Chapter 2831 The

voice fell, and the civil and military officials behind him and the rest of the Royal Forest Army all looked like dirt and evacuated in embarrassment.

“Nie Yunxiao!”

Just after retreating into the imperial city, King Guangping beckoned Nie Yunxiao to approach, and coldly ordered: “Immediately spread the news to other continents, saying that the Rakshasa tribe violated the agreement and invaded Kyushu!”

Although this battle Even if they were defeated, they must not allow the Rakshasa army to arrive at the Beiyong Imperial City safely.

“Yes, Your Majesty!” Nie Yunxiao understood in his heart, responded quickly, and hurried to do it.

At this moment, outside the imperial city.

Seeing the evacuation of the Imperial Forest Army, Mona secretly breathed a sigh of relief, and then ordered: “You can bury the fallen warriors, then continue to set off, and be sure to rush to Beiyong Imperial City as soon as possible.” The

voice fell, and the surrounding Rakshasa warriors responded in unison .

“Your Majesty!”

At this moment, Zang Yunyue came over, her beautiful face was full of complexity, and she said softly: “In order to help a Yue Feng, is this worth it?”

Just arrived at Tianqi Continent, and had a fight with the Yulin Army. Battle, and later to other continents, one can imagine.

Mona let out a sigh of relief and said firmly: “In the Kyushu Continent, only Yue Feng is the only friend of our Rakshasa clan, we must help him, and, once something happens to Yue Feng, the Kyushu Continent will be chaotic, It will be even more detrimental to our Rakshasa clan.”

Hearing this, Zang Yunyue nodded and said nothing more.

Kunlun is at the top of the mountain, in the secret realm of Spirit Void.

In the majestic pavilion, Yue Feng sat in a room, quietly meditating and recovering.

I don't know how long it took, Yue Feng opened his eyes and let out a breath of turbid air, only to feel relieved.

Nima, finally recovered completely.

Thinking to himself, Yue Feng looked around and was very emotional. For thousands of years, only nine saintesses from God's Domain have lived in such a beautiful pavilion. After such a long time, I don't know how they pass the time. of.

And now, the nine saintess are separated again, leaving only one Ziyan.

Thinking to himself, Yue Feng walked out of the room and went directly to Zi Yan's resting room.

"Well..."

As soon as he walked to the door of the room, he heard an intermittent low-pitched moan, revealing a trace of pain.

This voice was from Zi Yan.

What the hell!

At this moment, Yue Feng's heart was shocked, and he was stunned!

What is this Ziyan doing in the room?

Muttering in his heart, Yue Feng didn't have time to think, and gently opened the door.

hiss.

Seeing the scene in the room, Yue Feng couldn't help taking a breath, and the whole person was completely stunned.

I saw that in the fragrant and elegant room, Zi Yan curled up on the soft slump, her delicate body kept shaking, her beautiful face was extremely pale, and her expression was painful!

Apparently, at this time the rhythm of poisoning.

“You...”

Seeing Yue Feng entering uninvited, Zi Yan was shy and angry, and gently reprimanded: “Who let you in? hurry out? The voice is weak, but there is no doubt.

As a nine-day saint, Zi Yan has a very arrogant temperament. Even though Yue Feng is very famous in Kyushu, in her eyes, she is just an ordinary master.

Feeling Zi Yan’s anger, Yue Feng felt helpless.

However, Yue Feng didn’t leave immediately, but couldn’t help but ask: “What’s wrong with you? You’re not also poisoned by that Jade, right?”

Zi Yan bit her lip and didn’t respond.

Yue Feng guessed right, Zi Yan was indeed poisoned by Jed.

Speaking of which, as the Nine Heavens Saintess, it was easy for Zi Yan to deal with Jade according to her strength. However, before and the other Saintess, in order to get out of the predicament, it resulted in the consumption of skill. Later, when he fought against Jade, he did not expect that Jade actually took the special pill made by Hades.

It can be said that Zi Yan was completely underestimated by the enemy, so she was poisoned by Jed.

Chapter 2832

However, as a nine-day saint, Zi Yan considers herself lofty and does not plan to tell Yue Feng this. She originally thought that she could get rid of the poison by practicing and recovering, but because of her special physique, something went wrong.

“Aren’t you going out yet?”

Seeing Yue Feng standing still, Zi Yan was a little anxious: “Even if I am poisoned, you can’t help me!”

After saying that, Zi Yan glanced outside and muttered to herself Said : “It would be nice if everyone didn’t get separated. Yu Ling is incomparable, and she will definitely help me refine the golden elixir and expel

the poison...” When she said this, Zi Yan looked sad.

