

The ultimate husband in Chinese chapter 2971-2980

Chapter 2971

However, Wen Chou Chou has no sympathy at all.

This Yue Chen has done so many things that hurt the heavens and reason, and let Duan Yu take away his body, which is considered cheap to him. Speaking of which, although Duan Yu is also hateful, he is not as cunning and despicable as Yue Chen.

More importantly, Wen Chou Chou and Duan Yu were on the same line at this time, and they would naturally not stop him when they saw him taking over Yue Chen.

“Go away, get out of my body...” Yue Chen kept roaring, completely lost his mind, and fell into madness: “Who are you, why are you attacking me...”

“Hehe!

” When he fell, Duan Yu’s voice resounded in Yue Chen’s mind: “Master Yue, when you went to join me in the Xicang Palace, you were very respectful. Now that three years have passed, you are more

powerful. “

Hearing this, Yue Chen’s face turned cold.

This... This is Duan Yu’s voice, isn’t he dead? Shouldn’t the soul be in the ghost world? How is it on Wen Chou Chou.

“Master Yue!”

Just when Yue Chen was secretly surprised, Duan Yu’s voice sounded again, revealing endless ridicule: “I was imprisoned in the purgatory of the ghost world for three years, and I was tortured so much that I had to find a body to be reborn. “

This body of yours is barely passable, so let me use it!” The

last sentence fell, and Duan Yu accelerated the speed of the slaughter.

“Duan Yu!”

Yue Chen endured the pain and couldn’t help howling, his eyes were blood red: “So it’s you, a thief, you killed my wife, I want you to be immortal, get out if you have the ability, and I’m one-on-one...”

This chapter is provided by . Visit for daily update.

At this time, Yue Chen was extremely shocked and angry.

Duan Yu, this despicable villain, actually wanted to occupy his body. He had just obtained the power of Nascent Soul, and he had not fully integrated, so he couldn't just die.

Thinking of his wife Chen Yun's death, Yue Chen trembled even more.

At the beginning, Yue Chen resisted fiercely, fighting with Duan Yu's ghost, but gradually, he couldn't stand it anymore, and Duan Yu's soul was gradually swallowed up.

Pfft!

It lasted for about ten minutes, Yue Chen's soul was completely swallowed up, his eyes darkened, and he passed out.

"Palace Master Wen!"

That's what happened, Duan Yu's voice came from Yue Chen's body, and he was very excited: "It's finally a success, please help Palace Master Wen again."

Although it occupies Yue Chen's body, but because of the law of heaven and earth, Duan Yu has no right to use it at this time, so he can't open his eyes, and can only ask Wen Chou Chou for help.

Um!

Wen Chou Chou nodded, walked over slowly, his hands were suspended above Duan Yu's head, and he began to meditate.

Wen Chou Chou read it as "The Secret of Inverting Yin and Yang" in the ghost world, which is equivalent to the Taoist's way of reassuring the dead. As long as the secret of inverting Yin and Yang is used, Duan Yu can control this body and completely replace Yue Chen.

Moreover, it was precisely because he knew the inversion yin and yang formula that Duan Yu would help Wen Chou Chou at the critical moment just now. Otherwise, even if he occupied Yue Chen's body and no one used the inversion yin and yang formula, it would be useless.

call!

A few minutes later, Wen Chou Chou finished reading the last word of the formula, and saw Yue Chen's eyes slowly opening, revealing endless excitement and excitement.

Yes, at this time, Yu completely occupied Yue Chen's body and completely replaced him.

"Ha ha..."

At this moment, Duan Yu was so excited that he laughed at Wen Chou Chou: "Great, I'm finally reborn, Palace Master Wen, thank you!"

Wen Chou Chou struggled to squeeze out a smile: "Then congratulations to you. Yes, but I want to make it clear, since you have been reborn, your previous grievances and grievances will be wiped out, I hope you can be a new person and stop harming

the world." When he said this, Wen Chou Chou had no strength at all, and his voice was very It's so small that you can't hear it if you don't listen carefully.

He used up a lot of internal energy before, was injured by Yue Chen, and just performed the Yin-Yang Secret Technique for Duan Yu, so at this time, Wen Chou Chou was extremely weak. Not to mention a cultivator, even an ordinary person can knock him down.

Chapter 2972

Call!

Watching Duan Yu go away, Wen Chou Chou stopped thinking about it, sat cross-legged, and began to practice and recover.

.....

On the other side, after Yue Feng and Ren Yingying left the imperial city, they walked for more than two hours and came to a valley.

This valley has a quiet environment. When Yue Feng passed by here before, he thought it was a good place. It was hidden and suitable for Ren Yingying and others to rest.

After arriving, Yue Feng took the crowd and set up a few simple tents.

