

The ultimate husband in Chinese chapter 3041-3050

Chapter 3041

Om!

The voice fell, and a terrifying icy aura burst out from Bing Yao's body, and in an instant, the surrounding air seemed to be frozen.

Unfathomable and powerful pressure, Yue Feng has a feeling of being out of breath.

In the next second, Bing Yao slowly raised her right hand and hit Yue Feng with a palm!

What the hell! How to say get started? !

Seeing Bingyao's palm coming, Yue Feng was startled. Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

The palms of the two collided, and a violent vibration broke out. Yue Feng only felt an incomparably cold force coming, groaned, and took a dozen steps back. The inner strength of his dantian seemed to be frozen, which was very terrifying.

Nima!

Who is this woman? The strength is simply too terrifying!

For a time, Yue Feng was dripping with cold sweat and was extremely shocked.

Um?

Bing Yao stood there quietly, extremely cold and arrogant. But in my heart, I was secretly surprised, and looking at Yue Feng's eyes, there was also a strange light flashing.

"I can't tell, it's quite powerful, and it can actually block my palm." Bing Yao looked up and down at Yue Feng, her red lips lightly parted, and she spat out a few words.

"That, beauty..."

This chapter is provided by . Visit [for](#) daily update.

Yue Feng quickly explained: "Since we are all trapped here, we should find a way to get out together, right? I have no ill will towards you.

"Don't go." Bing Yao said coldly, "If I could go out, I would have gone out five hundred years ago!"

What?

Hearing this, Yue Feng was taken aback.

This woman has been trapped for five hundred years?

At this moment, Bing Yao's eyes locked on Yue Feng: "Although this is the Ten Thousand Demon Pagoda, the thirteenth floor is my forbidden area. If you break into my forbidden area, you will die!"

"Om!

"Falling down, at this moment, I saw Bing Yao slowly raise her hand, and a powerful force of ice reverberated throughout the thirteenth floor.

"Extremely ice-breaking."

Bing Yao's red lips opened slightly, and four cold words slowly came out of her mouth.

The next moment, the air suddenly split in front of her! Thousands of ice thorns appeared around her! Those ice thorns are all illusioned by internal force.

hum!

In a short blink of an eye, thousands of ice thorns cut through the air, as if tens of thousands of them flew to Yue Feng in an instant!

"Go to hell!" Bing Yao shouted coldly.

Speaking of which, Bing Yao and Yue Feng have no grudges, but Yue Feng's eyes just now made Bing Yao feel blasphemous, and he was trapped here, and there was no way to get out.

So, just kill him.

Whoosh whoosh!

The thousands of ice thorns ripped apart the air, and in the blink of an eye, all of Yue Feng's retreats were blocked.

I go!

Seeing this scene, Yue Feng was shocked and a little depressed at the same time.

Nima, this woman is too high and cold, just looking at you a few times will kill me, but I have to say that this woman's strength is too strong, especially the explosion of thousands of ice thorns, it is simply too terrifying.

In the blink of an eye, the sweat on Yue Feng's face fell down!

At this moment, Yue Feng, he can't dodge at all, thousands of ice thorns are coming from all directions, and there is no way out!

call! At this critical moment, Yue Feng didn't have time to think about it, and quickly urged Bailian Lenghuo to deploy a protective film in front of him to resist these thousands of ice thorns.

"Dangdangdang!"

Those ice slams hit the protective film, making a metal crash sound. I saw that the protective film soon appeared one after another cracks.

At the same time, Yue Feng felt the continuous coming of powerful forces, and the whole person was suddenly shaken back dozens of steps, and finally he sat on the ground and spat out a mouthful of blood.

Chapter 3042

Papa!

At the same time, the Chaos Sun Pearl on his body also fell out.

Before using Chaos Yangzhu to clean up the demon spirits on the first twelve floors, Yue Feng had not yet had time to integrate into his body.

Um?

At this moment, Bing Yao was going to pursue her victory and kill Yue Feng completely, when she suddenly saw Chaos Yangzhu, her body trembled.

"This...this is the Chaos Yin-Yang Pearl?" Bing Yao stared at the Chaos Yang Pearl, very shocked, and walked over quickly as she spoke.

As the Empress of the Underworld, Bingyao certainly knew that the Chaos Yin-Yang Pearl was born out of chaos thousands of years ago, when the heavens and the earth were not divided. Ascension, the Chaos Yin-Yang Pearl disappeared.

At this time, Bing Yao never thought that there was a Chaos Yangzhu on the body of the man in front of him.

What the hell!

Seeing Bing Yao's gaze, Yue Feng realized something, and he was about to pick up the Chaos Yangzhu.

