

The ultimate husband in Chinese chapter 3061-3065

Chapter 3061 In

shock, King Guangping reacted quickly, his speed did not decrease at all, and he slapped him fiercely.

No matter what identity this woman is, since she is related to Yue Feng, she must get rid of it.

Feeling the powerful breath of King Guangping, Bingyao did not hesitate at all, and raised her jade hand slightly to meet her.

Bang!

The two palms collided, and King Guangping only felt an overwhelming force coming. At the same time, this force also contained the terrifying power of ice, and he groaned and stepped back.

King Guangping clearly felt that under the attack of this ice power, his whole body seemed to be frozen.

So strong!

Where did Yue Feng recruit his helper?

He hit the strongest slap, and even got hurt by her.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, secretly thankful, fortunately he thought of Bing Yao, otherwise, he really couldn't stop King Guangping.

"Yue Feng!"

At this moment, Bing Yao's red lips lightly opened, and she said to Yue Feng: "If you want me to help in the future, tell me in advance, and don't call me out at every turn." After

saying that, Bing Yao looked at it lightly. He glanced at King Guangping: "Who is this person?"

Uh...

This chapter is provided by . Visit for daily update.

Yue Feng scratched his head and smiled awkwardly: "I won't ask you to help unless it is absolutely necessary."

"Yue Feng pointed at King Guangping: "This person is the emperor of the Apocalypse Continent and the minions of the Pluto."

Pluto's minions? !

Hearing this, Bing Yao's beautiful face instantly became extremely cold, and there was a terrifying chill all over her body.

"Since it's a minion of Hades, don't blame me!" Bing Yao looked up and down at King Guangping, and said coldly.

She and Hades were incompatible with each other, and she was trapped by Hades for five hundred years. At this time, she would not be merciful when encountering people under Hades.

hum!

The voice fell, Bing Yao slowly raised her jade hand, and saw the temperature between heaven and earth plummet, and then, an ice sword condensed and blasted towards King Guangping.

Gudong!

Feeling the terrifying power contained in the ice sword, King Guangping broke out in cold sweat on his forehead, and couldn't help swallowing his saliva!

Such a powerful force, I'm afraid I can't stop it.

Seeing the ice sword in front of him, King Guangping didn't have time to think about it, he quickly activated his inner strength and deployed a protective film in front of him.

Bang!

The ice sword slammed hard on the protective film, and the protective film shattered in an instant. When King Guangping let out a muffled groan, the whole person was shocked and flew out, and flew more than a hundred meters before falling heavily to the ground. .

Before fighting against Yue Feng, King Guangping had already consumed a lot of internal energy, but at this time, he couldn't resist Bing Yao's skills.

After all, Bingyao was once the woman of Hades, the queen of the underworld!

“Your Majesty!”

Seeing this scene, the surrounding Apocalypse soldiers all changed their expressions, exclaimed in surprise, and rushed over to help King Guangping up.

King Guangping’s face was miserable, looking at Bing Yao closely, his heart was even more shocked.

Strong, too strong.

King Guangping clearly felt that the breath in his body was already disturbed after being hit hard by the ice sword just now.

“Evacuate... The whole army is evacuated!” In the

next second, King Guangping gritted his teeth and issued an order, very unwilling, but there was no way, the woman Yue Feng summoned was too strong.

Whoops!

The voice fell, and many soldiers and soldiers quickly evacuated to protect King Guangping.

call!

Seeing this scene, whether it was Yue Feng, Long Qianyu and the others, they all breathed a sigh of relief.

Chapter 3062

“Big Brother!”

“Yue Feng, how are you...”

At this time, Mei Hui, Ye Zhixin and the others hurriedly gathered around them. At the same time, Zheng Hong and many of his subordinates also gathered around.

Without Yue Feng and everyone arriving, Black Cloud City was at stake, so Zheng Hong was very grateful.

“I’m fine!”

Yue Feng showed a smile and shook his head. He glanced around, and was suddenly very sad.

He saw that in the battle just now, the defenders of Black Cloud City died countless times, not only that, the major sects Many people were also seriously injured.

Yue Feng clenched his fist tightly, very angry.

Ma De, this is the white horse. If he hadn't been eager for quick success, he wouldn't have completely angered King Guangping, and he wouldn't have killed so many people.

"Thank you Sect Master Yue for your help!" At this moment, Zheng Hong came over and bowed his hands to Yue Feng, very grateful.

Yue Feng waved his hand, indicating nothing.

Swish!

The next second, Yue Feng's eyes locked on the white horse: "White horse, do you know what's wrong?"

In an instant, the eyes of everyone present were focused on the white horse, each with a complex expression.

