

The ultimate husband in Chinese chapter 2931-2940

Chapter 2931

Soon, Zhang Na brought Yue Feng to a special courtyard entrance.

“Yue Feng, Master is resting in this yard.” Zhang Na stopped and said with sincerity, but there was a complex light in her eyes.

As soon as the voice fell, Zhang Na walked in first.

Yue Feng snorted and quickly followed.

hiss!

As soon as he entered the yard, seeing the scene in front of him, Yue Feng couldn't help frowning secretly.

I saw that there were some large and small stones scattered in the yard. There were thousands of these stones, and there were so many stones that there was not even a single road.

Formation?

Yue Feng frowned and observed, and soon saw the clue. These stones seemed to be placed casually, but there was another mystery.

Yes, the yard that Zhang Na brought him to is a restricted area in the back mountain of Shengzong, and it was also the place where Lu Dongbin studied the formation, and the stone formation in front of him was deployed by Lu Dongbin. Mysterious Stone Array.

The Four Elephants Mysterious Stone Formation is a relatively advanced formation in Taoism. Originally, with Zhang Na's aptitude, he could not understand the mystery of this formation at all, but after Xie Liuyun became the head, he learned from the ancient books collected by Lu Dongbin. The method of cracking was later passed on to Zhang Na.

Zhang Na's purpose is very simple, use this formation to trap Yue Feng, and then force him to completely solve his dantian problem. When Yue Feng was trapped here, he wouldn't have to betray his master.

This...it seems to be a Taoist formation!

At this time, Yue Feng looked around carefully, and at the same time, he couldn't help but recall the various formations in Baiqi's Divine Formation. Soon, I remembered that this is the Four Elephants Profound Stone Formation.

The white formation of the gods is all-encompassing, among which there are records of the Four Elephants Profound Stone Formation.

Nima, Zhang Na did not bring herself to find Xie Liuyun, but came to this formation. What the hell is going on? !

Thinking to himself, Yue Feng remained calm and continued to follow behind Zhang Na.

“Through these stones, it’s almost there!” At this moment, Zhang Na couldn’t help but urged softly: “Master should be resting now, but be careful!”

When she said this, Zhang Na was full of excitement and excited.

Yue Feng, this idiot, didn’t even know that he brought him into the trap.

At this time, Zhang Na couldn’t wait to see the scene of Yue Feng being trapped.

“Understood, you lead the way!” Yue Feng said lightly.

Zhang Na stopped talking, took Yue Feng, and quickly entered the formation center.

“Zhang Na!” At this time, Yue Feng lost his patience and said coldly: “Is your master here?”

Mad, this Zhang Na, wouldn’t he be taking himself around on purpose?

“Don’t worry!” Zhang Na’s face was serious, but her heart was extremely excited. She asked Yue Feng, “That’s the room in front! Just, see if you have the ability to pass!” The

voice fell, and Zhang Na turned around. Turning over, reciting the formula in his heart, his figure is light and agile, and he rushes out of the stone formation.

Yes, Zhang Na’s motto is the method of breaking the formation that Xie Liuyun passed on to her.

Nima!

Yue Feng was furious, and after reacting, he saw that Zhang Na had already reached the outside of the stone circle.

“Yue Feng!”

At this moment, Zhang Na rushed to the outside, her beautiful face was extremely proud, and at the same time carried a bit of resentment: “Do you think you can solve my

problem, and at the same time inject the cold fire of white lotus into my dantian, you can make me surrender? You are so wrong!”

“I tell you, my master is the head of the Holy Sect, he loves me the most, and he will pass the position to me in the future.”

“But you bastard, you threatened me just now, no Let me show you some color, you really think I am easy to bully. To tell you the truth, my master is not here, and the stone formation in front of you is the profound stone formation of the four elephants of our Daomen. Waiting to be trapped inside alive.”

Chapter 2932

“Of course, if you teach me how to solve the dantian problem, maybe I will tell you how to get out.”

When she said this, Zhang Na was all smiles, showing a bit of revenge.

This bastard Yue Feng, although very cunning, did not expect that he would be trapped here.

call!

Listening to Zhang Na’s words, Yue Feng in the formation couldn’t help but sneer.

Ma De, he really was right, this Zhang Na is cunning and won’t help herself easily.

However, a Four Elephants Profound Stone Formation just wants to trap me? He underestimated me too.

Thinking to himself, Yue Feng did not respond to Zhang Na, but looked at the stone formation in front of him, said the formula in his mouth, and walked towards the outside of the stone formation.

what’s the situation?

At this moment, seeing Yue Feng not responding to her, Zhang Na, who was standing outside the stone formation, not only frowned.

He lied to Yue Feng, and it stands to reason that he should be very angry, why is there no movement at all?