However, he was injured, and Bing Yao was very fast. He raised his jade hand and grabbed the Chaos Yangzhu from the air.

"Huh!"

Holding the Chaos Yangzhu, Bing Yao's icy and beautiful face showed a smile.

With Chaos Yangzhu, he has the opportunity to leave here.

Thinking to herself, Bing Yao did not hesitate, opened her red lips, and swallowed the Chaos Yangzhu directly.

"Don't..."

Seeing this scene, Yue Feng was taken aback, but it was too late to stop it.

Gudong!

After swallowing the Chaos Yangzhu, Bingyao was in a good mood. She tilted her head to look at Yue Feng and asked coldly, "Where did you get this Chaos

Yangzhu?" .

As he said that, Yue Feng was very complicated while observing Bing Yao's reaction.

This chaotic yin and yang pearl, he and Lu Lingshan have successfully merged, and now they are swallowed by this woman, won't there be a problem?

"You are talking nonsense!"

Bing Yao frowned, unable to hide her contempt, "Nuwa will pass on such an important thing to you?" After

speaking, Bing Yao began to try to integrate the power of Chaos Yangzhu.

At the beginning, Bing Yao was still full of confidence, but soon she felt that something was wrong. In less than ten seconds, Bing Yao's forehead was covered with a layer of sweat, and her face became pale.

Oops!

Could it be that what this person said was true, that this Chaos Yangzhu was passed on to him by Empress Nuwa?

You must know that there are two Chaos Yin and Yang Pearls, one is Chaos Yang Bead and the other is Chaos Yin Bead, which requires a man and a woman to fuse with each other. Once the fusion is successful, others will not be able to fuse again even if they get Chaos Yin Yang Bead.

Not only that, if they merge rashly, it will cause power disorder.

At this moment, Bing Yao clearly felt that her power was out of control, and endless cold air was roaming around her body.

Bing Yao suddenly panicked and wanted to drive out the Chaos Yangzhu, but the more impatient, the more disordered the power!

In the blink of an eye, under the turbulence of the power of ice in the body, Bingyao's whole body was covered with a layer of ice, and the inside of the body was extremely cold. The cold that penetrated into the bone marrow was unbearable!

“Um...”

Finally, Bing Yao couldn't bear it any longer, she let out a painful moan, her delicate body curled up on the ground and trembled gently, her beautiful face was full of pain.

Ugh!

Seeing this scene, Yue Feng stood up slowly and said with a half-smile, “How is it? Believe me now? I have merged this Chaos Yangzhu. If you forcibly take it away, it will only lead to disorder of your own strength.”

“You...”

Bing Yao bit her lip tightly and said to Yue Feng, “In that case, get it out!”

Chapter 3043

Yue Feng shook his head and said helplessly: “Beauty, I was injured by you just now, I'm very weak now, how can I help you get it out? You must know that it takes a lot of energy to take out the Chaos Yangzhu from you. .”

When he said this, Yue Feng looked serious, but there was a smile in his eyes, showing a hint of revenge.

Yes, Yue Feng is the master of Chaos Yangzhu, as long as you move your mind, Chaos Yangzhu will come out of Bing Yao's body.

It's just that Bing Yao wanted to kill him just now, and Yue Feng naturally wanted her to suffer more.

At the same time, Yue Feng's eyes couldn't help but look at Bing Yao.

Close observation, Yue Feng was amazed!

This exquisite face, exquisite and tight curves, and the figure is absolutely amazing!

"You..."

Bing Yao was very embarrassed when she noticed Yue Feng's gaze, and she shouted:
"Close your dog's eyes!"

At this time, Bing Yao wanted to kill Yue Feng immediately, but the ice power in her body The backlash has made her extremely weak now, let alone start, she has no strength to stand up.

What the hell!

All so weak and so cold and arrogant!

Hearing this, Yue Feng chuckled lightly, not only did not avoid suspicion, but looked at her even more wanton.

"Pfft!" Bing Yao's whole body was trembling with anger, and she suddenly spit out a mouthful of blood under the rush of fire. Although the relationship with Pluto broke down, she was still a high-ranking underworld queen, aloof and noble, but at this time he was watching!

What a shame!

Feeling Bingyao's anger, Yue Feng didn't panic at all, and after watching it for a while, he smiled slightly: "Beauty, this is your fault, if you want to kill me and steal my things, don't let me see it. How many times have you looked at?"

Bing Yao bit her lip and didn't respond.

Yue Feng closed it when he saw it, and sat beside him and began to adjust his internal energy.

A few minutes later, Yue Feng stabilized the shock in his body, and then summoned the Chaos Yangzhu in Bing Yao's body.

call!

