

The ultimate husband in Chinese chapter 3131-3140

Chapter 3131

In the prison car in front of him, the queen was dressed in a white prison uniform, her beautiful face was pale, and her eyes flashed with endless grief and anger.

In the prison car behind, Long Qianyu was even more grief-stricken.

Even if Long Yaotian captured his sister, he still had to parade to the public at this time. It would be better to kill his sister. You must know that the Southern Cloud Continent takes a woman's chastity very seriously.

What makes Long Qianyu even more depressed is that these days, she has been asking who the father of the child in the Queen's womb is, but the Queen has always refused to say.

"Start the parade..."

At this moment, the captain of the guards who led the team shouted, and the prison car slowly moved forward.

wow.

The people on both sides of the street gathered more and more, and everyone's eyes were full of contempt. No one sympathized with the Long Qianyu sisters, but incomparable disgust.

"Bitch!" Finally, someone in the crowd shouted!

All of a sudden, the surrounding people were aroused by emotions, and they pointed at the queen and Long Qianyu and cursed.

"As an empress, she did such a shameless thing and was thrown into the face of the Southern Cloud Continent."

"This kind of woman should die!"

"Smash her to death..."

Indignation, many People began to throw things, vegetable leaves, eggs, and stones like raindrops, towards the queen.

The queen's hands and feet were tightly bound in the prison car, and she couldn't dodge at all. For a time, dirty things were thrown all over her body, and she was very embarrassed.

“stop...”

Seeing this scene, Long Qianyu, who was in the prison car at the back, was furious and his petite body trembled: “All stop...”

Long Qianyu saw that the queen’s face was pale, and it was obvious that she was about to be unable to hold it, you know This situation is very dangerous. If it continues like this, even if the queen does not die, the child in her womb may not be able to be preserved.

Long Qianyu’s coquettish drink failed to stop the crowd.

The captain of the guards in front of him scolded Long Qianyu coldly: “Shut up!”

“Even if our sisters are guilty, but the child is innocent, please stop the surrounding people!” Long Qianyu said anxiously.

“The child is innocent?” The captain of the guards sneered and retorted: “It’s just an evil species, and shouldn’t have come to this world at all!”

Shuh!

Hearing this, Long Qianyu was very angry. At this time, he wanted to rush out of the prison car, but all the acupoints were blocked, and he was completely powerless.

Finally, the prison cart made a full circle around the entire imperial city, and finally stopped at the main entrance of the palace.

It was at this moment that Long Yaotian, accompanied by hundreds of civil and military officials, walked out slowly.

“See Your Majesty!”

Seeing the emperor coming out, the people on both sides of the street stopped throwing things at the prison cart and knelt down at Long Yaotian in unison.

Haha...

Seeing the embarrassed appearance of the Queen and Long Qianyu, Long Yaotian was very excited, he waved his hand and said, “Be flat!”

After speaking, Long Yaotian slowly sat on the throne.

At this time, the captain of the guards trotted over and reported, "Your Majesty, the public parade has ended, and the public trial will begin next!"

Long Yaotian's mouth twitched, revealing a smile.

In the next second, Long Yaotian looked at the Queen: "You still refuse to say it? Whose child does it belong to?"

Huh!

The queen slowly raised her face, looked at Long Yaotian on the throne, and her tone was full of grief and anger: "I...have nothing to say!"

"Is your mouth still stubborn?"

Long Yaotian sneered, his face full of mockery: "As an empress, you are so self-respecting and self-loving, that you have sex with men, and that you are pregnant with evil seeds, making the Nanyun royal family ashamed. If I forgive you lightly, wouldn't the Nanyun royal family become the laughing stock of Kyushu?"

Chapter 3132

"Bah!" The

voice fell, Long Qianyu couldn't help spit, and said coldly: "Full of hypocrisy, Long Yaotian, if you want to kill my sister, do it as soon as possible, stop talking nonsense!

"

At this moment, Long Yaotian's face was extremely ugly.

As the emperor, but being confronted by Long Qianyu in front of so many people, what's the face?

"Execution!"

Under his anger, Long Yaotian shouted angrily without any hesitation.

In an instant, several palace guards came up, dragged the Long Qianyu sisters out of the prison cart, and escorted them to the execution platform next to them.