The jade ling in her mouth is also one of the Nine Heavens Saintess, proficient in medicine and alchemy.

Jindan?

Hearing this, Yue Feng's eyes flashed and he said, "I also know a little about alchemy. I don't know what you said about the golden pill, but is there a detailed pill recipe?"

When he said this, Yue Feng looked serious. Although Yue Feng didn't know how to refine the elixir, as long as there was an elixir recipe, it would not be a problem at all, because there were exotic flowers and plants everywhere in this secret realm, and there were all kinds of elixir ingredients.

What? You alchemy pill?

Zi Yan was stunned for a moment, looked at Yue Feng up and down, and couldn't help chuckling: "You are really outrageous, do you know what Jindan is? It is something that only God's Domain can have, and Kyushu doesn't exist at all, even if you know how to make alchemy, it is impossible to make it!"

In his words, he slowly scorned.

Feeling Zi Yan's contempt, Yue Feng didn't care at all, smiled and said, "How do you know if you don't try? Do you want to suffer like this forever?"

"Okay!"

Zi Yan hesitated, nodded and said, "The next door is Yu Ling's room, there is a recipe for golden elixir, if you want to try it, just go!"

Saying that, Zi Yan gritted her teeth, sat up slowly, and continued: "I will continue to try to expel the poison, don't disturb me!"

In Zi Yan's heart, even if she has the pills and materials, she does not believe that Yue Feng can successfully refine it. Jindan.

Yue Feng didn't speak, he pushed open the door and walked out.

When he arrived in the next room, he saw that the shelf against the wall was filled with prescriptions of various medicinal herbs. Yue Feng flipped through it and quickly found the medicinal formula of Jindan.

What the hell!

After reading the pill recipe, Yue Feng was secretly shocked. The things of this God's Domain are indeed much more esoteric than that of Kyushu. It's just a golden pill, and it needs a different fire to temper it.

However, he happened to have Bailian cold fire, and he was the number one strange fire in the world.

Thinking about it, Yue Feng showed a smile, found the pill furnace in the room, and then went out to collect the materials. After everything was done, he began to refine it.

Um?

At this moment, Zi Yan in the next room heard the movement, her body trembled, and she was secretly shocked.

This Yue Feng has actually started refining?

How is this possible? You must know that Jin Dan is not comparable to those medicine pills in the Kyushu mainland.

Thinking to herself, Zi Yan closed her eyes again and continued to try to expel the poison from her body. Until now, Zi Yan still did not believe that Yue Feng would succeed.

Bang!

Ten minutes later, accompanied by a breath of vibration, the golden pill was successfully refined.

Yue Feng showed a smile and took out the golden pill from the pill furnace. Then quickly entered Zi Yan's room.

This...

At this moment, when she smelled the fragrance of the golden pill, Zi Yan quickly opened her eyes, looking at the golden pill in Yue Feng's hand, her body trembled and she was extremely shocked.

Chapter 2833 Actually

... Really refined?

Yue Feng walked over with a smile: "How is it? I said, as long as there is a pill recipe, maybe I can refine it, no bragging!" After speaking, he handed the golden pill to Zi Yan.

Zi Yan took the pill without hesitation, and took it quickly. After a while, the poison in her body was completely eliminated, and her pale face slowly returned to rosy, which was very charming.

"Yue Feng!"

At this moment, Zi Yan was stunned and couldn't help asking: "How did you make it?"

Yue Feng smiled slightly: "To make a golden pill, you need a different fire, which is for others. It is a big difficulty, but for me, it is very easy, because I have the cold fire of Bailian!" The

principle is this!

Hearing this, Zi Yan nodded secretly, and at the same time her sense of Yue Feng was much better than before.

"By the way!"

At this time, Yue Feng was very curious, looked at Zi Yan and said: "That Jed's poison is not very powerful, I have exorcised it myself, and you are a saint, how can it be so serious, do you still need Jin Dan to expel it?"

Yue Feng was very puzzled when he said this.

It stands to reason that Zi Yan, as the Holy Maiden of the Nine Heavens, should be able to expel the poison more easily than herself, how could she be better than herself? Too strange.

Hearing this, Zi Yan's beautiful face showed a trace of embarrassment.

The next second, he gently explained: "The other party is just a scumbag of Hades, how could it be my opponent, but I was weak at the time, and I was also a rival in love."

Saying that, Zi Yan's eyes flashed complicatedly: "More importantly, I'm different from you, your body is Dantian, while mine is Nascent Soul, Nascent Soul is infested by severe poison, and it must be exorcised by Jin Dan. ."

Some words made Yue Feng half-understood, but he did not continue to ask.

"Okay!"

