

The ultimate husband in Chinese chapter 2916-2920

Chapter 2916 The

next second, the pavilion master and Yue Feng touched their palms, and suddenly the body trembled and stepped back a few steps.

Speaking of which, although the pavilion master is the pavilion master of Xiyuan Pavilion, his strength is weaker than that of Yu Wenyan, and he is even less the opponent of Yue Feng!

Immediately, before the pavilion master could react, he saw Yue Feng with a slight smile, leaned forward, raised his hand on her body quickly, and in an instant, the pavilion master's acupoint was tapped, and he couldn't move.

This...

Pavilion Master's heart trembled, and he was extremely shocked.

After not seeing him for three years, Yue Feng's strength has become even more terrifying, and he has no power to resist!

At the same time, Yu Wenyan was also surprised!

However, at this moment, Yue Feng sneered, and directly summoned Fang Tianhuaji to meet Yu Wenyan!

"Clang!"

Yu Wenyan's long sword collided with Fang Tianhua's halberd, making a loud noise. Yu Wenyan only felt a strong force coming, and the long sword could not be held.

This... This Yue Feng's strength is getting stronger and stronger. How could this be?

At this time, Yu Wenyan was both annoyed and shocked. He thought that by joining forces with his sister, he could suppress Yue Feng, but he never thought that his sister would be subdued by Yue Feng with one move, and he was also in danger at this time.

Just when Yu Wenyan was secretly surprised, he saw Yue Feng flick his wrist and hit him with a palm!

The speed of this palm was too fast for Yu Wenyan to dodge, so he could only use his internal strength to greet him with a palm.

boom!

This chapter is provided by . Visit for daily update.

The two palms touched each other and made a dull vibration. At this moment, Yu Wenyan's tender body retreated several steps, and his face was instantly ugly!

Since taking Nuwa's Chaos Yin-Yang Pearl, Yue Feng's internal strength has become more powerful. Of course, Yu Wenyan is not his opponent in this palm!

"You..."

Yu Wenyan only felt a tightness in his chest, stabilized his figure, looked at Yue Feng in shock and anger, and was completely stunned!

This.. how is this possible!

You must know that half a month ago, I was able to fight Yue Feng for more than a dozen rounds. How long has it been since then? This bastard, Yue Feng, has grown so terrifyingly!

Looking at Yu Wenyan's expression, Yue Feng smiled slightly: "How is it? You are convinced now!"

After saying that, Yue Feng approached quickly and tapped twice on Yu Wenyan's acupuncture point.

In an instant, Yu Wenyan's tender body trembled, and he couldn't move.

"Sister!"

Seeing this scene, the pavilion master's face changed greatly, he couldn't help exclaiming, and at the same time stared at Yue Feng fiercely.

At this time, the pavilion owner was shocked. Although he and Yu Wenyan were not biological sisters, they grew up together and knew Yu Wenyan's strength. In Kyushu, there are only a handful of people who can defeat her, but in Yue Feng In front of him, he was so vulnerable. "Yue Feng, you bastard!" In shock, the pavilion master bit his

lip and shouted tenderly, "Quickly solve the acupoints for us!

"

Pavilion Master, you are unreasonable, you two sisters are going to kill me, but you still don't allow me to resist?"

Said, Yue Feng tilted his head and glanced at Yu Wenyan, and couldn't help teasing: "Yuwenyan, you know Knowing that it is not my opponent, I still have to bring the pavilion master to die, you say, is this sent to the door on purpose?" As he

spoke, Yue Feng looked up and down Yu Wenyan, and tilted his head to admire the next pavilion lord.

I have to say, these two women are really different.

Especially the pavilion master, wearing a long purple dress, coupled with that charming and charming temperament, is simply amazing.

"You..."

Yu Wenyan was so angry when he noticed Yue Feng's expression, his voice trembled: "Shameless..."

The pavilion master next to him was also very angry, his eyes staring at Yue Feng, Flickering killing intent, if eyes can kill, Yue Feng would have died countless times.

Chapter 2917

Haha...

Looking at the expressions of the sisters, Yue Feng was indescribably happy. But when he thought of the business, Yue Feng took it as soon as he saw it, and said

slowly: "I still have something to do, you can stay here first, and I will talk to you when I come back from the main altar of the Holy Sect."

The wind is going up the mountain.

Um?

However, at this moment, Yue Feng suddenly noticed something, and his eyes locked on Yu Wenyan's waist.

Linglong Tower?

Yes, at this time, Yue Feng could clearly sense that there was a faint Linglong Pagoda's spiritual power coming from Yu Wenyan's waist. As the owner of Linglong Tower, Yue Feng absolutely believes in his own judgment.

"You..."

Seeing Yue Feng's gaze, Yu Wenyan was inexplicably flustered: "What are you doing?"

