

The ultimate husband in Chinese chapter 3051-3060

Chapter 3051

Seeing the white horse crowd coming, Hades frowned secretly, and felt a little anxious.

With so many people here again, the situation is getting more and more out of control.

hum!

At this moment, seeing Hades distracted, Bing Yao didn't have time to think, she raised her jade hand, and the surrounding snowflakes quickly condensed into a huge ice ball, which slammed into Hades.

In an instant, wherever the hockey puck passed, the air seemed to freeze.

Seeing this scene, everyone below is very excited!

Um?

Pluto was also taken aback when he saw the ice hockey puck hit, and hurriedly waved the Chain of Underworld God to resist.

“Boom!...” The

ice ball smashed on the Chain of the Underworld God, and a terrifying vibration broke out. Just listening to Hades groaning, the figure was directly shaken and flew out! Before dealing with the eight saintess, Pluto consumed a lot of power, but at this time, facing Bing Yao's strongest blow, he naturally couldn't stop it.

At this time, Pluto's face was extremely ugly. He knew that he could not be in love, but the eight saintess must be taken away.

Thinking to himself, the eyes of Hades flickered fiercely, and he clenched the chain of the God of Underworld, and threw it towards Bing Yao.

hum!

This whip contained the terrifying power of Hades, and the power was so terrifying that Bing Yao did not dare to take it hard, and floated back.

Taking this opportunity, Pluto threw out the Chain of Underworld God again, tied the eight saintess at once, and then flew into the distance.

This chapter is provided by . Visit for daily update.

In a blink of an eye, he had disappeared from everyone's sight.

"Damn!"

Seeing Hades kidnap the Nine Heavens Saintess, Bing Yao's beautiful face was very unwilling.

At the same time, everyone below was also very angry.

Especially Yue Feng, when he was anxious, he would urge his figure to pursue him. Hades is ambitious and ruthless, and if the Nine Heavens Saintess falls into his hands, it will be more fortunate than for luck.

hum!

However, at this moment, a vibration was heard, the ground shook violently, and at the same time, black clouds were rolling in the sky.

Feeling this shock, everyone has a bad premonition.

"Yue Feng!"

Bing Yao bit her lip and shouted at Yue Feng, "Stop chasing, this place is about to collapse, let everyone gather together and deploy the teleportation array to leave!"

Others don't know the situation, but Bing Yao Yao knows very well that Yue Feng relied on the Chaos Yangzhu to rush out of the Ten Thousand Demon Pagoda, causing the Ten Thousand Demon Pagoda to collapse. The Ten Thousand Demon Pagoda is the center of the entire Pluto Ding. Once it collapses, the entire space will collapse and disappear.

"Quick!"

Hearing this, Yue Feng didn't have time to think about it, and hurriedly shouted at the surrounding: "Get together and deploy the teleportation array."

Hula!

In an instant, Long Qianyu, Meihui, and the others gathered together.

At this moment, Duan Yu, who was not far away, frowned secretly.

Whoosh!

The next second, Duan Yu looked at the direction that Hades was leaving, urged the figure, and chased after him directly.

Duan Yu knew that it was impossible for him to leave with Yue Feng and others with his current identity, so he might as well follow Pluto quietly. After all, Pluto is familiar with this place and must have a way to leave.

Soon, near a cave, Duan Yu discovered the whereabouts of Hades.

I saw Hades lead the eight saintesses directly into the cave, and then a beam of light came out from inside.

Um?

Duan Yu couldn't help being curious, and quietly approached the cave. Seeing the situation inside, he was stunned.

As you can see inside the cave, there is a teleportation formation. Just now, Hades left the teleportation formation with the eight saintesses.

Haha...

Duan Yu was very excited when he saw the teleportation formation.

No wonder this space is about to collapse, Pluto is not panic, it turns out that there is a teleportation array here.

Thinking to himself, Duan Yu quickly entered the teleportation formation, and a ray of light immediately enveloped him. After a few seconds, Duan Yu was teleported away.

Chapter 3052 I

don't know how long it took, Duan Yu finally stepped on the ground.

Huh..

Feeling his feet, stepping on the ground, Duan Yu breathed a sigh of relief.

The next second, Duan Yu looked around, and he was stunned.

Duan Yu saw that he was in a black hall, surrounded by yin, which made people shudder. It was obviously a ghost world, and this hall was obviously the place where Hades rested!

It turned out that the teleportation array was connected to the ghost world!

While muttering in his heart, Duan Yu's eyes fell on the secret passage behind. This secret passage was very deep and deep, lit by green lanterns, extending all the way. I don't know where it leads?

There is also a secret way, could it be that the King of Pluto is in it?

