

## The ultimate husband in Chinese chapter 2801-2810

Chapter 2801

Hahaha...

Seeing this scene, Jed was full of pride and couldn't help shouting: "Come on, take Zhang Jiao down for me!"

After speaking, he didn't forget to point at Yue Feng He shouted: "Sect Master Yue, if you can catch this group of people today, I will give you a credit."

Jed saw that Yue Feng seemed to be fine, but in fact it wasn't much better, so just ignore him for the time being and wait for the whole thing. After catching Zhang Jiao and these people, deal with him properly.

Whoops!

At this moment, the people behind Jade burst out one after another, rushing towards Zhang Jiao and everyone.

Among them, the brothers Zang Shuiyue and Zang Huoyue walked towards Zhang Jiao at the same time without any hesitation.

In their hearts, Zhang Jiao, like Yue Feng, is not only powerful, but also cunning. As long as they catch him, they can control the situation.

Mad!

Seeing the Zang Shuiyue brothers flying over, Zhang Jiao sneered, with anger and arrogance flashing in his eyes: "Just the two of you want to deal with me?"

Om!

The voice fell, and a terrifying aura burst out from Zhang Jiao's body, and for a moment, the surrounding air seemed to be stagnant.

The breath of the gods, the suppressed people panic!

"Crack!"

With a crisp sound, the opening axe was tightly held in Zhang Jiao's hand. In an instant, the temperature of the surrounding air suddenly increased a lot!

This chapter is provided by . Visit for daily update.

Seeing this scene, many people below are inexplicably excited!

Zhang Jiao used the Heaven-Opening Axe, which will definitely turn the situation around!

Not only that, but the expressions of the Zang Shuiyue brothers also changed, and then Zang Shuiyue calmed down and shouted: "Second brother, use the Shuangjue Formation quickly!

", in mid-air, the front and back attacking force formed by Zhang Jiao.

Um? This... what kind of formation is this?

At this moment, Yue Feng, who was thinking about countermeasures below, was shocked when he saw the two figures of Zang Shuiyue.

He clearly saw that the Zang Shuiyue brothers, even though there were only two of them, were incomparably mysterious, and the Yin evil aura that permeated their bodies was stronger than before.

What shocked Yue Feng even more was that there was no record of such a formation in the white formation.

At this time, Yue Feng did not know that what the brothers Zang Shuiyue displayed was the 'Earth Demon Shuangjue Formation' taught by Hades, which was founded by Hades himself. For thousands of years, it has never appeared on the continent of Kyushu, let alone It was Yue Feng, even if Emperor Hou Yi was reborn and Yang Jian was present, there was no clue.

What?

Zhang Jiao was also terrified. The formation in front of him seemed to be performed by only two people, but it was extremely mysterious.

But under the shock, Zhang Jiao didn't panic at all. He kept waving the opening axe and tried to rush out, but was entangled by the brothers.

For a time, Zhang Jiao was temporarily restrained. However, with the opening axe, Zhang Jiao was still very brave, and the Zang Shuiyue brothers tried their best to suppress him.

Mad!

Seeing this scene, Jed's indifferent face suddenly became solemn.

“Zhang Jiao, you don’t have to struggle!” The next second, Jade roared, grabbed a ghost-headed knife, and rose into the sky, fighting Zhang Jiao with Brother Zang Shuiyue.

For a time, I saw four figures, constantly shuttled in mid-air, and a terrifying aura burst out continuously, causing the world to change color.

Huh..

Seeing this scene, everyone below was trembling.

Chapter 2802

Mad!

At this moment, Yue Feng was also staring at the battle in mid-air, with countless thoughts running through his mind.

It’s too strange for Jade’s group to come, and it’s unbelievable that their strength has grown so fast after not seeing each other for a while. No matter what the other party’s purpose is, if everyone present falls into their hands, it must be a near death, and they must stop it.

But... Zhang Jiao is not a good person, he has been killing himself before, how can he help him?

But if you don’t help, it will be too late when Jed has the situation.

Thinking of this, Yue Feng’s heart was in a mess, because he clearly felt that under the attack of the strong poison, the inner strength of his dantian showed signs of disorder and would soon be unable to withstand it.

Nima, why is this poison so powerful? You must know that you have a physique that is invulnerable to all poisons.

At this time, Yue Feng didn’t know that the ‘Ghosts May Cry’ that Jade used was not from the Kyushu continent at all, but from the ghost world.

Um?

However, at this moment, Yue Feng’s eyes suddenly fell on Chang’e at the entrance of Wuji Hall.

I saw that Chang’e stood there quietly, serene and charming, with no expression on her beautiful face, as if everything in front of her had nothing to do with her.

