

The ultimate husband in Chinese chapter 2751-2760

Chapter 2751

This red sleeve has a really hot personality, looks so beautiful, and has such a big temper, it's like a rose with thorns. I just remind myself that I will be abolished? Too domineering.

Thinking to himself, Yue Feng shook his head!

Seeing that Yue Feng was no longer speaking, Ye Zhixin ignored it, turned around and approached the room, and began to prepare herbs.

It has to be said that Ye Zhixin, as the head of Yuyao Pavilion, still has some attainments in medical skills, dispensing and brewing in an orderly manner, and after a while, the room is filled with the fragrance of medicine.

Ye Zhixin's treatment method is a bit troublesome. First, boil the herbal medicine and apply it on Xiaolin's eyes. After the medicinal effect has penetrated into the eye meridian, the eye nerve is stimulated by manipulation to achieve the effect of restoring the eyesight.

Soon, after the medicine was applied for a few minutes, Xiaolin's empty eyes gradually became clearer and had some radiance.

"I..." Xiao Lin was very excited: "I seem to see the light..."

At this time, Xiao Lin, although she couldn't see anything for the time being, could feel some light and was very excited.

At this moment, the surrounding female disciples all smiled, looking at Ye Zhixin's eyes with deep respect.

"It's amazing!"

"Master is amazing, Xiaolin is about to see something!"

Under the discussion, these female disciples were all extremely proud.

"What a genius doctor!" At this moment, Uncle Wang was also extremely excited, and thanked Ye Zhixin constantly: "Woman, thank you, thank you for curing my granddaughter!"

Ye Zhixin smiled lightly: "Uncle Wang doesn't have to. You're welcome, Xiaolin has been a teacher, and we will be our own from now on!"

At this time, Hong Xiu walked over and looked at Xiao Lin with a smile: "Xiao Lin, how are you feeling now? Don't worry, close your eyes and relax for a while!"

Xiao Lin nodded, closed her eyes to feel it, and was about to do it again Open your eyes.

However, at this moment, Xiao Lin suddenly trembled, covering her eyes, her delicate face was full of pain: "It hurts, my eyes hurt!"

Then she saw that Xiao Lin's eyes were flushed with redness. scary.

"Xiao Lin, Xiao Lin!" Uncle Wang panicked and quickly hugged Xiao Lin, but Xiao Lin didn't seem to hear, she kept shaking, and finally fainted!

This...

Seeing this scene, Ye Zhixin, Hong Xiu and the others were all stunned!

"This...what's going on?!"

"Isn't it fine just now? And I can feel the light, why..." The

female disciples of Hongxiu couldn't help but whispered, and at the same time they looked at Ye Zhixin subconsciously. .

Ye Zhixin bit her lip tightly, her face expressionless, but in fact she panicked all of a sudden. Impossible, I completely followed the steps in the medical book without the slightest mistake. It stands to reason that Xiaolin should be able to see things now, but why is it serious?

"Woman!"

At this moment, Uncle Wang was so anxious that he asked Ye Zhixin, "What's going on here! Will Xiaolin be in danger?"

"Uncle Wang, don't worry, let me think about it. Think!" Ye Zhixin comforted her softly, and then said to herself, "Could it be that the proportion of herbal medicines is not right?" Seriously

, Ye Zhixin ordered to Hongxiu, "Bring another pack of herbal medicines and give them to Xiaolin again. Put it on your eyes."

"Yes, Master!" Hong Xiu nodded quickly!

However, at this moment, Yue Feng came over and couldn't help saying: "Stop applying the medicine, Xiaolin's situation is that her eyes are irritated by the medicine..."

When he said this, Yue Feng was very helpless.

This Ye Zhixin was also the head of a faction anyway, how could she be so pedantic? You know, everything written in medical books is dead, but people are alive, so don't you know how to change it?

Whoa!

Hearing this, Ye Zhixin's face flushed and she was very embarrassed.

Chapter 2752

Hongxiu couldn't help but snorted: "Why are you still here? Hurry up." I

was upset, but this person is still making irresponsible remarks, which is really annoying.

With a helpless expression on his face, Yue Feng said slowly, "Xiao Lin's eyes are congenital, and she needs to use internal force to dredge her eye meridians. Drugs are useless..." The

voice fell, whether it was Hong Xiu or the surrounding people. Several female disciples couldn't help but scold.

"Is this person sick? My master still uses you to teach him?"

"That is, an unknown person in the world, who is pretending to be a genius doctor here."

"If it wasn't for Master's permission, I really wanted to kill him!"

Jiao While drinking, Hongxiu was even more angry, pointed at Yue Feng and said coldly, "You are making trouble, don't blame me for being rude!"

Ye Zhixin, who was next to him, did not speak, but quietly looked into Xiaolin's eyes, falling into brooding.

call!

