

## The ultimate husband in Chinese chapter 2921-2930

### Chapter 2921

Hearing this, Zhang Na's expression suddenly eased a lot.

Since Master became the head of the Sect, everyone in the entire Holy Sect was respectful when they saw him, especially these newcomers, who squeezed their heads and tried to flatter themselves, but I have to say, this feeling is really good.

Haha...

Yue Feng next to him couldn't help but laugh.

I thought there was something important, but it turned out to be a gift.

"Chen Yang, what are you laughing at?" Hu Sheng was very displeased and couldn't help shouting, "Do you think it's funny when we give a gift to the big sister?" The

voice fell, and Li Guang next to him stepped forward. , asked Zhang Na politely: "Elder Sister, is this Chen Yang also here to give gifts?"

Li Guang said so, but looked at Chen Yang disdainfully.

Zhang Na glanced at Yue Feng and said lightly: "I was cultivating just now, he sneaked in, I was about to interrogate him, and you came!"

Wow!

As soon as the words fell, the three Hu Shengs suddenly became enthusiastic and attacked Yue Fengkou.

"Chen Yang, you are so bold, you dare to break into the room of the senior sister late at night?"

"It must be a plot!"

Hearing this, Yue Feng suddenly became angry, Nima, these three guys are sick, I have no festival with you , but against me everywhere.

While annoyed, Yue Feng was also a little anxious. Lu Dongbin hadn't found it yet, so he couldn't waste time here.

This chapter is provided by . Visit [for daily update.](#)

It's just that in the current situation, Zhang Na will definitely not let herself leave easily.

Thinking to himself, Yue Feng said lightly: "I'm here to find Senior Sister to ask for some cultivation matters."

Hearing this, the three Hu Sheng sneered.

At this moment, Zhang Na said, "Okay, stop arguing, what gifts did you three bring?"

"Elder Sister!"

Hu Sheng walked over with a smile and took out an exquisite wooden box from his body. Walking up to Zhang Na: "This gift was obtained on a cliff by the three of us who risked our lives during the day. Please accept it with a smile, and take care of us in the future!"

There is really a gift!

Seeing this scene, Yue Feng frowned secretly.

Zhang Na took the wooden box, showed a smile, and said, "You three have a heart. We are all disciples of the Holy Sect. Naturally, we need to help each other. As a senior sister, I should take care of you!"

At this time Zhang Na's appearance is calm, but she is very happy in her heart!

I can't see that the three newcomers, Hu Sheng, are quite capable.

Looking at Zhang Na's expression, Hu Sheng knew that the gift was not given in vain, so he quickly said, "Elder Sister, you must like this gift, take a look!"

Hmm!

Hearing this, Zhang Na smiled lightly and opened the gift box.

The next second, Zhang Na's body trembled when she saw the gift inside, and she was stunned and inexplicably excited.

I saw that the wooden box contained a spiritual grass, green and crystal clear, with a colorful halo flowing through the whole body, and it was a top-quality herbal medicine at first glance.

With joy, Zhang Na slowly picked up the spirit grass and sensed that there was a strange aura fluctuation in it.

Um?

At this time, Yue Feng's eyes also fell on the spirit grass, and his brows were slightly wrinkled.

This... seems to be the Seven Spirit Grass.

Qi Lingcao, recorded in "Wuji Pill Technique", is an extremely rare herb. I didn't expect that these three guys, Hu Sheng, would have such good luck.

It's just that this one in front of me is somewhat different from the Seven Spirit Grasses described in the Wuji Pill...

"What kind of spirit grass is this?" Zhang Na couldn't help but asked in delight.

Although Zhang Na was Xie Liuyun's favored eldest disciple, she knew almost nothing about alchemy and medical theory, so she couldn't tell what kind of herbal medicine it was. But when I sensed the spiritual power inside, I knew it was very precious.

Hu Sheng looked proud, and said with a smile: "Eldest sister, this is called Qi Lingcao, in ancient books, it is called the treasure of fairy grass. It is said that after taking it, it will beautify the skin, relax the muscles and relax the muscles... Wait for seven The medicinal effect is amazing!"

Chapter 2922

What? With so many effects?

Hearing this, Zhang Na was overjoyed, holding the Seven Spirit Grass tightly, she almost couldn't put it down!

At this moment, the three Hu Sheng looked at each other, and they couldn't say how proud they were!

Haha...

This time I gave such a good gift to Senior Sister, and Senior Sister will definitely take good care of the three of them in the future. With the protection of Senior Sister, I will definitely rise to the top in the Holy Sect!

At this moment, Zhang Na had a smile on her face, and her heart was even more excited.

"Elder Sister!"

