

## The ultimate husband in Chinese chapter 2961-2965

### Chapter 2961 I

was shocked, I didn't have time to dodge, so I had to hold Fang Tianhua halberd tightly and attacked! Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

In an instant, the two palms collided, and Wen Xiaoyu only felt an overwhelming force coming from the mountains, groaned, and was directly knocked back dozens of meters. When he landed, his face was pale, and the blood in his body was churning.

Stabilizing the figure, Wen Xiaoyu looked at Zhang Jiao in horror, Madd, the strength of this corner is simply too terrifying, just with a casual palm, he needs to exert his full strength to resist.

With such a huge disparity in strength, how could he avenge his father? !

"Xiaoyu!"

At the same time, Xue Li was even more nervous. After giving a coquettish cry, she quickly ran over to support Wen Xiaoyu: "How are you? Are you alright!"

Wen Xiaoyu shook her head, her eyes always on Zhang Jiao couldn't hide his shock and hatred.

"Boy! You are not my opponent at all, and rash action is nothing but death!" Zhang Jiao said with a proud expression, and said slowly.

As he said that, Zhang Jiao's eyes flashed with a hint of complexity, and he continued: "Also, I can tell you that your father, Wen Chou Chou, was not killed by me."

What?

Hearing this, Wen Xiaoyu and Xue Li looked at each other and were stunned.

The next second, Wen Xiaoyu couldn't help but ask, "Who are you?"

Zhang Jiao said indifferently: "It's the current Palace Master of Longevity, White Horse, at this time a very villain, cunning and despicable, at the beginning, he In order to survive, pretending to be loyal to me," and assured me, secretly monitoring Wen Chou Chou's every move. "

“Afterwards, Yue Wuya led the Tianqi army and surrounded the main altar of the Wutian Organization. He wanted to rescue the Ouyang family. Wen Chouchou took the opportunity to let the Ouyang family go. At that time, the white horse was in charge of intercepting, and finally knocked your father off the cliff in the back mountain.”

“After killing your father, the white horse did not return to me, but left in the chaos and returned to Changsheng Island to become the palace master.”

When he said this, Zhang Jiao was full of anger, and his eyes flashed coldly: “The next thing, I won’t tell you, but the white horse confuses the public and says that Wen Chou Chou was killed by me, but he is actually the real culprit.”

This...

After hearing this, Wen Xiaoyu and Xue Li were completely stunned and stood there. , was speechless for a long time.

The culprit who killed Wen Chou Chou was the white horse?

But... Zhang Jiao has a very deep palace and is not a good person. Can you believe his words?

call!

Finally, Wen Xiaoyu came to his senses and asked Zhang Horny, “You say nothing, who knows if you are provoking my relationship with Baima!”

Speaking of which, Wen Xiaoyu and Baima had no friendship, even Wen Chou back then When Chou Gang was the Palace Master, he still had some grudges with Bai Ma, but then again, even if the relationship was not good, they were still members of the Palace of Longevity and belonged to him.

As for Zhang Jiao, he was notorious, a notorious villain in the Kyushu mainland.

“Haha...”

Facing Wen Xiaoyu’s questioning, Zhang Jiao was stunned for a moment, and then he looked up to the sky and laughed.

“Although I, Zhang Jiao, do whatever I want, but I’m open and upright, there’s no need to lie to you as a doll,” Zhang Jiao said with a sneer, his expression full of arrogance: “I did it, even if I carry the world’s infamy, I will admit it, but it hurts. It’s not me who killed your father.” The

last sentence fell, and Zhang Jiao stood with his hands behind his back, extremely proud.

Hearing this, Wen Xiaoyu and Xue Li were silent again.

After a few minutes, Xue Li reacted, and her delicate face was full of grief and indignation: "The hypocrite Baima, he kept saying that he wanted to avenge her husband, but he was the real culprit."

Wen Xiaoyu also clenched her hands tightly. She said ruthlessly: "Such a despicable villain, to be the hall master, it is simply a joke of the hall of longevity."

At this time, the mother and son already wanted to understand.