In the fierce battle just now, the white horse was indeed brave, but he went against the previous plan and made his own decisions, causing many people to be injured.

Um?

Seeing the situation in front of him, Bai Ma was shocked, then he calmed down forcibly and looked at Yue Feng: "Yue Feng, what do you mean? Why am I wrong?"

Hu!

Yue Fengqi was trembling all over, and said coldly: "Before the action, we agreed, not to fight, just now King Guangping is about to withdraw, why do you still take action?"

"Do you know, just because you didn't listen to the command, How many innocent lives have been killed?" The

last sentence, Yue Feng almost roared out.

Hearing this, Bai Ma's face changed, and he chuckled: "Yue Feng, you don't have to do this, King Guangping launched a war for no reason, and everyone got it and killed him. Enemy, is there something wrong?"

After saying this, he argued with reason.

Words...

At this moment, everyone around couldn't help but talk about it.

"That's not unreasonable."

"Yeah, this White Palace Master did this to kill a few more enemies..." During the discussion, Su Shengfei came out and said to Yue Feng, "Yue Feng, you are not. Put on the air of your sect master that day, as I see it, you just saw the opening of the sky axe in the hands of the white hall master, and you are jealous, so you are deliberately asking for trouble, right?"

Speaking of which, Su Shengfei and Bai Ma have no friendship, but they are also dissatisfied with Yue Feng, Naturally help the white horse to speak.

Nima!

Yue Feng suddenly became angry. This fool, Su Shengfei, knew this earlier. He should not have been saved in the inner space of Hades Ding at that time, and it would have been better to let him be killed by those hell demon dogs.

Thinking to himself, Yue Feng ignored him, but looked at the white horse and said coldly: "Speaking of your identity as the Palace Master of Changsheng, I want to ask you, how did you get the seat of the Palace Master? My elder brother Wen Chou Chou, how did he die?"

When he said this, Yue Feng's eyes were extremely blood red, and his whole body was filled with a strong killing intent.

When he met Wen Chou Chou before, Yue Feng already knew the truth. Back then, in the Wutian organization's main forum, it was Bai Ma who secretly raided Wen Chou Chou, which caused him to fall off the cliff. It can be said that Wen Chou Chou was in such a situation, and Bai Ma was the culprit.

Two days ago, at the prayer altar in the Nanyun Imperial City, when the white horse appeared, Yue Feng couldn't help it, but then the situation was twists and turns, and everyone was absorbed by the Hades Cauldron, so Yue Feng never had the opportunity to question the white horse. , In order to help Black Cloud City, Bai Ma refused to obey the command, and Yue Feng couldn't help it.

This... In

the face of Yue Feng's questioning, Bai Ma's face changed, and he suddenly panicked.

Chapter 3063

At the same time, everyone present also exploded.

“What’s the situation?” “Didn’t

Palace Master Wen be killed by Zhang Jiao?”

“Is there another secret?” The

surrounding discussion came, Bai Ma’s eyes flickered, and he was very uneasy.

Damn, if the truth is exposed, you will become the target of public criticism. You must know that in the arena, the most taboo is betrayal.

But the white horse quickly reacted.

At that time, he raided Wen Chou Chou, and no one saw the scene at all. Even if Yue Feng knew the truth, he couldn’t produce any evidence at all, so he didn’t need to be afraid.

More importantly, Wen Chou Chou is still in his hands.

Thinking of this, Bai Ma gained confidence, looked directly at Yue Feng and sneered: “Yue Feng, what do you mean, make it clear!”

“What do you mean?”

Yue Feng looked at him closely, unable to hide his inner anger: “At that time At the main altar of the Wutian Organization, do not betray the Hall of Longevity, attack Brother Wen, cause him to fall off the cliff, and then take the opportunity to seize the throne of the hall master, right?”

Kacha!

Saying that, Yue Feng held Fang Tianhua halberd tightly: “Today, I will take revenge for Brother Wen, except for you scum!”

“Am I a scum?”

Facing Yue Feng’s anger, Bai Ma shouted without panic at all. : “You keep saying that I’m still brother Wen, do you have any evidence?”

Seriously, if a few months ago, facing Yue Feng, who was burning with rage, Bai Ma would have been absolutely frightened, but now, Bai Ma has an axe. The strength has also improved a lot, which is not false at all.

Moreover, Baima expects that Ding Yuefeng can’t come up with conclusive evidence, so he is naturally confident.

“You...”

Hearing this, Yue Feng was extremely angry, but he was speechless.

Yes, these things were all told by Wen Chou Chou himself, but now, Brother Wen doesn't know where he is, and Yue Feng really can't show evidence.

