Chapter 2941

However, it was getting dark and there was no clue of Lu Dongbin.

Seeing that it was getting late, Yue Feng was about to return to the shore of the lake to join Miao Ying.

Um?

However, at this moment, Yue Feng was shocked, and he felt that a dangerous breath suddenly came from behind!

Yue Feng looked back subconsciously, and suddenly heaved a sigh of relief, seeing that Miao Ying was flying quickly.

However, he changed his clothes. During the day, it was a light blue long skirt, but at this time, it was a red tight fitting, which showed the graceful curves vividly.

“Wife. Have you found Daochang Lu?” Yue Feng greeted with a smile before he could get close.

Um?

As soon as the words fell, Yue Feng suddenly felt that something was wrong.

Miao Ying, who I saw during the day, was filled with immortal energy, gentle and kind, but this one in front of her eyes was filled with a hostile aura.

Not only that, the mark between the eyebrows also turned into a flame shape.

what happened? Isn't this Miao Ying?

But apart from the different temperament, such a figure is simply a model!

At this time, Yue Feng still didn't know that the beauty in front of her was called Yanhong. Like Miaoying, she was also born from the illusory realm. One positive and one evil represented good and evil. Miaoying was good and Yanhong was evil. .

“You call me my wife?”

This chapter is provided by . Visit for daily update.

At this time, Yan Hong came to the front, stared at Yue Feng, and said coldly: “You are not too brave, you dare to speak rudely to me, go to hell!” The

voice fell, and Yan Hong raised her jade hand. , a terrifying force erupted, and then, a palm shot towards Yue Feng!

hum!

Wherever this palm passed, the world changed color, and the surrounding air was distorted.

I go!

This strength... is terrifying!

Feeling Yanhong's powerful aura and the speed of the lightning fast, Yue Feng was startled. Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

The two palms collided in mid-air, Yue Feng only felt an overwhelming force coming, he groaned, and took a dozen steps back, the blood in his body was churning, but he still resisted abruptly.

Nima!

The strength of this woman is simply too terrifying, and she forced all her internal strength to barely block this palm!

At this moment, Yue Feng took a deep breath and stared at Yan Hong, his heart was shocked.

And Yanhong was suspended there, her beautiful face was full of suffocating energy, and at the same time, there was a hint of surprise in her eyes.

"With a bit of strength, it can actually block my palm." Yan Hong looked up and down at Yue Feng and said coldly!

"Beauty!" Yue Feng was sweating profusely, and quickly said, "Are you Miao Ying's sister? I'm Miao Ying's man, I just recognized the wrong person, it was a misunderstanding, please calm down!"

Yue Feng is not a fool , I can see it at this time, the one in front of me, who looks exactly like Miao Ying, must be twin sisters.

"You are Miao Ying's man? Then I can't spare you!" Yan Hong's eyes flashed coldly, and she said coldly.

hum!

As soon as the words fell, a powerful force surged around Yanhong's body, and her eyes locked on Yue Feng.

Born out of the same fantasy realm, Yanhong and Miaoying are both good and evil. They are completely incompatible. For thousands of years, Yanhong has been trying to get rid of Miaoying. The man, how can you let go so easily? !

What the hell!

Feeling the powerful aura pervading Yanhong, Yue Feng's forehead was in a cold sweat, and he almost wanted to cry without tears!

What's the situation, why did the other party hate him even more after revealing his identity?

Chapter 2942

Whoosh!

Just when Yue Feng was speechless, Yan Hong didn't flash her delicate body, she raised her jade hand and called towards Yue Feng again.

This palm was obviously much more terrifying than before, and I saw that wherever Yan Hong's delicate body passed, the air was torn apart.

Click!

Seeing this scene, Yue Feng didn't have time to think about it, he raised his hand and waved, summoning Fang Tianhua halberd to block in front of him. Just after the fight, Yue Feng knew very well that the strength of Yanhong in front of him was much stronger than he imagined, and a head-to-head match was definitely not an opponent, he could only use the sharpness of Fang Tianhuaji.

boom!

The next second, the palm force slapped the Fang Tianhua halberd fiercely, and Yue Feng snorted, and the whole person flew out, flying over a hundred meters. blood.

Nima!

Yue Feng was shocked, and at the same time his anger was completely aroused.

This woman is sick. She has no enmity or enmity with her, and she has to kill herself.

Seeing Yue Feng's angry look, Yan Hong's beautiful face showed a contemptuous smile: "What? I'm not convinced, but I still want to resist! Still reluctant to bear Miao Ying?!"