Thinking to himself, Duan Yu took a deep breath and walked in quietly.

To be honest, Duan Yu was very nervous when he entered the resting place of Hades, but he couldn't help it. He's all here, just go in and have a look!

After walking for a few minutes, finally, Duan Yu came to the end!

call!

Seeing the scene in front of him, Duan Yu was shocked and extremely shocked.

I saw that at the end of the secret passage, there was an incomparably huge secret room. The walls on both sides were engraved with dense runes, and in the center, there was an altar.

In front of the altar, the eight saintess were tied there, and the Pluto on the side was muttering words, as if performing some kind of ceremony.

Gudong!

Seeing this scene, even though Duan Yu was prepared, he couldn't help swallowing his saliva. His eyes were drawn tightly by the eight saintess, and he was stunned.

I have to say that these eight saintess are really beautiful. They are tied together at this time, and they are all different. Even if they are incomparable at the moment, their charming curves and delicate faces will make any man crazy when they see it.

With emotion in his heart, Duan Yu did not forget the situation at this time, and carefully hid in the dark, watching quietly.

At this time, this side of the altar.

Pluto was full of pride, and looked at the eight saintess. Although he was injured by Bing Yao just now, as long as he integrates the power of Nascent Soul of the eight saints, he can recover quickly. Not only that, but with their power of Nascent Soul, he can enter Kyushu without any worries.

At this time, Pluto did not notice at all, and Duan Yu sneaked in quietly.

Pluto's gaze made the eight saintess feel ashamed and angry.

"Pluto!"

At this moment, Zi Yan couldn't help shouting: "You better let us go, otherwise, God Domain will not let you go!"

At the same time, Huanxiang and Yuling's other saintess, They also shouted angrily.

"If you violate the way of heaven, you will be punished."

"Let us go!"

Hearing the coquettish shouts of the eight saintess, Hades was not angry at all, but became more and more complacent.

"Let you go?" Hades raised his mouth and said with a sneer: "In order to catch you, I have spent a lot of effort, do you think I will let you go? Also, as long as you combine the power of your Nascent Soul, I will be able to come to Kyushu, and at that time, Kyushu and the ghost world will be ruled by me, and the realm of the gods will not be able to do anything to me."

Hu....

Hearing this, the eight saintess were all terrified and a little panicked in their hearts. .

Because Pluto was right, the power of Nascent Soul in his body contains supreme spiritual energy. As long as Pluto integrates, he can be free from the rules of heaven and earth.

At this time, Pluto lit a circle of lanterns around the altar, and saw the yin energy in the entire secret room gathering crazily toward the altar.

Immediately, Pluto looked at the eight saintesses, and finally his eyes fell on Zi Yan: "Everything is ready, let's start with you!" After the

voice fell, Pluto slowly raised his hand and placed it on top of Zi Yan's head.

hum!

At this moment, Zi Yan's delicate body trembled, and the power of Nascent Soul leaked wildly and was absorbed by Hades.

"You let me go, let me go..."

Chapter 3053

At this time, Zi Yan was frightened and panicked again.

Without the power of Nascent Soul, he would no longer be the Nine Heavens Saintess, and more importantly, he could not let Hades' conspiracy succeed.

“Stop!”

“Hurry up...”

Huanxiang and the other saintess also kept drinking, trying to break free, but they were tied up by the five flowers and couldn't move.

However, the more they reprimanded, the more proud Pluto became.

hum!

With the swallowing of Hades, Zi Yan's whole body slowly flashed a halo, followed by a young figure, which slowly condensed.

It is Zi Yan's Nascent Soul.

“Haha, don't worry, when I devour her, it will be your turn!” Pluto's face was grim, and he sneered wildly. As soon as Nascent Soul appeared, it meant that his swallowing was about to succeed.

“Pluto, you won't have a good end...”

At this time, Zi Yan clearly felt that her Nascent Soul power was rapidly weakening, and her beautiful face was filled with grief and despair.

At the same time, Huanxiang several, under the jealousy and anger, tears could not stop flowing, and they were all very unwilling.

hum!

However, just when Pluto completely devoured, suddenly, a powerful breath came from behind him, and then, a figure, fast lightning, rushed from behind and slapped Pluto with a palm!

It was Duan Yu!

To be honest, if it was before, Duan Yu would never have dared to raid Hades, but at this time he clearly felt that Hades swallowed Zi Yan's power of Nascent Soul, completely defenseless, how could Duan Yu miss such a good opportunity? !

hum!

Rushing to the front, a powerful breath burst out from Duan Yu. .

“Who?!”