At this moment, Zi Yan smiled lightly and said, "Anyway, you have helped me a lot. Now that we have recovered our strength, we can leave the Heavenly Spirit Realm!"

"Yue Feng walked out of the room.

A few minutes later, when I reached the highest peak of the mountain, I saw two huge stone formations, a pure black stone formation, and a pure white stone formation.

Yue Feng clearly saw that the black stone formation was completely destroyed. Only the white stone formation seems to work.

When it came to Qian, Zi Yan's beautiful face showed complexity, and she slowly said: "This is the teleportation formation connecting the Divine Realm. At that time, the Heaven and Earth Profound Formation in Kyushu was destroyed, the teleportation formation was destroyed, and we lost the connection with the Divine Realm. "

Not only that, but the teleportation formation connecting Kyushu was also destroyed. In ten years, we, the Nine Heavens, worked together to repair the teleportation formation connecting Kyushu. As a result, when the teleportation formation was opened, there was a problem, and the nine of us , was teleported to different places!"

Hearing this, Yue Feng nodded: "It seems that this white stone formation is the teleportation formation connecting China Unicom to Kyushu, and we will use this teleportation formation to return to Kyushu, right!"

At the thought of returning to Kyushu, Yue Feng was very anxious, walked over quickly, put his hand on the talisman in the middle of the stone formation, and stimulated his inner strength.

"Hey, don't move..."

Seeing this scene, Zi Yan's body trembled, and her beautiful face was full of anxiety: "This formation has not been completely repaired, and the steps to open the formation are very cumbersome. It's not as simple as you think."

Saying that, Zi Yan stomped her feet and wanted to step forward to stop it, but it was too late.

What? Still not fully repaired?

At this moment, Yue Feng couldn't help laughing and crying: "Why didn't you say it earlier?!"

Om!

As soon as the voice fell, a dazzling light burst out in the teleportation formation, instantly shrouding the two of them, and then, a powerful formation force raged in the air.

Chapter 2834

Rumbling ..

At the same time, there were violent roars and vibrations on the ground under their feet. Under this vibration, Yue Feng and Zi Yan were a little unstable.

Immediately afterwards, the two of them were completely surrounded by rays of light, and they only felt that they were completely transported away!

What the hell!

Yue Feng only felt that his body was light and fluttering, and at the same time he was too anxious.

I don't know how long it took, Yue Feng finally stepped on the ground.

Huh..

At this moment, seeing Zi Yan still beside him, Yue Feng couldn't help but heave a sigh of relief, but luckily the two of them didn't disperse during the teleportation.

Muttering, Yue Feng quickly looked around, and the whole person was stunned.

I saw that I and Zi Yan were on the top of a cliff, with a bottomless canyon below, and on the other side, an endless virgin forest, shrouded in poisonous fog.

This... seems to be a wild and strange realm, the edge of Death Valley.

"Yue Feng!"

At this moment, Zi Yan frowned and shouted at Yue Fengjiao, "What's the matter with you? Who told you to touch the teleportation formation? Do you know how dangerous it was just now?"

When he said this, Zi Yan was very angry. This Yue Feng was too self-righteous. Although he made a golden pill to impress him, he couldn't tamper with the teleportation formation.

Yue Feng scratched his head and said very embarrassedly: "I don't want to return to Kyushu quickly..."

"

Zi Yan glared at him and turned to leave, but at this moment, she accidentally stepped into the air, only to hear her exclamation, her body did not stand firm, and she fell directly under the cliff!

Seeing this scene, Yue Feng's face changed, and he subconsciously wanted to pull her, but he didn't catch her, and fell together with Zi Yan.

Huhu...

The wind whistled in his ears, Yue Feng's body kept falling, and he was secretly surprised when he looked at the canyon below.

Yue Feng could clearly see that the canyon below was full of grass and no grass.

Not a single grass grows, it seems that there is something strange here.

At the same time, Zi Yan was also trembling, and her face was pale. Although she had just taken Jindan to expel the poison, her strength had not fully recovered.

Blame this Yue Feng!

At this moment, while Zi Yan panicked, there was also a surge of anger in her heart.

If it wasn't for Yue Feng's turbulent teleportation formation, he would not have been sent to this place, nor would he have fallen off the cliff.

"What are you staring at me for?"

Seeing Zi Yan's gaze, Yue Feng was very helpless and couldn't help but speak.

The next second, Yue Feng noticed that Zi Yan was in a very weak state at this time, and immediately knew that she was blaming herself in her heart because she was afraid.

Forget it, it's all caused by her own mistakes, and she can't be hurt no matter what.

Thinking to himself, Yue Feng took a deep breath, stretched out his hands, grabbed Zi Yan, and held her tightly in his arms.

