

The ultimate husband in Chinese chapter 3001-3010

Chapter 3001

“His Royal Highness Princess!”

“His Royal Highness...”

At this moment, the surrounding palace guards exclaimed in surprise, and all of a sudden surrounded them, they saw that Long Qianyu’s breath was weak, and he was obviously seriously injured.

In an instant, many guards glared at Duan Yu.

This person is so bold that he dares to hurt His Royal Highness the Princess.

Under the anger, many guards wanted to rush up, but thinking that this was a ring match, they held back one by one.

“Is there anyone else coming up?” At this moment, Duan Yu glanced around slowly and said with a smile.

When he said this, Duan Yu had a smile on his face, but the aura that permeated his body made everyone gasp out of breath.

quiet!

The entire prayer altar was silent, and a drop of a needle could be heard clearly.

Feeling the powerful aura around Duan Yu, many sect powerhouses present were terrified.

Even if Long Qianyu was defeated, who is still his opponent?

“Brother!”

At this time, Mei Hui, who had been quietly watching the game, couldn’t help but said: “Why does this Yue Chen look a little wrong? I remember that he practiced a kind of yin and evil art called ‘Xuanyin Shengong’. Fa, but when I was fighting with the eldest princess just now, it wasn’t evil at all...”

Huo!

This chapter is provided by . Visit [for](#) daily update.

Hearing this, Yue Feng did not respond, but looked solemn.

This Yue Chen is indeed suspicious, but at this time the arena is almost over, and if no one is on the stage, it is time for him to take action.

At this moment, on the ring, Duan Yu stood there proudly and said loudly, “Has no one come up yet?”

The sound was not loud, but it spread throughout the prayer altar.

Swish!

At this moment, everyone looked at each other in dismay, and no one dared to answer.

At this moment, I saw King Guangping sitting there, standing up slowly, and walked straight to the center of the ring.

The next second, King Guangping looked at Duan Yu and said, “Yue Chen, I didn’t expect to see you in a few years. You are so strong, I’m really gratifying!”

When he said this, King Guangping looked complimented, but his eyes were blank. Flashing contempt.

At that time, the weather army attacked Donghai City in the Diyu Continent. After that, it was defeated twice. Because of the scandal, Yue Chen followed the army back to the Tianqi Continent and owed allegiance to the Emperor Tianqi. Later, at Ren Yingying’s marriage meeting, King Guangping killed the Emperor Tianqi, Yue Chen. Chen took the opportunity to join the King of Guangping.

Later, the felon under Yue Chen’s custody escaped from prison, committed the crime of negligence, and fled to the Xi Cang Continent.

Therefore, in King Guangping’s heart, Yue Chen is a despicable villain who has no position, even if he is strong, he is not afraid.

However, King Guangping did not know that the person in front of him was not Yue Chen at all, but Duan Yu.

Whoa!

Seeing this scene, the audience was in an uproar!

In particular, the elites of the Royal Forest Army brought by King Guangping were very excited.

“Your Majesty is on stage!”

“Your Majesty’s divine power will definitely defeat this Yue Chen easily...”

At this moment, the eyes of the audience all focused on King Guangping, each with an extremely complicated expression.

“The emperor of the Apocalypse Continent only played at the end, and he must have won the game!”

“Yeah, I heard that the emperor of the Apocalypse Continent is also very strong!”

While watching, many people whispered.

call!

Yue Feng, who was standing there, showed a smile.

King Guangping, you are finally here.

That’s right, Yue Feng has been holding back, just waiting for King Guangping.

Chapter 3002

At this time, in the ring.

King Guangping stood there proudly, his stern face was full of confidence.

Just like Yue Feng, King Guangping had never made a move before, and was waiting for the last moment.

In King Guangping’s heart, just now, ‘Yue Chen’ had fought several times in a row. Although he was strong and defeated many people, the continuous battle would definitely consume a lot of internal strength. This is the best time to play.

After all, the order of Hades has been given, and today, no matter what, the eight nine-day saints will be taken away.

Hehe..

Feeling the contempt of King Guangping, Duan Yu breathed a sigh of relief and smiled: “I am truly honored to be praised by Your Majesty. As the old saying goes, leave for three days, and look at it with admiration.

” Yu continued: “I used to serve under His Majesty. It stands to reason that I should admit defeat in this arena, but there are rules in the arena, so I can only do my best in the future.

”, Duan Yu said it entirely as Yue Chen, after all, he occupied Yue Chen’s body and could only identify himself as Yue Chen.