Yue Feng smiled and approached slowly: "Yu Wenyan, you stole my Linglong Tower three years ago, Is it time to pay it back now?"

Yue Feng was very excited when he said this.

I thought that Yu Wenyan's ambush was a waste of his time, but he didn't expect an unexpected gain.

"The Linglong Pagoda is not on me. When I was plotted by Zhang Jiao, I fell on the Wutian Organization's main altar!" Yu Wenyan's eyes flickered, and he bit his lip tightly: "If you want to get the Linglong Pagoda back, go to Zhang Corner!"

At this time, Yu Wenyan had a stern look on his face, but his heart was unspeakably uneasy.

Yue Feng felt right, Yu Wenyan did have a Linglong Pagoda on his body.

Speaking of which, when Yu Wenyan was plotted against by Zhang Jiao, the Linglong Tower was left behind in the Wutian organization's main altar. Later, Zhang Jiao handed it over to Su Li for her to keep, and half a day ago, Yuwenyan recaptured Wutian. The control of the Sky Organization, and obtained the Linglong Tower from Su Li.

Yu Wenyan thought that if he hid the spiritual energy of Linglong Tower, no one would know about it, but he did not expect that it was still perceived by Yue Feng.

"No?" Yue Feng smiled, with teasing in his eyes: "Then I have to do a search!"

"You dare!" Yu Wenyan's body was shocked, and he couldn't help but shout!

Linglong Pagoda was hidden by himself, how could Yue Feng be searched?

But at this time, he was hit by acupuncture points, and he couldn't resist at all. Seeing that Yue Feng's hand was already in front of him, Yu Wenyan was about to cry in a hurry.

"You... you stop me!"

At the same time, the pavilion master next to him was also very embarrassed and couldn't help but scold.

This Yue Feng is simply lawless. His sister has already been tainted by him, and she has to be searched at this moment. If this matter spreads out, how can she see anyone?

Every time Yue Feng heard the scolding from the sisters, he walked over directly, ready to untie Yu Wenyan's long skirt and search for Linglong Tower.

“Yue Feng!”

Yu Wenyan was about to explode with anger, and looked at Yue Feng coldly: “If you dare to touch me, I will kill you and smash you into tens of thousands of pieces, even if you can’t kill you, the people of the Ouyang family, They have all lost their inner strength, and when that time comes, none of them will live!”

At this time, Yu Wenyan was also in a hurry, so he used the Ouyang family to threaten.

Nima!

Hearing this, Yue Feng’s heart suddenly burst into flames, this Yu Wenyan is really vicious and will not change, even at this time, how dare you use the Ouyang family to threaten me?

Snapped!

In the next second, Yue Feng didn’t hesitate at all, slapped Yu Wenyan’s face with a slap, and when she heard her coquettish cry, the whole person was blinded.

Soon, Yu Wenyan reacted, looked up at Yue Feng, and cursed angrily: “Yue Feng, you and I are at odds, you better kill me today! Otherwise, I will definitely let you die without a burial!”

She Knowing that the ambush failed today, Yue Feng would not let him go easily. Rather than being humiliated by him, he might as well just die.

Yue Feng sneered and said lightly: “Yuwenyan, you want to die, but I won’t let you die. Three years ago, you took advantage of my loss of inner strength, robbed me of the Linglong Tower, and trapped me in a cave to die. The account hasn’t been calculated with you yet.”

Chapter 2918

After saying this, Yue Feng was about to tear off Yu Wenyan’s skirt.

Swish....

But at this moment, I heard footsteps on the mountain road ahead.

Yue Feng hurriedly looked up, frowned immediately, and saw that there was a group of Saint Sect’s mountain patrol disciples, there were seven or eight people, lined up neatly, and were approaching this side.

Seeing this scene, Yu Wenyan and the pavilion master also trembled, which was extremely complicated.

This bastard, Yue Feng, will not search himself in front of the disciples of the Holy Sect later, will he?

“Tsk tsk!”

Perceiving the change in Yu Wenyan's expression, Yue Feng chuckled and said sarcastically, “The dignified goddess of the rivers and lakes in the Yellow Sea Continent has times when she is still afraid?”

“You...” Yu Wenyan bit her lip tightly. , Embarrassed and angry: “You’re going to let me go?”

“Do you think it’s possible?” Yue Feng said slowly: “Since it’s delivered to the door, how can I let you go easily?” One, picked up Yu Wenyan and the pavilion master, and quickly rushed into the woods next to him.

Speaking of which, they were just a few mountain patrol disciples of the Holy Sect, and Yue Feng didn’t pay attention to them at all, but to be on the safe side, let’s hide first.

After all, Yu Wenyan is not a good person, who knows if she will call for help later.