At this moment, Yue Feng was too lazy to talk nonsense, and shrugged: "Forget it, since you don't believe it, then forget it." The

voice fell, Yue Feng clenched his fists at Uncle Wang, and turned to leave the courtyard!

Zhang Jiao had hurt himself with such a big black pot, so he had to go to investigate the situation quickly, and Mu Qingyue didn't know where he was teleported.

Outside, Yue Feng walked directly towards the downtown area.

In the past few years, more and more people have gone to the wild and strange realm to explore, making the black market transactions extremely popular. In addition to the largest Huangtian transaction, there are also many other trading houses in cities across Kyushu!

Just by finding these transaction lines, you can probe for some desired news.

Soon, Yue Feng found a hidden trading house, and after entering, he heard some news.

And these news made Yue Feng very angry.

Yue Feng found out that the person who pretended to be himself arrested Chang'e and went to the Beiyang Palace to make a scene. Then Zhang Jiao staged a heroic rescue of beauty, and finally Chang'e was named the king of Beiyang.

Not only that, Chang'e also held the 'Supreme Conference' and sent an invitation to the sects of the Kyushu mainland.

Made!

When he walked out of the trading house, Yue Feng's face was extremely gloomy, and his anger was rising.

This Zhang Jiao, not only wants to ruin his reputation, but also wants to use the 'Supreme Conference' to dominate Kyushu, which is really sinister and despicable.

.....

this moment, the other side!

After Yue Feng left, under Ye Zhixin's order, a new medicine was successfully prepared!

"Woman, is there any help for my granddaughter's eyes?" Uncle Wang stood aside, anxious.

"It shouldn't be a problem!" Ye Zhixin said softly, and then ordered to Hongxiu: "Quick, apply medicine to Xiaolin!"

"Yes.." Hongxiu nodded, took the medicine, and carefully applied it to Xiaolin's eyes on, and then watch quietly!

I saw that just after applying the medicine, Xiao Lin, who was in a coma, trembled again, and the situation was even more serious than before. Not only that, her eyes started to swell and she was sweating!

“Master, this... how could this be?” Hong Xiu panicked.

call!

Seeing this scene, Ye Zhixin also trembled. When the person left just now, he said that Xiaolin’s condition should not be treated with drugs, otherwise it would become more and more serious.

But... that person’s origin is unknown, who knows if he was talking nonsense at the time?

“Master!” At this moment, a female disciple came over and couldn’t help but said, “That person just now can’t really help Xiao Lin...” The

voice just fell, and the red sleeves frowned, The son interrupted: “What are you talking about? That person looks like a liar, and the master can’t do anything for the time being. What can he do?”

Hearing this, the disciple quickly shut his mouth and stepped aside.

“Red sleeves!”

At this moment, Ye Zhixin bit her lip lightly, her beautiful face flashed with complexity, and said, “You... go and invite that person back!”

Chapter 2753

When she said this, Ye Zhixin’s mood was very complicated. To be honest, she didn’t want to do this, but she had no choice. With Xiaolin’s situation in front of her, she couldn’t delay any longer.

Ah?

The red-sleeved body trembled and stood there, thinking that she had heard it wrong.

“Master, you asked me to invite that person?” Hong Xiu couldn’t help but said.

“Come on!” Ye Zhixin said with an expressionless face, her voice was not loud, but there was no doubt about it.

“Yes, Master!” Hong Xiu was very reluctant, but she still complied, and hurried out of the courtyard to look for Yue Feng!

At this time, Hong Xiu didn't quite understand why Master wanted to invite that person back! At first glance, that person is a liar, what can he do?

Right now! Outside the trading row.

Yue Feng looked at the bustling and bustling street in front of him and felt very irritable.

She was framed by Zhang Jiao, and Mu Qingyue didn't know where she was. What should she do next?

"Hey."

Just when Yue Feng was secretly irritable, a cold voice suddenly came from behind him: "You... go back with me!"

Yue Feng frowned and looked back subconsciously.

I saw not far away, a slender figure came, tired and dripping with sweat, it was the red sleeve!

"You called me?" Yue Feng said with a smile.

Hongxiu came over and looked at Yue Feng angrily: "Of course I'm talking to you, my master told you to go back! Hurry up and follow me!"

When saying this, Hongxiu wiped the sweat from his forehead, very excited. hold back the fire. After looking for him for a long time, he pretended to be stupid.

Ha ha...

Feeling the tone of Hong Xiu's aloofness, Yue Feng was very unhappy, he smiled and said: "It's strange, you chased me away before, but now you let me go back!"

After saying that, Yue Feng looked at Hong Xiu, and said with a smile but not a smile: "Having said that, it doesn't matter to us, why should I go back with you?"

"You..."

Hong Xiu bit her lip, angrily.

