

The ultimate husband in Chinese chapter 2781-2790

Chapter 2781

This... After Jed was thrown into the abyss, what happened to him? Not only did his strength become stronger, but his aura became so evil.

“Boom!”

Just when Meng Na was thinking about it, she saw a terrifying force condensed around Jed, which burst out.

I saw that wherever this power passed, the black wind whistled, and the world changed color.

In the next second, the warriors of the Rakshasa tribe who were enveloped by this power did not have time to scream, their skin atrophied and their bodies withered.

hiss!

In an instant, all the other Rakshasa people around had chills on their backs and buzzing in their heads!

What power is so terrifying!

Seeing this scene, Mona's body trembled faintly, but her face was extremely cold, revealing deep anger!

How many Rakshasa warriors died for this trick?

Haha....

Jed at this time, suspended in the air, laughing wildly, his expression extremely insolent.

The power that Pluto gave him was really powerful. It was just a move that killed so many people.

Thinking to himself, Jade's eyes flashed with madness, it is better to kill Meng Na tonight and completely control the Rakshasa clan.

hum!

This chapter is provided by . Visit [for daily update.](#)

However, as soon as this thought flashed, I saw behind Jade, a mass of black mist condensed, and then from the black mist, a black shadow appeared, with complex eyes flashing.

It is the ugly ugly.

“Jed, don’t forget, the mission given to you by His Royal Highness Pluto is to lead the people under him and get away from the Rakshasa clan, not to let you kill them all.”
Wen Chou Chou said lightly.

Yes, after Pluto released Jed and others from the ghost world, in order to prevent Jed from coming, he specially let Wen Chou Chou secretly follow.

To be honest, when Jed and the Rakshasa tribe started to fight before, Wen Chou Chou really wanted to stop him, but thinking that his life was in the hands of Hades, even if he wanted to stop it, he couldn’t change anything, so he held back.

“Huh...”

Hearing this, Jade’s eyes flashed with unwillingness, but he still nodded: “The messenger, rest assured, I, Jade, am not a reckless person, and I have not forgotten what His Majesty Pluto said!”

Said, Jade Looking at Meng Na, she said loudly: “Meng Na, different ways are different from each other. From today, you and I have nothing to do with each other! However, if you want to bring the Rakshasa army to encircle and suppress me, I will welcome you at any time, but you Also think about the consequences first!”

“Let’s go!” The

last sentence fell, Jed waved his hand, and thousands of subordinates left in a mighty manner.

Seeing this scene, none of the Rakshasa people present dared to pursue him. Jade’s strength was so terrifying, and catching up would be death. Who doesn’t want to live?

Mona stood there, her face changing.

Jed took so many people and separated, and there would be endless troubles. It seems that we must quickly find a way to talk to Kyushu.

“Everyone, clear the battlefield!” The

next second, Mona’s red lips lightly opened, and she instructed the people around her: “Also, send an envoy to the Kyushu continent immediately!”

“Yes, Queen!”

...

On the other hand, after Wen Chou Chou left the Rakshasa with Jed and the others, he returned to the ghost realm through the soul-guiding road.

In the main hall, Wen Chou Chou told Pluto about the situation, and Pluto was very satisfied.

“Not bad.” Pluto praised: “Wen Chou Chou, you have been working hard recently. You should not follow Zhang Jiao’s affairs for now, and have a good rest.” After speaking

, Pluto raised his hand: “Go on.”

This... .

Wen Chou Chou is a little anxious, he and Zhang Jiao have a bitter hatred, how can he be in the mood to rest? But in the face of Hades’ powerful aura, he didn’t dare to refute. As long as he responded, he turned and left the hall.

Chapter 2782 Going

outside, looking at the gloomy Mingdu, Wen Chou Chou was a little dazed.

Although he is the messenger of Hades, he is not familiar with the ghost world at all.

Thinking about it, Wen Chou Chou subconsciously walked towards the forbidden area of the ghost world.

The forbidden area of the Ghost Festival is a place to deal with wicked people. It is said that there are thirty-six layers of purgatory, and each layer is more terrifying than the other.

Because he was the messenger of Hades, the ghost soldiers in charge of guarding purgatory did not stop him. On the contrary, he was very polite to Wen Chou Chou.

hiss.

At that moment, seeing the scene of purgatory, even though Wen Chou Chou was prepared, he couldn’t help gasping for air.

I saw that in every purgatory, there were many wicked people in Kyushu. Some of these wicked people were burned at the stake, the whole person was roasted on the fire, and some had their noses and eyes gouged out. Frightened.

However, Wen Chou Chou, who was once the master of the Hall of Longevity, quickly calmed down.

I don't know how many floors I walked, and I saw the purgatory in front of me. It was a huge fire pool. In the center of the fire pool, there was a person hanging, blood dripping, very miserable, but a pair of eyes flashed crazy.

