

The ultimate husband in Chinese chapter 2981-2990

Chapter 2981

Swish!

In an instant, several practitioners stopped one after another, their eyes locked on Wen Chou Chou.

The next second, the leader pointed at Wen Chou Chou and scolded: "Don't meddle in your own business, do you know who I am? The third master of Shenfengtang, Cheng Dong! You go to the neighborhood to inquire, who doesn't know me Cheng Dong? Your prestige?" The

voice fell, and the surrounding accomplices also shouted.

"Hurry up!"

"Be a hero on our territory? Court death!"

Under the clamor, Cheng Dong and a few people came over and surrounded Wen Chou Chou.

"Om!"

Looking at Cheng Dong and a few people around, Wen Chou Chou didn't panic at all, his inner strength was running, he raised his hand, and in an instant, a powerful breath burst out.

Bang bang bang...

The next second, Wen Chou Chou's figure was like a ghost, and rushed over directly. Before Cheng Dong could react, they were shocked and flew out by a powerful force, each of them spitting blood, and they were extremely embarrassed.

"Go away!" Wen Chou Chou didn't talk nonsense, and spit out a word coldly.

"You...you dare to interfere in our Shenfengtang affairs, you have something to wait for, don't go!" Cheng Dong struggled to stand up, shouted at Wen Chou Chou, then greeted a few companions, and fled.

In the blink of an eye, he disappeared into the darkness.

call!

This chapter is provided by . Visit for daily update.

Wen Chou Chou didn't take Cheng Dong's threat to heart at all. Even the common people are bullied, this Shenfengtang must be a small sect that is not in the mainstream. Not enough to worry about.

The next second, Wen Chou Chou walked over slowly and asked the old man, "Old man, are you all right?"

The old man was full of gratitude: "Thank you for this benefactor, you have provoked the people of Kamikaze, they will not let you go, you can go quickly!"

When saying this, the old man's face was sincere, but there was a glint in his eyes. cunning.

Yes, this old man was pretending to be Yang Gang, and those cultivators just now were not from Shenfengtang at all. All of this was a trap set by Baima.

call!

Wen Chou Chou took a deep breath and said with a smile, "Don't worry, old man, I'm not afraid of people from Shenfengtang. You can't walk on your legs. I'll take you back!"

Wen Chou Chou was chivalrous and benevolent, seeing the old man in front of him with a lame leg, kind heart Dafa, decide good people to do it in the end.

"In this case, I would like to thank the benefactor!" Yang Gang expressed his sincerity and fear, and thanked him repeatedly.

Afterwards, Yang Gang picked up the herbs scattered on the ground, and with the help of Wen Chou Chou, walked towards the village not far away.

Soon, when he arrived at a lonely courtyard outside the village, Yang Gang said with a smile, "I'm here, my wife will rest in it, it's really troublesome for my benefactor!"

Wen Chou Chou nodded and frowned.

I saw that in this courtyard, the weeds were overgrown, and the walls were mottled and desolate. How could it seem like a place to live?

However, Wen Chou Chou didn't think much about it. After all, the old man in front of him looked like a poor commoner. If he were rich, he wouldn't take the risk to collect medicine at night.

"I'll help you in." Wen Chou Chou said, and he helped Yang Gang and walked in.

Um?

Arriving in the room, Wen Chou Chou realized that something was wrong. The room in front of him was covered with dust, and there were cobwebs all over the corners. It was obviously abandoned for many years. Moreover, it was empty and there was no wife like Yang Gang mentioned...

Under the doubts, Wen Chou Chou subconsciously said: "Old man, you..."

As soon as he said a few words, Wen Chou Chou felt a danger coming from behind.

hum!

At this moment, Yang Gang, who was originally trembling, suddenly raised his palm and hit Wen Chou Chou directly on the back.

Yang Gang shot quickly, and with such a close distance, Wen Chou Chou couldn't react at all.

boom!

The next second, a dull vibration rang out, and Wen Chou Chou groaned, and the figure staggered back, taking a few dozen steps back, and finally bumped into a pile of debris in the yard, his face pale.

"You... who are you?" Wen Chou Chou locked onto Yang Gang tightly and was extremely frightened. He never imagined that this person would actually retaliate for kindness and revenge. What was even more surprising was that the old man in front of him was pretending to be a cultivator.

Chapter 2982

"Wen Chou Chou!"

Feeling Wen Chou Chou's anger, Yang Gang showed a treacherous smile: "The hall master has orders, and I have no choice but to do so." After the words

fell, Yang Gang raised his hand to remove the mask on his face, revealing the original face.

"Yang Gang?"

Seeing his face, Wen Chou Chou's heart trembled, and at the same time his anger rose: "You are so daring, you actually attacked me!"