Miaoying and Yanhong, both fairy spirits in the illusory realm, came to the Kyushu Continent for the first time, and immediately felt that everything was strange.

Yan Hong has a cold and arrogant personality and rarely speaks. Miaoying is gentle and kind, without any airs, and soon became one with everyone.

"Master Lu!"

After he settled down temporarily, Yue Feng found Lu Dongbin with a sincere expression on his face: "I also ask Daoist Master to help me and my family to regain their strength!"

When it was too illusory before, Lu Dongbin once said that there is a way to cure it. Good people in the Ouyang family, Yue Feng has always kept it in his heart.

call? !

Feeling the urgency on Yue Feng's face, Lu Dongbin stroked his beard and smiled slightly: "Of course there are ways, but a lot of medicinal herbs are needed!"

After speaking, Lu Dongbin made a list.

Yue Feng quickly took a look and was stunned.

I can see that there are dozens of medicinal herbs on the list, and more than half of them are rare spirit herbs, and I have a lot of them, but they are still a lot worse.

Nima, what should I do if the herbs are not enough?

It is not far from the Nanyun Imperial City. The imperial city is bustling and prosperous. There must be herbs in the pharmacy. It was just the palace that made a scene.

Thinking to himself, Yue Feng frowned, secretly anxious.

"Yue Feng!"

At this moment, Su Qingyan walked slowly and said softly, "I heard people say that in the northeast of Nanyun Imperial City, there is a Feiyun Peak, towering into the clouds, and there are many rare peaks on it. Lingcao, maybe you can go there and look for it."

Hearing this, Yue Feng's eyes lit up and smiled, "Look at me, I'm just worried, the herbs can't be bought, we can go pick them.

"The wind is about to move.

But before leaving, Yue Feng did not forget to explain to Miao Ying and Yan Hong, and let them stay here and protect everyone. You must know that everyone has lost their inner strength. In case of an enemy, Lu Dongbin alone will definitely not work.

Or leave Miao Ying and Yan Hong behind so that I can leave with peace of mind.

"Yue Feng, let me accompany you!"

At this time, Ren Yingying smiled lightly and said, "I know a lot of spirit grass, and I can help you pick some.

" But flickering with anticipation.

For so many years, I haven't been alone with Yue Feng for a long time.

"Okay!" Yue Feng nodded.

With that said, the two said goodbye to everyone and rushed towards Feiyun Peak.

.....

the other side. Apocalypse Palace!

The Hall of Yihe, the place where the emperor rested, was quiet and peaceful.

At this moment, King Guangping was sitting on the soft couch in the Hall of Harmony. Moreover, King Guangping specially ordered that the Hall of Harmony was designated as a restricted area, and no one was allowed to approach without an order.

It can be said that King Guangping has completely changed since he took the elixir of Gong Hao and became a puppet of Hades.

hum!

At this moment, a yin qi filled the air, and then a black shadow slowly entered the Hall of Harmony. There was no expression on the pale face, and yin qi permeated the whole body.

It was the messenger of Gong Hao.

"call!"

Chapter 2973

Seeing Gong Hao, King Guangping quickly got up and said politely: "The messenger suddenly appeared, but what is the order?"

Gong Hao smiled slightly: "You are the emperor of Tianqi Continent, the eight nine-day saints, gathered in the south You must already know about Yunhuangcheng!"

"Yes!" King Guangping nodded quickly.

Gong Hao didn't talk nonsense, and said slowly: "His Majesty Pluto has brought you a mission and wants you to take the mission to the Nanyun Palace!"

What?

Hearing this, King Guangping was stunned.

When you go to the Nanyun Palace, you have to bring the embassy yourself!

Seeing the change in King Guangping's expression, Gong Hao continued: "With the support of the Nanyun royal family, the Nine Heavens Saintess will soon deploy the Xuantian Great Array, and then return to the Divine Realm!

"The most important part. Therefore, they must not be allowed to form the Xuantian Great Array, understand?"

After speaking, Gong Hao went into some details.

call!

After learning about the situation, King Guangping took a deep breath and nodded solemnly: "Envoy, rest assured, I will definitely live up to the expectations of His Majesty Pluto!" A

few minutes later, King Guangping immediately summoned a group of messengers, and at the same time led several thousand elites of the Royal Forest Army, and quickly headed south. Cloud Continent rushed over.

.....

On the other side, Yue Feng led Ren Yingying, talking and laughing along the way.

To be honest, it was the first time that Yue Feng got along with Ren Yingying after returning from the wild and strange realm. The two held hands, which was very sweet.

Three hours later, they finally arrived at Feiyun Peak.

I saw that on the small road on the mountain, there were many people who went up the mountain to collect herbs, as well as some cultivators.

