

The ultimate husband in Chinese chapter 3121-3130

Chapter 3121 Bingyao

's strength is obvious to all, but now, it was gently repelled by Yue Chen's palm, which is incredible.

When did this guy become so strong?

"You..."

Jade, who was blocked by Duan Yu, was humming in his head, looking at Duan Yu, and the whole person was stupid.

what happened? Why did this man save himself?

And... the breath on his body is so familiar, it is exactly the same as Hades.

Aware of Jade's doubts, Duan Yu said coldly: "Useless things, the new master is here, but you don't know how to greet him?" The

new master?

Hearing this, Jed's heart was shocked, and he understood in an instant, and hurriedly knelt down and shouted: "Subordinate Jed, see Hades!"

What?

Hearing this, the audience immediately exploded, Yue Feng and everyone looked at each other, completely dumbfounded.

Even Bing Yao frowned and looked at Duan Yu up and down, shocked.

"You..."

Finally, Bing Yao reacted, stared at Duan Yu and asked: "You devoured the power of Hades? Replaced him?"

Duan Yu smiled slightly and nodded at Bing Yao: "Yes, before. My Hades has been destroyed by me, seeing your temperament is so special, you are the Queen of Hades, as expected, just as rumored, cold and arrogant."

This chapter is provided by . Visit for daily update.

Having said that, Duan Yu looked around the audience and continued: "Everyone, it's up to now, I don't hide it anymore, I'm not Yue Chen, but Duan Yu, I was originally

imprisoned in purgatory in the ghost world forever, but I have a great fate and finally escaped.”

“Speaking of this, I would also like to thank the Palace Master Wen. If it wasn’t for his help, I wouldn’t have escaped from the ghost world. After I came out, I met this kid Yue Chen. I lost my body during the critical period of fusion...”

This...

Hearing this, whether it was Yue Feng or others, they were all stunned on the spot, unable to calm down for a long time.

Especially Yue Feng, his brain was buzzing, almost like it was going to explode.

It turned out.... in Yue Chen’s body, is Duan Yu’s soul.

It turned out...the one who fought against King Guangping at the prayer altar of Nanyun Palace before was Duan Yu. Moreover, Duan Yu later devoured the power of Hades.

It’s just that he told the whole truth, did he want to...

“Haha...”

Just when Yue Feng was muttering to himself, Duan Yu smiled coldly and continued: “You don’t have to guess, the reason why I said it all Come out, I want you to wait and die clearly. Since the previous Pluto helped me pave the way, how can I give up halfway?” The

voice fell, Duan Yu’s eyes flashed, and he suddenly raised his hand.

Whoops!

In an instant, the army of millions of dead that were frozen in place, one by one, as if they had life, let out a hoarse howl, rushing towards the Longmen Pass like a tide.

“Ah...”

All this happened so fast that many sect masters and Longmengan guards were too late to react. In the blink of an eye, many people died tragically in a pool of blood.

“Cao Nimad...”

Seeing this scene, Sun Dasheng’s eyes were blood-red, he howled, clenched his axe, and charged directly towards Duan Yu.

hum!

In the next second, the power of the Sky-Opening Axe was activated, and a golden glow erupted, sweeping towards Duan Yu!

Whoosh whoosh!

At the same time, Yue Feng and Bing Yao also burst out one after another, rushing towards Duan Yu.

Seeing the crowd coming, Duan Yu snorted coldly: "Sun Dasheng, use the Heaven-Opening Axe in front of me? Who gave you the courage!? And you, Yue Feng, our previous grievances and grievances have been cleared, so I don't want to kill you, As long as you surrender, I can save your life!"

While speaking, Duan Yu raised his hand lightly, and the terrifying Yin Sha Qi burst out, forming a black vortex, and when he saw the golden glow of the Kaitian Axe, he directly swallowed up, disappeared.

What the hell!

Yue Feng was taken aback, Nima, the power of the Heaven-Opening Axe was so easily resolved by him?

Chapter 3122

In shock, Yue Feng looked directly at Duan Yu and said coldly: "You have known me for so long, when have you seen me surrender?"

After saying that, Yue Feng was angry and shouted at Duan Yu. : "And you, who used to be from Kyushu, are now bringing an army of death to harm Kyushu. Even if you become the King of Hades, you are still a sinner through the ages!"

Shuh!

Hearing this, Duan Yu's face suddenly became extremely ugly.

"Okay. Very good!" In the

next second, Duan Yu's eyes flashed with cold light, and he said word by word: "If this is the case, then there is nothing to say."

Om!

When the words fell, Duan Yu suddenly raised his right hand, and saw the yin and evil energy between heaven and earth, which quickly condensed, and finally formed a huge black palm print, carrying an unparalleled momentum, bursting towards Yue Feng.