I go.

Wen Chou Chou was secretly frightened, who is this person, who has suffered such torture, how can he be so stubborn?

Thinking to himself, Wen Chou Chou walked over curiously.

At the same time, the person who was hanged there quickly raised his head and looked at Wen Chou Chou.

Um?

At this moment, seeing the other party's face, Wen Chou Chou was stunned, and at the same time, a trace of complexity rose in his heart.

It turned out to be Duan Yu.

Soon, Wen Chou Chou reacted, and the corners of his mouth twitched, revealing a smile.

Duan Yu has done a lot of evil, and after his death, he was locked in the thirty-sixth floor of purgatory in the ghost world, and he was tortured day and night.

Made.

Duan Yu at this time was also extremely shocked, Wen Chou Chou? How did he get here? Is he also dead?

No, he didn't have an iron chain on his body, and there was no ghost soldier holding him...

"Duan Yu!"

Just when Duan Yu was wondering, Wen Chou Chou couldn't help but smile and said, "I didn't expect it to be in this place. I can see you, but you deserve such an end."

Hearing this, Duan Yu sneered: "Wen Chou Chou! Don't gloat here, as the Lord of the Palace of Longevity, you kill people. Not less than me, or why did you come here?"

“I am the messenger of Hades, of course I can come here.” Wen Chou Chou said lightly.

What?

Hearing this, Duan Yu was shocked, and the whole person was stunned, staring blankly at Wen Chou Chou and couldn't say anything.

He...he became the messenger of Hades? How is this possible?

After being cold for a few seconds, Duan Yu reacted and sneered: “I thought you had any skills, but it turned out to be a dog under Hades.”

Wen Chou Chou smiled and did not respond.

If Duan Yu had said this a year ago, Wen Chou Chou would have been furious, but now it is different, Duan Yu is already dead, and he is still imprisoned in the purgatory of the ghost world, there is no need to be serious with him.

“Whatever you say.” Wen Chou Chou looked at Duan Yu and said, “I'm very satisfied to see you, a wicked man, end up like this today.” After speaking, he turned to leave.

Yes, Wen Chou Chou was in a bad mood at first, but when he saw Duan Yu, he suddenly became more relaxed.

“Wait!”

However, just after a few steps, he heard Duan Yu's shout.

“What?” Wen Chou Chou stopped and said with a half-smile.

Chapter 2783

Duan Yu's eyes flickered, and he slowly said: “Since you are the messenger of Hades, you must have many privileges, right.”

Wen Chou Chou frowned and looked at him: “Why are you asking this?”

Duan Yu took a deep breath: “You Let me out and I'll tell you a secret.”

What? Hearing this, Wen Chou Chou was stunned

, then shook his head and smiled: “Duan Yu, are you being locked up? Do you think it is possible to let you out?” This person is extremely sinful, and he and his three brothers also have unresolved grievances. How could he let him go? “Haha!” Seeing his refusal, Duan Yu smiled and mocked: “Wen Chou Chou, you call yourself a righteous

gentleman, but now you are the underdog of Hades, and you are so at ease, I do n't know how the world will feel about it." At this point, Wen Chou Chou suddenly became angry: "What do you mean?" Hu! Duan Yu took a deep breath and said slowly: "Pluto is very ambitious and wants to control the continent of Kyushu. He urgently needs some of the most powerful people in Kyushu to act as minions. When I first entered the ghost world, Pluto threw an olive branch to me and was taken by I refused." After speaking, Duan Yu looked at Wen Chou Chou complicatedly: "But I didn't expect that the Palace Master Wen, who always prides himself on justice, would take the initiative to take refuge in Hades, hehe..." When he said this, Duan Yu looked proudly. Yes, three years ago, Duan Yu entered the ghost world after being attacked by a giant python in the Valley of Death in the wild and strange realm. At that time, Hades counted him a dozen evil deeds and sent him into purgatory.

But soon, Pluto summoned Duan Yu alone and asked him to be loyal to him. After all, although Duan Yu had a lot of evil deeds, he was also a rare cultivator in Kyushu, and once had the existence of Kaitian Axe.

However, although Duan Yu was evil, he was extremely conceited, and even in the face of Hades, he did not bow his head and surrender.

"I..."

At this moment, facing Duan Yu's mockery, Wen Chou Chou opened his mouth, but was speechless.

Yes, I had taken refuge with Pluto, but I had no choice but to reincarnate and be reborn long ago in order to deal with Zhang Jiao, if I hadn't been reluctant to bear the brothers of the madman and the great sage.

Just these things, how could it be possible to tell Duan Yu?

At the same time, Wen Chou Chou was also a little shocked in his heart.

It turned out that Hades really interrupted the control of the Kyushu Continent.