"Don't worry, I won't kill me right away. After you, I will cripple you, and then invite Miaoying to come over, when the time comes, we will send you to die together!" The

voice fell, Yan Hong's delicate body flashed, and she came directly towards Yue Feng.

Yue Feng was so frightened that he couldn't help roaring: "Want my life? I'm afraid you haven't had the chance yet!"

Yue Feng's eyes were extremely blood red when he shouted this.

I searched for a few hours just now, but I couldn't see Lu Dongbin's whereabouts. Yue Feng was already irritable. At this time, when he heard that Yanhong wanted to mutilate himself, he couldn't bear it any longer.

No matter what your identity is, since you have to provoke me, don't blame me for being rude.

Thinking to himself, Yue Feng raised his hands abruptly and met

Yanhong

who was approaching quickly.

"Kill!" A

loud roar of dragons came, and nine golden dragons, with unparalleled power, swept toward Yanhong!

Nine Dragons Ascension is the first skill that Yue Feng learned as a cultivator. Now that more than ten years have passed, his understanding of this skill has reached a state of perfection.

I saw nine golden dragons roaring out, and the air within a thousand meters around them quickly distorted.

But seeing this scene, Yan Hong was not panic at all.

"There are still a lot of tricks!" Yan Hong said contemptuously, "But it doesn't change anything!"

As she finished speaking, she saw Yan Hong's jade hands intertwined, condensing a ball of red light in front of her.

hum!

In the next second, Yanhong raised his hand and waved abruptly, a blood-colored light burst out from the ball of light, like a shooting star, to meet the nine golden dragons!

boom! boom! Boom....

The light and the golden dragon collided, and an earth-shattering roar broke out. The nine golden dragons were instantly defeated, shattered into an afterimage, and dissipated between heaven and earth!

What?

Yue Feng's face changed, and his heart was full of anger.

What kind of identity is this woman, and her strength is too strong, right? The nine golden dragons that she burst out were already very powerful, but she was so easily eliminated by her.

"Boy..."

Yan Hong smiled contemptuously and said to Yue Feng, "How about it? Now that you admit defeat, you can suffer less!"

"You underestimate me!" Yue Feng took a deep breath, The cold face was full of determination: "I, Yue Feng, never know what surrender is!"

"Since you are so confident, come and try this."

The moment the words fell, a white flame jumped from Yue Feng's palm and shot He came out, and he was in front of Yanhong in an instant!

It is Bai Lian Leng Huo.

Chapter 2943 At

the moment when Bailian Lenghuo was summoned, Yue Feng's shocked and angry face showed a bit of confidence. Bailian Lenghuo was the number one fire in the world. Although the female Yanhong in front of him was powerful, she couldn't fight Bailian with her bare hands. Fight against the cold!

Um? Weird flames!

Seeing Bai Lian's cold fire, Yan Hong frowned, she was very surprised. At the same time, block the red light ball in front of you.

Chi Chi...

In the next second, I saw the cold white lotus fire hitting the ball of light. It did not cause burning, but was rapidly fused by the power of the light ball. After just a few seconds, the cold fire of white lotus was completely destroyed. into the ball of light.

This... how can this be?

Yue Feng paled in shock, only to feel his brain buzzing, and his whole body was stunned.

Bai Lian Leng Huo was useless to her?

Yue Feng didn't know that Yanhong was bred out of the illusory realm, a spiritual body that contained the essence of heaven and earth, and the cold fire of the white lotus naturally could not cause any harm to her.

"Is this enough strength?"

At this time, Yan Hong lost her patience and finished speaking coldly, and her delicate body reached Yue Feng in a blink of an eye, and her jade hand raised her palm to hit.

Yue Feng was still in shock, unable to react at all. The whole person was shocked and flew out, and he sprayed a few mouthfuls of blood in the air, and finally fell heavily to the ground.

puff!

At this moment, Yue Feng struggled to stand up, but another mouthful of blood spurted out.

Yue Feng clearly felt that his heart was severely damaged, and he couldn't exert any strength.

"Boy!"

Yan Hong slowly landed, her eyes were fixed on Yue Feng, her beautiful face was full of gloom and arrogance: "Accept the truth, you are not my opponent at all..."

While speaking, Yan Honglian Moving lightly, he slowly walked towards Yue Feng.

The strong breath is overwhelming.

Gudong!

Yue Feng was even more frightened and angry, and at the same time he secretly swallowed his saliva, wanting to cry without tears!

It's over, this woman is injured, let alone find Lu Dongbin, I'm afraid she will die here.