To be honest, Duan Yu could see that King Guangping looked down on Yue Chen very much, but he didn't care. When he got the power to dispose of the eight saintesses, he absorbed the power of Nascent Soul from them, and then Kyushu would be free to traverse, what? Emperor Apocalypse, Queen Nayun, don't have to take it seriously.

Swish!

Hearing this, King Guangping's face instantly turned gloomy, and said coldly: "Stop talking nonsense, since I have entered this arena, I will win the championship based on my strength, and there is no need for you to release water."

Mad, this Yue Chen actually underestimated himself, really looking for death.

After becoming Pluto's puppet, King Guangping's strength has improved a lot, and his perception is much sharper than before, but he didn't notice anything unusual about the 'Yue Chen' in front of him.

"Since Your Majesty is so confident, then please." Duan Yu smiled and said.

King Guangping was too lazy to talk nonsense, he snorted coldly, and his inner strength moved.

hum!

In an instant, a terrifying aura erupted from King Guangping's body, and in an instant, the surrounding air seemed to stagnate.

This...

Feeling the terrifying aura on the stage, everyone around the arena was shocked, and they only felt that they couldn't breathe.

Strong, strong!

Um?

Duan Yu's expression also changed, staring closely at King Guangping, secretly shocked.

This King Guangping, in just three years, has his strength become so strong?

Although he didn't have much contact with him, Duan Yu knew very well about King Guangping's strength. Three years ago, before Duan Yu became Emperor Xi Cang, he went to Tianqi Continent to meet King Guangping. At that time, King Guangping was Wu Duan Wuhuang.

In Duan Yu's perception, although King Guangping has a good talent for cultivation, within three years, at most he will reach the late stage of Tribulation Transcendence. Even stronger.

Not only that, but in that powerful breath, there is a palpitating Yin Sha power.

At this time, Duan Yu did not realize that the person in front of him was no longer the former King of Guangping, but the puppet of Hades.

call!

At the same time, Yue Feng, who was standing under the stage, also frowned as he watched King Guangping.

It's only been a day since I didn't see him, and the strength of this King Guangping seems to have improved a lot.

Thinking to himself, Yue Feng calmed down secretly.

No matter what the relationship between King Guangping and King Pluto was, the more fiercely he fought Yue Chen on stage, the better for him. It is best to lose both, so that I have a chance to rescue Huanxiang and the others.

"Kacha!" On the

stage, Duan Yu didn't panic in the face of King Guangping's explosive momentum. He raised his right hand, accompanied by a crisp sound, a black sword, which he firmly grasped in his hand.

As you can see, this black big sword is cold, and it is a purple-rank weapon.

Chapter 3003

"Fuck, purple-rank weapon."

"This... This seems to be the Overlord Sword that Mingdong exclaimed more than ten years ago."

"Yes, I didn't expect it to be in the hands of this Yue Chen."

Yes, this sword comes from the famous sword villa in the Yellow Sea Continent, called 'Bawang Sword'. Twenty years ago, the famous sword villa held a famous sword conference. Being chased and killed by the enemy, the Overlord Sword disappeared.

Half a year ago, Yue Chen passed through a bandit cottage and swept the entire cottage, and found this Overlord Sword in the warehouse where the treasure was stored.

After Duan Yu took away Yue Chen's soul, he couldn't put it down. He used the Heaven Opening Axe before, and he was very handy with this heavy weapon.

Purple weapons?

Seeing the Overlord Sword, King Guangping was stunned, and then sneered disdainfully.

As the emperor of Apocalypse Continent, what King Guangping lacked most was weapons.

hum!

In the next second, King Guangping stared at Duan Yu, no longer talking nonsense, and clenched a long knife with his right hand, and charged directly at Duan Yu.

You can see that on this long knife, there is an exquisite dragon and phoenix pattern engraved, which is also of the quality of the purple order.

Bang bang bang!

Duan Yu didn't hesitate, the figure flew high into the sky, attacked it, and in the blink of an eye, he was in a fierce battle with King Guangping!

Huh..

Seeing this scene, many people around the arena were very excited.

"Both sides are purple-ranked weapons, and some have watched this battle."

"It's fortunate that I didn't play just now, otherwise I'd lose miserably."

Under the discussion of the crowd, the battle between King Guangping and Duan Yu in the arena became more and more intense.

I saw the figures of the two of them constantly shuttle back and forth in the arena, and the burst of breath caused the surrounding air to distort.