At this moment, without the Chaos Yangzhu, Bingyao only felt that the whole person was much more relaxed, but the beautiful face still showed a bit of weakness.

At this time, Yue Feng was almost recovering, and couldn't help but ask: "I haven't asked the beauty's name yet!"

"Bing Yao!"

"Good name, Bing Yao... Bing Qing Yujie, Yaotai Yinque! By the way, I It's called Yue Feng!" Yue Feng said with a smile.

Hearing the compliments, Bing Yao's beautiful face did not fluctuate in the slightest.

Uh...

Seeing Bing Yao's icy coldness, Yue Feng was very embarrassed, scratched his head and said, "Then you can cultivate and recover, I'll go first!"

Yue Feng saw that there was no exit at the last layer. , can only go down and check other places.

"Wait!"

Just two steps away, Bing Yao shouted eagerly from behind.

Yue Feng stopped, looked back, and saw Bing Yao biting her lips tightly, with a hint of hesitation on her cold and beautiful face!

"Anything else?" Yue Feng said with a half-smile.

This woman, won't she still miss her Chaos Yangzhu?

Facing Yue Feng's gaze, Bing Yao breathed a sigh of relief and said slowly: "This Ten Thousand Demon Pagoda has no exit at all, if you want to go out, you can only destroy it, but we can't do it alone, we need to remove the Chaos Yangzhu. Only with the power of yours."

After speaking, Bing Yao briefly explained the situation of the Ten Thousand Demon Pagoda.

It turns out that the Ten Thousand Demon Pagoda is the center of the entire Hades Cauldron, and the yin and evil energy of the entire space is gathered here. Therefore, even if Bing Yao is the Queen of the Underworld, it is difficult to get out of trouble, but with Chaos Yangzhu, it is the same. Chaos Yangzhu contains innate spiritual power and is the nemesis of Yin evil energy.

That's why, seeing the Chaos Yangzhu just now, Bingyao eagerly took it for himself.

It was so!

Hearing this, Yue Feng suddenly realized and was extremely happy at the same time.

Chapter 3044

"Yue Feng..."

At this time, Bing Yao bit her lip tightly, as if she couldn't open her mouth, she glanced at Yue Feng, then lowered her head: "I have already told you how to get out... Wait a minute. Can you take me with you when you leave?"

After saying this, Bing Yao's eyes were filled with anticipation, and her previous high coldness was gone.

Being trapped here for five hundred years, Bing Yao dreams of going out, but now that she has the opportunity, of course she will not let it go.

I go! Is this begging me?

Yue Feng was stunned for a moment, then said with a smile: "Let me take you out? I have to think about it, you wanted to kill me just now, and now let me help you, this..."

Said, Yue Feng The wind pretended to be contemplative.

This Bing Yao is extremely cold, she almost killed herself just now, and now she wants to take her out by herself, how can such a good thing happen.

This....

Hearing this, Bing Yao was in a hurry, walked over and pleaded with Yue Feng: "Yue Feng, I was wrong before, please help me, okay?"

Bing Yao at this time , I never thought that I would put down my posture and plead with a man.

call!

Seeing Bingyao's look of anticipation, Yue Feng scratched his head and said in deep thought, "I can take you out, but...you promise me a condition!" After saying that, Yue Feng looked at Bingyao with a smile.

Bing Yao's tender body trembled, and she whispered, "What conditions?"

At this time, Bing Yao was very embarrassed and angry. This Yue Feng is really hateful.

But there is no way, the other party has Chaos Yangzhu and can take him away.

Yue Feng thought for a while, then smiled and said: "It's very simple, after I take you out, you must obey my orders, and you must not violate it!"

Although he didn't know Bing Yao's identity as the Queen of the Underworld, Yue Feng also understood in his heart, She is so powerful that it is absolutely harmless to draw her to her side.

What?

follow your orders?

Hearing this condition, Bing Yao's pretty face froze, and her heart was full of resistance. How could she, who is so high above, obey the orders of a Kyushu man? !

Seeing Bingyao's shame and anger, with a leisurely face: "If you want to, I won't force it, let's just say goodbye!"

With that, Yue Feng pretended to leave.

"Okay!"

Bing Yao's tender body trembled, and she was in a hurry. She quickly

said, "I promise you!" To be honest, Bing Yao resisted Yue Feng's condition ten thousand times, but she had no choice. She might be the only one who left here. If you let Yue Feng go, he will never be able to get out.

Seeing that Bingyao finally agreed, Yue Feng nodded in satisfaction and let her enter the spirit beast bag. You must know that this Ten Thousand Demon Pagoda gathers the yin energy of the entire space. Even if Bing Yao is very powerful, she can't stand it. If you want to take her out, she can only keep her spirit beast in the bag.