In an instant, there was chaos between heaven and earth, as if the end of the world.

“Be careful, Yue Feng!”

“Fengzi...”

Seeing this scene, Dasheng Sun, Ren Yingying and everyone couldn't help shouting, and at the same time wanted to rush over to help, but the distance was too far and it was too late.

Nima!

Feeling the terror of the huge palm print, Yue Feng was also sweating coldly. He didn't have time to think about it, so he quickly activated his inner strength and held Fang Tianhua halberd in front of him to resist!

Bang!

In the next second, the palm print slapped the Fang Tianhua halberd fiercely. Yue Feng only felt an overwhelming force coming from the sea, and he let out a groan, and the whole person was shocked and flew out, flying more than a hundred times. Mi Yuan fell heavily to the ground.

When he fought against Jade before, Yue Feng had already consumed a lot of internal energy, and now facing the more powerful Duan Yu, he couldn't resist it at all.

“Yue Feng, I have already given you a chance, but if you don't grasp it properly, then don't blame me.” Duan Yu said coldly, his body filled with suffocation, and his figure erupted again.

Duan Yu was so fast that Yue Feng didn't have time to dodge.

Whoosh!

At this critical moment, I saw a slender figure rushing towards and directly blocking Yue Feng, it was Xing Yao.

Immediately, Xing Yaoyu raised her hand and touched Duan Yu.

boom!

In an instant, Bing Yao and Duan Yu touched their palms and made a dull vibration. At this moment, Bing Yao's delicate body stepped back several steps, and her icy and beautiful face suddenly turned pale!

"You..."

Bing Yao only felt a tightness in her chest. After stabilizing her figure, she looked at Duan Yu in astonishment, her face full of incredible!

This.. this is impossible! Even if he devoured the power of Pluto, he would not be so strong. You must know that his strength is almost on par with the previous Pluto.

At this time, Bing Yao still didn't know that Duan Yu had also fused the power of a Nine Heavens Holy Maiden before devouring the power of the Pluto.

"Tsk tsk!"

Duan Yu had a wicked smile on his face, looked Bing Yao up and down, and said with a smile: "As a former Underworld Queen, it is a pity to work for a man from Kyushu! I heard that your strength is the same as before. There is no distinction between the underworld kings, so I will take a good look at it!"

When he said this, Duan Yu was full of smiles, but his eyes were flickering with wickedness.

Duan Yu thought about it, Yue Feng has no fighting power, and he is not enough. The most important thing right now is to kill this Bing Yao first. You must know that this Bing Yao's strength is not trivial, and she is the woman of the previous Hades, so she must be released.

hum!

The next second, Duan Yu's figure erupted, just wanting Bing Yao to leave.

Bing Yao bit her lip tightly, not daring to be careless, she attacked with all her strength, and fought with Duan Yu in mid-air.

"Kill!"

At this time, the fierce battle below became more and more tragic. Yue Feng clearly saw that the masters of the major sects, as well as the defenders of Longmen Pass, were under the impact of the death army, and the ground was completely destroyed. Stained red, the air was filled with a strong smell of blood.

The entire Longmen Pass has almost become hell.

Seeing this scene, Yue Feng's eyes were extremely blood red.

Chapter 3123

"The way of heaven is immortal, justice lasts forever, you all deserve to die!" A cold voice came from Yue Feng's mouth, and in the next instant, Yue Feng, regardless of his injury, rushed into the air, Fang Tianhua halberd raised.

hum!

Under the surging aura of terror, I saw nine long blood-colored dragons surrounding Yue Feng!

"Nine Dragons Ascension!"

Yue Feng almost roared out, pointing at the army of death!

Nine Dragons Ascension to Heaven was the first skill Yue Feng learned when he first became a practitioner. Now, over the years, Yue Feng's comprehension of this skill has reached the peak level. At this time, it erupted with Fang Tian Hua Ji, with amazing power.

"Roar!" The

nine blood-colored dragons let out bursts of earth-shattering roars, swept down, and rushed into the army of death. Just seeing the terrifying power raging, many dead warriors are instantly fragmented.

Made!

Seeing this scene, Jade, who was commanding the battle not far away, looked extremely ugly.

The new Hades has arrived, and the whole situation is almost completely under control, but under such circumstances, it is a great shame to be able to kill so many dead soldiers by Yue Feng.

"Kill...kill me Yue Feng..."

Jed stared at Yue Feng tightly, his expression crazily contorted, and shouted: "Cut him into eight pieces for me, and the entire Longmen Pass. , one will not stay, one will not stay..."

"Ow..." The

voice fell, and the death army let out a terrifying howl, rushing up like a tide, and in the blink of an eye, Yue Feng was caught surrounded.