Speaking of which, King Guangping became a puppet of Pluto and practiced the Yin Sha technique, and his strength has improved a lot. If it was before, he could completely crush Duan Yu. After all, Duan Yu's body belongs to Yue Chen, and Yue Chen cultivated it. Xuanming Divine Art has not yet reached a state of ecstasy.

However, after Duan Yu seized Yue Chen's soul, with his extraordinary talent, he comprehended the essence of Xuanming Divine Art, and at the same time successfully integrated the power of Nascent Soul of Saint Lady Lanxin.

In this case, it was difficult for King Guangping to suppress it.

After a long battle, King Guangping became anxious and roared: "Yue Chen, your strength is indeed much stronger than before, but it is impossible to win me in this arena."

Om!

The voice fell, and the air around King Guangping suddenly condensed! A terrifying power of Yin Sha spread out from his body crazily!

"Heaven and earth will be destroyed!" The

cold four words came from the mouth of King Guangping, and the next moment, the originally clear sky was suddenly surging, and the entire prayer altar was also cloudy!

I saw that King Guangping raised his hands slowly, and the whole person was also hidden in a black mist, like a ghost, which made people feel palpitated.

"This...the emperor of the Apocalypse Continent, what are you going to do?"

"What kind of skill is this?"

"What a sinister practice..."

At this moment, many people looked up and looked at King Guangping in the black mist, all of them were extremely horrified.

Um?

Duan Yu also frowned, secretly surprised.

This skill is so evil? It's not the practice of the Apocalypse royal family at all. He is an emperor of the Apocalypse Continent, where did he learn it?

Yue Feng below Chapter 3004 also frowned secretly.

Nima, this King Guangping is getting more and more evil. It seems that he guessed right before. He has an inextricable relationship with Hades.

This...

At the same time, the eight Huanxiang who were tied there also trembled, and their eyes were fixed on King Guangping, all of them were shocked and angry.

This King Guangping actually knew the exercises created by Hades. He was a member of Hades.

No wonder she slandered herself before, she was a fake Nine Heavens Saintess.

Knowing this, all eight of Huanxiang were furious and wanted to shout loudly and tell everyone around them, but they were all acupuncture points, and they were extremely weak. Not to mention shouting, they had no strength to speak.

good!

The destruction of heaven and earth by King Guangping is a unique skill in the ghost world. This unique skill was created by Hades, and it is extremely sinister. At that time, after King Guangping became a puppet of Pluto, in order to express his reward, Pluto specially asked Gong Hao's messenger to pass this stunt to King Guangping.

Today is the first time that King Guangping has used this unique technique, the annihilation of heaven and earth. Naturally, no one knows it!

Om...

At this moment, the power of Yin Sha condensed in the entire sky, almost shrouded the entire prayer platform, and everyone present was almost breathless.

Whoosh!

At this moment, the power of Yin evil gathered around King Guangping's body reached a terrifying state, and he saw his figure flashing like a black meteor, rushing directly towards Duan Yu.

call!

Seeing King Guangping rushing towards him, Duan Yu's face was extremely solemn. He endured the panic in his heart. He clenched the Overlord Sword tightly, and completely exploded his inner strength. In an instant, a terrifying force erupted from the Overlord Sword.

"Everything goes to hell!" Duan Yu stared at King Guangping who was rushing over, and shouted frantically.

"Boom!" The

voice fell, and a huge phantom burst out from the Overlord Sword. Everyone present clearly saw that it was a huge skeleton. Then, the huge skeleton turned into a black sword shadow.

In the blink of an eye, over the entire Nanyun Imperial City, the sun and the moon were dark and gloomy.

Myriad Laws Return to the Underworld, from the Xuanming Sword Art, and the Xuanming Sword Art is a unique skill in the Xuanming Divine Art. Yue Chen has never understood it before, but after Duan Yu took his body, because of his unique talent, In just two days, I realized the essence of it.

Xuanming Sword Art is the most evil swordsmanship in Kyushu, and when it is displayed in conjunction with the Overlord Sword, its power is even more astonishing.

boom!

In the blink of an eye, the figures of Duan Yu and King Guangping collided in mid-air, and a roar of sky and earth cracking came out. The entire Nanyun Imperial City was shaking. The entire arena was filled with smoke and dust.

Phew...

Seeing this scene, everyone present felt chills down their spines, and their brains were buzzing.

Strong, really strong.

At the same time, Yue Feng was also shocked. These two people are so strong that they have endless troubles. It is better to take this opportunity to get rid of them.

After thinking about it, the most important thing now is to rescue the eight saintess of Huanxiang first. And in the current situation, it is not convenient for him to reveal his identity.

