

## The ultimate husband in Chinese chapter 2866-2870

Chapter 2866

What?

At this moment, Yue Wuya's heart was shocked, and he was paralyzed there.

Father is going to kill me?

However, it was his own fault for committing a big crime, and since his aunt and the Ouyang family were all safe, he had no regrets.

Thinking about it, Yue Wuya smiled miserably, without resisting at all, letting the surrounding guards tie him up.

"Your Majesty!"

Seeing this scene, Qin Rongyin trembled and said anxiously at King Guangping: "No, Your Majesty, Ya'er is still young and ignorant, and I have the responsibility to commit such a big crime, I beg you to give him a chance "

Shut up!"

King Guangping's expressionless face interrupted coldly: "For so many years, I have treated him as my own, and named him a prince, and I will pass the throne to him in the future, but this renegade son, Not only did he commit the crime of bullying the king, but he also killed the elders of the dynasty."

"If I spare him, what kind of royal power will there be?"

Speaking of the last sentence, King Guangping waved his hand and said coldly: "Take Yue Wuya with you. Go down!"

Upon hearing the order, several guards pushed Yue Wuya out of Guangfu Palace!

"No..."

Qin Rongyin was distressed and frightened at the same time, she was about to stop her when she rushed up, and at the same time, she did not forget to shout to King Guangping: "Your Majesty, Ya'er grew up with you, can you bear it? If I die, I will not live alone."

Phew!

Hearing this, a trace of pity flickered in King Guangping's eyes, but it was quickly replaced by coldness.

"Stay the empress, and enter the cold palace. Without my order, no one is allowed to see her!"

"Yes, Your Majesty!"

At this moment, two guards came over and forcibly took Qin Rongyin out.

"Your Majesty, you spared Ya'er, spare him..." Qin Rongyin cried desperately, trying to break free, but the two guards held him tightly, unable to move at all, and tears rolled down her cheeks.

Seeing the mother and son being kept in one after another, King Guangping was expressionless, without the slightest emotional fluctuation.

Yes, after taking Jiuyou Xuanming Pill, King Guangping's mood has changed, and his emotions have been gradually replaced by cold evil.

.....

the other side!

Apocalypse Continent, in a mountain forest on the southeast coast, a figure kept moving forward with a gloomy expression. Although he was too tired, he didn't mean to stop.

It was Zhang Jiao.

Ever since Zhang Jiao was lucky enough to break out of the siege by Jed's raid at the Supreme Conference, he has been on the run for the past few days.

Originally, after escaping from the Beiyong Palace, Zhang Jiao planned to find a safe place to rest and regain his inner strength, but what annoyed him was that no matter where he went, the underworld soldiers in the ghost world could find him.

Two hours ago, after Zhang Jiao used the Heaven-opening Axe to repel a wave of underworld soldiers, he finally found a special mark on his body, which was the blood spirit mark that Jade struck on him at that time.

However, after getting rid of the blood spirit seal, Zhang Jiao did not feel relieved at all.

Those underworld soldiers come and go without a trace, so he must find a safe place and restore his strength.

But where is the safe place?

Got it!

At this moment, Zhang Jiao arrived at the seaside and looked at the looming Longevity Island in the distant sea, and suddenly had an idea.

....

at this moment, on Longevity Island.

Longevity Island is the main altar of the Hall of Longevity. It is located in the deep sea and is thousands of miles away from the nearest continent.

Because of its remote location, the situation in the Kyushu Continent was turbulent during this period, but the main altar of the Hall of Longevity was not affected in the slightest.

Two months ago, the white horse deceived everyone, and after sitting on the palace master, he built a palace for himself on the island, and far away, a Qionglou palace was like a palace.

At this moment, inside the palace hall.

Chapter 2867 The

white horse sits leisurely on the throne, sipping tea leisurely.

Beside him, there is a slender woman, wearing a fiery red dress, which sets off a charming curve. Her facial features are exquisite, but there is a cold pride in her eyebrows.

It was White Horse's wife, Red Snake.

Like White Horse, Red Snake was originally one of the four Dharma Kings of the Hall of Longevity, but after White Horse became the Hall Master, his status rose and he became the Lady of the Hall Master.

"I heard that a lot of things have happened in the Kyushu Continent recently. Should we do something in the Hall of Longevity?" The red snake said softly, with undisguised ambition flashing in his eyes.

Although they have been staying on Changsheng Island during this time, White Horse and Red Snake have been paying attention to the situation in the Kyushu mainland.

Hey-hey!

The white horse smiled and looked at the red snake, nodded and said: "What's the hurry, let's wait and see, it's better for the Kyushu continent to fight each other, and when they are almost fighting, let's clean up the mess. At that time, if I become the Kyushu continent. Wulin leader, you are the wife of the leader."