Whoosh!

Just when Zhang Na was muttering secretly, she saw a figure appearing in front of her like a ghost, with a mocking sneer on her face.

It was Yue Feng.

What?

At this moment, Zhang Na's body trembled, her face paled in shock, and she stared at Yue Feng in shock.

"You... how could you come out?" Zhang Na only felt her brain buzzing, and her voice trembled.

Zhang Na originally thought that the Four Elephants Mysterious Stone Array could trap Yue Feng in it. At that time, Yue Feng was helpless and would definitely compromise with herself, but she never thought that he would come out so soon.

"Haha!"

Facing Zhang Na's shock, Yue Feng smiled contemptuously: "A mere four-symbol Mysterious Stone Formation just wants to trap me? You are too underestimated." "

You..."

When Fa's name was said, Zhang Na's heart was shocked, she was shocked, she just said one word, and she couldn't say it.

At this moment, Yue Feng said coldly: "I gave you a chance just now, since you are not sure, don't blame me! Anyway, I have already entered the Holy Sect, and I am not afraid of being known by Xie Liuyun, after killing you. , I'll find him myself."

Om!

The voice fell, Yue Feng's inner strength urged, slowly raised his palm, and patted the top of Zhang Na's head.

"Don't!"

Feeling the powerful palm, Zhang Na didn't have time to dodge, but felt that her legs were softening, and she couldn't help begging for mercy: "Don't kill me!" The

voice fell, and Zhang Na bent her knees and knelt directly on Yue Feng. In front of him: "I'll take you to find Master, I won't lie to you this time, please believe me again."

At this time, Zhang Na was full of panic and never dared to disobey in the slightest.

There is no way, Yue Feng has even broken the Four Elephants Profound Stone Formation, so he is no match at all.

“Do you think I will still believe you?” Yue Feng looked at Zhang Na quietly, and said with a half-smiling smile.

Although there was a smile on his face, he was extremely annoyed in his heart.

Nima, fortunately, I have a white spirit formation, otherwise, I would have been killed by her.

“Please believe me, I promise, I won’t dare to lie to you again!” Zhang Na knelt there, her delicate face extremely pale, and she kept begging: “Please give me another chance.”

Although Yue Feng is famous The Tianmen Sect Master of Jiuzhou, but Zhang Na has never paid attention to it, but she never thought that one day, she will kneel in front of Yue Feng and let go of all her dignity.

call!

Hearing this, Yue Feng took a deep breath, pondered, nodded and said, “Okay, I will trust you again.”

Yue Feng could see that after what happened just now, Zhang Na was completely stunned by herself. No more tricks.

Zhang Na breathed a sigh of relief and quickly got up to lead the way.

A few minutes later, through a quiet bamboo forest, Zhang Na brought Yue Feng to a pavilion.

It can be seen that the decoration of this pavilion is elegant and delicate, with an antique atmosphere everywhere, and the environment is quiet and peaceful.

At the entrance of the pavilion, a quaint stone stele was erected, on which was written a few elegant characters: “The master’s cultivation place, idlers are not allowed to enter!”

Chapter 2933

Seeing these words, Yue Feng showed a smile.

It seems that this is the place where Xie Liuyun meditates.

Zhang Na next to her was inexplicably nervous. She brought Yue Feng here privately, and when the master blamed him, how could he take responsibility?

But I had no choice but to take one step, one step.

“You are advanced!”

At this moment, Yue Feng urged lightly: “Don’t play tricks, you know the consequences!”

Zhang Na nodded, bit her lip, and walked in first.

Yue Feng immediately followed.

I go!

Once inside, Yue Feng was stunned.

I saw that in the hall on the first floor of the pavilion, the surrounding walls were filled with bookshelves. The bookshelves were all filled with Taoist classics, as well as some practice secrets. It can be said that this place is completely a treasure house.

However, the hall is surrounded by walls, there are no doors or stairs, and there is no shadow of Xie Liyun.

Crunch!

At this moment, I saw Zhang Na walking to a wall, opening the mechanism hidden behind the hanging picture, and saw a secret door appear in front of her.

“Master is inside.” Zhang Na whispered.

Yue Feng nodded his head, filled with emotion.

Nima, this place where the head of the holy sect practiced is so hidden. Fortunately, Zhang Na led the way. Otherwise, it would be really difficult to find it by yourself.

Thinking to himself, Yue Feng showed a smile and said to Zhang Na, “Wait, you have to cooperate with me...” Then, he told his plan.

Hearing Yue Feng’s plan, Zhang Najiao trembled and panicked, but at this point, she had no choice but to nod her head in agreement.

Later, Zhang Na took Yue Feng and slowly walked into the secret door.

Behind the secret door is a secret passage tens of meters long. After the secret passage, there is a spacious secret room.

call!