However, this does not hinder Yue Feng and Ren Yingying's mood. Others pick from others, and they pick their own, without interfering with each other. Especially when they think of the herbs, everyone in the Ouyang family will be able to regain their strength. Yue Feng and Ren Yingying don't think too much Happy.

Whoa!

The appearance of Yue Feng and Ren Yingying also attracted the attention of many practitioners and common people.

Many men looked at Ren Yingying with straight eyes.

so beautiful!

In addition to being emotional, these people did not forget their own affairs, and kept looking for spiritual grass on the mountain.

Yue Feng saw that these commoners and cultivators could only reach the halfway up the mountain, and further up was the steep mountain wall, which was very dangerous. It was difficult for ordinary cultivators to fly up, let alone the common people.

Yue Feng knew that those rare spirit grasses grow in the most dangerous places, so after reaching the middle of the mountain, he picked up Ren Yingying and flew directly towards the top of the mountain.

Ren Yingying has no inner strength, so she can only hold her.

Swish!

Being held in Yue Feng's arms, Ren Yingying's beautiful face suddenly turned red, and she was also a little shy at the same time.

The next second, Ren Yingying said angrily: "There are a lot of people watching..."

Yue Feng smiled slightly: "I hug my wife, what are you afraid of." When the

voice fell, Ren Yingying turned her head and said angrily. "Who is your wife? You can meet confidantes wherever you go. Miaoying and Yanhong, who came back with you this time, are much stronger than me. They are your wife.

" hurt and bitterness.

I'm going, are you jealous now?

At this moment, Yue Feng didn't know whether to laugh or cry, and quickly explained: "You misunderstood, that Miaoying said that I am her man, but it's not. She, like Yanhong, is a fairy in an illusory realm..."

The following In a few minutes, Yue Feng explained the situation in the Taiji Illusory Realm in detail.

call!

Knowing the situation, Ren Yingying was stunned for a while, but it took a long time to recover.

It turns out... that Miaoying and Yanhong are not human!

After saying these words, Yue Feng hugged Ren Yingying and successfully reached the top of the mountain.

Chapter 2974

Wow!

At this moment, looking at the beautiful scenery in front of her, Ren Yingying broke free from Yue Feng's arms with indescribable joy.

I saw that there were a lot of exotic flowers and plants growing around the top of the mountain in front of me, and the fragrance of various elixir mixed together, which was refreshing and refreshing.

In the distance, the sea of clouds is vague, like a fairyland.

"Three suns grass, seven-colored flowers... so many!"

Surprised, Ren Yingying was very excited, and gathered together with Yue Feng.

Half an hour later, the two of them gained a lot, and then Yue Feng hugged Ren Yingying and flew down the mountain.

"Yue Feng!"

At the foot of the mountain, Ren Yingying was moved by the people who were still working hard to collect herbs, and said softly, "These people who collect herbs for a living are so hard, let's distribute more spirit herbs to Are they?!"

Although she used to be the princess of Apocalypse Continent, she was extremely delicate, but Ren Yingying was kind-hearted, especially not seeing the suffering of the people.

"Okay!" Yue Feng agreed with a smile without thinking about it.

In the next second, Yue Feng will walk over and distribute the extra spirit grass to the surrounding people.

"The army is here, run!"

But at this moment, a panicked shout came, and then, the people who were collecting medicine ran into the distance one by one in panic.

Um?

Yue Feng frowned, subconsciously turned his head to look, and saw a large army on the road not far away, with thousands of people in uniform bright armor.

At the front is a guard of honor. The guard of honor guards a luxurious carriage. The carriage is resplendent and made of gold. It is carved with auspicious clouds, dragons and phoenixes. It is pulled by eight white horses. The flags around are also embroidered with five-clawed golden dragons.

What a big stage!

Seeing this scene, Yue Feng couldn't help but muttered, could it be that Queen Nayun is on a tour?

Ren Yingying next to this

trembled, she couldn't help but said softly: "At this time, Emperor Tianqi's dragon ride, how did King Guangping come to Nanyun Continent?"

Ren Yingying used to be a princess. It can be seen that this is the dragon driving of the Apocalypse Continent!

What?

Hearing this, Yue Feng raised his brows, suddenly feeling a little bad.

Is King Guangping sitting in the carriage?

Swish!

At the same time, King Guangping in the carriage also saw Yue Feng and Ren Yingying, and his whole body was shocked, and then he said coldly: "Stop!" In the

next second, King Guangping slowly walked out of the carriage, his eyes locked on Yue Feng: "It's a real life where we don't meet!"

King Guangping visited the Nanyun royal family in the name of an envoy, but his real purpose was to deal with the eight Nine Heavens Saintess, but he didn't expect that when he first came to Nanyun Continent, he met Yue Feng.

