

## The ultimate husband in Chinese chapter 2811-2815

Chapter 2811 When the

voice fell, Jed's inner strength erupted, and a sinister aura filled his body, rushing directly towards Yue Feng.

"Want to catch me? It depends on whether you have the ability!" Looking at Jade rushing in, Yue Feng frowned and responded coldly.

The voice fell, Fang Tianhuaji summoned out, and held it tightly in his hand, and then Yue Feng flashed and directly attacked!

But at this moment, Yue Feng was also secretly surprised.

Madd, what kind of exercise is this Jade practicing, and why does he feel so evil? Moreover, it doesn't look like the exercises of the Rakshasa clan at all.

Three years ago, a war broke out between the Kyushu mainland and the Rakshasa tribe. Yue Feng, as the commander, knew the exercises of the Rakshasa tribe very well.

But Yue Feng clearly felt that the inner strength of Jade in front of him was very different from the exercises of the Rakshasa clan. It was not only evil, but also very powerful.

"Bang!" In the

next second, Jed pulled out the ghost-headed knife and slashed it on Fang Tianhua halberd. In an instant, a huge earthquake sounded, and at the same time, a strong breath was also directed towards the surroundings. diffuse.

Yue Feng's face was dignified, and his body was shaken back ten steps.

On the other side, Jade also staggered back, retreating dozens of meters before he stopped.

shit.

Yue Feng was secretly surprised, this guy is so strong!

"Haha..."

Jed said proudly with a smug face on his face: "The famous Tianmen Sect Master in Kyushu is nothing more than that, Yue Feng, you dare to follow him alone, you really don't know whether to live or die."

This chapter is provided by . Visit for daily update.

“Zhang Jiao With the opening axe, I was beaten away by me, how much do you think you are stronger than him?”

“Obviously, let’s capture it!”

When he said this, Jed’s face was full of madness, and the power that Hades bestowed on him was really powerful.

What?

Hearing this, Yue Feng was secretly shocked. No wonder he didn’t see Zhang Jiao’s figure. He escaped. I have to say that this Jed’s strength is really too strong.

Just... where did his power come from?

“Yue Feng, it’s over!”

Just when Yue Feng was thinking about it, he saw Jade sneer and raise his hands slowly. In an instant, the dark sky turned completely dark, and the whole valley seemed to be surrounded by endless Chaos shrouded.

All this happened so fast, Yue Feng only felt that he couldn’t see his fingers, and he couldn’t see anything in an instant.

Whoosh!

At this moment, Jade’s figure suddenly appeared behind Yue Feng, with a white rope in his hand.

Yue Feng clearly felt that the white rope contained endless yin energy, which made hair stand upright.

In the next second, when he saw the material of the bones, Yue Feng was even more shocked, and he fell down in cold sweat!

What the hell!

I saw that these white ropes were all made of human vertebrae, and were engraved with cumbersome runes, which were extremely sinister.

Whoops!

At this moment, before Yue Feng could react, Jed threw the long lock and tied Yue Feng directly. In an instant, Yue Feng only felt that a thorough yin qi was coming, and his internal strength was suppressed, and he couldn’t move at all.

This...this...what is this?

Yue Feng was extremely frightened and wanted to struggle, but he didn't expect that the long white bone lock was very tough. The more he struggled, the tighter the lock became.

"Haha..."

Jed looked smug, looking at Yue Feng with a half-smile, "No need to struggle, this is called a sleepy cord, it's not something from the Kyushu continent at all, even if you have the ability to penetrate the sky, you can break free. No!"

Chapter 2812

Sleepy Lingsuo? What an evil name!

Hearing this, Yue Feng's expression changed.

And it's not something from the Kyushu mainland? Could it be that...Jede's exercises, like this sleepy Lingsuo, don't belong to the Kyushu Continent?

At this moment, Jed pulled out a dagger, walked over slowly, and sneered as he walked: "You are the sect master of Tianmen, you are powerful, and you are more cunning than others. In order to avoid you playing tricks, I have to first Your hamstring is broken, I'm sorry!" After the

last sentence fell, Jade came to Yue Feng, waved his dagger, and stabbed at Yue Feng's feet.

Nima!

At this moment, Yue Feng was so anxious that he wanted to dodge, but his body was tightly bound by the spirit cord, and he couldn't move at all.

Not only that, but Yue Feng clearly felt that the suffocating energy from the sleepy Lingsuo seemed to have affected his mind, and he was dizzy and could faint at any time.

After all, I am also a hero of Kyushu, so I am planted in the hands of people like Jed?

Yue Feng was very unwilling, and at the same time a little desperate.

Roar!

Seeing that the dagger was about to sever Yue Feng's hamstrings, suddenly, a dragon roar was heard, coming from Yue Feng's waist, followed by a breath of divine beast.

