

The ultimate husband in Chinese chapter 2791-2800

Chapter 2791

Listening to the discussions around, Ye Zhixin looked indifferent, and Yue Feng waited and walked to the position of Yuyao Pavilion.

“The game is about to start!”

After sitting in the seat, Ye Zhixin asked Yue Feng gently, “What should we do?”

Yue Feng looked around and whispered, “Zhang Jiao has ulterior motives, this Supreme Conference is just a Under the guise, when the game starts, we just give up, there is no need to waste our internal energy.”

Hmm!

Hearing this, Ye Zhixin nodded in agreement.

Yes, knowing that there is another mystery in this Supreme Conference, how could it still be on the stage?

After a while, all the invited sects and forces arrived. At this moment, a graceful figure slowly walked out and arrived in the center of the square, with a beautiful appearance and a good aura.

It is Gonggong.

Yes, Gonggong is the host of this supreme conference.

“Everyone!”

Gonggong looked around the audience with a shallow smile: “The Supreme Conference is held for the first time in thousands of years. It can be said that this is a prosperous move in our Kyushu continent. Let me explain the rules below. From each sect and faction, only one person is allowed to participate in the competition, and the first place winner will be awarded the Kyushu Medal.”

Wow!

Hearing this, there was an uproar in the audience.

No, doesn't it mean that the one who gets the first place will get the honor of Jiuzhou Supreme? How did it become a medal?

This chapter is provided by . Visit for daily update.

Gonggong didn't seem to see the doubts of the audience, and began to read out the rules of the game.

A few minutes later, Gonggong finished his last sentence and looked around: "Okay, now the game starts." After speaking, he turned and left the square.

Ha ha...

Seeing this scene, Yue Feng showed a smile.

This Zhang Jiao is really cunning. He held the Supreme Conference in the name of Chang'e, and used the name of 'Jiuzhou Supreme' to attract people, but the people present did not realize that he was tricked by Zhang Jiao.

And this Gong Gong, don't you know that Zhang Jiao is cunning and cunning? Also help him preside over the Supreme Assembly.

Boom!

Just when Yue Feng was thinking about this, he saw in the center of the square that the first round of the contestants had already fought.

Soon, it was Yuyao Pavilion's turn to send someone to appear, but Ye Zhixin obeyed Yue Feng's suggestion and abstained.

To be honest, at that moment, Yue Feng really wanted the disciples of Yuyao Pavilion to send a letter to Long Qianyu and the others, so that they would also give up the game, but considering that Zhang Jiao's eyes and ears were all around, there was no risk.

The game went on for more than five hours.

Whoa!

Just as the finals were about to start, there was a sudden commotion in the audience, and everyone's eyes would gather at the door of the Promise Palace.

I saw a graceful and graceful figure walking out slowly, wearing a long white dress, tight curves, flawless face, extraordinary temperament, and indescribable beauty!

It's Chang'e!

Behind Chang'e, Zhang Jiao followed quietly.

Swish!

Seeing Chang'e, everyone present was boiling, and all the men's eyes were almost straight.

Empress Chang'e is an existence that can be called a fairy in the world.

Beautiful, really beautiful.

Yue Feng's eyes were also fixed on Chang'e, and he murmured in his heart.

Yue Feng could see that the Chang'e in front of her was not pretending to be a person, but she was a little weird. Not only was there a trace of tiredness between her brows, but her eyes were also a little empty.

It's like.... being controlled by someone's mind.

Chapter 2792

"Everyone!"

At this moment, Chang'e took a step forward slowly, looked around the audience, and a soft voice sounded: "For thousands of years, the continent of Kyushu has been divided, resulting in constant disputes. More than ten years ago, First, the Tianqi Continent invaded the Diyuan Continent, and later, Yang Jian usurped the throne and provoked wars everywhere, causing the people of all continents to suffer."

"In the past few years, although I have been practicing in the Holy Sect, I have never forgotten the common people in the world. Gong feels that Kyushu should elect a co-owner, which can also reduce unnecessary disputes, so today, through the Supreme Conference, I want to announce something."

Chang'e's voice was not loud, but it spread throughout the audience.

call!

At this moment, everyone present held their breath and looked at Chang'e quietly, waiting for her next words.

"This palace announces!" Chang'e's red lips parted lightly, and she said softly: "Zhang Jiao is the new emperor of Northern Ying Continent, and he has been elected as the co-owner of Kyushu. Assist."

After saying this, Chang'e stood aside, her expression indifferent, without the slightest fluctuation.

Yes, these words were secretly directed by Zhang Jiao. Ever since Zhang Jiao performed the Soul Deprivation Technique, Chang'e has been completely controlled, and she can't help herself.

What?

Hearing this, the entire Promise Hall Square was in an uproar, and all eyes were suddenly focused on Zhang Jiao.