At this moment, in the secret room, Yue Feng couldn’t help taking a deep breath.

I saw that the secret room was the size of two basketball courts, and there was a gossip stone platform in the center. Several oil lamps were lit around the stone platform.
Retreat.

It was Xie Liuyun.

“Who?”

Hearing the movement, Xie Liuyun quickly reacted and cast his eyes.

At this moment, Yue Feng lowered his head to prevent Xie Liuyun from seeing his face.

“Zhang Na?!”

At this time, Xie Liuyun frowned and looked at Zhang Na, with a very displeased tone: “Didn’t you say that you are not allowed to come in without my permission.”

When he said this, Xie Liuyun looked at Yue Feng. At first glance, he was very unhappy, because Yue Feng was wearing the gown of the new disciple, and Yue Feng lowered his head, Xie Liuyun didn’t see anything unusual, thinking it was a new disciple.

Zhang Na hurried up with a look of panic, and said in a bitter tone: “Master, calm down, I don’t want to disturb Master, but my apprentice is in trouble!”

After speaking, Zhang Na pointed to Yue Feng: “This new junior brother, I just gave me a Qilingcao, but this Qilingcao is not yet fully mature, and after taking it, my dantian’s inner strength suddenly became disordered... My disciple has no choice but to ask Master!”

The last sentence fell, and Zhang Na was extremely terrified.

Yes, this is Yue Feng’s plan to let Zhang Na attract Xie Liuyun’s attention, while Yue Feng is looking for an opportunity to raid.

What?

Hearing this, Xie Liuyun was taken aback: “Why are you so careless?”

As a high-level figure in the Holy Sect, Xie Liuyun of course knew about Qilingcao, and even more aware of the drawbacks of taking immature Qilingcao.

“Come here, let the teacher take a look!” In shock, Xie Liuyun quickly waved at Zhang Na.

Xie Liuyun was very distressed by the trouble his beloved apprentice encountered.

Zhang Na responded and walked slowly to the stone platform, letting Xie Liuyun feel the pulse for herself.

Chapter 2934

Call!

After a few seconds, Xie Liuyun took a deep breath and said solemnly: "That's true, but you are very lucky, the signs of dantian's internal disturbance have been suppressed. However, there are still some hidden dangers, for the teacher, you need exercise to help you adjust. At

this time, Xie Liuyun didn't know that Zhang Na was not lucky, but Yue Feng helped her suppress it.

Saying that, Xie Liuyun asked Zhang Na to sit cross-legged, and then began to help her adjust. As for Yue Feng, who was standing aside, in Xie Liuyun's heart, he was a new disciple, and he didn't take it to heart at all.

Haha...

Seeing this scene, the corners of Yue Feng's mouth twitched, knowing that the opportunity had come.

hum!

In the next second, Yue Feng didn't hesitate at all, his inner force moved, his figure flashed quickly, he rushed over, and slapped Xie Liuyun with a palm!

At this time, Xie Liuyun was concentrating on helping Zhang Na to recuperate her internal strength. She did not expect that the new disciple around him would suddenly attack him.

However, Xie Liuyun responded quickly and looked back quickly.

"Yue Feng?!"

At this moment, seeing that it was Yue Feng, Xie Liuyun was shocked, his eyes were blood red, and he roared with gnashing teeth.

At this time, Xie Liuyun had no idea that Yue Feng had sneaked into the Holy Sect, and, disguised as a new disciple, he entered the secret room of his retreat.

"Xie Liuyun!" Yue Feng showed a smile and couldn't hide his mockery: "Is it a surprise? I said, I will be back!" The

voice fell, Yue Feng's inner strength surged, and he slapped it with a palm.

"Master, be careful!"

Seeing this scene, Zhang Na's body trembled and she couldn't help but let out a coquettish cry. At the same time, his heart was indescribably complicated. If he hadn't led the way, Yue Feng wouldn't have found it.

Seeing that palm blinked to the front, Xie Liuyun wanted to dodge, but it was too late!

boom!

This palm slammed into Xie Liuyun's back, and a dull vibration was heard, Xie Liuyun's blood spurted wildly, and the whole person flew out at once.

Pfft!

Flying more than 100 meters away, Xie Liuyun shed a rain of blood in the air, and finally smashed heavily on the stone wall at the entrance.

Xie Liuyun clearly felt that his heart was severely injured, and his blood was surging!

What's more serious is that Xie Liuyun had just stimulated her inner strength to help Zhang Na to recuperate her dantian, but was suddenly hit hard by Yue Feng, and her dantian's inner strength was going retrograde, and it was already a sign of going crazy!

Mad!

At this moment, Xie Liuyun's eyes were extremely blood red, and he stared at Yue Feng hatefully.