Yes, it is Xiao Xi who has been resting in the spirit beast sac. Of course, Xiao Xi took the dragon ball and is now in dragon form.

Clap la la...

The dragon roar came out, and the beasts in the entire valley panicked one by one, and finally fell to the ground, not daring to move.

Not only that, Jade's subordinates, as well as the people from the major sects, were also startled, inexplicably shocked.

This... this cry, what kind of divine beast?

hum!

It was at this moment that the air in front of Yue Feng suddenly distorted, and then accompanied by a shock, a figure two meters long appeared in front of everyone.

It is a dragon, although it is only a young dragon, but the momentum of the world-defying world still makes everyone present feel a strong pressure.

"Roar!"

At this moment, without any hesitation, Xiao Xi let out a wild roar, waved his dragon claws, and burst out two powerful thunder and lightning powers, heading straight for Jed!

Because of the relationship between Yue Feng and Xiaolong, there is a special induction between Yue Feng and Xiaolong. In addition, Xiaolong's soul is Xiaoxi, so when she realizes that Yuefeng is in trouble, Xiaoxi does not need to summon, and rushes directly from the spirit beast bag. came out.

In Xiao Xi's eyes, Yue Feng is his only relative in this world, and he will never allow anyone to hurt him.

I go!

Seeing the thunder and lightning erupted from Xiaoxi, Yue Feng couldn't help opening his mouth, excited and shocked.

As expected of a dragon, or a young dragon can display the power of lightning, if it is an adult, wouldn't the strength be even more terrifying?

This...

At the same time, Jade's face changed drastically. He never thought that there was still a dragon hidden in Yue Feng.

Seeing that the two lightning bolts were about to hit him, Jed didn't have time to think, he quickly activated his inner strength, and saw a black mist permeating out, instantly forming a black protective film in front of Jed.

Chill!

In an instant, lightning struck the protective film, and a crackling sound was heard, the protective film shattered instantly, and Jade groaned, and was knocked back a dozen steps!

Soon, Jed steadied his footsteps, and saw black marks cut out on his body, which did not cause much damage.

What?

Seeing this scene, both Yue Feng and Xiao Xi were stunned and shocked.

This Jade, the defense is so strong?

"Hahaha!"

Looking at Yue Feng's expression, Jed looked up to the sky and laughed, with an extremely arrogant expression: "Do you think you can reverse the situation if you have a dragon? Let me tell you, in this world, people who can hurt me are still Before I was born, from today, I will be the ruler of the entire Kyushu, and you will be the first stepping stone on my road to success!"

Chapter 2813

Laughing, Jed's whole body filled with black air again, and then rushed towards Yue Feng quickly.

"Roar!"

At this moment, Xiao Xi let out a loud roar, her eyes were extremely blood red, and she was also angry, lightning flashed all over her body, she went up to meet her, and she waved her dragon claws and patted Jed directly.

"Haha!"

Seeing Xiao Xi rushing up, Jed's face was full of disdain: "A dragon who is not yet underage dares to be presumptuous in front of me?" Take you down first, and then deal with Yue Feng!

“Bang Bang!”

For a time, Xiao Xi and Jade fought continuously in mid-air, the surrounding world changed color, and thunderclouds rolled.

It has to be said that Jed has obtained the power of Hades, and his strength is very powerful. Ten minutes later, Xiao Xi could not suppress it at all. On the contrary, under the invasion of the evil spirit around Jed, the speed is getting slower and slower. .

“Xiaolong, be careful!”

Seeing this scene, Yue Feng was so anxious that he couldn't help shouting.

Until now, Yue Feng did not know that the soul of the young dragon in front of him was Xiao Xi. In his heart, Xiao Xi was already dead!

Even if he didn't know it, Yue Feng was very moved when he saw that this young dragon was desperately protecting him at a critical moment.

It's just that the evil spirit on Jed's body is so powerful, how could Xiaolong be an opponent?

Anxious, Yue Feng looked around and saw that Su Li, who had come with him, was hiding behind a large rock in the distance, her eyes flashing, and she had no intention of coming up to help.

Nima!

At this moment, Yue Feng's temperament is not good. This woman is indeed Zhang Jiao's apprentice. She is cunning and treacherous, and she can't count on it at the critical moment.

At this time, after seeing the young dragon in front of him for a long time, Jed was also a little anxious.

“Come on, pick out Yue Feng's hamstrings for me, and bring them into the soul-inducing road!” Jed yelled angrily.

Whoops!

The voice fell, and the surrounding subordinates rushed towards Yue Feng.

At this moment, both Yue Feng and Xiao Xi were in a hurry!

“Om!”