Pluto was taken aback when he felt the movement behind him, and when he turned back to see Duan Yu, he was so shocked and angry that he shouted coldly.

Duan Yu seized Yue Chen’s soul. At this time, he was completely Yue Chen’s appearance, and Hades couldn’t recognize it.

This person is so bold, he dares to break into his own cultivation altar.

It’s him!

At the same time, seeing Duan Yu, the eight saintesses of Zi Yan were also shocked, shocked and resentful.

At the conference of the Nanyun Royal Family and the Prayer Altar, Yue Chen and King Guangping fought against each other, showing the power of Nascent Soul. At that time, the eight saintess recognized it at once, and this talent was the real murderer of Lan Xin.

Seeing him appear here at this time, the eight saintess were also furious.

Duan Yu didn’t pay any attention to the glares of the eight saints, and his eyes were fixed on Hades.

“Your Majesty Pluto!” The corner of Duan Yu’s mouth rose slightly, unable to hide his excitement and madness: “How about eight saintess, have you tolerated it? Why don’t you divide me into two!” As

he spoke, Duan Yu burst out with all his strength, Shot out.

“Looking for death!”

Hades was furious and wanted to fight back, but this was the critical moment of devouring, and it was too late.

boom!

This palm slammed into Pluto, and a dull vibration was heard. Pluto trembled and was knocked back ten steps.

Speaking of which, Duan Yu is a mortal, and it is very difficult to hurt Pluto, but he has the power of Nascent Soul of Saint Lady Lanxin in his body, plus the critical period when Pluto is swallowing, it is when he is the weakest, and he is suddenly killed by Duan. Feather took advantage.

“You...”

Pluto stabilized his figure, his face was extremely gloomy, and he looked at Duan Yu in astonishment: “Why do you also have the power of Nascent Soul?”

At this time, Pluto was both shocked and puzzled.

He clearly felt that Duan Yu’s palm contained the pure power of Nascent Soul, otherwise, it would be impossible to hurt himself.

Chapter 3054

Call!

Seeing this scene, Zi Yan’s eight saintess all bit their lips, and their faces were extremely complicated.

Duan Yu attacked Hades and saved them indirectly, but none of them were happy. After all, the power in Duan Yu’s body was Lan Xin’s power of Nascent Soul.

“Haha!”

Duan Yu felt very proud of Pluto’s anger, and said with a smile: “Your Majesty Pluto, it is true that the original owner of this body once obtained the power of Nascent Soul of a Nine Heavens Saintess, but only in the end, it was cheap for me, hehe...”

With that, Duan Yu’s eyes flickered with coldness, and he continued: “I forgot to tell you, I am Duan Yu, the one who was imprisoned in purgatory by you three years ago!”

Shuh!

Hearing this, Pluto’s face changed: “Good boy, it’s you... You actually escaped from purgatory...”

In response, Pluto was so angry that he was about to swear angrily, but he just scolded a few words. Suddenly his body trembled, and at the same time his face suddenly turned blue and white.

The power of Nascent Soul that devoured Zi Yan just now was interrupted by Duan Yu at a critical moment. At this time, Pluto could no longer control the power in his body.

“I’m going to kill you... ah...”

Hades howled wildly, he wanted to kill Duan Yu immediately, but his power was completely violent and completely out of his control.

Buzz...

Under the madness of the power, the entire secret room was shaking violently, and the power escaping from the Hades formed a terrifying storm, which was very amazing.

boom!

Finally, Hades roared in the sky, and the figure fell to the ground with a bang, and at the same time, a violent force collapsed from his body.

At this moment, Duan Yu didn't have time to think about it, he immediately walked over, sat cross-legged, and began to integrate the power of Hades' disintegration.

Buzz...

Under the fusion, Duan Yu only felt a pure power, full of whole body, and his strength continued to rise...

Seriously, if it were normal, Duan Yu would never absorb the power of Hades, but He has the power of Nascent Soul in his body, and there is no obstacle in the fusion.

After half an hour, Duan Yu completely completed the fusion, and saw that the body of Hades became illusory, and finally disappeared.

As the master of the ghost world, Pluto has no real body, but a spiritual body. After all the power is swallowed and merged by Duan Yu, the spiritual body will dissipate.

"Haha!"

At this moment, feeling the strong power in his body, Yue Chen couldn't help laughing up to the sky, his eyes flashed with evil light, and his whole person looked extremely evil.

Huh...

Seeing this scene, the eight saintess Zi Yan next to them all trembled faintly and were shocked.

He...he actually merged the power of Hades.

Whoa!

At this moment, there was a sound of footsteps coming from the secret passage outside, and soon, Gong Hao and Zhong Wuchen, several messengers of the Hades, and a large number of soldiers rushed in.