Seeing this scene, the people watching around couldn't help but talk about it.

"Such shameless woman, don't talk nonsense!"

"Yes, as an empress, but she is so shameless, it's a crime that deserves death!"

“Kill her...”

Under the discussion, many people couldn't control it. Stopped his emotions, pointed at the queen and shouted.

call!

The scolding from everyone kept coming, and the Queen's beautiful face was full of grief and anger, but also despair.

Are you going to die? I'm so unhappy!

At the same time, Long Qianyu was even more ashamed and angry, and kept shouting: “My sister is not a slut, she is being slandered...” However, the surrounding shouts were too loud, and her voice was quickly overwhelmed. submerged.

“Drink!”

At this moment, the guard next to him shouted, then pulled out his long knife and slashed directly at the Queen's neck.

In desperation, the queen simply closed her eyes.

It's okay to die, just pity the unborn child in the womb.

“Leave someone under the knife!”

Seeing that the queen was about to fall to the ground, but at this critical moment, a loud shout came from the sky not far away, and then, in the sky outside the imperial city, a figure flew very fast Come on, look anxious.

It is Yue Feng!

Half a day ago, Yue Feng learned that the Queen and Long Qianyu were going to be paraded on the street and finally be interrogated publicly. In a hurry, Yue Feng rushed over without stopping.

Whoosh!

In the blink of an eye, Yue Feng arrived on the execution platform, stood in front of the queen, and said loudly, “With me here, no one will want to hurt their sisters!”

Shuh!

At this moment, all the people present focused their eyes on Yue Feng, all of them were extremely shocked. The entire imperial city was filled with deadly silence.

After a few minutes, a heated discussion broke out in the crowd!

“Tianmen Sect Master Yue Feng?”

“Why is he here?”

At this moment, Long Yaotian was also stunned, he didn't seem to expect that at the critical moment, Yue Feng would come over to disrupt the situation.

Yue Feng!

The Queen and Long Qianyu were also inexplicably delighted.

Especially Long Qianyu, seeing Yue Feng arrive at a critical moment, his mood is indescribably complicated.

“It turned out to be Sect Master Yue!”

Finally, Long Yaotian reacted and looked at Yue Feng with a half-smile but said: “Yue Feng, you just fought off the army of millions of dead, why didn't you take a good rest at Longmen Pass? Suddenly you came to the Imperial City. already?”

Having said that, Long Yaotian looked at the two queen sisters and continued: “They have brought shame to the royal family, and they should be executed by everyone. Moreover, this is the matter of our Nanyun royal family, so you should not participate.”

When he said this , Long Yaotian looked serious.

To be honest, Long Yaotian didn't want to be so polite to Yue Feng, but he couldn't help it. Yue Feng had just helped Nanyun Continent to defend the Longmen Pass, and he was a big contributor.

More importantly, Yue Feng was powerful, and Long Yaotian had just ascended the throne and became emperor, and his foundation was unstable, so he naturally didn't want to provoke Yue Feng.

Yue Feng was too lazy to talk nonsense, and said lightly: “The queen and the eldest princess can't die!”

Huh?

Hearing this, Long Yaotian frowned secretly and said displeasedly, “Why?”

Chapter 3133 The

voice fell, and many ministers behind him couldn't bear it anymore, and scolded Yue Feng one after another.

"Yue Feng, don't be rude to Your Majesty!" "That's right, this is about our Southern Cloud Continent

, and it has nothing to do with you!

"

All gathered on Yue Feng.

call!

In the face of everyone's accusations, Yue Feng took a deep breath, and his tone was unquestionable: "There is no reason, in short, their sisters will not die!"

Haha!

Hearing this, Long Yaotian couldn't help but sneered, completely impatient: "Yue Feng, just with your words, I will let them go, do you think it's possible? Besides, you and Long Qianyu have already Without the marriage contract, is it worth it to be the enemy of the Nanyun royal family for their sisters?" The

voice fell, the queen bit her lip and said to Yue Feng: "Yue Feng, leave us alone, hurry up and go!"

Said Really, Yue Feng suddenly appeared, and the queen was very happy, but she could also see that Yue Feng had been injured in guarding the Longmen Pass before, and he has not fully recovered yet.

