

The ultimate husband in Chinese chapter 2731-2740

Chapter 2731

Whoosh!

In the next second, under the terrifying force, Lu Dongbin disappeared and was trapped in the illusory realm in the cosmic gourd.

call!

At this moment, Xie Liuyun took a deep breath, with a crazy smile on the corner of his mouth, without the slightest pity or heartache in his eyes, and said coldly: "Master, don't blame me, who told you to turn to outsiders? Just be honest. Stay in the illusory realm, and the sect will be handed over to me!" The

voice fell, Xie Liuyun walked over, picked up the token of the sect master that had fallen on the ground, turned around and strode out of the secret room!

When he got outside, Xie Liuyun called his disciples and ordered everyone to gather in the main hall!

After a while, Yi Yunfeng, Mu Qingyue and others rushed to the main hall together!

Um? !

As soon as they entered the hall, Mu Qingyue, Yi Yunfeng and the others were all stunned when they saw the scene in front of them.

I saw that Xie Liuyun was wearing the robe of the head, sitting on the throne, with a hint of arrogance on his face.

"Xie Liuyun!"

Soon, Mu Qingyue reacted first, shouting at Xie Liyunjiao: "What are you doing? You dare to sit in the position of the head?"

Before Xie Liuyun instigated everyone to besiege Yue Feng, Mu Qingyue was very dissatisfied. At this time, seeing him arrogantly sitting on the throne of the sect leader, he was even more angry.

The voice fell, and everyone else agreed.

"Xie Liuyun, come down quickly!"

This chapter is provided by . Visit for daily update.

“Crazy...”

Hearing everyone’s scolding, Xie Liuyun smiled, looked around, and said lightly:
“Everyone, don’t be impatient, the head just called me to go to the secret room and follow me. I said a lot.”

“The head of the sect has recently retreated, and I have a new understanding. Just now, I have already gone to the illusory realm, so I handed over the sect to me.”

“In other words, I am now the new head of the sect!”

said At these times, Xie Liuyun looked serious.

Whoa!

Hearing this, everyone in the hall was stunned, thinking that they had heard it wrong.

The Sect Master handed over the Holy Sect to Xie Liuyun?

This... is too sudden.

“This...”

At this moment, Yi Yunfeng came out, his eyes flashing complicatedly, and he said to Xie Liuyun, “You said that the Sect Master entrusted you with the Holy Sect? What evidence is there?”

Speaking of which, Lu Dongbin was going to investigate The entire Holy Sect knows about the Illusory Realm, but for thousands of years, Lu Dongbin has been hesitating, and now he suddenly went to the Illusory Realm, which is too sudden.

Moreover, the Holy Sect was full of talents, and Xie Liuyun was not a suitable successor.

Swish!

The voice fell, and everyone else was staring at Xie Liuyun, and their eyes were asking.

Xie Liuyun didn’t panic at all, smiled slightly, and took out the head token from his body:
“The token is here, it was given to me by the head, do you have any questions?”

Seeing the head token, Yi Yunfeng no longer Suspected, he immediately knelt down towards Xie Liuyun: “Meet the Sect Master!”

In Yi Yunfeng’s heart, Lu Dongbin’s strength was unfathomable, and it was impossible for Xie Liuyun to grab the Sect Master token from him.

However, Yi Yunfeng didn't know that Xie Liuyun used despicable means to destroy Lu Dongbin's gossip nine palace lanterns and trapped Lu Dongbin in the illusory realm. of.

"Meet the Sect Master!!"

In an instant, the rest of the people, including Mu Qingyue, all knelt down.

"Well, let's all get up!"

Xie Liuyun raised his hand in satisfaction, and then his eyes fell on Mu Qingyue with a hint of gloom.

Chapter 2732

"Mu Qingyue!"

Finally, Xie Liuyun couldn't help but said coldly, "Do you know what

's wrong?" When he said this, Xie Liuyun kept looking at Mu Qingyue up and down, his eyes shone with a strange light.

It has to be said that Mu Qingyue is a famous goddess of the Holy Sect. Any man will be moved when he sees it, Xie Liuyun is no exception, but he was only the altar master of Liujin altar before, and he was on an equal footing with Mu Qingyue. More importantly, there has always been grievance between the two altars, so Xie Liuyun held his own identity and dared not make any difference. idea.

But now it is different. As the head of the sect, Xie Liuyun no longer has any scruples.

Xie Liuyun knew that Mu Qingyue had an arrogant temperament, and if she wanted to conquer her, she must first establish her prestige.

Swish!

At this moment, the eyes of the entire hall focused on Mu Qingyue!

Mu Qingyue also trembled, Xie Liuyun's eyes made her very uncomfortable, but she calmed down and said slowly: "The head said this, it makes me a little puzzled, please clarify!"