Although Zhang Jiao is not a good person, after all, he is a famous person in the world, and he is full of arrogance. If he is the culprit, there is no need to explain so laboriously.

Moreover, with his strength, dealing with his mother and daughter is almost as easy as the palm of his hand, and there is no need to waste words.

## Chapter 2962

Looking at the changes in the expressions of the mother and son, Zhang Jiao showed a smile.

The next second, Zhang Jiao looked at Wen Xiaoyu and said, "Boy, do you want to avenge your father?"

Wen Xiaoyu was stunned, and asked subconsciously, "What do you mean?"

"Haha..."

Zhang Jiao smiled slightly: "With your current strength, you are no match for White Horse at all, you must know that he has already controlled the entire Hall of Longevity!"

Zhang Jiao turned around. He continued: "If you worship me as your teacher, after your strength increases, you will definitely be able to kill him with your own hands and avenge your father!"

When he said this, Zhang Jiao was full of ridicule.

To be honest, with Zhang Jiao's strength, finding the white horse can easily kill him.

But in Zhang Jiao's heart, the white horse plotted against him and stole his axe, which was extremely abominable. If he killed him directly, it would be too cheap for him. If he

accepts Wen Xiaoyu as his apprentice and helps him retake the Hall of Longevity, the white horse will definitely be unacceptable, and this is also the best punishment for him.

More importantly, when Wen Xiaoyu killed the white horse and became the master of the palace, and he was his master, the palace of longevity would be under his control.

What?

When the voice fell, Wen Xiaoyu's body was shocked, and he was stunned.

Did you hear me wrong, Zhang Jiao wants to accept himself as a disciple?

At the same time, Xue Li next to her also stayed there, her delicate face full of surprise.

In the next second, Wen Xiaoyu reacted with a resolute look on his face: "No worship!"  
The

two words were very straightforward, without the slightest hesitation!

Wen Xiaoyu knew very well that Zhang Jiao was very powerful. If he was a teacher, his own strength would increase by leaps and bounds. When he found a white horse, he could easily avenge his father.

It's just that Zhang Jiao has caused chaos in the world, and he has done all kinds of evil in the rivers and lakes. He is a wicked man who everyone gets and kills. If he worships him as a teacher, wouldn't he be a raccoon dog?

Wen Chou Chou taught Wen Xiaoyu from a young age that, as a cultivator, he must have justice in his heart, and he must never join forces with evil forces. How could he worship Zhang Jiao as his teacher at this time?

Um? !

At this moment, Zhang Jiao's face changed suddenly. You must know that after being famous for thousands of years, almost everyone in the arena is frightened. Moreover, I don't know how many people dream of worshipping myself as a teacher. At this time, he was so decisively rejected by Wen Xiaoyu. If it spreads out, where would he put his face?

For a while, the atmosphere of the entire island was extremely solemn.

At this time, Xue Li also reacted and said to Zhang Jiao, "We appreciate your kindness. It's just that we are two-way people, so you don't need to worry about revenge."

"Really?"

At this moment, I only saw Zhang Jiao laughing and saying, "I, Zhang Jiao, do things and do what I say. Whether I agree to be a teacher or not, I can't help you!"

When he said this, Zhang Jiao didn't smile, but his heart was gloomy.

Once the leader of the Yellow Turban Army, and now the head of the Wutian Organization, there is still nothing he can't do!

Whoosh!

The voice fell, Zhang Jiao's figure flashed, and he came straight to Xue Li.

"What do you want to do?" Wen Xiaoyu was furious, but he never thought that Zhang Jiao would do it when he said he would do it, without any warning.

After shouting angrily, Wen Xiaoyu was about to stop him, but Zhang Jiao's speed was too fast, and it was too late.

"Mrs. Wen, I've wronged you!" In the

blink of an eye, Zhang Jiao came to Xue Li, said with a smile, and then clicked on her acupuncture point, and saw that Xue Li's body was shaken, and she couldn't move.

Immediately afterwards, Zhang Jiao took out an elixir from his body and stuffed it into Xue Li's mouth.

Gudong!