This is also the only way.

Afterwards, Yue Feng urged Chaos Yangzhu to leave Ten Thousand Demon Pagoda according to what Bing Yao said.

...

the other side.

After the eight saintess helped Long Qianyu and others defeat the mirror image demon, they quickly found Meihui, Zheng Chunqiu and others through clues.

After everyone got together, they were very excited. At the same time, it was also discovered that Yue Feng was chasing a mirror image demon and has not returned yet.

“Let’s go find it!”

Zi Yan said softly, and then flew into the air, towards the distance.

Huanxiang and other saintess also urged their figures to search in other directions.

After the eight saintess left, Long Qianyu and everyone looked at each other, feeling a little uneasy!

This place is full of dangers, and I haven’t found a way to get out yet, and now, Yue Feng has always been there.

Chapter 3045

Especially Mei Hui, her eyebrows knitted together, unable to hide her worries.

“Those mirror-image demons are very cunning, Yue Feng is chasing him alone, and he doesn’t know what’s going on!” At this moment, Ye Zhixin couldn’t help but said, with a trace of worry on her beautiful face.

When Yue Feng was there before, everyone would be able to turn danger into a safe place in any situation, so in Ye Zhixin’s heart, Yue Feng had been regarded as the backbone.

“Master Ye!” At this time, Meihui’s beautiful face was full of seriousness: “Big brother is so powerful, there will be no problem.”

Although she was worried, Meihui believed in Yue Feng’s strength.

When the voice fell, Su Shengfei and the others next to him laughed lightly. These people are very dissatisfied with Yue Feng, wishing that something happened to him.

hum!

Just as he was talking, a strong aura suddenly came from the sky not far away, and the surrounding air plummeted in an instant.

what’s the situation?

Meihui and Long Qianyu were all shocked, and their eyes turned to look at them.

hiss!

Seeing the scene in front of them, everyone present couldn't help but gasp in breath!

I saw that it was originally a dark sky, and now the yin qi filled the air, and the black yin qi covered the entire sky, and in the endless yin qi, a figure came quickly.

He was dressed in a black robe with a black dragon pattern embroidered on it.

It is Hades.

Let King Guangping and Jed, after the war started in Kyushu, Hades can't wait to enter Hades Cauldron to deal with the Nine Heavens Saintess.

At this time, Hades had a sneer of pride on his face, holding a black iron chain, slowly dancing in the black yin, like a long black snake, wickedly arrogant.

call!

Feeling the terrifying breath of Hades, everyone present was inexplicably frightened.

"Where's the Nine Heavens Saintess? Come out and die!" Hades looked around and said coldly, with a strong killing intent permeating his body!

Feeling the killing intent, Long Qianyu and Meihui both felt chills in their hearts!

"You... who are you?"

In shock, Long Qianyu stepped forward and couldn't help but speak!

"This deity is the ruler of the ghost world, Pluto!" Pluto smiled evilly, looking extremely proud.

What?

Hearing this, whether it was Long Qianyu or everyone around him, their expressions changed and they were shocked.

Hades... the rumored existence of controlling the ghost world?

Feeling the panic of everyone, Hades seemed to enjoy this feeling, and said coldly: "Soon, the deity will rule Kyushu, and you ants will be called the stepping stones on the road of the deity's rule. Before the deity takes action, you have What last words can be said."

When he said this, Hades looked proud.

At this moment, Long Qianyu, Meihui and the others looked up at Hades one by one, only to feel that their hearts were blocked, and they were even a little breathless!

At the same time, they were all terrified.

Pluto wants to rule the Kyushu continent?

Thinking to himself, Long Qianyu took a deep breath and said slowly: "You are the master of the ghost world, but you want to intervene in the Kyushu continent and violate the laws of heaven, so you are not afraid of being punished by heaven?"

"God punished?"

Hearing this, Hades sneered: "Kill you and the Nine Heavens Saintess, I am Heaven, who can punish me?"

Om!

The voice fell, and a terrifying aura erupted from Pluto's body. Immediately afterwards, a dazzling light burst out from the iron chain in his hand, tearing apart the world and bursting towards everyone.

The iron chain in Pluto's hand, called the Chain of the Underworld God, is the strongest artifact in the ghost world, and its power is terrifying.

The ultimate husband in Chinese chapter 3046-3050

Chapter 3046 The

dazzling light, carrying the unparalleled power of death, fell into the crowd! In an instant, the smoke filled the air, and the mourning continued! Many sect powerhouses fell into a pool of blood before they could react!

This... is this the power of Hades? Too.. too scary!