When saying this, Mu Qing Yue Qiang endured the displeasure in his heart.

To be honest, Mu Qingyue completely regarded Xie Liuyun as a thorn in her eyes after years of fighting with Liu Jintan.

But there is no way, now that Xie Liuyun is the head, even if there is dissatisfaction, he can only bear it.

boom!

Hearing the answer, Xie Liuyun slapped the table and said angrily: "I don't know? Mu Qingyue, you are so embarrassed to answer this way? Yue Feng captured the mother Chang'e, and you are Yue Feng's master, you dare to say that about yourself. Can't get out of the relationship?"

Saying that, Xie Liuyun looked around and continued: "Just now, when the head of the sect took action against Yue Feng's comrades, you still have to stop it, what is your motive? Did you also participate in the plan?"

At this time, Xie Liuyun had a gesture of asking for guilt, but his eyes were glittering with pride and cunning.

Until now, everyone present, except Mu Qingyue and herself, didn't know that the one who was injured by Lu Dongbin just now was the real Yue Feng.

Whoa!

The voice fell, and everyone in the hall couldn't help but talk about it!

"I won't take the matter of Yue Feng's arrest of Empress Chang'e, and Tan Master Mu was involved?"

"It's possible, after all, Tan Master Mu is Yue Feng's master."

"Yeah..."

Under the discussion, all the Everyone looked at Mu Qingyue with suspicion in their eyes.

Mu Qingyue bit her lips tightly, her petite body trembling with anger.

This Xie Liuyun is really a despicable villain, this is clearly a public revenge, such an insidious person, I really don't know how the head of the sect handed over the holy sect to him.

Thinking to herself, Mu Qingyue resisted her anger and defended: "This matter has nothing to do with me, and it was Yue Feng who was injured by the head just now, and it was obvious that Chang'e was taken away. Fake..."

"Shut up!"

Before she could finish speaking, Xie Liuyun's face darkened, he patted the table heavily, stood up, pointed at Mu Qingyue and scolded: "Now you still give Yue Feng Cleared? Do you want to say that the arrest of Chang'e has nothing to do with Yue Feng?"

"Now that the story of Empress Chang'e's arrest by Yue Feng has spread throughout the Holy Sect, is it possible that everyone Are they all blind?"

Hearing this, many people subconsciously nodded in agreement.

Mu Qingyue was completely anxious, why didn't these people believe in themselves?

"Mu Qingyue!"

At this moment, Xie Liuyun took a deep breath and said coldly: "Don't be obsessed, it's too late to admit your mistake, I'll give you a chance to immediately kill Yue Feng's comrade, the one called Wuchen. Man, I don't need to hold you accountable for your faults!"

Xie Liuyun knew better than anyone that Wuchen was the real Yue Feng.

At this time, it was not really that Mu Qingyue killed Yue Feng, Xie Liuyun was just pretending, so that the people present could see.

What?

Hearing this, Mu Qingyue's heart trembled, her beautiful face was full of resistance, and then she said to Xie Liuyun: "Xie Liuyun, how did Empress Chang'e get arrested? It's about the wind!"

Chapter 2733

"I know that when Yue Feng worshipped the Holy Sect, he embarrassed you several times, so you held grudges and wanted to get rid of him."

"If it is really related to Yue Feng, I will not let it go. He, but the truth is not clear, let me do it, I can't do it."

"Also!" At the

end, Mu Qingyue's face was cold, and she said to Xie Liuyun word by word: "Just like you do it. Sect Master, it's a shame for the Holy Sect!"

She added to the last two words.

To be honest, Mu Qingyue was reluctant to turn against Xie Liuyun, but she never thought that Xie Liuyun would force her to kill Yue Feng, which made Mu Qingyue unacceptable.

hiss!

In an instant, the entire hall was completely silent! All eyes are on Mu Qingyue!

She.. what did she say? ! Xie Liuyun just sat in the head, she actually said it was a disgrace of the Holy Sect?

In the Holy Sect, the words of the head of the sect are the rules and regulations of the sect. Mu Qingyue said this, it is simply a violation of the following.

At this moment, Xie Liuyun's expression suddenly changed. You must know, in front of so many people, being so scolded by Mu Qingyue, where would he put his face?

For a while, the atmosphere in the hall was extremely solemn.

call!

But soon, a smile appeared on Xie Liuyun's face, he nodded and said: "Okay, very good, since you are obsessed and insist on covering up Yue Feng, then don't blame me, come and take it for me!"

Said When he said these words, Xie Liuyun was very angry on the surface, but he was happy in his heart.

He had been forcing Mu Qingyue to kill Yue Feng just now, and the purpose was to anger her, so that there was a reason to lock her up.

The words fell, and Yi Yunfeng and the others in the hall all looked at each other in dismay.

Whoops!