Before Hades made Jed and others allegiance, and separated them from the Rakshasa clan, Wen Chou Chou realized that something was wrong. At this time, when Duan Yu said this, he couldn't calm down.

If this is the case, can he continue to work for Hades?

"Wen Chou Chou!"

Seeing Wen Chou Chou being silent, Duan Yu's eyes flickered, and he slowly said, "Although I have been imprisoned here for three years, I also know many secrets of

Hades. If you let me go, I will keep these secrets. Tell you, haven't you always made it your duty to benefit Kyushu?"

Phew!

Wen Chou Chou didn't answer directly, but took a deep breath and pondered.

This section of Yu is deceitful, even if what he said is true, but once he is released, he will return to the mountain.

Thinking to himself, Wen Chou Chou glanced at Duan Yu: "Duan Yu, you don't have to push me, I know Hades is wild, but letting you go will be a disaster for Kyushu, so you can honestly enjoy torture here. ."

After saying this, Wen Chou Chou turned around and left.

"Wen Chou Chou!"

At this moment, looking at Wen Chou Chou's back, Duan Yu shouted with blood red eyes: "You will regret it, you will definitely regret it."

However, Wen Chou Chou didn't seem to hear it, and soon left purgatory.

...

the other side. Northern Ying Palace.

At night, the Lotte Palace was brightly lit, and there were constant patrols by the palace guards around, which can be said to be heavily guarded.

Chapter 2784

Whoosh.

At this moment, a dark shadow came quietly, with a handsome figure and firm eyes.

It was Yue Feng.

Knowing that Zhang Jiao was in the Letian Palace, Yue Feng was very angry. This person was so daring that he was resting in the palace of Empress Chang'e, and he must not be tolerated.

Yue Feng thought about it, find Zhang Jiao tonight, and get rid of him no matter what, and then tell everyone the facts at the Supreme Conference, and return his innocence.

Soon, Yue Feng avoided the palace guards and arrived at the door of the palace.

“Well...”

However, at this moment, Yue Feng heard a suppressed soft voice coming from the palace. The wind suddenly trembled.

What the hell!

Yue Feng frowned secretly, this horn was messing around in Chang'e's palace!

Thinking about it, Yue Feng didn't have time to think about it, and hurriedly entered, and soon, after passing through a few bead curtains and gauze curtains, his eyes fell on the dragon and phoenix couch, Yue Feng's body was shocked, and he was completely stunned.

I saw that the dragon and the phoenix collapsed, and there was no Zhangjiao at all, but a beautiful figure.

This woman was lying there with a flawless figure, like a beautiful work of art, and everyone couldn't take their eyes off her.

The delicate facial features seem to be exactly the same as Chang'e's, but Yue Feng clearly felt that this woman lacked the temperament of a mother in the world, and she was obviously pretending.

Nima!

A few seconds later, Yue Feng reacted, and his inner anger rose. This horn was really audacious. First, he found someone to impersonate himself, and now he got another Jia Chang'e.

“Who?”

At this moment, when she heard the movement, the fake Chang'e opened her eyes and saw Yue Feng, she was shocked, and then she was about to grab the long sword next to her.

However, Yue Feng's speed was even faster. At this critical moment, his figure flashed, he rushed over, raised his hand and touched the acupuncture point of the fake Chang'e.

In an instant, the fake Chang'e's delicate body trembled and remained motionless.

“Who are you? How dare you trespass into Tianle Palace?” The fake Chang'e said coldly and tenderly, as if she wanted to eat me alive.

Yes, this woman's name is Qin Li. She was ordered by Zhang Jiao to pretend to be Chang'e. Although Chang'e was used by Zhang Jiao to search her soul, her will is too

strong, and things go wrong from time to time, causing Zhang Jiao a headache. Approaching, there is no other way, but to find someone to replace.

Qin Li didn't know Yue Feng because she had never seen it before.

hum.

Yue Feng did not answer directly, but urged his inner strength to deploy a protective film at the door, so that the palace guards outside could not hear the movement in the palace.

"Who the hell are you? You're very brave, do you know who I am? Get out of this palace." Seeing this scene, Qin Li was inexplicably flustered, but she still shouted at Yue Fengjiao.

She was cultivating just now, and it was a critical period. She didn't expect someone to break in and act so daringly.

"Haha!"

Yue Feng sneered and walked slowly towards Qin Li: "I'm bold? You are the bold one, pretending to be Chang'e, and still living in the Lotte Palace. If anyone knew, you wouldn't have enough heads to chop off ten heads. "

You are arrogant, I am Chang'e." Qin Li shouted again.

Yue Feng was too lazy to talk nonsense, and said coldly: "Okay, you don't have to pretend, I can tell at a glance whether it is Empress Chang'e, and I will tell you that I am Yue Feng."

