhang Jiao had a face on his face treacherous.

Zhang Jiao observed closely and saw that Xie Liuyun had guessed Yue Feng's identity. He didn't have time to think about it at the time, and confused the audience again. The deeper the misunderstanding between Yue Feng and Shengzong, the better it would be for him.

Mad!

Yue Feng's face was ashen, and he could not wait to kill Zhang Jiao immediately.

This Zhang Jiao is really insidious to the extreme, and at this time, he is still sowing discord.

call!

However, when he heard this, Xie Liuyun flashed coldly and shouted angrily: “Boy, even if you have Yue Feng’s Fang Tianhuaji, Shengzong is not a place where you can go wild!”

Xie Liuyun is not a fool, he has realized that he is in front of him. It is the real Yue Feng, but after all, he is the altar master of the Liujin altar, and his identity is extraordinary.

This chapter is provided by . Visit for daily update.

More importantly, Xie Liuyun and Yue Feng originally had a grudge, and at this time they wanted to make a mistake and kill Yue Feng!

“Xie Liuyun, I said it all, I’m Yue Feng, Zhang Jiao has ulterior motives, how can you believe what he says?!” Yue Feng clenched his fists, burning with anger!

“Stop talking nonsense, suffer to death, boy!” Xie Liuyun was too lazy to talk nonsense, a roar sounded, and with a flick of his wrist, the long sword stabbed towards Yue Feng again.

“Yes, take it first and then talk about it!”

“Boy, whether you are the real Yue Feng or not, hurry up and capture it!”

At the same time, Yi Yunfeng and the others next to him, as well as many elite disciples, shouted angrily, all of them rush over! For a while, Yue Feng was surrounded!

“Clang!”

Yue Feng’s Fang Tianhua halberd kept waving to resist, but there were too many people to stop him.

To be honest, with Yue Feng’s current strength, it is not difficult to deal with people like Xie Liuyun and Yi Yunfeng.

Haha...

Seeing this scene, the corners of Zhang Jiao’s mouth twitched, revealing a cold smile.

Yue Feng, Yue Feng, how can you be my opponent?

Thinking about it, Zhang Jiao wanted to rush over and help Xie Liuyun and others subdue Yue Feng, but thinking of his own identity, he held back.

Moreover, Zhang Jiao consumed some of his internal strength just now by urging Kaitian Axe and Yue Feng to fight fiercely. At this time, he took the opportunity to retreat to the side and recover secretly.

“You...”

At this moment, Mu Qingyue, who was standing by the side, frowned and was very anxious: “Don’t fight, don’t fight.”

Yue Feng has already admitted his identity, but Xie Liuyun’s group, but Also have a big fight.

Anxious, Mu Qingyue was about to rush up, but the situation in front of her was too chaotic, afraid of hurting her own people, Mu Qingyue finally gave up, standing there and stomping her feet in a hurry.

However, Xie Liuyun just pretended not to hear Mu Qingyue’s words, and continued to besiege Yue Feng with everyone around him.

In the blink of an eye, ten minutes passed, and everyone still did not subdue Yue Feng.

“Fellow of the Holy Sect!”

At this time, Zhang Jiao’s internal strength almost recovered, and he said solemnly: “This kid will be handed over to you, I will go after Yue Feng and rescue Empress Chang’e!”

Chapter 2727 The

voice fell, and Zhang Jiao’s figure rose into the sky and flew into the distance.

To be honest, Zhang Jiao really wanted to join Xie Liuyun and others to surround and kill Yue Feng on the spot, but now the most important thing is to join Liang Hao and completely control Chang’e.

In the blink of an eye, Zhang Jiao’s figure disappeared into the night.

“Mr. Zhang!”

Xie Liuyun, Yi Yunfeng and the others responded in unison, watching Zhang Jiao leave.

Immediately afterwards, everyone still cooperated with each other and continued to besiege Yue Feng.

Nima!