In the next second, everyone's inner strength urged and directly surrounded Mu Qingyue. Speaking of which, none of these people wanted to do anything to Mu Qingyue, but she was so contemptuous of the new Sect Leader that she could never let it go.

"You..."

Seeing this scene, Mu Qingyue's delicate body trembled, anxious and angry.

However, although Mu Qingyue's strength was high, he couldn't stop so many people.

“Take it down first, lock it up!” Xie Liuyun waved his hand and ordered.

A few disciples responded, holding Mu Qingyue and leaving the hall!

“Master!”

As soon as he left, a slender figure came out, it was Zhang Na.

When the master became the head, Zhang Na couldn't tell how excited she was, and said to Xie Liuyun: “Master, that Yue Feng's comrade, called Wuchen, is still in the back room to heal, what should I do?”

Xie Liuyun looked at Zhang Na and smiled slightly: “To be tortured, it's best to ask Yue Feng's whereabouts. I'll leave this matter to you!” “

Yes, Master!” Zhang Na nodded quickly!

Xie Liuyun snorted and raised his hand: “Okay, everyone, let's go down, Zhang Na stays!”

When saying this, Xie Liuyun's eyes flashed with a deep meaning.

When the words fell, Yi Yunfeng and the others saluted one after another, and then exited the hall.

“Zhang Na!”

As soon as everyone left, Xie Liuyun waved at Zhang Na!

Zhang Na hurried forward and asked respectfully, “Master, oh no... Sect Master, what else is there to order?” Huh

!

Xie Liuyun took a deep breath, his face full of smiles, showing a bit of gloom: “That person called Wuchen, don't need to interrogate, just kill him!”

Chapter 2734

What?

Hearing this, Zhang Na was taken aback, and her heart was full of doubts: “Master, this Yue Feng's comrade obviously knows a lot of things, why don't you need interrogation?”

“Silly apprentice!”

Xie Liuyun chuckled lightly . , said seriously: “This Wuchen is the real Yue Feng, and the one who captured Chang’e is a fake!”

There were other people in the hall just now, and Xie Liuyun was inconvenient to say it. Now that everyone has left, there is no concern.

Xie Liuyun was not at all worried that Zhang Na would betray her. You must know that Zhang Na worshipped Xie Liuyun as her teacher when she was ten years old.

What?

At this moment, Zhang Na’s body trembled, her eyes widened, and she stared blankly at Xie Liuyun, speechless.

That... that Wuchen is Yue Feng?

A few seconds later, Zhang Na reacted, took a deep breath, and nodded at Xie Liuyun: “I understand, Master! I will definitely get rid of Yue Feng, and make sure that the ghost will not know it, and will not let anyone know.”

Saying this At that time, Zhang Na’s delicate face could not hide the resentment.

Yue Feng has humiliated himself several times, but his strength is too strong, and it is difficult to retaliate with his own realm, and now there is such a good opportunity, he will definitely not miss it.

...

the other side!

In the woods a hundred miles northwest of Shengzong, Liang Hao and Chang’e flew for several hours. When he was tired, he landed and rested for a while.

“Despicable villain!”

As soon as she landed in the woods, Chang’e couldn’t help drinking: “Let me go, or you will die without a burial!”

At this time, Chang’e was so angry that she could not express her anger. She was the goddess of the mother-in-law, Chang’e. In the Kyushu continent, whoever saw her was not respectful, but the person in front of her, who pretended to be Yue Feng and attacked her, was a great shame. !

“Tsk tsk!”

Facing Chang'e's anger, Liang Hao didn't panic in the slightest, but looked up and down with a smile, and said jokingly: "The lady's temper is really hot, don't worry, I'm only responsible for catching you, and I won't do anything to you. Yes, so, please don't be impatient!" As

he said, Liang Hao watched from a close distance, his eyes straightened.

Beautiful, so beautiful!

At this time, Liang Hao was almost unable to hold back, but in the end he forcibly held back, because Zhang Jiao repeatedly instructed him to capture Chang'e, and he must keep his duty and must not have the slightest blasphemy.

However, Chang'e screamed more and more fiercely. In the end, Liang Hao couldn't do anything, so he raised his hand and knocked Chang'e unconscious.

Whoosh!

It was at this time that a figure came quickly in the night sky not far away, and arrived in front of Liang Hao in the blink of an eye.

Wearing a black robe, with a grim expression.

It was Zhang Jiao.

"My lord!"

Liang Hao didn't dare to be negligent, and quickly knelt down and saluted: "My subordinates lived up to their expectations, they have already caught Empress Chang'e!"

"Yes, yes!" Zhang Jiao nodded approvingly. Looking at the unconscious Chang'e, she was indescribably happy.

Haha...

Chang'e is already in her own hands, and it won't be long before the whole world is hers.

"Lord!"

At this time, Liang Hao stood up and said cautiously, "What should I do next?"