After all, he is also the senior sister of Yuyao Pavilion, and it is his honor to come to him in person.

Especially Yue Feng's eyes made Hong Xiu feel uncomfortable, and only felt that her face was red.

Thinking to herself, Hong Xiu stomped her feet: "Are you going to follow me?" To

be honest, Hong Xiu Zhen took action to teach Yue Feng a lesson, but thinking of the master's instructions, she held back.

Yue Feng laughed and looked at Hong Xiu playfully: "Let me go with you, you can call me a good brother." Speaking of which, Yue Feng didn't want to joke, but thinking of Hong Xiu's previous attitude, he couldn't help it. tease her.

Swish!

Hearing this, Hong Xiu's complexion changed, and her petite body trembled with anger: "You are courting death!"

This man really wasn't a good thing. Seeing that he invited him back, he took advantage of it.

"Don't call it." Yue Feng waved his hand and looked indifferent: "It doesn't matter if you don't call me good brother, I have no obligation to go with you, I still have something to do, we will have a future!" The

voice fell, Yue Feng turned around and said to leave.

This....

Hong Xiu stood there stunned, stomping her feet in a hurry. If he leaves, how will he explain to the master when he goes back?

Thinking to herself, Hongxiu walked a few steps and stopped in front of Yue Feng: "I'm sorry, I was not good at it before, I apologize to you. If you don't go back with me, Master will scold me! Count me... please. Now..."

When he said this, Hong Xiu was about to cry.

"The attitude is not bad this time, but what do you call me?" Yue Feng said with a smile.

Hongxiu's delicate body trembled, biting her lips very shyly, and finally shouted softly: "Good brother!"

When she shouted these words, Hongxiu gritted her teeth secretly, this bastard, after seeing the master later, If you find an opportunity, you must teach him a good lesson.

Chapter 2754

Seeing that she finally called out, Yue Feng nodded with satisfaction and said with a smile: "Okay, since you are so sincere, I will go back with you."

Yue Feng knew that this red sleeved man came out to find himself, obviously Xiaolin situation aggravated. Although it is flat, but it is also a life.

“Master, we’re back.” When they

arrived at the small courtyard, Hongxiu shouted, and the female disciples who were guarding the door quickly made way.

Ye Zhixin came over and looked at Yue Feng closely: “Do you really have a way to completely cure Xiaolin’s eyes?”

Hmm!

Yue Feng nodded, then walked over and looked at Xiao Lin’s condition. At this time, Xiao Lin was still in a coma, and her eyes were red and swollen.

Alas, keep on admonishing yourself to use drugs!

Muttering in his heart, Yue Feng said to Ye Zhixin: “Wait for you to fight me, do whatever I tell you to do, remember, there can be no mistakes at all, otherwise, Xiaolin may never see her for the rest of her life. !”

What?

Hearing this, whether it was Hong Xiu or the other female disciples around, their expressions changed!

What does this man say? Want to let the master fight him? Master is the head of Yuyao Pavilion. He has an outstanding position in the entire Xuanye Continent. He is an unknown generation, how can he be? Who gave him the courage!

“Hey!” Finally, Hongxiu couldn’t help it anymore, pointed at Yue

Feng and shouted: “Don’t be too aggressive, Master asked if you can cure Xiaolin’s eyes, who is going to attack you?”

It’s getting more and more abhorrent. First, he made himself call him good brother, and now he wants to command the master. This is not self-confidence, but arrogance.

Yue Feng smiled without saying a word, his face indifferent.

Ye Zhixin was also a little angry, but after all, she was the head of Yuyao Pavilion, she quickly calmed down, looked at Yue Feng and said, “It’s not impossible for me to fight for you, but I need to know first, what method do you use? Heal Xiaolin’s eyes.”

Phew!

Yue Feng took a deep breath, pointed at Xiaolin's eyes and said, "It's very simple, wait for you to use your inner strength to drive out the drugs that have penetrated your eyes, and then seal the 'Baihui', 'Shen Ting', 'Yang Bai', 'Quchi' Go around acupuncture points, and leave the rest to me!"

What?

Hearing this, everyone present was shocked.

In the hearts of these people, Yue Feng's words just now are simply fantastic. If nothing else, there is only one Baihui point, but one of the life points on a person's head. Once sealed, the person's life is in danger.

"Can you do it?"

Hong Xiu couldn't help but sighed: "The Baihui point is sealed, can Xiao Lin still survive? I think you are just talking nonsense and don't understand anything!"

At this moment, Ye Zhixin was also a beautiful woman Frowning her eyebrows, she looked at Yue Feng and said, "This is the first time I've heard of this treatment method. It seems that it was a mistake to find you just now!"

When she said this, Ye Zhixin's expression was indifferent, but her eyes flashed with disappointment . Like Hong Xiu, she also believed that Yue Feng was talking nonsense.