Pluto was completely violent just now, and the power caused violent vibrations. Feeling the movement, these Pluto messengers brought the Pluto soldiers over to check.

Swish!

Entering the secret room and seeing the scene in front of him, whether it was Gong Hao and Zhong Wuchen, the messengers of the underworld king, or the underworld soldiers, they were all stunned!

I saw that the eight saintess were tied to the altar, and next to him, Duan Yu stood proudly, and his body was filled with amazing aura.

“Who? Dare to trespass into the ghost world?”

Finally, Zhong Wuchen reacted, staring at Duan Yu and yelling angrily!

“What about the ghost world?” Duan Yu raised the corner of his mouth, showing a sneer, and said lightly: “I don’t even pay attention to Hades.”

What a crazy boy!

Hearing this, Zhong Wuchen and Gong Hao were both shocked and furious.

They didn’t know yet that Duan Yu had absorbed the power of Pluto, and Pluto no longer existed.

The next second, Zhong Wuchen took a step forward and shouted angrily: “Dare to disrespect His Majesty Pluto, courting death!”

Om!

The voice fell, and a powerful yin and evil aura erupted from Zhong Wuchen’s body. He clenched a long black knife and stabbed straight at Duan Yu. In an instant, wherever the long knife passed, the air in the entire secret room was distorted. .

Seeing Zhong Wuchen burst out, Duan Yu looked contemptuous.

“It’s not certain who is courting death!”

The ultimate husband in Chinese chapter 3056-3060

Chapter 3055

Duan Yu spoke coldly, a terrifying aura erupted, and in an instant, the entire secret room was filled with an aura of death.

Hiss...

such a strong breath!

At this moment, whether it was Zhong Wuchen or Gong Hao, they were all taken aback.

This person in front of him actually possesses such a terrifying power of death. Moreover, this power of death is exactly the same as that of Hades...

How could this be?

At this time, everyone did not know that what Duan Yu burst out was the power of Hades.

“Om!”

Duan Yu didn't talk nonsense, slowly raised his right hand, a palm shadow condensed, Zhong Wuchen didn't have time to react, and was directly shot by the palm shadow.

“Ah...”

Zhong Wuchen let out a scream, and his whole body was shaken and flew out. When he landed, his whole body shrank rapidly and turned into a skin and bones. The power of Yin Sha was all swallowed by Duan Yu.

Hiss...

Seeing this scene, Gong Hao and the other Hades messengers, as well as the surrounding Hades soldiers, couldn't help gasping for air and were terrified.

The strength of this person.. is too terrifying!

quiet!

This chapter is provided by . Visit [for](#) daily update.

For a moment, the entire secret room was silent.

At the same time, the eight saintess were also extremely shocked, staring blankly at Duan Yu, speechless one by one.

This person is so ruthless, a messenger of Hades, kill if he says kill.

“you...”

At this moment, Duan Yu walked slowly to the altar, his eyes swept across Gong Hao's people, and said indifferently: "Have you seen the new Hades, why don't you kneel?"
The

voice was not loud, but the majesty and domineering that could not be said. The crowd was almost breathless.

Pfft!

The next second, Gong Hao took a deep breath and walked out first. He knelt in front of Duan Yu and shouted respectfully, "My subordinate

sees His Majesty Pluto." Gong Hao is not stupid. , devoured the power of Hades. If you don't give in to yourself, you're going to find your own way.

"See Your Majesty Pluto."

In an instant, the entire secret room knelt down, and the other Pluto messengers and Pluto soldiers shouted in unison, all of them being extremely respectful, not daring to have the slightest dissatisfaction.

Killing Zhong Wuchen in one move, his strength is even more terrifying than the previous Hades, who dares to be presumptuous?

Um!

Duan Yu nodded with satisfaction, and said with a smile, "Get up!" After the words fell, everyone in Gong Hao got up one after another.

"Your Majesty."

At this time, Gong Hao took a step forward and said cautiously: "King Guangping and Jade are conquering the continent of Kyushu, do you want to call them back?"

Originally, King Guangping and Jade were the puppets of Hades, but at this time , Duan Yu absorbed the power of Pluto and became the new master of King Guangping and Jed.

"No need!" Duan Yu showed a smile: "Let them act according to the original plan, and tell them that they have made military exploits and will be rewarded!"

"Yes, Your Majesty!" Gong Hao nodded quickly, and then looked at the altar tied to the altar. The eight saints above: "Then... how about them?"

Phew!

Duan Yu took a deep breath, pondered for a moment, and said slowly: "Lock it up for now!"