Yue Feng thought about it, and when she fell, she would help her bear some of the shock of the fall.

"you..."

Suddenly being held in Yue Feng's arms, Zi Yan's beautiful face instantly turned red, and her heart was even more embarrassed.

As an aloof Nine Heavens Saintess, incomparably holy, at this time, she is held in the arms of a man, what does it look like?

In shame and anger, Zi Yan was about to break free, but she was falling rapidly at this time, and her weak state made her unable to break free at all.

Ding Ding Deng!

Finally, when the two of them reached the canyon, the moment their feet touched the ground, Yue Feng quickly activated his internal force to slow down the falling force, but even so, the strong inertia still caused Yue Feng to stumble back a dozen steps.

Pfft!

Chapter 2835 At the

end, Yue Feng's back slammed into the mountain wall, and it stopped, and Yue Feng also fell to the ground with Zi Yan because of his unsteady standing.

But unfortunately, Yue Feng fell on Zi Yan's body.

Hiss.. so delicious.

At this moment, Yue Feng smelled a fragrant aroma, and when he felt Zi Yan's tenderness, he was stunned and his mind was buzzing.

"You...get up!" Zi Yan was even more embarrassed, bit her lip and couldn't help scolding.

"That..." Hearing the scolding, Yue Feng reacted, and hurriedly stood up, scratching his head and explaining: "Saint Ziyan, don't misunderstand, I didn't take you to lie to you, I was looking at your strength. Fully recovered, slap you and fall..."

When he said this, Yue Feng looked sincere, but his eyes were always on Zi Yan.

I have to say that this Zi Yan deserves to be the Nine Heavens Saintess. No matter her figure or appearance, she is the best of the best, especially her detached temperament. I'm afraid that any man will find it difficult to control her.

Snapped!

Zi Yan already had fire in her heart, but when she saw Yue Feng's gaze, she couldn't help it, her eyes almost burst out with fire, and then she slapped her without warning.

This slap directly blinded Yue Feng.

Nima!

Yue Feng rubbed his face, feeling very depressed.

The temper of the Nine Heavens Saintess is too big, and she didn't do it on purpose. Moreover, she made an alchemy pill to help you before. If you don't thank you, it's too unreasonable to beat people.

“Yue Feng, I’m the Holy Maiden of the Nine Heavens, do I need your help? If you don’t... just hold me, I’ll be fine.” Zi Yan said coldly, her eyes flashing with anger.

When the words fell, Zi Yan looked around and continued: “Now that you are back in the Kyushu continent, let’s part ways.”

Speaking of which, Yue Feng’s strength is not bad, and he can refine golden pills. With his help, he should be very good. We can find other saintess soon, but after what happened just now, how can we continue to stay together?

Uh...

Feeling Zi Yan’s indifference, Yue Feng scratched his head, very helpless.

“Alright then!”

After a few seconds, Yue Feng breathed a sigh of relief, looked at Zi Yan with a smile, and said, “You helped me get out of danger before, and I refined the golden pill for you, so we can be considered a cleanup. Since you decided to separate here, I have no problem.” The

voice fell, and Yue Feng walked straight forward.

This canyon is gloomy, not a single grass grows, it is extremely strange, it is not a place to stay for a long time, it is better to leave quickly.

Zi Yan did not speak, bit her lip lightly, followed far behind, and kept observing the surrounding environment.

Swish...

Not long after walking, I heard a strange sound coming from the fog in front of me.

Hearing this voice, Yue Feng suddenly became alert, and at the same time, there was a familiar feeling. This place is located on the edge of Death Valley. Could it be...

“Sigh...”

When Yue Feng frowned secretly, he saw a huge The figure appeared in the line of sight. It was a huge black sand python.

The black sand python is exactly the beast in the valley of death. It was in the valley of death for three years in that month, and he was very familiar with the black sand python.

However, the black sand python in front of him was much bigger than the one he had ever seen before, and even the one he had seen before was about to turn into a

dragon. Yue Feng could clearly see that the black sand python was filled with an aura. Yin evil spirit.

Not only that, but the eyes are also dark red, very evil.

Nima!

Seeing this scene, Yue Feng was secretly shocked, why is this black sand python so evil? Has it changed?

“Yin evil poisonous?”

At this moment, Zi Yan also frowned, her delicate body trembled, and she couldn't help exclaiming.

As the Holy Maiden of the Nine Heavens, Zi Yan could see at a glance that the black sand python in front of her had been poisoned by the Yin Fiend, which made it become like this. And the poisonous evil, it is the poison that Jed used to deal with everyone before, only the ghost world has it, and it is extremely poisonous.