Zhang Jiao pondered, looked around, and said slowly, "Find a hidden place, and I will use the 'Soul Deception Technique' for Empress Chang'e. , Liang Hao, wait for you to lie down for me nearby, remember, don't let anyone approach, you know?" The

voice fell, Zhang Jiao hugged Chang'e and walked towards the depths of the woods!

"Understood!" Liang Hao quickly followed behind.

A few minutes later, Zhang Jiao chose a place, sat cross-legged, exercised his inner strength, hung his hands above Chang'e's head, and began to urge the soul-snatching technique.

The Soul Recapture Dafa is a kind of exercise created by Zhang Jiao. After success, the target will unconditionally obey all orders. This exercise was created after nearly a thousand years of painstaking research when Zhang Jiao was trapped in the ancient tomb of Lv Bu. Never performed.

You must know that the target cannot resist the slightest bit when using the Soul Repelling Technique, and at this time, Chang'e was unconscious, but it was a good opportunity from heaven.

Chapter 2735

Liang Hao followed Zhang Jiao's orders, and he was full of energy and surrounded the realm!

Time passed by!

call!

Finally, Zhang Jiao withdrew his internal force, and moved his palm away from Chang'e's head, completing the Soul Seizure Dafa.

At the same time, Chang'e also woke up faintly, but her eyes were not as bright as before, with a faint feeling of emptiness.

"Master!" In the

next second, Chang'e's eyes fell on Zhang Jiao, she bowed slightly, and shouted respectfully, "Chang'e is at the mercy of Master!"

When she said this, Chang'e lost her usual arrogance, but was extremely docile.

Haha...

Seeing this scene, Zhang Jiao was extremely proud and excited. He succeeded. He thought it would be the first time to use the Soul Seizure Technique, there would be some drawbacks, but he didn't expect it to be so smooth.

Liang Hao next to him was also extremely shocked.

It's just incredible that the lord could make Chang'e recognize the lord.

....

this moment, the other side!

Shengzong Mountain Gate, Mu Qingyue's boudoir!

I don't know how long it took, Yue Feng woke up from the coma.

hiss!

The moment he opened his eyes, Yue Feng couldn't help taking a breath of cold air, only to feel sore all over his body.

The strength of that Lu Dongbin is really terrifying. Fortunately, he has deep internal strength, otherwise, he would be dead by now!

Muttering in his heart, Yue Feng looked around and was stunned!

I saw that I was lying in a boudoir, and the air was filled with a faint fragrance. The whole room was a little simple, but there was an elegant atmosphere everywhere.

This...

Yue Feng was stunned, but he quickly thought of something.

After she fell into a coma, she seemed to hear Mu Qingyue's cry, and it seemed that she was in her room.

Thinking of Mu Qingyue, Yue Feng couldn't help but feel a warm current in his heart. In the entire holy sect, except for that senior sister Liu Qingqing, only Mu Qingyue cared about him.

Thinking of this, Yue Feng didn't have time to think about it, he sat there cross-legged, and began to heal and recover.

In Mu Qingyue's room, she should be safe. After all, Mu Qingyue is the altar master of the Xingmu altar, who dares to break into her room?

Soon, Yue Feng entered a state of cultivation.

Yue Feng thought about it. After healing, he hurried to chase the fake Yue Feng. That person was Zhang Jiao's subordinate. If Chang'e fell into their hands, it would be more fortunate than for luck!

Squeak –

just as Yue Feng was stepping up his cultivation, suddenly, a gap was quietly opened in the room, followed by a slender figure that rushed in quickly!

It's Zhang Na!

Just now, Zhang Na got Xie Liuyun's order to get rid of Yue Feng, and she broke in directly after learning that Yue Feng was resting in Mu Qingyue's room!

Um? Yue Feng actually woke up?

At this moment, seeing Yue Feng sitting cross-legged in the room and healing her wounds, Zhang Na was stunned for a moment, and then a cold light flashed in her eyes.

Thinking of being humiliated by Yue Feng before, and being forced to make amends to Liu Qingqing, the endless humiliation and anger, the anger of hatred, instantly burned in Zhang Na's body!

Zhang Na clearly felt that Yue Feng was seriously injured and was in the critical period of healing! Yue Feng is very vulnerable now!

“Om!”

At this moment, Zhang Na didn't hesitate at all, tapped the ground with her toes, and leaped forward. At the same time, her internal force burst out, condensed on her right palm, and slapped Yue Feng's back fiercely!

At that time, Yue Feng heard the movement and thought it was Mu Qingyue coming back, but he didn't realize the danger at all!

The ultimate husband in Chinese chapter 2736-2740

Chapter 2736

“Bang!”

This palm hits Yue Feng firmly, making a muffled sound! At that time, Yue Feng's body was directly sent flying! He slammed heavily on the wall, and a mouthful of blood spurted out!