However, at this moment, a ray of light came from a distance, and when it came to the front, it turned into a charming figure and stood in front of Yue Feng.

puff puff!

In the next second, those who rushed up felt a strange force coming towards their faces, and before they could react, they were shaken out one by one.

The visitor was a woman in her mid-twenties, wearing a long lavender dress, with a graceful and charming figure, beautiful facial features, flying skirts, and a fairy spirit permeated her body.

hiss!

At this moment, everyone present was stunned.

This... who is this woman?

Yue Feng was also stunned, staring blankly at the woman in front of him, unable to speak for a long time.

Yue Feng can clearly see that this woman has a beautiful face, even if she is standing with Chang'e, she is not inferior. More importantly, she has a special temperament that does not eat human fireworks. This fairy temperament is more than Chang'e. Be pure.

"You!" Finally, Jed

reacted and locked the purple-clothed beauty coldly: "Who are you? Dare to interfere in my affairs, are you not afraid of death?"

.

Jed clearly felt that there was a strange power in this woman, and this power seemed to restrain his own evil power.

At this moment, when Jed stopped, Xiao Xi rushed over and tried to bite off the sleepy cord on Yue Feng's body, but the sleepy cord was very tough and kept biting at all.

"A little scoundrel under Hades, doesn't deserve to know my name!" The purple-clothed woman spoke lightly, her voice soft and cold, but unquestionable.

Chapter 2814

Swish!

Hearing this, Jed's face flushed and he was very annoyed, but he was shocked by the momentum on Zi Yan's body, and he didn't know how to deal with it for a while.

Hades?

Hearing the conversation, Yue Feng was startled and looked at Jade closely.

This... This kid is from Hades?

Wait, what kind of existence is Hades?

While murmuring in his heart, Yue Feng still smiled at Zi Yan and said, "Thank you for begging, and dare to ask the girl's name."

"Just call me Zi Yan!" Zi Yan responded lightly, not looking at Yue Feng at all, but staring closely. with Jed.

Zi Yan? Good name!

Yue Feng sighed in admiration secretly, and wanted to speak, but seeing Zi Yan's indifference, he held back.

At this time, Jed took a deep breath, looked at Zi Yan's eyes, showing a bit of dread: "Since you know that I am a subordinate of Hades, don't meddle in your business!!"

"Go away!" Zi Yan responded coldly !

At this moment, Jed was completely furious. Mad, he was not even afraid of Zhang Jiao and Yue Feng. If he was timid in front of a woman, how could he stand in Kyushu in the future?

More importantly, I have been ordered by Hades to bring all the powerhouses of these sects in Kyushu into the underworld. I have succeeded more than half of the time, and I must not give up. Otherwise, how to deal with Hades?

Thinking to himself, Jed gritted his teeth and roared: "I don't know how to praise, since you are looking for death, then I will fulfill you, but I want to see, what skills do you have!"

Om!

When the voice fell, Jed's inner force exploded, rushing directly towards Zi Yan.

At this moment, feeling the evil spirit of Jade Zhou Sheng, Zi Yan did not panic at all.

call!

Seeing this scene, whether it was Yue Feng or the other men present, all eyes were straight.

This Zi Yan, both in appearance and temperament, is not inferior to Chang'e. At this time, she is fighting fiercely with Jade in mid-air, and her sexy and charming figure is completely exposed, which makes people intoxicated.

While admiring, Yue Feng also muttered secretly.

Who is this Ziyan? Not only is the figure agile and elegant, but the power he exerts is also very strange. It is the first time that he has seen him for so many years after his debut.

In the blink of an eye, a few minutes passed, and I saw that Jade was suppressed by Zi Yan, and he only had the power to parry, and there was no chance to fight back.

Yue Feng looked inexplicably excited.

As long as Jade is subdued, the captured sects will be saved one by one.

“Ah...”

But at this moment, Jie De Yangtian roared, his eyes became scarlet, and he stared at Zi Yan: “The strength is very strong, but it seems that it is not enough to win me!” When the

voice fell, Jed took out a pill from his body and swallowed it directly!

Gudong!

The moment he swallowed the elixir, he saw Jade's body doubled in size all of a sudden, more than three meters tall, like a giant, with blue veins all over his body, and the whole body was surging with black air, like a giant. Like a demon from hell.

What the hell!

Seeing this scene, Yue Feng was startled, what was this method?

That black medicine pill, there is no record in Wuji Danshu, could it be... also given to him by Hades?

What kind of existence is this Pluto?

“Nine ghosts evil pill?”

At the same time, Zi Yan was also shocked, her beautiful face became solemn, and she couldn't help exclaiming.

That's right, what Jed takes is the Nine Ghost Pill, which is exclusive to Hades. After taking it, he can temporarily increase his skill tenfold, which is very overbearing.