You must know that Baihui Point is the point of life. Once it is sealed, Xiaolin will die.

Yue Feng couldn't help laughing: "This method is a little risky, but it's the only way."

After speaking, Yue Feng turned to look at Uncle Wang: "Uncle Wang, if you believe me, let me try it. How about a try?"

This...

Uncle Wang was very hesitant and said nervously, "Is it really possible? If the little brother is confident, let's start quickly."

Although Uncle Wang didn't understand what they were talking about, he knew Yue Feng when he saw the expressions of Ye Zhixin and others. There is a lot of risk, but Uncle Wang has no other way. As long as there is a glimmer of hope that Xiaolin's eyes can be cured, he can't give up.

At this time, Ye Zhixin was still hesitating.

“Have you considered it?” Yue Feng looked at Ye Zhixin and said with a smile: “If you don’t believe me, we can make a bet! If my method is successful, you promise me a condition! If it fails, I’ll let you handle it. How’s it going?”

Whoops!

The voice fell, and the red sleeves next to him suddenly burst into an uproar.

This person is really outrageous, dare to bet with the master.

Chapter 2755

“What qualifications do you have to bet with our master?”

“Master, ignore him, this kind of person is a liar.”

Yue Feng ignored the red sleeves and the others, smiling at Ye Zhixin: “How? Are you gambling?”

“Okay!” Ye Zhixin breathed a sigh of relief, looked at Yue Feng seriously, nodded and said, “I’ll bet with you.”

Ye Zhixin was not afraid of Yue Feng playing with herself. As a kill.

At this time, Ye Zhixin still didn’t know that the person in front of her was Yue Feng, the sect master of Tianmen who was in the vortex of public opinion recently.

Yue Feng stopped talking nonsense, walked over, picked up Xiao Lin, and laid it flat on the ground.

Immediately, under Yue Feng’s gesture, Ye Zhi’s heart moved, she raised her jade hand, and sealed several of Xiaolin’s acupuncture points.

Chi Chi...

At the moment when the acupoints were sealed, Yue Feng took out a few silver needles calmly and poked them around Xiao Lin’s red and swollen eyes. The corners of his eyes flowed down.

Yue Feng is a technique, seemingly random, but every step is accurate.

call!

Seeing this scene, Hong Xiu and the others were all stunned, and they didn’t dare to let out the air.

Especially Ye Zhixin, looking at Yue Feng quietly, her eyes flashing with strange light.

What a magical acupuncture technique!

In the next few minutes, Yue Feng put his hands on Xiao Lin's eyes and started to use his inner strength to dredge the meridians.

call!

I saw the red and swollen eyes gradually disappearing, and then Xiao Lin woke up leisurely, her eyes were clear and full of energy.

"Grandpa, I saw it, I saw it..." Xiao Lin was overjoyed, she couldn't help shouting, and jumped into Uncle Wang's arms excitedly: "So the world is like this, so beautiful..."

Hiss!

At this moment, Ye Zhixin, Hongxiu and the others were all shocked.

It was incredible that Xiao Lin's eyes were cured without any medicine. Who would believe it if she hadn't seen it with her own eyes?

"Little brother, it's really the rebirth of a genius doctor." Uncle Wang hugged Xiao Lin, unable to hold back his inner excitement, and praised Yue Feng.

Yue Feng smiled slightly, with a leisurely demeanor.

call!

At this time, Ye Zhixin calmed down, looked at Yue Feng and said, "Who are you? Where did you learn your medical skills?"

"Didn't I say it before? He smiled and explained slowly: "But I'm lucky, I accidentally met Senior Shennong a year ago, and I was fortunate to have his guidance and learn some medical skills."

Yue Feng is right, this kind of treatment method is exactly Shennong passed it on to him.

Shennong?

Hearing this, Ye Zhi's heart trembled, and her heart was full of shock.

Shen Nong is known as the ancestor of medicine by the world. It turns out that this person learned his medical skills from him, so it is no wonder that he has never seen it before.

“Sect Master Ye!”

At this moment, Yue Feng smiled slightly, looked at Ye Zhixin and said, “Xiao Lin’s eyes have been healed. I wonder if our bet just now counts?”

Hearing this, Ye Zhixin bit her lip lightly, very embarrassed, but she nodded: “Forget it! What conditions do you have, please tell me.”

Although she was a woman, Ye Zhixin kept her word and did what she said.

Seeing Ye Zhixin’s answer so straightforward, Yue Feng showed a smile, and instead of saying it directly, he asked, “Sect Master Ye, has your Yuyao Pavilion also been invited by the ‘Supreme Conference’?”

The ultimate husband in Chinese chapter 2756-2760

Chapter 2756

Hmm!

Ye Zhixin nodded.