To be honest, with Zhang Na's strength, it would be difficult to hurt Yue Feng, but he had obtained the elixir from Zhang Jiao before, and his strength had soared, and Yue Feng had neglected to take precautions.

Nima!

At the moment of landing, Yue Feng only felt the qi and blood in his body tossing, and a burst of pain came, and he almost fainted. He had just healed for half an hour, and it was all in vain.

Yue Feng wanted to struggle to stand up, but the force of the palm just now was too great. At this time, Yue Feng was so soft that he couldn't even try.

"It's you?!"

At this moment, Yue Feng's eyes locked on Zhang Na, shocked and angry!

Nima, why is she?

He was almost able to heal the wounds in his body, but was attacked by this woman!

Thinking of this, Yue Feng's eyes were blood red, and he almost vomited blood! Feeling Yue Feng's anger, Zhang Na felt inexplicably nervous, but she quickly calmed down and said

with a sneer, "How?

Yue Feng, you are really cunning enough. You came to Shengzong with a fake name and successfully deceived everyone, but what happened in the end? Didn't you fall into my hands in the end?"

Yue Feng looked coldly At her, there is no response!

Zhang Na was too lazy to talk nonsense, and there was a hint of smugness and viciousness on her beautiful face: "Tell me, how do you want to die?" The

This chapter is provided by . Visit for daily update.

voice fell, and Zhang Na walked over slowly, killing intent filled her body!

Zhang Na thought about it, she couldn't kill Yue Feng so easily! To torture him to survive! Can't beg for death! This will solve the hatred in my heart!

call!

There was a slight smile on the corner of Yue Feng's mouth, and he said weakly: "Zhang Na, you are not small, this is the room where the altar master of the Xingmu altar rests. If you trespass in and you want to kill others, you are not afraid of being discovered. Afterwards, you will be expelled from the division?"

"Haha!"

Zhang Na couldn't help laughing when she heard this: "Don't use Mu Qingyue to scare me, don't you know, Mu Qingyue has been imprisoned, and I Master, you have already become the head of the Holy Sect."

"No one can save you here, understand?"

Zhang Na's face was full of pride in the last sentence.

What?

At this moment, Yue Feng was shocked, thinking that he had heard it wrong.

Mu Qingyue was locked up, and Xie Liuyun became the head? What the hell is going on here? He was only in a coma for less than three hours, so much happened to the Holy Sect?

For a time, the more Yue Feng thought about it, the bigger his head became, and he had a bad premonition in his heart.

"Crack!"

At this moment, Zhang Na walked over quickly, suddenly raised her jade hand, and slapped Yue Feng's face without warning!

Yue Feng was so weak that he couldn't dodge at all. The slap was so firm that his face suddenly swelled up!

"If you want to die quickly, just beg me." Zhang Na said coldly.

Yue Feng gritted his teeth and was very annoyed. Mad, who had been severely injured by Lu Dongbin before, had not yet recovered from his injuries, and was attacked by this Zhang Na again. At this time, he could not exert his internal strength.

Moreover, Mu Qingyue was detained, and Liu Qingqing was not around, so she was alone and helpless!

How to do? !

Thinking to himself, Yue Feng looked at Zhang Na secretly.

I have to say that this Zhang Na not only has a beautiful face, but also has an indescribably charming figure, but such a beautiful woman feels like a poisonous snake.

Seeing Yue Feng staring at her tightly, Zhang Na's eyes flashed a bit of coldness.

"Snapped!"

Chapter 2737 In the

next second, Zhang Na shot without warning and slapped Yue Feng again!

“Dare to look at me like this, I think you are really not afraid of death!” Zhang Na said coldly. As she spoke, Zhang Na searched Yue Feng.

Soon, Fang Tianhuaji was found.

Fang Tianhua halberd can be big or small, and when not in use, it will be taken by Yue Feng.

Zhang Na was very excited when she got Fang Tianhua Ji. With this magic weapon, her strength would definitely increase.

But in the next second, Zhang Na thought of something, and her eyes fell on Yue Feng: “Yue Feng, as long as you answer me a question, I will make your death a little more happy.”

When she said this, Zhang Na’s eyes flashed with complexity.

According to rumors, Lu Bu has a very domineering exercise, and when combined with Fang Tianhuaji, he can burst into earth-shattering power.

And Yue Feng got Fang Tian Hua Ji, he must have also learned this technique.

call!

Hearing this, Yue Feng took a deep breath: “What’s the problem?”

At this time, Yue Feng also calmed down. Seeing Zhang Na’s changing eyes, he knew what she wanted from herself, no matter what it was. As long as she doesn’t do it for a while, she has a chance.