At this moment, Li Guang next to him said with a smile: "I heard that the seven spiritual herbs are the best time to take them within 12 hours after they are picked, so you should take them now! "

Yeah, we also want to see the effect!"

"Eldest sister is already so beautiful. After taking

Qilingcao, she will definitely have more temperament!" Hu Sheng and Lu Wei quickly responded.

Listening to the three of them, Zhang Na smiled slightly, unable to hide her inner excitement, she was about to take the seven spirit herbs.

"Wait."

At this moment, Yue Feng, who was silent next to him, couldn't help but say!

Swish!

At this moment, the eyes of Zhang Na and Hu Sheng all converged on Yue Feng.

"What?" Zhang Na frowned.

The three Hu Sheng were also gloomy. Mad, this kid is unconvinced when he sees the gift he gave to Senior Sister, and wants to make trouble!

call!

Yue Feng took a deep breath and said, "There is something wrong with this Seven Spirit Grass. I advise you not to eat it."

His tone was calm, but there was no doubt about it.

Speaking of which, Yue Feng and Zhang Na had a deep holiday, and they didn't want to meddle in their own business, but seeing the Seven Spirit Grass in front of them, it was different from what was recorded in Wuji Danshu, and Yue Feng instinctively stopped it.

what did he say?

When the words fell, the three Hu Sheng were all shocked and angry.

The next second, Hu Sheng stepped forward, pointed at Yue Feng's nose and shouted, "Chen Yang, there is something wrong with your special code, right? This Seven Spirit Grass was collected by the three of us on the cliff during the day. , what's the problem?"  
The

voice fell, and Li Guang and Lu Wei also shouted.

"This kid is just jealous. Seeing that we gave a gift to Senior Sister, I'm jealous!"

“This shit is just scolding.”

Three idiots!

At this moment, Yue Feng chuckled lightly and said to Hu Sheng, “This is the Seven Spirits Herbs is not fake, but this top-quality herbal medicine cannot help but be taken with strict research and development, and even the timing of picking is also very particular! “

Seven Spirit Grass, the essence of the world, the leaves are dark green, it is considered to be fully mature, and it is also the best time to pick, and this one, the leaves are emerald green, which means that you have picked it before it is mature.”

“This A top-grade elixir, the effects of fully mature and immature are completely different.”

After saying the last sentence, Yue Feng looked indifferent.

Yes, Yue Feng didn't understand it at first, but after careful observation, he finally found the problem.

This...

Hearing this, whether it was Zhang Na or Hu Sheng, they were all stunned, looking at Yue Feng in a complicated way, unable to speak for a long time.

What this kid is saying is true or false?

Wouldn't it be bullshit?

“Haha!”

Finally, Hu Sheng was the first to react, full of disbelief, and sneered at Yue Feng: “According to what you said, we collected it in advance, so the seven spirit grass will be invalid?”

When he said this, Hu With a mocking expression on his face, he believed that Yue Feng was jealous, and was talking nonsense on purpose.

Chapter 2923

Yue Feng smiled slightly: “It won't work, but after taking it, it will cause breath disorders!” To be

honest, Yue Feng didn't want to say this, but the three Hu Sheng just went too far, and they must be taught a lesson. Just do it.

Moreover, Yue Feng is not talking nonsense. There is a clear record in Wuji Danshu. Taking the seven spiritual herbs collected in advance will indeed lead to internal disturbances, and even serious ones, it will go into trouble and endanger life.

Hearing this, Hu Sheng was stunned for a moment, and then sneered: "It's quite similar to what you said, so tell me, where did you know this?"

"Naturally, I read it in an ancient book." Yue Feng Calm tone!

"What ancient book?" Hu Sheng continued to ask.

Yue Feng chuckled: "There is no comment on this!"

Wuji Danshu, which brings together the essence of alchemy in the world, also records in detail countless elixir, an absolute treasure book, how could it be possible to tell them?

"No comment? Haha, I think you're just talking nonsense!"

Hearing this answer, Hu Sheng looked contemptuous: "Don't think I don't know what your kid thinks, you just saw that we sent such a precious gift, and you feel jealous in your heart. !"

Li Guang and Lu Wei next to him also sneered.

Even Zhang Na couldn't help but glared at Yue Feng and said coldly: "Chen Yang, right, you broke into my room, I haven't settled the account with you yet, if you don't give me a satisfactory reason later. , see how I clean up you!" The

voice fell, and Zhang Na directly took the seven spirit grass.

Like the three Hu Shengs, Zhang Na also thought that Yue Feng had sneaked into her room and had a bad intention. Moreover, she was jealous of the precious gifts that the three Hu Shengs gave her.