Because the Pluto is an imaginary body, he must absorb the power of the Nascent Soul of the Nine Heavens Saintess in order to transcend the rules and go to the Kyushu Continent. Duan Yu is different. He has Yue Chen's body and can travel between the ghost world and Kyushu freely.

Under such circumstances, Duan Yu was naturally in no hurry to devour the power of the Nascent Soul of the eight saintess.

As soon as the words fell, Gong Hao hurriedly called in a few underworld soldiers to take the eight saintess out of the secret room and locked them in purgatory.

Done!

In an instant, the eight saintess looked desperate.

This person is ruthless and has become a new Pluto. I am afraid that the fate of his sister will be even worse.

Chapter 3056 On the

other side, inside the Pluto Cauldron.

Buzz....

the vibration is getting more and more powerful, there is chaos between the heaven and the earth, and the violent power is raging everywhere.

Soon, the unique inner space of Hades Cauldron will be completely shattered.

Huh....

Under the instructions of Bing Yao, Yue Feng and everyone gathered together, mobilized their inner strength, and deployed a teleportation formation.

I saw that after the deployment of the teleportation array, a dazzling light enveloped everyone, and then quickly teleported away. Speaking of which, if there was no Bing Yao, Yue Feng and the people from the various sects would likely die as the space collapsed.

I don't know how long it took, accompanied by a dizziness, Yue Feng finally stepped on the ground.

call!

The moment his foot stepped on the ground, Yue Feng looked around and saw that there were not many people from the major sects, and suddenly heaved a sigh of relief.

Then, seeing the surrounding environment, Yue Feng was stunned.

I saw that I and everyone were in a majestic fortress. This fortress was built halfway up the mountain, and the houses were all built of huge stones, which was indescribably majestic.

However, in such a grand fortress, no one was seen.

Not only that, but Yue Feng also saw that the deserted streets were in a mess, as if they had been looted.

I go!

What is this place?

Seeing this scene, Yue Feng couldn't help frowning secretly.

The people around were also frowning in surprise.

"This..." At this moment, Ye Zhixin

next to him said softly: "This seems to be the frontier fortress of Xuanye Continent, Black Cloud City. I visited Jianghu and came here before."

Mo locked: "This is a border traffic fortress, and there are heavy troops stationed, how can there be no one?"

Hearing this, Yue Feng couldn't help frowning: "Could it be that a major change has occurred?"

At this time, Yue Feng, There are some bad premonitions. The eight saintess were kidnapped by Hades, and they were a little anxious. However, these people managed to escape the collapse inside Hades Cauldron, but were sent to the empty Black Cloud City.

This is not a good sign.

At this time, the masters of the various sects searched around, but found no one.

This is an empty city.

"Let's go out and see!" Someone shouted.

Yue Feng nodded, looked around and said: "This matter is too strange, let's go out of the city together, don't spread out." With that, Yue Feng took the first step and walked out of the city.

Long Qianyu looked at each other and slowly followed.

What the hell!

As soon as he walked out of the city and saw the valley below, Yue Feng was shocked, and the whole person was stunned.

I saw that in the valley below, an army of several hundred thousand lined up neatly, forming a siege situation. These hundreds of thousands of troops, wearing uniform black armor, were far apart. Feel the chill in them!

In the mid-air in front of this army, there was a proud figure suspended in the air, wearing a golden dragon robe.

It was King Guangping.

A day ago, King Guangping was ordered by Hades to launch wars against other continents, and soon occupied the Diyuan Continent, and then led a large army to continue the expedition against the Xicang Continent, and today they hit Heiyun City.

Speaking of it, the military strength of Tianqi Continent is not the strongest in Kyushu, but since the war between Kyushu and the Rakshasa clan ended three years ago, King Guangping has strengthened his military strength, often training his army, making the weather army more powerful. The army has been greatly increased.

More importantly, after King Guangping started to be a puppet of Pluto, he practiced evil arts, his strength increased greatly, and he led an army to conquer the Quartet, which was almost invincible.

Chapter 3057

Wow!

At this moment, everyone in Long Qianyu also saw this scene, and they were all stunned, especially when they felt the evil aura on King Guangping, they were all secretly surprised, and at the same time, anger flashed in their eyes.

In the previous prayer altar in the Nanyun Imperial City, King Guangping used the Hades Cauldron, and everyone was trapped in the inner space of the Hades Cauldron. When they saw him again, they couldn't hide their anger.

call!

At this moment, Yue Feng reacted, tilted his head and glanced at the depths of the valley, and suddenly frowned secretly.

I saw that the defenders of Black Cloud City were all trapped inside, and there were more than a hundred thousand people. Many people were injured and they were very embarrassed.