Yue Feng was so anxious and angry that his eyes almost burst into flames!

Are Shengzong’s gang all idiots? Zhang Jiao and the fake Yue Feng caught Chang’e, and now they have all run away, and these people haven’t reacted yet.

Thinking to himself, Yue Feng didn't want to continue fighting, and was ready to find an opportunity to rush out.

If Chang'e falls into Zhang Jiao's hands, it's definitely not a good thing.

"Who is making trouble in the Holy Sect?"

At this moment, a thick voice came, and then, a figure flew quickly, immortal, with a strong aura.

It is the head of the Holy Sect, Lu Dongbin!

Lu Dongbin was originally in retreat, but just now, there was a fight in the forbidden area of the back mountain, and then there was chaos in the direction of the entrance to the mountain gate.

Swish!

In the blink of an eye, Lu Dongbin was in the middle of the square, his eyes locked on Yue Feng.

Because it was a dark night, and in the past three years, Yue Feng had changed a lot, so Lu Dongbin didn't recognize it for a while.

Sect leader?

Seeing Lu Dongbin, Xie Liuyun and others were both surprised and happy.

Immediately afterwards, Xie Liuyun couldn't help but shouted: "Sect Master, this person is Yue Feng's subordinate, and just cooperated with Yue Feng to capture the Empress Chang'e, we are about to capture her for questioning, how do you know that this kid is very powerful. "

When he said this, Xie Liuyun's expression was very angry, but there was cunning in his eyes.

He knew that Lu Dongbin didn't know that the person in front of him was Yue Feng, so it was just right that he could get rid of Yue Feng with the hands of the sect master. You must know that although Yue Feng was very strong, he was by no means an opponent of the sect master.

What?

Hearing this, Lu Dongbin's expression changed.

Empress Chang'e was taken away by Yue Feng? Is this kid in front of Yue Feng's party?

Thinking about it, Lu Dongbin flashed before reaching Yue Feng, holding back his anger: "Good boy, dare to break into the Holy Sect, and be rude to Empress Chang'e!"

Om!

The voice fell, and a terrifying aura erupted from Lu Dongbin's body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Lu Dongbin slowly raised his right hand and hit Yue Feng with a palm!

This strength...

Feeling the pressure of the powerful breath, Yue Feng was startled. He wanted to explain, but under this powerful pressure, he couldn't open his mouth at all. In a hurry, he had no choice but to hold Fang Tianhua tightly. Halberd, attack! Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

The palm force slapped the Fang Tianhua halberd fiercely. Yue Feng only felt an overwhelming force coming from the mountains.

Nima!

This Lu Dongbin is worthy of being a master of the Taoist sect. His strength is simply too terrifying. He used all his inner strength to barely block this palm!

Chapter 2728

"Master!"

Seeing this scene, Mu Qingyue below was nervous, her heart was in her throat, and she couldn't help shouting: "This is a misunderstanding, he is not..."

Mu Qingyue thought this was Yue Feng, but she was interrupted by Xie Liuyun after she said a few words.

"Lord Mu, you don't have to say good things to Yue Feng." Xie Liuyun sneered with a sinister look on his face: "Who doesn't know that Yue Feng is your apprentice, but he captured Chang'e and did such a rebellious thing, sin There is no forgiveness!"

“This kid is his comrade, he must not be tolerated!”

When he said this, Xie Liuyun kept his eyes on Yue Feng.

Haha, the sect master has taken action, this time Yue Feng will be disabled. However, it is not easy for this kid to block the palm of the head.

“You...”

Mu Qingyue frowned, looking at Xie Liuyun anxiously and angrily, unable to speak.

What happened to Xie Liuyun? The situation in front of him is obvious, this is the real Yue Feng, why can't he see it?

At this time, Mu Qingyue didn't know it yet, but Xie Liuyun had already seen it, that it was deliberately wrong, so as to take the opportunity to get rid of Yue Feng.

call!