In an instant, the rest of the people saw this scene, and their backs were all chilled!

"Hahaha..."

Looking at their pale faces, Hades laughed loudly: "You don't have to struggle, this is your destiny! Besides, I can tell you that my subordinates have already started a war in Kyushu, Even if you can get out alive, you won't be able to return to the sky."

What?

Hearing this, Long Qianyu and the rest were all shocked and angry. Until this time, everyone finally understood that what Yue Feng said before was all right. King Guangping and the traitor Jade of the Rakshasa tribe were all from the King of Pluto.

In the next second, Long Qianyu reacted and bit his lip: "As long as we are still here, you can't succeed!"

"Everyone in the rivers and lakes, in the time of life and death, fear is useless." The last word fell, Long Qianyu's toes Tap the ground lightly, fly up, and go straight to Hades!

"Zhennan..."

Jiang Shan next to her, also trembled, pulled out a long sword, and jumped up!

"Let's go together!"

Seeing that Long Qianyu took the lead, and there were still some panicked people around, they instantly cheered up, howling loudly one by one, urging their inner strength to rush towards Hades.

However, the strength of these family disciples was completely vulnerable in front of Hades.

This chapter is provided by . Visit for daily update.

"A bunch of dead ants"

Looking at the people who rushed up, Hades' face was full of contempt, and he kept waving the chain of the underworld god in his hand. He saw that the surrounding air was almost completely torn apart. When he got to Pluto, he was torn into pieces!

The disparity between the strengths of the two sides is huge, and it is completely a unilateral massacre!

After all, the opponent in front of them is the strongest existence in the ghost world.

In the blink of an eye, hundreds of sect powerhouses were killed by the Hades, the ground was stained red with blood, and the blood filled the air, like hell!

Pluto was arrogant and arrogant, his eyes locked on Long Qianyu, and his tone was unquestionable: "It is said that you are the eldest princess of the Southern Cloud Continent, and your prestige is very high. As long as you take the lead and surrender to me, maybe I can save your life!"

“Submit to me!” You? Impossible!” Long Qianyu bit his lip and spit out a few words coldly.

“I don’t know how to lift.”

Pluto’s eyes turned cold, and the chain of the Underworld God suddenly rose up in his hand, and a dazzling light threw it directly towards Long Qianyu.

Feeling the power of the Chain of the Underworld God, Long Qianyu’s pretty face changed.

Whoa!

The chain collided with the long sword, and the long sword shattered instantly. Immediately, the chain swept across Long Qianyu’s body fiercely. Long Qianyu’s delicate body trembled, and a mouthful of blood spurted out.

Such a terrifying power.

At this time, Long Qianyu was full of horror and despair at the same time.

You can’t even catch a single move from Hades, do you really want to die here?

“The deity has given you a chance and you don’t want it, so don’t blame the deity!” Pluto’s mouth evoked a trace of cruelty, his voice fell, and he walked towards Long Qianyu step by step.

“Princess!”

Seeing this scene, dozens of Nagumo Palace guards couldn’t help shouting and rushed over.

However, Hades did not take these guards seriously at all, and with a wave of his hand, the Chain of Hades was thrown out like a poisonous snake.

“Ah…” As the rays of

light flickered, these palace guards were torn apart by the Chain of the Underworld God before they rushed to the front, and fell into a pool of blood one by one!

Long Qianyu’s face was full of despair, and he completely collapsed!

It’s over.. It’s really over!

Chapter 3047

At the same time, the surrounding Su Shengfei and others were also extremely frightened. They had no desire to continue fighting, and just wanted to turn around and run away.

“Pluto, do you only bully the weak with the strong?”

However, at this critical moment, I could only hear a coquettish shout from the sky not far away!

Following the voice, Long Qianyu’s delicate body trembled, and a hint of excitement appeared on her beautiful face. I saw eight figures flying over. It is the eight saintess of Ziyang.

The eight saintess were originally looking for Yue Feng, but they couldn’t find any trace of Yue Feng after searching around, and then they sensed a powerful death atmosphere here, filling the world, and quickly returned.

As soon as he arrived, he saw that Hades was wanton slaughtering.

“Shhh!”

At this moment, Pluto’s gaze instantly locked on the bodies of the eight saintess.

Tightly attracted by the six fairies.

“Hahaha...”

After a few seconds, Pluto laughed and said coldly: “Nine Heavens Saintess, I was looking for you, and you took the initiative to send you to the door, just in time to catch you all.”

“Arrogant!”

Huanxiang Hot personality, too lazy to talk nonsense, he rushed over with a squeak.

“Pluto, we are here today, don’t think about messing around!”

