Chapter 2851 It's

okay, I came in time, otherwise, the Rakshasa clan is really over.

At this time, Mona and Zang Yunyue looked at each other, and they were very happy with each other.

Great, Yue Feng appeared, and the Rakshasa tribe was saved.

Whoa!

Feeling the momentum of Yue Feng, the hundreds of thousands of coalition troops all had complex expressions on their faces.

Finally, Tu Shengjie was the first to react, took a step forward, pointed at Yue Feng and shouted: "Yue Feng, how dare you appear as a shameless person? And colluded with the Rakshasa clan again, trying to start a war against Kyushu!"

"And now, your allies are immediately wiped out by us, you can't sit still, what is a misunderstanding, do you think we will believe you?" The

voice fell. , the surrounding coalition generals and many soldiers responded loudly.

"That's right, you hypocrite, don't pretend to be in front of us."

"You want to dominate Kyushu, think we don't know?"

"Today you just broke your mouth, these Rakshasa people don't want to leave alive!"

Everyone's anger It kept coming, Yue Feng was shocked and angry, Nima, are these people's brains made of water? The matter of Chang'e, smart people know there is a problem at first glance, but these people believe Zhang Jiao's nonsense.

Thinking to himself, Yue Feng was too lazy to talk nonsense, and said coldly to Tu Shengjie: "Whatever you say, today, I have to take them away." The

voice was not loud, but it spread throughout the audience, no doubt.

"Okay, very good!"

This chapter is provided by . Visit [for daily update.](#)

Tu Shengjie sneered, staring at Yue Feng: "So it seems that you have colluded with the Rakshasa clan, you have admitted it, right. Since that is the case, there is nothing to say."

"Everyone, Yue Feng Langzi's ambition, we must not let him leave alive today." The voice fell, and Tu Shengjie rose into the air!

hum!

A powerful aura erupted from Tu Shengjie's body, and the long knife in his hand burst into a shock, coming straight to Yue Feng's heart. Wherever the figure passed, the air was distorted, and the momentum was astonishing.

Seeing Tu Shengjie attacking, Yue Feng was instantly aroused by anger.

"Kacha!"

Only a loud noise was heard, Fang Tianhua halberd burst out, and was firmly held in Yue Feng's hand!

"Go away!"

Yue Feng shouted coldly and angrily, raised his hand and waved! Just saw a dazzling light burst out from Fang Tianhuaji, directly locking Tu Shengjie!

"Ah..." In the

next second, Tu Shengjie didn't have time to get up, he was swept right away, let out a scream, flew more than 100 meters, and finally fell heavily to the ground, his eyes darkened, and he passed out. !

hiss...

a trick? With just one move, he stunned Tu Shengjie, the number one general in Northern Ying Continent! This Yue Feng is worthy of being the sect master of Tianmen, a famous existence in Kyushu, and his strength is too terrifying.

At this moment, everyone present couldn't help gasping for air.

Yue Feng's eyes were like torches, floating in the air, and his eyes looked around the audience.

"I, Yue Feng, founded Tianmen back then, with the purpose of punishing evil and promoting good, and doing justice for the heavens. For more than ten years, I have never violated my original intention!"

“Three years ago, I called on Kyushu to fight against the Rakshasa, Tianmen disciples, and fight together. The death of hundreds of thousands is far greater than the damage to the major sects in Kyushu, and you, it is ridiculous to say that I deceived the world and stealing my name!”

“I act in Tianmen, I am worthy of the way of heaven, I am worthy of justice, and I, Yue Feng, are worthy of my conscience.”

“Now let me tell you, the matter of Empress Chang’e was completely coerced by Zhang Jiao, I was framed, and the Rakshasa tribe entered Kyushu. , is here to help me, whether you believe it or not. I, Yue Feng, deserve this world!” The

last sentence fell, Yue Feng’s eyes were blood red.

For a time, more than 400,000 coalition sergeants all focused on Yue Feng, unable to say a word!

Chapter 2852

Silent!

The huge battlefield is silent at this time! A needle fell to the ground, and everyone could hear it clearly!

“I, Yue Feng, have never been sorry for Kyushu!” At this moment, Yue Feng clenched Fang Tianhua’s halberd, his inner strength urged, and his strong voice spread throughout the wilderness.

In the next second, Yue Feng glanced at Mona, with a very determined expression: “The Rakshasa family has suffered unreasonable disasters for me. If I can’t protect their safety, I will be in vain. I must take them away today. I am the enemy!”

Yue Feng greeted Mona and everyone to leave!

At this moment, hundreds of thousands of coalition troops looked at each other in dismay, but no one dared to stop them. Everyone knew in their hearts that if they wanted to stop them, they would end up the same as Tu Shengjie, or even worse.