Moreover, Yue Feng clearly felt that everyone present was affected by the poison, but Chang'e had nothing to do with it.

what happened?

Chang'e wasn't poisoned?

Thinking to himself, Yue Feng couldn't help being curious and quickly approached Chang'e.

Yue Feng knew that Chang'e was controlled by Zhang Jiao, but as long as he could find a way to deal with the poison from Chang'e, he might be able to turn the situation around.

Yue Feng did not know that Chang'e was called a fairy in the world by the world. In addition to her impeccable appearance, her physique was also a 'cloud body and wind body', which was rare for thousands of years. Hard to affect her.

"Niangniang!"

Soon, Yue Feng turned to Chang'e and said, "Do you remember me?"

However, Chang'e didn't hear anything, didn't react at all, didn't even look at Yue Feng. After Zhang Jiao took control, Chang'e only obeyed Zhang Jiao's orders.

Seeing this scene, Yue Feng was extremely anxious.

Swish!

At this moment, Zhang Jiao, who was fighting fiercely in mid-air, saw this scene, his expression changed, and he shouted without hesitation, "Kill him!" The

voice fell, and Chang'e's eyes suddenly locked on Yue Feng.

"Kacha!" The

next second, accompanied by a crisp sound, a sword appeared in Chang'e's hand. This sword is full of brilliance, and the blade is three feet and one inch long, shining like a star and moon.

It was Chang'e's personal weapon, the Xingyue Sword!

As soon as this sword came out, the spiritual energy of heaven and earth in the entire secret room suddenly gathered!

What the hell! Star Moon Sword!

Feeling Chang'e's explosive breath and the power of the Xingyue Sword, Yue Feng was startled and extremely shocked.

laugh!

In the next second, Yue Feng didn't have time to think about it, and quickly summoned Fang Tianhua Ji, which was placed across his chest to block Chang'e's blow!

"clang!"

The Xingyue Sword and Fang Tianhuaji collided violently, making a loud noise, Yue Feng was shaken back several steps, and a mouthful of blood spurted out!

To be honest, although Yue Feng's strength has reached the late stage of the Tribulation Realm at this time, but Chang'e has been practicing in the Holy Sect for three years, and her strength is not what it used to be. In addition, Yue Feng has been affected by the highly poisonous, so naturally it is not Chang'e. opponent!

"Om!"

At this moment, Chang'e slowly raised her hand, and a strong fluctuation of internal force reverberated in the surrounding air.

"Xingyue reversal."

Chang'e's red lips opened slightly, and four cold words slowly came out of her mouth. His eyes flashed with murderous intent, without the slightest emotional fluctuation.

After being controlled, Chang'e has no ability to think for herself at all. At this time, she only knows that if the master wants to kill the person in front of him, he will do his best to complete the mission.

The reversal of the moon and stars is one of Chang'e's unique skills, and it is extremely powerful.

Chapter 2803

In an instant, the air suddenly split in front of her! One after another sharp blades like stars and moons appeared around her! Those sharp blades are all transformed from internal force, and they are extremely sharp.

"Death!" Chang'e shouted coldly.

Whoosh whoosh!

Countless sharp blades pierced through the air, as fast as lightning, and arrived in front of Yue Feng in the blink of an eye!

What the hell! How could Chang'e's unique skills be so powerful?

At this moment, Yue Feng panicked completely, and quickly activated his inner strength to form a protective film in front of him!

“Dangdangdang!” In the

next second, the sharp blade hit the protective film, making a metal crash sound. Immediately afterwards, Yue Feng, snorted, flew out backwards, and finally fell into the Promise Hall, smashed on a pillar, and landed heavily.

Although the sharp blade did not shatter the protective film, its power was too strong, and Yue Feng was already injured by the shock.

Whoosh!

Chang'e was expressionless, clenched the Xingyue Sword tightly, and chased after him directly.

Yue Feng struggled to stand up, wiped the blood from the corners of his mouth, tilted his head to see the throne of the Promise Hall, there was a secret door, and he rushed over without thinking.

To be honest, Yue Feng didn't want to run away in such an embarrassment, but he had no choice. He was affected by the poison and couldn't defeat Chang'e at all.

In the blink of an eye, Yue Feng rushed into the secret door.

Chang'e didn't hesitate, her delicate body flashed, and she followed closely behind.

I go!

Soon, after entering the secret door, Yue Feng was stunned when he saw the scene inside.

As you can see, this is a long secret passage that leads directly to the mountain behind the imperial city. Obviously, when the palace was built back then, it was a specially constructed escape route to prevent accidents.

call!

The next second, Yue Feng reacted, and seeing Chang'e chasing after him, he rushed towards the depths of the dark passage without thinking too much.

Pfft!