Yue Feng smiled and continued: “That’s good, my conditions are very simple, let me join your Yuyao Pavilion, I want to participate in the Supreme Conference!”

When he was inquiring about the news in the trading house before, Yue Feng came to the fire again. , again tangled.

The fact that he was framed by Zhang Jiao and blasphemed Chang’e had spread all over the Kyushu mainland. Under such circumstances, he could not walk around the rivers and lakes with his true identity for the time being.

Moreover, Zhang Jiao must have ulterior motives for holding the Supreme Conference in the name of Chang’e.

Yue Feng decided to participate in the Supreme Conference as Yuyao Pavilion, so that he could not only hide his whereabouts, but also investigate Zhang Jiao’s purpose.

This...

At this moment, Ye Zhixin frowned and pondered, she never thought that the person in front of her would make such a condition.

The red sleeves next to them looked at each other in dismay.

“Haha...” The

next second, Hongxiu couldn't help but chuckle and looked at Yue Feng: "Although you are skilled in medicine, you must know that our Yuyao Pavilion is the first sect of Xuanye Continent, and no one wants to enter. , you can come in."

When saying this, Hong Xiu's face was full of arrogance. The person in front of her, although Xiao Lin's eyes were cured, but thinking that he had forced herself to call her good brother before, Hong Xiu became angry.

At the same time, the other female disciples also nodded.

Although this person is highly skilled in medicine, he is too arrogant, and Master will definitely not agree.

This chapter is provided by . Visit for daily update.

"In this case...."

Ye Zhixin pondered for a few seconds, then looked at Yue Feng and said: "Okay, I promise you, you will be a member of the Holy Sect in the future! Depending on your age, it is not suitable for me to be my apprentice, so you can call me senior sister in the future. !" To

be honest, Ye Zhixin didn't want to give Yue Feng such a high status, but thinking that Yue Feng had studied medicine with Shennong was no small matter, although Ye Zhixin was arrogant and arrogant, he wanted to accept Yue Feng as his apprentice, wouldn't it be with Shennong? Are you on an equal footing?

What?

Master agreed? And let him call him sister?

Hearing this, both Hong Xiu and the other female disciples trembled.

The next second, Hong Xiu couldn't hide the resistance in his heart, and couldn't help but say: "Master, how can this be... We Yuyao Pavilion have no such precedent."

This person became Master's junior brother, not his own uncle. ? How does this work?

"Shut up!"

Hearing this, Ye Zhixin's pretty face was frosty, and she glanced at the red sleeves coldly: "I have already decided, don't talk about it, what does it look like? Uncle Shi?"

His tone was calm, but unquestionable.

The red-sleeved body trembled, and although she was very reluctant, she still saluted Yue Feng: "I have seen Uncle Shi!"

"I have seen Uncle Shi!"

At the same time, other female disciples also saluted Yue Feng. Each one is very respectful.

call!

Seeing this scene, Yue Feng felt very at ease, raised his hand with a slight smile and said, "Okay, don't be polite!"

When he said this, Yue Feng couldn't help but give Ye Zhixin a deep look.

To be honest, although this Ye Zhixin had an arrogant temperament, she had to say that she acted in a very decent manner.

But thinking about it carefully, I still got the light of Shennong.

"Okay!"

At this time, Ye Zhixin smiled lightly and said to Uncle Wang, "Xiao Lin's eyes are just right, she needs more rest, we still have things to do, next time you come again, we will bring her back to the mountain gate for the apprenticeship ceremony.

"The conference will be held in two days, and there cannot be a moment's delay.

After the explanation, Ye Zhixin took Yue Feng and Hong Xiu and rushed towards the Northern Ying Continent.

call!

At this moment, Yue Feng's eyes flashed with determination.

Zhang Jiao, even if you ruined my reputation, you would never have thought that I would appear at the Supreme Conference as Yuyao Pavilion.

Chapter 2757

.... the

other side! Rakshasa clan residence!

It was late at night, and it was supposed to be a quiet place, but at this time, bonfires were lit everywhere, and many men, women and children were singing and dancing in a lively celebration.

Not only that, many Rakshasa soldiers also joined this hilarious atmosphere!

Yes, today is a very important festival of the Rakshasa, the All-Animal Festival. This festival is very important to the Rakshasa clan. Thousands of years ago, the Rakshasa clan was exiled to the wild and strange realm. At that time, facing the harsh environment and the intrusion of beasts, the Rakshasa clan was miserable.

Later, the Rakshasa tribe was attacked by the herd of beasts. At that time, the Rakshasa tribe united as one and finally repelled the herd of beasts. From then on, they also gained a firm foothold in the wild and strange realm. To commemorate, the Rakshasa tribe set the Ten Thousand Beasts Festival.

The Ten Thousand Beasts Festival, held every five years, is a carnival for the whole family.