This Yang Gang was originally a small leader under the altar of the Hall of Longevity. , Because of his bad intentions, he has never been reused by Wen Chou Chou. Now that he is plotting against him, Wen Chou Chou is naturally furious.

call!

Feeling Wen Chou Chou's anger, Yang Gang was obviously a little flustered, but he still had the courage to say: "Wen Chou Chou, you are no longer the hall master, so don't put on airs in front of me!"

Hearing this, Wen Chou Chou frowned. He said coldly: "You said the hall master has an order, who is the new hall master?"

Hula...

As soon as he finished speaking, he heard footsteps coming from outside the courtyard, and then, dozens of figures walked away quickly. When he came in, the one at the head was dressed in a white long gown and was indescribably high-spirited.

It is the white horse!

"It's you?!" Seeing the

white horse, Wen Chou Chou's eyes were instantly blood red, and he couldn't hide his inner anger: "White horse! You bastard, you dare to send someone to raid me!"

Chou, secretly raided, causing Wen Chou Chou to fall into the abyss, and then strayed into the path of attracting the soul, and was forced to be called the messenger of Hades, a chess piece under Hades.

After that, Wen Chou Chou falsely passed the orders of Hades, let go of the major sects, was subjected to various tortures, and finally was thrown into purgatory.

It can be said that his current situation is all caused by a white horse.

"Hehe!"

In the face of Wen Chou Chou's anger, Bai Ma did not panic at all, and said with a half-smile, "Wen Chou Chou, you are so lucky, you didn't die when you were knocked down into the abyss!"

"You know, for your sake! The cause of your death, I took great pains to put everything on Zhang Jiao, the whole Changsheng Palace, up and down, thought you were killed by Zhang Jiao, so I tried to kill Zhang Jiao and let them support me as the hall master."

"Who knows that you will survive the disaster, tell me, what should I do?"

After the last sentence, Bai Ma's face was full of hideousness.

What? !

Did he kill Zhang Jiao?

Hearing this, Wen Chou Chou was shocked, and at the same time, he was angry, and shouted angrily: "Bai Ma, you have committed the following crimes, and you are trying to seize the throne of the Palace Master, are you not afraid of thunder?"

At this time, Wen Chou Chou was trembling with anger. If I had known this earlier, when I first became the Palace Master, I should have removed this white horse.

"Presumptuous!"

As soon as he finished speaking, he saw Yang Gang striding out and angrily scolded at Wen Chou Chou: "Dare to talk to the hall master like that, are you courting death?"

" man gesture.

When Wen Chou Chou was the Palace Master, Yang Gang was not reused at all, but now, Bai Ma became the Palace Master, and he was promoted all at once, so in Yang Gang's heart, he was very grateful to Bai Ma, and naturally he would try his best to please him.

call!

Wen Chou Chou ignored Yang Gang, but looked around.

I saw that these people around were all the cronies of White Horse. But Wen Chou Chou doesn't panic at all!

At this time, Bai Ma was too lazy to talk nonsense, and sneered at Wen Chou Chou: "Wen Chou Chou, I let you escape last time, but this time you are not so lucky."

The voice fell, the white horse flashed, and the inner force urged him to charge directly towards Wen Chou Chou.

"You want to kill me, I'm afraid you don't have the ability!" Wen Chou Chou sneered and raised his hands suddenly!

"Buzz!"

Chapter 2983

In an instant, the surrounding air distorted rapidly, and then, a violent force condensed a sword shadow and exploded towards the rushing white horse.

Seeing the sword shadow roaring, the white horse snorted coldly: "I'm not self-sufficient! Wen Chou Chou, I'm no longer the white horse I used to be, see clearly!" The

voice fell, and a click was heard, a giant axe being held tightly by the white horse. Holding it in his hand, the giant axe shone with golden light, like a scorching sun in the night.

It is the opening axe!

What?

Wen Chou Chou was shocked when he saw the opening axe!

This peerless divine weapon is actually in his hands!

hum!

Just at the moment when I was stunned, I saw the white horse suddenly raise his hand and wave, and a golden beam burst out from the opening axe, tearing the world apart!

boom!

Jinmang and Jianying collided, and a violent aura vibrated. Immediately, Jianying was directly defeated, turned into an afterimage, and disappeared into the night!

Mad!

Seeing this scene, Wen Chou Chou was shocked and angry, full of horror.

The power of this opening axe is too terrifying. The sword shadows condensed by himself, in the Kyushu continent, there are very few people who can block them, but they are defeated by this opening axe!

Too, too strong, right? !

“Wen Chou Chou!” The white horse figure hovered proudly in the air, with a proud face, staring at Wen Chou Chou closely and said, “Today you are doomed, no one can save you, die.” The

voice fell, and the white horse clenched the axe, and the figure Like a streamer, it rushed directly to Wen Chou Chou!