At this time, Xue Li was full of panic, and before she could react, the medicinal pill was swallowed directly into her stomach.

"You... what did you give me to eat?" Xue Li looked at Zhang Jiao and was furious.

At the same time, Wen Xiaoyu's eyes were also blood red, and he howled at Zhang Jiao: "If you dare to hurt my mother, I will not spare you!"

Chapter 2963 When

the words fell, Wen Xiaoyu wanted to do it, but he was worried about Xue Li's safety and held back.

"What are you panicking about?"

Zhang Jiao smiled and said slowly, "Mrs. Wen won't die for the time being. The medicine I gave her is called Heitian Pill!"

That's right.

What Zhang Jiao gave Xue Li just now was Heitian Pill! The Black Heaven Pill was researched on the basis of the Inextinguishable Classic. It was very similar to the Tongtian Pill from Tongtian Island back then, but the effect was more sinister.

“Black Sky Pill?”

Wen Xiaoyu was not locked, inexplicably frightened! He was young and still didn't know what Hei Tian Pill was.

But Xue Li was shocked, and her beautiful face was instantly pale.

Wen Xiaoyu didn't know what Heitian Pill was, but Xue Li knew exactly what it was. After Zhou Qin became the head of Emei, he used despicable means to make all sects take Heitian Pill and threatened him. Sitting on the leader of the martial arts alliance.

The major sects are helpless to Hei Tian Pill, how can he and Xiao Yu be able to solve it?

Thinking to herself, Xue Li was very desperate.

“Boy!”

At this time, Zhang Jiao showed a smile and said to Wen Xiaoyu: “After taking the Heitian Pill, if there is no antidote within half a year, your mother will die miserably. And I tell you, you Yue Feng, my father's sworn brother, can't solve it. Do you understand?”

What?

Hearing this, Wen Xiaoyu's face changed greatly, and he gritted his teeth with hatred: “Zhang Jiao...what do you want?”

Zhang Jiao looked leisurely: “It's very simple, take me as a teacher, and everything will be done in the future. You must obey me, otherwise, you will wait to collect your mother's body!”

With that said, Zhang Jiao Yufeng turned around: “After you have learned from my teacher and learned my inextinguishable scriptures, you can refine the antidote for your mother yourself.”

“You...”

Wen Xiaoyu His whole body trembled with anger: “What's the difference between you and Bai Ma by forcing me to be a teacher by this method?”

Seeing that he compared himself to Bai Ma, Zhang Jiao's face sank, and he said coldly, "Even if my methods are disgraceful, But I'm a real villain, he's a hypocrite, and, I tell you, you don't use this trick to provoke me, it's useless!"

"Whether you want to be a teacher or not, it's just a matter of your thoughts."

"If you want to be a teacher, your strength will increase by leaps and bounds, killing the white horse and avenging your father will be as easy as the palm of your hand."

"If you think you are talented and can research the antidote to the Heitian Pill, then just ignore it!"

After saying this, Zhang Jiao walked aside and sat on a rattan chair, very relaxed and comfortable.

Mad...

At this moment, Wen Xiaoyu stood there, his face gloomy and uncertain, and his heart was even more tangled.

Do you want to worship a teacher?

If you are a teacher, you will be living up to the teachings of your father.

But if you don't follow a teacher, your mother's life will be in danger after half a year.

"Okay!"

Finally, Wen Xiaoyu took a deep breath and stared at Zhang Jiao: "I'll be your apprentice!" Immediately, he took two steps forward, ready to kneel and salute.

"Xiaoyu."

But at this moment, Xue Li's face was full of urgency and stopped, "I can't worship him as a teacher!"

Her husband was a bright and upright one all his life. He led Changsheng Island to eradicate evil, and changed the sect of the rivers and lakes. His views on Changsheng Palace, if his son worshipped Zhang Jiao as his teacher, his husband would know how to feel at ease.

"Mother!" Wen Xiaoyu gritted her teeth secretly, with tears in her eyes: "But I can't just watch you die! Besides, I have to kill the white horse to avenge my father!"

When he said this, Wen Xiao Yu looked resolute.