Pu Chi. Hearing this, Red Snake couldn't help sneering

and said, "You are smart, but that's fine. The more chaotic the Kyushu Continent, the better it will be for us!"

"Palace Master!"

He opened his mouth and said, "Someone landed on the island and said they wanted to meet the palace master."

"Who?" Bai Ma asked with a frown.

The red snake also had a pretty face with anger, and said displeasely: "How did you patrol? You can actually let a person board the Longevity Island?"

"The disciple spoke with sincerity and fear, and when the words fell, he took out a letter, stepped forward and handed it to the white horse.

What?

Bai Ma took the letter lazily, opened it, and was shocked, and his whole body was dripping with cold sweat.

I saw that only a few words were written on the letter, 'Breaking the heart and rotting the bones', but these four words looked like a fatal reminder to the white horse, and the whole person was extremely frightened.

A few months ago, Bai Ma, Wen Chou Chou, and everyone in the Ouyang family were captured by Zhang Jiao. At that time, in order to save everyone, Wen Chou Chou pretended to join Zhang Jiao, and at the same time let Bai Ma pretend to be loyal to Zhang Jiao, so that Bai Ma could help him secretly.

As a result, the white horse was seen through by Zhang Jiao, and then was beaten with a 'heart-shattering palm'.

After White Horse became the head of the Hall of Longevity, he took a lot of elixir from the main altar. At the same time, with the help of the Red Snake, he completely solved the hidden danger of 'heart-breaking and rotten-bone palm'.

Bai Ma originally thought that if there was no hidden danger in his body, he would have nothing to do with Zhang Jiao, but he never thought that Zhang Jiao would actually find the door.

“Is it Zhang Jiao?”

At this time, seeing the words on the letter, the red snake also trembled, and suddenly became nervous.

Zhang Jiao is very powerful. He helped Yang Jian conquer the Kyushu Continent before, and now he has an axe to open the sky. Such an existence can't be provoked at all.

Whoa!

Hearing the words of the red snake, many of the hall masters in the hall also changed their expressions and became very angry.

“It turned out to be him? This horn killed our Palace Master Wen, and dared to send it to the door?”

“I must kill him later to avenge the Palace Master Wen.”

“Yes, revenge!”

The roars of the people kept coming, The white horse was in a hurry.

The one who really killed Wen Chou Chou was himself. At that time, in order to be the hall master, he put the blame on Zhang Jiao. If the following people knew the truth, his own hall master would not be able to do it.

Thinking to himself, the white horse raised his hand: “Everyone, don't be impatient. This horn is powerful. If we face it head-on, we are afraid that we won't be able to avenge the Palace Master, and we will give our lives in vain.”

“In this way, everyone go down and prepare first. , I'll deal with him first.”

This...

Hearing this, the hall masters present looked at each other in dismay, a little unwilling, but still withdrew.

“Please come up!” At this moment, the white horse said to the disciple.

The disciple nodded, walked out quickly, and came in with a person after a while.

It was Zhang Jiao.

Chapter 2868

“Tsk tsk!”

At the moment of entering the hall, Zhang Jiao looked at the magnificent surroundings, first chuckled lightly, and said to the white horse: “I really missed it before, I didn’t expect the white horse to be very ambitious, and in a blink of an eye I became the master of the Long Temple.”

“Mr. Zhang is serious.” Bai Ma squeezed out a smile and said cautiously: “I don’t know if Mr. Zhang came suddenly, what is the order?”

Bai Ma didn’t want to be so polite to Zhang Jiao, but he didn’t. The way, the opponent’s strength is too strong.

Um!

Seeing Bai Ma’s attitude, Zhang Jiao nodded with satisfaction: “Okay, not much nonsense, your place is very good, find me a secret room, I want to retreat and practice!”

“By the way, this is the president of Changsheng Palace. There must be a lot of heaven and earth treasures in the altar, and they are all sent to me.” The

tone was full of orders, and there was no doubt.

In Zhang Jiao’s heart, the white horse was just a clown jumping on the beam, and it was a coincidence that he was able to sit on the throne of the Hall of Longevity, and he didn’t take it seriously at all.

More importantly, Bai Ma was also hit by his ‘heart-shattering palm’, and he didn’t dare to disobey his own request.

At this time, Zhang Jiao didn’t know that the white horse had already solved the crisis.

Made!

Hearing this, Bai Ma was very angry, Zhang Jiao regarded himself as a dog under his command? Not only do you want to retreat to the secret room for cultivation, but you also want the treasures of heaven and earth in the main altar?

I thought to myself, Bai Ma wanted to refuse, but because he was afraid of opening the axe, he held back.