“As long as I still have a breath, you can’t even enter the Dragon Gate Pass!” Yue Feng’s eyes were blood red, and he clenched Fang Tianhua’s halberd, slashing like crazy.

Many death warriors were swept away by Yue Feng’s Fang Tianhuaji before they approached. However, as soon as some of them were repelled, more death warriors rushed up, and they couldn’t finish the fight.

“Kill!”

Seeing this scene, the masters of the major sects were originally timid, but after being infected by Yue Feng, they regained their fighting spirit one by one, and rushed into the enemy army like a chicken blood.

However, the power disparity between the two sides is too great.

“Ah...”

Accompanied by screams, many sect masters and Longmenguan defenders fell in a pool of blood, dying without resting their eyes.

“Since ancient times, the evil has been invincible, and I will die!”

Seeing more and more fellows in the rivers and lakes fall, Yue Feng was completely anxious, roared wildly, and raised his hands suddenly.

“All thoughts are despairing!” In the

next second, four words shouted from Yue Feng’s mouth like thunder.

hum!

At the moment when the last word fell, the air between heaven and earth was instantly distorted, and a domineering and unparalleled force gathered crazily, forming a huge storm of power that was involved in the enemy army!

Kaza, Kaza...

I saw that the death warriors who were caught in the storm were separated one by one, mourning constantly, and the rest were panicked. Although these death troops did not have their own consciousness, they were You can also feel the danger.

Whoa!

Seeing this scene, the major sects were extremely excited, and many people cheered.

“Sect Master Yue is mighty...”

“Sure enough, Sect Master Yue is still very powerful.”

In the praise of everyone, Yue Feng’s face was pale, Fang Tianhua halberd stuck on the ground, supported his body, and performed two stunts in a row, the dantian’s inner strength was almost consumed.

“For the sake of Kyushu, kill!”

Under the excitement, Sun Dasheng was the first to react, howling, and then rushed into the enemy with the opening axe tightly.

The masters of the major sects, followed closely behind!

However, the strength of the two sides is too disparate, and in the blink of an eye, many more people fell in a pool of blood.

Chapter 3124

At this moment, the battle in mid-air is getting more and more intense!

Seeing that above the black mist filled the sky, the figures of Duan Yu and Bing Yao kept colliding. Duan Yu looked leisurely and relaxed, but Bing Yao’s face was pale and her delicate body trembled faintly.

Not bad, Bing Yao is about to be unable to stop her.

“Haha!”

At this moment, Duan Yu shook Bingyao back a few meters with a palm, and said with a smile, “If I remember correctly, your name is Bingyao, I have absorbed the power of Hades, and you are Hades. This is enough to prove that we are destined. Since we are destined, why do we have to fight to the death?”

“I don’t think it is better than this. From now on, you will be my woman, and when I occupy Kyushu, you will be the mistress of this world. How?”

While speaking, Duan Yu’s eyes kept looking at Bing Yao.

Swish!

Hearing this, Bing Yao’s beautiful face was filled with shame and anger, and she shouted: “Shameless!”

As the Queen of the Underworld, Bing Yao is extremely arrogant and powerful, and even the previous Hades was jealous of her. How can I not be angry when I was teased by Duan Yu?

hum!

The next second, Bing Yaoyu raised her hand, and the ice sword condensed, stabbing towards Duan Yu like lightning.

“Tsk tsk.”

Feeling Bing Yao’s anger, Duan Yu didn’t panic at all.

Nima!

Seeing this scene, Yue Feng, who was fighting below, looked extremely ugly.

Now it seems that Bing Yao is not Duan Yu’s opponent at all, and Duan Yu’s subordinates, as well as Jed and the army of millions of deaths, it seems that there is really no hope of winning this battle.

Thinking to himself, Yue Feng gritted his teeth and kept waving Fang Tianhua halberd.

Yue Feng couldn’t remember how many dead soldiers he had repelled. He only knew that after these soldiers were defeated, they would get up again and continue to join the battle.

In this case, Yue Feng gradually became powerless.

“Yue Feng, go to hell!”

At this moment, Jade, who had been looking for opportunities not far away, suddenly shouted and looked at Yue Feng’s back with a knife.

“Push!”

In an instant, blood swarmed out!

“Yue Feng!”

“Fengzi!”

Seeing this scene, Sun Dasheng and Ren Yingying, who were not far away, all exclaimed in exclamation, and they were all furious.

Nima!

Yue Feng was also furious, and he never thought that Jade was so despicable that he would make a surprise attack when no one was prepared, Fang Tianhuaji swept out fiercely, and directly knocked Jade back.

“Ow...”