What?

Hearing this, Qin Li's heart trembled.

Is he the Tianmen Sect Master Yue Feng? No, didn't Zhang Jiao say that he was trapped in the Holy Sect?

Thinking about it, I saw Yue Feng slowly come over.

Chapter 2785

"Don't come here, don't come here!" Qin Li suddenly panicked, especially when she felt Yue Feng's powerful breath, her delicate body trembled.

Yue Feng did not answer, but sat leisurely on the chair next to him.

Yue Feng clearly sensed that the fake Chang'e in front of him had just reached the realm of Martial Emperor, and there was no threat to him at all.

"Tell me, who are you? Also, where is Zhang Jiao." At this moment, Yue Feng turned his head to look at Qin Li, and asked without any discussion.

Qin Li bit her lip: "I... I don't know what you're talking about."

Hehe...

Hearing this, Yue Feng couldn't help laughing: "I already know your fake identity, what do you think you are? Saying this now, does it have any effect on me?"

"I tell you, the palace is surrounded by guards, you can't run away." Qin Li's expression changed, and she said coldly.

When saying this, Qin Li pretended to be calm, but from time to time her eyes turned to the side hall behind.

Yue Feng secretly looked at it in his heart and remained calm.

The next second, Yue Feng stood up and looked at Qin Li up and down: "I'll ask again, who are you? Where are Zhang Jiao and Chang'e?"

"I told you, I don't know." Qin Li responded with gritted teeth.

At this time, Qin Li was so panicked, but she didn't dare to betray Zhang Jiao, so she could only support her through gritted teeth.

Yue Feng smiled slightly, no longer asked, but turned his head and glanced at the side hall behind: "You have been paying attention to the back, is there a mystery in it?"

After saying that, Yue Feng walked over, checked it in the side hall, but found Not anywhere suspicious.

However, this woman has been paying attention here, there must be something wrong.

Swish.

At this moment, seeing Yue Feng's actions, Qin Li's face changed, and she was very flustered.

"Say, what's behind?" Yue Feng returned and asked coldly.

Qin Li bit her lip tightly, as if she would rather die than give in.

“Okay, since you don’t cooperate, don’t blame me.” Yue Feng stopped talking nonsense. Yue Feng walked up to Qin Li coldly, opened her lips, took out a medicinal pill from her body, and quickly stuffed it into it. .

Gudong!

Before Qin Li could react, the pill was swallowed directly into her stomach.

“You... what did you give me to eat?” Qin Li looked at Yue Feng, her tone full of fear.

“What? Now you know you’re afraid?”

Seeing her reaction, Yue Feng showed a smile and said jokingly: “I would rather die just now, but now I can’t hold it anymore? Are you also afraid of death?”

Yue Feng said in a tone of voice. Getting colder, he stared at Qin Li: “Have you heard of Tongtian Pill?”

Yes. What Yue Feng just gave her was Tongtian Pill.

“Tong... Tongtian Pill?”

At this moment, Qin Li’s body was shocked, and cold sweat burst out. It was the first time I heard about Tongtian Pill. It is precisely because he does not know what Tongtian Pill is that he is inexplicably frightened.

“Within a year, if there is no antidote, your whole body will fester and die. If you don’t believe it, try to stimulate your inner strength and inject it into the Tianyang acupoint. Do you feel paralyzed and sore?” Yue Feng said coldly. .

Hearing this, Qin Li hurriedly tried to stimulate her inner strength, and her face changed greatly: “You...you feed me this poison, you...what are you going to do, what do you want?”

Yue Feng sneered: “It’s very simple, answer my question just now, and then tell me the secret of this side hall. Otherwise, you can just wait for the poison to explode.” To

be honest, Yue Feng didn’t want to use Tongtian Pill, after all, this This method is too despicable, but there is no way, in order to find Zhang Jiao and Chang’e quickly, I can’t control so much.

Chapter 2786

“I said, I said...”

At this moment, Qin Li's body trembled, and she quickly responded without hesitation: "Miss Chang'e, she was placed under house arrest by Zhang Jiao, I don't know where she is, Zhang Jiao is there Now, Zhang Jiao acts cautiously, in order to avoid being disturbed in his practice, he has been in the Empress's Tianle Palace, because it is Empress's residence, ordinary people can't come in at all."

After speaking, Qin Li pointed to a porcelain vase in the apse: "There's the switch."

Boom!

When the words fell, Yue Feng did not hesitate, walked over directly, knocked Qin Li unconscious with a palm, and then quickly walked to the porcelain bottle.

Click!

In the next second, Yue Feng twisted the porcelain bottle and heard a crisp sound, and then a secret door appeared on the wall. The secret door was accompanied by a secret passage, and the secret passage extended downward.

Mad!