Yue Feng didn't panic at all, smiled slightly, and said lightly: "Xie Liuyun, don't look at me with this kind of eyes, I can find this place, and it's all thanks to your precious disciple."

What?

Hearing this, Xie Liuyun's face changed, and his eyes locked on Zhang Na.

Seeing Xie Liuyun's gaze, Zhang Na only felt her legs go weak, and couldn't help crying: "Master, I'm sorry, my disciple doesn't want to betray you, but I really have no choice..."

"Yue Feng, you Despicable villain..."

Hearing this, Xie Liuyun's face changed, and then his eyes locked on Yue Feng, and the anger in his heart rose.

Xie Liuyun knows Zhang Na very well. Although she is a bit coquettish, she has always been loyal to herself. She must have been forced by Yue Feng to bring him to the secret room of her cultivation.

The more Xie Liuyun thought about it, the more angry he was, so he was about to rush over to attack Yue Feng, but before he took two steps, his face suddenly turned blue and then white, and his whole body was shaking uncontrollably.

That's right, Xie Liuyun's dantian internal power is completely disordered and completely out of his control.

This....

Seeing this scene, Zhang Na was terrified and wanted to rush over, but she didn't dare.

"Yue Feng..."

Chapter 2935

At this moment, Xie Liuyun stared at Yue Feng, gritted his teeth and said two words, and finally he couldn't stand it anymore, his eyes darkened and he passed out.

Yes, Xie Liuyun at this time is already insane. Even if he was lucky enough to survive, his practice would cease to exist, and he would eventually become a crippled person.

call!

Yue Feng took a deep breath, walked over slowly, carefully searched Xie Liuyun, and soon found a quaint gourd.

It is the Qiankun gourd.

haha...got it!

At this moment, Yue Feng put away the Qiankun gourd and was very excited.

Immediately, Yue Feng looked at Zhang Na, who was sitting there in despair. After a month, come to me if you want to transform the spirit pill."

After saying this, Yue Feng turned around and strode out of the secret room.

To be honest, a woman like Zhang Na is extremely abhorrent, but she is Xie Liuyun's favorite apprentice, and it may be useful to keep it in the future.

A few minutes later, Yue Feng quietly went down the mountain while taking advantage of the darkness.

call!

When they arrived at the place where the Yu Wenyan sisters were hiding, Yue Feng showed a smile, and when he saw the two of them, they hadn't opened the acupuncture point, and were about to cry.

"Yue Feng!"

Seeing Yue Feng coming back, the pavilion master couldn't help but softly shouted: "Quickly solve the acupuncture point for us!"

He and Yu Wenyan, who are also status and status in the Yellow Sea Continent, were blocked by Yue Feng. Acupoints, thrown in this forest, is simply a great shame.

"Ha ha!"

Yue Feng came over, looked at the pavilion master up and down, and said with a smile: "If you want me to relieve the acupuncture points, you can, but you have to promise me two conditions!"

"What conditions?" The pavilion master bit his lip and said.

As soon as he finished speaking, Yu Wenyan next to him hurriedly interrupted: "Don't believe him!" This Yue Feng is not only hateful, but also extremely cunning, how could he easily let him go?

However, the pavilion master didn't hear the same thing. He breathed a sigh of relief and said to Yue Feng: "Okay, tell me, what are the conditions?"

Compared with Yu Wenyan, the pavilion owner is more rational. As long as the conditions are not too extreme, it is fine .

Yue Feng smiled and said: "It's very simple, you call me husband first, and then give me the Linglong Tower on Yu Wenyan!"

Shuh!

Hearing this, the pavilion master's beautiful face instantly became extremely red, and at the same time, he was also a little embarrassed.

This Yue Feng is really very immoral, and he is actually taking advantage of himself.

At the same time, Yu Wenyan was even more stunned and angry: "Yue Feng, you bastard, you know that you have no good intentions."

After speaking, he shouted at the pavilion owner: "Don't promise him."

My sister Bingqing Yujie, how can you call Yue Feng husband?

Yue Feng ignored her shouting, but looked at the pavilion master with a smile, and said leisurely: "I have already stated the conditions, if you don't want to, I won't force it, anyway, I must take the Linglong Tower back, if you If you don't take it for me, I'll search her myself." To

be honest, Yue Feng didn't want to talk nonsense with their sisters, but he just got the Qiankun gourd and was in a good mood, so he deliberately teased the pavilion master.

This....

Hearing this, the pavilion master bit his lip tightly, unable to express the entanglement in his heart. After a few seconds, he still whispered: "Old...husband!"

Seriously, calling Yue Feng's husband, the pavilion owner is from the bottom of his heart. exclusion.

But if she didn't shout, Yue Feng would search her sister's body.