Zhang Na sneered and sat on the chair next to her, stroking Fang Tianhua halberd with her jade hand: “Lu Bu has a book called Bloody Battle Bafang. When Lu Bu’s ancient tomb was discovered, there were rumors in the rivers and lakes that this book was taken by you. Go, now, tell me the formula!”

Nima!

Yue Feng couldn’t help but scolded secretly, this Zhang Na is really greedy, she is not satisfied with the Fang Tian Hua Ji, and she still wants to fight in all directions?

Thinking of this, Yue Feng showed a smile, and then looked directly into Zhang Na's eyes: "You want bloody battles in all directions? Well, I can give it to you, but there is a condition!"

When he said this, Yue Feng looked seriously!

"Okay, what are the conditions!" Zhang Na took a step closer and said quickly.

Yue Feng smiled weakly: "It's very simple, kneel and kowtow to the teacher!" This Zhang Na is cruel and greedy, so she must be taught a lesson.

Swish!

As soon as the words fell, Zhang Na's body trembled, and she was so embarrassed that she slapped Yue Feng again: "You are courting death!"

This Yue Feng is really a dead pig who is not afraid of boiling water, and he dares to take advantage of himself when his death is imminent!

"Crack!"

The slap fell, and a crisp sound came, Yue Feng staggered, and blood flowed from the corner of his mouth!

Yue Feng endured the pain and showed a smile: "Zhang Na, it is only right and proper to learn from a teacher. Besides, I will die immediately. If you call me Master, you will be able to fight in all directions, and it is not a loss!"

"Otherwise, change it . Condition, you bring Mu Qingyue to see me, and I will pass on your formula!"

Yue Feng wanted to understand, since Zhang Na wanted the formula for bloody battles, she would not kill herself for the time being, so she took the opportunity to delay the time. If she could bring herself to see Mu Qingyue, that would be the best.

call!

Hearing this, Zhang Na was so angry that she bit her lip and said fiercely: "Yue Feng, I think you really can't cry without seeing the coffin!" The voice fell, her jade hand raised, and a palm hit Yue Feng's heart.

Yes, Zhang Na was frightening Yue Feng, she was eager to get the bloody battle, how could she kill Yue Feng now.

Nima, do you really do it?

Yue Feng was shocked, but he still pretended to be unyielding and closed his eyes.

Swish!

Seeing that this palm was about to hit her heart, at this moment, Zhang Na suddenly stopped and gritted her teeth: "Okay, I'll take you to see Mu Qingyue. But remember to me, you won't hand it over then. The formula, I will definitely slash you with a thousand swords!"

Xiang Yuefeng kneeling down to worship his teacher is absolutely impossible, so he can only take the risk of taking him to see Mu Qingyue.

To be honest, Zhang Na didn't want to compromise, but she had no choice. Master gave an order that Yue Feng must die before dawn, and she really didn't have time to spend with him.

Hearing this, Yue Feng showed a smile.

Chapter 2738

Zhang Na stopped talking nonsense, and took Yue Feng to the dungeon while taking advantage of the night!

It was already late at night, and Zhang Na was very familiar with the environment near the dungeon, so she easily avoided the patrolling disciples!

.....

at this moment! In the dungeon!

Mu Qingyue sat there, her beautiful face full of anxiety.

Xie Liuyun became the head and the first thing he did was arrested. Now, Yue Feng is still resting in the room, and he doesn't know what's going on.

Squeak!

At this moment, the prison door was pushed open, and then, a slender figure walked in first, with delicate facial features, but with a strong sarcasm in his eyes, it was Zhang Na!

hiss!

Seeing Zhang Na, Mu Qingyue's delicate body trembled, and she suddenly became alert!

Zhang Na is Xie Liuyun's favorite disciple. It's definitely not a good thing to come to the dungeon at this time!

In the next second, Mu Qingyue was stunned when she saw Yue Feng behind Zhang Na. What's the situation?

"Yue Feng!"

When she got to the front, Zhang Na looked impatient: "You have seen it too. If you have any last words, hurry up and say it!"

Seriously, if it wasn't for the skills of the bloody battle, Zhang Na would not bring Yue Feng to the dungeon. Not to let him see Mu Qingyue.

What?

Hearing this, Mu Qingyue's pretty face changed, and her eyes suddenly fell on Yue Feng.

Last words? What last word?

Immediately afterwards, Mu Qingyue understood something, Zhang Na wanted to kill Yue Feng, and she must have been ordered by Xie Liuyun.

Thinking about it, Mu Qingyue's delicate body trembled, this Xie Liuyun is really cruel!

"Yeah!"

At this time, Yue Feng nodded, without the slightest nervousness about dying, he said lightly: "You go out first!"

Go out?

Zhang Na's eyes flashed and she sneered: "Yue Feng, don't talk nonsense with me, what do you have to say to Mu Qingyue, hurry up, don't play tricks, I tell you, I can take you to see her, it's already very good Come on, don't push yourself too far!"

