

The ultimate husband in Chinese chapter 3016-3020

Chapter 3016

Chi Chi... In the

blink of an eye, the flames attacked, and the long skirts on the eight saintesses were instantly burned to ashes. In an instant, the exquisite and charming curves of the eight saintess, all of a sudden exposed.

Gudong!

Seeing this scene, Yue Feng couldn't help swallowing his saliva and his eyes were straight.

Yue Feng clearly saw that because the eight saintess had Nascent Souls in their bodies, these bone spirit demon fires were only temporarily attached to the surface of the skin and burned, and they could not penetrate into their bodies for a while.

However, they had been activating the protective film before to resist the Bone Spirit Demon Fire. At this time, the power of the Nascent Soul of the eight saintess was almost exhausted. It would not be long before the Bone Spirit Demon Fire would take advantage of it.

"Yue Feng!"

Aware of Yue Feng's gaze, the Yuling Saintess was full of shame and anger, and she shouted coldly: "Close your dog's eyes!"

At the same time, the other saintess also glared at Yue Feng.

How could the dignified Nine Heavens Saintess be stared at like this by a man like him?
!

What the hell!

Hearing this, Yue Feng was angry again, and it was ridiculous.

It's all this time, and they're still so proud.

Um?

At this moment, Jia Xue frowned and looked at Yue Feng in surprise: "You... how are you all right?"

This chapter is provided by . Visit for daily update.

At this time, Jia Xue clearly saw that this piece of bone spirit demon fire seemed to be very Fearing Yue Feng, he avoided him.

This is incredible.

At this moment, Yu Ling and Huan Xiang also discovered the problem and looked at Yue Feng in surprise.

Ha ha!

Seeing their astonished eyes, Yue Feng smiled slightly: "Maybe I am special!" The voice fell, Yue Feng stretched out his hand, and in that instant, a white flame appeared in Yue Feng's hand!

It is Bailian Lenghuo!

Whoa!

Seeing Bai Lian's cold fire, Jia Xue's body trembled, completely stunned.

"You..."

Soon, Yu Ling reacted and glared at Yue Feng: "You actually have a white lotus cold fire, why didn't you say it just now?"

Yu Ling was very angry at this time, this Yue Feng was obviously Deliberately, he clearly has the cold fire of Bailian, but he watched him consume the power of Nascent Soul to resist the demon fire of bone spirit.

This man is so nasty.

Yue Feng shrugged his shoulders with a look of helplessness: "Saint Yuling, you didn't let me talk nonsense just now, why did something go wrong and you blame me again?"

"You..."

Yuling blushed . , For a moment, he didn't know how to refute, and stomped his feet in anger, indescribably charming.

"Alright, alright!" At this time, Zi Yan bit her lip and said softly to Yue Feng: "Yue Feng, hurry up and use the cold white lotus fire to devour these bone spirit demon fires!

" , you put it lightly, so many bone spirit demon fires, if I want to swallow them all, it will consume a lot of internal energy!" Yue Feng said with a smile.

To be honest, Bailian cold fire restrains the bone spirit demon fire, if Yue Feng wants to devour it all, it will not consume much internal energy at all, but before the few saintesses Yuling have always looked down on him, Yue Feng deliberately teased them.

And when he said this, Yue Feng's eyes couldn't stop looking at the eight saintess.

I have to say that these eight fairies really have their own merits, and each of them has a superb figure.

Especially at this time, the long skirts on their bodies were completely burned, and the exquisite and bumpy curves were undoubtedly revealed. Any man who saw it would go crazy for it.

Huanxiang and Yuling, proud and cool.

Zi Yan and Jia Xue are the intellectual and charming type.

The remaining few, some gentle and quiet, some gentle, are really dizzying, and it is a visual feast.

"Yue Feng!"

Chapter 3017

Seeing that Yue Feng has been staring, Huanxiang has a grumpy personality, and can't help it: "I haven't seen enough? I can't swallow it, then you can think of a way."

At this time, Huanxiang was very angry, but I don't even care about this.

The situation is critical right now, and if you can't think of a solution, your sisters are really in danger.

Speaking of which, as the Holy Maiden of the Nine Heavens, even if the Bone Spirit Demon Fire invades, there is no danger of life, but the pain of the burning tarsus is not something that ordinary people can bear.

At the same time, Zi Yan and Yu Ling also looked at Yue Feng, all of them anxiously.

"Okay, okay!"

Yue Feng nodded with a smile: "Don't worry, saints, I have a solution!" After the

voice fell, Yue Feng urged Bailian Lenghuo to form a circle of white protective masks around the eight saints. The woman covered her, and in an instant, the surrounding azure sea of flames was cut off all of a sudden.