What?

Hearing this, Yue Feng was stunned for a moment, and then he discovered that the yin and evil aura on this black sand python was similar to that on Jed.

The ultimate husband in Chinese chapter 2836-2840

Chapter 2836

Whoosh!

At this moment, he saw the black sand python suddenly raised his head, his eyes locked on Zi Yan, and then he jumped directly.

Yes, this black sand python is the yin evil and poisonous. Not only has its strength greatly increased, but it is also very sinister and vicious. Because of its intelligence, it senses that Zi Yan has a special physique and that there is a Nascent Soul in her body, so she wants to devour Zi Yan. , absorb the power of her Nascent Soul.

“You are very brave!”

Seeing the black sand python rushing towards him, Zi Yan didn't panic at all, and rushed forward with a coquettish shout!

As a nine-day saint, Zi Yan naturally doesn't take a giant python in her eyes.

However, at the beginning, Zi Yan was still very confident, but gradually she couldn't stand it anymore. Not long after she took Jindan, her strength had not recovered, and she just fell off the cliff again. Although Yue Feng helped her offset a lot of inertial force, this Still a little weak.

In this case, Zi Yan is getting more and more difficult, otherwise, this black sand python can easily be killed.

call!

Seeing this scene, Yue Feng did not rush forward, but stepped aside and watched quietly.

This Zi Yan is so arrogant and confident that she rashly went up to help, fearing that she would not be thanked and would be called meddling.

A few minutes later, Zi Yan's face was pale and she couldn't take it anymore.

"Hey!"

Seeing Yue Feng standing by and watching, Zi Yan was anxious and angry: "Are you still watching? Why don't you come to help?"

This Yue Feng was so disgusting that he didn't care.

This chapter is provided by . Visit for daily update.

Zi Yan's tone of command was full of flavor, which made Yue Feng very unhappy.

"Saint Ziyan..."

The next second, Yue Feng said with a smile: "You are the Nine Heavens Saintess who guards Kyushu. It's not easy to deal with a giant python. It's my turn to take action, isn't it?" As

he said, Yue Feng urged Bai Lian Leng Huo deployed a protective film in front of him to prevent himself from being infected by the poison.

Yue Feng knew very well how powerful Yin Sha was. At the Beiyong Palace, Jade secretly poisoned him. All the people from the sects were caught, and he was no exception. It took a few hours to get rid of it completely. come out.

Under such circumstances, Yue Feng naturally would not act rashly.

"You..."

Hearing this, Zi Yan stomped her feet angrily, but was speechless.

Haha...

Seeing her reaction, Yue Feng showed a smile, which made you so arrogant in front of me before, and, just now, you said you wanted to leave, and now you want me to help, how can it be so easy.

Zi Yan stopped talking and concentrated on continuing to deal with the black sand python.

Hiss....

But what Zi Yan didn't expect was that this black sand python was completely fused with Yin Sha's poison, so it couldn't help but be powerful. Yan's long skirt suddenly rotted into strips, and at the same time, her face was pale, her delicate body was soft, and she was about to be unable to stand.

hiss!

Seeing this scene, Yue Feng couldn't help gasping for air, and stared at Zi Yan's curve, his eyes were straight.

This body is so sexy.

"Yue Feng, if you don't help, are you still looking around?!" Seeing Yue Feng's gaze, Zi Yan was so angry that she started drinking again.

Saying that, Zi Yan bit her lip and continued to shout: "Come here and help, you have Bailian cold fire, you can drive it away..."

Haha....

Hearing this, Yue Feng didn't immediately go up to help, but also made fun of him: "Just now let me go, now I'm in trouble, and let me help again, Holy Maiden Ziyan, your face change is better than flipping a book. It's fast, and, as I said just now, we have already cleared our grievances, why should I help you?"

When he said this, Yue Feng secretly urged Bai Lian Leng Huo, he had already decided to help, so to speak, just To tease her on purpose.

Swish!

Chapter 2837

Hearing this, Zi Yan's beautiful face turned red all of a sudden, and she whispered: "Yue Feng, I was in a hurry before, and my attitude was not good. Don't worry about it, okay?"

When saying this, Zi Yan bit her lip, her eyes full of complexity.

Seriously, as the Holy Maiden of the Nine Heavens, but bowing her head to a man from Kyushu, Zi Yan felt ten thousand reluctance in her heart, but she had no choice. The poison of this black sand python was too strong, and she couldn't stop it at all.

"Is that so..."

Yue Feng held his arms, thought for a moment, nodded and said, "Since the Holy Lady said so, then I will help you, but you have to promise me a condition!"

"What condition?" Zi Yan frowned and couldn't help asking.