Hearing this, Xue Li was very anxious, but she didn't know how to refute it.

Chapter 2964

Puff.

Wen Xiaoyu stopped talking, took two steps forward, bent his knees, knelt down towards Zhang Jiao, and said word by word: "Master is above, please accept the disciples!"

When saying this, Wen Xiaoyu Resisting the unwillingness in his heart, his tone was very sincere.

To be honest, Wen Xiaoyu felt ten thousand reluctance in his heart to take Zhang Jiao as his teacher.

But no way.

His mother's life is in his hands, and, once his father dies, if he loses his mother, what's the point of living alone?

Haha...

Seeing that he finally agreed to apprenticeship, Zhang Jiao was overjoyed and couldn't help laughing. He raised his hand and said, "Okay, okay, good disciple, get up!"

Wen Xiaoyu responded and stood up. .

Zhang Jiao looked happy and looked at Wen Xiaoyu up and down: "From today onwards, you have to follow Master's practice wholeheartedly, and you must not be slack, you know?"

Speaking of which, Zhang Jiao forced Wen Xiaoyu to become a teacher, although the final purpose , in order to control the Hall of Longevity, but I have to say that Wen Xiaoyu is extremely talented, and he is also a genius in cultivation.

Zhang Jiao was delighted from the bottom of his heart to receive such an apprentice.

Wen Xiaoyu did not dare to disobey, and nodded in agreement: "I see, Master."

Papa...

Zhang Jiao was full of approval, then walked over and untied Xue Li's acupuncture point: "Frightened, Madam Wen! Don't worry. , I will definitely teach Xiaoyu well."

After saying this, Zhang Jiao took Wen Xiaoyu away from the island.

...

On the other side, the ghost world!

In the gloomy purgatory, two ghost soldiers dragged a figure and walked in slowly.

It is the ugly ugly.

At this time, Wen Chou Chou was covered in scars and extremely weak.

Two days ago, after Wen Chou Chou was caught, he was sent to the ghost realm. At that time, Hades was very angry and was tortured on the spot. After that, he ordered Wen Chou Chou to be thrown into purgatory.

Whoa!

At this time, the two ghost soldiers tied Wen Chou Chou to a stone pillar and turned to leave.

Wen Chou Chou was in pain all over his body, and he almost lost the strength to speak, but he was still somewhat sober, but his heart was filled with despair.

As long as you are thrown into purgatory, you will never see the sun again in the future.

At this moment, feeling the gloomy chill around him, Wen Chou Chou closed his eyes, completely desperate.

Fengzi, Great Sage, Big Brother is really going to say goodbye to you this time.

“Hehe...”

However, at this moment, a sneer suddenly came from not far away, and there was a bit of mockery in the sneer: “I didn’t expect that the famous Palace Master Wen of Kyushu would end up like this in the end.”

Who?

Wen Chou Chou was shocked, and immediately turned his head to look, and was immediately stunned.

I saw that in a dark corner not far away, there was a embarrassed figure tied up, and he was almost tortured to death, but his eyes still showed an unyielding light.

It was Duan Yu.

call!

The moment he saw Duan Yu, Wen Chou Chou was both surprised and emotional. It was a coincidence that he was locked up with Duan Yu.

When Wen Chou Chou first became the messenger of Hades, he checked purgatory and accidentally discovered Duan Yu. At that time, Duan Yu asked Wen Chou Chou to let him go, but Wen Chou Chou rejected him.

At this time, Wen Chou Chou had never thought that he had angered Hades, was thrown into purgatory, and even met Duan Yu again.

“Wen Chou Chou!”

At this moment, Duan Yu’s eyes were full of sneers: “I asked you to help me before, but you stood firm, don’t you still end up like me now?”

Wen Chou Chou took a deep breath and didn’t bother to pay attention!

Chapter 2965

Aware of Wen Chou Chou’s attitude, Duan Yu was very angry: “Wen Chou Chou, in this situation, stop putting on the air of a stinky scholar!”

Wen Chou Chou still ignored it.

Duan Yu is Fengzi’s enemy of life and death. He is cunning and evil, and Wen Chou Chou doesn’t want to say a word to him.

call!