In Zhang Na's heart, Yue Feng is a narrow-minded villain, the most annoying.

Seeing that she took it directly, Yue Feng smiled and said nothing.

At the same time, Hu Sheng three, stared at Zhang Na closely, waiting for the effect.

hiss.

A few minutes later, Zhang Na had a smile on her face, but her brows suddenly wrinkled, a trace of pain appeared on her delicate face, and soon, a layer of cold sweat appeared on her forehead.

This...

Seeing this scene, all three Hu Sheng were dumbfounded and panicked inexplicably!

“Elder Sister!” The

next second, Li Guang reacted, stepped forward quickly, and asked cautiously, “How do you feel?!”

“You three bastards!” Zhang Na bit her lip tightly, her face extremely cold, and then endured the pain, walked over quickly, and slapped Li Guang in the face!

“Crack!”

This slap used almost all his strength, Li Guang covered his face, his face was swollen high, and his whole body was covered.

Papa...

Zhang Na was still not relieved, raised her jade hand, and slapped Hu Sheng and Lu Wei fiercely.

“You three, are you trying to kill me?” Zhang Na’s body was trembling, and she couldn’t help shouting: “My dantian’s inner strength is completely disordered. Chen Yang is right, there is something wrong with the Seven Spirit Grass.”

What?

Hearing this, all three Hu Sheng were dumbfounded, their eyes focused on Yue Feng, and they were shocked.

It was actually what he said.

No, this kid, like himself, is a new disciple, how can he understand so much?

At this time, the three Hu Sheng did not know that the person standing in front of them was not Chen Yang at all, but Yue Feng, who was famous in Kyushu.

“You three, get out of the way.” Zhang Na scolded: “Don’t let me see you again.”

Hu Sheng didn’t dare to neglect, and left the room in despair.

At this time, the three Hu Sheng wanted to cry but had no tears. They thought that they could obtain Zhang Na’s protection by picking up the best elixir.

“Chen Yang!”

After the three of them left, Zhang Na looked at Yue Feng closely with complicated eyes: "Since you see that there is a problem with this Seven Spirit Grass, there must be a solution, right? Help me!"

When she said this, Zhang Na's tone was unquestionable, with an aloof attitude.

In her heart, although the person in front of her knew a lot, she was a new disciple after all, so she didn't need to be mean to him.

Chapter 2924

"Zhang Na!"

Feeling Zhang Na's high-spirited attitude, Yue Feng smiled lightly: "I didn't let you take it just now, but you didn't listen and didn't believe me at all. Now that something goes wrong, you're thinking of me?"

"Why should I help you?"

When he said this, Yue Feng's tone was indifferent, but gloating in his eyes.

Zhang Na has a vicious heart. The last time she was injured by Lu Dongbin, she took advantage of the danger and wanted to get her bloody fighting skills. At this time, it was her own fault.

Moreover, I searched all over the forbidden area just now, but I couldn't find the entrance to the illusory realm, and now I just happened to interrogate Zhang Na.

"What did you say?"

At this moment, Zhang Na's body was shocked, and she looked at Yue Feng coldly: "You are so bold, you dare to talk to me like this? I think you don't want to stay in the Holy Sect anymore.

"Senior Sister, who is not polite when you see the entire Holy Sect? Even the altar masters of the Five Elements altar gave three points to themselves, but this newcomer in front of him was so rude to himself because he knew some medical principles.

If you don't want to help, it's fine, and you're just courting death.

Thinking to herself, Zhang Na wanted to do it, but her dantian's inner strength became more and more chaotic, and she had no strength at all.

"Tsk tsk!"

Seeing Zhang Na's anger, Yue Feng didn't panic at all, but looked at her with interest: "It's really a fox and a tiger, your master is the head, you can't be lawless, but you can see clearly, I can't be new." The

voice fell, and Yue Feng slowly raised his hand and wiped it on his face a few times to remove the disguise.

What?

At this moment, seeing Yue Feng's face, Zhang Na's heart trembled, and her delicate body couldn't help trembling, she was very shocked.

This... turned out to be Yue Feng?

At this time, Zhang Na was shocked! Half a month ago, Yue Feng almost died at the hands of his master. At a critical moment, he used the divine talisman to escape with Mu Qingyue embarrassedly, but he did not expect that he would dare to come back.

Moreover, he even dressed up as a new disciple, and he didn't even notice it.

"Yue Feng, you are very brave!" Zhang Na bit her lip tightly: "Last time I let you run away by luck, you were lucky, you actually came to the door again, I tell you, you are dead!"

Yue Feng With a sneer, he ignored it, stepped forward and raised his hand to seal Zhang Na's acupuncture point.