Yue Feng showed a wicked smile and said slowly: "It's very simple, just call me a good brother, and I'll help you!"

What?

Hearing this, Zi Yan's delicate body trembled, and she almost fainted: "Yue Feng, don't go too far!" She is the Holy Maiden of the Nine Heavens, extremely holy, how could she call a Kyushu man brother?

Yue Feng shrugged: "I'm just calling good brother, I'm not asking you to do other things. If you don't want to, then forget it.

"Sand python, ready to take action at any time.

"You..." Zi Yan stomped her feet angrily, wanting to scold Yue Feng, but she held back, her appearance was indescribably charming.

This Yue Feng is really abominable, knowing that he is about to be unable to hold on, but he deliberately made such a request.

If I knew this earlier, I shouldn't have saved him before.

sizzle....

At this moment, the huge body of the black sand python quickly coiled up, the blood basin opened its mouth wide, and once again spewed out a poisonous mist.

Seeing the poisonous fog looming over, Zi Yan's beautiful face was instantly bloodless!

“Yue Feng...” In the

next second, Zi Yan no longer hesitated, bit her lip, and shouted at Yue Feng: “Okay... good brother, come and help!” The voice was very small, not careful Can’t hear at all.

She never thought that her dignified Nine Heavens Saintess would really be soft in front of a Kyushu man.

Um?

Seeing that she finally called out, Yue Feng nodded with a smile: “Brother, come to help you!” With a smile on his face, Yue Feng’s heart was very happy.

Haha...

This Zi Yan, as a nine-day saint, is extremely arrogant. In the end, didn’t she bow down in front of herself and let go of her dignity?

hum!

The voice fell, Yue Feng’s figure flashed, and he directly blocked in front of Zi Yan. He raised his hand and waved, and Bai Lian jumped out of cold fire, forming a huge white fireball in the air, directly hitting the black sand python.

To be honest, Yue Feng was secretly sweating when he shot.

The Yin evil poison can’t be carried by himself, but this black sand python is completely integrated with the Yin evil poison. Once Bailian’s cold fire can’t force it back, the consequences will be disastrous.

Bang!

A burst of sound came out, and the black sand python was burned by the white fireball, and a wound came out. The blood was dripping, revealing the bones of Bai Sensen.

The black sand python let out a neigh and glanced at Yue Feng with a fearful look, then quickly fled into the distance.

Seeing this scene, Yue Feng secretly breathed a sigh of relief. At the same time, there are some doubts in my heart.

How could the black sand python in Death Valley be infected with the Yin evil poison? Could it be that the strength of the Pluto has penetrated into the wild and strange realm?

Gudong!

The next second, when he looked back at Zi Yan, Yue Feng was stunned for a moment, and then he couldn't help swallowing his saliva.

Just saw that in the fierce battle just now, Zi Yan's long skirt was corroded by the poison of the black sand python, and it was almost unobstructed.

Chapter 2838

"Close your eyes!"

Feeling Yue Feng's smiling eyes, Zi Yan was so ashamed and angry that she couldn't help shouting coquettishly.

Yue Feng smiled, turned his head and didn't look at her.

To be honest, Yue Feng still wanted to tease her, but Zi Yan was the Holy Maiden of the Nine Heavens after all.

"If you don't see it, don't watch it!" In the

next second, Yue Feng turned his back to Zi Yan and said slowly, "You don't have to be so excited. Besides, if your clothes are gone, how can you find other saintess? So, you wear my clothes."

With that, Yue Feng took off his jacket.

"Don't wear it!" Zi Yan said coldly, without any hesitation.

This Yue Feng, who just took advantage of himself, how could he wear his clothes? Also, the clothes are dirty.

Ugh!

Yue Feng sighed softly and said with a smile: "If you don't wear it, don't wear it, but you must think clearly, if other people see you like this and know that you are the Holy Maiden of the Nine Heavens who is untouched by the world, how should you feel? Hearing this ,

Zi Yan bit her lip lightly, and finally took the clothes and put them on.

Zi Yan didn't want to wear Yue Feng's clothes in her heart, but she couldn't help it. She really couldn't see people like her.

"Yue Feng!" After putting on

her clothes, Zi Yan couldn't help but said, "I warn you, don't tell anyone what happened just now, and don't have any unreasonable thoughts about me, otherwise, I will never forgive me. You!"

"Look at you, you called me good brother just now, how could I have any thoughts about my sister?"

"You..."

For two days, while bickering, they walked towards the exit of the canyon.

After what happened just now, Zi Yan became cautious and no longer proposed to separate from Yue Feng.