Lu Dongbin, on the other hand, was quietly floating there, without the slightest emotional fluctuations in his expression.

“I didn't expect that all of Yue Feng's subordinates were so powerful that they could block my palm.” At this time, Lu Dongbin looked up and down at Yue Feng with a dignified look in his eyes!

Click!

The voice fell, and a handful of Buddha dust appeared in Lu Dongbin's hand.

This Buddha dust is exactly Lu Dongbin's weapon. It is made of ten thousand years of cold iron and thousand years of ice silk. Like Chang'e's Xingyue Sword, its quality surpasses the purple rank. It is a rare weapon that is close to a divine weapon.

call!

Seeing Lu Dongbin summoning Fochen, Mu Qingyue's delicate body trembled, her jade hands clasped tightly, and she broke into a cold sweat for Yue Feng.

Oops, the head is serious, Yue Feng is in trouble now!

Xie Liuyun couldn't be more excited. The sect master used weapons, and now Yue Feng is dead!

Gudong!

Feeling the solemn expression on Lu Dongbin's face and the invisible pressure that permeated his body, Yue Feng's forehead was sweating, and he couldn't help swallowing!

Nima!

This Lu Dongbin seems to be coming for real, I'm afraid I can't stop it.

hum!

Lu Dongbin didn't talk nonsense, he raised his hand and waved, and saw a rhythm of spiritual power between heaven and earth, and then, a yin and yang gossip pattern condensed out and burst towards Yue Feng.

Yue Feng didn't have time to think about it, so he quickly summoned Bailian Lenghuo and formed a protective barrier in front of him!

Bailian cold fire?

Seeing the white flame flashing and forming the shape of a lotus flower, Lu Dongbin's expression changed, and he suddenly realized something.

He... he is Yue Feng!

No, didn't Xie Liuyun say that this kid is Yue Feng's accomplice?

However, in the world, only Yue Feng successfully merged the cold fire of white lotus, and the person in front of him used the cold fire of white lotus to condense the protective film, who else but Yue Feng?

Thinking to himself, Lu Dongbin wanted to remove the internal power of the gossip graphics, but it was too late!

Bang!

The next second, I heard an earth-shattering roar, and I saw the protective film condensed by Bailian's cold fire shattered in an instant, and then Yue Feng let out a groan, and the whole person was shocked and flew out, flying more than a hundred times. Mi Yuan fell heavily to the ground.

When he resisted Lu Dongbin's palm just now, Yue Feng had already consumed a lot of internal energy. At this time, he could not resist Lu Dongbin's Daoist exercises.

After all, this is a famous Taoist master!

"Yue Feng!"

Seeing this scene, Mu Qingyue couldn't help but exclaimed, hurried over to check Yue Feng's injury, and saw that Yue Feng was so severely injured that he had fainted!

Chapter 2729

At the same time, Lu Dongbin landed slowly, frowned at Yue Feng, and muttered to himself: "Ashamed, fortunately

, I didn't do my best just now!" At this time, Lu Dongbin was very complicated.

As the head of the Holy Sect, the first-generation master of the Taoist sect, it is too embarrassing to admit the wrong person.

call!

Hearing this, everyone present looked at each other in dismay, and they all didn't understand. The sect leader wanted to kill this Yue Feng's comrade just now. Why did he regret it in a blink of an eye?

"Haha..."

At this moment, Xie Liuyun came over, looked at Yue Feng's eyes closed, his face was pale, and couldn't help but say proudly, "Your kid isn't dead yet?" As

he was talking, he saw Lu Dongbin's serious expression. Looking at it, Xie Liuyun's heart trembled, knowing that he was a little complacent, and quickly shut his mouth.

"Qingyue!"

At this time, Lu Dongbin breathed a sigh of relief, and instructed Mu Qingyue and the others: "Take the person down for treatment. Others, immediately go down the mountain and track down the whereabouts of Empress Chang'e. There must be no mistake."