"Yeah!"

This husband shouted Yue Feng's bones to the point of brittleness. He nodded with a smile: "My wife is really good. Husband will solve your acupuncture points!" acupuncture point.

The ultimate husband in Chinese chapter 2936-2940

Chapter 2936

Yuwen was so arrogant that he wanted to scold Yue Feng, but he held back.

She knew that the pavilion master called Yue Feng's husband entirely for her own sake.

"Wife!"

At this time, Yue Feng looked at the pavilion master with a smile: "Help me take out the Linglong Tower."

Hmm!

The pavilion master responded, walked slowly to Yu Wenyan, and said softly, "Sister, this Linglong Pagoda originally belonged to Yue Feng, I think I will return it to him."

When he said this, the pavilion owner was very helpless.

In the pavilion owner's heart, he didn't want to return the Linglong Pagoda. After all, it was a peerless treasure, but after Yu Wenyan grabbed it, he hadn't found a way to open the Linglong Pagoda for three years.

Moreover, at this time, the situation was firmly under Yue Feng's control. If he didn't pay, Yue Feng would definitely think of other ways to humiliate himself and Yu Wenyan.

Hearing this, Yu Wenyan bit his lip tightly and did not respond, but it was considered a tacit consent.

The next second, the pavilion master took out the Linglong Tower from her and handed it over to Yue Feng!

Ha ha!

Yue Feng took over the Linglong Pagoda, feeling indescribably excited.

After three years, the Linglong Tower was finally recovered.

"Yu Wenyan, Pavilion Master!" After putting away the Linglong Pagoda, Yue Feng took a deep breath and said slowly, "A lot of things in the past are coincidences, if you can't let go and insist on revenge on me, then I'll be waiting for you at any time!"

Speaking, Yue Feng stopped talking, turned around and strode away.

call!

Seeing his figure go away, Yu Wenyan bit his lip tightly, his eyes flickered, and he was speechless for a long time.

This bastard, just left?

Just now, both himself and his sister were in his hands. If it was someone else, he would have already done something, but he just said it, but he never acted excessively.

Could it be... I have been wrong about him before?

.....

On the other side, Yue Feng hurried back to join Ren Yingying and everyone else.

At this time, the sky was bright, and Ren Yingying and Meihui, as well as Sun Dasheng and others, couldn't wait!

"Fengzi?"

"Yue Feng is back!"

At this moment, everyone was overjoyed when they saw Yue Feng's figure, and they hurried to greet them one by one.

"Yue Feng?"

Ren Yingying couldn't hide her worry, she walked over quickly, and hugged Yue Feng's arm: "I thought you were in trouble in Shengzong, and wanted Meihui to go up and take a look."

Among the crowd, only Meihui and Yue Wuya had the strength.

Feeling Ren Yingying's worry, Yue Feng felt warm in his heart, smiled and comforted: "It's okay, I encountered a little situation, but in general, it's going well!"

Hearing this, Ren Yingying said happily: "Have you found Daochang Lu?"

At this moment, the people around Dasheng Sun all looked at Yue Feng closely, with a trace of hope that as long as they found Lu Dongbin, they would be able to regain their strength.

call!

Yue Feng took a deep breath and smiled: "That's right."

Having said that, Yue Feng took out the Qiankun gourd, and then explained the situation in detail.

What?

For a time, everyone was stunned and looked at the Qiankun gourd in Yue Feng's hand in surprise.

Is Lu Dongbin in this gourd?

Seeing everyone's astonishment, Yue Feng said slowly: "I need to enter the illusory realm in this cosmic gourd, so everyone needs to wait for some time."

Chapter 2937 After speaking

, Yue Feng said to Yue Wuya: "Ya'er, after I go, you must guard the heaven and earth gourd!"

Now, only Meihui and Yue Wuya can protect everyone. Below, Yue Wuya's strength is higher, so let him protect the Qiankun gourd, Yue Feng is also the most at ease.

"Got it, father!" Yue Wuya nodded quickly.

Yue Fengyou explained some things, and then he picked up the Qiankun gourd and looked at it carefully.

How to get in here?

The next second, Yue Feng was thoughtful when he saw the gourd seal, and then raised his hand to open it!

hum!

In an instant, I saw a dazzling light burst out from the gourd, which contained a powerful suction that directly enveloped Yue Feng.

At this moment, Yue Feng only felt that his eyes were dark, and he was teleported away in an instant. disappeared from everyone's sight.

"It's amazing!"

In shock, Yue Wuya quickly picked up the Qiankun gourd, and when the strange power completely disappeared, he quickly put it away.

"This is not a place to stay for a long time, let's leave quickly!" At this time, Ren Yingying looked around and said softly, "I don't know what happened to Miss Mu, let's go to Buzhou Mountain and join her."