“Even if I die, I will drag you to be buried with me!” Wen Chou Chou was completely insane, his eyes were blood red, and the moment his voice fell, a cloud of black mist erupted from Wen Chou Chou’s body, filling the white horse.

Yes, Wen Chou Chou broke out the power of the ghost world, which contains the unique sinister power of the ghost world.

Chi Chi...

In an instant, I saw the surrounding trees, contaminated with this black mist, the leaves withered instantly, very terrifying!

What? !

What is this? !

At this time, the white horse did not know that Wen Chou Chou was the messenger of Hades, and the black mist that erupted was extremely poisonous.

In shock, Bai Ma didn't have time to think, and hurriedly stopped the Kaitian Axe in front of him, at the same time urging the power of the Kaitian Axe to condense a golden protective film in front of him.

Chi Chi Chi!

The black mist filled the air, hit the protective film, and made a sound of corrosion, but instead of dissolving the protective film, it was blocked.

Speaking of which, ordinary weapons would have been corroded by the black mist long ago, but the Kaitian Axe was a peerless weapon, and the poison in the black mist had no effect on it at all.

This... how could this be?

Seeing this scene, Wen Chou Chou was shocked, and the whole person was stunned.

Even the evil spirits of the ghost world were blocked by the axe, how could this be done?

“Hahaha!”

Seeing Wen Chou Chou's shock, Bai Ma laughed loudly and said proudly, “Wen Chou Chou, are you all that capable?” After speaking, the whole person rushed again!

Wen Chou Chou was shocked and angry, he quickly pulled out his long sword and went up to meet him!

“clang!”

In the next second, the long sword and the opening axe collided, making a loud noise, and Wen Chou Chou was directly sent flying by more than 100 meters, and a mouthful of blood spurted out.

Chapter 2984

“Pfft!”

After landing, Wen Chou Chou vomited several mouthfuls of blood, and a shocking wound was cut on his chest by the opening axe.

To be honest, although Baima's strength has improved a lot during this period, he is not a match for Wen Chou Chou at all.

But Bai Ma relies on the power of the opening axe, and the situation is different.

“Haha!”

Seeing that Wen Chou Chou was severely injured by himself, Bai Ma was extremely proud, and laughed loudly: “Wen Chou Chou, today is your day of death, you can go in peace, I will lead the Hall of Longevity to flourish and be called the first sect in Kyushu!”
“The

voice fell, and Bai Ma's eyes flashed hideously, and he returned his hand.

Puchi puchi...

The next second, Yang Gang and several of his subordinates rushed over and stabbed Wen Chou Chou with the long knife in their hands.

These long knives directly penetrated Wen Chou Chou.

Pfft!

Wen Chou Chou only felt that all the strength in his body was taken away in an instant, and his whole body was extremely weak.

But at the same time, more than a dozen people rushed over to the Apocalypse soldiers, and the long swords in their hands stabbed at Wen Chou Chou!

“Puchi! Puchi!”

Wen Chouchou's mouth was full of blood! His body seems to have been stabbed into a hornet's nest!

Seeing this scene, the white horse showed a cruel smile, Wen Chou Chou looks at you this time and is still alive?

As long as Wen Chou Chou is eliminated, he will no longer have to worry about.

Um?

But the next scene made the white horse turn pale.

I saw that Wen Chou Chou was covered in blood, and he stood up staggeringly. You must know that ordinary people will die without a doubt, but Bai Ma clearly saw that Wen Chou Chou showed no signs of dying.

How could this be?

At this time, Bai Ma didn't know that Wen Chou Chou and Hades had a soul contract, and he was not a living person. No one in the Kyushu Continent could really kill him.

At the same time, Yang Gang and the people around him were also horrified.

Such a serious injury is still not dead, is this still a human?

"Palace Master!" In the

next second, Yang Gang couldn't help swallowing his saliva and said cautiously, "What should I do?"

"Lock him up first!" Bai Ma frowned secretly, unable to think of any other way for a while.

After Bai Ma thought about it, he went to Nanyun Imperial City first, and then he was trying to find a way to deal with Wen Chou Chou.

When the words fell, Yang Gang hurriedly and a few subordinates locked Wen Chou Chou in an iron cage, then covered the outside with black cloth, carried the iron cage to a car, and left quickly, disappearing into the night in a blink of an eye. among.

.....

On the other side, Nagumo Imperial City!

In the woods outside the imperial city, Yue Feng and Meihui stood there, looking at the situation inside the imperial city.

I saw that the sects of various continents poured into the imperial city one after another, making the originally prosperous imperial city even more lively. With so many forces in the rivers and lakes, the queen also sent guards to maintain order.