If it was just now, Yue Feng would still have some scruples, but now, Zhang Na's dantian's inner strength is disordered, and she is extremely weak, and she is not afraid of any movement from her.

In an instant, Zhang Na's body trembled, unable to move.

"You..." Zhang Na was furious: "What are you going to do? Hurry up and relieve me!"

"Do you really think that you are a respected senior sister?" Yue Feng showed a smile, but his eyes flickered. with anger.

When the words fell, Yue Feng walked to Zhang Na step by step, slapped her hard, and slapped her in the face!

"Clap!"

As soon as the slap went down, Zhang Na let out a coquettish cry, and a slap print appeared on her fair face.

“You relied on Xie Liuyun’s favor, no big or small, and you were rude to my master several times. This slap was for my master Mu Qingyue.” Yue Feng said coldly!

If Zhang Na and Xie Liuyun, Mu Qingyue would not be locked in the prison, and finally escaped with herself, and after using the divine rune at that time, she and Mu Qingyue were passed to different places.

Now that half a month has passed, I don’t know what happened to Mu Qingyue and whether he was in danger.

Thinking of this, Yue Feng was inexplicably angry.

And all of this was caused by Zhang Na and Xie Liuyun in front of him.

## Chapter 2925

This slap directly blinded Zhang Na, and it took more than ten seconds to react, and then glared at Yue Feng and scolded: “Yue Feng, you dare to hit me? My master will not let you go Yes!”

This Yue Feng, pretending to be a new disciple, is so careful, he must have no companions, since he is alone, he has nothing to be afraid of.

After all, his master is now the head of the Holy Sect.

“Give it back to me!” Yue Feng frowned.

When the words fell, Yue Feng slapped him again!

“A woman like you who doesn’t know the sky and the earth, I will teach you a good lesson for your master. This slap is for me!”

“In the dungeon that day, you forced me to hand in the bloody battle formula, I haven’t Forget it!” Yue Feng’s eyes flashed with mockery, but the anger in his heart could not be restrained.

“Crack!” The

more Yue Feng thought about it, the more angry he became. Before Zhang Na could respond, he slapped him again.

To be honest, Yue Feng rarely does anything to women, but Zhang Na in front of her is really hateful.

After being slapped three times in a row, Zhang Na’s legs softened and she almost fell to the ground. She felt extremely humiliated, and fire almost burst out from her eyes.

Yue Feng took a deep breath and looked at Zhang Na closely: "This last slap is for the majority of the disciples of the Holy Sect. Your master is the head of the sect, and you are so powerful that you are making waves in the main altar, right?"

Zhang Na Biting his lips tightly, he was so angry that he almost cried, his delicate body trembled, and he scolded: "Yue Feng, you are a despicable villain, and you will take advantage of people's danger and my inner strength to act, what kind of a man is you? You're just a bastard..."

As a senior sister, how could she bear such humiliation by Yue Feng?

"Take advantage of people's danger?"

Hearing this, Yue Feng took a deep breath, looked at Zhang Na coldly, and sneered and mocked: "When you forced me to fight in all directions, didn't you also take advantage of others' danger? We are each other!"

"But Since you said that, I'll take advantage of the danger and let you see!" The voice fell, Yue Feng's eyes were red, he walked towards Zhang Na step by step, and when he got there, he tore her long skirt.

In an instant, Zhang Na's impressive curves were exposed to the air.

call!

At this moment, although Yue Feng was roaring and roaring in his heart, he couldn't move his eyes when he looked at Zhang Na in front of him, and couldn't help but let out a sigh of relief.

I have to say that Zhang Na is hateful, but her figure is really perfect. Any man who sees that arrogant figure will go crazy for it.

"You!"

Yue Feng's gaze made Zhang Na feel uncomfortable, her tender body trembled, and her heart was even more frightened, she couldn't help but shouted: "Yue Feng, if you dare to touch me, I will never let you go. !"

And when she said this, Zhang Na's body trembled uncontrollably, and her dantian's inner strength became more disordered and left. The pain was simply unbearable. "Don't let me go?" Yue Feng looked at Zhang Na and said contemptuously, "I'm afraid you won't have this chance! Your dantian

's internal strength is completely disordered, and it has already begun to retrograde in the meridians, right?"

Leng, stared at Zhang Na closely: "If it is not restrained in time, do you know the consequences?"

"What consequences?"

Hearing this, Zhang Na's body was shocked, her face was extremely pale, and cold sweat poured out.

Yue Feng was right. At this time, Zhang Na clearly felt that the inside of her body had begun to retrograde in the meridians, and she was completely out of her control.

Under the inexplicable panic, Zhang Na thought of the three Hu Sheng just now, and she hated it so much that these three bastards made a seven spirit grass that was not fully mature, and they wanted to kill me.