In this case, he cannot be allowed to take risks for himself.

"I won't go!"

Yue Feng took a deep breath, staring at the Queen with a bit of guilt: "I'm sorry, I caused all this!"

What?

Hearing this, the queen's delicate body trembled, and the whole person was stunned.

The surrounding people, as well as civil and military officials and Long Yaotian, also frowned secretly.

what's the situation? What does this have to do with Yue Feng?

“Yue Feng!”

After a few seconds, the queen reacted and said softly to Yue Feng: “What are you talking about?”

Yue Feng was ashamed and said slowly, “I am the father of the child! Therefore, I absolutely won’t watch you die!”

“You...”

Hearing this, the Queen only felt her brain buzzing, and she couldn’t stand still.

The father of the child is Yue Feng, when will I be with him...

At the same time, Long Qianyu next to him is also like being struck by lightning, his delicate body is trembling, and his eyes are staring at Yue Feng, full of shock and surprise. ashamed.

Soon, Long Qianyu calmed down and shouted at Yue Fengjiao, “Yue Feng, you bastard!”

At this time, Long Qianyu was full of anger.

It must be Yue Feng who used despicable means to sully the imperial sister.

Whoa!

At the same time, the surrounding area was completely exploded.

“The father of the child is actually Yue Feng?”

“This...”

“It’s a shame, it’s really shameful.”

At this moment, Long Yaotian was also looking at Yue Feng closely, his face changing.

A few seconds later, Long Yaotian couldn’t help but chuckle: “I really didn’t expect that the dignified Tianmen Sect Master would be so lecherous, even the former Queen Nanyun dared to get involved, good, very good!”

Hearing this, Yue Feng was too lazy to explain, and said lightly: “Whatever you say, anyway, I must take the two of them away!”

It’s not loud, but it’s unmistakable!

Long Yaotian's face changed, and he was completely furious!

The Yue Feng in front of him, even if he is famous in Kyushu, is just a person. However, he uttered wild words and despised the Nayun royal family so much. How could he bear it?

"You are courting death!" Long Yaotian shouted angrily.

As soon as the words fell, the surrounding palace guards pulled out their long knives and rushed towards Yue Feng.

The strength of these palace guards is not low. At this time, they erupted together, and the gathered power distorted the surrounding air, and the momentum was amazing!

Ugh!

Seeing these guards rushing in, Yue Feng secretly sighed, he didn't want to do it, but for the safety of the Queen and Long Qianyu, there was nothing he could do.

In the next second, Yue Feng raised his hand and waved, Fang Tianhua halberd clasped in his hands, and then swung it violently, and saw a dazzling blood-colored light burst out, directly shrouding dozens of guards.

Chapter 3134

Bang Bang Bang!

Accompanied by a shock, I saw these palace guards, who were instantly shaken and flew out, falling from the air one by one, their faces pale.

Yes, Yue Feng left room and did not start killing, otherwise, these palace guards would have died.

This!

Even so, seeing this scene in front of him, whether it is Long Yaotian, or the civil and military officials and people present, can't help but gasp!

This Yue Feng is worthy of being a famous figure in Kyushu. He is only one person, but dozens of palace guards can't even stop him!

Under the shock, Long Yaotian's eyes also revealed a hint of gloom.

Yue Feng ignores the imperial power, and he must be removed today! At this time, Yue Feng looked directly at Long Yaotian, and his tone

was unquestionable: "I said, today I must take their sisters away, whoever dares to stop them will be a dead end!" , Long Yaotian was completely furious and shouted: "Take him down for me, take it..." The voice fell, accompanied by a wave of breath, a dozen figures rushed out of the palace, These people, all wearing golden armor, are filled with powerful aura! It is the Nagumo Imperial Family, the most special existence, the Heavenly Drive Saint Guard. The Heavenly Drive Saint Guard, who is responsible for the safety of the emperor, is very mysterious and rarely appears. At this time, seeing Yue Feng making a riot in the palace, the Heavenly Drive Saint Guard immediately came to escort him. Da da da..

At the same time, the sound of neat footsteps came from not far away, and I saw the imperial city guards rushing over, with a huge momentum, tens of thousands of people!