“Back then you secretly destroyed the Xuantian Great Array, but now you think about cholera and Kyushu, new and old accounts, let’s make a good calculation!”

At the same time, Zi Yan and Yu Ling and the other saintess also shouted coquettishly, and at the same time flew up and quickly surrounded Hades.

“Ha ha...”

Facing the anger of the six fairies, Pluto looked proud: "I'll settle the account with me? I'm afraid you are not strong enough!"

Om!

The voice fell, the power of Hades erupted, and a terrifying aura swept out from the whole body. In an instant, the surrounding was raging, like a chaotic world. The chain of the underworld god in his hand was even more flickering with a strange light!

The next second, the two sides fought fiercely in mid-air.

At the beginning, the eight saintess could still contain Pluto, but gradually, the eight saintess became somewhat powerless. You must know that there were originally nine saintesses in the Nine Heavens, and they cooperated with each other to explode their strongest power.

However, Holy Maiden Lanxin was humiliated and committed suicide, resulting in one less Saint Maiden of the Nine Heavens. At this time, facing Pluto, it is natural to be unable to resist.

How to do?

At this moment, Huanxiang and Ziyang were all in a hurry.

Phew...

At the same time, everyone watching the battle below secretly sweated for the Nine Heavens Saintess.

Meihui, in particular, stomped her feet in a hurry. The eight saintess were obviously not Pluto's opponents.

Bang bang bang!

At this time, Hades became more and more fierce, and found an opportunity to wield the Chain of Underworld God. The air was suddenly torn apart, and then the eight saintess trembled and fell from the air, all of them pale.

Obviously, they were all injured when they were drawn by the Chain of the Underworld God.

"Hahaha!" Hades laughed frantically, his eyes swept over Huanxiang and Meihui one by one: "Accept your fate, Holy Maiden Nine Heavens, when I merge the power of Nascent Soul in you, I will be able to leave the ghost world, Go to the Kyushu Continent to be my master!"

Yes, Pluto has worked so hard to prepare for so long, and the ultimate goal is to get the power of the Nascent Soul of the Nine Heavens Saintess. You must know that as the ruler of the ghost world, Pluto cannot appear in the continent of Kyushu. This is the law of heaven and earth, but once it is merged With the power of Nascent Soul in the Nine Heavens Saintess, Hades is no longer restricted by laws.

As soon as the words fell, Hades threw out the Chain of Underworld God and was about to tie the eight saintess.

Whoosh!

However, at this moment, a figure rushed forward and blocked the front of the eight saintess.

It is Mihui.

Chapter 3048

“You are not allowed to hurt the Nine Heavens Saintess!” Mei Hui looked at Hades, her delicate face showing determination.

She knows that her strength is not worth mentioning in front of Hades, but the Nine Heavens Saintess is related to the safety of the entire Kyushu. Once they have an accident, the consequences will be disastrous.

“Get out of the way!”

Seeing this scene, the saintess Zi Yan and Huanxiang were all shocked.

At the same time, the surrounding Ye Zhixin, Long Qianyu and others were also taken aback.

“Where did you come from, little girl, courting death!”

Pluto said coldly, his eyes full of contempt, and the moment the words fell, the Chain of Underworld God was thrown directly over.

With this whip sweep, Meihui must have her bones shattered.

boom!

However, at this moment, suddenly, there was a very strong vibration not far away.

With this shock, everyone present was blinded, and they all looked over, and saw a place not far away, filled with dust and smoke, obviously something had collapsed.

This...

Hades frowned, his face could not be seen, but his heart was secretly shaking.

Others do not understand the situation, but Pluto is very clear in his heart. This is the direction of the Ten Thousand Demon Pagoda, and with such a big movement, it is obvious that someone rushed out from the Ten Thousand Demon Pagoda, causing the Ten Thousand Demon Pagoda to collapse.

who? To be able to rush out of the Ten Thousand Demon Pagoda? !

In astonishment, Hades stared at the piece of dust and smoke, and saw a figure floating faintly above the smoke.

This figure is Yue Feng.

At this time, Yue Feng, relying on the Chaos Yangzhu, absorbed a lot of power in the Ten Thousand Demon Pagoda, and his strength increased a lot. The breath that permeated his body was very terrifying!

Whoa!

As the dust and smoke dissipated, many people present also saw Yue Feng, and there was an uproar.

“It’s Yue Feng!”

“He’s fine...”

“What a strong breath, his strength seems to have improved again!”

In the midst of the discussion, Yue Feng flew over quickly.

This...

When he got to the front, Yue Feng was shocked when he saw the scene in front of him.

He clearly saw that the eight saintess were weak, and everyone in Long Qianyu was injured. The ground was full of blood, and there were many corpses of sect masters lying on the ground.