Facing Yue Feng in front of her, Zhang Na felt even more uneasy.

He deliberately said these to scare himself, what was he going to do?

## **The ultimate husband in Chinese chapter 2926-2930**

### Chapter 2926

Just when Zhang Na was muttering about this, Yue Feng walked to the soft couch beside him, sat down leisurely, and said word by word: "Within half an hour, if your situation is not restrained, you will go into trouble. Enchanted, and you have been acupointed by me, so after you go into the devil, your meridians will be broken and you will die!"

"Of course, I can solve your situation, it depends on your attitude!"

When saying this, Yue Feng looked at her with a half-smile, even more mocking in his eyes.

What?

Hearing this, Zhang Na's body trembled, her brain buzzed, and she was completely dumbfounded.

Die from a broken meridian? Too bad!

"What do you want?" Zhang Na forced herself to calm down and asked Yue Feng.

Zhang Na is not a fool, she knows that Yue Feng deliberately said this to make himself nervous, and he must have some purpose in sneaking into the holy sect alone.

Yue Feng squeezed out a smile: "It's very simple, I'll ask you a few questions first, you have to answer truthfully!"

"Okay, you ask!" Zhang Na replied, biting her lip tightly.

To be honest, Zhang Na didn't want to compromise with Yue Feng, but she couldn't help it. It was too tragic to die when the meridians were broken, and she wanted to live well.

"First! How did your master sit on the head?" Yue Feng asked lightly.

This...

Zhang Na pondered for a while, and said in a low voice: "I don't know very well either. Master said that at that time, the head master met him alone in the secret room, saying that he was going to the illusory realm, but the Holy Sect could not live without it for a day. Lord, leave it to him."

Zhang Na didn't lie, she really didn't know the situation at that time.

This chapter is provided by . Visit for daily update.

Ha ha...

Hearing this, Yue Feng couldn't help sneering: "Xie Liuyun is a villain who forgets his own interests, how can he be qualified to be the head? Lu Dongbin is either confused or has other secrets!"

"You... "

Seeing him say that Master's is not, Zhang Na is very angry, but thinking of the current situation, it is difficult to refute.

call!

At this time, Yue Feng took a deep breath and continued to ask: "I'll ask you again, why was my master in prison at that time? What did Xie Liuyun want to do?"

"Over the years, the relationship between Liujintan and Xingmutan has always been Not good!" Zhang Na replied in a low voice: "Master has always disliked Mu Qingyue. After becoming the head, of course he has to find a way to deal with her."

Mad!

Yue Feng cursed secretly, his face was extremely gloomy, he had guessed right before, Xie Liuyun was just avenging his private revenge.

Speaking of which, Yue Feng knew the grievances between Liujintan and Xingmutan for a long time, but when he heard Zhang Na say it, his heart was still inexplicable.

Seeing that Yue Feng's face was very ugly, Zhang Na panicked and pleaded in a low voice: "Yue Feng, I said everything you asked, please help me..."

"What's the hurry?"

Yue Feng chuckled lightly . , looked at Zhang Na and said, "There is one last question, where is the illusory realm?" The

illusory realm?

Hearing this, Zhang Na's heart trembled, and her voice trembled: "Why are you asking this?"

"Don't talk nonsense, come back to me quickly!" Yue Feng said coldly.

Zhang Na was very hesitant in her heart. The illusory realm was in the Qiankun Gourd, and the Qiankun Gourd was the treasure of the Holy Sect. Even some of the disciples did not know, how could they tell Yue Feng?

But thinking of her own situation, Zhang Na really had no choice, and said softly: "The illusory realm is not in the forbidden area, but in the Qiankun Gourd." Then she explained the situation of the Qiankun Gourd.

Chapter 2927

Universe gourd?

Yue Feng was stunned for a moment, then suddenly realized.

Nima, that's what happened, no wonder I couldn't find the entrance before.

Thinking to himself, Yue Feng stared at Zhang Na closely: "What about the Qiankun gourd? Is it your master?"

Hmm!

Zhang Na nodded.

Knowing this, Yue Feng showed a smile and walked over to untie the acupoints for Zhang Na, while running the internal force to help Zhang Na stabilize the chaotic dantian internal force.

After doing this, Yue Feng looked at Zhang Na and said word by word: "Your situation has been temporarily suppressed, but after three hours, it will relapse. Within these three hours, you can help me get the Qiankun gourd and take it. When I get to the Qiankun Gourd, I will help you completely eliminate hidden dangers!"

"Don't think about it, ask Xie Liuyun to help you, suppress your dantian's internal power, there is my white lotus cold fire, Xie Liuyun can't solve it at all. Therefore, your life is still there. I have it, understand?"