Yue Feng frowned secretly and did not respond.

Ren Yingying next to her was also inexplicably panicked.

"Yue Feng!"

At this time, King Guangping said coldly: "I won't say much nonsense. During these years, Madam has been in the palace, thinking of you day and night, and lost a lot of weight. Since you meet today, follow me and wait until you return to Tianqi. Continent, how about reuniting you?"

King Guangping kept an eye on his surroundings while saying this.

Speaking of which, when he met Yue Feng, King Guangping wanted to do it directly, but thinking that this was the Nanyun Continent, and Yue Feng was cunning and cunning, who knew if there was an ambush nearby.

Made! This King Guangping is getting more and more hypocritical.

With a murmur in his heart, Yue Feng said angrily: "King Guangping, don't pretend to be with me. You always wanted to get rid of me, and are you willing to reunite me with my wife?"

"Also, before you were to execute Ya'er, this The account has not been calculated with you!"

When he said this, Yue Feng was full of anger, and at the same time was secretly suspicious.

what happened? How does this King of Guangping give the impression that he is full of air?

Swish!

Chapter 2975

Feeling Yue Feng's contempt, King Guangping's face was extremely ugly in an instant, and he said coldly: "Take these two people down!"

At this time, King Guangping has been determined that there is no ambush nearby, only Yue Feng and Ren Yingying Two, don't worry anymore.

"Yes, Your Majesty!" The

voice fell, and the elites of the surrounding Royal Forest Army responded one after another, holding the long sword tightly, rushing over quickly and surrounding Yue Feng!

Seeing this scene, Ren Yingying was nervous.

If he hadn't lost his inner strength, he could have left with Yue Feng, but now, he has become Yue Feng's burden.

Feeling her nervousness, Yue Feng gently comforted: "Don't be afraid!"

After saying that, Yue Feng protected her behind him, without looking at the elites of the Royal Forest Army around him, and said coldly to King Guangping: "King Guangping, Do you think you can catch the two of us with just these people?"

"As for Madam, I was able to take Ya'er away in front of you, and naturally I could go to the palace and take Madam away."

Thinking of Qin Rongyin, Yue Feng felt a pain in his heart.

For more than ten years, she has been trapped in the palace, and she does not know how much she has suffered.

Yue Feng's words completely drove King Guangping crazy.

"Kill him for me!"

Under the roar, King Guangping pulled out a long sword and charged directly at Yue Feng.

At the same time, the surrounding elites of the Royal Forest Army also howled and launched an attack on Yue Feng.

call!

Yue Feng took a deep breath and did not panic at all, Fang Tianhuaji shook hands tightly and went up to meet him.

bang bang bang...

At this time, Yue Feng couldn't help but practice Guiguzi's exercises, and he still had the chaotic yin and yang beads of Empress Nuwa in his body. His strength was not what it was before. land.

However, in order to protect Ren Yingying's well-being, Yue Feng had a dual purpose, and could not devote himself to the battle wholeheartedly. In the face of the constant swarming enemies, it was difficult to rush out for a while.

"Kill him, kill him!"

King Guangping howled desperately, then found an opportunity, attacked from the back, and stabbed Yue Feng in the back with a sword!

"Stab!"

This sword went down, and blood immediately poured out!

“Yue Feng!”

Seeing this scene, Ren Yingying, who was hiding behind, couldn't help exclaiming, her heart was hanging up, and her delicate face was full of anxiety.

Yue Feng gritted his teeth, endured the severe pain, and shouted at King Guangping: “You are still Emperor Tianqi, do you only attack?” The

voice fell, Yue Feng's inner strength was motivated, and a dazzling light was seen from Fang Fang. The halberd erupted from the sky, heading straight for King Guangping.

So strong!

Feeling the strength of this ray of light, King Guangping's expression changed, and he quickly put the long sword in front of him, urging his inner strength to resist.

Bang!

In the next second, the light slammed into the long sword, and a crisp sound was heard, and the long sword was broken into several sections. At the same time, King Guangping also groaned and was sent flying.

Flying dozens of meters away, King Guangping landed on both feet, and his heart was incomparable. At the same time, his eyes locked on Yue Feng, and it became even more gloomy.

This Yue Feng's strength is getting more and more terrifying. If he were to run away today, there would be endless trouble.

Get rid of him today anyway.

Seeing that King Guangping was knocked back by himself, Yue Feng was about to take advantage of the situation to pursue him, but was quickly stopped by the swarming elites of the Royal Forest Army.

Seeing that King Guangping was injured, the eyes of these imperial guards were all red, and if something happened to His Majesty, he would not be able to bear it.