Obviously, King Guangping led a large army to attack Heiyun City and launched a surprise attack. The defenders of Heiyun City rushed to meet the enemy, lost and retreated, and were finally trapped in this valley.

The general of the garrison of Black Cloud City, called Zheng Hong, was dressed in white armor, but at this time, the armor was covered in blood, and there were injuries everywhere, and the whole person was indescribably embarrassed and weak.

“Zheng Hong!”

At this time, King Guangping, who was suspended in mid-air, shouted at Zheng Hong with a look of contempt: “Competing with me is undoubtedly a man’s arm, I think you are also a man, surrender to me immediately, and I will Spare the lives of you and your subordinates.”

When he said this, King Guangping’s tone was cold and unquestionable.

The entire Black Cloud City has been destroyed, and Zheng Hong, the remnant and defeated generals in front of him, are not worried at all.

Because of the complex environment, the road from Black Cloud City to the valley is full of rocks, so King Guangping has not found Yue Feng and others.

call!

Hearing this, Zheng Hong clenched the silver spear in his hand, with a resolute expression on his face, and responded to King Guangping: “You have rashly started a war and acted as an unjust teacher. If I surrender, I will help Zhou and abuse.” After

speaking, Zheng Hong Turning around and looking around, he shouted : “Soldier, even if you die today, you must not forget your responsibilities. You won’t surrender in a

deadly battle!”

, the sound shook the sky.

call!

Seeing this scene, Yue Feng felt agitated, watching Zheng Hong secretly nod in admiration.

In the face of such a desperate situation, he can still be so calm, this Zheng Hong is not very powerful, but he is also a man of the sky, which is rare.

At the same time, Long Qianyu and the others behind them were also shocked by the scene in front of them, and their hearts were agitated.

“Don’t surrender?!”

Hearing this response, King Guangping’s face became gloomy, he raised his hand, and said coldly: “Attack immediately, defeat the remnants in front of you, kill a single piece of armor, and strengthen my army! “

Kill!” The

voice fell, and the hundreds of thousands of Tianqi army below, let out a howl that shocked the world, pulled out their weapons and rushed towards Zheng Hong.

Looking at the enemy rushing up, Zheng Hong had a solemn expression on his face, gritted his teeth and roared: “Brothers of Heiyun City, swear to guard Heiyun City, never back down, kill!” “

Kill!”

“Swear to defend Heiyun City!”

Falling down, the hundreds of thousands of Black Cloud City defenders behind them, howling like crazy, rushed up to meet them!

In the blink of an eye, the two sides collided head-on in the valley, and a tragic fight broke out!

“Ah!”

For a while, the screams and roars continued to sound, and the blood continued to splash, dyeing the entire valley red.

Seeing this scene, everyone in Long Qianyu couldn’t help it, their blood boiled.

“Go up and help!”

“That’s right, it’s not too late, the defenders of Black Cloud City are too late. The whole army will be destroyed!

Chapter 3058

“Wait a minute!”

However, at this moment, Yue Feng walked out quickly and stopped everyone.

Swish!

In an instant, everyone stopped and stared at Yue Feng with puzzled eyes.

“Yue Feng!”

Long Qianyu was the first to react, and his eyebrows knitted together, “The battle is urgent, it will be too late, so what are you waiting for?” After the

voice fell, Su Shengfei couldn't help but shouted: “Yue Feng, you What do you want to do again? Black Cloud City is at stake, do you want to wash your hands and watch?”

Su Shengfei had been unconvinced of losing face several times in front of Yue Feng before.

idiot!

Yue Feng didn't bother to pay attention to Su Shengfei, but looked around and said lightly: “Like everyone, I am also anxious, but we can't just rush past.”

“King Guangping has hundreds of thousands of troops, and we only have tens of thousands. People, fighting head-on, the odds of winning are very low. Even if there are surprises, there will be a lot of casualties.”

“So I think we have to come up with a strategy.”

Strategy?

Hearing this, everyone present exploded.

“After talking for a long time, you want to command.”

“Yue Feng, are you so interesting?”

Everyone started talking, and many people expressed their dissatisfaction. Black Cloud City is at stake, yet Yue Feng is still thinking

of playing this game... During the discussion, Su Shengfei and Bai Ma screamed the loudest.

They were all very dissatisfied with Yue Feng, and naturally wanted to do everything possible to oppose him.

What the hell!

Listening to everyone's discussion, Yue Feng was dumbfounded.

I did this to reduce everyone's casualties. You must know that the masters of the various sects added together, but there are only tens of thousands of people. How can they repel the hundreds of thousands of King Guangping's army? But in their eyes, it is ridiculous to think that they are grandstanding.

"Okay!"