Seeing the secret passage, Yue Feng was very excited, Zhang Jiao, Zhang Jiao, you hid so secretly, didn't I find you in the end?

Thinking to himself, Yue Feng flashed his body and walked directly into the secret passage!

Soon, Yue Feng walked through the secret passage and arrived at a splendid underground secret room. He saw that this secret room was very luxuriously decorated, with golden light shining everywhere, and three huge bronze mirrors stood on the three walls facing the door.

Yue Feng saw that these three bronze mirrors were more than two meters high, simple and elegant, with exquisite patterns on them, and they were very old at first glance.

Not only that, but inside the bronze mirror, there seem to be strange spiritual power fluctuations.

Swish!

Seeing these three bronze mirrors, Yue Feng didn't take it to heart, his eyes locked on the person sitting in the center of the secret room.

This chapter is provided by . Visit for daily update.

It was Zhang Jiao.

At this time, Zhang Jiao was sitting there cross-legged, looking at his nose and his heart, as if he was comprehending something. A layer of white mist shrouded his head, apparently reaching a critical period.

Seeing Zhang Jiao, Yue Feng's eyes were instantly blood red.

hum!

In the next second, Yue Feng didn't hesitate at all, his inner strength urged, and he slapped Zhang Jiao's back with a palm. Wherever the figure passed, the air was torn apart.

Yue Feng is determined to kill Zhang Jiao on the spot, so this palm contains eight layers of internal power, and its power is amazing.

Zhang Jiao was comprehending, and it was a critical period. He didn't notice someone breaking in at all. When he sensed danger, it was too late.

boom!

This palm hit Zhang Jiao's back hard, he heard a grunt, and his figure flew straight up, slammed into the wall, and fell to the ground.

"Yue Feng?"

Zhang Jiao struggled to stand up, and when he saw it was Yue Feng, he was furious: "Good boy, I didn't expect you to come out of the Holy Sect so soon." Although he was raided, when he said this, Zhang The proud face is full of horns, and a gesture of controlling the audience.

Mad!

Seeing this scene, Yue Feng frowned secretly, this horn is too powerful, but that palm contains eight layers of his own skill, and he didn't even kill him.

However, the other party has been injured, so you don't need to panic!

"Zhang Jiao, today is your day of death!" Yue Feng said coldly, the moment the words fell, he flew up and went straight to Zhang Jiao.

Haha....

Seeing Yue Feng bursting out with all his strength, Zhang Jiao didn't panic at all, and laughed loudly: "Kill me? You are too confident, but it's you who brought me to the door by yourself, but gave me a lot of trouble. "

The voice fell, and Zhang Jiao said something in his mouth.

Whoosh!

At this moment, Yue Feng saw that the bronze mirror directly opposite him suddenly shot out a ray of light. Yue Feng didn't have time to react and was hit by that ray of light. In an instant, Yue Feng only felt dizzy, not only that, but the inner strength of his dantian also seemed to be affected.

Mad!

Yue Feng was furious, what exactly is this bronze mirror? The light emitted can actually affect a person's strength, which is terrifying.

Chapter 2787

But it's okay, that ray of light only lasted a few seconds. After disappearing, Yue Feng only felt that his whole body was much more relaxed, and taking advantage of this opportunity, Zhang Jiao burst out and slapped Yue Feng with a palm.

Pfft...

Yue Feng spurted out a mouthful of blood and staggered back, his eyes full of hatred and vigilance.

Mad, it's no wonder that Zhang Jiao was so calm when he was raided by himself. It turned out that there was something wrong with the bronze mirror in the secret room.

"Haha..."

Seeing Yue Feng's expression, Zhang Jiao was smug: "Yue Feng, do you think it's strange, tell you, these three bronze mirrors, called Sealing Magic Mirror, were left by Xuanyuan Huangdi and have been sealed forever. The only people who are hidden under the Beiyong Palace and know this secret are Hou Yi and Chang'e."

"The magic mirror contains powerful power. As long as it is illuminated, no one will lose control for a short time. With such a magical object, How do you say you fight me?"

When he said this, Zhang Jiao was full of smiles, very arrogant.

Yes, these three bronze mirrors were exactly Xuanyuan Huangdi's magic-sealing mirror back then. Because its power was too great, it was banned by Xuanyuan Huangdi. Later, Xuanyuan Huangdi soared and the magic-sealing mirror fell into the hands of Emperor Houyi.

At that time, Emperor Hou Yi wanted to completely control the magic mirror, but the power in the mirror was too powerful, and it would be devoured if it was careless. In the underground secret room of Beiyang Palace.

Two days ago, Zhang Jiao learned about the existence of the magic mirror through Chang'e. After a day's search, he finally found it. After that, he was in this secret room to understand the mystery of the magic mirror. As a result, just after he had a look, Yue Feng broke in. .