More importantly, Yue Feng also has a dragon, which is the strongest divine beast in Kyushu.

On the other side, Yue Feng and Mona quickly left the northern border of the mainland.

After walking for a few more hours, after confirming that there were no chasing troops behind, Yue Feng breathed a sigh of relief.

At this time, Mona ordered to let everyone rest in place.

Tens of thousands of troops have gone through a fierce battle, and now there are only a few thousand people left, and the surviving ones are all wounded.

Especially Mona and Zang Yunyue, their pretty faces were pale, and their internal strength was almost exhausted.

After resting for more than half an hour, everyone's situation finally eased a lot.

"Yue Feng!"

At this moment, Mona smiled lightly and pointed at Yue Feng: "It's fortunate that you arrived in time this time, otherwise, our Rakshasa clan would really be finished."

Yue Feng waved his hand and said seriously: "I really want to thank you for leading an army to come to the rescue. If something happens to your Rakshasa clan, I will never feel at ease for the rest of my life." What did Feng think of, he continued: "By the way, Jed's gang really betrayed your Rakshasa?"

Huh!

Hearing this, Mona breathed a sigh of relief, with a bit of anger on her delicate face: "Yes, Jed and his comrades openly rebelled against the Rakshasa tribe, this time I led the army into Kyushu, in addition to helping you, is to eradicate these traitors."

When saying this, Mona's face was determined.

The Rakshasa people are upright and upright, and the most intolerable are traitors.

At this moment, Zang Yunyue, who was next to him, didn't speak, but his expression was a little embarrassed. After all, among these traitors, there were two of his own brothers.

Seeing her reaction, Yue Feng smiled bitterly: "Mona, I'm afraid you won't be able to kill these traitors so easily."

"Why?" Mona was stunned and couldn't help asking.

"As far as I know, they took refuge in the underworld king of the ghost world." Yue Feng squinted and said slowly: "Everyone has a powerful evil force, otherwise, at the Supreme Conference before, it would not be so easy to put all the people together. The big sect grabs it."

What?

Hearing this, Mona's body was shocked.

Jed and his gang took refuge in the ghost world Hades? No wonder... when he fought against him before, the opponent's strength suddenly became so strong and so evil.

"The most important thing for your Rakshasa clan now is to rest and recuperate." Yue Feng pondered and continued: "The situation in Kyushu is very chaotic now, you must not be impulsive any more."

Hmm!

Mona nodded and agreed with Yue Feng's words.

In the next second, Mona thought of something: "Then be careful, if there is any situation, let me know immediately, our Rakshasa clan will definitely help, and also, the righteous sister of your Ouyang clan, has already gone to Tianqi Continent, before. It was the information she gave me."

"As soon as we entered the Kyushu Continent, we received news that the Ouyang family had been captured by King Guangping, and she immediately rushed to rescue them!"

What?

Hearing this, Yue Feng became anxious. Although Meihui was the second young lady of the Ouyang family, she rarely set foot in the arena. Even if she had worshipped Fang Qifo as her teacher before, it would be difficult for her to get the The prison of Tianqi Palace, rescued the Ouyang family.

Chapter 2853 The

more Yue Feng thought about it, the more impatient he said, "If that's the case, let's separate here. You can go back to the station after walking for a few hours. I don't think Kyushu mainland will send troops to chase."

"Okay, be careful!"

After agreeing, Yue Feng separated from Mona and hurried towards Tianqi Continent.

Meihui, don't be impulsive.

Along the way, Yue Feng kept praying secretly in his heart.

.....

the other side!

The ghost world, the Great Hall of the Underworld.

Pluto was sitting on the throne, and his face was gloomy. At this time, he looked even more gloomy, and the atmosphere of the entire hall was extremely depressed.

The following messengers, as well as the underworld soldiers in the hall, also did not dare to let out the air.

Just now, the underworld soldiers who were sent out to arrest Wen Chouchou, and the news was sent back that the arrest failed, which made Hades very annoyed.

“You just said...”

At this time, Hades stared at a soldier kneeling there, and said coldly: “When you arrested Wen Chou Chou, you met Yue Feng, the sect master of Tianmen, that kid has a dragon spirit. Beast?”

“Yes!” Ming Bing wiped his cold sweat and nodded quickly.

Said, Ming Bing took a deep breath and said cautiously: “Moreover, Yue Feng was also accompanied by a Nine Heavens Saintess. It was the Nine Heavens Saintess who instructed Yue Feng to set up a formation, which led to the failure of the arrest of the younger ones.”

Swish!

Hearing this, Pluto’s eyes flashed coldly, and he said to himself: “According to this, the Nine Heavens Saintess has left the secret realm of the void? After the Heaven and Earth Profound Array was destroyed, the secret realm of the void lost and the realm of the gods. As well as the connection with Kyushu, I didn’t expect them to come out in the end.”