Empress Chang'e even made Zhang Jiao emperor of Beiyang, and even elected him to be the co-lord of Kyushu.

Although Zhang Jiao used his soldiers like a god, but when he helped Yang Jian conquer various continents, the methods he used were too cruel. How could such a person be the co-owner of Kyushu?

At this time, everyone did not realize that Chang'e in front of her had been controlled by Zhang Jiao, and what she said was not her original intention at all.

Mad!

At this moment, Yue Feng was also shocked, his eyes looked at Chang'e, full of doubts.

Ma De, it turns out that Zhang Jiao's purpose is here. What kind of supreme meeting is held is just a passing scene. The final purpose is to be the co-owner of Kyushu.

It has to be said that Zhang Jiao was too cunning and used Chang'e to tell his purpose.

It's just... how on earth did he control Chang'e?

call!

Just when Yue Feng was frowning secretly, at this moment, he saw Zhang Jiao walking out slowly, first looking around, and then smiling humbly: "It is an honor for me, Zhang Jiao, to be so appreciated by Empress Chang'e. To."

Said, Zhang Jiao's eyes flashed treacherous, and continued: "However, since the Empress has already announced, I will do my part. Everyone, the situation in Kyushu is not optimistic now, remember three years ago? Rakshasa clan We crossed the Chaos Mountains, and the army invaded. Although we fought together in the Kyushu Continent, the situation at that time was not optimistic!"

"In the end, we were still independent, not very united!"

Hehe...

Hearing this, Yue Feng couldn't help it. sneer.

Ma De, this Zhang Jiao is quite good at acting, and the scenes are said in a set way. When they fought against the Rakshasa, all the forces were firm, but Zhang Jiao was very deceitful and led the Beiyong army at that time. Yue Feng still remembers clearly the siege of the alliance army camp.

But now, Zhang Jiao actually used unity as an excuse to make the people present submit to him, which is ridiculous.

At this time, the red sleeve behind him finally couldn't bear it any longer, and said coldly, "This Zhang Jiao is really hypocritical."

Ye Zhixin also frowned, and said to Yue Feng: "You are right, this horn, it is fake to hold the Supreme Conference, and it is true that you want to dominate Kyushu."

After speaking, Ye Zhixin was a little anxious: "Yue Feng, what are your plans?"

Huo!

Yue Feng took a deep breath, glanced at Zhang Jiao, and said in a low voice, "Don't worry, let's see the situation."

With so many sect forces present, they would never surrender to Zhang Jiao willingly.

"Everyone!"

Chapter 2793

At this moment, Zhang Jiao looked around the audience and said loudly: "I won't say more nonsense, those who can come to participate in the Supreme Conference today are all famous families that have been passed down for a long time, as long as you support me wholeheartedly, I Zhang Jiao guarantees that I will never treat everyone present badly." The

voice fell, and many sects agreed.

"That's right, Mr. Zhang's martial arts, who can compare to Kyushu? Oh no, it should be Your Majesty now." "

Your Majesty is the co-owner of Kyushu. The heads of these sects all stood behind Zhang Jiao, all of them being extremely respectful. Yes, these are the sects who were in the alliance with Wutian before. They knew Zhang Jiao's plan in advance, and they are so active at this time, they are all for others to see. This... Seeing this scene, the remaining sect forces all looked at each other in dismay. "What? Do you have any objections?" Zhang Jiao raised the corners of his mouth and said lightly. hum! The voice

fell, and a powerful breath burst out from Zhang Jiao. In the past three years, Zhang Jiao has worked hard to cultivate. First, he obtained the opening axe, and then he obtained the magical mirror. At this time, his strength has broken through the tribulation realm and reached the spiritual realm! hiss! Feeling Zhang Jiao's powerful aura, many people present gasped for air. This... the strength has surpassed the Tribulation Realm, too strong! Moreover, it is said that Zhang Jiao also got the opening axe. Under the shock of the heart, soon, the sect forces who were still a little hesitant also expressed their allegiance to Zhang Jiao.

However, there are still some sects that still have no indication.

Among them, there are the Nanyun Royal Family represented by Long Qianyu, the Famous Sword Villa in the Yellow Sea Continent, the Danzong in the Dongao Continent, and the Yuyao Pavilion with Yue Feng...

It can be said that those who do not express their attitude are all related to Yue The wind is inextricably linked.

Hahaha...

Seeing more than half of the audience expressing allegiance to him, Zhang Jiao showed a smile, very proud.

The next second, Zhang Jiao was on Long Qianyu's body: "His Royal Highness Princess, the situation in front of you is already the general trend. I don't know how your Nanyun royal family will vote?"

When he said this, Zhang Jiao was polite, but his eyes were full of contempt.