Thinking to himself, Yue Feng knew that the opportunity was coming when he saw that the dust and smoke had not completely dissipated on the ring.

Whoosh!

In the next second, Yue Feng's figure flashed and he rushed directly to the back of the ring.

Yue Feng's speed was very fast. Everyone present was focused on King Guangping and Duan Yu, and didn't even notice it.

In the blink of an eye, Yue Feng was in front of Huanxiang.

“You...”

Suddenly seeing someone rushing over, Huanxiang was stunned. At this moment, Yue Feng changed face, and she couldn't recognize it at all.

Before he could finish speaking, Yue Feng grabbed his wrist tightly.

“Don't be nervous.”

Yue Feng lowered his voice and said, “I'm here to save you.”

With that said, Yue Feng was about to relieve the acupuncture points for Huanxiang, but King Guangping practiced the yin and evil exercises in the ghost world, and the acupoint-pointing techniques were very peculiar. , Yue Feng tried twice, but he didn't solve it.

Nima, this is embarrassing.

For a time, Yue Feng was sweating profusely.

Chapter 3005

At this moment, the dust and smoke on the ring completely dissipated.

King Guangping and Duan Yu saw Yue Feng almost at the same time.

Swish!

In an instant, King Guangping's face was extremely gloomy, and he said coldly to Duan Yu: “Well, you Yue Chen, there are still accomplices, you want to take people away when people are not paying attention, right?”

Because Yue Feng changed his face, King Guangping didn't recognize Zhu Lai at all, thinking he was Duan Yu's accomplice.

Hearing this, Duan Yu was furious and said coldly: “What accomplice?”

After speaking, Duan Yu's eyes flickered, and he said to King Guangping: “This is your subordinate, you want to quietly take people away. , but in turn slandered me, King Guangping, you really belong.”

Duan Yu was not a fool either, thinking that King Guangping deliberately slandered himself.

Whoa!

At this moment, everyone's eyes also turned to Yue Feng's side, and there was an uproar.

"Who is this person? When did he go up?"

"He wants to let go of these fake Nine Heavens Saintess."

"Not a little timid."

Hearing the discussions of the people around, Yue Feng wanted to cry without tears.

Mad, I didn't take such a good opportunity, but I have to say that King Guangping's acupuncture technique is too evil.

"Catch him!"

At this moment, King Guangping locked Yue Feng tightly and couldn't help shouting.

wow.

When the voice fell, the elites of the surrounding Royal Forest Army, as well as the forbidden army of the Nanyun Imperial Family, rushed up and surrounded Yue Feng.

Nima!

Looking at the people rushing up, Yue Feng scolded secretly, but at this time he couldn't care about so much, so he moved his figure and directly greeted him.

However, in order not to reveal his identity, Yue Feng did not use his skills, but met the enemy with his fists and feet.

Bang bang bang...

Although the elites of the Imperial Forest Army brought by King Guangping, as well as those Nanyun Imperial Guards, are all very strong, but to Yue Feng, there is no threat at all. In the blink of an eye, they will charge. The people who came up were easily knocked to the ground.

Seeing this scene, King Guangping was furious: "What a bold madman!" The

voice fell, King Guangping's inner strength exploded, and he rushed towards Yue Feng.

Today, these eight saintess, they are determined to win, how can they be taken away by others?

However, before rushing over, Duan Yu stopped him.

“King Guangping!”

Duan Yu’s inner strength urged, raised his hand, intercepted King Guangping, and sneered: “You don’t have to pretend, you want your subordinates to secretly take people away, do you really think we are fools?”

“Presumptuous!” King Guangping roared angrily: “I want to take these fake Nine Heavens Saintess away, why do I need to use this method? You should not provoke them.”

Being entangled by Duan Yu, King Guangping was very angry.

Phew...

Seeing this scene, everyone around the arena was also stunned.

what’s the situation?

Who is the kid who broke in with?

The matter suddenly became complicated, and the major sects present did not dare to act rashly.

Ha ha....

Seeing this situation, Yue Feng was indescribably comfortable, and King Guangping and Yue Chen actually became suspicious of each other.

Guess each other, the more this is, the better it will be for me. Thinking to himself, Yue

Feng turned to Huanxiang and asked eagerly: “Several saints, how can you unlock the acupuncture points on your body? Tell me now, or it will be too late.”

Pay attention to the movement of Long Qianyu not far away.

The ultimate husband in Chinese chapter 3006-3010

Chapter 3006

King Guangping and Duan Yu are suspicious of each other, so don’t worry at all.