“Go ahead and do all you can to track down the whereabouts of the Nine Heavens Saintess.”

“Yes, Your Majesty!” After receiving the order, the underworld soldier quickly got up and walked out of the hall.

Watching the underworld soldier walk away, Pluto looked around and looked at the envoys: “What news have you heard in the Kyushu continent during this time?” The

voice fell, and one of the envoys quickly came out: “Your Majesty, Since His Majesty subdued the Jade people, the situation in the Kyushu continent has been chaotic, and just a few days ago, a war broke out between the Tianqi continent and the Rakshasa.”

This messenger is called Gong Hao, who has worked for Hades for many years and is loyal to Hades.

“Not only that, King Guangping, the emperor of the Apocalypse Continent, also deliberately spread the news that the Rakshasa clan had made a comeback and wanted to conquer Kyushu.” Gong Hao said cautiously, while observing the reaction of Hades: “My subordinates think that this King Guangping can Use it!”

Hmm!

Hearing this, Hades nodded approvingly: “Yes, I’ll leave this matter to you.”

“Yes.” Gong Hao hurriedly saluted: “I will definitely not disappoint His Majesty!”

... the

other side!

Apocalypse Continent, Imperial Palace!

At this time, it was late at night. Around the entire palace, many guards patrolled back and forth, which can be said to be heavily guarded.

“Whoosh!”

At this moment, a slender figure quietly came from a distance while taking advantage of the night. The figure was agile, avoiding the patrolling guards and sneaking into the palace.

This is a beautiful woman.

A black night clothes set off a tight figure, incomparably graceful, with delicate facial features, and it is difficult for any man to restrain himself when he meets him.

It is Meihui!

Chapter 2854

Mei Hui at this time is expressionless, but her heart is secretly anxious.

Two days ago, Meihui originally went to Beiyang Palace to rescue Yue Feng with the Rakshasa tribe.

However, on the way, he learned the news that the Ouyang family was thrown into prison by King Guangping. At that time, Meihui was anxious and angry. After that, he separated from Mona and came to inquire about the situation alone.

During the day, Mihui tried to break into the prison, but she gave up when she saw that it was heavily guarded there.

After that, Meihui thought of Qin Rongyin. He decided to come to the palace at night and ask Qin Rongyin for help.

In Meihui's heart, Qin Rongyin was her eldest brother's confidante, and the two had given birth to Yue Wuya, and they were deeply in love. If they knew that the Ouyang family was captured by King Guangping, they would definitely help.

After the decision, Mei Hui sneaked into the palace at night.

found it!

Soon, Mei Hui walked around the palace and found the bedroom where Qin Rongyin was resting.

At this moment, Mei Hui did not hesitate at all, quietly opened the door, and walked in.

"Who?!"

As soon as she entered, she heard a nice voice, and Mei Hui followed the voice and was overjoyed.

I saw a slender figure sitting quietly on the exquisite and luxurious soft cave inside, with a graceful appearance and a serene temperament all over his body.

It was Qin Rongyin.

"Sister Qin!" Meihui showed a smile, walked over and said, "Don't take offense when visiting late at night!"

"Meihui?"

Seeing that it was Meihui, Qin Rongyin trembled and was surprised: "Why are you here?" I thought it was the servant who didn't have a long memory, but he forgot to knock on the door when he came in, but he didn't expect it to be Meihui. You know, Qin Rongyin and Meihui Haven't seen each other for years.

Ugh!

Meihui sighed softly, unable to hide her anxiety: "The Ouyang family was arrested by King Guangping, Sister Yingying, Brother Dasheng, and many others are all locked in the cell, I want you to help me save them out. ."

When she said this, Mei Hui's eyes flashed with urgency.

This...

Hearing this, Qin Rongyin's expression darkened, and she said sadly: "I have heard about this, and I persuaded King Guangping before, but he didn't listen to me at all, and asked me not to interfere. This matter. Son, I'm afraid there's nothing I can do."

Trapped in the palace these years, unable to help himself, how can he be able to save people.

Mei Hui's face was stunned, and she felt that her inner hope was suddenly dashed.

"Sister Qin, don't you have the heart to watch and ignore it?" Mei Hui became anxious and took Qin Rongyin's hand.

Qin Rongyin smiled bitterly, not knowing how to respond for a while.

"His Majesty is here!"

Just as he was speaking, he heard a loud shout from outside, followed by the sound of footsteps in the distance.

Oops!

At this moment, Mei Hui and Qin Rongyin both changed their pretty faces and panicked.

"Oops, King Guangping is here. If I see you here, I won't let it go easily!" Qin Rongyin trembled, panicked.

Hearing the sound of footsteps getting closer, Mihui bit her lip tightly, and her heart was also confused.