Speaking of which, in the Kyushu Continent, the royal family of Nanyun is not weak, but Zhang Jiao has not paid attention to it, but there are so many people around, so he still has to act.

Long Qianyu's face was expressionless, but his heart was extremely complicated.

I thought that I would be a blockbuster at the Supreme Conference and could enhance the prestige of the Southern Cloud Continent in Kyushu, but I never imagined that the change in the situation was unpredictable. Chang'e not only made Zhang Jiao emperor of Beiyang, but also elected him Be the co-owner of Kyushu.

More importantly, so many sects expressed their support for Zhang Jiao.

What should I do myself?

Seeing Long Qianyu's reaction, Zhang Jiao smiled faintly: "No hurry, the eldest princess will consider it!"

After saying that, Zhang Jiao's eyes fell on Dan Zong and the people in Mingjian Villa, and smiled: "Several, what are you thinking about? As long as you are willing to surrender, I will protect your prosperity!"

"Zhang Jiao!"

When the words fell, the sect master of Danzong, Zheng Chunqiu, couldn't hold it any longer. He strode out and pointed at Zhang Jiao and shouted: "When you were fighting against the Rakshasa clan, you secretly raided the alliance army, but you still have the face to say unity. How can someone like you be worthy of being the co-owner of Kyushu?"

At this time, Ye Ziyi from Famous Sword Villa also stepped forward and shouted: "Yes, the co-owner of Kyushu is at least a kind and merciful person. , and you are not worthy!"

Chapter 2794

Wow!

Hearing this, the expressions of everyone behind Zhang Jiao changed greatly.

This Ye Ziyi is really daring, Zhang Jiao is the co-owner of the Kyushu, it was proposed by Empress Chang'e, she actually said that she is not worthy?

"Presumptuous!"

At this moment, a slender figure came out, it was Su Li, pointing at Ye Ziyi Jiao and shouting, "What kind of thing are you, dare to despise my master?"

In an instant, the disciples of the surrounding Wutian organization began to shout!

"It's really daring, the Kyushu co-owner was proposed by Empress Chang'e. By saying this, are you questioning Empress Chang'e's vision?"

"It's just the eldest lady of Famous Sword Villa, too ignorant of current affairs!" "It 's really lawless!"

In an instant, Zhang Jiao's face turned gloomy.

He is about to become the co-owner of Kyushu, but he is so insulted by a girl in front of a hero in the world, how can he bear it?

However, Zhang Jiao held his own identity and did not have a seizure. Instead, he looked at Ye Ziyi with a half-smiling smile: "Miss Ye, you said that I am not worthy to be the co-owner of Kyushu, so who can do it?"

When he said this, Zhang Jiao was full of pride.

Ye Ziyi smiled slightly, and said without hesitation: "Sect Master of Tianmen, Yue Feng!"

After saying that, Ye Ziyi looked around: "Three years ago, the Rakshasa tribe came and it was Yue Feng who led our Kyushu to block the Rakshasa. The army, and Tianmen, founded by Yue Feng, has made a lot of contributions in helping the weak in the rivers and lakes over the years."

"Yue Feng himself is both civil and military, and the weather royal family held a marriage conference that year. Double first, such a person is the most qualified to sit in the Kyushu co-ownership."

Hearing this, Zheng Chunqiu and others all nodded.

call!

At this moment, Yue Feng was also moved and couldn't help but glance at Ye Ziyi.

Unexpectedly, her evaluation in her heart was so high.

Swish!

Just at this moment, Zhang Jiao's face was extremely ugly, and his heart was filled with anger.

Mad, these people are still facing Yue Feng.

Hahaha...

Thinking about it, Zhang Jiao laughed loudly: "Miss Ye, you have Yue Feng on your left, and Yue Feng on your left, don't you know that five days ago, Yue Feng broke into the Holy Sect and was disrespectful to Empress Chang'e. Come to the Beiyong Palace again, such a misbehaving disciple, if he becomes the co-owner of Kyushu, it will be the biggest joke." The

voice fell, and Su Li and the disciples of the Wutian Organization behind him all burst into laughter.

"Impossible!" Ye Ziyi bit her lip and couldn't help but refute.

During this period of time, there were rumors in the rivers and lakes of Kyushu that Yue Feng blasphemed Chang'e and made a riot at the Beiyong Palace, but Ye Ziyi knew Yue Feng well and knew that he would not do it.

"Zhang Jiao!"

At this moment, Long Qianyu, who had been silent all the time, took a step forward and looked directly at Zhang Jiao: "You keep saying that Yue Feng blasphemed Mother Chang'e, is there any evidence?"

When he said this, Long Qianyu The delicate face seems calm, but the heart is full of complexity.

Like Ye Ziyi, Long Qianyu didn't believe it either. Speaking of which, she and Yue Feng had a marriage contract, and now that she heard Zhang Jiao slander Zhang Jiao, she couldn't help it.

