

The ultimate husband in Chinese chapter 2861-2865

Chapter 2861

And Yue Wuya, although he has been assisting by the side, seems calm, but he has been thinking about the Ouyang family.

“His Royal Highness!”

When he was about to fuse the fifth one, Luo Ping looked serious and said to Yue Wuya, “This fifth one is the most important thing. If it fails, it will fail. Although it will not cost His Majesty’s life, But it is also very likely that His Majesty will call it ‘Stupid’.”

Stupidity is an ancient name, in other words, a vegetative person.

Stupid?

Hearing this, Yue Wuya was stunned for a moment, and couldn’t help but muttered in his heart.

That is to say, if it fails, the father will not die, but will lose all abilities.

Thinking of this, Yue Wuya nodded: “I see, Imperial Physician Luo, let’s continue!”

Hmm!

Luo Ping nodded, picked up the fifth inner alchemy, and prepared to merge, but at this moment, Yue Wuya’s eyes flashed, he raised his hand, and punched Luo Ping’s heart directly.

To be honest, Yue Wuya originally wanted to take action against Luo Ping, but King Guangping wanted to kill the Ouyang family. Yue Wuya could not stop him, so he had to take a risk.

Luo Ping also said just now that if the fusion of the inner alchemy fails, King Guangping will not die.

“Y’er? You...”

“His Royal Highness!”

At this moment, whether it was King Guangping or Luo Ping, they were all shocked. They never thought that Yue Wuya would suddenly attack.

This chapter is provided by . Visit for daily update.

In shock, Luo Ping wanted to dodge, but he was too old, and Yue Wuya's shot was so quick that he couldn't dodge at all.

Bang!

This palm, containing the tenth layer of Yue Wuya's skill, hit Luo Ping's heart ruthlessly, and when he heard a miserable cry, the whole person flew straight up, and finally hit the pillar at the door before falling heavily.

The moment he landed, Luo Ping spurted blood and swallowed his last breath.

"I'm sorry!"

Looking at Luo Ping's tragic death, Yue Wuya only felt that both hands were shaking, and his eyes flashed with struggle and guilt: "I'm sorry, Imperial Physician Luo, I don't want to kill you, but I really have no choice.

", Yue Wuya intends to turn King Guangping into a vegetative state, the stakes are very important, and the second person must not know about it.

Therefore, Luo Ping must die.

When the words fell, Yue Wuya turned around and looked at King Guangping quietly.

"Y'er, you..."

Interrupted at a critical moment, King Guangping's face was extremely pale, and he looked at Yue Wuya in shock and anger: "Why did you do this?"

"Father."

Yue Wuya took a deep breath With tears in his eyes, he choked and said, "I have always respected you in my heart, and sometimes I even regard you as my biological father, but... But I can't just watch the Ouyang family go wrong, don't worry, you will change. After you become 'stupid', my mother and I will take good care of you!"

"As for the Apocalypse Continent, you can leave it to me!"

King Guangping was so angry that he wanted to rush over, but he had no energy at all, not only In this way, King Guangping found himself speechless.

This is the sign of becoming 'stupor'.

"Someone..."

Seeing this scene, Yue Wuya wiped away the tears from the corners of his eyes and shouted at the outside of the hall.

Soon, the guards outside the hall, as well as the civil and military officials, rushed in quickly after hearing the shout.

This.. what's the situation? !

Entering the hall, everyone was stunned when they saw the scene in front of them, froze there, completely stunned.

I saw that Luo Ping was covered in blood and had no breath. On the other hand, King Guangping was lying on the dragon couch. Although he opened his eyes, he did not respond at all.

Chapter 2862

"My lords!"

Yue Wuya looked around and said with a look of grief and indignation: "In the process of Taiyi Luo's treatment of the father, in addition to mistakes, the father became 'stupid', as a senior official in the court, but Make such a mistake, you deserve to die!"

When he said this, Yue Wuya looked at Luo Ping's body and felt very guilty.

Imperial Physician Luo, I'm sorry, for the sake of the overall situation, I can only put the blame on you.

Whoa!

At this moment, when they heard Yue Wuya's words, everyone reacted in shock.

"This... Imperial Physician Luo is very skilled, how could such a mistake happen..."

"It may be that His Majesty, who was too old and neglected for a while, became like this, sigh..."

"How can this be done? "

There was a lot of discussion, and no one doubted Yue Wuya's words, and they all felt sorry for Luo Ping.

Nizi... actually reversed black and white.

At this moment, King Guangping was extremely angry, and kept shouting in his heart, yes, although he couldn't move or speak, he was sober, and he could hear the words of everyone in the hall clearly.