And in the mid-air, Hades hovered proudly there, and his whole body was filled with the momentum of destroying the world.

“Big brother!”

“Yue Feng!” The

eight saintess and Meihui were extremely happy when they saw Yue Feng just coming.

Swish!

At this moment, Pluto’s eyes were also locked on Yue Feng, and his tone was extremely proud: “You are Tianmen Sect Master, Yue Feng!?”

” Shock.

The opponent’s strength is unfathomable, and the whole body is filled with such a terrifying aura of death, could it be Pluto?

“very good!”

At this moment, Pluto said coldly to Yue Feng: “It is said that you are very famous in Kyushu, and that you have destroyed my deity over and over again, and just now destroyed my Ten Thousand Demon Pagoda, just to get rid of you together. Drop!” The

voice fell, and the figure of Hades flashed, coming straight towards Yue Feng.

call!

Seeing this scene, both Mei Hui and the eight saintess secretly sweated for Yue Feng.

Looking at the former Hades, Yue Feng was also very nervous. He didn’t have time to think about it. He summoned Fang Tianhuaji and completely exploded his inner strength. A terrifying force was condensing!

The next second, Yue Feng stared at Pluto who was rushing over, and coldly shouted out a few words: “Blood battle in all directions !

“

The surrounding air was dyed red with blood!

Bloody battles in all directions are Lu Bu’s unique skills, and Yue Feng’s hard work in the past few years has reached another extremely high level.

boom!

Chapter 3049 In the

blink of an eye, the blood-colored light and shadow slammed into Hades, and a roar of earth-shattering came out. The whole world was shaking violently.

I saw that the figure of Hades hovered proudly, and it seemed that he had not suffered much damage.

shit.

Seeing this scene, Yue Feng was startled and panicked.

Even bloody battles in all directions can't hurt Hades, so how can we fight?

"Is this only the strength?" The

corners of Pluto's mouth twitched, and a trace of contempt appeared on his icy face. When the words fell, Hades suddenly raised his hand, and saw the chain of the God of Hades suddenly soared dozens of times, and suddenly slammed into Yue Feng!

The Chain of the Underworld God is the strongest magic weapon in the ghost world. Like Yue Feng's Linglong Pagoda, it can be big or small. At this time, the chain of the Underworld God has grown by several hundred meters. The air was shrouded in a strong breath of death.

Feeling the terrifying breath of death, Yue Feng's face was extremely pale, and a chill ran from the soles of his feet to the top of his head.

hiss!

At the same time, the eight saintesses who were watching around, as well as Meihui and others, also felt a terrifying aura, and they were all terrified, and they couldn't help sweating for Yue Feng.

"Pluto's strength is too strong, I'm afraid Yue Feng can't stop it."

"Yue Feng, be careful!"

At this moment, everyone believed that Yue Feng had no chance of surviving.

After all, the power disparity between the two sides is too great.

Under the exclamation, the eight saintess were about to come to help, but before the fierce battle with Hades, they were all injured, and it was too late.

Nima!

Looking at the Chain of Underworld God swept over, Yue Feng clenched his fists tightly, and at the same time he was shocked, but also a little desperate!

How to do? The strength of this Hades is too terrifying, and even bloody battles can't hurt him, so it is estimated that Bailian's cold fire is useless.

correct!

At this critical moment, Yue Feng suddenly remembered something, his eyes flashed, he quickly opened the spirit beast bag, and shouted at the same time: "Bingyao, come and help me!

" Then a slim figure appeared in front of everyone.

It was Bingyao, the Empress of the Underworld.

Whoa!

At this moment, the eyes of everyone below were focused on Bing Yao, especially some men from Su Shengfei, their eyes were straight.

beautiful!

So beautiful.

The charming figure and delicate face, even standing with the eight saintess, are not inferior, especially the cold and arrogant temperament on the body, which is simply unforgettable.

"Bing Yao?"

At the same time, Pluto was also shocked, watching Bing Yao, speechless.

She was trapped in the Ten Thousand Demon Pagoda by herself, and it was impossible to come out. If the Ten Thousand Demon Pagoda was destroyed, she would also perish along with her. How could she come out alive?

Thinking to himself, Pluto gave Yue Feng a cold look, yes, he brought Bing Yao out.

Although Pluto and Bingyao are nominally husband and wife, they are completely incompatible because of their different ideas.

Swish!

At the same time, Bing Yao's eyes were like ice, and she locked onto Hades tightly. Under her anger, her delicate body kept shaking.

For five hundred years, Hades trapped himself in the Ten Thousand Demon Pagoda for five hundred years. This account must be calculated carefully.