"evidence?"

Zhang Jiao sneered and turned his head to look at Chang'e: "The Empress is here, this is the most powerful proof. At that time, I followed Yue Feng to the Beiyang Palace, and I saw that he threatened the civil and military officials with the life of the Empress. !"

Said, Zhang Jiao secretly winked at Chang'e.

Chang'e was completely under Zhang Jiao's control. Without hesitation, she walked out and said softly, "Yes, I was practicing in seclusion in the forbidden area of the Holy Sect, and Yue Feng broke in and took me away forcibly."

"On the way, speak to me . It's frivolous, it's daring to make Ben Gong his wife, not only that, but also to be the Emperor of Beiyang."

Wow!

Hearing this, everyone who had expressed their surrender to Zhang Jiao was filled with righteous indignation.

"Yue Feng is so abominable, he's so daring."

"I respected him a lot before, but I didn't expect this kind of person."

Chapter 2795

"Yeah, Empress said it herself, absolutely can't be wrong..."

Everyone's comments kept coming, whether it was Long Qianyu or Ye Ziyi, they were all embarrassed.

How could this be, Yue Feng couldn't do such a rebellious thing.

"Yue Feng!"

Ye Zhi was so anxious at this moment, she whispered to Yue Feng, "Go up and explain."

This Yue Feng, Zhang Jiao discredited him so much, yet he was still so calm.

call!

Yue Feng took a deep breath and whispered, "I can't show up now."

"Why?" Ye Zhixin's beautiful face was full of puzzlement.

Yue Feng thought for a while, and said slowly: "Last night's raid on Zhang Jiao failed, and his whereabouts were revealed. Although he didn't find me last night, Zhang Jiao was very cunning. Now he is deliberately smearing me in front of everyone, just to force me. Show up."

"If I don't show up, he still has some fears in his heart, and once I show up, he will have no worries."

When he said this, Yue Feng's face was calm, and he was also holding back his anger.

To be honest, Yue Feng wanted to rush over and expose Zhang Jiao's lies, but seeing that Chang'e also framed himself, Yue Feng gave up the plan.

Yue Feng knew that he had to figure out how Chang'e was controlled by Zhang Jiao, otherwise, it would be useless to justify himself.

Um!

Hearing this, Ye Zhixin nodded silently.

"Princess!"

At this moment, Zhang Jiao looked at Long Qianyu with a half-smile but not a smile: "What do you have to say now? Yue Feng's doing such a treacherous thing is already the target of the public, how you maintain this kind of person is futile, I advise you to recognize the situation in time."

"Okay!"

Long Qianyu replied coldly, expressionless: "Then I will tell you my decision, you want to be the co-owner of Kyushu, whatever, in short, we Nagumo The mainland doesn't admit it."

After speaking, Long Qianyu glanced at Chang'e: "To recommend someone like you to be the co-owner of the Nine Provinces, I think Empress is really confused."

“And our Famous Sword Villa!” Ye Ziyi followed.

“And my Danzong!”

At the same time, Ye Zhixin took the people from Yuyao Pavilion and stood firmly behind Long Qianyu.

“Okay, very good!”

Looking at this scene, Zhang Jiao’s eyes were gloomy and he nodded, “Long Qianyu, it doesn’t matter if you don’t admit that I am the co-owner of the Nine Provinces, but you questioned Lady Chang’e, so disrespectful, if I forgive you, I will in the future. How to get a foothold?”

“Everyone obeys orders, take them down for me!”

Zhang Jiao almost roared at the last sentence.

Whoa!

The voice fell, and the people behind them urged their inner strength to surround Long Qianyu and others.

“Zhang Jiao.”

Long Qianyu’s pretty face was flushed, and she was extremely angry: “You finally showed your fox’s tail. If you want to catch us, just say it. You don’t need to use Empress Chang’e as an excuse!

” Holding the long sword: “Everyone, Zhangjjiao Langzi’s ambition, everyone rush out with me!”

Om!

When the last word fell, Long Qianyu’s inner strength was urged, and his figure was astonishing, and he rushed into the opponent’s crowd first!

“Kill!”

At this moment, Ye Ziyi, Zheng Chunqiu and others followed closely behind. In an instant, a tragic battle drowned the square of the Promise Palace in an instant.

Mad!

Seeing this scene, Yue Feng was furious, this horn was so cruel, he even said he would do it.

I thought that Zhang Jiao would have some scruples when he didn't show up, but he never thought that Zhang Jiao didn't hesitate at all and started the battle directly.

The ultimate husband in Chinese chapter 2796-2800

Chapter 2796

Thought, Yue Feng couldn't think too much, his figure moved and rushed towards Zhang Jiao quickly.