"His Royal Highness!"

At this moment, under the discussion of everyone, one of them knelt down to Yue Wuya in public: "Now that Your Majesty has become like this, it is really unfortunate for us in Tianqi Continent, but there can be no king in the court for a day. Please also enthrone your Highness as soon as possible!"

"Yes, the assassin has not been found yet, please enthrone your Highness today and preside over government affairs!"

"Be sure to catch the assassin and avenge your majesty!"

"Please, Your Highness, enthrone as soon as possible.."

In an instant, in the entire Guangfu Palace, all the civil and military officials knelt down and shouted in unison.

Um!

Seeing this scene, Yue Wuya hesitated, then nodded: "Then pick a day and prepare for the enthronement ceremony. By the way, the most important thing now is to find a way to wake up the father."

"Pass my order . . , immediately send people to various continents to look for famous doctors."

"Yes, Your Majesty!" The civil and military officials responded in unison.

call!

Yue Wuya took a deep breath and tilted his head to look at King Guangping lying there. He secretly said in his heart, "Father, Emperor, although I am not filial, it is also God's will, so you can rest in peace.

"Report!"

At this moment, a prison guard rushed in in a panic, sweating profusely, and shouted at Yue Wuya: "Your Highness, it's not good, the people of the Ouyang family have all been kidnapped. ."

What?

Hearing this, the expressions of the surrounding civil and military officials changed greatly, and they were all shocked and angry.

Great, the Ouyang family was saved.

Yue Wuya was also stunned for a moment, and his heart was full of surprises, but he still had a very angry look on his face: "The felon ran away? What's going on?"

"Last night there was a woman who pretended to be a concubine. Take the people of the Ouyang family out of the prison, saying that they are going to interrogate..." The prison guard Mantou was sweating coldly and stammered out the situation.

When he said this, the guard was so nervous that he couldn't even kneel. Repeat offense and escape, this is a serious crime of dereliction of duty.

Whoa!

At this moment, the entire hall was in an uproar, and the civil and military officials were all angry.

"It's so maddening, you're actually pretending to be the goddess. You're so bold! You're so bold!"

"These repeat offenders must not be easily forgiven!

"

Send the garrison to pursue. At this moment, Yue Wuya

looked expressionless and looked around coldly: "Now the situation in Kyushu is chaotic, the Imperial Forest Army cannot be easily mobilized, and the most important thing now is to find a famous doctor and treat the father and emperor."

He waved his hand: "Okay, let's all back down."

Chapter 2863 The

Ouyang family finally escaped from the prison, how could it be possible to send the Royal Forest Army to pursue it?

"Yes, Your Majesty!"

Seeing Yue Wuya saying this, the civil and military officials looked at each other in dismay, and they all stopped insisting and left the hall one after another!

Watching everyone leave, Yue Wuya ordered the eunuch to take good care of King Guangping and walked out.

My mother has been in a coma for so long, I don't know if she has woken up.

For a time, the huge Guangfu Palace suddenly became deserted.

At this time, King Guangping lying there, in addition to being angry, he was also very anxious. He wanted to get up and summon civil and military officials, but because of the failure to integrate the inner alchemy, he has become a vegetative person, and he can't do anything except clear his mind.

Ya'er, I treat you like my own, but you treat me like this? !

I'm so unhappy.

In his heart, King Guangping kept shouting madly. At the same time, the father and son's love for Yue Wuya slowly turned into hatred in the endless anger.

Before you know it, it gets dark outside.

After the night, the little eunuch who was guarding in front of Wang Long's couch in Guangping also went to rest.

Whoosh!

At this moment, a black shadow, like a ghost, entered the hall silently.

"Tsk tsk..."

When he arrived in front of Longta, he saw King Guangping lying there. Although he opened his eyes, he couldn't move. Hei Ying was stunned for a while, and finally shook his head and sighed, "It's a shame I ran so far. You have become like this."

This man's face was pale and his tone was gloomy, and it was the messenger of Hades, Gong Hao.

Who is this person?

At this moment, although King Guangping couldn't speak, he could feel the Yin Qi in Gong Hao's body. While surprised, he was also somewhat flustered.

"Don't panic!"

Feeling the panic of King Guangping, Gong Hao smiled slightly and said lightly: "I won't hurt you, it's just a pity, you King Guangping is also a generation of heroes, His Majesty

Pluto appreciates it very much, and sent me here specially Looking for you to cooperate, but I didn't expect it, it's still a step late."

Hades?

Hearing this, King Guangping was shocked, what is this existence?

"Pluto is the ruler of the ghost world." Gong Hao's expression showed a hint of respect: "If you die, you will also enter the ghost world, understand?"