Seeing that Yue Feng was speechless, Bai Ma became more and more complacent and sneered: “Yue Feng, don't you just want to trouble me? Let me tell you, my white horse walks and sits upright, so I'm not afraid of your slander.

” When the

voice fell, Su Shengfei next to him couldn't help but help: “Palace Master Bai, I support you, some people are just too self-righteous, thinking that they have a little ability, they can point fingers at others and slander at will, in fact, they are indeed arrogant. Having

said that, Su Shengfei looked around and said slowly: “Two months ago, some people blasphemed the Empress Chang'e and wanted to be the emperor of Beiyang. There was a lot of uproar in the whole arena, and the truth has not been revealed until now.

” In the last sentence, Su Shengfei looked at Yue Feng with a half-smile but not a smile: “Sect Master Yue?! How do you explain this?!”

Whoa...

In an instant, everyone around was also talking about it.

Yue Feng took a deep breath and said coldly: “The clearer is self-clearing, this matter is originally groundless, someone deliberately slandered, why should I explain?!”

When he said this, Yue Feng couldn't tell the fire.

“Haha...”

At this moment, Bai Ma couldn't help laughing, and smiled at Su Shengfei: “It's still the head of Su who knows righteousness, thank you, thank you!” After

saying that, Bai Ma couldn't bear it anymore. She looked at Yue Feng proudly.

Haha... someone help me talk to see what you do.

“You're welcome!” Su Shengfei waved his hand with a fake face: “Maintaining justice in the arena is the duty and responsibility of each of us.”

Nima!

Seeing the two of them singing together, Yue Feng's inner anger rose, clenching his fists, his fingernails were almost embedded in his flesh.

Chapter 3064

Under the anger, Yue Feng wanted to do it directly and kill the white horse, but he finally held back.

There are so many sects around, and I have no evidence. If you kill the white horse, you will easily fall into the blame, which will be extremely detrimental to the reputation of Tianmen.

Forget it, I'll spare this villain today, and I'll confront him when I find Brother Wen.

I thought to myself, Yue Feng no longer bothered about these things.

However, the white horse did not intend to stop there.

Seeing that Yue Feng was speechless, Bai Ma was very proud, and asked with a half-smile: "Sect Master Yue, since you can't produce any evidence about the Palace Master Wen, let's not mention it for the time being, but I have a question. I want to ask you."

Saying that, the white horse pointed to Bing Yao who was standing behind Yue Feng: "Who is this woman? Can you explain why she knows how to deploy the teleportation array and leave the space of the Hades?! It's not that I'm suspicious, it's just that this matter is too strange."

When he said this, Bai Ma's face was serious, but his eyes flashed with cunning.

Mad, this Yue Feng is still trying to trouble me.

Swish!

The voice fell, and everyone's eyes suddenly converged on Bing Yao, and everyone began to be suspicious.

Yes, the woman beside Yue Feng appeared too suddenly, and she knew how to leave Hades Cauldron, so she had to be suspicious.

"Her identity?"

Facing everyone's gaze, Yue Feng did not panic at all, and said lightly: "I was led to the Ten Thousand Demon Pagoda by the mirror demon before, and when I met her on the last floor of the tower, she was trapped for five hundred Nian, I brought her out, and in order to repay me, she became my female entourage, why, there is a problem!"

When he said this, Yue Feng looked indifferent.

At this time, Yue Feng only knew that Bing Yao and Hades had a grudge, but she didn't know that she was the woman of Hades, the queen of the ghost world.

female attendant? Still trapped for five hundred years! ?

Hearing this explanation, everyone present was stunned.

A woman who has been trapped in the Ten Thousand Demon Pagoda for five hundred years has long since turned into ashes, right? ! Although practitioners reach a very high level, their life expectancy will be extended, but the Ten Thousand Demon Pagoda in the Pluto Cauldron is an extremely dangerous place. No matter how strong this woman is, it is impossible for her to survive.

“Yue Feng!”

Finally, Bai Ma took the lead in reacting, sneered, and mocked Yue Feng: “Okay, don't open your mouth, what is trapped for five hundred years, this woman looks like your accomplice, maybe, You were trapped in the Pluto Cauldron with us before, and it was also a performance.”

Speaking of which, the white horse looked around and said loudly, “I suspect that Yue Feng, like King Guangping, are from the Pluto, otherwise, why? He just wanted King Guangping to withdraw? Don't you want us to pursue it?” The

voice fell, and everyone around looked at each other, and many nodded in agreement.

“It makes sense...”

“Yeah, in the battle just now, although we didn't have an advantage in numbers, the formation of King Guangping's army was already messed up, so we could take advantage of the situation to pursue...”

“In this way, Yue Feng is indeed suspicious. ..”