“Yue Feng... Be careful!”

Seeing Yue Feng being surrounded, Ren Yingying's eyes suddenly turned red, and she couldn't help but let out a soft cry.

At this time, Ren Yingying really wanted to help, but she had no inner strength, so she could only be anxious.

The ultimate husband in Chinese chapter 2976-2980

Chapter 2976

“Go to hell, Yue Feng!”

At this moment, King Guangping heard a roar, and then he pulled out a longbow, pinched the feather arrow, and shot directly at Yue Feng’s back heart. Feather Arrow let out a scream in mid-air, and the air was torn apart.

The feather arrow was as fast as lightning, and it was too late when Yue Feng realized the danger.

“Be careful!”

Seeing this scene, Ren Yingying’s pretty face changed, she couldn’t help exclaiming, and then quickly ran over to stand behind Yue Feng!

“Pfft!”

At this moment, the feather arrow slammed into Ren Yingying’s body, blood spurted out instantly, and the tender body softened and fell directly to the ground.

“Yingying!” Yue Feng was shocked and shouted like crazy, turned around and hugged her!

I saw that Ren Yingying’s delicate face became extremely pale at this time, and blood kept flowing out, dyeing her long dress red!

“I...”

Ren Yingying opened her mouth and said only one word, but she couldn’t go on, she just felt that she was in pain.

“Yingying, don’t scare me...!” Yue Feng kept yelling, his eyes were blood red, and his whole body collapsed!

Why? Why are you so stupid.

I obviously lost my inner strength, but I still have to take this arrow for me.

“Yingying, don’t scare me...” Under the heartache, Yue Feng shook Ren Yingying’s body gently, her voice choked up, and she couldn’t help crying.

This chapter is provided by . Visit for daily update.

Originally, she thought that coming out to collect medicine this time would allow her and the Great Sage and others to regain their strength, but why did they never expect that they would meet King Guangping. Moreover, Yingying was injured for herself.

If I had known this earlier, I would have brought her out with me.

Listening to Yue Feng's call, Ren Yingying squeezed a smile on her weak face: "I'll be fine, don't be uncomfortable!"

"Don't talk, don't talk, you will take you back immediately!" Yue The tears of the wind, rushing down, could not be stopped at all!

"Go back!?"

At this moment,

the corner of King Guangping's mouth raised a trace of cruelty, and said coldly: "Today, neither of you can leave, so let's be a pair of desperate mandarin ducks together!" The

voice fell, and King Guangping waved his hand. , the elite of the surrounding Royal Forest Army swarmed again.

Swish!

At this moment, Yue Feng's eyes were extremely blood red, and then he gently put down Ren Yingying, held Fang Tianhua halberd tightly, and looked around.

"All of you must die!"

"Roar!" The

voice fell, Yue Feng stimulated his inner strength, and in an instant, a terrifying aura erupted, and within a kilometer radius, the air was distorted.

"You all have to die, you all have to die!" Yue Feng's voice was already hoarse, and he suddenly raised his right hand under the roar!

"All thoughts are ashes!" The

voice fell, thunderclouds rolled in the sky, and then, a storm completely condensed by internal force, like a huge tornado, shrouded the surrounding Royal Forest Army.

"Ah!"

Several thousand elites of the Imperial Forest Army screamed in agony before they had time to dodge.

In less than ten seconds, more than half of the more than 3,000 garrison troops fell into a pool of blood.

What?

Seeing this scene, King Guangping only felt his scalp tighten and his brain buzzed.

Just one move, killing so many of his subordinates?

“Yue Feng, today...you are lucky today, we will have a future!!” King Guangping howled unwillingly, and then took the rest of the Royal Forest Army and left in embarrassment.

Chapter 2977

To be honest, King Guangping wanted to stay with Yue Feng, but he thought that he had important things to do, so he finally chose to retreat.

King Guangping has thought about it, as long as he completes what His Majesty Pluto has explained, when the time comes, he will be rewarded, and then he will deal with Yue Feng well.

Made!

Watching King Guangping leave with his subordinates, Yue Feng wanted to pursue him, but considering Ren Yingying's injury, he held back.

“Yingying, hold on, you must hold on...” The

next second, Yue Feng quickly picked up Ren Yingying and flew into the air with anxiety and distress on his face.

“Yue Feng, I feel so cold, am I going to die?” Ren Yingying said weakly, it was distressing!

“Don't talk nonsense, you won't die, I won't allow you to die!” Yue Feng hugged her tightly, only to feel that his heart was trembling, and at the same time he speeded up.

A few hours later, Yue Feng took Ren Yingying and joined Sun Dasheng and others.

Whoa!

In an instant, everyone panicked when they saw that Ren Yingying was seriously injured. Afterwards, Lu Dongbin healed Ren Yingying.