How to do?

Originally, I came to Qin Rongyin to save people tonight. If he was caught, he would lose more than the gain.

In the next second, Mei Hui's mind changed, she had an idea, and said to Qin Rongyin, "Sister Qin, I'm sorry." The voice fell, and her jade hand raised, hitting Qin Rongyin on the back of the neck all at once.

puff.

Chapter 2855 With

this palm, Qin Rongyin didn't respond at all, and suddenly fainted.

Without the slightest hesitation, Meihui hid Qin Rongyin behind the screen inside, then changed into a long court dress, and sat in front of the mirror, casting 'Immortal Faces'.

At this time, if there were other people in the palace, they would definitely be shocked, because in the blink of an eye, Mei Hui had transformed into Qin Rongyin's appearance.

That's right, Meihui has thought about it. She will pretend to be Qin Rongyin and attack King Guangping later. Since there is no other way, the people who save the Ouyang family will directly assassinate King Guangping. When the palace is in chaos, he will be able to take the opportunity to infiltrate the prison.

Speaking of which, if it was three years ago, Meihui would definitely not have the courage, but after worshipping Fang Qifo as a teacher, she has learned a thousand faces, and after wandering in the rivers and lakes for a while, she has matured a lot, and it is easy to encounter things. Calm down quickly.

Squeak!

At this moment, the palace door was pushed open, and then King Guangping walked in slowly with a smile on his face.

Swish!

At this moment, King Guangping's eyes fell on Meihui. I saw that she was wearing a long dress, and her figure was slender and graceful, and she was unbelievably beautiful.

At this time, King Guangping did not realize that the concubine in front of him was disguised by another person.

"Madam, I'm here to see you!" At this time, King Guangping walked over slowly and came to Meihui.

Meihui smiled lightly: "Thank you for your love, Your Majesty!" After speaking, she stood up and gave her a salute.

At this moment, Meihui had a charming smile on her face, but she was also a little uneasy in her heart. You must know that the emperor in front of her was the emperor of the Apocalypse Continent. Once something went wrong, it would be irreversible.

However, when she thought of Ren Yingying and others who were locked in the prison, Meihui's eyes suddenly became firm.

"Why are you being so polite to me?" King Guangping smiled slightly, walked straight over, sat on the soft slump, and said with emotion: "I have been busy with business

recently, and I am too tired. I can't accompany my wife often, my wife will not Do you blame me?"

Meihui smiled and said, "Since you're tired, you should rest a lot, why would I blame you?"

Haha...

Hearing this, King Guangping was very relieved, couldn't help laughing, and then waved his hand. : "Madam, come and sit, let me take a good look!"

How could Mei Hui go over and sit? After thinking about it, he quickly walked to the side and said softly, "Your Majesty, wait a moment, I'll make you a cup of tea."

"Okay, okay!"

King Guangping nodded repeatedly, looking at Meihui with a smile, very excited.

Ever since King Guangping took the emperor's seat and trapped Qin Rongyin in the palace, Qin Rongyin was lukewarm to him, which made King Guangping very helpless.

But today, the lady not only showed her gentleness and kindness, but also took the initiative to make tea for herself. How could King Guangping not get excited?

Soon, Meihui brewed tea and brought it to King Guangping: "Your Majesty, be careful!"

"Okay!" King Guangping took it with a smile and was about to taste it.

"Go to hell, you wicked man!"

However, at this moment, King Guangping held the teacup and just brought it to his lips, when he saw Meihui, who was smiling, suddenly became frosty and gave a coquettish drink.

hum!

Immediately afterwards, a powerful aura erupted from Meihui's body, and she slapped it fiercely, hitting King Guangping's heart directly.

Yes, the gentleness and kindness that Meihui has always shown before is to let King Guangping relax his vigilance and wait for the opportunity to shoot!

"Madam? You..."

King Guangping was extremely frightened, and he never thought that the lady, who had always been gentle, would suddenly attack him. At this moment, he wanted to dodge, but Meihui was too fast to dodge.

Speaking of which, King Guangping's cultivation strength is also very strong, but because he is unprepared, Meihui has the opportunity to take advantage.

Bang!

This palm, which contained ten layers of beauty and skill, hit King Guangping's heart ruthlessly, and when he heard a scream, he flew straight up, knocked over the screen behind him, and fell heavily to the ground.

The ultimate husband in Chinese chapter 2856-2860

Chapter 2856

Pfft!

At this moment, King Guangping's face was pale, and he opened his mouth and spat out a mouthful of blood.

"Madam, why is this?" King Guangping stared at Meihui, his eyes full of surprise.

"See clearly, who is your wife?"

Mei Hui sneered, raised her hand to wipe her face, and changed back to her original appearance.

What?