Because of the special makeup, no one noticed Yue Feng at all, thinking that he was just an ordinary male disciple in the Yuyao Pavilion.

"Take them all!"

At this time, Zhang Jiao's attention was completely on the Long Qianyu and the others, and he kept shouting: "I will capture the Long Qianyu and the others, and leave the rest..."

Om!

At this moment, a figure shot out, carrying the momentum of thunder.

Is it Yue Feng?

Um?

Feeling the danger, Zhang Jiao was startled, but he reacted quickly and raised his hand to meet him.

boom!

There was a loud bang, and everyone present trembled! Zhang Jiao took a dozen steps back, his eyes firmly locked on Yue Feng!

"Yue Feng?"

Zhang Jiao's eyes flickered, full of madness, and he looked up to the sky and laughed loudly: "You finally showed up. Let me tell you, today you and Long Qianyu can't leave!"

Yue Feng?

At this moment, many people around were taken aback.

This chapter is provided by . Visit for daily update.

This Yue Feng, who blasphemed the Empress Chang'e and made a riot at the Beiyong Palace, dared to appear?

He is Yue Feng! ?

At this moment, Long Qianyu and Ye Ziyi both trembled, extremely happy, and at the same time secretly surprised.

When did he sneak into Yuyao Pavilion? Also, what's with the scar on his face?

Yue Feng did not respond, but looked at Zhang Jiao coldly!

He knew that it was impossible to restore his innocence just by explaining himself. The only one who could prove himself was Chang'e, and Chang'e was controlled by Zhang Jiao, so Zhang Jiao must be subdued today.

Feeling Yue Feng's gloomy coldness, Zhang Jiao did not panic at all, instead he was very happy: "Yue Feng, your era is over, you can catch up with your hands, maybe I can give you a good time!"

"It's not certain who will die today!" Yue Feng roared wildly, raising his hands suddenly!

"Roar!" The

surrounding air quickly twisted, and then, nine golden dragons surrounded Yue Feng!

"Kill!" A

loud roar of dragons came, and nine golden dragons, slack and unparalleled power, swept towards Zhang Jiao!

Zhang Jiao snorted coldly as he watched the nine golden dragons pounce. A mere skill of Nine Dragons Ascension to Heaven, dare to show ugliness in front of him?

hum!

In the next second, Zhang Jiao suddenly raised his hand and waved, and a golden beam burst out from the opening axe, tearing apart the world and attacking!

boom! boom! Boom...

This golden light emitted by Zhang Jiao collided with the golden dragon, and a violent vibration of aura erupted. Immediately, the nine golden dragons were directly defeated, turning into a golden light and shadow, dissipating between heaven and earth!

Open the axe!

Seeing this scene, everyone below was stunned and shocked!

It was rumored that Zhang Jiao had obtained the Sky-Opening Axe, and it turned out to be true. Moreover, the Sky-Opening Axe in Zhang Jiao's hands could explode with such mighty power. It was indeed a peerless weapon.

Mad!

Yue Feng, who was suspended in mid-air, also frowned.

Zhang Jiao owns the Sky-Opening Axe, and his strength is already so strong. If he uses another magic mirror later, he will not be an opponent at all.

How to do?

At this time, Yue Feng did not know that Zhang Jiao had not completely penetrated the magic mirror, and he had used it once last night, and the next time he would use it, it would take at least three months.

“Haha...”

At this moment, the corners of Zhang Jiao's mouth twitched, revealing a hint of contempt, and mocked at Yue Feng: “Why? You are so confident in your mouth, with this little strength?”

“Yue Feng, let me help you! “

Chapter 2797

At this moment, Long Qianyu let out a coquettish cry, and her figure flew up, cooperating with Yue Feng and fighting Zhang Jiao!

At the same time, Zheng Chunqiu, Ye Ziyi, and Ye Zhixin also rushed towards Zhang Jiao from another direction!

Seeing this scene, the corner of Zhang Jiao's mouth evoked a trace of disdain: “A gang of rabble!” The voice fell, and Zhang Jiao waved the opening axe and attacked directly!

Buzz buzz... I

have to say, the power of the opening axe is too strong, in a blink of an eye, a few Long Qianyu can't stand it anymore, and each one's face is pale.

“You guys find a way to break through, don't worry about me!” Yue Feng was in a hurry and couldn't help shouting.

To be honest, fighting alone, although you can't kill Zhang Jiao, but Yue Feng wants to leave, Zhang Jiao can't stop him, but Long Qianyu and a few join the battle, that's another matter.

Hearing this, Long Qianyu bit his lip, turned around, rushed into the crowd below, and tried to lead his subordinates to break through.

As the eldest princess of the Southern Cloud Continent, Long Qianyu acted decisively. She knew that after fighting Zhang Jiao just now, she felt that joining the battle with her own strength would not help Yue Feng at all, but would cause him trouble.