However, at this moment, the surrounding death warriors screamed and rushed forward, and the bone knife in their hands stabbed Yue Feng again.

“Puchi! Puchi!”

Yue Feng almost exhausted his inner strength and couldn't dodge at all. A dozen bone knives were stuck on his body, blood sprayed, and he completely became a blood man.

Finally, Yue Feng couldn't hold it any longer and fell to the ground all of a sudden, bleeding all over his body and his face was extremely weak.

“Fengzi, hold on...”

“Yue Feng, you'll be fine...”

Sun Dasheng and Ren Yingying were all shocked, and at the same time they shouted, they were about to rush over.

However, the surrounding death warriors seemed to be inexhaustible. One group was repelled, and more rushed forward, unable to rush to Yue Feng at all.

Ren Yingying is a tough woman. Seeing that Yue Feng was hurt so badly, and she couldn't rush over to help, her heart clenched and tears kept flowing.

call!

Listening to Ren Yingying's cry and Sun Dasheng's crowd's shouting, Yue Feng's eyes became a little wet, and at the same time, his heart was completely desperate.

myself... try my best.

Chapter 3125

Really tried my best.

Thinking to himself, Yue Feng let out a long sigh of relief and slowly closed his eyes. Completely desperate.

“Fengzi, Great Sage!”

However, at this time, a loud shout suddenly came from the distant horizon.

Um?

Hearing the call, both Yue Feng and Sun Dasheng were all refreshed and looked over.

Seeing this, everyone was stunned.

I saw that an army of hundreds of thousands was coming quickly. In this army, every soldier was riding a black warhorse, wearing black and red armor, holding a long knife, and arrogant.

Some people noticed that the long knives of these soldiers were different from ordinary long knives. The blade surface was wider and longer, with a cold and cold light.

What surprised everyone even more was that every soldier in this army had a clean face and was obviously not a living person. When they gathered together, the lifeless aura and the murderous aura pervaded their body, which made people shudder.

And in the air in front of this army, a person wearing a black robe, the momentum is soaring.

It is the ugly ugly.

Yes, Wen Chou Chou led the army of the Blood Buddha that was discovered in the cave before.

Half a day ago, Wen Chou Chou returned to the ground with the Blood Buddha, and when he learned that Jade was leading the death army to attack the Nanyun Continent, he rushed over quickly.

“Brother Wen!!”

“Haha, Brother Wen, you really didn’t die, you didn’t die...”

Seeing Wen Chou Chou appearing, Yue Feng was so excited that he was speechless.

Sun Dasheng was even more excited to shed tears.

“Is it the Lord of the Palace?”

“What a strange army.”

At the same time, the major sects were also stupid, and they were shocked when they saw the blood slaughter that came quickly.

They clearly felt that the murderous aura that erupted from the blood slaughtered slaughtered army almost covered the sky and the sun, and the pressure was so overwhelming that people could not be kicked up. What was even more terrifying was that there was not a single living person in this army.

Ugly?

Duan Yu, who was in a fierce battle with Bing Yao in the mid-air, frowned at this moment and stared at Wen Chou Chou in astonishment.

what's the situation? Where did Wen Chou Chou get such an army?

In a blink of an eye, Wen Chou Chou had already rushed to the front with the blood slaughter. At this moment, seeing the state of Yue Feng and Sun Dasheng, Wen Chou Chou's eyes instantly turned blood red.

I saw that Yue Feng was covered with bone knives, almost turning into a bloody man.

And Sun Dasheng is covered in blood!

Swish!

"Xuefutu obeyed the order and exterminated this army of death for me, not leaving one!! Not leaving one!!" Wen Chou Chou's eyes were extremely blood red, and he almost roared out.

Whoa!

After receiving the order, the soldiers of the blood slaughtered slaughter can speed up the horses and drive straight in, like a sharp sword into the battlefield. In the blink of an eye, the formation of the death army was washed away. Immediately afterwards, many dead warriors were knocked away by the blood slaughter horses, and they were powerless to fight back.

Speaking of which, the army of death and the soldiers of the Blood Buddha, although they are both dead, are almost worlds apart compared to their equipment and strength.

In less than a minute, Jed's army of millions of dead was completely chaotic under the impact of the Blood Buddha.

Whoa!

Seeing this scene, the masters of the major sects, while being shocked, are also excited and jubilant.

Made!

In midair, Duan Yu's face was extremely ugly.

"Wen Chou Chou!" In the

next second, Duan Yu stared at Wen Chou Chou closely and said loudly: "You want to fight against me too?"

Wen Chou Chou looked at Duan Yu, righteously: "Duan Yu, I am not against you. , and you are going to oppose the entire Kyushu, if you knew it would be like this today, I would not save you from purgatory if I said anything at the beginning!" After speaking

, Wen Chou Chou's eyes sharpened: "Before we had a clear relationship, but you hurt me. Brother, I will make you pay your debts with blood!"