Seeing this scene, Guangping Wang's heart was shocked, and he was immediately stunned.

How could this be? She... is she not a lady?

Thinking to himself, King Guangping tilted his head to see Qin Rongyin, who had passed out behind the screen, and immediately understood something.

"I recognize you, you are the second young lady of the Ouyang family." King Guangping glared at Meihui with a grim face: "You are very courageous, you dare to rush into the palace at night to assassinate me, I want your entire Ouyang family to be completely Disappear."

Saying that, King Guangping was about to stand up, but his heart was damaged, and he couldn't exert any strength at all.

“You villain!”

Mei Hui took a deep breath and looked at King Guangping coldly, without the slightest pity in her eyes: “Three years ago, you killed Sister Yingying’s father, seized the throne, and then arrested all the people in Diyuan Continent. The big sect is extremely abhorrent, and now, you want to deal with our Ouyang family.”

“Even if you are Wuya’s adoptive father, I can’t keep you!” After the

voice fell, Meihui pulled out her dagger and stabbed it directly at King Guangping’s heart. .

This chapter is provided by . Visit for daily update.

“Mother!”

Seeing the dagger, he was about to stab the center when he suddenly heard a shout from outside.

It was Yue Wuya’s voice.

Ya’er?

At this moment, Mei Hui’s delicate body was shocked, without any hesitation, her figure was astonishing, and flew out directly from the rear window.

Meihui didn’t want to kill King Guangping in front of Yue Wuya. After all, Yue Wuya was the son of the eldest brother. And the King of Guangping had the grace of nurturing him.

As soon as Mei Hui left, the door of the bedroom was pushed open, and then Yue Wuya walked in quickly.

This...

Seeing the scene in front of him, Yue Wuya’s body was shocked, and he was stunned and froze there, completely stunned.

I saw that King Guangping was lying there covered in blood, and had passed out, and his mother’s eyes were closed.

“Someone!” In the

next second, Yue Wuya rushed over, first checked Qin Rongyin, and after confirming that everything was fine, he shouted outside, “Someone, there are assassins!”

Whoa!

The voice fell, and the patrol guards outside rushed in immediately.

“Someone broke into the palace and assassinated His Majesty.” Yue Wuya took a deep breath and said calmly: “Immediately block the palace, search every corner, and be sure to find the murderer, hurry!” “Yes ,

His Royal Highness!”

The news of King Ping’s assassination spread all at once, and the entire palace was in chaos.

In the bedroom, Yue Wuya stayed on the soft couch, quietly watching the unconscious King Guangping, and fell into deep thought.

In Yue Wuya’s heart, he has always respected King Guangping. If it wasn’t for him, he might not have grown up smoothly, but in these years, King Guangping has been determined to get rid of his biological father Yue Feng and the Ouyang family. It was very sad to have Yue Wuya caught in the middle.

And now, King Guangping was assassinated, is it God’s will?

At this moment, Yue Wuya thought to himself, and a terrible thought flashed in his mind.

If King Guangping dies, wouldn’t there be so much trouble?

While murmuring in his heart, Yue Wuya was about to do it, but when he thought of how he cared for him from childhood to adulthood, King Guangping held back his love for him.

....

On the other side, while the palace was in chaos, Mei Hui quickly slipped out.

Afterwards, Mei Hui did not hesitate, and once again used ‘Immortal Faces’, changing into Qin Rongyin’s appearance, and went directly to the palace prison.

Right now, in prison.

Chapter 2857

Sun Dasheng, Ren Yingying and others, sitting in the cell one by one, looked sad.

It’s been two days, and I don’t know if Ya’er has come up with a solution.

Boom!

At this moment, the cell door was pushed open, and then, more than a dozen cell guards, guarding a slender figure, walked in slowly, it was Mei Hui.

Of course, at this time, Mei Hui was dressed as Qin Rongyin.

“Princess Concubine, all the prisoners are here, none of them ran away!” At this time, the leading guard respectfully spoke to Meihui.

Just now, Meihui used His Majesty’s assassination as an excuse to check the prison for repeat offenders, and none of these guards had the slightest suspicion.

is her!

Seeing this scene, whether it was Ren Yingying, Sun Dasheng and others, they were all stunned.

This Qin Rongyin was Yue Feng’s woman. She was imprisoned in the palace by King Guangping for several years and lost her freedom. Why did she suddenly come to the cell today? Could it be that you are here to rescue these people?

“Very good!”

At this moment, Meihui looked around and saw that everyone was safe and sound, she was very excited, but she showed an indifferent look: “Just now, His Majesty was assassinated, it must have something to do with these people, Ben Gong wants to interrogate them properly.”

“Bring them all out!” The

voice was not loud, but there was no doubt.

Speaking of which, Meihui really wanted to meet Ren Yingying, but considering so many guards around, she held back.