Whizzing!

At the same time, Zheng Chunqiu, Ye Ziyi and others also withdrew.

hum!

At this moment, Yue Feng didn't hesitate at all. He raised his hands and saw a white flame that jumped out and floated directly towards Zhang Jiao.

The flame grew bigger and bigger, and finally formed the shape of a lotus flower. In an instant, the surrounding temperature suddenly increased.

It is Bailian Lenghuo!

"Wan! Read! All! Ash!" In the next second, four cold words came out of Yue Feng's mouth, and then his hands slowly raised!

It is a unique skill that Yue Feng realized when he was trapped at the bottom of a volcano ten years ago, and is rarely used. Over the years, with the improvement of Yue Feng's strength, his understanding of this trick has also reached a very high level.

hum!

When the last word fell, the surrounding sky suddenly distorted, as if the spiritual energy between heaven and earth was suddenly evacuated, and everyone present was shocked.

"Zhang Jiao, you give me death!" Yue Feng roared wildly, raised his hand and pointed, a huge white fireball condensed in an instant and smashed directly at Zhang Jiao!

Yes, this huge white fireball combines the essence of Bailian Lenghuo. After all, Yue Feng created this trick on the basis of Bailian Lenghuo.

Yue Feng didn't know why Zhang Jiao didn't need to seal the magic mirror for a long time, but he couldn't care less.

What?

Zhang Jiao was startled, and hurriedly activated his internal force, merged into the Heaven-Opening Axe, and tried to resist!

“Boom!” The

white fireball slammed on the opening axe, and the terrifying energy erupted, and a sea of white fire instantly formed over the entire Promise Hall.

“Wow!”

Zhang Jiao spat out a mouthful of blood, and his body flew out!

Although I have understood the power of the Heaven-Opening Axe, every time it is used, it will consume a lot of internal strength.

This...

Seeing this scene, many people below were stunned, unable to catch their breath for a long time.

This... is this a win?

Zhang Jiao owns the Heaven-Opening Axe, but he hasn't been seriously injured by Yue Feng. Who would have believed it if he hadn't seen it with his own eyes?

At the same time, Long Qianyu, Ye Zhixin and others were very excited, but the next second, they all became worried when they saw Yue Feng's situation.

I saw that Yue Feng's face was pale and very weak.

That's right, I had a fierce battle with Zhang Jiao just now, and I used all my thoughts to lose my mind, and my internal strength was almost exhausted.

Om....

At this moment, as the white flames in the sky gradually extinguished, the sky and the earth suddenly became dark, and then, a black mist spread out from all around the palace.

Swish...

Then, from those black mists, thousands of figures appeared. These figures, wearing uniform black clothes and wearing bone masks, seemed to come from hell!

What's happening here?

Seeing this scene, whether it was Yue Feng, Zhang Jiao, or others, they were all stunned.

Chapter 2798

Yue Feng saw that the leader of these people was Jade, the city lord of Xuanshi City, who had some festivals with him before.

A month ago, Yue Feng and Yu Qianqian, Miss Yu's family, went to Xuanshi City to do trade, but they were treated unfairly. At that time, Jade Dojo was very arrogant. In the end, Mona felt that she reprimanded Jade on the spot... Yue Feng remembered this very clearly.

However, this person is the city owner of Xuanshi City and is not stationed in Xuanshi City. How did he come to Northern Ying Continent?

At this time, Yue Feng did not know that Jade had betrayed the Rakshasa clan.

When frowning secretly, Yue Feng also noticed that Jade and the people he brought were filled with an evil suffocating aura.

call!

Not only that, but everyone present was stunned.

This....how did these Rakshasa people come? This time, the Supreme Conference did not invite the Rakshasa clan.

Speaking of which, although the Kyushu Continent negotiated with the Rakshasa three years ago and the two sides began to live together peacefully, in the heart of the Kyushu Continent, the Rakshasa was still very repelled.

boom!

Finally, Zhang Jiao reacted, took a deep breath, and asked Jade coldly, "You Rakshasa people are so bold, you just broke into the Beiying Imperial City without receiving an invitation, are you trying to provoke a war? "

Rakshasa?

Hearing this, Jade chuckled lightly and said lightly: "This is Your Excellency Zhang Jiao. I heard that the Supreme Conference is being held here, so let's join in the fun. How can we break in?"

When he said this, Jade I really want to refute that I have left the Rakshasa clan, but then I think about it, if today's events can be blamed on the Rakshasa clan, it seems not bad.

The next second, Jed's eyes fell on Yue Feng, his eyes flashing with a hint of coldness: "Sect Master Yue, don't come here!"

Mad, this Yue Feng, was in Xuanshi City at the time, and he was scolded by Mona. Completely lost face, I met him today, and I must not let him go.