Seeing this scene, Duan Yu also felt boring, so he stopped mocking.

In the next second, what Duan Yu thought: “Wen Chou Chou, do you want to escape?”

Shuh!

Hearing this, Wen Chou Chou’s heart was moved, and he said lightly: “What do you mean?”

“No other meaning!”

Duan Yu showed a smile and said seriously: “I know, you are Yue Feng’s sworn elder brother, and I will also I think of it as an enemy, but since I died in the Valley of Death in the wild and strange realm, the grievances with you have ended.” After

speaking, Duan Yu took a deep breath and continued: "I told you before that Hades is very ambitious. , and I also know some of his secrets, but unfortunately you don't believe it! Sigh!"

Hearing this, Wen Chou Chou pondered.

A few seconds later, Wen Chou Chou looked at Duan Yu: "Do you have a way to let me escape?"

Yes, Wen Chou Chou resisted Duan Yu from the bottom of his heart, but thinking about it carefully, after Duan Yu's death, the grievance between He Fengzi has already been counted. It's over. At this time, he is still being imprisoned in purgatory and suffering, so there is no need to deceive himself.

Duan Yu smiled and said slowly: "Of course there is!"

"Come on!" Wen Chou Chou was very excited, and his eyes were full of urgency.

"What's the hurry?" Duan Yu looked around vigilantly and made sure that there were no ghost soldiers nearby, so he slowly said: "If you want me to tell you how to leave, you have to promise me two conditions!"

This...

Wen Chou Chou frowned, and instantly became vigilant .

This section of Yu took the initiative to help himself, it is definitely not a good thing.

"Wen Chou Chou!"

Looking at Wen Chou Chou's expression, Duan Yu seemed a little helpless: "Don't worry, my conditions will not violate your principles!"

"Okay, go ahead!" Wen Chou Chou took a deep breath and said.

If you don't violate your own principles, let alone two things, even two hundred things, you have to agree to it. The thought of being trapped in purgatory and suffering forever, Wen Chou Chou shuddered.

More importantly, Wen Chou Chou was reluctant to bear the continent of Kyushu, Yue Feng, Sun Dasheng and others.

Seeing Wen Chou Chou agree, Duan Yu was very excited, and quickly said: "First, you have to take me out, and second, after returning to Kyushu, you need to help me find a body. You know, I am a body right now. A lonely soul needs a body to revive."

This...

Wen Chou Chou pondered for a while, then nodded and said, "Yes!"

These two conditions are indeed not excessive.

"You are the messenger of Pluto, and you have a soul contract with Pluto, so your physique is very special." At this moment, Duan Yu said at once: "Now you only need to bite the tip of your tongue and drip blood on the shackles, and you will be able to recover. Freedom..."

Duan Yu was very serious when he said this. He was imprisoned in purgatory for more than three years and knew a lot about the ghost world.

Hearing this, Wen Chou Chou was very excited, and quickly followed Duan Yu's method, biting the tip of his tongue and dripping blood on the shackles.

Whoa!

In the next second, I saw the seal on the shackles, which was immediately undone.

Really can.

At this time, Wen Chou Chou was very pleasantly surprised. After removing the shackles, he quickly let go of Duan Yu and put him on the messenger token on his body. Each messenger of Hades has a special messenger token.

This messenger token is not only a symbol of the status of the messenger of Hades, but also has the ability to conquer wandering souls.

Wen Chou Chou was thrown into purgatory, and the token on his body was not taken away. At this time, it happened to be Duan Yu's boarding place. After all, Duan Yu has no physical body, and it is very difficult to leave the ghost world in the form of a soul.

Hiding Duan Yu behind the token, Wen Chou Chou did not hesitate, avoided the ghost pawn, and quietly left purgatory.

Once the messenger of Hades, Wen Chou Chou was very familiar with the terrain of the ghost world. Although the journey was thrilling, he encountered many patrolling ghost soldiers, but in the end, he saved his life.

Half an hour later, Wen Chou Chou and Duan Yu successfully returned to the mainland of Kyushu.