Seriously, with Yue Feng's current strength, dealing with Xie Liuyun is not a problem at all, but for safety's sake, it's better to let Zhang Na help.

After all, she is Xie Liuyun's favorite apprentice. With her assistance, she will get twice the result with half the effort, and Xie Liuyun will never imagine that her apprentice will help outsiders deal with him.

"I..."

At this moment, Zhang Na bit her lip tightly, her inner strength full of entanglements.

To help Yue Feng get the Qiankun Gourd, Master will not let him go. You must know that the Qiankun Gourd is the treasure of the Holy Sect.

Seeing her hesitating, Yue Feng said coldly: "What? You don't want to? I can't see that you are not afraid of death! If that's the case, then I'll leave!"

With that said, Yue Feng was about to leave.

"Don't!"

Just two steps away, Zhang Na hurriedly shouted and whispered, "I'll help you!"

At this time, Zhang Na was about to cry, and she couldn't do it if she didn't agree. In her own situation, only Yue Feng could Solution, Zhang Na shuddered when she thought that after three hours, her meridians would be cut off and she would die.

"Let's go!"

Seeing her promise, Yue Feng showed a smile, then left the courtyard with Zhang Na and walked towards Xie Liuyun's resting place.

Yue Feng is not afraid of Zhang Na playing with himself. After all, her life is in his hands, unless she is not afraid of death.

.....

On the other side, the Nayun Continent, the Imperial City!

It was already late at night, as usual, the queen had already rested, and the palace was quiet, but at this time, the Fengming Hall was brightly lit, with hundreds of officials gathered, and it was very lively.

The Fengming Hall is the place where the Queen usually handles the affairs of the court. It is luxurious and elegant.

At this moment, on the throne of the main hall, the queen sat there in a robe of dragon and phoenix and Ming, with a smile on her delicate face, obviously in a good mood.

Beside her, Long Qianyu is also wearing a long court dress, which is indescribably dignified and elegant.

Below, the civil and military officials are all dressed in costumes, and their expressions are extremely excited.

Half a month ago, a nine-day saint asked the queen, and after telling the situation of the Mitian spirit realm, she begged the queen for help. The queen was very shocked at that time, and then ordered a notice to be issued on the mainland of Kyushu, calling for other nine-day saints. Meet at the Nagumo Imperial Palace.

Half a month passed, and the Nine Heavens Saintess from all over the country saw the notice and rushed over.

Just now, the queen learned that two more saintess had arrived, almost all of the nine-day saints had arrived. The queen was very happy, so she hurriedly ordered people to arrange, and let the civil and military officials gather in the Fengming Hall to witness the nine-day saints together. style.

You must know that the Nine Heavens Saintess have extraordinary identities, and it can be said that it is an honor for the Southern Cloud Continent to gather here.

Chapter 2928

“Your Majesty!”

At this moment, a minister came out slowly and respectfully said to the Queen: “Nine Heavenly Xuannv, gather in our Nanyun Imperial City, not only can you show your majesty’s wise, in the future we Nanyun The status of the mainland, in the Kyushu, will definitely improve a lot!”

Hearing this, the other ministers nodded in agreement.

The queen also showed a smile.

“Jiutian Xuannv is here!”

Just as he was talking, he heard a guard’s announcement from outside.

Whoa!

All of a sudden, the eyes of everyone in the hall converged on the door, each with an excited look! At the same time, many people burst into exclamations!

I saw eight charming figures walking in slowly at the entrance of the main hall.

It is the eight nine-day saints.

As soon as the Nine Heavens Saintess appeared, she instantly became the focus of the audience!

The eight saintess of the Nine Heavens, all dressed in long skirts, showed their perfect figure looming, and with their immortal temperament, the eyes of the civil and military officials present suddenly became straight.

Even the Queen and Long Qianyu couldn’t help but sigh.

So beautiful, as expected of the Nine Heavens Saintess!

“Your Majesty!”

At this moment, the eight saintess came together, among them, the Jade Ling, said politely to the queen: “Thank you for your help, if it wasn’t for the announcement from your majesty, we sisters would not meet so soon! “The

voice fell, and Zi Yan and Huanxiang other saintess next to them also saluted the queen.

The Queen smiled lightly and raised her jade hand: “It’s just a matter of raising your hands, you saintesses don’t have to be too polite!”

After saying that, the Queen looked around and continued: “The nine saints have reached eight, I think this last one, it’s probably on the way!” The

voice fell, Huanxiang and Ziyan looked at each other, each other’s incomparable pain.

“Saint Lanxin, I’m afraid I won’t be able to come!” In the next second, Zi Yan said with red eyes.