Although he had just discovered the secret of the sealed magic mirror, it was enough for Zhang Jiao to deal with Yue Feng in front of him.

What? Seal the magic mirror?

At this moment, Yue Feng was stunned, only to feel that his heart was beating wildly, and he had a bad premonition.

Nima, there is such a thing in the world? If you are photographed, you will temporarily lose your mobility. It is terrible. There are three magic mirrors. If they are illuminated in turn, who can avoid them?

At this time, Yue Feng didn't know yet. At this time, Zhang Jiao didn't have a deep understanding of the magic mirror. He could only use it once in half a year. The three-sided magic mirror was used just now, and he could use two more at this time.

"Yue Feng, it's over!"

At this moment, Zhang Jiao stopped talking nonsense, recited the incantation again, and activated the sealing mirror, and saw two dazzling rays of light shining toward Yue Feng!

hum!

At the same time, Zhang Jiao's internal force was motivated, and a terrifying force erupted towards Yue Feng.

At this moment, although Yue Feng was mentally prepared, the rays of light from the two magic mirrors came over at the same time, and he couldn't avoid it, and his body was instantly fixed.

"Boom!..."

Immediately afterwards, Zhang Jiao's explosion smashed on Yue Feng, Yue Feng spit out a mouthful of blood, and his body flew far away.

Although Yue Feng has a strong internal force to protect his body, he can't stop Zhang Jiao's blow.

Mad!

At this time, Yue Feng was shocked and angry, and when he looked at the three-sided magic mirror, deep fear also rose in his heart.

Zhang Jiao's strength is already very strong, and he also has the opening axe, and now he has obtained a magical item like the magic mirror, isn't it invincible?

It seemed that it was impossible to kill him tonight, so he had to leave quickly.

"Buzz!"

Thinking to himself, Yue Feng didn't have time to think about it, he summoned Fang Tianhua halberd and waved it fiercely a few times. These few strokes almost drained Yue Feng's internal strength, but the power was also terrifying, and the air in the entire secret room was torn apart. !

Zhang Jiao's brows furrowed, he didn't dare to take it hard, and dodged behind him.

Taking this opportunity, Yue Feng turned around and rushed out of the secret room, reaching the Letian Palace above, and in a blink of an eye, he disappeared into the darkness!

Mad!

It was too late when Zhang Jiao caught up to the top, and his face suddenly became extremely ugly. You Qi saw that Qin Li, who had arranged by herself, was embarrassed when the acupoints were sealed, and she was even more furious: "Trash, trash!! It's all trash!", And just now, I was helped by the magic mirror, and Yue Feng ran away. It is difficult for anyone to calm down.

Chapter 2788

Feeling Zhang Jiao's anger, Qin Li's body trembled, and she didn't dare to take a breath.

Whoops!

At this moment, when they heard the movement here, a dozen people rushed in quickly. The one at the head, with a slender figure and delicate facial features, was Zhang Jiao's disciple Su Li!

"Master, what's the matter?" Su Li quickly asked.

call!

Zhang Jiao took a deep breath and looked solemn: "Yue Feng just broke in and fought against him for the teacher!"

What?

Hearing this, Su Li's delicate body trembled and she was shocked.

Yue Feng broke in? The Letian Palace was heavily guarded, and he was able to break in quietly, and even found the secret room where Master retreated and practiced. It was terrifying.

Especially thinking that Yue Feng humiliated herself a few days ago, Su Li felt a trace of resentment in her heart.

"Su Li!"

Just when Su Li was thinking about it, Zhang Jiao said lightly, "I will send the order immediately, all the elite disciples of the Wutian Organization will search the entire imperial city, and if there is any whereabouts of Yue Feng, they will report back immediately, remember, Don't disturb the major sects."

"Yes, Master!" Su Li hurriedly responded, then thinking of something, she asked again: "Master, tomorrow is the Supreme Conference, what should I do if I can't catch Yue Feng tonight? ?"

Yue Feng is very powerful, if he can't catch it tonight, there will be a big riot at the venue tomorrow, and all plans will be disrupted by then.

Hearing this, Zhang Jiao pondered, his eyes flashing with a hint of coldness, and said coldly: "If there is no news of Yue Feng before dawn, when the Supreme Conference starts, the competition will be cancelled and the major sects will be forced to surrender."
.

When he said this, Zhang Jiao's face was gloomy.

That's right, Zhang Jiao held the Supreme Conference in the name of Chang'e, just to make a name for himself. As long as he won the first place and then controlled Kyushu, it would be logical. After all, this is a world where the strong are respected.

However, the sudden appearance of Yue Feng made Zhang Jiao feel threatened and decided to cancel the game.

"Okay!"