Moreover, with the strength of Meihui at this time, it would not be a problem to forcibly take Ren Yingying and everyone away, but Ren Yingying and everyone have no internal strength. Once they are pursued by the Imperial Forest Army, the consequences will be disastrous.

What?

Hearing this, Sun Dasheng and Ren Yingying’s expressions changed, and their hearts were full of surprises.

Fortunately, the sky has eyes, and King Guangping was assassinated.

What was astonishing was that this woman actually interrogated her people for the sake of King Guangping.

Thinking about it, everyone was terrified.

“This...!”

At this time, the leading guard looked embarrassed and hesitated: “Miss, I’m afraid this is inappropriate. Before, His Majesty specially ordered, without his verbal order, no one can take these repeat offenders away.

” !

Hearing this, Meihui’s face froze, and she said coquettishly: “What? Is this palace’s words useless to you? Now that His Majesty is unconscious, the most urgent task is to catch the murderer. If it is delayed, can you afford it?

” Don’t dare, don’t dare!”

Seeing the ‘Niangniang’ getting angry, the guard trembled and quickly shook his head.

The next second, the guard waved his hand: “Come on, take these repeat offenders out so that the empress can interrogate them.”

Whoa!

The voice fell, and the surrounding guards came over and escorted Ren Yingying and everyone out of the cell one by one.

“Qin Rongyin!”

At this moment, Ren Yingying looked at Meihui, unable to hide the complexity in her heart, and said softly, “Why? Isn’t it a good thing for you that King Guangping was assassinated? As soon as he dies, you can be with Yue Feng. Reunion, why do you still need to investigate the murderer?” The

voice fell, and Sun Dasheng said excitedly: “Brother and sister, don’t talk about it, I think this woman has become accustomed to prosperity and wealth, and has long forgotten her style!” When

he said this, Sun Dasheng was very is angry.

In Sun Dasheng’s heart, he has always sympathized with Qin Rongyin. The two people who clearly loved each other could never be together, but at this moment, the sympathy in his heart disappeared all of a sudden.

“Yes, I’ve long forgotten about Yue Feng.”

Facing Ren Yingying’s questioning, Mei Hui took a deep breath and replied coldly on purpose, but she blinked at Ren Yingying in secret.

Um?

Ren Yingying is a smart woman, and when she noticed Meihui’s wink, she was shocked.

She is not trying to interrogate these people, but to save everyone?

Soon, under Meihui’s order, the guards took Ren Yingying and everyone out of the prison.

Chapter 2858

Because the prison was relatively close to Ximen, she got out of the prison, and Mei Hui took everyone to Ximen directly.

“Niangniang!”

At this time, the leading guard realized that something was wrong and couldn’t help but say, “It’s not about interrogating these prisoners...”

Before she finished speaking, she saw Meihui showing a deep smile, then raised her jade hand, The palm called towards the lead guard. The reason why she didn’t do anything before was because there were too many guards in the imperial city, but now that she has left the imperial city, Meihui has no more scruples.

boom!

Mei Hui’s shot was very quick, and the lead guard couldn’t react at all, groaned, and fell directly to the ground.

What?

Seeing this scene, the surrounding guards were all shocked, and then, all of them suddenly showed pain. At this time, these guards clearly felt that their inner strength could not be exerted, and at the same time, their bodies were also limp.

Yes, when Meihui entered the prison before, she poisoned these guards, and the leading guard was relatively strong. Just in case, Meihui chose to stun directly.

“I...seem to be poisoned, and I can’t exert my internal power at all...”

“Oops, I’ve been poisoned too!”

“Mother, why...” A

dozen guards, panicked, looked at Meihui at the same time , Just before saying a few words, these guards collapsed to the ground, unconscious.

This...

seeing this scene, whether it is Ren Yingying or Sun Dasheng, they are all pleasantly surprised.

Especially Ren Yingying, who stared at Meihui closely, was very relieved, knowing that Mrs. Qin would not forget Yue Feng.

At this time, Ren Yingying thought that the person in front of her was Qin Rongyin.

“Big sage brother.”

At this moment, Mei Hui removed the disguise on her face and looked at everyone with a smile: “You sisters, you are suffering.”

Mei Hui?

Seeing her, everyone was surprised and happy, what’s going on? Qin Rongyin in front of her was actually pretending to be Meihui?

Also, where did she learn the art of camouflage? It’s so amazing, it’s almost impossible to tell whether it’s true or false.

“Little sister!”

Finally, Ren Yingying was the first to react and looked at Meihui curiously: “What the hell is going on? How did you pretend to be Mrs. Qin?”

At the same time, everyone around was watching closely. Looking at Meihui, waiting for her answer.