The major sects below also have their own ghosts and will not rush up for the time being.

The only thing to worry about is Long Qianyu. After all, this is the Nanyun Imperial City, and Long Qianyu is not weak.

call!

At this time, Long Qianyu looked at Yue Feng, and then at the two people who were fighting in mid-air. His eyebrows were knitted together, and he was extremely puzzled.

what's the situation?

Is the person who suddenly rushed up, is it the subordinate of King Guangping, or is it Yue Chen's party?

At the same time, the eight saintess of Huanxiang were all very puzzled.

"You..." The

next second, Huanxiang looked at Yue Feng, her eyes couldn't hide her vigilance: "Who are you? Why do you want to save us?" The

voice was weak, and at the same time, there was deep doubt.

Yes, after today's events, the saintess Huanxiang and Ziyan are very disappointed in the Kyushu Continent. These people are not only cunning and treacherous, but also a bit pedantic. They are obviously the real saintess of the Nine Heavens, but no one believes them.

And the person in front of him, whom he had never seen before, kept saying that he wanted to save himself, how could he believe it?

Shit....

Feeling Huanxiang's vigilance, Yue Feng couldn't help laughing and laughing.

This chapter is provided by . Visit for daily update.

Immediately, Yue Feng said patiently, "I'm just a nobody in the arena. I believe that you are the real Nine Heavens Saintess, so I took the risk." To

be honest, Yue Feng wanted to tell them that he was Yue Feng.

But before, Huanxiang had always insisted that they had killed Saintess Lanxin, so naturally it was not easy to reveal their identity.

Nobody?

Hearing the answer, Huan Xiang and Zi Yan looked at each other, and the alertness in their eyes did not diminish at all.

“Come here!”

At this moment, Long Qianyu, who had been pondering secretly, seemed to want to understand something, waved his jade hand, and ordered to the surrounding Nanyun guards: “Watch these eight fake Nine Heavens Saintess. , and also, take down this person who came up.”

“Yes, Your Royal Highness!” The surrounding Nanyun Imperial Guards responded one after another, pulling out their long knives and rushing towards Yue Feng.

Nima!

Seeing this scene, Yue Feng was so anxious that he wanted to cry without tears.

I originally thought that I had expressed enough sincerity to gain the trust of the eight Huanxiang, but I didn't expect that their vigilance was too high, but now, Long Qianyu has reacted, and it will be difficult for them to think about it.

“King Guangping, Yue Chen!”

At this time, Long Qianyu looked at the two people who were still fighting in midair, and said coldly, “No matter who this guy is, the rules of the arena have been broken, I think you don't want it. Let's compare.”

“As for the eight fake Nine Heavens Saintess, let us handle the royal family of Nanyun.”
The

voice was not loud, but it spread throughout the prayer altar, no doubt.

“No!”

King Guangping roared, his eyes were extremely blood red, and his whole body was filled with evil spirits.

“These eight women, I must take them away.” A few cold words came out of King Guangping's mouth, and in the next instant, he took out a small black cauldron the size of a palm from his body.

I saw that this small black cauldron was very delicate in all directions, but it was engraved with ghost skeletons and all strange inscriptions, giving people the feeling of indescribable evil.

Swish!

In an instant, both Duan Yu and the people around him all focused on the small cauldron in the hands of King Guangping.

“What is this?”

“It’s so evil!”

“What is he going to do?”

At this moment, many people had a bad feeling.

“Pluto Cauldron!?”

Chapter 3007

At the same time, the eight saintess Huanxiang and Ziyang were trembling and exclaimed.

Pluto Ding?

Yue Feng frowned secretly and couldn’t help asking: “Several saints, do you recognize this thing? What is Hades Cauldron?”

Huanxiang bit her lip and stared at Hades Cauldron in her eyes, unable to hide her anxiety Panic: “Pluto Ding is the magic weapon of Pluto. There is an independent space inside. As long as you are trapped in it, it is difficult to get out.”

When saying this, Huanxiang’s beautiful face showed deep fear.

The few Zi Yan next to her were also extremely flustered.

independent space?

Hearing this, Yue Feng was shocked, and the whole person was stunned.

Isn’t this similar to the holy sect’s treasure, Qiankun Gourd? You must know that in the Qiankun gourd, there is a too illusory realm. After entering it, I almost couldn’t get out.

boom!

At this moment, I saw King Guangping open the Hades Cauldron, only to hear a thunder, a rumbling sound, and the world changed color.

At this time, the night gradually fell, and a cloud of dark clouds gathered together, covering the entire sky.