Phew...

Seeing this, Yue Feng frowned secretly.

Nima, with so many guards patrolling, wouldn't it be easy to be discovered just by going in like this?

Seeing Yue Feng's expression, Mei Hui couldn't help laughing and said, "Brother, are you worried about how to enter the imperial city? Don't worry, I have a solution!"

After speaking, Mei Hui took out some special powder from her body and smeared it on Yue Feng face.

Meihui is the only descendant of the Thousand-faced Man. In addition to 'Wuxiang Qianmian', there are also some simple disguise techniques, so changing Yue Feng's appearance is not a problem at all.

To be honest, Mei Hui really wanted to teach Yue Feng's unique technique of 'Without Phases and Thousands of Faces', but Master Fang Qifo once said that a person with a thousand faces can only have one descendant, and at this time the patriarch left the rules.

"Okay!"

After a few seconds, Mei Hui clapped her hands and said with a smile: "Brother, you can look in the mirror!" After she finished speaking, she handed the mirror over.

Chapter 2985

I'm going!

When Yue Feng looked in the mirror, he was immediately stunned. His appearance had completely changed, and there was no sign of disguise at all.

The camouflage of the Thousand Faces is too subtle! It's almost as easy as falling apart.

At this time, Mei Hui also made a simple disguise for herself, and in a blink of an eye, she changed from a charming goddess to an ordinary woman.

Seeing that Meihui also changed her appearance, Yue Feng secretly praised again!

After getting ready, Yue Feng and Meihui followed the pedestrians and entered the imperial city.

"Little sister!"

When they arrived on Huangcheng Street, Yue Feng looked at the surrounding environment and said, "Let's act separately, you go to inquire about the situation of the various doors, and I will go to the palace!" The

queen proposed to be the Holy Maiden of Nine Heavens . The construction of the Xuantian Great Array is no trivial matter, and the sects of various continents are mixed with dragons and snakes, and no one knows whether there are secret refugees in Hades, so we must investigate carefully.

Um!

Meihui nodded and went to check the situation.

Watching Meihui walk away, Yue Feng took a deep breath and quickly approached the palace.

It was already dusk, so when he arrived near the palace, Yue Feng did not rush in, but slowly waited for night to fall.

Yue Feng thought about it, and after it got dark, he went to investigate the situation of King Guangping. After all, King Guangping was too suspicious. As soon as Queen Nanyun issued an imperial edict from Kyushu, he brought the embassy to Nanyun Continent, as if he knew in advance.

.....

At this moment, inside the palace, Tianen Palace.

Tianen Palace is a place within the Nanyun Palace that specially receives foreign divisions. King Guangping, as Emperor Tianqi, was arranged here.

At this time, in the palace, King Guangping sat there with a gloomy expression.

In front of him, stood a black shadow, filled with yin energy, with a cunning and insidious look, it was Gong Hao, the messenger of Hades.

“King Guangping!”

At this time, Gong Hao said slowly: “The King of Pluto has an order, this time to come to the Nanyun Continent, not only to destroy the Xuantian Great Array, but also to turn the Queen of Nanyun into his own.

” , Gong Hao took out an elixir and continued: “At this time, Xuanming Pill, you need to find a way to make Queen Nayun take it. As long as she takes Xuanming Pill, she can be charged by His Majesty Hades.

” Hao handed the medicinal pill to King Guangping, and after explaining a few more words, he turned and left.

call!

After Gong Hao left, King Guangping looked at the Xuanming Pill in his hand and fell into deep thought.

...

In the middle of the night, the entire palace was shrouded in darkness.

At this time, Yue Feng hid in the dark and had been waiting for two hours.

“Whoosh!”

Taking advantage of the changing of the guard at the palace gate, Yue Feng didn't have time to think about it, his figure flashed and he rushed in.

Entering the palace, Yue Feng walked directly towards the Tianen Palace. Yue Feng used to be the concubine of the Nanyun Continent and was very familiar with the Nanyun Palace. Knowing that Tianen Hall is the place to receive VIPs, King Guangping is Emperor Tianqi, and his status is extraordinary, so he must be arranged here.

Um?

When approaching Tianen Hall, Yue Feng suddenly stopped and frowned.

I saw that King Guangping came out of the palace with a mysterious look on his face, and there was only one person, not accompanied by guards.

After walking out of the palace, King Guangping looked around, then took out a mask, put it on his face, and then walked towards the palace where the queen was resting.

call!

Seeing this scene, Yue Feng couldn't help but muttered, what is King Guangping sneaking up to?

Muttering in his heart, Yue Feng did not hesitate to follow him.

Soon, the two of them arrived at the Queen's bedroom one after the other.

puff puff!