Meihui smiled lightly: “If I don’t pretend to be her, how can I save you? As for my disguise, I will explain it to you when I have time in the future.” After speaking

, Meihui glanced at the direction of the imperial city and continued. : “I assassinated King Guangping just now, and now the palace is in chaos. It is estimated that the Royal Forest Army will search over soon, so let’s go quickly.”

What?

She... assassinated King Guangping.

At this moment, everyone was startled again, but seeing that Meihui was not joking, they hurried to the distance, and disappeared into the night in a blink of an eye.

Everyone knows that the assassination of King Guangping is no trivial matter, and we must leave here quickly.

...

On the other side, the Apocalypse Palace.

King Guangping was assassinated, and the entire court and opposition were shaken. In the palace, patrols with torches could be seen everywhere, searching everywhere. People in the palace were panicked and the atmosphere was extremely depressing.

At this time, in Guangfu Palace, King Guangping was lying on the dragon couch. Because of the trauma to his heart, he had passed out of a coma.

Next to him, Yue Wuya was quietly guarding, and the civil and military officials on both sides stood there quietly, each with a complicated expression and anxiety in his heart.

Just now, after Yue Wuya discovered that King Guangping had been assassinated, he hurriedly took him to Guangfu Palace, and then sent someone to summon civil and military officials. As for Qin Rongyin, because there was no injury, Yue Wuya was not worried for the time being.

Chapter 2859

Call!

At this time, seeing that King Guangping's situation was not optimistic, Yue Wuya took a deep breath, feeling very upset.

Just now, Yue Wuya ordered the eunuch to get a lot of elixir from the palace, but King Guangping did not improve. Not only that, but the civil and military officials also proposed some methods, but none of them worked.

"The Imperial Physician Luo is here!"

At this moment, I heard a burst of agitation, and then, an old minister with silver hair walked quickly into the bedroom. He looked old, but he was in good spirits. It was the famous Tianqi Palace. The imperial physician, Luo Ping.

In an instant, the civil and military officials rushed up to meet him, and Yue Wuya also quickly got up.

Luo Ping was the elder of the dynasty, and King Guangping had to give three points when he saw him.

“Doctor Luo, take a look..”

“Yes, Your Majesty’s situation seems to be very bad.”

“Don’t be afraid, Imperial Doctor Luo definitely has a solution.”

Everyone was talking in a row, Yue Wuya was inexplicably irritable.

In the next second, Yue Wuya looked around and said coldly: “The Imperial Physician Luo has already arrived, everyone please be safe and don’t be impatient, and go out first, so as not to hinder the Imperial Physician Luo from giving a diagnosis to His Majesty.”

Hula!

When the voice fell, the civil and military officials quickly shut up one by one, and then walked out of the palace one after another. Although Yue Wuya is not His Majesty’s biological prince, he is fond of him. Moreover, Yue Wuya is powerful and has a high prestige in the court. Who would dare to contradict him when he speaks at this time.

“Doctor Luo, hurry up and see how your father is doing.” Yue Wuya said politely to Luo Ping when everyone went out.

Luo Ping nodded, first looked at King Guangping’s face, and then began to take his pulse.

Ugh!

After dozens of seconds, Luo Ping sighed, his expression was very solemn, and said to Yue Wuya: “His Royal Highness, Your Majesty’s injury is very serious, the assassin’s palm will break the heart, unless there is a phoenix gall, or a pan The dragon spirit is fine.”

What?

Hearing this, Yue Wuya’s body was shocked, and his heart sank to the bottom.

Of course, Yue Wuya knew about Phoenix Gall and Panlong Jing. When he was in the Ouyang family, he heard that Phoenix Gall was rescued by his father Xiao Yuruo, while Panlong Jing was snatched from Fang Family in Xuanye Continent. Save the little fairy of Fuyao Palace.

These two things capture the essence of heaven and earth, contain silent vitality, and are treasures among rare treasures. There is only one copy in the world. After being used, there will be no more.

Thinking about it, Yue Wuya became a little anxious, and couldn't help but say, "Tianyi Luo, is there any other way?"

When he said this, Yue Wuya couldn't be more anxious. Although King Guangping was not his biological father, he could stay. He is better than his biological father and son, how can he watch him die?

This...

Luo Ping frowned, and suddenly pondered: "Yes, but there are some risks..."

Before he finished speaking, he saw King Guangping, who was in a coma, suddenly jolted and sat up suddenly. He got up and shouted: "Bold assassin, dare to pretend to be a lady to assassinate me, I will smash your corpse into ten thousand pieces."

At this time, King Guangping's expression was crazy and very scary.

Phew...

At this moment, Yue Wuya and Luo Ping were both startled.

Immediately afterwards, Luo Ping reacted and said with joy: "Great, Your Majesty woke up by himself. It seems that in recent years, His Majesty has often taken natural treasures, so his physique is stronger than ordinary people."