"Stop!"

However, at this critical moment, I heard a coquettish shout, followed by a charming figure, who was astonished, rushed over quickly, and blocked in front of Yue Feng.

The beautiful face is full of tension!

It was Miao Ying.

"Yanhong, you can't hurt him!" Miaoying stared at Yanhong tightly, her voice was soft, but she couldn't doubt: "With me here, don't try to do evil again."

Like Yue Feng, Miaoying searched for a long time, He didn't find Lu Dongbin, so he went to the lake, but he didn't see Yue Feng, so he searched all the way, only to see Yanhong and Yue Feng fighting.

call!

Seeing Miao Ying arriving, Yue Feng couldn't help but heave a sigh of relief.

Nima, thought he was dead.

At the same time, Yue Feng couldn't help looking at Miao Ying and Yan Hong, and saw that their appearance and body were exactly the same.

"Are you all right!?" At this moment, Miao Ying tilted her head and asked Yue Feng, her beautiful face showing concern.

Yue Feng shook his head and said with a smile, "It's okay, I can't die!"

"Tsk tsk!"

Seeing this scene, Yan Hong chuckled and couldn't help mocking: "I really love you, Miao Ying, you're actually with a cunning mortal, I'm really ashamed of you!"

Miao Ying Pretty blushed, and then said lightly: "I don't need you to care about my business, and you can't control it either!"

Miao Ying gently supported Yue Feng.

"Of course I won't mind your business." Yan Hong said coldly, "However, I'd be happy to send the two of you to death!"

Chapter 2944

"I..." Miao Ying bit her lip tightly, shook her head and said, "I won't fight you now!"

When she said this, Miao Ying couldn't help but glance at Yue Feng with tenderness in her eyes.

Miao Ying and Yan Hong are good and evil, each meeting must be a battle, but at this time, Miao Ying did not want to do anything, just wanted to leave with Yue Feng.

You know, Miao Ying has been here for thousands of years, extremely lonely, and suddenly she has a partner, how can she bear to hurt him?

In Miao Ying's heart, the most important thing at this time is to help Yue Feng heal her wounds.

"Haha!"

Hearing these words, Yan Hong's face was full of contempt: "Don't fight? Do you think you still have a choice?" As the words

fell, a powerful aura erupted from Yan Hong's body, heading straight for Miaoying. Come.

Seeing this situation, Miaoying frowned, and then she said softly to Yue Feng: "You rest first!" After

saying that, Miaoying flew up, flying into the air, and fighting with Yanhong.

Huh..

Seeing this scene, Yue Feng was shocked and feasted!

At this time, Miao Ying and Yan Hong were fighting in mid-air, and their perfect body was revealed. Yue Feng's eyes were straight, and he almost forgot the heavy wounds on his body.

Miaoying and Yanhong were evenly matched in their abilities, but at this time, Miaoying was worried about Yue Feng's injury and was a little distracted.

In this situation, Miao Ying was suppressed by Yan Hong.

But even so, Yanhong couldn't defeat Miaoying quickly.

In the blink of an eye, half an hour passed, Yanhong couldn't find Miaoying's weakness, and she was a little anxious.

Swish!

In the next second, Yanhong saw Yue Feng below, and suddenly had an idea. When she raised her jade hand, she saw a sharp blade with condensed internal strength, roaring out, coming straight towards Yue Feng.

Yan Hong thought about it, if she killed Yue Feng first, Miao Ying would definitely be in chaos, and then she would have a chance to defeat her.

What the hell!

Yue Feng was taken aback and wanted to dodge, but Yan Hong was surprised, plus she was injured, she couldn't dodge at all.

"Be careful!"

Miao Ying's body trembled, and she couldn't help but let out a coquettish cry. At the same time, she wanted to rush over, but she was still a step too late.

Seeing that sharp blade, he was about to stab Yue Feng.

"Bang!"

At this critical moment, Yue Feng suddenly felt a force coming from behind, and then, that force condensed a protective film in front of him, directly blocking the sharp blade.

When the raid failed, Yanhong was very angry, and shouted tenderly, "Who is it? Dare to meddle in your own business!"

At the same time, Yanhong looked behind Yue Feng, and saw an old man coming slowly, immortal style. , it is Lu Dongbin.

"Master Lu?!"

Yue Feng was surprised and happy when he saw Lu Dongbin.

Lu Dongbin was also very surprised: "Sect Master Yue, why are you?"

After being locked in the illusory realm by Xie Liuyun, Lu Dongbin found a place to retreat, looking for a way to leave. Just now, sensing the movement here, he came over curiously. Look, I didn't expect to meet Yue Feng.