However, the scope of this protective mask is very small, and the eight saintess Zi Yan and Yuling can only squeeze tightly around Yue Feng.

call!

At this moment, surrounded by the eight saintesses, and at the same time smelling the fragrance from their bodies, Yue Feng was in a happy mood and was intoxicated.

Hahaha...

It's such a wonderful feeling to be surrounded by eight nine-day saints.

Swish!

At this moment, the faces of the eight saintess were all flushed and shy.

"Yue Feng, you..." Zi Yan blushed, bit her lip and reproached: "Did you do it on purpose? You can't make this protective cover bigger, and it has to be so small?"

When the words fell, Yu Ling and Huan Xiang were also embarrassed and angry.

Uh....

Yue Feng scratched his head embarrassingly, and then pretended to say: "Saint Ziyan, how can I do it on purpose? I can deploy such a large protective cover, it is already the limit, you must know, these The Bone Spirit Demon Fire has formed a sea of fire around you. You Nine Heavens Saintess can't stop it, let alone I am from the Kyushu Continent?"

Hearing this, Zi Yan bit her lip and didn't care anymore.

In the next second, Zi Yan tilted her head to look at Jia Xue: "Jia Xue, how do we go next?"

Shuh!

At the same time, the other saintess also looked at Jia Xue. After all, among the nine saints, only Jia Xue was proficient in formation.

"I..."

Facing the inquiries of the sisters, Jia Xue's beautiful face showed a trace of embarrassment, and said softly: "This formation is very strange, when I first came in, it was obviously a gathering evil spirit formation, But when we get here, it seems to have completely changed again."

Saying that, Jia Xue's face flushed, and he lowered his head and said, "I can't find a way out for a while."

What?

Hearing this, Zi Yan and Yu Ling were all trembling and panicked.

How to do? Even Jiaxue couldn't find a way out, so was he trapped like this?

"Or."

At this moment, Yue Feng couldn't help but said, "I'll try it!"

When he said this, Yue Feng looked confident.

That's right, just when he cast the white lotus cold fire and deployed the protective mask, Yue Feng had already seen the problem of this stone forest.

What?

In an instant, the eyes of the eight saintess converged on Yue Feng.

Especially Jia Xue, whose beautiful face showed deep doubt: "Yue Feng, don't think this is a child's play, I admit that you have the cold fire of white lotus, which is indeed extraordinary, but this stone forest is very strange, once you leave Wrong, I'm afraid we'll never be able to get out." The

voice fell, and Yu Ling and a few others also criticized.

"That's right, Jia Xue can't do it, what can you do?"

"Don't think that you have the cold fire of white lotus, so you are arrogant."

The words of several saintess kept coming, and no one believed in Yue Feng, you know, here is the In the space within the Hades Cauldron, the formation is extremely sinister and unpredictable, and it is simply not comparable to the ordinary formations in the Kyushu continent.

Chapter 3018

Oh!

Seeing this situation, Yue Feng smiled bitterly.

"Sisters!" At this moment, Zi Yan couldn't help but softly said: "Since Jia Xue has no choice, let's let Yue Feng try it!" For

some reason, Zi Yan chose to believe in Yue Feng from the bottom of her heart. After all, there is no need for Yue Feng to joke about this situation.

Seeing Zi Yan say so, Yuling and the saintess, it is not easy to say anything.

Haha...

Seeing that the eight saintess had no objection, Yue Feng showed a smile, then opened his hands, hugged them together, and walked forward.

Swish!

At this moment, being hugged by Yue Feng, the eight saintess were all blushing, but they did not dare to move, because if they moved, they would go out of the protective mask and would be burned by the cold fire of the bone spirit.

“Left five, right seven... Gan Er Kun four...”

For the next ten minutes, Yue Feng recited the formula in silence, and soon successfully brought the eight saintess out of the stone forest.

This....

the moment he walked out of the stone forest, whether it was Jia Xue or the other saintess, all trembled and were completely shocked.

Really successfully walked out, how did this Yue Feng do it?

Especially Jia Xue, his eyes were fixed on Yue Feng, his eyes were full of incredible: “Yue Feng, you...how do you know where the exit is?”

Yue Feng smiled and said slowly: “This stone forest is not One formation, but two formations are superimposed together, one is the Jusha Fascinating Array, and the other is the ‘Ling Void Purifying Soul Array’, but the gathering evil fascination array is in the bright place, and the Spirit Void Purifying Soul Array is in the dark. So it’s hard to find.”