Yue Wuya was also overjoyed. , and also had some doubts.

What did the emperor just say? That assassin pretending to be his mother?

"Y'er!"

At this moment, King Guangping stared at Yue Wuya and shouted, "I immediately pass on my order to behead all the Ouyang family and others who are imprisoned in the prison."

When he said this , King Guangping's eyes flashed with endless anger.

Luo Ping is right. After becoming emperor, King Guangping has taken a lot of natural and earthly treasures over the years, and his physical defense is much stronger than ordinary people, so he woke up, and the first thing he woke up was to kill. Those from the Ouyang family.

Chapter 2860

What?

Yue Wuya's heart was shocked, but his head was buzzing.

"Father, why did you kill the Ouyang family?" Yue Wuya couldn't help but asked while shocked.

King Guangping covered his heart, coughed, and said ruthlessly: "Why? That second lady of the Ouyang family, pretending to be your mother to assassinate me, cannot be punished, and no one related to her can escape." With

that, King Guangping urged Said: "Go and give an order."

This...

Hearing this, Yue Wuya was completely dumbfounded, almost unable to stand, and took two steps back.

In the next second, Yue Wuya hurriedly knelt down and pleaded with King Guangping: "Father, please calm down first, there must be something strange about this matter, I am young... The second young lady of the Ouyang family is of average strength. , how could I assassinate you?"

Yue Wuya originally wanted to call her sister-in-law, after all, Meihui was Yue Feng's little sister, but when she saw King Guangping's angry look, she quickly changed her words.

Moreover, it was impossible for Yue Wuya to order the execution of the Ouyang family. After all, they were all his father's family.

At this time, Yue Wuya did not know that the members of the Ouyang family had been rescued by Meihui.

"You..."

Looking at Yue Wuya kneeling on the ground, King Guangping became angry and shouted angrily: "Y'er, you dare to disobey the imperial decree? Well, very good, it really is flesh and blood, and the Ouyang family is your own. Father's house, you can't bear it, right?"

"If you resist the decree, I will lock you up too."

Yue Wuya knelt there, gritted his teeth secretly, and didn't say a word.

Even if you are punished, you can't go out and give orders.

For a while, the huge Guangfu Palace was silent and the atmosphere was extremely solemn.

"Your Majesty, rest your anger!"

At this moment, Luo Ping couldn't help but comfort him: "To deal with the affairs of the Ouyang family, don't worry for now. The most important thing now is your Majesty's injury."

After speaking, Luo Ping glanced at Yue Wuya, Continuing: "Your Majesty can wake up by himself, it can be seen that His Majesty's good fortune is very good. The old minister has a way to restore His Majesty's heart to the way it was before, but he still needs His Royal Highness's help."

Phew!

Hearing this, King Guangping took a deep breath and suppressed his anger: "What can I do, say it!" To

be honest, King Guangping was very angry when he saw Yue Wuya's disobedience, but when Luo Ping spoke, he could only Give up temporarily, after all, Luo Ping is a senior in the court, so he has to give some face.

Luo Ping pondered for a while, and said slowly: "It is necessary to take out gold, wood, water, fire, soil, and five types of spiritual beast inner pills from the treasure house in the palace. These inner pills contain the essence of heaven and earth, which can temporarily make up for your majesty's wounded heart. "

The old minister wants to integrate the power of these five kinds of inner pills into His Majesty's heart, but the old minister's internal strength is limited, so he still needs the help of the prince."

"Okay!"

A smile appeared on the weak face of King Guangping, He nodded and said, "If that's the case, then hurry up and prepare."

With that, King Guangping tilted his head and glanced at Yue Wuya: "Ya'er, after you help, go to the harem to accompany your mother, all matters related to the imperial court. , don't interfere, you know?"

What?

At this moment, Yue Wuya was shocked and instinctively resisted.

Obviously, the father emperor insisted on executing the people of the Ouyang family, and planned to put himself under house arrest in the harem.

Thinking to himself, Yue Wuya really wanted to refute, but seeing King Guangping's resolute expression, he didn't dare to disobey for a while, so he nodded and said, "My son leads the order!"

At the same time as he agreed, Yue Wuya was very anxious.

How to do? Could it be that the Ouyang family is really helpless?

Soon, at Luo Ping's order, the little eunuch brought the inner elixir. These inner elixir are all treasured by the palace, and each one is the inner elixir of the emperor's realm.

Next, Luo Ping began to talk about the power of these inner alchemy, which was integrated into the heart of King Guangping, with Yue Wuya assisting him.

It has to be said that Luo Ping, as the first imperial physician of the palace, has excellent medical skills. In the blink of an eye, he successfully integrated the power of the four inner alchemy into the heart of King Guangping.