"Stinky Taoist priest, mind your own business, and seek death!"

At this moment, Yan Hong was very angry, shouted coquettishly, and charged directly at Lu Dongbin.

call!

Seeing Yanhong coming, Lu Dongbin took a deep breath, his face full of solemnity.

As a Daoist master, Lu Dongbin could see at a glance that the Yanhong in front of him was an immortal spirit bred in the illusory realm, with powerful strength. I am afraid that I will go all out, and I will not be an opponent.

Just when Lu Dongbin was secretly anxious, he saw Miao Ying's delicate body flashing and stopped Yan Hong directly. After that, the two sides continued to fight in mid-air.

"It's dangerous!"

Lu Dongbin said happily, then grabbed Yue Feng and quickly flew into the distance.

"Ugh!?"

Chapter 2945

At this moment, Yue Feng was in a hurry and couldn't help shouting: "Let's just leave like this? Won't you help?"

This Miaoying is pure and kind, how could she bear to leave her alone?

"You're crazy!" Lu Dongbin was speechless and smiled bitterly: "Two fairy spirits are fighting, why are you joining in the fun?" As he

spoke, Lu Dongbin didn't mean to stop at all, but instead accelerated.

Fairy?

Hearing this, Yue Feng was stunned.

Half an hour later, Lu Dongbin and Yue Feng came to a hidden cave.

"Sect Master Yue!" At

the moment of landing, Lu Dongbin looked curious and couldn't help saying: "How did you come in?" The

illusory realm is in the Qiankun Gourd, and the Qiankun Gourd is the treasure of the Holy Sect. Hard to see, let alone come in.

call!

Yue Feng breathed a sigh of relief and smiled bitterly: "This is a long story!" In the next few minutes, Yue Feng explained the situation in detail.

It turned out to be so.

Knowing the situation, Lu Dongbin nodded silently, and then said: "I do have a way to restore the inner strength of the people of the Ouyang family, but... this is too illusory, it is easy to get in, but difficult to get out, because this is an independent space, Unless your strength reaches the ability to change this space, you will never be able to get out!"

What?

Yue Feng's eyes widened and he was stunned.

Afterwards, Yue Feng tried his best to calm himself down, looked at Lu Dongbin and said, "Is there nothing you can do, Daoist Lu?"

"If I had it, would I still be here?" Lu Dongbin's face was full of bitterness.

Done!

At this moment, Yue Feng sat down on the ground, wanting to cry without tears.

I thought that if I found Lu Dongbin, I would be able to leave the illusory realm and help Yingying and the Great Sage regain their strength, but I never thought that Lu Dongbin would also be trapped here.

correct!

After a few minutes of silence, Yue Feng suddenly thought of something: "Master, you said that Miao Ying and Miao Ying are both fairies? What are fairies?"

Lu Dongbin stroked his beard and said slowly, "Fairy spirits are not human beings. , but born between heaven and earth, the two women just now are fairy spirits in the illusory realm, one is good and the other is evil, there will be a fight when they meet, and the fight between them is not something we can intervene."

This... Hearing this ,

Yue Feng was startled, but he couldn't calm down for a long time. Also a little surprised.

It turned out to be like this, no wonder Miao Ying was so innocent, like a blank piece of paper, and the strength of that Yan Hong was also so terrifying.

“Okay!”

At this time, Lu Dongbin patted Yue Feng’s shoulder: “It’s safe here for the time being, I’m going to meditate and get enlightenment, and you’ll be recovering well!” After speaking, he went to the depths of the cave.

Yue Feng nodded, sat cross-legged, and began to heal his injuries.

Ma De, that Yanhong is too ruthless, fortunately she has the cultivation technique of Guigu senior, otherwise, she would have died long ago.

Before he knew it, a few hours later, Yue Feng’s injuries had almost recovered.

call!

At this moment, Yue Feng took a deep breath, opened his eyes and was about to stand up, when suddenly he heard the sound of light footsteps coming from outside the cave.

Yue Feng suddenly became alert.

Nima, isn’t that Yanhong looking for it!

As a result, the moment the door was opened, Yue Feng was stunned. I saw a charming figure slowly coming, and there was a trace of worry on the beautiful face.

It was Miao Ying.

“How are you?”

Miaoying was very happy when she saw Yue Feng, she came over and took Yue Feng’s arm: “I was worried about you just now, I searched a lot, and finally found you!”