As soon as he arrived at the door of the palace, he saw King Guangping's hand like lightning, raising his palm and hitting the two palace maids guarding the door.

King Guangping made his move very quickly, and the two palace maids couldn't react at all, and without even seeing who they were, they collapsed to the ground one after another.

The ultimate husband in Chinese chapter 2986-2990

Chapter 2986

“Who is outside?”

Hearing the movement, the queen who was preparing to rest in the palace couldn't help but shouted softly.

At this moment, King Guangping showed a smile and responded, “It's me!” The voice fell, and King Guangping pushed in the door.

hiss!

At this moment, when he saw the scene inside, King Guangping's eyes immediately straightened.

I saw that the queen was wearing a palace gauze, half lying on the soft couch, and the perfect curve was looming. Any man would go crazy when he saw this scene.

“You...”

At the same time, the queen was surprised when she saw King Guangping: “Who are you?”

Because King Guangping was wearing a mask, the queen couldn't recognize him at all, but she felt the breath on him, Still a little apprehensive.

“Your Majesty, don't panic!” King Guangping smiled and said, “I'm here to find you to cooperate!” As he

spoke, King Guangping looked up and down at the Queen.

Beautiful, so beautiful, it is said that Queen Nayun is beautiful, but now that she looks at it, she really lives up to her reputation.

Speaking of which, when King Guangping first came, he was entertained by the Queen, but the Queen was dressed in grand clothes at that time, but at this time, she was wearing light and thin clothes, and the visual experience was completely different.

cooperate?

This chapter is provided by . Visit for daily update.

Hearing this, the queen was stunned.

Papa...

That is, at this moment, while the Queen was shaking her head, King Guangping flashed and rushed over, raised his hand and touched the Queen's acupuncture point. In an instant, the Queen's delicate body trembled and she couldn't move.

The next second, King Guangping took out a packet of powder from his body and sprinkled it in front of the queen's face.

hum!

At this moment, the queen inhaled the powder, only to feel that everything in front of her eyes was a little blurred, the world was spinning, and she was drowsy.

Yes, the powder sprinkled by King Guangping is a kind of drug. Any woman who inhales will drop her sanity and go into madness.

Speaking of which, King Guangping originally wanted to act according to the plan and give the Queen a Xuanming Pill, but then she thought about it, isn't it a pity that the Queen is so beautiful and doesn't want to use it?

King Guangping thought about it, and after enjoying the gentleness of the queen, he would give her the Xuanming Pill, which would be considered to have completed the task given by Hades.

"You..." The

drug addiction attacked very quickly, and the queen looked at King Guangping angrily, only said one word, and gradually lost consciousness.

Haha...hahaha..

King Guangping was very proud, showing a smile, ready to hug the queen softly.

"Om!"

However, at this moment, a powerful breath came from outside the bedroom, followed by a figure, as fast as a thunderbolt, hitting King Guangping's back with a palm.

It is Yue Feng!

Yue Feng followed King Guangping to the outside of the Queen's bedroom. Yue Feng saw everything just now. At this time, when King Guangping was about to sully the Queen's innocence, he couldn't bear it any longer.

This palm has an overwhelming potential!

Um?

Feeling the danger, King Guangping was furious, and Yue Feng suddenly made a surprise attack. He couldn't dodge at all, so he could only quickly use his inner strength and raised his palm to greet him.

“boom!”

The two of them touched their palms and made a dull vibration, and the entire bedroom seemed to be shaking!

At this moment, Yue Feng only felt the blood in his body tossing, his face was pale, and his body retreated several steps!

Nima!

I haven't seen him for a day, this King of Guangping has improved a lot!

At the same time, King Guangping also staggered back, and finally hit a pillar to stabilize his figure, his eyes fixed on Yue Feng, horrified.

Who is this person, his strength is so terrifying! ?

Yue Feng was disguised by Meihui, and King Guangping couldn't recognize him at all.

“King Guangping, you are very courageous. If you want to sully the Queen, you are not afraid that things will be exposed, and you can't go back to the Apocalypse Continent?!”
Yue Feng sneered and sneered.

Chapter 2987

When he said this, Yue Feng used ventriloquism and his voice was hoarse.

Speaking of which, Yue Feng didn't want to hide his identity, but he didn't find out the secret of King Guangping, so he could only pretend!

What?

Seeing the other party reveal his identity all of a sudden, King Guangping was shocked, angry and a little panicked.

“What is King Guangping, you've identified the wrong person!” In the

next second, King Guangping spoke coldly, and the moment the voice fell, he raised his hand and waved, and suddenly a black mist filled the entire bedroom.

Feeling the poison in the black mist, Yue Feng did not dare to approach, and subconsciously retreated!

Whoosh!

Taking this opportunity, King Guangping did not hesitate, turned and rushed out of the bedroom, disappearing into the night.