Before he ran a few steps, he saw a black shadow in front of him. Yue Feng didn't have time to react, he slammed into it all at once, and fell on his back to the sky.

"Oh, what the fuck."

The black figure was also hit hard, and sat on the ground, scolding: "Which one doesn't have eyes?" After saying that, he looked towards Yue Feng.

Yue Feng also raised his eyes and looked at him?

Um? Zhu Bajie?

At this moment, seeing the other's face, Yue Feng was both surprised and happy.

The person in front of him was none other than Zhu Bajie, but instead of his usual suave and suave appearance, he was dressed in rags and dirty, which was horrible to watch.

"Fuck!"

At this moment, Zhu Bajie was stunned for a while, then laughed loudly: "It turned out to be Brother Yue Feng!"

"Brother Zhu, why are you here?" Yue Feng asked curiously.

This...

Zhu Bajie scratched his head with an embarrassed look on his face: "Don't mention it, it's not that bastard Zhang Jiao..." After being caught by Zhang Jiao before, Zhu Bajie was imprisoned until the Supreme Assembly was held. At that time, Zhu Bajie was transferred to the prison of Beiyong Palace.

Half an hour ago, Zhu Bajie escaped quietly without anyone noticing. He had been imprisoned in the Beiyong Palace for thousands of years before, and he was familiar with the environment of the palace. He quickly found this secret passage. I met Yue Feng.

Shasha...

As he was talking, he heard footsteps behind him, and then a slender figure appeared in sight, it was Chang'e who was chasing after him.

"Huh? Chang'e..."

Seeing Chang'e, Zhu Bajie's body froze, and his eyes immediately straightened.

At this moment, Chang'e also saw Zhu Bajie, but without the slightest fluctuation on her face, she quickly locked on Yue Feng again!

It's over, Chang'e is chasing after him so quickly!

Chapter 2804

At this moment, Yue Feng was so anxious. Afterwards, he was ready to let Zhu Bajie be careful.

"Empress Chang'e!"

However, before Yue Feng could speak, Zhu Bajie stood up, walked two steps, and said to Chang'e with a smile, "Oh, I didn't expect that the empress is still so charming after so long."

When he said this, Zhu Bajie looked at Chang'e up and down with a fascinated look on his face!

To be honest, Zhu Bajie also noticed that something was wrong with Chang'e, but he was naturally lustful, and when he saw Chang'e's beautiful face, he couldn't help but tease!

What the hell!

Seeing this scene, Yue Feng was sweating profusely, and at the same time couldn't help laughing.

This Pig Bajie is really daring, what time is it, and he hasn't forgotten to flirt with Chang'e.

Swish!

However, at this moment, Chang'e's pretty face was cold, without any hesitation, she held the middle sword tightly and stabbed directly at Yue Feng.

Chang'e was very fast, and saw a flash of cold light, and the long sword was in front of Yue Feng's eyes in the blink of an eye.

What the hell!

Seeing this scene, Zhu Bajie was taken aback.

what's going on? Don't Yue Feng and Chang'e have a good relationship? Back then, Yue Feng helped Chang'e avoid Yang Jian's pursuit, and later escorted her to the Holy Sect. How could she be like an enemy at this time? What to do without saying anything?

Yue Feng's expression also changed.

Chi!

Even though Yue Feng responded quickly, the Xingyue Sword still cut a hole in his shoulder, and blood dripped in an instant.

"Brother Yue Feng, what's the matter?"

At this time, Zhu Bajie reacted and couldn't help shouting: "I heard before that you went to the Holy Sect to forcibly take Chang'e away, and you still had bad intentions for her. Is it true?" Bajie has been imprisoned by Zhang Jiao, but with his wisdom and wisdom, he still heard a lot of information from the guards in the cell.

At this time, Zhu Bajie thought that Yue Feng had blasphemed Chang'e, so Chang'e would attack him.

I....

Hearing this, Yue Feng's face turned red and embarrassed.

In the next second, Yue Feng said, dumbfounded, "Brother Zhu, do you also believe the gossip? That was Zhang Jiao deliberately slandering me..." While explaining, Yue Feng avoided Chang'e's attack.

However, this passage was too narrow to be moved at all. At the same time, Yue Feng felt that the poison that he had inhaled before was spreading faster and faster in his body, and he could no longer hold it.

In this case, Yue Feng's speed is getting slower and slower, especially in the face of Chang'e's attack, he is in a hurry.

Uh...

Zhu Bajie scratched his head and smiled embarrassedly: "I've thought about it too much, I know that my brother is not that kind of person. But why did Chang'e kill you?"

"She was controlled by Zhang Jiao! "Yue Feng responded quickly? !

What?

Hearing this, Zhu Bajie's heart was shocked, and he carefully observed Chang'e, and as expected, there was something wrong with Chang'e in front of him.