Qiankun The gourd is so magical, it must be the treasure of the holy sect, and this is the realm of the holy sect. If it is seen by the disciples of the holy sect, I am afraid that there will be a lot of trouble.

Um!

Hearing this, everyone nodded, and then rushed towards Buzhou Mountain.

wow wow wow...

After walking for a few hours, Ren Yingying and everyone finally came to the foot of Buzhou Mountain, but at this moment, they heard the sound of neat footsteps on the road not far away.

Could it be the Imperial Guard of Beiyang Imperial City?

At this moment, Ren Yingying and Sun Dasheng looked at each other, and then went to see the situation, but when they got there, they were all stunned!

I saw that it was not the imperial guards of Beiyang Imperial City, but the soldiers of the Southern Cloud Continent, wearing uniform white armor, holding a long sword, and imposing manners.

In front of these soldiers, a very beautiful woman, riding a white horse and wearing purple-gold armor, looked valiant.

It is Long Qianyu.

Yes, Long Qianyu brought these soldiers to look for Yue Feng. Half a day ago, Long Qianyu got the news that Yue Feng brought the Ouyang family to Beiyang Continent, and immediately chased after him.

Seeing Long Qianyu, everyone in Ren Yingying was shocked.

In the next second, Sun Dasheng hurried up to meet him and greeted him with a smile: "So it's my younger brother and sister!"

The entire Kyushu knew about Long Qianyu's engagement with Yue Feng, and Sun Dasheng was Yue Feng's sworn brother, so naturally he would call him younger brother and sister.

At this time, everyone in Ren Yingying also breathed a sigh of relief.

Ben was still thinking that without Yue Feng by his side, it would be difficult to protect everyone's well-being with only Meihui and Yue Wuya. Now that he has encountered Long Qianyu, he no longer has to worry.

After all, Long Qianyu is not only Yue Feng's fiancée, but also the eldest princess of the Southern Cloud Continent. She is powerful and has an extraordinary status.

"Shut up!"

Sun Dasheng's name made Long Qianyu very displeased, and he shouted coldly, "Who is your younger brother and sister, don't mess with the relationship!"

At that time, in the palace, he had already drawn a clear line with Yue Feng, and naturally he would not be polite to Sun Dasheng and others.

Uh...

Sun Dasheng was stunned for a moment, very embarrassed.

What's going on with this Long Qianyu? So angry, did you quarrel with Yue Feng?

At the same time, Ren Yingying, Meihui and others also looked at each other in dismay. I thought that Long Qianyu and Yue Feng were having trouble. After all, she is the eldest princess, and it is understandable to have a temper.

Soon, Ren Yingying reacted and couldn't help but ask, "Miss Long, why are you here..." Before she could finish her

sentence, she was interrupted by Long Qianyu.

"Where is Yue Feng?" Long Qianyu looked around at everyone, his beautiful face was extremely cold, and his tone was unquestionable: "Let him come out to see me!"

"He has something important!" Sun Dasheng couldn't help it. He opened his mouth and said, "That... Girl Long, if Yue Feng does something and makes you angry, don't mind it. When he comes back, I'll tell you about him for you!"

Chapter 2938

Long Qianyu's eyes sank, and he said coldly: "Don't tell me this, I have cancelled the engagement with Yue Feng, and there is no relationship at all!"

After speaking, Long Qianyu couldn't hide his disgust and continued. : "Yue Feng killed the Nine Heavens Saintess, a heinous crime, I'm here to catch him back."

What?

At this moment, whether it was Sun Dasheng, Ren Yingying and others, they were all shocked.

Long Qianyu and Yue Feng cancelled their engagement?

Moreover, Yue Feng also killed the Nine Heavens Saintess? How is this possible? !

"You are talking nonsense!"

Finally, Yue Wuya couldn't help it. He walked out and shouted at Long Qianyu: "Don't slander my father, he is not that kind of person."

When he said this, Yue Wuya looked very excited . .

The former Yue Wuya also had many prejudices against Yue Feng, but later he gradually understood his father and respected him from the bottom of his heart. His father was a hero admired by everyone in Kyushu, and he would never do such a thing.

The words fell, and Sun Dasheng, Ren Yingying and others also nodded in agreement.

“Yeah, there must be a misunderstanding in this!”

“Before Zhang Jiao framed Yue Feng and slandered him and blasphemed the Empress Chang'e. The matter is about to come to the bottom, and this matter must also be framed, Miss Long, you must not believe it. Hearing this, Long Qianyu was very impatient, and said coldly: “

Framed? Two saintess personally confirmed that how could he be framed? Since Yue Feng is not here, you can come with me!”

Said Then, Long Qianyu raised his jade hand: “Come on, take everyone down!”