Phew!

At this moment, everyone present was inexplicably panicked.

Everyone can feel that in midair, a terrifying force is condensing!

“No one can stop what I want to do in Kyushu!” At this time, King Guangping was suspended in the air, his face was extremely ferocious, and his body was filled with suffocation.

Yes, the small black cauldron in the hands of King Guangping is the magic weapon of the ghost world, the cauldron of the Hades.

Before coming to Nanyun Continent, the messenger Gong Hao was ordered by the King of Pluto to bring the Cauldron.

So at first, King Guangping didn't intend to use the Hades Cauldron, but he was entangled by Duan Yu just now, which made King Guangping very annoyed.

After that, Long Qianyu was about to cancel the arena and let the Nanyun royal family deal with the eight Huanxiang. King Guangping couldn't help it.

Om...

At this moment, under the urging of King Guangping, I saw the evil spirit between heaven and earth, which quickly gathered towards Hades Cauldron. In the blink of an eye, a huge black vortex was formed.

At the same time, everyone also felt the ground under their feet, and there were bursts of violent roars and strong vibrations, which almost made people stand unsteady, as if the world had collapsed!

Nima!

At this moment, both Yue Feng and everyone present were taken aback.

At the same time, everyone also felt that there was a terrifying suction in the huge black vortex, and this suction covered the entire prayer altar, and everyone was within the scope of this suction.

not good!

At this moment, Yue Feng's heart skipped a beat, realizing that it was not good, he was about to rush out of the prayer altar, but it was too late.

hum!

The power of the huge vortex erupted stronger and stronger, and then a ray of light burst out, covering everyone in the entire prayer altar. Immediately afterwards, everyone only felt that they were sucked into the huge vortex as soon as their eyes darkened.

After inhaling the crowd, the huge vortex turned into a black light and merged into the Hades Cauldron.

“This...”

“What’s the situation?”

The Nagumo Imperial Guard outside the prayer altar, as well as the people of the entire imperial city, were inexplicably frightened.

So many people, all at once?

How could this be?

“Haha...”

At this time, King Guangping in mid-air showed a wicked smile, then put away the Hades Cauldron, his figure flashed, and flew directly outside the imperial city.

Although the eight saintess were not captured alive, but they were trapped in the Hades Cauldron, and they were able to go back for business.

As for Long Qianyu, as well as the people of the major sects, they are trapped in the Hades Cauldron. Whether they die or live depends on their fortunes.

Chapter 3008 On the

other side, Pluto Dingzhong.

Yue Feng only felt the darkness in front of him, his ears were whistling, and he couldn’t hear other people’s voices.

I don’t know how long it took before the falling feeling disappeared.

Boom!

Finally, Yue Feng’s feet stepped on the ground. At the same time, the darkness in front of him gradually disappeared. Yue Feng rubbed his eyes, couldn’t help looking around, and couldn’t help but gasp for air!

Nima!

This... This is the world inside the Hades Cauldron?

I saw that there was an incomparably vast world in front of me, but it was extremely dark. There was no sun, moon and stars above my head. of repression.

In the nearby woods, a layer of green mist shrouded, obviously, these mists are highly poisonous.

call!

Seeing this scene, Yue Feng smiled bitterly.

This kind of environment is even worse than the wild and strange realm. Being trapped here is simply a dead end. However, since it is an independent space like the Great Illusory Realm, there must be a way to get out.

By the way, so many people were sucked in, why didn't I see a single one?

Whoosh.

Just when Yue Feng was muttering secretly, suddenly, he heard a movement above his head, Yue Feng quickly looked up, but the environment here was too dark, Yue Feng couldn't see who it was at all, only saw a slim figure. The figure descended from the top of his head.

I go!

The figure descended so fast that Yue Feng had no time to dodge, so he raised his hands and took the figure into his arms.

smell good.

The next second, Yue Feng smelled an intoxicating fragrance, and couldn't help sighing. At the same time, he looked carefully, and when he saw it, he was immediately blinded and embarrassed.

I saw that Huanxiang was embarrassed and angry, and her eyes flashed with anger, but this angry look was indescribably charming.

"It turned out to be an illusion..." After being stunned for a few seconds, Yue Feng reacted and was about to explain.

Snapped!

However, after only saying a few words, Huanxiang raised her jade hand and slapped Yue Feng without warning.

“You shameless villain, you want to take advantage of this saint and seek death!” Huanxiang said coldly, very embarrassed.

This...