In shock, Zhu Bajie was about to step forward to stop him, but after being locked up for too long, his internal strength had not fully recovered, and Chang'e burst out with all his

strength, and the Xingyue Sword was extremely sharp, so Zhu Bajie couldn't get close at all.

How to do?

Seeing that Yue Feng was getting more and more embarrassed, and he was about to die under Chang'e's sword, Zhu Bajie couldn't be more anxious.

In the next second, Zhu Bajie suddenly had an idea, and shouted at Chang'e: "What is the situation in the four seas, who knows in Kyushu, throw away all the good and evil, and Sauvignon Blanc..."

Saying this At that time, Zhu Bajie raised his heart to his throat and kept an eye on Chang'e's expression changes.

Chapter 2805

At the same time, Zhu Bajie is also praying secretly in his heart, it must be useful...

shuh!

Hearing these words, Chang'e's delicate body trembled, and she stood there all of a sudden, with a bit of confusion on her beautiful face, and then she frowned, as if recalling something.

What the hell!

Seeing this scene, Yue Feng was stunned. what's going on? Why did Zhu Bajie recite a few lines of poetry and Chang'e didn't move?

At this time, Yue Feng did not know that the poems Zhu Bajie read were written by Emperor Houyi for Chang'e. He wrote a love poem for Chang'e. At that time, Zhu Bajie was also present.

Although Zhu Bajie is lustful, she has always been greedy for Chang'e's beauty, but she also knows that Chang'e has a deep love for Hou Yi, even if she is controlled by others, but as long as she recites the poems written by Hou Yi, it will definitely affect her inner emotions.

However, Chang'e was used by Zhang Jiao to capture the soul. Although her memories were aroused at this time, she was not completely awake.

A few seconds later, Chang'e's delicate body suddenly trembled, looking very painful.

"Quick!"

Seeing this scene, Zhu Bajie couldn't help shouting: "This is the time, Brother Yue Feng, stop him!"

Hearing this, Yue Feng was embarrassed: "How can I... Ah?" Chang'e was controlled by Zhang Jiao, and I don't know what method to use for the time being, what if the acupuncture point is closed and Chang'e's situation deteriorates?

Seeing that Chang'e was trembling more and more, Yue Feng didn't have time to think about it, and as soon as he gritted his teeth, he rushed over and hugged Chang'e in his arms.

hiss!

At that moment, Yue Feng only felt an aroma coming to his face, it was so fragrant!

"Who asked you to hug her?" Zhu Bajie stomped her feet in a hurry. This is the goddess in her dreams, but she was actually hugged by Yue Feng?

Yue Feng was very helpless: "I haven't figured out her situation yet. If I don't hold her, there is no other way."

"Let me see..."

Zhu Bajie murmured and walked over.

Um? !

When he got to the front, looking at Chang'e's face, Zhu Bajie frowned secretly: "I'm going, this seems to be controlled by someone, like a vicious method!"

Zhang Jiao's soul-snatching method has never been performed in front of the world before, so Zhu Bajie didn't understand the means at this time, but he could see that Chang'e was being controlled by someone.

"Is there a solution?" Yue Feng asked, holding Chang'e in his arms, sweating profusely.

Um?

As soon as he finished speaking, Yue Feng sensed a murderous aura coming from his arms and turned his head to meet Chang E's shameful and angry gaze.

"Niangniang, are you awake?" Yue Feng was very happy, and at the same time he spoke, he let go of his hand.

Snapped!

As soon as she finished speaking, Chang'e raised her jade hand and slapped Yue Feng in the face.

"Yue Feng, you...you are so bold!" Chang'e's beautiful face was extremely red, and she couldn't help but let out a coquettish cry. At the same time, he did not forget to glance at Zhu Bajie, very puzzled.

The dignified fairy in the world was actually held in his arms by Yue Feng.

And... why is Zhu Bajie here?

Yes, at this time, Chang'e woke up, but she didn't know anything about what happened before. Chang'e only knew that after she was taken away by the fake Yue Feng, she met Zhang Jiao, and she didn't know anything after that.

Yue Feng covered his face and wanted to cry without tears.

Nima, what kind of thing is this? I was forced to hug Chang'e, but I was slapped.

Thinking of this, Yue Feng smiled bitterly and said, "Niang Niang, you are being controlled by Zhang Jiao. You were going to hunt me down just now. If I didn't hold you, I would have been stabbed to death by you."

After speaking, Yue Feng couldn't help but said: "What did Zhang Jiao do to you?"

## **The ultimate husband in Chinese chapter 2806-2810**

### Chapter 2806

When he said this, Yue Feng looked urgent.

As long as you know what means Zhang Jiao has used by Chang'e, there is a way to solve it.