The ultimate husband in Chinese chapter 3126-3130

Chapter 3126

"Hahaha..."

Hearing this, Duan Yu seemed to have heard a joke, and laughed wildly: "Let me pay the debt with blood? Wen Chou Chou, have you forgotten that you were the messenger of Pluto, and Pluto With the soul contract, life and death are under the control of Pluto!"

"And now, I have swallowed the power of Pluto and replaced it with a new Pluto, which means that your life and death are now in my hands!" The

voice fell . , Duan Yu's eyes burst into a bright light, and he recited a series of incantations at Wen Chou Chou: The series of incantations was so fast and urgent that everyone heard their ears buzzing.

"Pfft!"

At this moment, Wen Chou Chou's heart was shocked, a mouthful of blood spurted out, and he fell to the ground, trembling uncontrollably.

What?

Seeing this scene, whether it was Yue Feng or Sun Dasheng and others, they were all shocked, and at the same time they couldn't express their worries.

Immediately afterwards, Yue Feng endured the pain on his body and rushed over: "Brother Wen, how are you, brother Wen?" Then, he was about to help Wen Chou Chou up.

However, Wen Chou Chou didn't seem to hear Yue Feng's words, his whole body was cold, he couldn't stop trembling, and his expression was extremely dazed.

Nima!

Yue Feng was sweating profusely, but he didn't dare to act rashly.

"Yue Feng!"

At this moment, Bing Yao couldn't help shouting at Yue Feng: "This is the Soul Exterminating Curse, use it to block his ears, and at the same time use internal strength to protect his heart, otherwise, Soon the soul will fly away!"

As a former Empress of the Underworld, Bing Yao knew very well what the spell Duan Yu was chanting was, and even knew how to decipher it.

This chapter is provided by . Visit for daily update.

Internal power?

Hearing this, Yue Feng was very excited, but he was in trouble in the next second, and his internal strength was almost exhausted. How can I help?

"Yue Feng, let's come..."

At this moment, Ren Yingying and a number of sect masters rushed over, mobilizing their inner strength, protecting Wen Chou Chou's heart and blocking his ears at the same time.

Made!

Seeing that his method was quickly cracked, Duan Yu was very angry, his eyes locked on Bing Yao coldly: "Mind your own business." When the

voice fell, Duan Yu's power exploded, and he slapped Bing Yao with a palm.

At this time, Bing Yao had also consumed a lot of strength in the fight just now. At this time, facing Duan Yu's outbreak, she could only respond hastily. After a few seconds, she was completely suppressed.

"I'm here to help you!" Sun Dasheng couldn't bear it any longer and shouted, his figure burst out and rushed towards Duan Yu.

Swish swish...

Then, dozens of sect masters also burst out to help Bing Yao and deal with Duan Yu.

Previously, the masters of the major sects were surrounded by Jed's army of millions of deaths, and they couldn't get out.

"Haha!"

Seeing Sun Dasheng and many masters rushing in, Duan Yu looked contemptuous and said lightly: "You rotten fish and shrimps are also worthy of fighting against me. Since you have to die, I will fulfill you!"

hum!

The voice fell, and a terrifying aura erupted from Duan Yu's body, and for a moment, the surrounding air seemed to stagnate.

"Crack!" In the

next second, Duan Yu slowly raised his right arm, holding a black iron chain tightly in his hand.

It was the Chain of Underworld God that had been used by Hades before. After Duan Yu devoured the power of Hades, the Chain of Underworld God fell into his hands.

As soon as the Chain of Underworld God came out, the whole world was filled with black mist.

call!

At this moment, whether it was Yue Feng or everyone around him, they all sweated for Sun Dasheng.

Chapter 3127

Although Sun Dasheng has an axe in his hand, Bing Yao is still the queen of the underworld, but against such a powerful Duan Yu, I am afraid that he is not an opponent.

At the same time, Dasheng Sun and Bingyao in the air all looked solemn.

"Great Sage!"

At this moment, Yue Feng suddenly thought of something, and shouted at Sun Dasheng: "You go to the right position in the north, Bingyao, you go to the position in the south... and there are others... .."

Hearing the shouts, Bing Yao, Sun Dasheng and the others did not hesitate at all, they moved, scattered around, and surrounded Duan Yu.

Formation?

Duan Yu frowned secretly, and then said disdainfully: "Just a single formation, you want to trap me? Yue Feng, you are too naive!" The

voice fell, and Duan Yu's figure erupted, shaking the Chain of the Underworld God, about to rush go out!