This Yue Feng, cunning and cunning, still wants to put himself away? "Zhang Na." Yue Feng

said with a faint smile, "I have a few whispers with my master, you also want to listen? Besides, my life is in your hands, why are you being aggressive?"

Mu Qingyue winked.

Mu Qingyue is a smart person. She could see at a glance that Yue Feng wanted to push Zhang Na away, so she nodded and said, "Zhang Na, Yue Feng is my apprentice. Since it falls into your hands, it is his destiny.

"In the current situation, there must be no escape, and now you have to entrust me with some funeral affairs, please avoid it."

This...

Hearing this, Zhang Na bit her lip, very tangled!

Forget it, or just wait outside, anyway, Yue Feng is seriously injured and can't run!

Thinking to herself, Zhang Na was about to nod her head in agreement, but at this moment, there was a sudden movement outside.

"Sect Master!"

First came the voice of a disciple, followed by footsteps outside the palace.

What? Xie Liuyun is here?

At this moment, whether it was Yue Feng, or Zhang Na and Mu Qingyue, at the same time, they were all taken aback, and their eyes flashed with panic!

Nima Yuefeng wanted to cry

but had no tears. She thought that she would meet Mu Qingyue and discuss countermeasures, but before Zhang Na left, Xie Liuyun came!

At this time, Yue Feng clearly felt that the footsteps from outside were getting closer and closer, and he was about to enter the cell!

Chapter 2739

Zhang Na is also in a hurry!

It was broken, the master asked himself to kill Yue Feng, but in order to get the bloody battle, he took Yue Feng to the dungeon and met Mu Qingyue. If the master saw this scene, he would definitely punish himself.

"Yue Feng!"

Under the anxiety, Zhang Na was so anxious that she hurriedly said, "Quick, hurry up and hide under the straw mat." There is no bed in the dungeon, only a few straw mats, but the sight here is dim, as long as Yue Feng hides well, Master should not find out.

“Yeah!”

Hearing this, Mu Qingyue nodded in agreement and said, “Yes, hide first!”

Xie Liuyun hated Yue Feng deeply. If he saw him here, he would definitely do it himself. Yue Feng was seriously injured. How is Xie Liuyun's opponent?

call!

However, Yue Feng didn't move at all, instead he breathed a sigh of relief, and looked at Zhang Na with a half-smiling smile: “Zhang Na, your master is here, why are you panicking?”

After speaking, Yue Feng made a look as if he was dying. : “I'm going to die anyway, it doesn't matter if I hide or not!”

When he said this, Yue Feng's eyes flashed with slyness!

Haha... This Zhang Na is so panicked, she must be afraid that Xie Liuyun will see her and know that she is asking for bloody battles. With such a good opportunity, she must play tricks on her!

This!

Seeing this scene, Mu Qingyue was stunned, not knowing whether to laugh or cry.

This Yue Feng, when is it, still thinking about this?

Zhang Na's pretty face also changed, and she was anxious and angry: “Yue Feng, you really want to die, don't you? I tell you, if Master sees you, you will definitely die!”

While saying that, Zhang Na was paying attention to the movement outside and was so anxious that she was about to cry.

When the master saw Yue Feng, it would be fine for him to be punished, but the formula for the bloody battle would not be available.

Hehe...

Yue Feng smiled slightly and stopped talking nonsense: “Zhang Na, I know what you are thinking, when your master sees me, he will kill me directly, and then you will not get bloody battles, right? , so I was in a hurry to let me hide.”

“It's okay to let me hide, you have to beg me!” The

voice was not loud, but there was no doubt.

Swish!

Hearing this, Zhang Na's face changed, her eyes almost spitting fire, but she still suppressed her anger: "How do you want me to beg you?"

When she said this, Zhang Na gritted her teeth with hatred!

Good you Yue Feng, play tricks on me as soon as you get the chance, wait until Master is gone, and see how I torture you!

Seeing her promise, Yue Feng stopped talking nonsense and said with a smile: "It's very simple, please, call me Dad again."

Mad, this Zhang Na, who hurt herself so badly, just asked her to call Dad, It's so cheap for her!

What?

Hearing this title, Zhang Na's body trembled with anger, pointed at Yue Feng and said, "Yue Feng, you are courting death!" The

voice fell, Zhang Na's inner strength surged, and she couldn't bear the killing intent anymore, she endured it again and again, Yue Feng has to make an inch, it's abominable!

Yue Feng looked like a broken jar, "It's okay if you don't call, I don't care, anyway, if it falls into the hands of you and your master, it's all dead!"

"Don't think about it." Zhang Na said through gritted teeth.

In front of this person, I can't wait to get rid of him, how can I call him father?

"Zhang Na!"