“Why?” the Queen asked curiously.

At the same time, Yu Ling and the other saintess also frowned.

Zi Yan and Huanxiang were summoned by the Queen as soon as they came to Nanyun Imperial City. They hadn't had time to explain the situation to the other sisters, so they didn't know Saintess Lanxin was dead.

"Lan Xin she... she was killed by the wicked!" Zi Yan endured her grief and said through gritted teeth.

When the words fell, Zi Yan couldn't help the grief in her heart, and tears fell down her cheeks.

What?

Hearing this, the entire Fengming Hall was in an uproar, and everyone was stunned.

A saint was killed? How could this be?

And the saintess of Yuling are even more inexplicably sad. The nine-day saintess are like sisters, and now they get the bad news, it is unbelievable.

"Zi Yan!" Feeling sentimental in her heart, Yu Ling came over and looked at Zi Yan closely and asked, "What

's going on here, what happened to Lan Xin? Who killed him?"

In an instant, the eyes of everyone in the entire hall converged on Zi Yan.

Zi Yan bit her lip tightly, unable to hide her inner grief, and said bitterly, "It's the Sect Master of Tianmen, Yue Feng!"

The voice fell, and Huan Xiang next to him said with incomparable resentment: "Yes, that is Yue Feng, he plotted against Lan Xin, and humiliated her madly. Lan Xin couldn't bear the humiliation, and finally committed suicide, these are Lan Xin dying. He told me personally before."

Saying that, Huanxiang's beautiful face revealed a bit of guilt: "At that time, Lan Xin was determined to die, but I didn't stop me..."

Yue Feng!

Hearing this, Yuling and several saintess were all angry.

"There is such a hateful person?"

Chapter 2929

“I heard that Yue Feng is a hero of Kyushu, I didn’t expect it to be so hateful!”

“I must kill him and avenge Lan Xin!”

At this moment, the Queen and Long Qianyu, as well as the surrounding civil and military officials, He just stood there, shocked.

Yue Feng killed Holy Maiden Lanxin?

How is this possible?

call!

Soon, the queen reacted and looked at Huanxiang and Ziyan complexly: “Two saints, are you mistaken? Yue Feng is a bright and upright person, how could he have done such evil things that people and gods are angry with? Did someone pretend to be a person? Yue Feng, deliberately framed him?” The

voice fell, and the civil and military officials also nodded.

“Yeah, Yue’s concubine is not such a person!”

“It is very likely that someone else framed it!”

Yue Feng has done a lot of things for Nanyun Continent, and his morality is obvious to all, so no matter it is the queen or civil and military officials, I don’t believe it. .

“It can’t be wrong!” Huanxiang looked around and said coldly: “Before Lan Xin died, she told me personally that it was the Tianmen Sect Master Yue Feng who harmed her, and that I had fought against Yue Feng, and with his strength, You can definitely plot against Lan Xin!” The

voice fell, Zi Yan took a step forward and confirmed: “Perhaps Yue Feng is a hero in your heart, but you were all deceived by him, not only you, but I was also deceived at the time! “

To be honest, I rescued him before!”

When she said this, Zi Yan pointed to Xialong Qianyu: “When I rescued Yue Feng, the eldest princess was also present and can testify.”

Long Qianyu’s delicate body was shocked and nodded: “Yes, we were all caught by Jade at that time. Yue Feng wanted to rescue us, but there were too many Jade people. Later, you appeared and took Yue Feng away!”

When he said this, Long Qianyu was very confused.

Like the Queen, she did not believe that Yue Feng would kill Saintess Lan Xin.

Zi Yan nodded and continued: "After I rescued him, I took him to the Heavenly Spirit Realm and let him recover from cultivation. I thought that this person was a man who stood up to the sky, but I didn't expect that his behavior was so despicable that he even plotted against Lan Xin. , make her commit suicide!"

Wow!

After these words fell, the entire hall was in an uproar, and the civil and military officials present suddenly erupted into heated discussions.

Both saints have confirmed that this is not false.

Unexpectedly, Yue Feng turned out to be such a person, killing the Nine Heavens Saintess is simply unacceptable!

"Yue Feng!" Long Qian's delicate body trembled, gritted his teeth resentfully, and his delicate face was full of shame and anger.

Originally, Long Qianyu didn't believe it, but the two saintess said so, it must not be wrong!

Yue Feng is his fiancé, the consort of the Southern Cloud Continent, but doing such a thing is simply disgraceful to the Southern Cloud Royal Family.

The queen who was sitting there frowned, pondering something.