Yue Feng rubbed his face, very speechless, and smiled bitterly: “Saint Huanxiang, you are unreasonable, you fell from the top of my head, you can't hide at all, if I don't reach out to pick it up, don't you think? Seeing you being smashed?”

After saying this, Yue Feng continued: “Besides, I will catch you with kindness and avoid falling.”

When he said this, Yue Feng felt bitter in his heart. This Saintess Huanxiang was too hot-tempered, and slapped her face if she disagreed, but Yue Feng was relieved when she thought that Huanxiang blocked herself at the door of a clubhouse half a month ago.

“Shut up.” Huanxiang scolded coldly, feeling unspeakably irritable at this time.

It's just that she was considered a fake Nine Heavens Saintess, but now she's trapped in the Hades Cauldron again, and she's separated from her other sisters.

What bothered Huan Xiang even more was that the acupuncture points on his body were released the moment he was sucked into the Pluto Cauldron, but the power of Nascent Soul was very weak, and he had to find a safe place to restore his strength.

It's just that the environment here is so bad, it's not much better than the purgatory in the ghost world, how can there be a safe place? !

never mind!

Seeing that Huanxiang was not appreciative, Yue Feng smiled bitterly, rubbing his face and preparing to look for others.

The power of Hades Ding burst out just now, covering the entire prayer altar, everyone was sucked in, and Mei Hui was not spared.

This place is so dangerous, Meihui must be found first.

“Stop!”

However, before taking two steps, he heard Huan Xiang's coquettish shout, her tone unquestionable, and at the same time a bit of surprise.

Chapter 3009

“What else is there for the Holy Maiden Huanxiang?” Yue Feng stopped and looked back at Huanxiang.

I saw that Huanxiang was standing there, her eyes fixed on Yue Feng’s face, her eyes were full of surprise. At this time, Yue Feng’s face had returned to its original appearance.

Obviously, after being slapped by Huanxiang just now, Yue Feng rubbed his face again, making the previous disguise completely ineffective.

“Yue Feng!”

After staring at her for more than ten seconds, Huan Xiang reacted, gritted her teeth and said fiercely, “It’s you!”

When she said this, Huan Xiang was full of anger, and her delicate body also trembled faintly.

No wonder when he first came to power, he said that he believed that he was the real Nine Heavens Saintess. He was Yue Feng. Of course, he knew that he and Zi Yan were the real Nine Heavens Saintess.

What the hell!

Feeling Huanxiang’s anger, Yue Feng was stunned for a moment, then touched his face, feeling embarrassed.

The effect of disguise is gone, and it’s not easy to do this now.

“Yue Feng.” Huanxiang couldn’t hide her anger, and asked coldly: “You disguised yourself into the conference, and you still want to save us, what is the conspiracy?”

In the ring, I found that Duan Yu broke out with the power of Nascent Soul. , Huanxiang knew that she had misunderstood Yue Feng, but even so, she still didn’t like Yue Feng in her heart.

conspiracy?

Hearing this, Yue Feng couldn’t help laughing and crying: “What conspiracy can I have? That King Guangping is obviously related to King Hades, how can I let you fall into his hands?”

Huanxiang obviously didn’t believe it, but she didn’t bother to talk nonsense: “Okay. Come on, let’s go!” The

voice fell, Huanxiang looked around, sat next to a rock, and began to meditate and recover.

After thinking about it, Huanxiang will recover her strength first, then look for Zi Yan and the others. After the eight saintess are all together, she is trying to find a way to get out of here.

I go...

Huanxiang's attitude made Yue Feng very speechless.

What does this take you to be? Called to come, swipe away ah?

In his heart, Yue Feng didn't bother to care, so he was going to look for Meihui, but after thinking about it, he was not familiar with this place at all, so it would be better to be a companion with Huanxiang. Learn some.

After making up his mind, Yue Feng walked to the side and sat down cross-legged, and began to close his eyes and rest.

"Hey!"

Seeing that Yue Feng didn't leave, but sat down next to him, Huanxiang was very unhappy: "You hurry up, you are not allowed to be here."

Hearing this, Yue Feng couldn't help laughing: "Why? "

I am here to cultivate and recover, you will disturb me here, don't you understand?" Huanxiang said coldly, with a look of impatience.

"Why!"

Yue Feng suddenly shouted: "You can cultivate here, why can't I rest here? You are too unreasonable? Besides, this is not the goddess of your Nine Heavens Saintess. Spirit Realm!"

When he said this, Yue Feng looked like a rogue.