Long Qianyu knew that the Ouyang family was very important to Yue Feng. As long as the Ouyang family was captured, they would not be afraid that Yue Feng would not appear!

Whoops!

The voice fell, and thousands of soldiers around, rushed in like a tide, and instantly surrounded Ren Yingying and everyone.

These soldiers are all elites from the Southern Cloud Continent, and their strength is not low.

In the blink of an eye, these soldiers tied up Ren Yingying and everyone. They all lost their inner strength and could not resist at all.

At the same time, Yue Wuya and Meihui did not escape bad luck, their wrists were tightly bound.

Speaking of which, Yue Wuya and Meihui originally planned to resist, but there were too many people on the other side. At the same time, they thought that if they resisted, they would completely anger Long Qianyu, and they would definitely hurt Ren Yingying and others by mistake, so in the end, Yue Wuya and Meihui were still give up.

“Don't worry!”

At this time, Long Qianyu looked around and said lightly, "I won't hurt you. My purpose is to force Yue Feng out. When I catch Yue Feng, I will let you go!"

When the voice fell, Long Qianyu waved his hand, and immediately, thousands of soldiers pressed Ren Yingying and the others, and headed towards the Southern Cloud Continent.

At this time, Long Qianyu didn't know that Yue Feng did not go far, but was in the Qiankun gourd on Yue Wuya's body.

...

the other side.

Yue Feng felt as if he was in a dream, his body was fluttering, and his eyes were pitch black. After a few breaths, I finally stepped on the ground.

Hu...

Yue Feng couldn't help taking a deep breath, finally came in, and then slowly opened his eyes, suddenly stunned!

Such a beautiful place!

I can see that on the blue sky above my head, there are auspicious clouds floating in the sky, green mountains and green waters in the distance, not only that, but the air also contains an extremely full of spiritual energy.

I go, is this too illusory?

At this moment, Yue Feng was fascinated by the whole person. He only felt that the imaginary environment in front of him was almost the same size as the Mitian Spiritual Realm that Zi Yan took him to before.

Unexpectedly, there is such a cave in the Qiankun gourd.

It's only so big, where is Lu Dongbin cultivating?

At this time, Yue Feng didn't know that Lu Dongbin didn't take the initiative to come in to cultivate, but was locked in the illusory realm by Xie Liuyun.

Look for it.

Muttering in his heart, Yue Feng slowly walked forward.

Chapter 2939 I

don't know how long it took, Yue Feng came to a big clear lake, and saw that the lake was crystal clear, Bi Bo Linlin, the breeze blowing was intoxicating.

Next to the lake is a quiet valley.

On the grass next to the valley, Yue Feng saw a lot of exotic flowers and plants, and these plants were rare in Kyushu.

Nima, so many rare herbs, it's such a good place to be in an unreal world.

Wow, wow...

Just when Yue Feng was sighing, he heard the sound of water coming from the water not far away, because he couldn't see clearly through the water plants.

Wouldn't it be Chief Lu Dao?

Yue Feng was shocked and walked over quickly, but when he got to the front, the whole person was stunned.

I saw that there was a slender figure bathing in the clear lake water.

The woman was in her mid-twenties, with a delicate face, as beautiful as a fairy, and her body curves were even more exquisite. At this time, she was immersed in the lake water, wearing only one obscene garment. The slender waist and charming curves were seen by Yue Feng.

Moreover, Yue Feng clearly saw that there was a light blue water drop mark between the woman's eyebrows, which was full of aura!

What the hell!

This is too illusory, isn't it a place for Taoist cultivation? How can there be a woman?

Is this a fairy?

In shock, Yue Feng watched without blinking, and couldn't help swallowing.

"You..."

At this moment, the beautiful woman in the lake also saw Yue Feng, her body trembled, and then panicked ashore, quickly picked up her clothes, and blocked herself.

"You, who are you?" The woman looked at Yue Feng in shock and anger, and couldn't help asking.

“I’m sorry!” Yue Feng was very embarrassed, and quickly explained: “I didn’t mean it, I thought it was Daochang Lu who was here.”

When he said this, Yue Feng was very nervous, because he felt that the woman in front of him was very powerful. Unpredictable, if you move your hand, I am afraid that I am not an opponent.

“Master Lu?”

Hearing this, the woman frowned slightly, revealing a hint of doubt: “Are you a friend?”

Yue Feng hurriedly said: “It’s Lu Dongbin, the first-generation master of Taoism, girl, do you know where he is? “

Nima, this place is too big, I can only find it by myself, I don’t know when to find it, just ask the beautiful woman in front of me, and at the same time, it can also relieve the embarrassment.

“Lu Dongbin...” The woman recited it lightly, then shook her head and said, “I don’t know, I don’t know, I haven’t seen it before!”