The more Bing Yao thought about it, the more angry she became. She was too lazy to talk nonsense. She raised her jade hand and saw the surrounding chaotic sky. Snowflakes suddenly floated. Then, a huge ice sword condensed and stabbed directly at Hades.

Seeing the ice sword flying, Hades didn't dare to neglect, he threw up the Chain of Hades to resist.

boom!

The ice sword and the Chain of Underworld God collided, and I saw Hades' face changed, and he was shaken back several steps!

Ha ha!

Seeing this scene, Yue Feng was both shocked and happy.

Fortunately, I brought Bing Yao out, otherwise, I really couldn't fight Hades.

This...

At the same time, the surrounding Meihui and Long Qianyu also looked at Bing Yao and were shocked.

The strength of this woman is so strong that she can actually knock Pluto back.

Chapter 3050

"Bing Yao!"

At this time, Yue Feng was excited, and couldn't help but remind Bing Yao, "Be careful!"

Although Bing Yao's strength is not weak, the other party is Hades after all.

More importantly, this is the inner space of Hades Cauldron, and the situation is still under the control of Hades.

"Master, you don't have to worry about me, I want to settle the old account with Hades." Bing Yaoshen replied softly, not loud, but full of determination!

At the same time, Bing Yao's eyes were always fixed on Hades.

Whoa!

Hearing this, whether it was Long Qianyu or the others, they were all stunned, looking at Yue Feng one by one, their eyes full of incredulity.

This powerful and mysterious woman actually called Yue Feng the master?

At the same time, Pluto was also stunned, and said to Bing Yao in surprise: "You recognize this kid as the master? Have you forgotten your identity!

"His wife now recognizes a boy from the Kyushu mainland as the master. When this news spreads, what is his majesty?

"Who I think is the master has nothing to do with you!" Bing Yao responded coldly.

Saying that, Bing Yao couldn't hide the hatred in her eyes: "You still have the face to mention your identity to me. When you raided me and trapped me here for five hundred years, it was Yue Feng who helped me get out. An eye-catching mortal is a thousand times better than you."

"Don't talk nonsense, let's see the trick!!"

Om!

When the last word fell, Bing Yao let out a soft drink, and the cold air filled her body, coming directly to Pluto.

"good very good!"

Looking at Bing Yao who was rushing towards him, Pluto's face was gloomy and he said coldly, "If that's the case, then there's nothing to say." After the words

fell, Pluto clenched the Chain of the Underworld God and fought fiercely with Bing Yao.

For a time, the figures of the two were constantly in midair, shuttle back and forth, and the violent vibration caused the air to be extremely distorted, as if the end of the world, the scene was indescribably shocking.

Huh..

This scene made everyone stunned. You must know that this level of battle can be said to be rare in a thousand years, and many people are stupid!

Yue Feng was also shocked to see it. At the same time, he stepped aside and meditated cross-legged to regain his strength.

Just now in the fight with Hades, Yue Feng consumed a lot of internal energy and was injured by shocks, so he needs to recover quickly.

At this moment, a few hundred meters away, there is a figure watching the situation here from a distance.

He was dressed in a gray long gown, elegant and handsome, but his eyes flashed cunningly.

It was Duan Yu.

Like the masters of various sects, Duan Yu kept looking for a way out after being sucked into the Pluto Cauldron. Just now, when he felt the movement of the fight, Duan Yu immediately came to check, and it turned out that Yue Feng and the others were fighting with Pluto. fierce battle.

Duan Yu was insidious and cunning, so naturally he would not be kind enough to help.

He thought about it, first look at the situation, and then make plans.

This side of the battlefield.

Under the fierce battle, Pluto's face was cold, but his heart was secretly anxious.

Before dealing with the eight saintess and Yue Feng, Hades consumed a lot of strength, and now facing the angry Bing Yao, he gradually became powerless.

hula....

Just when Hades was secretly irritable, I heard footsteps not far away, and then, I saw hundreds of figures rushing here.

These hundreds of figures are also the masters of the sect trapped here, led by the white horse.

Like Duan Yu's situation, after the white horses gathered, they kept looking for a way to get out. Later, when they heard the movement here, they came over to take a look.

call!

When they got to the front, when they saw the scene in front of them, everyone on the white horse was stunned.

In mid-air, between the dark mist and the snowflakes, the two figures shuttled back and forth, fighting endlessly, and the aura that erupted was extremely terrifying.

Such a strong breath, who is this man and woman fighting?

At this time, the white horse people did not know the situation, and they did not know that they were fighting fiercely. It was the king of the ghost world, the king of the underworld, and the queen of the underworld, Bingyao.

call!