Swish!

At this moment, being hugged by Yue Feng, Yu Wenyan and the pavilion master were trembling, extremely embarrassed and angry, but the acupoints on their bodies were taped and they couldn’t struggle at all.

Soon, in a hidden place, Yue Feng put down Yu Wenyan and the pavilion master.

“You two, I’ll come back to you when I’m done with my business!” Yue Feng said with a smile, hid the two of them, and walked towards the mountain.

Although the Linglong Pagoda is important, Yu Wenyan has already been subdued by himself, so there is no need to hurry. The most important thing now is to investigate the sect, find the clues of Lu Dongbin, and then let Yingying and the great sage restore their strength...

Nima!

Not long after walking, Yue Feng couldn’t help frowning secretly, why are so many disciples patrolling in this holy sect?

Yue Feng could clearly see that on the mountain road leading to the main altar, patrolling disciples could be seen everywhere, almost every five steps at a post, and every ten steps at a post, which was almost heavily guarded.

After Xie Liuyun became the head, in order to consolidate his position, he carried out a big purge at the main altar of the Holy Sect. At the same time, the situation in Kyushu has been somewhat unstable recently, so Xie Liuyun strengthened the guard of the main altar to prevent other forces from breaking in. .

Going up like this, it will definitely be found.

Muttering in his heart, Yue Feng took a deep breath, then bypassed the mountain road and rushed towards the back mountain.

At that time, I was a disciple of Shengzong by chance. Yue Feng also knew a little about the environment of the main altar of Shengzong. He knew that there was a hidden path in the back mountain. Speaking of which, the path was very steep, and it would fall thousands of feet if you were not careful. The abyss, but for Yue Feng, it is not difficult at all.

call!

When he finally reached the back mountain, Yue Feng couldn't help taking a deep breath. At the same time, he also saw a patrolling disciple who was alone in front of him.

Ordered? Great!

Yue Feng was thinking of asking someone to ask, but when he saw the order, he rushed over without any hesitation.

Snapped!

When he got to the front, Yue Feng quickly shot and sealed the disciple's acupuncture point with lightning speed. In an instant, the disciple's body trembled and he couldn't move.

"You..." Seeing Yue Feng, the disciple panicked and his voice trembled: "Who are you?"

"Don't panic!" Yue Feng smiled and reassured: "I won't hurt you, just ask you a few questions."

Hearing this, the disciple's nervous expression softened a little and nodded.

"Do you know where the former leader is now?" Yue Feng asked straight to the point.

This...

The disciple was stunned for a moment, with a bitter look on his face: "Your Excellency, I don't know this, I just joined the Holy Sect for a few days, and I still don't know the situation of the main altar, please let me go!"

Chapter 2919

At this moment, Yue Feng is very helpless.

Nima, it's hard to catch a single one, but it's still a newcomer?

The next second, Yue Feng looked at his disciple dressed up and smiled slightly: "If that's the case, then I'll aggravate you!" The voice fell, and Yue Feng slapped the back of the disciple's head.

The disciple didn't have time to react at all, his eyes darkened and he fainted.

Yue Feng didn't hesitate, dragged the disciple to a hidden place, took off the disciple's short shirt, put it on, and then took off the disciple's waist card on him.

After doing this, Yue Feng simply dressed himself up according to the disciple's appearance.

Yue Feng thought about it, instead of rushing around like this, it is better to pretend to be a new disciple. At that time, even if he encounters trouble, he will not easily reveal his identity.

After dressing up, Yue Feng slowly entered the forbidden area of the back mountain.

Before escaping from the Holy Sect, Zhang Na, a disciple of Xie Liyun, once said that Lu Dongbin was trapped in the illusory realm. Although Yue Feng did not know what the illusory realm was, he guessed that the entrance must be in the forbidden area of the back mountain. Inside.

At this time, Yue Feng didn't know that the real entrance to the illusory realm was the treasure of the holy sect, the Qiankun Gourd!

After making up his mind, Yue Feng took advantage of the night to carefully investigate around the forbidden area.

During this period, Yue Feng encountered a group of patrolling disciples, but when he saw Yue Feng's dress, he had no doubts.

Nima.

After turning around for more than an hour, Yue Feng suddenly became a little anxious. He had turned around twice in the forbidden area of the back mountain of the Holy Sect, but he didn't find any special entrance.

Um?

Depressed, Yue Feng could not help frowning when he saw a yard in front of him with lights on.

Yue Feng clearly saw that the yard was where Chang'e used to meditate. Later, when Chang'e was taken away by the person who pretended to be herself, the yard was left unused. Why are there still people in it?

With doubts in his heart, Yue Feng lightly stepped and walked in slowly.

hiss!

Just walked in and saw the scene inside, Yue Feng was stunned.