However, what Duan Yu did not expect was that Bing Yao and Sun Dasheng, under the command of Yue Feng, cooperated closely, and their attack was easily blocked by their joint efforts.

Bing Yao exploded towards the front.

For a time, Duan Yu was very annoyed and tried a few more times, but he never rushed out.

That's right, what Yue Feng asked Sun Dasheng to deploy was a formation called the Qiankun Promise Formation.

The Qiankun Promise Formation is one of the strongest formations in the records of the Baiqi Divine Formation. The requirements are very demanding. Those who form the formation must have the strength to cross the Tribulation Realm, so Yue Feng has never had the opportunity to deploy. After all, in Kyushu, it is too difficult to find more than a dozen masters who have crossed the Tribulation Realm.

But now, Bing Yao, Sun Dasheng and others are fighting against Duan Yu together, and every strength is above the Tribulation Transcendence Realm, which just meets the requirements of the Qiankun Promise Array.

call..

The fierce battle in mid-air made many people below look excited.

Such an epic battle is a rare occurrence in a thousand years.

However, Duan Yu was trapped in the Qiankun Wuji Formation and couldn't get out. It seemed that he was at a disadvantage. In fact, the Sun Dasheng people who formed the formation were also secretly complaining because Duan Yu's strength was too strong. Every attack requires Sun Dasheng and the others. It was only after joint resistance that it was barely able to stop it. The time was short, but the longer the time, the more unbearable it was.

After all, Duan Yu combines the powers of Hades and Lanxin Saintess, and the power is endless.

Ten minutes later, except for Bing Yao, Sun Dasheng and others, all of them were pale.

It can't go on like this!

Discovering this, Yue Feng was secretly anxious.

Swish...

At this moment, in the sky not far away, dozens of figures flew over, all dressed in red, the one at the head, with a graceful figure, like a fairy, but with a proud face.

It was Lu Lingshan and the disciples of the Holy Fire Palace!

Speaking of which, Jed led the army of death to attack the Nanyun Continent, and the news spread all over the Kyushu. After Lu Lingshan learned about it, she did not plan to come to support, but she and Yue Feng had a special life and death relationship with each other because of the Chaos Yin-Yang Pearl. Qian, sensing that Yue Feng was in danger, rushed over immediately.

"Yue Feng!"

Lu Lingshan's eyes flickered with confusion, and she said to Yue Feng, "Are you alright?"

Seeing Lu Lingshan coming, Yue Feng forced a smile: "It's alright, I can't die, I'm dead. What do you do?" His tone was a little frivolous.

To be honest, Yue Feng was not in the mood to joke about the current situation, but when he saw Lu Lingshan, he couldn't help but want to tease.

Swish!

Hearing this, Lu Lingshan's face flushed, and she glared at Yue Feng angrily: "You'd better die quickly!"

This Yue Feng, who was so hurt, was still glib.

This...

Seeing this scene, everyone around was stunned, with complexities in their eyes.

What's the matter, aren't Lu Lingshan and Yue Feng enemies? Why is it like a lover now, starting to flirt with Qiaoqiao?

Chapter 3128

“Yue Feng!”

At this moment, Duan Yu in the sky couldn't help but sneered at Yue Feng: “You can't get rid of the shackles of love between children in your life, that's all you can do.”

The voice fell, and the chain of the Underworld God was waved in his hand, and the air around it was suddenly torn apart.

Bang bang bang....

Then, there was a sound of vibration, and the formation formed by Bing Yao, Sun Dasheng and others suddenly appeared some flaws, and it seemed that they could not be stopped.

Huh....

Seeing this scene, the sect masters below were all shocked, and at the same time, they were also a little desperate.

Bing Yao, Sun Dasheng, all of them are very powerful, and at this time, they can't fight against Duan Yu. Could it be that this battle will really end in misery?

In desperation, many people began to withdraw in their hearts.

“Lu Lingshan!”

However, at this moment, he took a deep breath and shouted at Lu Lingshan, and then, with his toes on the ground, he flew into the sky.

“Om!”

At this moment, Yue Feng's expression was determined, and under the urging of internal force, a black bead slowly condensed from his dantian.

It is the Chaos Yangzhu.

Yes, Yue Feng was also a little desperate in the current situation, but when Lu Lingshan came, it was different. The two had a life-and-death connection. As long as they activated the Chaos Yin-Yang Pearl at the same time, they might be able to turn the tide of the battle. After all, the Chaos Yin-Yang Pearl is a Before Pangu opened up the world.

“Duan Yu, who wins and who loses, not sure!” A cold voice came from Yue Feng's mouth.

At this time, under the burst of Chaos Yangzhu's power, Yue Feng's dantian's inner strength was completely drained, just like an ordinary person.

Seeing this scene, everyone was shocked.