To be honest, King Guangping didn't want to be so embarrassed, but the other party guessed his identity and continued to fight with him, which would inevitably attract guards. At that time, it would be too late to leave.

Made!

Watching King Guangping escape, Yue Feng frowned secretly, very annoyed.

At this time, Yue Feng wanted to pursue him very much, but he had sneaked into the palace and could not be exposed.

call!

The next second, Yue Feng took a deep breath, turned his head to look, and saw the Queen lying there, her pretty face flushed, her delicate body trembling slightly, looking very painful.

"The first emperor, is that you?"

At this moment, the queen's eyes were blurred, she looked at Yue Feng, and said softly: "After so many years, you finally came back to see me! Do you know that after so many days? Day and night, how much I miss you!"

Under the stimulation of the drug, the queen at this time had lost her mind and had hallucinations.

What the hell!

Hearing this, Yue Feng could not laugh or cry, what kind of drug did King Guangping use to make the Queen hallucinate?

Thinking about it, Yue Feng was about to speak.

"The first emperor!"

However, at this moment, before Yue Feng could speak, the queen gave a coquettish cry and threw herself into his arms, hugging him tightly: "Xianhuang, I miss you so much, you Come with me, okay?"

Hiss!

At this moment, feeling the scorching temperature of the queen's delicate body, Yue Feng couldn't help taking a breath, and his whole body was covered.

Especially when the Queen hugged him tightly, Yue Feng only felt his brain buzzing with the unique scent of her body.

"Your Majesty!"

After more than ten seconds, Yue Feng reacted and couldn't help but said softly, "Your Majesty, wake up a little!"

However, the Queen didn't seem to hear it, but instead pressed her tightly and hugged her even more. tight.

At this time, the queen, under the attack of the medicine, has completely lost her mind!

"Empress, you." Yue Feng was in a hurry and was about to break free, but the queen raised her jade hand and tapped Yue Feng twice to seal his acupuncture point!

Although the strength of the queen is not as good as that of Long Qianyu, she is much higher than those of the practitioners on the rivers and lakes, and Yue Feng is completely defenseless. In that instant, Yue Feng can't move.

What the hell!

At this moment, Yue Feng suddenly panicked.

However, before he could react, he saw the queen slowly approaching, her charming red lips, and kissed Yue Feng!

The queen at this time, subconsciously regarded Yue Feng as the first emperor, completely lost her sense.

Pfft!

In the next second, without waiting for Yue Feng to react, the queen threw him at once, and the two instantly rolled on the soft slump!

"Your Majesty, calm down. Calm down..." Yue Feng wanted to cry without tears, and at the same time motivated his inner strength to open the acupuncture points.

However, the queen's acupuncture technique was completely different from that of the Jianghu people. Even with Yue Feng's strength, it would take at least half an hour to clear the acupoints.

“The first emperor!”

At this time, the queen could no longer hear Yue Feng’s voice. She just wanted to reminisce about the old relationship with the emperor in her heart, hugged Yue Feng tightly, and started to pull Yue Feng’s clothes.

The queen blushed and finally kissed Yue Feng’s mouth.

Chapter 2988 I

don’t know how long it took, and the queen fell asleep.

At this time, it was already dark outside.

Yue Feng hugged the Queen, wanting to cry without tears!

Nima.

Entering the palace tonight was originally to investigate the secrets of King Guangping, but ended up spending the night here with the queen.

Depressed, Yue Feng quietly got up and quickly left the palace!

If she doesn’t leave, she will be in trouble when the queen wakes up.

Soon, returning to the place where she and Meihui were separated yesterday, she could see from a distance that Meihui was already waiting there.

“Brother!”

Seeing Yue Feng, Meihui hurried up to meet him, and said quickly, “I asked about it last night. Most of these forces want to see the beauty of the Nine Heavens Saintess, and some want to take advantage of this. The opportunity to become famous all over the world, but these, it seems useless to us!”

Hearing this, Yue Feng nodded silently.

At this time, Meihui couldn’t help but ask: “What about you? Have you found any news?”

Uh...

Yue Feng was very embarrassed, scratched his head and said, “The palace is heavily guarded, I checked all night, and nothing happened . A special clue.”

How can you tell what happened to you and the Queen overnight?

Just as he was talking, he heard the direction of the imperial palace, and there was a burst of restlessness, and many practitioners rushed over.

“Brother, listen to them, today the Nanyun royal family is going to hold a meeting to discuss how to build the Xuantian Great Array, let’s go and have a look!” Meihui said while holding Yue Feng’s hand, very excited.

Yue Feng nodded, and together with Mei Hui, followed everyone to the prayer altar.

The prayer altar is the place where the Nagumo royal family worshipped the heaven and the earth.