"Yes . After receiving the

order, everyone responded in unison, and then Mu Qingyue asked two disciples to take Yue Feng down for healing.

Watching everyone leave, Lu Dongbin's eyes fell on Xie Liuyun: "Liuyun, come with me!"

Xie Liuyun nodded quickly, feeling a little uneasy in his heart.

It's broken, did the boss see something?

A few minutes later, he arrived at the secret room where Lu Dongbin retreated.

Lu Dongbin sat there slowly, and after instructing Xie Liuyun to close the door, he asked lightly, "Liuyun, what's going on tonight?"

Not loud, but full of majesty!

"Sect Master!" Xie Liuyun swallowed his saliva secretly, and explained the situation one by one.

call!

Knowing the situation, Lu Dongbin pondered for a while, and his expression suddenly became serious: "Actually, when I arrived just now, you already knew that that 'Wuchen' is the real Yue Feng, why do you keep saying that he is Yue Feng's subordinate?"

After speaking, Lu Dongbin's eyes became sharp: "You want to use my hand to get rid of Yue Feng, just because when Yue Feng worshipped the Holy Sect, you lost face, right?"

"I... ."

Xie Liuyun's body trembled, and his heart was extremely shocked.

It turned out that the headmaster already knew everything.

Thinking to himself, Xie Liuyun hesitated for a while, then bent his knees, and knelt down directly in front of Lu Dongbin: "Master, I was wrong, please punish me!"

When he said this, Xie Liuyun was full of shame, but There was a glimmer of luck in his eyes.

No matter what he said, he was also the altar master of the Liujin altar. Even if the behavior just now was a little selfish, the head would still turn to him. After all, Yue Feng was an outsider no matter what.

Seeing his resolute confession, Lu Dongbin was expressionless, without the slightest emotion!

For a while, there was a strange silence in the secret room. The atmosphere was a little depressing.

Feeling this depression, Xie Liuyun felt a little uneasy in his heart.

"Liu Yun!"

Finally, Lu Dongbin breathed a sigh of relief and said slowly, "Remember when you first joined the Holy Sect, you were only ten years old, and you have such a strong personality. I warned you at the time that you should not be impetuous in your future cultivation. , and don't pay attention to the gains and losses of grievances!"

"But for so many years, you have been doing your own way. Although you have contributed so much to the Holy Sect for so many years, it is in vain to improve your cultivation strength without a breakthrough in your state of mind."

"Master..."

Hearing this, Xie Liuyun was stiff There, cold sweat broke out all over his body: "I was wrong!"

Lu Dongbin smiled slightly and waved his hand: "Some things, it's not just a matter of knowing something is wrong, this time you made a big disaster, and what happened tonight is clearly Zhang Jiao You lied to the sky and crossed the sea, captured Chang'e with a traitorous scheme, and Yue Feng took the blame, but you, for your own personal grievances and revenge against Yue Feng, let Zhang Jiao go, and almost let me kill Yue Feng by mistake."

"From now on, You are no longer the altar master of the Liujin altar, go to the back mountain and think about it yourself!"

What?

At this moment, Xie Liuyun felt like he was struck by lightning, his legs were weak, and he almost collapsed on the ground!

Chapter 2730

Xie Liuyun at this time is almost crying without tears.

Why?

Even if you want to take revenge on Yue Feng, but Yue Feng is not dead, he is about to be removed from the position of the altar master, and he has to think about it? Thinking to himself

, Xie Liuyun hugged Lu Dongbin's legs and feet, crying and begging for mercy: "Master, I was wrong, I was really wrong... Please open the door to the head."

How many years have you worked hard to get on the seat, and now there is nothing left, how can you be reconciled?

However!