Yes, Yue Feng was quilted After Lu Dongbin took them away, Miaoying and Yanhong fought fiercely for a long time, but the result was the same as before.

But Miao Ying was thinking about Yue Feng, so she searched everywhere, and finally found this cave.

The ultimate husband in Chinese chapter 2946-2950

Chapter 2946

Yue Feng was very moved by Miao Ying’s concern and smiled, “I’m fine, I’ve made you worry!”

At this time, Lu Dongbin, who was in the cave, heard the movement and came out.

Swish!

Seeing Miao Ying approaching, Lu Dongbin's expression changed, thinking that Yue Feng had provoked a fairy.

But seeing that the two were so close, Lu Dongbin was completely stunned.

Soon, Lu Dongbin reacted and couldn't help but say, "You....know?"

Yue Feng opened his mouth and was about to speak, but Miao Ying took the lead.

"Of course I know him, he's my man!" Miao Ying said with a smile, holding Yue Feng's arm with an innocent look on her face.

What?

Lu Dongbin was shocked, and he was stunned.

Yue Feng is her man?

Yue Feng's face was embarrassed, but he didn't know how to explain it. Although Miao Ying was a fairy, seeing her bathing matters by herself was related to her reputation. How could she say it?

"Hehe!"

Finally, Lu Dongbin reacted, hehe smiled: "Sect Master Yue is indeed a hero of the Kyushu, even the spirits are so fond of you, it is gratifying."

After speaking, Lu Dongbin seemed to think of something, and his eyes lit up. Miao Ying, however, shook her head secretly.

This chapter is provided by . Visit for daily update.

Yue Feng couldn't help but ask, "What's wrong?"

"I suddenly thought of a way to get out of here." Lu Dongbin pondered for a while, and said slowly, "The two fairy spirits are too illusory. The environment was conceived, and they joined forces to change the space."

Speaking of this, Lu Dongbin's expression darkened: "This Miaoying has a good heart and is definitely willing to help us, but the other one, she is evil by nature, it would be good if she didn't trouble us."

This...

Hearing this, Yue Feng also frowned, secretly anxious.

Soon, Yue Feng thought of something and asked Lu Dongbin, "Master, do you have any way to deal with that Yanhong!?"

Lu Dongbin smiled wryly and shook his head: "The immortal spirit is powerful, even if you and I join forces, it may not be the case. She is the only opponent who can match her."

After finishing the last sentence, Lu Dongbin pointed at Miaoying.

Yue Feng was stunned, very helpless.

Miao Ying can rival Yan Hong, but the two sides have been fighting here for thousands of years, and there has been no winner.

Got it!

In a hurry, Yue Feng looked at the environment around the cave and suddenly had an idea, then walked over and started placing stones.

Yes, Yue Feng is going to make a formation.

"Sect Master Yue, what are you doing?"

"Why are you moving stones?"

At this moment, both Lu Dongbin and Miao Ying asked curiously.

Yue Feng smiled and said, "Set up the formation to trap that Yanhong and force her to submit."

This...

Lu Dongbin couldn't help laughing: "How can a mere formation trap her?" If it were so easy, he would It won't hide and shut up.

Yue Feng smiled slightly: "It's not possible to rely on the formation alone, but what if Miaoying's power is blessed in the formation?"

When he said this, Yue Feng had a confident expression on his face, but he was a little nervous in his heart. The blessing of external forces in the formation was thought up by Yue Feng himself. There was no record in the Baiqi formation, and no one had done it in Kyushu for thousands of years.

Although Yue Feng's formation skills have reached a pinnacle, but for the first time trying something that his predecessors have not done, he is not too sure.

But Yue Feng had no other way. In this illusory realm, only Miao Ying could fight against Yan Hong. Miao Ying's strength was within the formation, and she would definitely be able to suppress Yan Hong.

"This may work, but it's too risky..." Lu Dongbin frowned and said.

Before he finished speaking, Yue Feng interrupted with a smile: "Master Lu, there are some things that you have to try before you know."

After saying that, Yue Feng set up the stone formation and waved at Miao Ying: "Come on, I will send you to me. The power is injected into the eyes of the formation."

Chapter 2947

Hmm!

Miao Ying's mind was simple and she agreed without thinking.

Soon, everything was ready, and Yue Feng was a little worried: "Next, I will try to attract Yanhong. But that woman's strength is too terrifying."

As soon as she finished speaking, Miao Ying quickly answered: "I'll go!"

Three Among the people, only he could fight Yan Hong and lead her to the formation, so he naturally did it himself.

Whoosh!

Just as he was talking, he saw a charming figure in the distance, flying quickly.