Speaking of which, Yue Feng had learned medical skills from Shennong, as well as Wuji alchemy, but Ren Yingying was injured too badly, and Yue Feng was not sure at all.

But Lu Dongbin is different, he is a master of the Taoist generation.

Two hours later, Lu Dongbin walked out of the tent with a tired face!

Yue Feng hurried over and asked anxiously, "Master Lu, how is Yingying?"

Lu Dongbin smiled slightly and comforted: "Sect Master Yue, Miss Yingying is all right now, but that arrow stabbed her in the heart, and if it went deeper, I'm afraid she will die, but it's all right now, just rest and recuperate. "Huh ..

"

Hearing this, Yue Feng exhaled a long breath, overjoyed, and kept bowing to Lu Dongbin: "Thank you Daoist, thank you Daoist!"

Lu Dongbin smiled and waved his hand. Nothing, and then said solemnly: "By the way, there is one more thing. When I pulled out the arrow just now, I found that there was a kind of sinister left on the arrow. Moreover, this sinister is very evil, and you will encounter this in the future. King Guangping, be careful!"

Sinister?

Hearing this, Yue Feng was stunned.

When we first met before, I felt that King Guangping was different from before, but now, Lu Dongbin found a sinister poison on the arrow again...

Could it be... He is also related to Hades?

"Okay!"

Just when Yue Feng was thinking about this, Lu Dongbin smiled slightly: "I'm going to make an antidote for everyone." After saying that, Lu Dongbin walked away slowly!

call!

Watching Lu Dongbin walk away, Yue Feng couldn't wait to walk into the tent.

In the tent, Ren Yingying was lying there, her face still pale. Her eyes were tightly closed, her eyelashes fluttered gently, which was pitiful.

Yue Feng walked up to her and looked at her quietly, feeling unspeakable guilt.

As a noble princess, after following her, Yingying has suffered so much over the years, yet she has not been given happiness, and was seriously injured by King Guangping and almost died.

But fortunately, she has no worries about her life now.

“Yue Feng...”

Just when Yue Feng was secretly blaming himself, Ren Yingying woke up and couldn't help but called out softly.

Yue Feng reacted and pulled Ren Yingying's hand gently: “Yingying, why did you block that arrow for me before? You are not allowed to do such silly things in the future.”

Ren Yingying smiled, her tone weak, but very serious: “You are my husband, and the situation was so dangerous at the time. Of course I wanted to stop you. Otherwise, if something happened to you, what's the point of my life?”

Hearing this, Yue Feng's heart trembled and he couldn't say anything. Moving!

The next second, Yue Feng gently held her in his arms.

Chapter 2978

Feeling Yue Feng's warmth, Ren Yingying pressed her face to his heart, showing a happy smile on her beautiful face.

Over the years, he and Yue Feng have been together less and more apart.

At this time, Ren Yingying only thought about Yue Feng holding her all the time.

call!

At this moment, looking at Ren Yingying from a close distance, her red lips were so delicate that Yue Feng kissed him all at once.

hum!

At this moment, Ren Yingying's delicate body trembled, she only felt her brain buzzing, her whole body softened, and then she slowly closed her eyes.

For a time, the atmosphere of the tent was indescribably warm.

“Sister Yingying!”

However, at this moment, a shout came from outside, and it was Meihui's voice.

In the next second, the tent curtain was lifted, and Meihui walked in quickly, her delicate face full of eagerness: "Sister Yingying, how are you..."

Shah!

Just halfway through, when she saw the situation in front of her, Meihui's body trembled, and she was immediately stunned.

Meihui saw that Yue Feng was holding Ren Yingying with a lot of affection, while Ren Yingying was only wearing a slapstick, and the whole person was snuggling up in Yue Feng's arms, and the two of them....

this... big brother and sister Yingying ...

After everyone settled here, Meihui went out to inquire about the news. After all, she would be faceless, and everyone was not worried. As soon as she came back, she learned that Ren Yingying was injured.

Meihui and Ren Yingying are sisters in love, so they rushed over to take a look when they were worried. Unexpectedly, Yue Feng was still there.

The next second, Meihui reacted, her delicate face blushing all of a sudden, Meihui had matured a lot at this time, and she suddenly understood that she had disturbed the world of Yue Feng and Ren Yingying.

"Brother..." Mei Hui was a little embarrassed, she quickly closed her eyes and said with a smile, "I didn't see anything."

Uh...

Yue Feng was also a little embarrassed, this little girl just broke in like this, Fortunately, I and Ren Yingying didn't go further, otherwise, it would be even more embarrassing.

Thinking to himself, Yue Feng scratched his head: "You guys talk, I'll go out!"