“Tiancaidibao, I will prepare immediately, sir, go to the secret room with me first.”

The next second, Bai Ma held back his anger and opened his mouth with a smile. Then, with Zhang Jiao, he walked out of the hall and walked towards the forbidden area behind.

A few minutes later, the white horse took Zhang Jiao to a secret room in the forbidden area.

This secret room is located on the cliff behind the main altar. It is very secret. It is the place where the masters of the halls of longevity have retreated and practiced. It is difficult for ordinary disciples to come here.

“Yeah!”

At this time, Zhang Jiao looked around at the surrounding environment, and nodded approvingly: “This place is not bad!”

This is the forbidden area of Changsheng Island, and it is difficult for those underworld soldiers to find this place. Soon you will be able to fully recover your inner strength.

“Mr. Zhang likes it! You can meditate in it first, and soon, I will bring the treasures of heaven and earth.” Bai Ma said respectfully with a smile, but his eyes flashed coldly.

“Okay, very good!”

Zhang Jiao showed a smile, without any doubt, and entered the secret room directly.

Click!

It was at this moment that the white horse sneered and pressed a switch at the door of the secret room, and then a sound was heard. Then, a giant cage descended from the ceiling of the secret room and directly covered Zhang Jiao.

what!

All this happened so fast that Zhang Jiao couldn't react at all, and was instantly furious.

Zhang Jiao saw that the giant cage in front of him was made of a kind of black metal.

Afterwards, Zhang Jiao quickly took out the sky-opening axe and slashed the cage, but what he didn't expect was that after a loud noise, the cage didn't move at all.

“White horse...”

Zhang Jiao's anger rose, and across the cage, his eyes locked on Bai Ma: "You dare to cheat on me, but have you thought about the consequences?"

At this time, Zhang Jiao understood that Bai Ma's smile just now was all fake. But what he didn't expect was that this kid was daring and dared to make fun of himself.

Chapter 2869

"Zhang Jiao."

Feeling Zhang Jiao's anger, Bai Ma didn't panic at all, and sneered and sneered: "I didn't expect that I have today? Speaking of which, we didn't have any grudges, but you used 'destroy me' against me before. Heart rotten bone palm', forced me to surrender to you, and now come to me again, show off my power to me, if I endure it, how can I be the Lord of the Palace of Longevity?"

When he said this, White Horse was full of resentment.

Madd, who was in the main altar of the Wutian Organization before, was inferior to a dog in front of him, and was humiliated by him in every possible way. Now that he is trapped, he must speak his anger well.

"Little man!"

Zhang Jiao smirked in arrogance, and was too lazy to talk nonsense. He held the Sky-Opening Axe tightly and slashed towards the cage again. However, as before, although the Sky-Opening Axe was extremely sharp, it could be cut through, but the cage was a bit small. There are no traces.

Haha...

Seeing this scene, Baima laughed and said mockingly: "Zhang Jiao, don't waste your energy, this cage is made by our ancestors of the Hall of Longevity, made of meteorites from outside the sky, it is extremely tough, if you are the peak Strength, may be able to motivate the opening axe to break, but now, don't think about it."

When he said this, Bai Ma was a little proud.

Yes, Zhang Jiao has been pursued by the underworld soldiers for the past few days, and his internal strength has been severely depleted, and he cannot stimulate the power of the Kaitian Axe at all. Otherwise, a cage can't trap him at all.

"You're courting death!"

Zhang Jiao's eyes were blood red, and he said angrily, "When I go out, you will be smashed to pieces!"

"I'm afraid you won't have this chance!" The inner alchemy came out: "These are the inner alchemy of the Bilin Centipede. The energy contained in it is extremely poisonous."

"Aren't you poisoning? "

"Also, this hall of longevity knows that you killed Wen Chouchou. If you kill you, I can give an account to the hall of longevity, haha,..." The

voice fell, and the white horse urged his inner strength, and suddenly burst. Those inner cores were thrown into the cage.

hum.

In an instant, I saw a thick green fog that spread out in an instant, filling every corner of the secret room. The mist is highly poisonous, and the rustling sound of corrosion can be heard in the air.

Zhang Jiao was unavoidable, and was suddenly shrouded in poisonous fog.

"Despicable and sinister boy, you wait for me, ah..." In the poisonous fog, Zhang Jiao's roar kept coming, accompanied by screams.

Bai Ma smiled coldly, and turned to leave as if he didn't hear it.

Bai Ma thought about it. After Zhang Jiao died, he would open the secret room and take out the Kaitian Axe. The Kaitian Axe was a peerless weapon, and no matter how powerful the poison was, it would not be corroded.