"What is Yue Feng going to do?"

"Are you crazy?"

"What kind of fetish is that black bead, that it can burst out such terrifying power.

"On the Chaos Sun Pearl in front of Yue Feng, his eyes were full of surprise. Even Duan Yu was stunned for a moment

, and then laughed: "What? You want to fight with me? Do you still have this strength?"

.

A single bead can burst such a powerful breath. It seems that Yue Feng was underestimated before.

However, what made Duan Yu even more surprised was still behind.

Whoosh!

Just saw, in Yue Feng's shout, Lu Lingshan bit her lip, and her figure was astonishing, flying high into the sky.

hum!

When she was next to Yue Feng, Lu Lingshan's inner strength urged, and she saw a dazzling white light flashing, followed by a white bead, which quickly condensed.

It is Chaos Yinzhu.

Another bead? !

Seeing this scene, both Duan Yu and everyone below were secretly surprised.

Especially Bing Yao, her delicate body trembled, her eyes fixed on Lu Lingshan, her eyes were full of surprise and envy.

It turned out... Chaos Yinzhu was on this woman.

Everyone around, including Duan Yu, didn't know what Chaos Yin-Yang Pearl was, but Bing Yao, who was the Queen of the Underworld, knew nothing about it.

Ten thousand years ago, the world was not divided, and the world was chaotic. In this chaos, two beads, one yin and one yang, were born, which contained the supreme innate spiritual power. The power of the two beads is combined, and the power of destroying the heavens and the earth can erupt.

“Bingyao, Great Sage, spread out!”

Just when everyone was secretly surprised, Yue Feng shouted, and at the same time joined with Lu Lingshan to completely stimulate the power of the Chaos Yin-Yang Pearl.

Hearing this, Bing Yao, Sun Dasheng and the others did not hesitate at all, and immediately spread out their silhouettes towards the distance.

Chapter 3129

Om! hum!

At this moment, I saw two rays of light, one black and one white, burst out from the Chaos Yang Pearl and the Chaos Yin Pearl, and then gathered together to form a dazzling beam of light that descended from the sky and blasted directly towards Duan Yu.

From a distance, the beam of light ripped apart the sky, like a huge sword, invincible and terrifying.

At the same time, the sky is changing, the stars are eclipsed, and the ground beneath your feet is splitting terrifying gaps.

But he didn't hear their words, floating in mid-air, his eyes tightly closed! Finally, a cold voice came from Yue Feng's mouth, resounding throughout the world!

Phew...

Seeing this scene, everyone below was palpitated, and at the same time extremely excited.

What kind of terrifying power is this to form such a scene?

If you hadn't seen it with your own eyes, who would have believed it?

“Duan Yu, die for me!”

“Death!”

At this moment, Yue Feng and Lu Lingshan shouted in unison, and the power of the Chaos Yin-Yang Pearl was condensed from the sharp sword, slammed to Duan Yu.

Made?

Duan Yu was shocked and didn't have time to think about it, and hurriedly waved the Chain of Underworld God to resist.

"Boom!" The

sharp sword slammed on the Chain of the Underworld God, a terrifying burst of energy, and the entire Longmen Pass was shrouded in a dazzling light.

As the rays of light shone, I saw Duan Yu's figure, who was suddenly shaken and flew out, flying more than a thousand meters, and finally landed on the wilderness, looking weak and extremely embarrassed.

Even if he possesses the power of Hades, he cannot resist the combined attack of the Chaos Yin-Yang Pearl. After all, in the fierce battle just now, Duan Yu was consumed by Bing Yao and Sun Dasheng and others.

Puff, puff!

At the same time, Yue Feng and Lu Lingshan, who were in the air, also landed, staggering a few steps before stabilizing their figures.

Actuating the Chaos Yin-Yang Pearl, Yue Feng and Lu Lingshan's internal strength was exhausted, and they were also extremely weak.

Especially Yue Feng, who was so weak that he could barely stand up. He had been fighting fiercely before, and he had just forced the power of Chaos Yangzhu to be used. Whether it was internal strength or mental strength, it was a catastrophe, and it took at least a month to rest. Row.

Whoa!

At this moment, everyone present was stunned, unable to recover for a long time.

This... is this a win?

What kind of skills did Yue Feng and Lu Lingshan explode just now? It was so shocking, I had never heard of it.

"Haha... Okay, very good! Yue Feng, you are lucky today, we will have a date later!"

At this moment, Duan Yu stood up slowly, eyes like poisonous snakes, stared at Yue Feng, and then shouted at Jade Said: "Withdraw!" The

voice fell, Duan Yu's figure flashed, flew into the thick black fog in the air, and disappeared from everyone's sight in the blink of an eye.