At this time, the Rakshasa clan, although they had left the wild and strange realm, did not forget the efforts of their ancestors. Moreover, this was also the first Ten Thousand Beast Festival held in the Kyushu mainland after leaving the wild and strange realm, so whether it was clansmen or soldiers, are very excited.

In the main hall, Mona sat on the throne with a smile on her face, and toasted with her subordinates.

“Your Majesty!”

At this moment, one of the twelve gods stood up slowly, hesitatingly said, “Do you want to take more care of Jed’s comrades?”

Phew!

Mona sighed lightly, shook her head and said, “Today is the Day of the Beasts, no need, even if they want to escape, there is nowhere to go.”

A few days ago, after Jed and a dozen of his subordinates were thrown into the abyss, The following partisans were all checked out by Mona and locked in the cell.

Mona thought about it, wait until the end of the Ten Thousand Beasts Festival, and then make a good decision on how to deal with them.

Hearing this, the godly man was still a little worried, but he didn’t know how to speak, so he had to sit down again.

At this moment.

In the cell in the northwest corner of the station.

Jed's henchmen sat there with their heads down, very deserted, in stark contrast to the hilarious atmosphere outside.

Boom!

At this moment, the door of the old house was suddenly kicked open, and then, a figure walked in slowly.

It's Jed!

"Jed? .."

"City Lord Jed!"

Seeing Jed, everyone in the cell was both surprised and delighted, because Jed was the city lord of Xuanshi City before, and everyone was used to it and couldn't change it for a while.

Jed looked around and said with a smile: "I'm hurting everyone! Today, I'll take you out, leave here completely, and establish a new tribe."

Yes, after Jade, Cang Shuiyue and others swore their allegiance to Hades, they were arrested. Pluto sent it back, and the purpose this time was to take his subordinates and separate them from the Rakshasa clan.

Whoa!

Hearing this, everyone was shocked.

Create a new clan? is it possible?

Aware of everyone's doubts, Jed did not hesitate, walked over to open the prison door, and said slowly: "You have to believe me, we will build a new Shura clan, which will definitely be stronger than the Raksha clan."

"Wait until it grows stronger. , we will occupy the entire Kyushu!"

"And now what you have to do is to rush out of the cell with me, and kill these Rakshasa people by surprise!"

Hearing these words, everyone present was excited!

“Kill!” The

next second, when they rushed out of the cell, the crowd, led by Jed, let out a roar, and rushed towards the Rakshasa clansmen who were revelling.

This...

all of this happened so suddenly, the Rakshasa people who were still in the carnival didn't have time to react, and they were overturned by Jed's people.

In an instant, what was supposed to be a carnival of the Ten Thousand Beasts Festival instantly became a bloody battlefield.

“Ah!” The

screams came one after another, and people kept falling down. The entire Rakshasa tribe station was soon stained red with blood!

Chapter 2758 The

other side!

Yue Feng, along with Ye Zhixin, Hong Xiu and the others, finally arrived at the border of Northern Ying mainland after a long journey.

At this time, when they reached a quiet valley, Ye Zhixin motioned for everyone to take a break.

“Wow!”

However, at this moment, Hongxiu discovered something, and shouted excitedly:
“Master, look...”

Hearing the voice, Yue Feng and Ye Zhixin turned their heads to look at the same time, and they were all stunned. Down.

I saw that the depths of the valley not far away were covered with pink flowers and plants. Every flower was shining with crystal light. At first glance, it looked like it was made of crystal.

Crystal fairy grass?

At this moment, Yue Feng's heart was shocked, and he was inexplicably excited.

In the Wuji Danshu, there are many records of the refining methods of spiritual pills, and there are many records of exotic flowers and plants, and the crystal fairy grass is the

rarest one. It can be said that for thousands of years, people in the rivers and lakes have I have only heard of it, but I have never seen it, because the growth conditions of crystal fairy grass are extremely harsh.

The same is true for Yue Feng. It has been more than ten years since he obtained Wuji Danshu, and he has never seen Crystal Immortal Grass, but he never thought that he would encounter so many on the border of the Northern Ying Continent. .

What the hell!

So many crystal fairy grass, if all collected, can refine a lot of top-quality elixir.

The next second, Yue Feng reacted and sighed inwardly.

Ye Zhixin next to her also trembled, unable to hide her excitement: "Everyone, be careful, collect slowly, and don't destroy the spirit grass." As the head of Yuyao Pavilion, although he is not very good at alchemy, he is also He is well-informed and knows that this is a top-quality spirit grass that can be encountered and cannot be found.

"Yes, Master!" The

voice fell, and the red sleeves nodded one after another, and then they went to collect the crystal fairy grass.

Whoops!

However, at this time, footsteps were heard not far away, and then, dozens of sect disciples suddenly surrounded the crystal fairy grass with excited expressions.