Nima!

Yue Feng was so angry that he couldn't help but curse.

This white horse is too cunning, it is obviously his fault, but he leads the problem to himself.

Seeing that everyone began to doubt Yue Feng, Bai Ma became more and more daring, walked directly to Bing Yao, and asked in a pretentious manner: “This beauty, tell me,

are you and Yue Feng from King Hades? As long as you explain honestly, We will not embarrass you.”

When saying this, Bai Ma’s eyes couldn’t help but look up and down at Bing Yao.

beautiful.

So beautiful.

Bai Ma’s gaze made Bing Yao very unhappy.

“Presumptuous!” The cold words came out of Bing Yao’s mouth. Immediately after, the jade hand raised, Yao gave a slap without warning, and slapped it on Bai Ma’s face!

Bing Yao is smart and wise. Although she doesn’t know Bai Ma, she can tell at a glance that the person in front of her is a down-to-earth cunning villain. It was already a little annoying to see him arguing with Yue Feng just now. I can’t stand it anymore.

More importantly, the grievances between himself and Pluto were inseparable, but he said that he was sent by Pluto, which was extremely hateful.

This slap was very heavy, but for a moment, there was no sound in the audience, and everyone was stunned.

Chapter 3065

“You... You dare to hit me?” Bai Ma covered his face and looked at Bing Yao in disbelief, with surprise and anger in his eyes.

His dignified Hall Master of the Palace of Longevity was beaten by a woman, and in front of so many people, how would he meet people if it spread to the rivers and lakes?

The more the white horse thought about it, the more angry he became, and he suddenly pulled out the opening axe.

Whoa!

At the same time, everyone around was also shocked.

Too crazy to hit someone if you don’t agree? !

“Want to do it?”

Bing Yao didn’t panic when she saw the white horse pulling out the opening axe, took a step closer, looked at the white horse and said coldly, “Even if you have the opening

axe, you don't fully understand the power of the opening sky axe. It's not Ben Gong's opponent at all, but if you really want to court death, Ben Gong can help you!"

When she said this, Bing Yao's pretty face was frosty, and her whole body was filled with a terrifying aura.

Gudong!

Feeling the chilling coldness, Bai Ma couldn't help but secretly swallowed his saliva, and felt a little inexplicable fear in his heart.

At the same time, Yue Feng and the people around him were also extremely surprised.

Does she call herself this palace? Could it be...

At this moment, Bing Yao looked around and said slowly: "Aren't you questioning the identity of Ben Gong? Then Ben Gong will tell you that Ben Gong is the queen of the ghost world."

What ? ?

After the Underworld....

hearing this, everyone was shocked.

No wonder her strength is so strong, it turns out that her identity is the queen of the ghost world.

But the Queen of Hades, isn't she the woman of Hades? And she has a close relationship with Yue Feng. It seems that Yue Feng is really related to Hades.

At this moment, Yue Feng was also stunned.

Damn, it's no wonder that Bingyao is trapped on the top floor of the Ten Thousand Demon Pagoda. She originally had such an identity.

Seeing everyone's expressions, Bing Yao continued: "But I have nothing to do with Pluto, he trapped me in the Ten Thousand Demons Tower in Pluto Cauldron for five hundred years, and Yue Feng rescued me. Are you satisfied with this explanation?"

At

this moment, everyone looked at each other in dismay, and they were not talking nonsense.

“So that’s how it is!” Bai Ma squeezed out a smile and tried to smooth things out: “A misunderstanding, it’s all a misunderstanding.”

As he spoke, Bai Ma secretly sweated for himself, but the other party was actually the Queen of the Underworld, and he acted rashly, that’s not it Are you looking for death?

Shameless villain!

Seeing that the white horse changed his face so quickly, Yue Feng couldn’t help but feel contempt.

“Misunderstanding?”

Bing Yao glanced at Bai Ma coldly: “You just said nonsense, questioning me and Yue Feng, just a misunderstanding? Also, in the battle just now, you violated the original plan and hurt a lot of people. Injured, such reckless actions must be severely punished.”

After speaking, Bing Yao looked at Yue Feng: “How should you deal with this situation in the military camp?”

“If you follow the rules of the military camp and violate the order, you should be executed!” Yue The wind said without hesitation.

At the same time, Yue Feng nodded at Bing Yao to express his gratitude.

What?

At this moment, Bai Ma’s body trembled, and his legs suddenly became weak.

At this time, the white horse never thought of it. He wanted to slander Yue Feng, but in the end it was self-defeating.

Seeing that Bingyao wanted to punish Baima, none of the people present came out to beg for mercy. Su Shengfei, who was helpful at the beginning, also quietly retreated into the crowd.