Then he walked out of the tent.

At the same time, Ren Yingying is also extremely shy, with a delicate face, like a ripe red apple.

Seeing Yue Feng go out, Mei Hui pursed her lips and smiled, then walked over.

When they got to the front, Meihui took Ren Yingying's hand and asked with concern: "Sister Yingying, how do you feel now? I was worried to death when I heard that you were injured."

"It's alright." Ren Yingying shallowly He smiled and said, "Fortunately, Daochang Lu came to the rescue."

Huh!

Hearing this, Meihui finally let go of her hanging heart.

In the next second, Meihui thought of the scene just now, and looked at Ren Yingying with a smile: "Sister Yingying, when will you and my elder brother get married?"

"Wait for the situation to stabilize!" Ren Yingying replied gently, and then couldn't help it. Asked: "Why are you asking this?"

Meihui pursed her lips and smiled: "You two are in love with each other, and once you have a name, you can be together well. After you held the wedding, even if you encountered the situation just now, Don't be embarrassed."

Over the years, Ren Yingying has been living in the Ouyang family, and has a very good relationship with Meihui. There are some things that Meihui was embarrassed to say before, but now that she is mature, she is more courageous.

Swish!

Hearing this, Ren Yingying's face flushed with blush, she bit her lip, and said softly: "Don't talk nonsense, Yue Feng and I were actually..."

When she said this, Ren Yingying felt His heart beat faster inexplicably!

Seeing her flustered explanation, Meihui tilted her head and laughed jokingly: "Sister Yingying, don't explain, I have seen it all. Besides, isn't it normal for men and women to love each other!"

Chapter 2979

Said, Meihui said seriously: "Seriously, I really want you and my elder brother to have a wedding soon, and give me a little nephew!"

This....

Hearing this, Ren Yingying was embarrassed Nai, all of a sudden it turned red to the neck, and laughed and scolded: "You girl, what are you thinking about? Well, I'm going to rest, go out and help!"

At this time, Ren Yingying was very shy, just thinking about Hurry up and take Meihui away, otherwise, Meihui will speak out more shameful things.

“Okay, then you can rest!” Mei Hui smiled and walked out.

When I got outside, I saw Yue Feng standing there waiting.

“Little sister!”

Seeing Meihui coming out, Yue Feng quickly asked, “Did you hear anything when you went out to inquire about news?”

The scene just now was really embarrassing, so Yue Feng quickly brought up other topics, otherwise, he would have been made fun of by Miho.

“Yes!”

Meihui pondered for a while, and said seriously: “I got news in Nanyun Imperial City just now that the Queen wants to help the eight saintesses to build the Xuantian Great Array. I heard that this Xuantian Great Array is very large and needs to be It takes a lot of financial and material resources.”

Hearing this, Yue Feng frowned secretly.

Of course, Yue Feng knew about the Xuantian Great Array. When Zi Yan brought him into the Mitian Spirit Realm, he told him that the previous Xuantian Great Array was connected to the Kyushu Continent, and the eye of the array was on the top of the Kunlun Mountain at the top of the Kyushu. Later, it was secretly destroyed by Hades, and the Xuantian Great Array was destroyed.

If Empress Nagumo can help rebuild the Xuantian Great Array this time, the Nine Heavens Saintesses will be able to establish contact with the Divine Realm. At that time, with the help of the Divine Realm, she will be able to smash Hades’ conspiracy.

Overall, this is a good thing.

Thinking to himself, Yue Feng suddenly thought of King Guangping.

Just as Queen Nanyun was about to build a grand formation for Jiutian Xuannv, King Guangping came with an embassy. Is this a coincidence?

Thinking of the evil spirit on King Guangping again, Yue Feng felt more and more wrong.

“That’s right!”

Just when Yue Feng was thinking about it, Meihui continued: “When I came back just now, the Queen issued an edict to invite people with lofty ideals from all continents to help build the Xuantian Great Array.

” At this point, Meihui couldn’t help but say, “Big brother, is this Xuantian formation really that important?”

Huh!

Yue Feng took a deep breath and said slowly, “The Xuantian formation is very important, and of course it is very important. Since the queen has issued an edict, let’s go join in the fun!” After

speaking, Yue Feng found Miaoying and Yanhong and let them guard everyone, and then took Mei Hui and quietly returned to the Nanyun Imperial City.

.....

Empress Nagumo issued an edict to invite people with lofty ideals from Kyushu to come to help build the Xuantian Great Array, which soon spread throughout the Kyushu continent, whether it was on the rivers, lakes or the common people, talking about it this thing.

For a time, the sect forces of various continents poured into the Southern Cloud Continent.

At this moment, in a small town on the border between Nanyun Continent and Apocalypse Continent.