Zi Yan thought about it. When she got to the town, she quickly changed her clothes. After all, wearing Yue Feng's coat was really awkward.

Finally, the two left Death Valley and arrived at Blackwater Town.

Um?

At the entrance of the street, Yue Feng was stunned when he saw the scene in front of him. He saw that there was a checkpoint at the entrance, and a dozen practitioners wearing uniforms were standing there, checking passers-by, all with arrogant expressions.

what's the situation?

Yue Feng frowned secretly, and then took a step forward. Zi Yan hesitated and followed behind.

"Stop!"

Before they could get to the front, Yue Feng and the two were stopped. One of the leaders said coldly, "Where did you guys come from?"

"The people of the Soldier Alliance, a month ago, in order to resist the deprivation of the interests of the black market and the Huangtian transaction, the Mercenary Alliance was established, and then gradually controlled Heishui Town.

When he said this, Li Chongguang couldn't help but look at Zi Yan, his eyes straightened immediately.

I didn't expect that there are such beautiful women in such a remote area of Heishui Town.

At the same time, the surrounding companions were all staring at Zi Yan, and they were all stunned.

beautiful! How beautiful!

At this time, Zi Yan, although wearing Yue Feng's coat, couldn't hide her beautiful face and her graceful curves.

call!

Seeing Li Chongguang's eyes, Zi Yan was very unhappy, but she held back.

At this time, Yue Feng responded with a smile: "We just returned from our adventure in the wild and strange realm, please let us pass!" Yue Feng saw that these people belonged to the mercenary alliance. Although the other party was not good at words, they were still polite. respond.

After all, Ye Meng, the leader of the Mercenary Alliance, is his apprentice.

Um!

Hearing the answer, Li Chongguang looked at Yue Feng up and down, and was too lazy to talk nonsense: "If you want to enter Heishui Town, you have to pay!" His tone was arrogant and unquestionable.

Chapter 2839

"Why?" Yue Feng frowned and asked, "Heishui Town, isn't anyone free to come and go?"

Li Chongguang interrupted him coldly as soon as he finished speaking.

"That was before!" Li Chongguang said angrily: "In the past, there were no rules in Heishui Town, so fish and dragons were mixed, but now, Heishui Town is under the control of our mercenary alliance, understand? If you pay, you can pay, this is It's the rules set by our mercenary alliance, why are you talking so much nonsense?"

Phew!

Yue Feng took a deep breath, resisted his anger, and said lightly, "What if I don't pay?"

"What did you say?" Li Chongguang was stunned, his eyes suddenly turned gloomy.

At the same time, more than a dozen companions behind him also locked Yue Feng's eyes tightly, all of them looking bad.

Whoa!

Hearing the movement here, many passers-by also looked over and talked a lot at the same time.

“Who is this? Dare to challenge the mercenary alliance?”

“It’s over after paying the money, you have to be serious, there is something wrong with your brain.”

“Yeah, I don’t know whether to live or die..

”, In the eyes of everyone, Yue Feng dressed up as an ordinary passerby, but dared to challenge the mercenary alliance. Isn’t this courting death?

“Get out if you don’t pay!” At this moment, Li Chongguang reacted and shouted at Yue Feng.

Yue Feng smiled and said lightly: “Black Water City is for people who travel between Kyushu and the wild and strange realm, providing convenience, not for you to seek benefits, to set up checkpoints, do you all know?”

Ever since they separated from Ye Meng in Qingyunzong, I don’t know what happened to her, if anything happened. As for the people of the Mercenary Alliance, when their leader was not there, they started to mess up, which is really hateful.

Swish!

Li Chongguang instantly became angry, locked on Yue Feng tightly, and

shouted angrily: “You are courting death! What are you qualified to mention our alliance leader?” Tied up.”

Whoops!

The voice fell, and more than a dozen companions behind him pulled out their weapons and surrounded Yue Feng.

Seeing this scene, Yue Feng did not panic at all, because he clearly felt that the strength of these mercenary alliances in front of him was not particularly high, and they did not threaten him at all.

On the side of Zi Yan, her delicate face was also indifferent.

These people in front of them are too hateful, and it is not bad to let Yue Feng teach them a lesson!

“Stop

it all!” However, at this moment, a coquettish shout came from not far away. He was dressed in tight clothes, extremely sexy, and had a beautiful appearance. His whole body was filled with a cold and arrogant aura.

It was Ye Meng!

Whoa!

As soon as Ye Meng appeared, there was a moment of agitation around him.

Especially feeling Ye Meng’s momentum, many onlookers quickly stepped back to make way, and many men stared at Ye Meng, their eyes straight.

Is this... the leader of the mercenary alliance? So charming.

“Leader!?”