"Withdraw!"

Jed shouted without any hesitation, and fled to the distance with the shattered army of death.

call!

Seeing this scene, Yue Feng secretly breathed a sigh of relief, Nima, it was not easy to finally repel the strong enemy.

Muttering in his heart, Yue Feng wanted to stand up, but he didn't have any strength, so he slumped on the ground.

"Yue Feng!"

Seeing this scene, whether it was Ren Yingying, Sun Dasheng and others, they all exclaimed and hurriedly surrounded them.

When they got to the front, Ren Yingying hugged Yue Feng, her eyes full of worry: "How are you? Are you alright?"

Yue Feng shook his head: "I'm fine."

After thinking of something, Yue Feng turned his head to look He glanced at Wen Chou Chou who was in a coma: "Quick, let's see how Brother Wen is doing?"

Chapter 3130

Everyone hurried over to check.

I saw that Wen Chou Chou was no longer trembling, but his eyes were closed, and he was still in a coma.

call!

Seeing this, everyone was at a loss.

Especially Yue Feng and Sun Dasheng, they are even more anxious. Brother Wen has gone through so much hardship, and there must be no more troubles.

"Don't panic!"

At this time, Bing Yao walked over slowly, looked at Wen Chou Chou's situation and said, "His soul was damaged because of the Soul Exterminating Curse just now, but he has no worries about his life."

Hearing this, Yue Feng suddenly felt relieved, and then couldn't help asking: "By the way, the soul contract between him and Duan Yu..."

Before he could finish, Bing Yao interrupted with a chuckle: "Go. Going to a soul contract is no big deal, I can solve it, it just takes some time."

Great!

Yue Feng was overjoyed, and quickly asked Sun Dasheng and others to bring Wen Chou Chou into Longmen Pass, and cooperated with Bing Yao to let her heal Wen Chou Chou well.

Later, Yue Feng and the major sects also entered the Longmen Pass to cultivate.

In the following two days, Yue Feng cultivated while investigating the movements of Duan Yu and Jade. Perhaps this battle was severely damaged, and Duan Yu had no new movement.

With the help of Bing Yao, Wen Chou Chou completely got rid of the soul contract, but his body is very weak and needs to continue to recuperate.

At the same time, Yue Feng was at Longmenguan, and Duan Yu's army of one million was destroyed. In just two days, it spread all over Kyushu. Long Yaotian was very excited when he heard the news, and immediately sent a special envoy to Longmenguan. Express thankfulness.

On the third day, the envoy brought a lot of treasures and gifts, and specially met Yue Feng at Longmen Pass.

At this time, in the rest room, Yue Feng looked at the many healing elixir in front of him with a calm expression. In front of him, the special envoy sent by the Nayun royal family stood respectfully aside.

"It's thanks to Sect Master Yue that I can hold the Dragon Gate Pass this time." The special envoy complimented him.

Yue Feng smiled and then asked: "I want to ask the special envoy, why didn't you see the eldest princess this time while guarding Longmen Pass?"

Until this time, Yue Feng didn't know that Long Qianyu and the Queen were both locked up by Long Yaotian Pass. up.

This...

the special envoy hesitated for a while, and said awkwardly: "This...Long Qianyu is no longer the eldest princess, and the queen has also been forced to abdicate..." After saying that, he put the situation of the Nagumo royal family. , said it briefly.

At the end of the story, the special envoy said lightly: "Who would have thought that their sisters would be so disobedient. As the queen, my sister is actually pregnant with a child. You say, if this story spreads, the royal family will What's the face?"

"By the way, Your Majesty has decided to parade in the imperial city three days later and publicly interrogate their sisters."

What?

Hearing this, Yue Feng's heart was stunned, and he only felt that his brain was buzzing, and he was completely stunned there.

The queen and Long Qianyu were both thrown into prison because she was pregnant with a child.

A year ago, she had a night of favor with the queen, and another night of spring supper two months ago. Could it be that the child in her womb... is her own?

Yes, definitely his own.

Thinking of this, Yue Feng couldn't sit still.

An hour later, after the special envoy left, Yue Feng called to Ren Yingying and everyone to continue guarding the Longmen Pass, while he quickly rushed to the Nanyun Imperial City.

.....

On the other side, Nagumo Imperial City!

The sky is gray, like a person's mood, depressing and heavy!

At the west gate of the palace, several hundred guards gathered at this time, holding two prison carts.

In the two prison cars, Long Qianyu and the Queen were detained respectively. Today is the day when their sisters will be parading in the streets!

As the supreme ruler of the Southern Cloud Continent, the queen secretly had a child with a man. This story has spread throughout the imperial city.

At this time, the surroundings of the west gate of the palace were crowded with people watching the excitement.