From a distance, you can see the entrance to the prayer altar, and a guard is set up to guard it. Every cultivator who enters needs to record his identity.

Yue Feng and Meihui reported a fake sect name and easily got in.

I go, so many people?

When he arrived at the prayer altar, Yue Feng was stunned when he saw the scene in front of him!

I saw that in the center of the plaza of the prayer altar, a huge platform was built, which was extremely solemn and solemn, and seats were set up around the platform. At this time, these seats were already crowded with people. From a distance, it was dark. , very spectacular!

Yue Feng saw that many familiar figures were sitting on these seats.

Danzong in Dongao Continent, Famous Sword Villa in Yellow Sea Continent, Wudang in Diyuang Continent, Shaolin and so on.

Um?

It was at this moment that Yue Feng was stunned when he saw a familiar figure.

He saw that on a seat not far away, White Horse was sitting there with a leisurely expression, and behind him, stood neatly several elite disciples of the Hall of Longevity.

This kid betrayed Brother Wen, and now he is the master of the Hall of Longevity?

At this moment, Yue Feng was staring at the white horse, and his heart was filled with anger.

Half a month ago, Yue Feng happened to meet Wen Chou Chou. At that time, Wen Chou Chou explained in detail the process of falling into the abyss. It can be said that Wen Chou Chou fell into such a situation, all because of white horses.

When he learned of the situation at that time, Yue Feng was furious and secretly vowed to kill Bai Ma, but he never thought that he would meet him here.

At this time, Yue Feng wanted to kill the white horse, but after seeing the surrounding situation, he still stabilized.

At this moment, on the VIP seat at the venue, King Guangping sat there, his eyes slowly scanning the audience, his face extremely gloomy.

Mad, who was able to get the Queen last night, was disturbed by a mysterious person. Not only did he not enjoy the Queen's gentleness, but he also delayed the task given by Hades.

Chapter 2989

There are so many people in the venue in front of you, that mysterious person must be among them.

However, King Guangping searched for a long time, but couldn't find the person he met last night.

At this time, King Guangping didn't know that it was Yue Feng who did bad things to him last night, and Yue Feng changed his face. When he entered the venue just now, Meihui gave Yue Feng a new make-up, and King Guangping naturally couldn't recognize it. .

Whoa!

At this moment, the whole venue suddenly burst into a restlessness. Many people looked around on tiptoe.

"The eldest princess is here!"

"It's so beautiful!"

Amidst the exclamations, he saw Long Qianyu slowly walk to the center of the stage, surrounded by several palace guards.

At this time, Long Qianyu, wearing a light yellow dress, was noble and arrogant, and showed a royal aura all over his body. Today's conference was presided over by Long Qianyu.

“Everyone!”

At this time, Long Qianyu looked around and said slowly, “I believe everyone knows that this time the empress issued the edict for the Nine Heavens Saintess.

” A disaster, and this disaster is related to the Pluto of the ghost world, the specific details, let the Nine Heavens Holy Maiden explain it to you in detail later.”

Long Qianyu’s voice was not loud, but it spread throughout the venue.

Afterwards, Long Qianyu told some more about the situation, and asked the guards around him to invite the Nine Heavens Saintess to appear.

Whoa!

When the eight saintess of Huanxiang came out, the audience was boiling! Many men’s eyes widened, almost insane, and many women’s eyes were also full of jealousy.

“Beautiful! So beautiful!”

“Is this the Nine Heavens Saintess?”

I saw that the eight saintess Huanxiang and Ziyang were all wearing pure white dresses, which were absolutely stunning. The delicate face is really a fairy, and it is unbelievably beautiful.

The eight saintess slowly walked to the center of the stage and nodded to the people around them.

Afterwards, Huanxiang took a step forward and said slowly: “This time to build the Xuantian Great Array, everyone can come and help, we are very grateful to the Nine Heavens Saintess. Our Nine Heavens Saintess were originally stationed in the Mitian Spirit Realm, and our duty is to protect the Kyushu Continent. Balance, how do you know that Hades is ambitious...”

In the next ten minutes, Huanxiang explained the situation in detail.

At the end, Huanxiang looked around and continued: “Now, the power of Hades has infiltrated into Kyushu, in order to prevent him from poisoning all living beings, our Nine Heavens Saintess must return to God’s Domain as soon as possible, so the matter of Xuantian Great Array , without delay!”

Wow!

Hearing this, the major sect forces present all looked at each other in dismay, and they were all astonished.

What Huanxiang said was far beyond their cognition.

Hades, God's Domain... These things that can only be heard in ancient books and legends actually exist.

quiet! For a time, the entire prayer altar was silent, and a drop of a needle could be heard clearly. Everyone was shocked and couldn't calm down for a long time.