"You?"

At this moment, King Guangping was very shocked, looking at Gong Hao: "Can you hear what I'm saying?"

"Of course, I'm the messenger of Hades." Gong Hao looked at him with a half-smile: "Of course I can hear what you're saying."

Yes, at this time Although King Guangping couldn't move or speak, Gong Hao, as the messenger of Hades, could hear what King Guangping said in his heart through his thoughts.

"Pluto sent you here, why are you asking me to cooperate?" King Guangping forced himself to calm down and asked.

Gong Hao chuckled lightly and said slowly: "Naturally it is a major event for the hegemony of Kyushu."

After speaking, Gong Hao looked up and down at King Guangping, his eyes couldn't hide the loss: "It's just that you have become like this now, it seems that It's useless to Hades." As the

voice fell, Gong Hao was about to leave.

"etc!"

At this moment, King Guangping couldn't help shouting in his heart, very urgent: "Since you are the messenger of Hades, there must be a way to make me return to normal, I beg your Excellency to save me."

Gong Hao stopped, thought about it, and turned back. Said : "There is a way, it depends on whether you want it or not." After speaking

, Gong Hao took out a medicinal pill from his body, and continued: "This is His Majesty Pluto's Jiuyou Xuanming Pill. It 's back to normal."

Great!

King Guangping was overjoyed and couldn't be more excited, but at this moment, he heard Gong Hao's words turn his head: "But you must also be clear that after taking the Nine Nether Profound Ming Pill, your soul belongs to Hades. In other words, in the future, You are the puppet of His Majesty Hades."

What?

Hearing this, King Guangping's heart was shocked, and he was immediately stunned.

Chapter 2864

King Guangping at this time, caught in the battle between heaven and man, is very tangled.

The emperor of his own dignified Apocalypse Continent is extremely noble, how can he be the puppet of Hades?

But if you don't agree, will you be lying half-dead for the rest of your life?

"If you don't want to, I won't force it!"

Seeing that King Guangping's eyes flashed and he refused to respond for a long time, Gong Hao couldn't wait: "I will leave before dawn, you should think about it."

"Okay! The

voice fell, and King Guangping gritted his teeth secretly, and made a decision: "I will."

To be honest, King Guangping didn't want to agree at all, but there was no way, in order to regain his power, there was only one way to choose.

Um!

Seeing his agreement, Gong Hao was stunned for a moment, then nodded approvingly, then walked over, stuffed the medicinal pill into King Guangping's mouth, and said at the same time, "As expected of a generation of heroes, he is still decisive."

Om!

At this moment, after taking the medicine pill, King Guangping was surprised to find that his body slowly regained his intuition. Not only that, but the inner strength of his dantian gradually recovered. What made him even more happy was that his damaged heart vessels were also heal slowly.

Is this the effect of Jiuyou Xuanming Pill? Amazing.

However, King Guangping also noticed that while he was recovering his inner strength, there was also an evil force that penetrated into his dantian. It was the evil force only found in the ghost world.

“King Guangping!”

Gong Hao watched quietly, and when King Guangping sat up slowly, he smiled and said, “Congratulations on your recovery, from now on, you and I are our own people, and we will work hard for Hades in the future. .”

Saying that, Gong Hao took out a piece of talisman paper that shone with a faint blue light: “At this time, the shielding talisman, when worn on the body, can hide the evil spirit of your body, and it is not easy to be discovered.”

“Understood... .”

King Guangping responded and put away the shielding talisman.

Immediately afterwards, King Guangping took a deep breath and said to Gong Hao, “Thank you, Your Excellency the messenger.”

“Don’t be too busy to thank you!” Gong Hao smiled slightly, with slyness in his eyes: “Next, there are still things that need you to be the King of Pluto. Go do it .”

“Your Excellency, please tell me!”

Gong Hao walked back and forth a few times, saying word by word: “The Nine Heavens Saintess are scattered in Kyushu, and their whereabouts are unknown. The King of Pluto needs you to find out the whereabouts of these saintess. These saintess are in control.”

Gong Hao’s eyes flashed a treacherous smile when he said this.

Yes, Pluto sent Gong Hao here to cooperate with King Guangping and use the power of the Tianqi royal family to investigate the whereabouts of Jiutian Xuannv.

Gong Hao thought it was a chore, because King Guangping was very cold and arrogant, and it didn’t necessarily make sense. As a result, he saw that King Guangping had turned into a vegetative state. This was a godsend for Gong Hao, so he took out nine Youxuan Mingdan, bewitched King Guangping and turned him into his own.