It is Yanhong!

Whoa!

At this moment, both Yue Feng, Lu Dongbin and Miaoying were all taken aback.

Yue Feng frowned even more.

Just thinking about how to find her, she actually delivered her to the door, but the key is that she hasn't made a plan yet. How to do this?

To be honest, with Miaoying by his side, Yue Feng was not worried at all, but when she fought with Yanhong and destroyed the formation, her efforts just now were in vain.

“It’s all there, just right!”

At this time, Yan Hong slowly walked over, looked at Miao Ying and sneered: “Miao Ying, we both know the realm of illusion very well, no matter where you hide, you can’t escape. My palm.”

“So, I advise you not to hide with him, have a good fight with me, and decide the winner!”

Hearing this, Miaoying frowned and was about to agree. , but was stopped by Yue Feng.

In the next second, Yue Feng took a step forward, looked at Yan Hong and said, “Since you have to decide the winner, I will compare with you for Miaoying!”

What?

Hearing Yue Feng’s words, both Miaoying and Lu Dongbin were taken aback!

What?

When the words fell, both Miaoying and Lu Dongbin were taken aback.

In particular, Lu Dongbin was so anxious.

Yue Feng was too impulsive, how could he bet with Yanhong? You must know that the formation has blessed Miao Ying’s power, but no one has ever done it for thousands of years.

Miao Ying, who was next to her, was also worried: “It’s better for me to compare with her.”

Feeling their anxiety, Yue Feng smiled slightly, indicating that there was no need to worry.

Even if Yanhong couldn’t be trapped later, there was still Miaoying. With her here, he wouldn’t be in danger.

“You?”

At this moment, Yanhong looked up and down at Yue Feng, unable to hide her contempt: “It’s just that I’m a defeated general, and I can’t even handle my three moves. You are not qualified to compete with me!”

Uh... Yue Feng was very embarrassed ,

but he still had the courage to say: "I am definitely not your opponent, but Miaoying is my woman, and I must stand up for him."

After saying that, Yue Feng looked at Yanhong with bright eyes . : "Do you dare to make a bet with me!"

Bet?

Yan Hong frowned and sneered, "I don't see how courageous you are, well, tell me, what bet?"

Yue Feng smiled slightly, ignited a branch and planted it on the ground, then walked to the set up Inside the formation, he said loudly: "It's very simple, if you can catch me before this branch burns out, even if I lose, if I lose, it's at your disposal."

"But if I win, you will Be my servant."

When the words fell, Yan Hong's pretty face changed and she was very angry.

"Boy!" In the

next second, Yanhong locked on Yue Feng tightly, and said coldly, "You are courting death yourself, don't blame me for being ruthless!" The

voice fell, Yanhong's delicate body flashed, and she flew in!

Chapter 2948

Although Yanhong has a brutal character, she is a fairy with a simple mind after all.

In her heart, the Yue Feng in front of her was just a mortal person, and she was also a defeated general under her own. At this time, provoking herself was completely courting death.

Even if Miao Ying was watching, but with her own strength, it was completely easy to kill Yue Feng.

Haha...

Seeing Yanhong rushing in directly, Yue Feng showed a smile and was very excited.

It's so easy to be fooled, this Yanhong is really simple.

Lu Dongbin, who was standing outside, was secretly worried. The formation deployed by Yue Feng was absolutely fine, but it was still unknown whether it could trap Yan Hong.

“Kid, die!”

The moment he rushed into the formation, Yan Hong didn't hesitate at all.

Yue Feng smiled slightly, and immediately stepped back, narrowly avoiding the palm, while silently reciting the formula, stepping on the position under his feet, and distanced himself from Yanhong.

At this time, Yue Feng seemed to be calm, but his heart was also panicked.

Nima, the strength of this Yanhong is really terrifying. If there is no formation, I am afraid that this palm will seriously injure myself.

Um?

Seeing Yue Feng avoid her palm, Yan Hong frowned, very surprised.

It was impossible to avoid it. With his strength, how could it be possible to avoid his own palm?

Soon, Yan Hong realized that it was Yue Feng's luck, so he attacked again.

However, after a few minutes, Yanhong realized that something was wrong. Yue Feng was clearly in front of him, but he accelerated his speed, but he couldn't catch up with him.

Not only that, Yan Hong noticed that the surrounding stones were very strange, no matter how she moved, they would block in front of her.

Is it the problem with these stones?

As a fairy, Yanhong didn't know that there was a formation technique in the world, but she was also aroused by anger.