At the same time, Zhu Bajie also looked closely at Chang'e, waiting for her answer.

Zhang angle?

Hearing this name, Chang'e frowned, her mind suddenly chaotic.

Chang'e and Zhang Jiao were in a master-servant relationship after being cast on the Soul Deprivation Technique. In this case, when she suddenly heard Zhang Jiao's name, Chang'e had a hard time calming down.

Um!

Soon, Chang'e let out a soft moan of pain, her delicate body trembled again, and her eyes became cold and hollow again.

Nima!

Seeing this scene, Yue Feng was startled, and at the same time was furious.

What method did Zhang Jiao use? Is it too evil to even mention his name in front of Chang'e? ! As soon as I mention Zhang Jiao's name, I will lose my mind again....

Pop!

At this moment, Zhu Bajie also frowned secretly, then rushed over and raised his hand to seal Chang'e's acupuncture points. Seeing Chang'e's delicate body trembling, her eyes were tightly closed, and she fainted directly.

"Brother Zhu!" Yue Feng was stunned for a moment, and couldn't help but say, "You need to tap her acupuncture point, you are not afraid..."

Before he could finish speaking, Zhu Bajie interrupted.

This chapter is provided by . Visit for daily update.

"Brother Yue Feng, her mind has been controlled, and acupuncture can't affect her life." Zhu Bajie gave Chang'e a deep look and said solemnly: "If you want Chang'e to be completely fine, you can only go to Shennong."

Shennong?

Hearing this, Yue Feng smiled bitterly.

Three years ago, after the war between Kyushu and the Rakshasa ended, Shennong and Zhu Rong left the Ouyang family and found a place to hide from the world. No one knew where they were.

Thinking to himself, Yue Feng couldn't help but say: "Who knows where Senior Shennong is now?"

"Buzhou Mountain!" Zhu Bajie said without thinking: "Although the place where Shennong lived in seclusion was destroyed by Yang Jian, I believe that if he wants to escape from the world and return to seclusion, he will still return to Buzhou Mountain."

Hearing this, Yue Feng nodded secretly, then thought of something, and said bitterly: "It's just that Buzhou Mountain is too big, I'm afraid that it will be very difficult for a while. It's hard to find senior Shennong."

” After speaking, Yue Feng said to Zhu Bajie: “Brother Zhu, why don’t you take Chang’e to find Shennong, I can’t leave for the time being!” After saying the last sentence, Yue Feng couldn’t help but watch A glance at the direction.

I don’t know what’s going on in the Promise Hall.

Although Zhang Jiao was not worthy of sympathy, Long Qianyu, Ye Ziyi and the others were also trapped, and couldn’t just watch them fall into Jed’s hands.

“Okay!”

Seeing Yue Feng’s serious face, Zhu Bajie nodded.

At this time, Zhu Bajie still didn’t know what happened, but he knew Yue Feng, and Yue Feng wanted to stay, naturally he had his reasons.

The next second, Zhu Bajie didn’t talk nonsense, picked up Chang’e and walked towards the end of the passage.

call!

Watching Zhu Bajie walk away, Yue Feng took a deep breath, sat cross-legged on the ground, and began to expel the poison from his body.

.....

At this moment, the Promise Hall is here!

The fierce battle continued. In mid-air, Jed and Zang Shuiyue brothers, as well as several hundred subordinates, tightly surrounded Zhang Jiao, and the burst of breath distorted the sky.

At this time, Zhang Jiao’s face showed a hint of weakness, but his expression was still proud.

“Roar!”

Under the constant urging of Zhang Jiao, the sound of dragon roars erupted from the opening axe, and the golden light ripped apart the world, with astonishing power!

However, to Zhang Jiao’s astonishment, many of Jed’s subordinates were wounded by the opening axe, but not a drop of blood came out, which was very strange.

Zhang Jiao didn’t know yet that Jade and the others, after allegiance to Hades, were no longer human.

hum!

## Chapter 2807

At this moment, Jed raised his hand, cooperated with Zang Shuiyue and others, condensed a terrifying force, formed a black wind tornado, and rolled towards Zhang Jiao!

At this time, Zhang Jiao is already at the end of his force.

“Boom!...”

A huge earthquake came, Zhang Jiao groaned, and his figure was shaken back more than 100 meters in mid-air, his face extremely pale.

Haha...

Seeing this scene, Jed looked up to the sky and laughed, very proud, and then took out a green talisman paper from his body and threw it directly at Zhang Jiao!

Chi Chi!

The moment the talisman paper flew out, it turned into a green flame, burning a mark on Zhang Jiao's back!

Zhang Jiao couldn't help taking a breath of cold air. His anger was completely aroused.

“Buzz!”