Hearing this, Su Li's eyes flickered, and she nodded knowingly: "I'll go to prepare now."
When the words

fell, Su Li quickly walked out of the Lotte Palace.

call!

At this moment, Zhang Jiao looked at the night outside, and there was a hint of gloom in his eyes.

Yue Feng, even if the Holy Sect didn't trap you, it wouldn't change the current situation.

.....

On the other side, Yue Feng rushed out of the Lotte Palace and returned directly to the resting palace of Yuyao Pavilion.

call!

As soon as they entered the palace, they saw Ye Zhixin sitting in the hall, with two people lying beside them, bound by five flowers, very embarrassed, it was Liang Hao and Shen Fei.

Hong Xiu and a dozen elite female disciples quietly stood by one side, all of them looking solemn.

"Yue Feng!"

Ye Zhixin was surprised and delighted when she saw Yue Feng coming back, and she stood up at once: "How is it? Are you all right?"

Although many things were not very clear, Ye Zhixin was instantly stunned when she saw Yue Feng returning safely. Take it easy.

call!

At this moment, Hong Xiu and the others all looked at each other in dismay, looking at Yue Feng's eyes, all showing complexity.

Just now, Ye Zhixin had told them that this uncle who joined the sect halfway was the sect master of Tianmen, but seeing Yue Feng again at this time, she still couldn't hide the shock in her heart.

Yue Feng smiled at Ye Zhixin: "I'm fine!"

"What the hell is going on?" Ye Zhixin couldn't help but ask.

Yue Feng took a deep breath and slowly explained the situation.

Chapter 2789

Wow!

In an instant, whether it was Ye Zhixin, Hongxiu and the others, they were all furious, and they all complained about Yue Feng.

“It turns out that the Supreme Conference is all a conspiracy by Zhang Jiao.”

“This piece of horn is so abhorrent. It makes people impersonate Yue Feng, destroys the reputation of Tianmen, and even coerces Empress Chang’e.”

“Yes, now, in the name of Empress Chang’e, the The sects of the Kyushu mainland have all summoned the Beiyong Palace, and they must have no good intentions.” When the

crowd’s comments came, Ye Zhixin also frowned.

The next second, Ye Zhixin said softly to Yue Feng: “According to you, all of us sects have been caught in Zhang Jiao’s trap. Next, what should we do?”

This...

Yue Feng thought for a while. , said with a wry smile: “Everyone has come, and Zhang Jiao has controlled Chang’e. The entire Beiyong Imperial City is full of Zhang Jiao’s people. You can’t leave if you want to. You can only wait until the conference starts tomorrow and watch it change. “

When he said this, Yue Feng was calm on the surface, but also a little panicked in his heart.

Nima, just broke into Zhang Jiao’s training room by himself, and almost succeeded in the raid. With Zhang Jiao’s personality, he will not sit still. It is estimated that at this moment, he is sending people around to search him.

However, for a while, no one came to search here. It seemed that Zhang Jiao didn’t know that he was in the Yuyao Pavilion with a fake identity.

Thinking to himself, Yue Feng felt a little more at ease.

“Okay!” Ye Zhixin nodded, and that was all she could do now.

After saying that, Ye Zhixin glanced at the two Shen Fei who were tied there: “How to deal with these two?!”

“Lock it up first, and then talk about it after the Supreme Conference.” Yue Feng said without hesitation: “I must not let anyone know.”

Seriously, Yue Feng wanted to kill these two people immediately, especially that Liang Hao. He dared to impersonate himself and smear the reputation of Tianmen, and it was not a pity to die, but he thought that it might be useful to keep this person, so he held back.

Hearing this, Ye Zhixin quickly waved her hand and ordered Liang Hao to be taken away.

Yue Feng said no more, returned to his room, and resumed his practice. Mad, Zhang Jiao used the magic mirror and almost killed himself.

.....

this moment, the other side.

In the hall of the Underworld of the Ghost Realm.

Pluto was sitting on the throne, his face was expressionless, and his body was filled with a powerful aura. Below, Jade, Zang Shuiyue and the others kneeled there respectfully.

Next to him, Wen Chou Chou stood there quietly, he was the messenger of Hades, and he had a special status, so he didn't need to kneel.

“Your Majesty.”

At this moment, Jade squeezed out a smile and told Pluto: “According to your instructions, I have led my subordinates to separate from the Rakshasa clan. What to do next, please instruct Your Majesty.”

“Okay. , not bad!”

Pluto showed a smile and said slowly: “I got the news just now that the Kyushu Continent is holding the Supreme Conference, which will be held in Beiying Imperial City. You bring your people and rush over immediately!”

Said, Pluto Slowly raising his hand, he saw a kit slowly fly out and land at Jed's feet.

“How to do it is written in it, remember, there can be no mistakes.” Pluto's tone was indifferent, but he couldn't doubt it. When the voice fell, he waved his hand.