Jade's gaze made Yue Feng very unhappy: "Jade, what do you mean by bringing someone here?"

Mona acted cautiously and would never let the Rakshasa do this, there must be something strange.

"What do you think?" Jed's eyes flickered with a teasing expression on his face.

This Yue Feng, I'm afraid he still doesn't know that he has left the Rakshasa clan. And this time, he led his subordinates into the Beiying Palace because he was instructed by Hades.

Hearing the answer, Yue Feng frowned secretly.

"Yue Feng!"

At this moment, Zhang Jiao first looked at the Jade people, and finally his eyes fell on Yue Feng, and shouted angrily: "What are you trying to do with the Rakshasa clan?"

"What did you say?" Yue Feng was stunned.

"Stop pretending!" Zhang Jiao shouted with a face of righteousness, "Who in the world doesn't know that you have a close relationship with the Queen of the Rakshasa clan, if you hadn't tipped off the news, how would these people of the Rakshasa clan be? Maybe you came by such a coincidence?"

"Yue Feng, you are full of justice, but you are very ambitious, colluding with the Rakshasa to dominate the Kyushu, right? When you negotiated with the Rakshasa, it was agreed in the agreement that the Rakshasa would not be allowed to do it. Participate in anything in Kyushu, you are leading them to the palace now to deal with all of us, right?" At the

last sentence, Zhang Jiao had a just face, but his eyes flashed with cruelty.

In fact, Zhang Jiao could see that Jade's group had nothing to do with Yue Feng, but in order to completely ruin Yue Feng's reputation, he deliberately said this.

“Zhang Jiao, stop slandering me!” Yue Feng’s eyes were instantly red, and he couldn’t help shouting loudly.

Ma De, Zhang Jiao is too insidious, what time has he been thinking about slandering himself.

Zhang Jiao sneered silently!

Haha...

Just at this moment, Jed looked up to the sky and laughed, looking at Yue Feng with a half-smile but not a smile: “Sect Master Yue, since Zhang Jiao has seen it, let’s stop acting, don’t worry, we’ll catch it later. These people, I will speak well for you in front of the queen, and then, your benefits will be indispensable!”

Jed is not a fool, and it can be seen at a glance that Zhang Jiao is deliberately slandering Yue Feng.

Speaking of which, Yue Feng is also his own enemy, and it is natural to see Zhang Jiao deliberately slandering him.

Chapter 2799

“You...”

Seeing that Jade actually helped Zhang Jiao, Yue Feng was so frightened that he almost exploded with anger, but he didn’t know how to refute it.

“Wow!”

At this moment, the entire Promise Palace Square was in an uproar, and everyone was talking about it!

This Yue Feng actually colluded with the Rakshasa clan? Before that, she also blasphemed the Empress Chang’e, what a scum of the rivers and lakes!

“Yue Feng!”

At this moment, Su Li walked out quickly, pointed at Yue Feng and scolded: “You have really been thrown into the face of our Kyushu mainland, you have blasphemed Chang’e before, and you were beaten away by my master. He secretly colluded with the Rakshasa clan and came to destroy the Supreme Assembly. It is not a pity for a person like you to die a hundred times.”

“Kyushu Continent, there is such a scum!”

“Ma De, I was really blind before. It’s a shame that I respected him so much before!”

“Collaborating with the Rakshasa is simply too abhorrent, this kind of person, no need to talk nonsense, must get rid of it as soon as possible!”

At this moment, many people present pointed at Yue Feng, and they were full of righteous indignation!

Yue Feng ignored the scolding of these people, but stared at Jade, Mad, this Jade, and blatantly slandered himself, which was extremely hateful.

However, even if he is the city owner of Xuanshi City, there is still Mona on it. Without Mona’s advice, he has no courage at all.

Could it be...Mona is going to attack the Kyushu mainland?

No, although Mona has a cold and arrogant personality, she knows right from wrong and is not that kind of person.

For a time, Yue Feng frowned, unable to figure out what to do.

“Yue Feng!”

At this moment, Zhang Jiao took a deep breath and said coldly to Yue Feng: “Even if you call the Rakshasa clan, it won’t change the fact. Today, neither you nor your comrades will be able to leave!”

Said At this point , Zhang Jiao raised his hand and waved: “Take Yue Feng to me!”

Zhang Jiao had consumed a lot of internal energy after fighting with Yue Feng for so long just now. At this time, he just wanted to relax and regain some strength. Moreover, in Zhang Jiao’s eyes, he didn’t pay attention to people like Jed at all.

“Take down Yue Feng!”

At the same time, Su Li gave a coquettish cry, her delicate body flashed, and came directly towards Yue Feng, at the same time, a long sword appeared in her hand: “Such a wicked man People, there is no need to hesitate.”

Hu La!

At this moment, many people around responded and swarmed towards Yue Feng.