I'm going, it's her!

I saw that there was a candle lit beside the soft cloth hanging on the gauze curtain.

On the soft slump, a slender figure sat quietly, dressed in a long yellow dress, with delicate facial features, but there was a hint of pride in his brows.

It was Xie Liuyun's eldest disciple, Zhang Na.

After Xie Liuyun became the head of the sect, Zhang Na's status as his favorite disciple also rose, and thanks to Xie Liuyun's favor, Zhang Na also occupied Chang'e's retreat.

At this time, Zhang Na was meditating and practicing, and she didn't notice Yue Feng coming in at all.

Nima! This Zhang Na is really pampered and arrogant. Relying on her being Xie Liuyun's beloved disciple, she actually occupied Chang'e's room.

Muttering in his heart, Yue Feng couldn't help looking at Zhang Na up and down, secretly sighing!

I have to say that although this Zhang Na is abominable, she is one of the few female disciples of the Holy Sect with her appearance and figure.

Under the dim light of the candles, Zhang Na's charming curves were projected on the gauze, looming, and any man would be unable to look away when he saw it.

After watching for a while, Yue Feng reacted.

I came here to check on Lv Dongbin's whereabouts. How could Zhang Na be fascinated by it?

I thought to myself, Yue Feng was about to leave.

Whoa!

However, just as he turned around, Yue Feng accidentally bumped into the shelf behind him and made a sound.

Chapter 2920

"Who?"

Hearing the movement, Zhang Na suddenly opened her eyes, gave a cold and tender voice, and locked her eyes on Yue Feng at the same time.

broken!

Yue Feng was startled, so he quickly stopped and looked at Zhang Na. Since he was discovered, he had no choice but to do it.

"Are you new here?!"

Just when Yue Feng was about to start, Zhang Na said coldly, with a bit of contempt in her tone: "Do you know where this is? Just rush in!"

Yue Feng put on makeup, Zhang Na didn't see it at all.

Hearing this, Yue Feng breathed a sigh of relief and cupped his hands: "Senior sister is not angry, I didn't mean it."

When he said this, Yue Feng laughed secretly.

This Zhang Na didn't even see her disguise. In this case, she found an excuse to leave quickly.

Zhang Na's brows were furrowed, and she was very unhappy. If someone disturbed her practice, anyone would be unhappy.

"You..." The

next second, Zhang Na was too lazy to talk nonsense and wanted to let Yue Feng get out, but at this moment, a few footsteps sounded outside the door. Immediately afterwards, several respectful voices sounded: "Elder Sister? Have you rested

?" Why are people here again? Seeing this situation, Yue Feng was stunned. Zhang Na was also inexplicably irritable, and said angrily: "It's so late, what's the matter?" "It's a small matter, I hope Big Sister will let us in." "Yeah..."

Several people outside the door spoke.

Hearing this, Zhang Na frowned and said lightly, "Then you all come in." The

three disciples pushed the door and entered, all with smiles on their faces, complimenting Zhang Na extremely.

These three disciples had just joined the Holy Sect. The taller one was named Hu Sheng, the one with smaller eyes was named Lu Wei, and the other one was named Li Guang.

"Hello, Senior Sister!" The three of them shouted in unison, and then their eyes suddenly converged on Yue Feng. Under the shock, their eyes gradually became contemptuous.

Immediately afterwards, the three of them taunted Yue Feng yin and yang.

"Hehe, Chen Yang!"

"You are so poor, and you want to please Senior Sister?"

"Hehe..."

Chen Yang was the disciple who was knocked out by Yue Feng before, because Yue Feng had specially dressed up and added When the lights were dimmed, the three Hu Sheng at this time regarded him as Chen Yang.

Although they are all new disciples, Chen Yang is an introvert and has always been ostracized by others, especially the three Hu Sheng, who sneered at him as soon as they seized the opportunity.

Made!

Seeing the three of them, like Zhang Na, he didn't see through his disguise, Yue Feng laughed secretly, and at the same time ignored it!

“Shut up?” Zhang Na was upset when she heard it, so she couldn’t help but let out a coquettish cry, and then looked at the three Hu Shengs: “What exactly are you looking for from me?”

The three Hu Shengs quickly stopped taunting.

In the next second, Hu Sheng took a step forward and flattered Zhang Na: “Elder Sister, we have just come to the Holy Sect, and we don’t understand anything, so please take care of me in the future!”

“The three of us are here tonight to give gifts to Senior Sister...” The

voice fell, and Lu Wei and Li Guang, who were next to him, quickly nodded in agreement.

The three Hu Sheng are very smooth. Knowing that Zhang Na is the head’s lover, and the celebrity beside him, they want to get close to each other and have a relationship.

Gift?