“Your Majesty, rest assured, your subordinates will live up to their expectations!” Jed picked up the kit and left quickly with Zang Shuiyue and others.

call!

At this moment, watching Jade and the others leave, Wen Chou Chou felt inexplicably uneasy in his heart, so he went up to ask Hades.

“Wen Chou Chou!”

However, at this moment, Pluto’s eyes fell on Wen Chou Chou, and he said coldly: “Do you know the guilt?” The

voice was not loud, but it was full of majesty.

Wen Chou Chou’s heart trembled, and he walked out quickly, clasped his fists and said, “Your Majesty, what crime did I commit?” Wen Chou Chou was at a loss when he said this.

Chapter 2790

“What’s the crime?”

Pluto said coldly: “Although you are my messenger and have many privileges, you can’t run wild.”

“You entered the thirty-sixth floor without my order. In purgatory, you have been talking with people who have committed crimes for a long time, and you have violated the laws of the underworld, you say, are you guilty?”

What?

Hearing this, Wen Chou Chou was stunned.

Did Pluto know what happened to Zhang Jiao in purgatory?

But... the messenger of Hades enters purgatory, and there is no need to ask Hades for instructions.

After thinking about it, Wen Chou Chou understood something. Hades is deliberately trying to trouble him. You must know that even though he is the messenger of Hades, he still cares about Kyushu.

Just now, Hades sent Jade and others to the Beiyang Imperial City, it must have been to destroy the Supreme Assembly. In order to fear that he would cause trouble, he deliberately made a crime to hold him.

Thinking of this, Wen Chou Chou became somewhat inexplicable.

“Come on!”

Seeing Wen Chou Chou being silent, Pluto didn't bother to talk nonsense: “Lock Wen Chou Chou for two days and let him reflect on himself.”

Whoa!

As soon as the voice fell, a few underworld soldiers came over, tied Wen Chou Chou Wu Hua, and dragged them out of the hall.

At this moment, Wen Chou Chou wanted to resist, but thinking of his own situation, he held back.

It was only locked for two days. After two days, when I found an opportunity, I went to the mainland of Kyushu to inquire about the news.

...

the next day. Beiyong Palace!

Today's Beiyong Palace is extraordinarily lively. You must know that for thousands of years, an unprecedented Supreme Conference will be held in the Beiyong Palace. Almost all the sects in the Kyushu continent have come to participate. It can be said to be an unprecedented prosperous era.

At this time, the streets and alleys of the imperial city were almost overcrowded, and they were all discussing the Supreme Assembly.

Because the scale of this conference is grand, and the venue is located in the palace, ordinary people can't get in at all. Despite this, the palace is still crowded with people.

At this time, in the palace, on the square in front of the Promise Hall, there were tens of thousands of seats set up around them. At this time, there were already a sea of people on these seats. Almost all the sects who came to participate in the competition had arrived. From a distance, it was dark. , very spectacular!

Of course, these seats are for the heads of the various sects, as well as the elders.

You must know that there are so many sects in the Kyushu Continent, if all of them have seats, no matter how big the Beiyong Palace is, it will not be able to accommodate them.

At this time, hundreds of thousands of people have gathered in the square of the Promise Hall, all waiting for the conference to start!

At this moment, Yue Feng and Ye Zhixin, with the disciples of Yuyao Pavilion, arrived slowly.

At this time, Yue Feng deliberately disguised his beard and looked a few years older. He failed to raid Zhang Jiao last night. Yue Feng could only use this method to hide his identity.

To be honest, Yue Feng didn't want to be so troublesome, but there was no way, Chang'e was still in Zhang Jiao's hands, so he couldn't mess around anymore.

shit.

At this moment, when entering the square, Yue Feng was stunned when he saw the scene in front of him.

Chang'e's influence is really extraordinary. There are so many sects coming to this Supreme Conference, not only the sects of Jianghu, but also the royal forces from various continents.

Yue Feng saw that among the several sects in Nanyun Continent, the royal family represented by Long Qianyu was sitting in the middle position. At this time, Long Qianyu was dressed in a pale yellow dress, and looked like a fairy. Without losing the royal style.

I have to say that Long Qianyu is a top-notch goddess, both in temperament and appearance, and she has become even more charming after not seeing each other for more than three years.

In addition to Long Qianyu, Yue Feng also saw many familiar figures, such as Wudang in Diyuan Continent and Dan Zong in Dongao Continent. Famous Sword Villa in the Yellow Sea Continent, etc.

Swish!

At this moment, Ye Zhixin immediately attracted the attention of many people.

"It's so beautiful, is this the head of Yuyao Pavilion in Xuanye Continent?"

"It is said that this head of Ye is also a goddess, and his reputation is well-deserved."