“Go to hell!”

At this moment, Jade roared, his body like a hill, rushing directly towards Zi Yan.

hum!

At this moment, Zi Yan did not hesitate, raised her jade hand, and deployed a protective film in front of her.

Um?

At this moment, Yue Feng clearly saw that on the protective film deployed by Zi Yan, there were inscriptions shimmering with light one after another. Under the blessing of these inscriptions, the protective film's defense was very powerful.

Chapter 2815

Obviously, these inscriptions are a kind of spell seal, which can strengthen the defense of the protective film.

“Boom”

Jed's figure has changed a lot, and his speed has also improved a lot. In the blink of an eye, he is in front of Zi Yan, with the ghost-headed knife in his hand, slashing hard on the protective film, and there is a violent explosion of breath, thousands of people around Within meters, dust and smoke filled the air.

In the dust and smoke, Zi Yan's figure was knocked back dozens of meters.

Whoosh!

And while the dust and smoke hadn't completely dissipated, Zi Yan endured the pain, turned around, rushed over, grabbed Yue Feng, flew up, and headed out of the valley.

“Roar...”

At this moment, Xiao Xi let out a cry, and hurried to catch up. The figure turned into a streamer and entered the spirit beast sack on Yue Feng's body.

Xiao Xi could feel that Zi Yan had no ill will towards Yue Feng, but just after fighting with Jade for a long time, Xiao Xi was very weak, so she just got into the spirit beast sac and immediately rested.

In the blink of an eye, the figures of Yue Feng and Zi Yan disappeared from everyone's sight.

Made!

Seeing this scene, Jed's eyes flashed with endless anger, and his face was extremely ugly.

He was able to catch Yue Feng at first sight, but unexpectedly, a mysterious woman suddenly appeared and rescued him.

the other side!

Huhu...

The wind whistled in his ears, Yue Feng saw the scenery of the mountains and forests below quickly retreating, and at the same time, because of the sleepy rope tied to his body, he only felt that his mind was getting heavier and heavier.

"Where are you taking me?" Yue Feng couldn't help shouting.

Zi Yan glanced at him and said lightly, "Don't talk yet! You'll find out later!" The tone was soft and cold, beyond doubt.

What the hell!

Facing Zi Yan's coldness, Yue Feng was speechless.

Soon, Yue Feng only felt that the feeling of drowsiness became more and more serious. At last, when it got dark, he didn't know anything.

call!

I don't know how long it took, Yue Feng slowly woke up, only to feel that his head was swollen and his body was weak.

Yue Feng couldn't help but patted his forehead, Nima, that Jade's practice is too evil.

Um?

In the next second, Yue Feng found that the sleepy cable on his body was untied at some point, and then he looked around. Immediately stunned.

I'm going, where is this?

I saw myself on the top of a mountain, and I didn't know how high it was. I saw a sea of clouds around me. In the distance, the afterglow of the setting sun dyed a golden glow on the sea of clouds.

Looking down, there are clouds and mists, and I can't see the end.

What mountain is this? It broke through the clouds?

Seeing this scene, Yue Feng's heart skipped a beat, extremely shocked!

"Awake?" At this moment, a soft and pleasant voice came from the side, with a bit of arrogance at the same time, it was Zi Yan.

Yue Feng turned his head to look, and saw Zi Yan was holding the sleepy rope in her hand, her beautiful face was very solemn.

"This..."

Yue Feng took a deep breath and couldn't help asking, "What is this place?"

"The top of Kyushu, Kunlun is the top!" Zi Yan's red lips lightly opened, she said eight words softly, and then tilted her head to look at Yue Feng: "I heard that you are the hero of Kyushu, why? You won't even be the top of Kunlun. Don't you know?"

Kunlun is supreme?

Hearing this, Yue Feng couldn't help being shocked.

As the sect master of Tianmen, Yue Feng of course knew that Kunlun was supreme.

The Kunlun Mountains, located on the border of the Apocalypse Continent, are the highest mountains in Kyushu, especially the Kunlun Mountains, which are tens of thousands of meters high and very steep. They are surrounded by cliffs. It is very difficult for ordinary people, even cultivators, to fly up.

It is said that there is a powerful barrier on the top of the Kunlun Mountains. This barrier can only be passed through unless you reach the spiritual realm. Therefore, for thousands of years, very few people have actually reached the top of the Kunlun Mountains.

Speaking of which, Yue Feng also wanted to come over to Kunlun Jue Ding to have a look, but he has been troubled by trivial matters and had no chance, but he did not expect that he was brought up by this Zi Yan.

call!

A few seconds later, Yue Feng reacted, looked at Zi Yan and asked curiously, “What did you bring me here for?”