The town is not big, but it is very lively, with various shops.

In the private room on the second floor of a tavern, White Horse sat there, looking at the scene on the street through the window, with a relaxed and comfortable face.

Half a day ago, I learned that the Empress had issued an edict, and the sects of all continents rushed to the Nanyun Imperial City.

After getting the Axe, White Horse was ready to do something big. This time the Queen issued an edict and knew that the opportunity was coming.

“Palace Master!”

At this moment, a man with a fair complexion walked over quickly and respectfully said to the white horse: “This subordinate has just inspected the surrounding town and made a major discovery!” The

man’s name is Yang Gang, and he is the confidant of the white horse.

Since becoming the master of the hall, White Horse has carried out a major cleaning, and replaced some important positions in the hall of longevity with his own.

“What major discovery?” Bai Ma leisurely took a sip of tea and said lightly.

Chapter 2980

Yang Gang didn't answer directly, but looked around, made sure there was no one else, and walked over.

When he got to the front, Yang Gang lowered his voice and said, “Palace Master, I seem to have seen Palace Master Wen just now!?”

What?

Hearing this, Bai Ma's body trembled, and a sip of tea almost spit out.

Ugly? Isn't he dead?

I watched him fall into the abyss with my own eyes. How could he still be alive?

The next second, Bai Ma tried to calm down and said coldly, “Yang Gang, are you sure you read it right?”

Yang Gang hurriedly said, “My subordinates dare not deceive the palace master, it is indeed Wen Chou Chou, and it seems that he is going to the Southern Cloud Continent!”

Speaking, Yang Gang explained in detail what he saw about Wen Chou Chou.

call!

After hearing this, White Horse sat there, unable to calm down for a long time.

Finally, a few minutes later, Bai Ma said, “Get ready now. Since Wen Chou Chou is not dead, let's prepare a big gift and give him a good deal!”

When he said this, Bai Ma had a smile on his face, but his eyes Glittering gloomy.

“Yes, Hall Master!” Yang Gang responded quickly, and then went to prepare.

....

on the other side, on a mountain road a few miles away from the town.

At this time, night fell, the mountain road was rugged, and everything was silent, and I saw a person not far away, alone, walking slowly.

This man was wearing a black robe, his face was a little pale, but there was a scholarly atmosphere all over his body.

It is the ugly ugly.

One day ago, after separating from Duan Yu, Wen Chou Chou was cultivating alone in the valley. After he recovered completely, he was going to go to Yue Feng. As a result, on the way, he saw many sects in Jianghu, and they all rushed to Nanyun Continent.

Through inquiries, Wen Chou Chou learned that the Queen was going to build the Xuantian Great Array for the Nine Heavens Saintess, and Yue Feng would definitely be there for such an important matter. At that time, Wen Chou Chou did not hesitate and rushed towards Nanyun Imperial City.

Wen Chou Chou acted cautiously, he did not completely break the soul contract with Hades, and the evil spirit in his body would inevitably be discovered, so he deliberately took the path and avoided contact with people.

Um?

As he was walking, Wen Chou Chou heard a movement in front of him, beating and scolding mixed with the old man's pleading.

Hearing the movement, Wen Chou Chou didn't hesitate and walked over directly.

Swish!

Entering the woods in front, Wen Chou Chou secretly frowned upon seeing the scene in front of him, feeling very annoyed!

I saw that in the woods, an old man with a bamboo basket on his back was pushed to the ground. The herbs in the bamboo basket were scattered everywhere, and one leg seemed to be lame, very pitiful.

Beside the old man, several cultivators stood there, each of them fierce and scolding.

"Ma De, dare to collect herbs in our Shenfengtang? Tired of living!"

"Old man, the herbs in this area are all from our Shenfengtang, do you know?"

"Accompany us for one million Kyushu coins . I'll spare you today."

Facing the angry curses of several practitioners, the old man was terrified, lying on the ground and kept begging: "If you do well, please forgive me, I don't have a million! My wife is seriously ill, and there is really nothing I can do, so I came here to collect medicine..."

“If you don’t have money, if you don’t have money, you will pay for it with your life!” The leader of the cultivator, after speaking viciously, drew out his long sword and stabbed the old man.

Nima!

Seeing this scene, Wen Chou Chou didn’t have time to think about it, he walked over quickly and shouted angrily, “Stop!”

At this time, Wen Chou Chou had already understood that the old man’s family was sick, so he came out to collect medicine, and broke into this place. The site of the Kamikaze Temple.

It’s just that these people from the Shenfengtang are too arrogant and domineering, and they will hurt people for a few medicines.

Wen Chou Chou is righteous and awe-inspiring, how can you stand by when such a thing happens?