“You want to block me with these stones?” A cold voice came from Yan Hong's mouth.

The voice fell, and a powerful aura erupted from Yanhong's body, and then the jade hand slammed the stone in front of her.

Yanhong has thought about it, no matter how strange the stones in front of you are, they will be destroyed directly. I will see how your kid hides.

call!

Seeing this scene, Lu Dongbin and Miao Ying, who were standing outside watching the battle, both sweated for Yue Feng.

You must know that Yue Fengneng and Yanhong rely entirely on the mystery of the formation. If the formation is forcibly destroyed by Yanhong, he will have no support, and the result will be a dead end.

What the hell!

Yue Feng was also taken aback, but he was already prepared, and his figure flashed to the front of the array, activating the power inside, and Miao Ying's power was injected into the array. And that power is the key.

boom!

When the palm force hit the stone, the stone was motionless. Yanhong's palm force and Miaoying's strength contained in the stone directly canceled each other out.

How could this be?

Yan Hong's delicate body was shocked, and she was stunned.

Haha...

Yue Feng is not excited. He just tried it and injected the external force into the formation, but he didn't expect it to be possible.

At the same time, Lu Dongbin was also extremely excited.

"Boy looking for death!"

Seeing Yue Feng's proud face, Yan Hong turned into anger from shame, shouted coquettishly, and charged towards Yue Feng again.

However, ten minutes passed in the blink of an eye, and Yanhong moved her figure almost as fast as lightning, but she still couldn't catch Yue Feng!

call!

Chapter 2949

Seeing this scene, Miao Ying, who was standing outside, was very excited. Looking at Yue Feng's eyes, the same light flashed.

He really did it!

You must know that they are both immortals. For nearly a thousand years, Miaoying and Yanhong have had a fierce battle when they met, but between them, no one could

do anything to the other. At this time, Miao Ying saw that although Yue Feng was a mortal, he relied on the subtlety of the formation to trap Yan Hong in it.

Finally, the branches on the ground were burned.

call!

Yue Feng took a deep breath, stood on the foot cloth, and smiled at Yan Hong: "The time is up, you lost!"

Yan Hong's beautiful face was full of shock and anger, but looking at the burned branches, there was nothing left. Yan refuted, with a pair of eyes staring at Yue Feng, unable to speak.

At this time, Yanhong felt unwilling and angry!

The boy in front of him, who is obviously not his opponent, has made fun of himself by leaning on a pile of rocks, which is a shame.

"Yanhong!"

At this moment, Yue Feng showed a smile and said slowly to Yanhong: "Since you have made a bet, you have to talk about it. You won't deny it, right?" After speaking

, Yue Feng slowly walked out of the formation. , walked in front of Yanhong: "I am willing to admit defeat, from today onwards, you are my servant!"

Shuh!

Hearing this, Yan Hong's beautiful face was instantly bloodless!

As a fairy, Yan Hong is not only cruel, but also very arrogant. Being a servant to a mortal is more uncomfortable than killing her.

Seeing Yanhong's gloomy and terrifying face, Miaoying quickly came out and said, "Yanhong, I am willing to admit defeat, but if you don't want to, we won't force it. However, you are not allowed to trouble him again in the future."

Seriously , Miao Ying didn't want to interrupt, but she was afraid that she would hurt Yue Feng.

This...

Yue Feng was in a hurry all of a sudden, and blinked at Miao Ying secretly, telling her to speak less.

You must know that in order to trap Yan Hong, you have taken a lot of risk. If this is not the case, your previous efforts will be in vain.

Yue Feng knew that Miao Ying did this because she was afraid that Yan Hong would become angry and hurt herself, but then again, she couldn't leave the illusory realm, no matter how good her life was, it was meaningless.

Thinking to himself, Yue Feng kept an eye on Yanhong's expression changes.

call!

At this time, Yan Hong took a deep breath, gave Miao Ying a cold look, and said coldly, "You take me as a villain who goes back on his word? You underestimate me!" After speaking, Yan Hong said to Yue Feng: " Alright, I'll be your servant."

When she said this, Yan Hong bit her lip tightly, her heart was extremely ashamed and angry, her beautiful face couldn't hide her arrogance, she was very dissatisfied.

To be honest, what Yan Hong wanted to refuse, it was impossible for her to bow her head to a mortal, but Miao Ying's words deeply stimulated her.

For thousands of years, Yanhong has regarded Miaoying as a mortal enemy. If Yue Feng and Lu Dongbin said this, Yanhong would not take it to heart, but when Miaoying said this, Yanhong couldn't take it anymore.