These sect disciples, dressed in uniform and imposing, the one headed, wearing a purple gown, looked proud.

It was Xie Zhen, the head of the Longevity Gate.

The Longevity Gate is a Jianghu sect in the Northern Ying Continent, with powerful strength.

Swish!

Seeing this scene, whether it was Yue Feng, Ye Zhixin and others, they all frowned secretly.

These people, want to grab the crystal fairy grass?

"Hey, what do you mean?"

Finally, Hong Xiu reacted and couldn't help shouting at Xie Zhen, "We discovered these spirit herbs first."

"Haha!"

Xie Zhen chuckled, his face full of arrogance : "Don't come with me like this, you belong to Yuyao Pavilion, you know, this is the realm of Northern Ying Continent, and these crystal fairy

grasses do not belong to you!" to get.

Hearing this, Hong Xiuqi's face flushed red, and she was about to speak, but was interrupted by Ye Zhixin.

Ye Zhixin looked at Xie Zhen, and her red lips lightly opened: "Your Excellency is the head of Xie Sect of Changshou Sect, everything has a first come and last arrival, and although this is the Northern Ying Continent, it is not the gate of your Changshou Sect. Rules!"

"Rules?"

Xie Zhen couldn't help laughing, and looked Ye Zhixin up and down: "The rules are all spoken by people, if the head of Ye thinks that I am a bit bullying, then let's have a test, whoever wins, whoever wins, these crystal fairy grasses belong to , how?"

When he said this, Xie Zhen's eyes flashed with insidiousness.

"Okay!"

Ye Zhixin didn't hesitate, and she won the battle with ease: "You and I are both leaders, let's have a match, it's the most fair!" The

voice fell, and Hongxiu couldn't help but said: "Master, we don't need to fight him. In the competition, these crystal fairy grasses were discovered by us first."

Longevity Gate is really deceiving.

Chapter 2759

At this moment, Xie Zhen couldn't help but smile, and said to Ye Zhixin: "Ye Zhangmen is really quick to talk, but you are so beautiful, I can't bear to shoot, so let's compare others!"

Xie Zhen's eyes , which made Ye Zhixin very unhappy, but still said: "What are you talking about?"

Xie Zhen's mouth evoked a hint of insidiousness: "Since it is related to the crystal fairy grass, let's compare alchemy." The

last sentence fell, Xie Zhen's face was full of expression. confidence.

In addition to cultivation, alchemy is also a must in Longevity Sect. It can be said that the heads of all dynasties have been masters of alchemy, and Xie Zhen is no exception.

Although he had no contact with Yuyao Pavilion, Xie Zhen also learned that Yuyao Pavilion was not good at alchemy, so he deliberately compared Ye Zhixin to try alchemy to make her retreat.

This...

Sure enough, hearing this, Ye Zhixin frowned and hesitated.

If it is a competition, he is not false at all, but in the case of alchemy, he can only refine some ordinary healing medicines, how can he compare with Xie Zhen? If you agree, you will definitely lose.

At the same time, the female disciples of Hongxiu were also secretly anxious and angry.

This Xie Zhen of the Longevity Sect is really despicable. Who doesn't know that in the Nine Provinces Continent, when it comes to alchemy, except for the Dan Zong of the Dongao Continent, it belongs to their Longevity Sect.

"Master Ye!"

Seeing the change in Ye Zhixin's expression, Xie Zhen's smile grew stronger, and he couldn't help but tease: "You don't dare to compare!"

Boom!

The voice fell, and the surrounding Longevity Sect disciples burst into laughter.

Ye Zhixin blushed and was about to speak, but at this time, a figure stood in front of her with an indifferent smile.

It was Yue Feng.

"Comparing alchemy, right? I'll compare with you!" Yue Feng looked at Xie Zhen and spoke lightly, very calmly.

Swish!

At this moment, everyone's eyes were focused on Yue Feng.

“Who are you?” Xie Zhen frowned, very upset.

If it were three years ago, Xie Zhen could have seen at a glance that it was Yue Feng, the Sect Master of Tianmen, but Yue Feng had three scars on his face, and his temperament had changed, so he couldn't recognize it at all.

At the same time, the female disciples of Hongxiu were also secretly anxious.

What is he going to do? The other party is the head of the Longevity Sect, and his alchemy skills are superb, can he compare? Even if his medical skills leave, it is different from alchemy.

“You...”

At this time, Ye Zhixin also bit her lip, couldn't help but pulled Yue Feng, and whispered, “Junior brother, don't be impulsive!”

Like Hong Xiu and the others, Ye Zhixin felt that Yue Feng was a little impulsive. , after all, the other party is the head of Longevity Sect. It is not comparable to ordinary Jianghu Xiaoxiao.