Saintess of the Nine Heavens?

Hearing this, King Guangping was stunned and frowned.

With such a special name, who is this person?

“King Guangping!”

Seeing the expression on King Guangping’s face, Gong Hao said lightly, “I don’t want to reveal the specifics. In short, if you meet someone who claims to be the Holy Maiden of the Nine Heavens, you must find a way to control it, and then use the Spirit Gathering Orb. Let me know.”

After speaking, Gong Hao handed King Guangping a green bead, which was crystal clear and full of yin, and it was the unique gathering spirit bead unique to the messenger of Hades.

The Juling Pearl is something that only exists in the ghost world. Through the Juling Pearl, King Guangping can pass the news to Gong Hao.

“Okay, I see!” King Guangping nodded and agreed.

Even if you don’t agree, it won’t work. At this time, he is already the puppet of Hades and can’t help himself.

“Okay, I won’t disturb your rest.” Gong Hao smiled evilly, turned and walked out of the hall, disappearing into the night in the blink of an eye.

call!

At this moment, King Guangping took a deep breath and looked at the night outside with endless gloom in his eyes.

Ya’er, you want me to lie on the dragon’s collapse for the rest of my life, and you never think that I can stand up again.

Chapter 2865

Thinking of this, King Guangping sat there cross-legged and began to practice.

Jiuyou Xuanming Pill can’t help but have the effect of curing ‘stupor’, and also contains powerful Yin evil power. Guangping Wang just took it soon, and he needs to turn all these Yin evil powers into his own.

...

the next morning early in the morning!

Yue Wuya brought Qin Rongyin to Guangfu Palace.

At this time, Qin Rongyin's beautiful face showed complexity and worry. After being knocked out by Meihui last night, he didn't wake up until dawn. After waking up, the first thing he knew was that King Guangping had become a 'stupor' .

This made Qin Rongyin both shocked and worried.

Although she couldn't tolerate King Guangping in her heart, she had been cared for and cared for by King Guangping over the years, and had some family affection. Now that King Guangping has become like this, Qin Rongyin felt very uncomfortable, so she called Yue Wuya early in the morning, let's go together Come and see.

"Your Majesty!"

Entering Guangfu Palace, Qin Rongyin's body trembled when she saw the scene in front of her, and she couldn't help shouting.

I saw that King Guangping was lying there, motionless.

"Mother!"

Yue Wuya took a deep breath and said complicatedly: "Last night, I did my best, but I didn't expect that Luo Ping would make a mistake at a critical moment."

When he said this, Yue Wuya felt very guilty. He glanced at King Guangping.

At this time, Yue Wuya and Qin Rongyin didn't know that King Guangping had recovered and was lying there, just taking a break.

Qin Rongyin sighed and was about to speak, but was interrupted by a faint voice.

"Madam, I am very pleased that you can come to see me." The

voice fell, and I saw King Guangping sitting up slowly, with a pair of eyes, looking at the mother and son with a half-smile.

What?

Yue Wuya was shocked and horrified, staring blankly at King Guangping completely stupid.

He.... didn't he become stupefied? Last night, I checked it myself, except that he had a pulse, his whole body was paralyzed, how could he still sit up and talk?

Qin Rongyin next to her also trembled, surprised and happy.

Great, Your Majesty is all right.

Whoops!

At this time, the palace guards outside heard the movement and quickly came in to check, and they were all stunned.

This.... Hasn't His Majesty become stupefied? How is it?

For a time, those guards were stunned, they just felt that their brains were not enough.

"Royal Father!"

Finally, Yue Wuya reacted and said to King Guangping, "Why..."

Before he finished speaking, he was interrupted by King Guangping.

"Why am I all right?" King Guangping's eyes flashed with endless anger, and he sneered: "Y'er, you are really filial. You killed Imperial Doctor Luo, and you made me stupefied, and you put all the blame on Luo. As an imperial physician, I treat you like my own, but you treat me like this? You said, what should you be blamed for?"

What? !

Qin Rongyin was extremely shocked.

At this moment, Yue Wuya also trembled, and quickly knelt on the ground with a sincere expression on his face: "Father, the emperor, calm down, my son is forced to do this, I just don't want to see the innocent and tragic deaths of those in the Ouyang family."

"Since the father is all right, the son doesn't have to blame himself all the time."

Haha!

King Guangping sneered, his anger undiminished: "You are very frank, for the sake of the Ouyang family, you will lie down and be immobile for the rest of your life!"

After speaking, King Guangping's eyes froze and he shouted: "Come here, Put Yue Wuya in jail, and at noon tomorrow, I will be executed at the gate of the palace!"