Speaking of which, Yue Feng didn't want to quarrel with Huanxiang. After all, he still wanted to be with her. However, seeing Huanxiang's arrogant attitude, he couldn't bear it any longer.

"You..."

Huan Xiang stomped her feet, but couldn't refute it, so she had to ignore Yue Feng and continue to practice and recover.

Yue Feng took it as soon as he saw it, and continued to close his eyes and rest without speaking.

For a while, the atmosphere became quiet and looked very harmonious.

At the beginning, Huanxiang recovered very smoothly, but gradually, I felt that something was wrong.

“Hmm...”

After a few minutes, Huanxiang’s delicate body trembled, and she couldn’t help but let out a light hum, and there was a hint of pain on her beautiful face.

Chapter 3010

Terrible!

At this moment, Huanxiang, her brows knitted together, she felt a little inexplicable panic in her heart.

I was only concerned with cultivating and recovering, but I forgot that this is the independent space of Hades Cauldron, full of yin suffocation, because it is too weak, causing yin suffocation to invade the body...

What should I do?

At this moment, Huanxiang clearly felt that under the influence of the evil spirits, a cold air flow began to travel around in the various meridians.

Huanxiang was in a hurry, but the more anxious, the faster the evil qi invaded!

In the blink of an eye, Huanxiang only felt that the body was getting colder and colder, especially the Nascent Soul, as if it had been frozen. The cold that invaded was unbearable!

what’s going on?

Hearing Huanxiang’s painful voice, Yue Feng opened his eyes and was stunned!

The next second, Yue Feng stood up and couldn’t help asking, “Saint Huanxiang, what’s the matter with you?”

When he said this, Yue Feng had no sympathy in his heart, but rather gloated.

This Huanxiang Saintess, since the first time they met, insisted that she was still the Lanxin Saintess, chased and killed herself all the way, and also had an aloof attitude.

Now that she has a problem with her practice, Yue Feng is naturally happy.

“It’s none of your business, go away!” Huanxiang bit her lip tightly and responded angrily.

While speaking, Huan Xiang was covered in a layer of cold sweat, and the cold sweat soaked into the long skirt, and the charming curve was exposed at once.

Gudong!

At this moment, seeing that exquisite and tight curve, exposed in front of him, Yue Feng was immediately stunned, and couldn’t help swallowing his saliva secretly.

As expected of the Nine Heavens Saintess, this figure is so perfect!

“You…”

Seeing Yue Feng staring at him without blinking, Huanxiang blushed, anxious and angry: “Look at your eyes again!!

” Gao Leng and noble, but at this time, he was so arrogantly scrutinized, how will he meet people in the future?

The more Huanxiang thought about it, the more angry she became, and she wished she could slap Yue Feng again. However, the suffocation entered her body, and she was extremely weak now, not to mention her hands, she even lost the strength to stand up.

What the hell!

They are so weak, yet so cold and arrogant?

At this moment, Yue Feng frowned, not turning around, but looking at her more wanton.

“Pfft!”

Seeing that Yue Feng was getting more and more presumptuous, and the phantom aroma was not good, he suddenly spit out a mouthful of blood under the rush of fire.

What the hell!

Seeing this scene, Yue Feng was taken aback, and quickly said: “Okay, I won’t watch it, you hurry up to heal!”

This Huanxiang has such a strong personality that he vomited blood just by looking at it.

Thinking to myself, Yue Feng is going to go a little farther and avoid it for a while.

“Wait!”

However, at this moment, Huanxiang bit her lip and couldn't help shouting.

“What's wrong?” Yue Feng couldn't help laughing and laughing, he stopped and asked.

“Are you sure you really want to help us Nine Heavens Saintess?” Huanxiang stared at Yue Feng and asked very seriously.

“Of course!” Yue Feng replied without thinking.

call!

Huanxiang endured the cold in her body, sighed lightly, and continued: “I will ask you again, does Saint Lady Lanxin's death have anything to do with you?”

Yue Feng was speechless and smiled bitterly: “I will answer this question. Several times, the death of Saintess Lan Xin has nothing to do with me, I was wronged.”

When he said this, Yue Feng was very puzzled, what the hell is this Huanxiang trying to do?

Hearing the answer, Huanxiang pondered for a while, and finally looked closely at Yue Feng: “Okay! I will trust you once, and now you help me heal.”

When she said the last word, Huanxiang's eyes did not meet Yue Feng's. Look, a little embarrassed.

Speaking of which, with Huanxiang's personality, she would never ask Yue Feng for help, but there was really no way out. The evil spirits invaded, and with her current situation, it was difficult to completely eliminate it.