The Queen knew Yue Feng very well. Even though Huanxiang and Ziyan said so, she still felt that this matter was a bit strange. After all, Yue Feng and Jiutian Saintess had no grudges, so why did they kill Lanxin Saintess?

call!

Finally, the queen reacted, looked at Huanxiang and the other saintesses, and said softly: "Well, I will immediately send someone to find Yue Feng, bring him to Nanyun Continent, and confront you!"

"If there is such a thing, , I, Nanyun Continent, will never tolerate it!"

When she said this, the queen looked serious, but her heart was extremely complicated.

She never believed that Yue Feng would do such a thing. The only way was to let Yue Feng show up, and the two saintess Huanxiang and Zi Yan had to testify face to face.

After all, Yue Feng is the concubine of the Southern Cloud Continent, and this must not be taken lightly.

Hearing this, Huan Xiang and Zi Yan looked at each other and nodded.

“Sister!”

At this moment, Long Qianyu took a step forward and said to the queen, “Let me leave the matter of looking for Yue Feng. Besides, please announce one more thing!!

” What’s the matter?” The Queen said softly.

Long Qianyu let out a soft sigh of relief, his beautiful face did not fluctuate in the slightest: “Cancel my engagement with Yue Feng!”

Chapter 2930

What?

Hearing this, the surrounding civil and military officials suddenly burst into an uproar.

Even the empress trembled, thinking she had heard it wrong.

Sister wants to break off the engagement? !

Isn’t this bullshit? Although the two saintess said that Yue Feng was still the saint of Lanxin, but they said nothing, this matter has not been confirmed, why should they break up the engagement with Yue Feng because of this matter?

“Sister!”

After a few seconds, the queen reacted and patiently persuaded: “Don’t be impulsive, you can’t just break off the marriage like this before the matter is settled!”

The entire Kyushu knew about Yue Feng and his sister’s engagement. If you break off the marriage rashly like this, you will definitely be ridiculed by the world.

“Sister!” Long Qianyu bit her lip tightly and became anxious: “You still favor Yue Feng? This person is a cowardly bastard. Some time ago, he blasphemed the Empress Chang’e and made a scene of the Northern Ying Emperor. City, the whole Kyushu has spread!”

“Even if these things, he was framed! However, the two saintess in front of me have confirmed it, can it be fake?”

“In short, even if I die, I don’t want to be with this guy. It has nothing to do with the species.”

When she said this, Long Qianyu was very excited. Speaking of which, her engagement with Yue Feng was a bit dramatic. At that time, due to the royal reputation and the pressure of the queen, she had to agree, although Later, his views on Yue Feng changed somewhat, but at this time, when he heard the accusations of the two saintess, Long Qianyu’s favorable impression of Yue Feng disappeared all of a sudden.

Someone like Yue Feng, who dared to kill the Nine Heavens Saintess and be his fiancée, would be ruining his reputation.

This...

Hearing this, the queen bit her lip tightly, struggling very much.

She knew that her younger sister had a stubborn personality, and once a decision was made, it was difficult to change, but it was really difficult to make a choice when it involved the reputation of the Nagumo royal family.

Thinking to herself, the queen said softly: “Sister, you should think about it...”

Just after saying a few words, Long Qianyu interrupted her words, and her face was full of determination: “I Don’t think about it, I’d rather die than marry her, if you force me again, I’ll be right in front of you!” The

voice fell, Long Qianyu drew out his long sword and placed it across his fair neck.

Whoa!

Seeing this scene, the civil and military officials present were all taken aback.

“Okay, okay...”

At the same time, the queen also trembled, and quickly persuaded: “I promise you, you don’t do stupid things.”

Although Long Qianyu was so stubborn, the queen was very angry, But she is her own sister after all.

In the next second, the queen looked around, breathed a sigh of relief, and announced: “Pass on my will, cancel the marriage contract between the eldest princess and Yue Feng, and announce to the world.”

Hearing this, all the civil and military officials in the hall were They looked at each other, but still answered in unison.

“All saints!”

At this time, Long Qianyu said to Huanxiang several saints: “Don’t worry, I will definitely bring back Yue Feng, and give Lanxin saintess justice!”

After saying this, Long Qian said Yu directly walked out of the hall.

...

On the other side, Yue Feng, under the leadership of Zhang Na, carefully avoided the patrolling disciples and walked towards the place where Xie Liuyun rested.

Although Zhang Na was Xie Liuyun’s favored disciple, it was late at night after all. If she was seen by the patrolling disciples, it would definitely cause suspicion, and there was a Yue Feng behind her.

At this time, Yue Feng’s face seemed calm, but his heart was also a little uneasy.

He entered the main altar alone and coerced Zhang Na. It seemed that everything was going well, but after all, this was the Holy Sect.