These axes almost completely drained Zhang Jiao's internal strength, and the power is also very amazing. The expressions of Jed and everyone changed, and they all avoided!

Taking advantage of this opportunity, Zhang Jiao didn't hesitate at all, and with a flash, he rushed out of the palace and fled into the distance. In a blink of an eye, he had disappeared from everyone's sight.

Zhang Jue is not stupid, he knows that if he continues to fight, there is only one dead end. The most important thing is to save your life.

Made!

Seeing Zhang Jiao fleeing, Jade's face was extremely gloomy.

“Let's chase together!”

At this moment, Zang Shuiyue roared and was about to catch up, but was stopped by Jed.

“No need to chase, I stamped the blood spirit seal on him just now, no matter how far he escapes, it’s useless!” Jade said coldly, with a sinister smile, full of confidence.

The next second, Jed looked around at everyone: “Quick, tie all these people to me!”

Hula!

The voice fell, and the surrounding subordinates rushed up, tying everyone present.

At this time, Jed looked around, and suddenly realized that there is not much, Mad, why can’t you see Yue Feng and Chang’e?

“Search! Search carefully for me!” Jade yelled in anger. Compared with Zhang Jiao, Yue Feng was a bigger threat, and Chang’e was missing with him, which was no small matter at this time.

“Yes!” The

voice fell, and the surrounding subordinates responded one after another, and then carefully searched the entire palace.

However, after searching around, he didn’t see the shadows of Yue Feng and Chang’e, which made Jade very annoyed.

Seeing that time was running out, and he had to go back to the Hades, Jed waved his hand: “Take these people away first!” After speaking, he led his subordinates and drove out Long Qianyu and all the people from the major sects. The palace!

...

the other side! Rakshasa clan residence!

In the main hall, Mona sat on the throne with clear eyebrows!

Below, the twelve gods, as well as many warriors, were silent.

A day ago, because Jed and his subordinates betrayed the Rakshasa clan, Mona sent someone to report to the Kyushu mainland. There is no news yet, which makes Mona very restless.

“Queen...”

At this moment, a warrior walked in quickly from the door, with a complicated expression, and said to Mona: "There is a Kyushu woman who asks for an interview, claiming to be Yue Feng's little sister!"

"Come in!" Mona's eyes flashed and she said quickly.

The voice fell, the warrior hurried out, and soon came in with a slender figure, it was Meihui!

A few days ago, Meihui and Yue Feng went to Shengzong together. At that time, Yue Feng asked her to wait at the foot of the mountain. As a result, Meihui waited for a long time, but Yue Feng did not come down to find her. Instead, there was a fight from the Shengzong Mountain Gate. Then the entire Shengzong Mountain Gate was put under martial law.

Meihui's strength was limited, so she couldn't force her way in, so she had to inquire about the news secretly, only to hear that Yue Feng stole Chang'e and went to make trouble at the Beiyang Palace.

Although Meihui is Yue Feng's righteous sister, she knows Yue Feng very well and knows that he is not such a person.

However, Yue Feng disappeared, and Mei Hui could not find him for the time being, and the entire Kyushu continent was condemning Yue Feng and Tianmen. In desperation, Mei Hui had to come to the Rakshasa for help.

## Chapter 2808

"It turned out to be Miss Ouyang."

Seeing Meihui, Mona smiled lightly: "Why did you suddenly come to my Rakshasa?"

"Your Majesty!" Meihui bit her lip, very anxious: "I... .. My eldest brother was framed, and I asked the Queen to help!" After speaking, he explained in detail what happened in the past few days.

What?

Knowing the situation, Mona's body was shocked, she couldn't help standing up, her beautiful face was very shocked: "Zhang Jiao wants to dominate Kyushu, but also frame Yue Feng?"

Mei Hui nodded, thinking of what Zhang Jiao did So much resentment.

call!

Mona pondered for a moment, then looked around: "Warriors, our Rakshasa clan has made a lot of contributions, and now he is in trouble, we can't just ignore it, pass my order, send troops immediately, help Kyushu Continent annihilates the Heavenless Organization!" Hearing

this

, everyone in the hall looked at each other in dismay.

The next second, a magician came out and couldn't help saying: "Queen, Yue Feng was framed by Zhang Jiao, and it is also a matter of the Kyushu Continent. Let's intervene, I'm afraid it can't make sense. Besides, we just fought against Jade before. Have n't recovered yet!"

Huh?

Mona's eyes froze, and she stared at him: "What? You dare to resist the decree?" After saying that, Mona took a deep breath and said coldly: "I don't understand what you said? But don't forget, Yue Feng is our Rakshasa friend, helping him is helping us, and Zhang Jiao is very ambitious, once he controls the situation in Kyushu, the next step will be to deal with us."