In the face of Xie Liuyun's begging for mercy, Lu Dongbin's attitude was very firm, he shook his head and said: "Liuyun, I have already said it very clearly, your character is too heavy on grievances and grievances, and it is not suitable for you to be the altar master." After speaking

, Lu Dongbin looked Seriously, he continued: "Also, the biggest mistake you made was to ignore the safety of Empress Chang'e, and only wanted to take revenge on Yue Feng, Empress Chang'e is a strange woman in the world, and Zeng's mother is beautiful in the world, she really wants to have something wrong, You can't afford it." The

last sentence fell, and Lu Dongbin raised his hand: "Go!"

Huh!

At this moment, Xie Liuyun was completely desperate and nodded.

However, when he got up, Xie Liuyun's eyes flashed with a hint of coldness.

I have been loyal to the Holy Sect for decades, but in the end, I can't match a Yue Feng, and Chang'e. Since you are unkind, don't blame me for being unrighteous.

"Sect Master, I'm sorry!"

At this moment, when Xie Liuyun turned around, suddenly, a powerful aura burst out from Xie Liuyun's body, raised his hand and slapped it directly at Lu Dongbin's heart.

Lu Dongbin's expression changed, he raised his hand and waved, and a protective film formed in front of him.

However, Xie Liuyun's purpose was not this. Seeing him turn around, he raised his hand again and directly knocked out a lamp beside Lu Dongbin.

In the secret room of Lu Dongbin's retreat, there are a total of nine lamps, which are placed according to the yin and yang gossip, called the gossip nine palace lanterns. In the past few years, Lu Dongbin has gained a new understanding of Taoist exercises and created a gossip-based exercise, and this gossip and nine palace lanterns are the key.

Xie Liuyun, as the altar master of the Liujin altar, knew very well that as long as the gossip nine palace lanterns were extinguished, he would be able to inflict heavy damage on Lu Dongbin.

"Liu Dongbin!"

Lu Dongbin was extremely frightened and shouted angrily, "What are you doing?"

While speaking, Lu Dongbin's face was weak.

Before leaving the customs early, Lu Dongbin's dantian internal power was a little disordered, and later he started with Yue Feng, but at this time, Xie Liuyun suddenly extinguished the gossip Jiugong lantern, and the dantian internal power suddenly turned into chaos.

At this time, Lu Dongbin was very frightened and angry. He never thought that Xie Liuyun, who had always been respectful to him, would suddenly attack him.

call!

Xie Liuyun didn't respond, his face flashed crazy, taking advantage of Lu Dongbin's weakness, he turned off all the remaining eight lights.

After doing this, Xie Liuyun sneered and said slowly: "Sect Master, although you are a master of Taoism, your thinking is too pedantic. Since you are dedicated to seeking Taoism, then go to the illusory realm and slowly cultivate."

When saying this, Xie Liuyun's eyes fell on a gourd in the corner of the secret room!

This gourd, called the Qiankun gourd, is the treasure of the holy sect. It is said that when the world was opened up, a spiritual thing was born between the heaven and the earth.

It is said that the Great Illusory Realm is very large, filled with aura, and there are endless dangers. For thousands of years, many strong people have tried to break in, but they have not come out safely.

Lu Dongbin also tried to enter the illusory realm, but because he was not fully sure, he finally gave up!

At this time, Xie Liuyun's purpose was very obvious. He didn't want to kill Lu Dongbin, but as long as he was trapped in the illusory realm, he would be fearless in the Holy Sect in the future.

hum!

After making up his mind, Xie Liuyun slapped Lu Dongbin with a palm without any hesitation!

Without the gossip and the nine palace lanterns, Lu Dongbin's internal strength was affected, and he was very weak, and he had no strength to resist.

boom!

As soon as he saw that this palm hit Lu Dongbin hard, he stumbled back, his face was pale, and he was extremely weak!

It was at this moment that Xie Liyun rushed over and opened the seal of the Qiankun gourd, and saw a powerful force surging out from the mouth of the gourd, enveloping Lu Dongbin at once.