Whoever looks down on herself can never let Miao Ying look down on her.

It could be said that Yanhong bowed her head to Yue Feng entirely because of what Miaoying said.

Ha ha...

Seeing Yanhong let go of his dignity, Yue Feng was very excited and said with a smile, "Since you have become my servant, you will have to listen to me in the future, you know?"

Yan Hong was very dissatisfied, but she had nothing to say. The voice: "I see, Master!"

"Sect Master Yue!"

At this time, Lu Dongbin reacted, unable to hide his excitement: "Sect Master Yue is really a genius, I didn't expect you to succeed, injecting external forces into the formation. Inside, it's a first of its kind."

When he said this, Lu Dongbin's eyes were full of admiration.

As a first-generation master of Taoism, Lu Dongbin can be said to be a master of the past and present, but he has never thought of changing the formations created by his predecessors. After all, this approach is too dangerous, and if it is wrong, he will be trapped by the formations.

But Yue Feng, who was in front of him, really did it. Not only did he do it, but he also forced Yan Hong to surrender.

Chapter 2950

Hearing this, Yue Feng had a humble expression on his face: "Liao Zan, Daochang Lu, I just tried it. I didn't expect it to be successful, and it's good luck!"

Huh!

Listening to their conversation, Yan Hong was unusually silent. At the same time, she couldn't help looking at the stone formation, frowning secretly.

What is so magical about these stones that they can trap themselves.

"Yanhong!"

Just as she was thinking about it, Yue Feng came over and smiled slightly: "Since you have become my servant, don't go back on it, now I need you to help me with something."

"What is it? ?" Yan Hong responded indifferently, without the slightest emotion on her beautiful face.

She is arrogant, even if she is willing to admit defeat and become Yue Feng's servant, she will not be respectful. This is her nature.

call!

Yue Feng took a deep breath and did not answer directly, but turned his head to look at Lu Dongbin.

"It's very simple!" Lu Dongbin took a step forward, unable to hide his excitement, and said to Yanhong, "Master Yue and I leave here, it's difficult to send it out with our strength alone, and you and Miaoying are both The spiritual energy here is transformed into illusion, if we join forces, we will succeed!"

When he said this, Lu Dongbin's eyes were full of urgency.

What?

Hearing this, Yan Hong's extremely beautiful face suddenly changed, frowning and looking at Miao Ying next to her, her eyes were full of resistance.

You and Miao Ying have always been incompatible with each other, and it is absolutely impossible to join forces.

Seeing her expression, Yue Feng couldn't help but say, "As a servant, do you want to disobey my orders?"

Hearing this, Yan Hong bit her lip tightly and resisted, but nodded anyway.

Whoosh!

The voice fell, and Yan Hong's delicate body flashed and flew directly into the sky.

Seeing this scene, Yue Feng showed a smile, and at the same time he felt a little emotional.

This Yanhong is really difficult to control. It seems that more training will be required in the future.

Thinking to himself, Yue Feng smiled at Miaoying and said, "Miaoying, I'm in trouble."

Hmm!

Miao Ying was kind-hearted and understood what Yue Feng meant. After she responded, her figure rose up and merged with Yan Hong in the sky.

hum!

In the next second, Miao Ying and Yan Hong burst out with their own power, and they saw that after the fusion of the two forces, the sky and the earth suddenly changed color, and the entire illusory realm suddenly darkened, like a chaotic world.

Yue Feng saw that the surrounding mountains and lakes also became illusory, like a dream.

As expected of a fairy, this power is too powerful.

Although he was already prepared, Yue Feng was still extremely shocked when he saw the scene in front of him.

call!

Lu Dongbin, who was next to him, was also shocked.

The sky and the earth were getting darker and darker, and then, in the endless chaos overhead, a dazzling light pierced through the sky and the earth, and was projected directly onto the ground not far away.

“Quick!”

Seeing the beam of light, Lu Dongbin hurriedly shouted, and then rushed in first.

Yue Feng didn't have time to think about it. After that, he knew that this beam of light was the essence of Yanhong and Miaoying's power, and he could take himself and Lu Dongbin to leave here.

The moment he entered the beam of light, Yue Feng only felt a strange force that completely enveloped him.

....

this moment, the other side!

Nayun Palace, Shangwu Hall.

Shangwu Hall is the place where the Nanyun royal family tests the cultivation of royal disciples. It is a forbidden area for the royal family, and ordinary people are not allowed to enter.

At this time, many people gathered in Shangwu Hall, and the atmosphere was extremely depressing.