At this moment, Long Qianyu came out, looked around and said, "Don't say it, everyone, I think Yue Feng is right, we really need to figure out a strategy." After speaking

, Long Qian said He looked at Yue Feng in a complicated manner: "What do you say?"

Seeing Long Qianyu say this, everyone shut up. After all, Long Qianyu is the eldest princess of the Southern Cloud Continent, and she is very prestigious, so she opened her mouth. Well, people can't say anything.

However, Su Shengfei and Bai Ma still had dissatisfaction in their eyes.

call!

Yue Feng took a deep breath, looked at the battle situation in the valley below, and said slowly: "Let's divide into four routes, Long Qianyu leads the way, attacking from the west, Su Shengfei, you lead the way to attack from the east, White Horse leads the way to attack the north, I Lead the way and attract the attention of King Guangping from the front." After

speaking, Yue Feng looked solemn: "Everyone remember, don't fight, and don't chase after the enemy."

"Understood!"

Everyone responded and quickly divided into four groups. Rush down the hill quickly.

At this time, the fierce battle in the valley was still continuing, and it was seen that Zheng Hong and others were struggling to support. In just a few minutes, tens of thousands of casualties had been killed, and they were already on the verge of desperation.

“Kill!”

At this moment, I heard a scream of killing from all around, Yue Feng, Long Qianyu and others, quickly killed.

Whoa!

Seeing this scene, Zheng Hong and the soldiers of Black Cloud City were overjoyed.

“Are you here for reinforcements?”

“It’s from the major sects, that’s great!”

At this moment, King Guangping was also taken aback, especially when he saw Yue Feng, Long Qianyu and others, he was even more shocked.

what happened?

Aren’t these people trapped in Hades Cauldron? How can it appear here?

At this time, King Guangping still didn’t know that the interior space of the Pluto Cauldron had collapsed, and the deity of Pluto had also been swallowed up by the white horse and replaced it.

Chapter 3059

Hula.

At this moment, Yue Feng, Long Qianyu, and the others rushed into the battlefield in four directions. In an instant, the weather army, which was still dominant, suddenly became confused, and the formation of the army was chaotic.

“Haha...”

Seeing this scene, Zheng Hong was excited and shouted: “Soldier, it’s time to counterattack!” When the

voice fell, he led his subordinates and launched a counterattack.

In an instant, the weather army was surrounded by enemies on all sides, and many soldiers were too late to react and fell in a pool of blood.

Madd?

Watching his subordinates and soldiers keep falling down, King Guangping looked extremely embarrassed, and at the same time, a pair of eyes locked on Yue Feng.

“King Guangping!”

Feeling the anger of King Guangping, Yue Feng did not panic at all, his figure was suspended in the air, and he chuckled: “Did you not expect it? Tell you, we have a million troops coming soon. Today, Neither you nor your subordinates can leave.”

When he said this, Yue Feng’s face was indifferent, but his heart was full of confusion.

Yes, Yue Feng deliberately frightened King Guangping. He and the major sects had just escaped from the Ding of Hades. How could there be an army of millions? That being said, I just want to scare King Guangping back.

An army of millions?

Hearing this, King Guangping’s face instantly became solemn.

If this is the case, in today’s battle, I will definitely lose.

At the same time, the surrounding Apocalypse soldiers were also inexplicably frightened, and they all lost the confidence to fight.

“His Majesty!”

At this moment, a general said to King Guangping: “Why don’t you.... retreat first!”

King Guangping’s face was extremely gloomy, and he was very unwilling. As long as he captured Black Cloud City, his army would be able to drive straight in. , swept the entire Xi Cang Continent, and withdrawing at this critical moment, isn’t it a failure?

It’s just that there are millions of troops coming behind Yue Feng, and if they don’t leave, I’m afraid it will be too late.

Thinking to himself, King Guangping raised his hand and was about to order the withdrawal of the army.

“Haha...”

However, at this moment, I saw a figure rising into the sky from the north of the battlefield, filled with a powerful fighting spirit, and his eyes flashed with excitement.

It is the white horse!

Swish!

In an instant, everyone’s eyes on the battlefield converged on the white horse, and they were all shocked.

Especially King Guangping, his eyes were extremely hot.

Open the axe? This peerless divine weapon is actually in his hands.

“The opponent’s formation has been messed up, everyone kills!” At this time, the white horse looked crazy, like a god of war, waving the opening axe and rushing into the Apocalypse army.

According to Yue Feng’s plan, Bai Ma should not make another move, just let King Guangping withdraw, but in Bai Ma’s eyes, how could he miss such an opportunity to make a name for himself?

“Ah...”