Yue Feng smiled slightly and signaled Ye Zhixin not to be nervous: “Senior sister, trust me!”

Phew!

At this moment, seeing Yue Feng's confident face, Ye Zhixin didn't know why, but her heart suddenly settled down.

The next second, Ye Zhixin looked at Xie Zhen and said, “Xie Changmen, this is my junior brother, let him compete with you.”

What?

Hearing this, Xie Zhen was stunned for a moment. He first looked at Ye Zhixin, and then frowned at Yue Feng, very surprised.

Isn't Yuyao Pavilion only accepting female disciples? When did you get a man?

Moreover, this kid's identity is not low, it turned out to be Ye Zhixin's junior brother?

“Hey!”

At this moment, a boy behind Xie Zhen came out, and said contemptuously: “Master Ye, my master wants to compare with you, what's the matter if you let this person take your place?”

” Big, but aggressive.

This person is Xie Zhen’s eldest disciple, Ren Peng!

Chapter 2760

Hearing this, Ye Zhixin frowned secretly.

The red sleeves next to them were also very displeased and had to refute.

“Boy!”

At this moment, Yue Feng took a step forward and glanced at Ren Peng: “I am the junior brother of Ye Zhangmen, and in terms of seniority, I am at the same level as your master, so why can’t I replace it.”

“It’s you, As a junior, yelling, didn’t your master teach you the rules?” A

few words, neither humble nor arrogant.

“You...”

Xie Zhen’s face flushed, embarrassed, but he was speechless to refute.

Pfft...

Seeing this scene, the female disciples of Hongxiu couldn’t help but pursed their lips and laughed.

Especially Hong Xiu, looking at Yue Feng’s eyes at this time, there is a strange light, and at this moment, he finally has a good impression of this uncle.

Made!

At this moment, Xie Zhen’s face sank, and he couldn’t help looking up and down at Yue Feng.

This kid has a great mouth.

Feeling Xie Zhen’s gaze, Yue Feng didn’t panic at all, didn’t bother to talk nonsense, and urged: “How is it? Can Xie Changmen compare?”

Haha!

Xie Zhen sneered, his eyes flickering coldly: “Beat, why not?”

After speaking, Xie Zhen said to Ye Zhixin: "Master Ye, before the game, I want to add another bet, do you guys dare to take it?"

Ye Zhixin After thinking about it: "What bet?"

Xie Zhen nodded and took a deep breath, pointing at Yue Feng: "If he loses, not only will these crystal grasses belong to us, but he will kneel down and apologize to me!

" His own apprentice made him very unhappy.

Hearing this, Ye Zhixin's pretty face changed. If the younger brother knelt down to the other side, where would Yuyao Pavilion's face be?

However, Yue Feng suddenly laughed and looked at Xie Zhen: "Of course, if I win? You have to kneel down and apologize to me!"

Wow!

Hearing this, everyone in the Longevity Sect was inexplicably angry.

This guy is really blindly confident...

Xie Zhen's face sank, and a bit of shame and anger rose in his heart, but he held his identity and did not show it on the spot, but sneered: "Okay!"

Ren Peng couldn't help it. Now, looking at Yue Feng, he said coldly, "Just wait and kneel to my master!"

Madd, this man is so arrogant that he is disrespectful to his master.

Having said that, Ren Peng strode out and looked around: "Let's talk about the rules first, the game is a stick of incense time, just use this crystal fairy grass to refine the medicine pill, whoever makes the medicine pill is rarer, who It will be born, if a stick of incense is burned and it has not been refined, it is considered a loser!"

When the last sentence fell, Ren Peng did not forget to glance at Yue Feng with contempt.

In his heart, the master's accomplishments in alchemy are unmatched, and the opponent will lose!

At this time, Xie Zhen walked out slowly, took out the small alchemy cauldron, then collected two crystal fairy grasses, and at the same time took out other materials from his body and put them into the small cauldron.

As the head of Longevity Sect, alchemy is commonplace, so Xie Zhen always carried a small cauldron for alchemy.

Soon, Xie Zhen put away the materials and started refining. Everything went smoothly.

call!

Seeing this scene, all the disciples of the Longevity Sect present were inexplicably excited and full of smiles!

But Ye Zhixin and Hong Xiu were secretly worried.

This Xie Zhen is worthy of being the head of the Longevity Sect, and his attainment in the art of alchemy is really outstanding. Everything is so natural and random.

At this moment, Yue Feng thought about it, walked over, and broke a crystal fairy grass at will.

Immediately afterwards, Yue Feng asked Ye Zhixin for a pottery jar to use as an alchemy vessel. Yuyao Pavilion is not good at alchemy, and there is no professional alchemy utensils on it, but porcelain jars can also be used.

Haha...

Seeing this scene, Ren Peng and the surrounding Longevity Sect disciples couldn't help laughing.