Seeing Ye Meng, Li Chongguang was stunned for a moment, then quickly walked up to meet him with a smile: “Where have you been during this time? Everyone in the alliance is looking for you, but we are worried to death.”

Said Then, Li Chongguang pointed at Yue Feng: “There is a kid who makes trouble, I will deal with it quickly, and then convene someone to pick up the wind and clean the dust for you.”

Slap!

As soon as the words fell, Ye Meng slapped Li Chongguang’s face without warning.

This slap directly knocked Li Chongguang unconscious.

The people around were even more silent.

“Leader!” Li Chongguang covered his face, very aggrieved: “Why did you hit me? What did your subordinates do wrong?”

Chapter 2840

“Crack!” Before he finished

speaking, Ye Meng slapped him again and shouted at Li Chongguangjiao: “Why beat you? I ask you, who asked you to set up a checkpoint in Heishui Town and charge passersby What?”

Ye Mengqi's delicate body trembled when he said this.

"Leader!"

Li Chongguang called out unwillingly, wanting to cry without tears: "You are not here during this time, setting up the checkpoint is the head of each mercenary regiment to discuss together, and this kid won't hire us at all. In the eyes of the Army Alliance, did I teach him wrong?"

Ye Meng trembled with anger: "Shut up for me, do you know that this person is me..."

Cough!

Before he finished speaking, Yue Feng quickly coughed and winked at Ye Meng secretly.

Yes, at this time, Yue Feng didn't want to reveal his identity. Zhang Jiao framed himself and blasphemed Chang'e, and there was a lot of uproar in Jianghu. Before the truth came out, Yue Feng didn't want to be too public.

Ye Meng is a smart woman, and she immediately understood that Master didn't want to reveal her identity.

The next second, Ye Meng said coldly at Li Chongguang: "I tell you, this person is my honored guest. If you dare to be rude to him, you are disrespectful to me!"

"Master, come see me together."

What? !

When the voice fell, whether it was Li Chongguang or everyone around, they were all dumbfounded.

This... This kid is the VIP of the Alliance Leader? Looking at his ordinary dress, he still has such an identity! !

Li Chongguang is also completely stupid! He stared at Yue Feng blankly, speechless. He could see that the leader of the alliance he feared was standing in front of Yue Feng with a respectful face!

How is this possible? This kid has no background at first glance, how could he be a blindfolded guest?

Obviously just a door-to-door son-in-law!

"I'm sorry..." Li Chongguang was about to cry, and kept bowing to Yue Feng to apologize.

Yue Feng's expression was indifferent and indifferent.

To be honest, if it were three years ago, Yue Feng might have taught Li Chongguang a few words, but now, facing such a snob, Yue Feng is too lazy to talk nonsense.

"Hurry up and do something." Ye Mengxiu frowned and scolded coldly.

Li Chongguang hurriedly nodded his head and asked people to remove the checkpoint, and then went to notify the major mercenary groups.

At this time, Ye Meng showed a smile and led Yue Feng to the most luxurious hotel in town.

"Master!"

As soon as he entered the hotel room, Ye Meng changed his coldness and ran over and hugged Yue Feng's arm: "It's great to see that you're all right!"

Ye Meng's beautiful face showed a hint of embarrassment. : "I'm really sorry about what happened just now, don't worry, I will discipline them well in the future."

Hearing this, Yue Feng showed a smile and couldn't help but reach out and touch Ye Meng's head.

This...

Seeing this scene, Zi Yan, who was standing aside, was stunned.

This... the leader of this mercenary alliance is actually Yue Feng's apprentice? I can't see that he still has this ability.

Aware of Zi Yan's gaze, Ye Meng let go of her hand, her delicate face showing a hint of embarrassment.

"Well..." The

next second, Ye Meng came over and smiled generously at Zi Yanluo: "This is the mistress, hello mistress, my name is Ye Meng, and I have just started apprenticeship."
The

voice fell, Ye Meng directed at Zi Yan bowed, very respectful.

In Ye Meng's heart, Master Yue Feng is a famous hero in Kyushu, and there are many confidantes around him, such as Su Qingyan, the sect master of Wenzong, and Yingying, the public director before Apocalypse Continent, each of them is a peerless youth, and this one, Whether it is temperament or appearance, she is a goddess among the best, and she must be one of Master's confidantes.

More importantly, this woman is still wearing Master's jacket. If it wasn't for his woman, how could she be so intimate?

Swish!

At this moment, Zi Yan's beautiful face turned red all of a sudden, and she quickly defended: "You... don't talk nonsense, I'm not your teacher!" After speaking,

Zi Yan couldn't help but glared at Yue Feng.