Under the swing of the Kaitian axe, golden light radiated in all directions, and many Apocalypse soldiers were immediately killed.

What the hell!

Seeing this scene, Yue Feng frowned, secretly anxious.

What is this white horse doing? Why not go according to plan?

Seeing that many soldiers and soldiers died at the hands of white horses, King Guangping’s face was extremely ugly.

In the next second, King Guangping took a deep breath, stared closely at the white horse in mid-air, raised his hand and waved: “Take this person to me and take the Kaitian Axe!

” Yue Feng has an army of millions, so he is not afraid anymore.

Swish swish...

The voice fell, and thousands of soldiers rose into the air one after another, rushing towards the white horse!

Looking at the Apocalypse soldiers who rushed up, the white horse was full of fighting spirit, and laughed loudly: “Haha, good time!” The voice fell, and he swung out with an axe!

“Om!” In the

next second, a touch of golden light seemed to tear the world apart and swept away toward thousands of apocalyptic soldiers!

Chapter 3060

“Pfft... ah!” In the

blink of an eye, thousands of apocalyptic soldiers were swept away by Jin Mang, screaming constantly, fell from the air, and fell into a pool of blood.

“Take him down, don’t dare to pay any price, but also take this person!”

Seeing that his subordinates continued to die, King Guangping was completely furious and howled wildly.

To be honest, King Guangping originally wanted to withdraw his troops, but seeing the white horse so arrogant, how could he bear to kill his own soldiers under his own eyes?

Whoa!

The voice fell, and the surrounding Apocalypse army broke out with a shrill howl, and they rushed towards the white horse. In the blink of an eye, the white horse was surrounded by circles.

Not only the white horse, but also the other sect masters who attacked the north with the white horse were also besieged.

Nima!

Yue Feng is not good, this white horse is really a bad thing.

Originally, after letting King Guangping withdraw, Black Cloud City was temporarily saved, but he insisted on provoking King Guangping’s anger. Once the battle continued, King Guangping would soon know that he did not have millions of reinforcements, and it would be even more troublesome at that time.

Whoosh!

Anxious, Yue Feng soared into the air and quickly rushed in to join the battle.

Speaking of which, Bai Ma was uneasy about his plans and was trapped at this time, and Yue Feng was too lazy to care about his life or death.

But there are other sect masters who are trapped together with Bai Ma. They can’t be ignored because of Bai Ma’s fault.

“Yue Feng!”

At this moment, King Guangping locked Yue Feng's eyes tightly: "You want to save people? Can you save it?"

As soon as the voice fell, King Guangping stimulated his inner strength, and a terrifying aura erupted, rushing directly towards Yue Feng.

boom!

In the blink of an eye, the two figures collided fiercely, and Yue Feng groaned.

To be honest, fighting alone, Yue Feng is not afraid of King Guangping at all, but before deploying a teleportation formation together with a sect master, it consumed a lot of internal energy.

"Yue Feng..."

"Be careful..."

Seeing this scene, Ye Zhixin, Meihui, Zheng Chunqiu and others who were not far away couldn't help but exclaimed.

At the same time, they wanted to rush over, but there were too many enemies around.

"Haha..."

Seeing that Yue Feng was injured by himself, King Guangping was extremely proud: "Why haven't your millions of reinforcements come yet? Tell you, today I will not only get the Kaitian Axe, but also your item. Head."

Om!

The voice fell, and the figure of King Guangping burst out, like a bolt of lightning, coming straight towards Yue Feng.

At this time, King Guangping didn't know that he was deceived by Yue Feng. He didn't have a million reinforcements at all, but King Guangping also planned. Before Yue Feng's reinforcements arrived, he must capture the Kaitian Axe and kill Yue Feng. .

Nima!

Seeing that King Guangping erupted again, Yue Feng clenched his fists and panicked.

His internal strength has not recovered, and he can't stop King Guangping at all. This is trouble.

hum!

Seeing that King Guangping was in front of him, Yue Feng suddenly thought of something, and hurriedly activated the spirit beast sac, and saw a breath that filled the air, followed by a slender figure that appeared in front of everyone.

Wearing an ice-blue long dress, she looks like a fairy, and her facial features are exquisite and beautiful.

It was Bingyao.

Before Bing Yao and Hades fought, consuming a lot of power, after instructing everyone to deploy the teleportation array, they entered Yue Feng's spiritual beast bag to cultivate.

Whoa!

As soon as Bing Yao appeared, whether it was King Guangping or the weather army below, there was an uproar. Hundreds of thousands of pairs of eyes suddenly converged on Bing Yao, and the eyes were straight.

What a beautiful woman.

Such a cold and arrogant temperament.

call!