What?

Yue Feng was stunned for a while, not knowing whether to laugh or cry, right? Lu Dongbin is a legendary figure in the Taoist sect and is famous all over the world, but the girl in front of him has never heard of it?

In desperation, Yue Feng couldn’t help but ask: “Dare to ask the girl’s name. You also came here to practice?”

“I...my name is Miaoying.” The woman shook her head and said softly, “Since I can remember, I have It’s here.”

I’m going, did this grow up here?

At this moment, Yue Feng was stunned: “What about your family?”

“I have no family!”

“This...”

After asking a few questions, Yue Feng was completely stunned.

No family? What’s the matter with Miao Ying?

At this time, Yue Feng didn't know that Miao Ying in front of her was not a human being, but a fairy, born from the spiritual energy in the illusory realm.

"You..."

Just when Yue Feng frowned, Miao Ying put on her clothes and said softly, "I haven't seen the Lu Dongbin you mentioned, but I have seen other cultivators.

"Mei's face was full of innocence, and she continued: "I once heard those cultivators say that only between husband and wife can the other person see their own body. If you looked at me just now, then you are my man, right? ?"

Chapter 2940

As a fairy, Miao Ying has never been to the human world, her mind is pure, and she is very kind. The Great Illusory Realm has existed for thousands of years. During these thousands of years, many cultivators have come in. Miao Ying has seen a few and learned some human conditions from the mouths of these cultivators.

Ah?

At this moment, Yue Feng was completely blinded, staring at Miao Ying blankly, only to feel his brain buzzing.

I just accidentally glanced at you and became your man?

This is too sloppy!

call!

After a few seconds, Yue Feng reacted, and said in disbelief: "That...Miss Miaoying, I was really unintentional just now, please don't mind."

"That...we just met, we need to I'm afraid it's not suitable to develop into a husband and wife!"

Yue Feng was very embarrassed when he said this.

To be honest, Miao Ying in front of her, no matter her appearance, figure, or temperament, is the existence of the best goddess, especially the fairy spirit that pervades her body, I am afraid that the Nine Heavens Saintess will be eclipsed when she comes.

If he becomes her man, it will definitely be a blessing that has been cultivated in several lifetimes.

It's just... I'm here to find Lu Dongbin, so I don't have time to talk about the love between these sons and daughters.

More importantly, he and she have just met.

"Don't you like me?" Miaoying frowned and asked in confusion.

As a fairy, Miao Ying still didn't know that human men and women must have feelings to be together, but she simply thought that if she was seen by him, they would be together.

"No..." Yue Feng quickly denied it, feeling at a loss: "You are so beautiful, anyone who sees you will like it. It's just that I'll be your man as soon as we know each other, which is very inappropriate..."

At this time, Yue Feng, I want to cry, but I don't know how to explain it.

This Miao Ying is really as simple as a blank sheet of paper.

Hearing this, Miao Ying was very disappointed: "But, you have already looked at me..." As she spoke, her eyes were red, and she almost burst into tears.

This...

Seeing this scene, Yue Feng suddenly panicked, and quickly persuaded: "Don't be sad, I promise to be your man, okay?"

Hmm!

Seeing Yue Feng's agreement, Miao Ying was very happy: "After that, you will be here with me!"

Miao Ying was simple-minded and didn't know what it meant to be a husband and wife, but she was very happy to be accompanied by someone. Know that she has spent a long time here and is very lonely.

Holy crap, how does this work?

Yue Feng was stunned for a moment, and instinctively wanted to refuse, but when the words came to his lips, he still held back.

Yingying and the Great Sage, they are still waiting to bring Lu Dongbin back to save them, how can they stay here?

The next second, Yue Feng smiled and said, "I can't stay here, but I can take you out of here."

"I..." Miao Ying's eyes flickered and she shook her head: "I can't leave here." She herself It is the spiritual energy of the illusory realm, bred, and life and the illusory realm are closely linked.

What?

Yue Feng was stunned for a moment, what does it mean to not be able to leave here?

But then, Yue Feng didn't think too much, and smiled: "You are familiar with this place, how about helping me find Daochang Lu?" After speaking, he explained Lu Dongbin's appearance in detail.

Yue Feng thought about it, no matter what, he will find Lu Dongbin first.

"Okay!"

Miao Ying's heart is kind, and she is very simple, and she readily agrees: "Let's look for it separately, and we will meet here before it gets dark!"

Miao Ying smiled and said goodbye to Yue Feng temporarily, with a graceful figure. Fly up and look into the distance.

At the same time, Yue Feng also urged the figure to look in another direction.

call!

I have to say that this illusory realm is too big. Yue Feng flew for several hours without reaching the border. At the same time, he did not forget to look for Lu Dongbin.