As the queen of Rakshasa, Mona It has become more and more mature in recent years.

However, she didn't know that Zhang Jiao at this time had become a lost dog and was driven away by Jade from the Beiyong Palace.

"Yes..."

Hearing this, the goddess was dripping with cold sweat, and hurriedly said: "I will call all the warriors right away!" The voice fell, and he walked out quickly.

.....

the other side!

In the Beiyong Palace, in the underground passage, Yue Feng sat cross-legged, quietly cultivating and recovering.

This passage is very hidden, and it is difficult for ordinary people to find it. Even Jed's subordinates have thoroughly searched the palace and found nothing. No one bothered, Yue Feng recovered quickly!

call!

I don't know how long it took, Yue Feng slowly opened his eyes.

At this time, Yue Feng felt that the poison in his body had been completely expelled. Not only that, but his internal strength was also fully recovered.

Made!

However, Yue Feng was not excited at all, but rather held back his fire!

That Jade, what kind of poison is he using? It's too domineering. His physique, which is invulnerable to all poisons, has been attacked. No, you have to go up and check the situation!

Thinking to myself, Yue Feng followed the passage and returned the same way!

Made!

Soon, returning to the Promise Hall, seeing the scene in front of him, Yue Feng frowned, very annoyed!

I saw that on the square outside the Promise Hall, there was blood everywhere on the ground, and it was almost a mess, but there was no one left!

Obviously, the battle is over, Jade and the others have left, and they have taken Long Qianyu and the major sects with them!

call!

At this moment, Yue Feng took a deep breath and frowned.

That Jade, who caught the people from the sects of the continent of Kyushu, what is he going to do? Could it be that the Rakshasa clan still wants to conquer the Kyushu continent?

Whoosh!

Just when Yue Feng was frowning and thinking, suddenly, a murderous aura erupted from behind the pillar, and then, a figure came towards Yue Feng quickly.

Anyone else?

Yue Feng reacted quickly and looked back, suddenly stunned.

Chapter 2809

It turned out to be Zhang Jiao's apprentice Su Li.

Seeing Su Li, Yue Feng frowned immediately. This woman, because she was Zhang Jiao's apprentice, was arrogant and domineering, and did all kinds of evil, and she didn't have any good feelings for her at all.

However, Yue Feng could clearly feel that at this time, Su Li's breath was very weak, and she was obviously injured in the previous battle.

With Su Li's palm in front of her, she was about to hit Yue Feng, but Yue Feng dodged with a light flash.

Swish!

When the raid failed, Su Li's face flushed, and she glared at Yue Feng: "Yue Feng, you colluded with the Rakshasa tribe, how dare you come back?"

After being poisoned before, Su Li saw that the situation was not good, so she quietly hid until her body. After the poisonousness of the man was relieved, he came out to check the situation, but he didn't expect to meet Yue Feng.

In Su Li's eyes, it was believed that Yue Feng had colluded with the Rakshasa tribe.

Nima.

Yue Feng suddenly became angry, and said angrily: "I repeat, I didn't collude with the Rakshasa clan, and I'm not in the mood to talk nonsense with you now. You'd better not mess with me!"

Seriously, Yue Feng really wanted to kill Su Li, but the most important thing right now is to find out the truth.

The last word fell, Yue Feng didn't even look at Su Li, and walked straight out of the square!

"You..."

Su Li's heart trembled as she felt Yue Feng's momentum, then she reacted and quickly chased after him.

"What are you doing with me?" Yue Feng stopped and said coldly!

Su Li took a deep breath: "I want to see where those Rakshasa people have taken them. You said you have nothing to do with them, why? Are you afraid I'll check?"

Hearing this, Yue Feng pondered and said coldly: "Okay, you can check it with me, but let's talk about the ugly first. When you encounter a situation, just look at me and act!"

When he said this, Yue Feng was very heartbroken. is complicated.

Speaking of which, Yue Feng was very conflicted with a woman like Su Li, but it was too strange for Jade and his group to appear. For the sake of the overall situation, Yue Feng could only temporarily give up his personal grievances.

“Why should I listen to you?” Su Li suddenly called out.

This person is Master’s number one enemy. If you follow his instructions, how will you meet Master in the future?

“If you don’t want to, you can check yours, and I’ll check mine.” Yue Feng said lightly.

“Okay!”

Su Li was annoyed when she heard this, but she nodded and agreed. At this time, the poison in her body had not been completely eliminated, and her strength was greatly reduced. It was too dangerous to investigate alone.

Seeing her promise, Yue Feng frowned and sneered: “Don’t think I don’t know what you think, if you want to take advantage of me, get rid of your thoughts as soon as possible!”  
With

that, Yue Feng walked out of the palace!

This Yue Feng is too arrogant!