These two formations are recorded in “Baiqishen Formation”, and they are still very complicated high-level formations. Speaking of which, Yue Feng didn’t find it at first, until he reached the center of the stone forest and saw the huge stone pillar. , then suddenly understood.

call!

Hearing these words, Jia Xue suddenly understood, and looked at Yue Feng’s eyes, which also flashed a strange light.

This person seems to be not serious, but his attainment in formation is higher than himself.

At the same time, Zi Yan and Yu Ling, who were next to them, were also secretly sighing. I didn't expect this Yue Feng to know so much...

Hula!

Just as he was talking, he heard footsteps in the fog not far away.

Yue Feng quickly looked over, and his face changed suddenly.

I saw the masters of dozens of sects quickly approaching here. Obviously, they are also exploring the environment here and looking for a way to get out.

However, Yue Feng was not happy at all, instead his face was a little complicated.

The disguise on his face is gone, and he is still with the eight saintess. If they are seen by these people, it is easy to misunderstand. After all, at the meeting of the prayer altar, King Guangping said that the eight saints were fake. And also his own comrade.

More importantly, the long skirts of the eight saintess have just been burned by the bone spirit demon fire, and there is no obstruction. If people from these sects see it, it will be even more unclear.

Swish!

At the same time, Zi Yan and several saintess were also in a hurry.

No, I'm too embarrassed for the way I am now. If I'm seen, how will I see people in the future?

"Yue Feng!"

Anxious, Zi Yan urged Yue Feng: "You...you think of a way, don't let these people come over!"

When she said this, Zi Yan couldn't be more anxious. But innocence is more important than life.

At the same time, Yu Ling and Huan Xiang also looked at Yue Feng with urgency in their eyes.

Haha...

Feeling the anxiety of the eight saintess, Yue Feng did not panic at all, and said with a smile: "Saint Ziyang, you can also ask me for help. You can call me good brother."

Chapter 3019

Swish!

Hearing this, whether it was Zi Yan or the other saintess, their faces flushed red, and they were full of shame and anger.

This Yue Feng is so abhorrent that he dares to make such a request, he is simply courting death.

Zi Yan stomped her feet in anger, and said in a coquettish manner, "Yue Feng, stop making trouble, and think of a way."

As she spoke, she looked at the front, and the people from the sect were coming soon.

Yue Feng looked leisurely and said lightly: "I'm not fooling around, we have nothing to do with each other, how can I help you? Besides, I've already helped you a lot just now, bringing you out of the stone forest is already benevolent and righteous, let's talk about it. Now, you have always said that I'm still the Holy Maiden Lanxin, and you didn't give me a chance to explain, and now you need me to help you with one sentence, is it appropriate?"

This....

Zi Yan bit her lip, her face flushed anxiously, But speechless.

The Huanxiang next to them were also very angry, but they had nothing to refute, because Yue Feng was right, the two sides were not friends, and even had some grudges, Yue Feng really had no reason to help.

However, if Yue Feng didn't help, when the people from the sects came over, his image of the Nine Heavens Saintess would be completely ruined.

call!

Two seconds later, Zi Yan took a deep breath and said softly to Yue Feng: "Good brother!" To

be honest, calling Yue Feng a good brother, Zi Yan felt ten thousand reluctant in her heart, but the situation was urgent and she was uncompromising. If so, it's too late.

Seeing that Zi Yan opened her mouth, Huanxiang and the other saintess also put down their dignity and opened their mouths one after another.

“Good brother...”

Hahaha...

This sound is so good brother, Yue Feng’s whole body is crisp, and he just feels refreshed.

“Several good sisters, how good!” Yue Feng said with a smile, then raised his hand and waved, Bai Lian jumped out coldly, forming a white light curtain, like a curtain, surrounding the eight saintess stand up.

Whoops!

It was at this time that the dozens of sect masters also arrived.

“Yue Feng?”

“And those eight fake saints...”

“How are they together?”

At this moment, everyone was stunned when they saw Yue Feng.

While discussing, the eyes of many people couldn’t help looking at the eight saintess, and the eyes of many men were straight.

The eight saintess at this time, although they were blocked by the white light curtain, the exquisite curves are still looming, and the faces of each have their own merits, which is almost dazzling.

I go!

At this moment, Yue Feng was also stunned, and saw that in the crowd, there was a pretty slender figure with delicate facial features and a hint of arrogance.

It is Long Qianyu.

At the same time, Long Qianyu also saw Yue Feng, and immediately frowned.

After being sucked into the Hades Cauldron before, Long Qianyu soon encountered other sect masters, and immediately went together to explore this independent and sinister space, but he did not expect to meet Yue Feng here.

“Yue Feng!”