After getting the Heaven-opening Axe, he can lead the Hall of Longevity and return to the Kyushu Continent to compete for the martial arts.

.....

the other side.

Tianqi Imperial City, Qianyuan Hall.

The weather was not good today, the clouds were dense, and the civil and military officials in the hall all had complex expressions and dignified thoughts.

Yes, today is the day to execute Yue Wuya. King Guangping summoned hundreds of officials early in the morning, and went with him to the gate of the palace to supervise the execution. In order to prove his emperor Tianwei,

the street outside the palace gate was surrounded by layers of people. His Majesty is going to execute the prince, this has already spread in the imperial city, and many people want to see the excitement.

At the gate of the palace, Yue Wuya was wearing a prison uniform, his hands and feet were tied with iron chains, and he was tightly tied to the execution platform.

At this time, Yue Wuya's expression was indifferent, without the slightest panic and nervousness, but there was a trace of nostalgia for the world in his eyes. At this time, Yue Wuya had matured a lot.

Things have been done, and the corresponding price must be paid, and there is nothing to regret.

## Chapter 2870

At this moment, Yue Wuya looked at the dim sky above his head, tears glistening faintly in his eyes.

Mother, I will not be able to do my filial piety to you in the future.

At this moment, in Qianyuan Palace.

Seeing that the time was almost up, King Guangping raised his hand.

The eunuch next to him hurriedly shouted: "Get up!" The

voice fell, and King Guangping was about to lead a hundred officials to go to the gate of the palace to supervise Yue Wuya.

"Report!"

At this moment, a guard walked in quickly and respectfully said to King Guangping: "There is a woman outside asking to see you!"

Woman?

King Guangping frowned and said lightly, "Bring it in." When he said this, King Guangping's face was gloomy.

Asking for an interview at this time, could it be that it was sent by the Ouyang family to rescue Yue Wuya? Since it was delivered to the door, he grabbed it and beheaded it with Yue Wuya.

The guard nodded, hurriedly turned around and went out, and soon returned with a charming figure.

Whoa!

At this moment, seeing this woman, whether it is King Guangping or the civil and military officials present, can't help but take a deep breath, completely stunned!

I saw that this woman was in her twenties, with a beautiful face and an even more exquisite body curve. She was wearing a long pale pink dress, she looked immortal and very charming!

beautiful!

Simply beautiful!

Especially that otherworldly temperament, even when Chang'e was present, was no less.

"I have seen Your Majesty!" The woman gave a gentle salute, neither humble nor arrogant: "My name is Lan Xin, originally the Nine Heavens Saintess, she has been in the Heavenly Spirit Realm, but ten years ago, the Heaven and Earth Profound Formation collapsed, causing our Nine Heavens Saints The woman has lost her connection with the Divine Realm..."

Yes, this woman is one of the Nine Heavens Saintess, Lan Xin.

Like Zi Yan, Lan Xin was also looking for her companions after the separation of the Nine Heavens Saintess half a month ago. However, after searching for half a month, there was still no clue. After passing through Tianqi Imperial City today, Lan Xin wanted to seek the help of King Guangping. .

Saintess of the Nine Heavens?

For a time, the civil and military officials were all stupid, and their brains were buzzing.

King Guangping was also shocked, and at the same time he was secretly delighted, that's great, the messenger of Hades, who just explained himself to inquire about the whereabouts of the Nine Heavens Saintess, took the initiative to send one to the door today.

"It turned out to be the saintess!"

At this time, King Guangping said with a fake smile: "The saintess are so noble, it is my honor to come to me for help, don't worry, I will definitely send someone to help you find other saints."

"However, the noon time is coming soon. I want to arrest the repeat offender first, and ask the saint to wait for a while!"

King Guangping thought about it, and after beheading Yue Wuya, he would try to deal with the saint Lan Xin.

“Thank you, Your Majesty!” Seeing King Guangping’s straightforward answer, Lan Xin was very happy and smiled lightly: “Since it’s a serious criminal, I’ll take a look at it.”

“Okay!”

King Guangping nodded, and immediately took Everyone walked out of the main hall and came to the outside of the palace gate.

“See Your Majesty!”

Seeing the Emperor coming out, the people outside the palace who were watching the excitement stopped talking and knelt down in unison.

The King of Guangping raised his hand to sign off the ceremony, and then sat on the dragon chair. Lan Xin was a saint and had a special status, so she resigned her seat on purpose.

“Your Majesty!”

At this moment, Nie Yunxiao, commander of the Imperial Forest Army, came over and said cautiously, “The hour has come!”

Yes, Nie Yunxiao was the executioner who executed Yue Wuya today.

King Guangping didn’t speak, just nodded.