Yue Feng glanced outside with an indifferent expression: "It's up to you to call me, time is running out, your master will come in soon! Sigh, if he sees me here, I'm afraid You won't have a chance to get the bloody battle!"

This bastard!

Hearing this, Zhang Na bit her lip tightly, her delicate body kept trembling, and finally took a deep breath, suppressed her anger, and looked at Yue Feng: "Dad, I beg you!"

Seriously, call Yue Feng Dad, Zhang Na has ten thousand reluctance in her heart!

But there is no way, I want to get the bloody battle, and I have come this far. If I give up, I will not be reconciled for the rest of my life. After all, Fang Tianhua halberd has been obtained!

Chapter 2740

“Hey! Good daughter!”

Seeing her finally calling out, Yue Feng nodded with satisfaction: “I’m really obedient, Dad listens to you, hide first!” The

voice fell, Yue Feng bent down and hid in under the grass mat!

At this moment, Zhang Na’s pretty face was frosty, and she also hid beside Yue Feng! Yes, Zhang Na didn’t want to be seen by Xie Liuyun. After all, Xie Liuyun asked her to kill Yue Feng. At this time, it was impossible to be in the dungeon.

“Yue Feng!”

The moment she got under the straw mat, Zhang Na lowered her voice and said coldly, “Be honest, I’m being tricked!”

Yue Feng ignored it, but looked through the gaps in the straw mat. Depends on what’s going on outside!

Whoops!

It was at this moment that Xie Liuyun, accompanied by two disciples, walked in slowly.

Swish!

The moment he came in, Xie Liuyun’s eyes were locked on Mu Qingyue, and a smug smile appeared on the corner of his mouth.

“Lord Mu, this dungeon is not pleasant, right?” Xie Liuyun asked with a smile.

Mu Qingyue was expressionless and snorted coldly.

“You all step back.” Xie Liuyun waved at the disciples behind him, his tone unquestionable: “Wait, no matter what you hear, no one is allowed to come in without my order.”

“Yes, Sect Master!” The two The disciples agreed in unison, and then backed out.

call!

Seeing the disciple leave, Xie Liuyun walked in slowly, looked at Mu Qingyue up and down, and said with a smile: "Mu Qingyue, you and I are always in the same sect, although Yue Feng captured the Empress Chang'e, you cannot escape the blame, but I can give you a chance, but there is a premise!"

"You say it!" Mu Qingyue said coldly, while secretly guarding.

Xie Liuyun said this to himself at night, he must have ulterior motives.

"Hey!" Xie Liuyun looked up and down at Mu Qingyue, his eyes became more and more arrogant: "It's very simple, you will be my woman in the future."

Shuh!

Hearing this, Mu Qingyue's delicate body trembled, and she was embarrassed and angry: "Don't even think about it!"

He knew that Xie Liuyun was not at ease, but he didn't expect that he was even more despicable than he thought!

Made!

At the same time, Yue Feng, who was hiding in the dark, was also furious and clenched his fists secretly.

This Xie Liuyun is really a despicable villain.

And Zhang Na, who was hiding beside her, also blushed and was very embarrassed.

Master...Master actually has an idea for Mu Qingyue.

"Mu Qingyue!"

Seeing Mu Qingyue's reaction, Xie Liuyun did not arouse in the slightest, but aroused his inner interest: "I gave you a chance, you don't know how to praise!"

"You, you give me Get out!"

Seeing Xie Liuyun staring at him with a wicked smile, Mu Qingyue was shocked and angry. I couldn't help drinking it, but when I was arrested in the main hall before, I consumed a lot of internal energy. At this time, facing Xie Liuyun, I shouted angrily, but there was no deterrence at all.

"Get out?"

Xie Liuyun slowly approached and looked at her with a smile: "I said Mu Qingyue, you haven't seen the form yet? I'm the head of the house now, what about you? The future is all in my hands, you want me to get out?"

Saying that, Xie Liuyun's smile gradually deepened: "You should think about it carefully, you should be honored to be my woman, haha!"

Hearing this, Mu Mu Qingyue's delicate body trembled: "Xie Liuyun, you are a shameless scum, a villain who is not as good as a beast, you will not end well." The

owner of the dignified Xingmu altar would be so humiliated by Xie Liuyun.

Moreover, the two of them, Yue Feng, who hadn't hid, looked at it, and it was a shame.

"Don't pretend to be reserved, such a beautiful time cannot be wasted!" At this time, Xie Liuyun couldn't help it, smiled evilly, looked at Mu Qingyue up and down, and jumped up instantly.

"You..."

Mu Qingyue was furious and instinctively retreated, but Xie Liuyun still grabbed her hands.

Whoa!

While dodging, Mu Qingyue also dropped some things, some medicinal pills and talismans.

"Hide?" Xie Liuyun clenched Mu Qingyue's hands tightly, showing a wicked smile: "Do you think you can hide tonight?"