Finally, Long Qianyu reacted and said coldly to Yue Feng, "Why are you here? You always explain what happened to these eight people who pretended to be the Nine Heavens Saintess, and what did they have to do with you? What is your conspiracy?"

A series of questions were asked in a row, and there was no doubt about it.

Swish!

The voice fell, and the eyes of the sect masters next to him suddenly converged on Yue Feng, each with a bad look.

At the conference, King Guangping said that Yue Feng had something to do with these fake Nine Heavens Saintess, and everyone was still skeptical, but at this time, seeing that they were together, they couldn't help but be suspicious.

Chapter 3020

Uh!

Facing Long Qianyu's questioning, Yue Feng was very helpless.

This Long Qianyu, fortunately, is still the eldest princess of the Southern Cloud Continent, and her mind is too simple. Now that the situation is so obvious, she even thinks that the eight saintess are fake.

Thinking to himself, Yue Feng looked at Long Qianyu and said slowly: "You haven't seen it till now? You were all deceived by King Guangping, these eight saintess are real. As for King Guangping, he kept saying For the sake of the world of Kyushu, he is actually the person of Pluto."

"Look around you, do you know where this place is? This is the inner space of Pluto Cauldron. Pluto Cauldron is a magic weapon in the ghost world. If King Guangping is not a person of Pluto, how come there is a Pluto Cauldron in your hand?"

This...

Hearing this, dozens of sect masters looked at each other in dismay, unable to speak for a while.

At the same time, Long Qianyu's beautiful face was instantly embarrassed. Could it be that...have you misunderstood the eight saintess?

"Yue Feng!" At this moment, a man

in a blue robe came out and asked Yue Feng, "You keep saying that they are the real Nine Heavens Saintess, what evidence do you have?"

Around the age of 20, he has a refined temperament, but there is a slyness in his eyes.

It was the head of Wanhezong, Su Shengfei.

Wanhezong is the second largest cultivation sect in the Xuanye Continent. Its strength is second only to Yuyao Pavilion.

Speaking of which, Su Shengfei and Yue Feng have no grudges, but over the years, Yue Feng's reputation in the Kyushu mainland is too loud, Su Shengfei has always been unconvinced, and has always wanted to find an opportunity to suppress Yue Feng, and now is a good opportunity. .

call!

Feeling the cunning in Su Shengfei's eyes, Yue Feng took a deep breath, feeling a little unhappy.

Nima, the head of the Wanhe Sect, has a sick mind. He has already said so much, and he is deliberately picking things up.

Thinking to himself, Yue Feng said lightly: "What else is there to prove? The Nine Heavens Saintess, whose physique is different from ordinary people, at the conference of the prayer altar before, the shadows on their bodies were the unique essence of the Nine Heavens Saintess. Baby."

"What kind of evidence is this?" Su Shengfei sneered.

At the same time, Su Shengfei's eyes couldn't stop looking at Huanxiang.

Su Shengfei was not only narrow-minded, but also very lecherous. In fact, he already understood at this time that the eight saintesses in front of him were real, but when he saw that Yue Feng had a close relationship with them, he couldn't help but feel jealous.

Nima!

At this moment, Yue Feng lost his patience, looked at Su Shengfei and said coldly, "Then what do you want?" This Su Shengfei is really sick.

Seriously, if it wasn't for watching so many people present, Yue Feng really wanted to teach him a lesson.

For a time, the atmosphere became a little dignified.

Yue Feng thought about it, no matter what, he must not let these people in front of him hurt the eight saintess again.

“Okay, okay!”

Seeing that the atmosphere was not good, a slim figure came out and said, “Everyone should say a few words less, now the most important thing is how to get out of here.”

The

voice is gentle and pleasant, it is Yu The head of Yaoge, Ye Zhixin.

When she said this, Ye Zhixin couldn't help but take a deep look at Yue Feng. Two months ago, Yue Feng dressed up and joined Yuyao Pavilion. It seemed that after getting along for a few days, Ye Zhixin trusted Yue Feng and knew him. Not a person who talks about it.

call!

Seeing Ye Zhixin's opening, Su Shengfei didn't know what to say, chuckled lightly, and stepped aside.

Yuyao Pavilion and Wanhezong are both sects of Xuanye Continent, and their relationship has always been good. Moreover, Su Shengfei has always secretly admired Ye Zhixin. At this time, seeing her speaking for Yue Feng, although she is very upset, it is not easy to refute.

Seeing this scene, Long Qianyu also came out and said lightly to Yue Feng: “Okay, I'll trust you for the time being!”

After speaking, Long Qianyu looked around and continued: “Everyone, Sect Master Ye Well said, the most important thing now is to find someone else and find a way to get out of here.”