Seeing this scene, Long Qianyu and Ye Zhixin were so anxious that they wanted to rush over to help, but there were many enemies in front of them, so they couldn’t rush forward at all.

Bunch of fools.

Seeing Su Li and the others rushing up, Yue Feng was furious.

These Rakshasa people came uninvited, and there must be something strange, but these people believed that they colluded with the Rakshasa and led them here.

Um?

However, before rushing to Yue Feng, Su Li suddenly trembled, her brows furrowed, and she stood there all of a sudden, her delicate face extremely ugly.

Strange, I was fine just now, why is my body so soft now that I can't exert any strength?

Moreover, the internal force could not be released. It seemed that there was a strange force that suppressed Dantian. Obviously, he was poisoned!

Surprised, Su Li only felt that she couldn't even stand.

Not only that, but the expressions of many people around Su Li also changed. Like Su Li, they also felt that their internal strength was suppressed, which was very strange!

How could this be? I don't even know when I was poisoned.

Chapter 2800

Swish!

In the next second, the eyes of Su Li and many others focused on Jade. When they appeared, there was a strange black mist around them, which must be related to their poison.

"Why are you looking at me like this?" Jade said with a smile on his face.

"Despicable and shameless!" Su Li bit her lip and said ruthlessly: "If you know that you can't beat us, you secretly poison us. You Rakshasa people also say that we people from Kyushu are cunning, and you yourself are not much better."

"Haha... .."

Jed looked up to the sky and laughed, not at all angry: "Whatever you say, yes, the poison was given by me, so what can you do with me?"

When he said this, Jed was very proud. , The poison was specially given by Hades before departure, called 'Ghosts and Gods May Cry', no one in the Kyushu continent can solve it, and that's why Jed is so calm and calm.

Mad!

At this moment, Yue Feng also frowned secretly, and only felt a sense of numbness that kept coming. This feeling was very strange, and it was completely different from the poison he had suffered before.

What a powerful poison, where did Jed get it?

Thinking to himself, Yue Feng kept himself calm, and kept mobilizing his inner strength to resist the attack of the poison. At this time, Yue Feng was about to break through and reach the state of psychic power. Resisting this poison would not be a problem for the time being.

At the same time, Zhang Jiao not far away, like Yue Feng, was urging his inner strength to expel poison quietly.

“Jade!”

At this moment, Yue Feng took a deep breath and said coldly to Jade: “Hurry up and hand over the antidote. No matter what the purpose of bringing people here, before the situation deteriorates, I will advise you to turn around quickly.”

“Tsk tsk...”

With a sly face, Jed shook his head with a smile: “Sect Master Yue, Sect Master Yue, you gave me this poison, why did you ask me to hand over the antidote?”

“Also, our relationship has been exposed. , I advise you not to keep pretending.”

When he said this, Jed’s face was sly, since he had slandered Yue Feng, he locked it in the black to the end, anyway, since he broke away from the Rakshasa clan, he was not afraid of Mengna’s blaming.

Hearing this, Yue Feng was extremely shocked.

Ma De, this Jed is insidious and cunning, he is not defeated by Zhang Jiao at all, and all the poisoning can be blamed on himself.

Swish!

At this moment, everyone’s eyes were focused on Yue Feng.

“Yue Feng, are you really colluding with the Rakshasa clan?!” Ye Ziyi bit her lip, looked at Yue Feng complicatedly, and couldn’t help but said.

At the same time, Long Qianyu, Zheng Chunqiu and others also frowned at Yue Feng. They have also been mobilizing their internal strength and secretly expelling poison, but their strength is not enough, and they can't bear it at this moment.

call!

At this moment, Yue Feng was about to cry, but shook his head and said: "This person is obviously slandering me, don't believe me, I am upright and upright, how can I collude with the Rakshasa."

Hearing this, Ye Ziyi, Zheng Chunqiu, etc. People looked at each other and felt relieved. It's not like Yue Feng.

"No matter what the situation is, the most important thing now is to leave here first." Long Qianyu looked around, very determined, but after saying the last word, Long Qianyu's expression suddenly changed.

At this time, Long Qianyu clearly felt that he tried his best to stimulate his inner strength, but he still failed in the end. His dantian was invaded by the poison, and he couldn't exert any inner strength. At the same time, his whole body was soft.

At the same time, the expressions of Ye Ziyi and the others around them also changed, and their delicate bodies trembled.

"It's such a strong poison, I can't stop it!"

"Me too..."

Saying that, everyone slumped on the ground, completely losing their defenses.

For a while, in the audience, apart from Jed and others, the only ones who could stand there were Yue Feng and Zhang Jiao.

Like Yue Feng, Zhang Jiao has deep internal strength and can temporarily block the invasion of the poison, but even so, the situation is not optimistic.