Su Li was so angry, but she still hurry up to keep up!

After leaving the palace, I saw that the street outside the imperial city was still empty. Obviously, the fierce battle in the palace caused the people to panic and hide.

However, Yue Feng noticed that there were some bloodstains left on the street, and the bloodstains extended all the way, out of the north gate, towards the mountain north of the imperial city.

Upon discovering this, Yue Feng did not hesitate, and went all the way to the north.

After nearly two hours of chasing, Su Li and Yue Feng came to a barren mountain. The two stopped and looked down the mountain.

Along the way, Su Li followed closely, and she was also inexplicably shocked.

When did these Rakshasa people become so powerful that they not only forced the master to flee, but also arrested the sect of the Kyushu continent.

call!

After chasing for a few hours, Yue Feng suddenly slowed down, his expression extremely solemn.

I saw that in the woods ahead, people from the major sects in Kyushu were tied up by five flowers, and they were led by Jade's subordinates. Jade was walking in the front, holding a strange thing in his hand. Research while observing the surrounding terrain.

What is he looking for?

Seeing this scene, Yue Feng frowned and couldn't help muttering in his heart!

Chapter 2810

Wrong!

Seeing this scene, Yue Feng frowned secretly.

Jed captured the sect of the Kyushu continent, he should return to the Rakshasa clan, and the Rakshasa clan is stationed in the southwest, how did he come to this place?

Seeing the surrounding environment, Yue Feng was even more surprised.

I saw that at the end of the woods, there was a primitive valley. The three sides of the valley were ten thousand zhang high cliffs. Moreover, the valley city was very low, and the deepest part was shrouded in fog.

At this moment, seeing the fog, Yue Feng suddenly felt a sense of déjà vu.

A month ago, Yue Feng was ambushed by Zhang Jiao. At a critical moment, he was brought back to Shenlong Island by the strong of the Shenlong clan. At that time, Xiandi wanted to kill him and ordered Yue Feng to be taken to a deep cave that was blessed with an enchantment. .

Yue Feng clearly remembered that the deep cave gave him a shuddering feeling at that time, and the deep aura in the valley in front of him seemed to be the same as the deep cave on Shenlong Island.

At this time, Yue Feng didn't know that Jade was no longer a Rakshasa clan. At this time, he brought everyone from the Kyushu sect to this valley to enter the soul-guiding road.

On the continent of Kyushu, there is more than one path to guide the soul. There is an entrance in the valley in front of you.

“Yue Feng...”

Just when Yue Feng was thinking about it, suddenly Su Li couldn't help but said, “These Rakshasa people are really abominable, why don't you hurry up and save people?”

Su Li said this. His face was anxious, and at the same time, he was a little bit charming. In her eyes, it was a matter of course for Yue Feng to show up to save people. After all, he was the Sect Master of Tianmen.

save people?

Yue Feng chuckled and couldn't help but retort: “The other party has a lot of people, how can I save it by myself?”

Hearing this, Su Li blushed and retorted: “I think you don't want to save, Yue Feng, you said that you have nothing to do with these Rakshasa clan, but now that we have caught up with them, you are timid, It's really suspicious!”

“I think you're with them, right?” At this moment,

Nima

, Yue Feng suddenly became angry, and said coldly: “Don't come with me like this, if you want to save people, you go Help, don't think that I don't know what you are thinking, your master Zhang Jiao finally set up such a big game and made a supreme assembly, which seemed to be a success, but was destroyed by these Rakshasa people, and now, you guys The Wutian Organization has also arrested a lot of people, but you are not angry, so you put the blame on me?”

Said, Yue Feng's mouth twitched, and he couldn't hide his mockery: “You Wutian Organization are deliberately trying to blackmail me, and the result is In the end, the bamboo basket was empty, which is called the sky has eyes!”

“You...”

Hearing this, Su Li blushed and stomped her feet angrily, but she was speechless, and then she accidentally A branch was broken.

Swish!

The movement suddenly attracted everyone from Jade, and they all looked over and howled angrily.

“Who?”

“Who's there?”

shouting, Jed waved his hand, and suddenly hundreds of his men swarmed.

Nima!

Seeing this scene, Yue Feng was shocked and angry, and at the same time glared at Su Li speechlessly. He didn't reveal his whereabouts at first, but she was unreasonably vexed and exposed.

I knew I wouldn't take her with me.

Su Li also trembled, very panicked.

Swish!

At this time, Jed strode over, his eyes locked on Yue Feng for a moment, he was stunned for a moment, and then laughed.

"Haha..."

At this time, Jade, inexplicably excited, shouted at Yue Feng: "Yue Feng, I was thinking about how to catch you, but I didn't expect that you came to the door on your own initiative, this time Where do I see you running?"

Om!