At this time, Yue Feng was also secretly relieved.

Saintess Huanxiang announced the matter, which is beneficial and harmless to the continent of Kyushu. After all, Hades did so many things secretly, and many people were kept in the dark.

Now that all continents know it, they can unite as one and fight against Hades.

"Ha ha..."

However, at this time, King Guangping, who had been sitting there, suddenly burst out laughing, stood up and said loudly: "What the Nine Heavens Saintess, everyone, don't listen to this woman's slanderous words to confuse the public!" After

speaking, King Guangping slowly walked out, his eyes slowly swept across Huanxiang and the eight saintesses of Zi Yan, saying word by word: "You are not the saintess of the Nine Heavens at all, so don't pretend!"

What?

Hearing this, everyone in the audience was stunned. At the same time, they looked at the eight saintess of Huanxiang one by one with doubts in their eyes.

Chapter 2990

Wow!

The voice fell, and the audience was in an uproar.

"Fake Nine Heavens Saintess?"

"This..."

At the same time, Huanxiang and Ziyan also changed their pretty faces, and their eyes locked on King Guangping in shock and anger.

What nonsense is this emperor of the Apocalypse Continent talking about? The Nine Heavens Saintess and him have no grievances or enmity, why should they be slandered in public? !

call!

At this moment, Yue Feng also frowned and took a deep breath.

Nima, there really is something wrong with this King of Guangping. First, he sneaked into the Queen's bedroom last night, and he was planning to do something wrong. Now, he said in public that the Holy Maiden of Nine Heavens was fake.

It seems that he really secretly took refuge in Hades.

"Big Brother!" Mei Hui, who was beside her, also frowned, and couldn't help but say, "What is this King Guangping going to do? Why do you say the Nine Heavens Saintess is fake?"

Yue Feng secretly relieved and said in a low voice, "I I don't know, let's wait and see what happens."

At this time, he was on stage.

"Your Majesty Apocalypse!"

At this time, Huanxiang was the first to react, and said to King Guangping very displeased: "Why do you say we are fake Nine Heavens Saintess? As the ruler of Apocalypse Continent, you should know that, What are the consequences of malicious slander?"

Huanxiang was very angry when she said this.

At the same time, Zi Yan and several others also looked at King Guangping.

"Your Majesty Apocalypse!"

At the same time, Long Qianyu also came out and couldn't help saying: "Yes, these eight saintess gathered in the Nanyun Imperial City three days ago, and they are very clear about the God's Domain and the Mitian Spirit Realm, how could it be? Fake?"

When he said this, Long Qianyu's beautiful face was also full of doubts.

Speaking of which, Long Qianyu has always had a bad impression of King Guangping. Back then, the Tianqi royal family held a wedding ceremony for Ren Yingying. On the day of the final, King Guangping suddenly appeared and killed Emperor Tianqi to seize

the throne. All sects. It can be said that this is a person who does not compromise on the means to achieve his goals.

And now, in front of the heroes of Kyushu, he said that the Holy Maiden of the Nine Heavens was fake. You must know that these eight saintess were approved by the queen. If they were fake, wouldn't the Nayun royal family be a joke?

“Eldest Princess!”

Facing everyone's gaze, King Guangping smiled slightly and said to Long Qianyu: “Everything I said is true, both you and the Queen have been deceived by them!”

At this time, King Guangping had a serious look on his face. , his mission this time was to stop the construction of the Xuantian Great Array, and naturally he would try every means to slander the Nine Heavens Saintess.

Swish!

At this moment, Zi Yan finally couldn't bear it anymore, and said to King Guangping: “You keep saying that we are not the real Nine Heavens Saintess, what evidence do you have?”

Hearing this, many people in the audience nodded secretly.

Yes, there is no evidence, how to prove that these eight saintess are fake?

“Evidence?”

King Guangping sneered and said slowly, “I want evidence, okay, then let me tell you, half a month ago, a man who claimed to be Saint Lady Lanxin came to the Weather Palace to ask for help, and I saw through it. After that, she was locked up, and when I was about to interrogate her, she was rescued by Yue Feng!”

Having said this, King Guangping looked around and continued: “As far as I know, the real Nine Heavens Saintess were locked up by them and Yue Feng, and then these eight women pretended to be Nine Heavens Saintess to deceive the Nanyun Royal Family. “

As for the Xuantian Great Array they are going to build, the purpose is not to return to the realm of the gods, but to use this great array to trap the major sects in Kyushu.”

“This is a conspiracy, a conspiracy to dominate Kyushu. .”

At the end, King Guangping's face was excited and impassioned, but cunning flashed in his eyes.

Whoa!

Hearing this, the whole venue exploded, everyone whispered and talked a lot, very shocked.