Phew...

Seeing this scene, Yue Feng couldn't help taking a deep breath, Nima, so many people, it would be a little difficult to safely take the Queen and Long Qianyu away.

The queen next to her also bit her lip tightly, her delicate body trembling faintly.

No matter how strong Yue Feng is, it is impossible to deal with so many people at the same time.

"Yue Feng!"

At this moment, Long Qianyu couldn't help shouting, his beautiful face was full of resentment: "You get out, we don't need your help, get out, get out..." "

Long Qianyu couldn't hide his disgust when he shouted these out.

In Long Qianyu's heart, Yue Feng has never been accepted. Although the death of Saint Lady Lanxin finally revealed the truth, Long Qianyu did not regret breaking the engagement with Yue Feng, because Yue Feng was surrounded by too many confidantes. And Long Qianyu's personality is very strong, and he is not willing to become one of Yue Feng's harems.

Therefore, Long Qianyu has been doing everything possible to distance himself from Yue Feng.

But now, Yue Feng has a child with his sister, which is difficult for any woman to accept.

Ugh!

Hearing Long Qianyu's scolding, Yue Feng was very depressed and wanted to explain, but he didn't know how to start, so he could only sigh.

Whoops...

It was at this moment that the Heavenly Drive Saint Guard and the Imperial City defenders had already rushed to the front.

Yue Feng did not hesitate, grabbing Fang Tianhua's halberd and attacking him. In an instant, the two sides fought together, the sound of weapons colliding, and screams intertwined, and blood stained the palace gate.

At the beginning, Yue Feng was able to deal with it calmly, but because his internal strength did not fully recover, he gradually became unstoppable.

After all, there are too many people on the other side, especially these Heavenly Expulsion Saint Guards, each of whom is in the realm of Fifth Stage Martial Sovereign, and cooperates closely with each other, causing Yue Feng a headache.

"Pfft!"

Finally, a Heavenly Drive Saint Guard found an opportunity and slashed Yue Feng's shoulder with a knife.

In an instant, blood sprayed, Yue Feng staggered back a few steps, his face was extremely pale.

"Haha..."

Seeing this scene, Long Yaotian was extremely excited and shouted, "Good job, kill him..."

Chapter 3135

Got the order, Tianxu Shengwei and imperial city guards swarmed up.

Yue Feng waved the Fang Tianhua halberd, and his heart was like an ant on a hot pot.

No, if this goes on, not only will I not be able to save Sister Long Qianyu, but I will also risk my life here.

"Yue Feng, we are here to help you!"

At this critical moment, a soft and beautiful cry was heard, and then, two charming figures appeared in the sky not far away.

One was wearing a blue dress and the other was wearing a red dress. The appearance is beautiful, the figure is slender and charming, and more importantly, the two women look exactly the same, but one is cold and the other is gentle.

It was Yanhong and Miaoying.

After Yue Feng left Longmen Pass, Miao Ying felt a little worried, so she called Yan Hong to come and have a look, but just now, she saw that Yue Feng was being besieged in the imperial city.

Whoa!

Seeing Yanhong and Miaoying, there was an uproar inside and outside the palace gate.

Whether it was Long Yaotian, the civil and military officials, and the surrounding people, they were all stunned.

Two beautiful women, not only look exactly the same, but also so powerful.

However, Long Qianyu's face became more and more ugly.

How many confidantes does Yue Feng have? There are already so many women around, but it is unforgivable to defile his own imperial sister.

“Quick!”

Seeing Yanhong and Miaoying arriving, Yue Feng was surprised and delighted, and hurriedly shouted, “Help me stop them!”

Hearing these words, Yan Hong and Miao Ying did not hesitate, their figures were astonishing, and a terrifying force erupted together, welcoming the Heavenly Drive Saint Guard and the Imperial City Guards.

Boom...

In an instant, I heard a roar, and the Heavenly Drive Saint Guard and the Imperial City Guard who rushed up were all shaken back by dozens of steps.

On the other hand, Yanhong and Miaoying stood in front of Yue Feng, fluttering like immortals, not moving at all.

What?

The strength of these two women is too terrifying. After so many days, they are not opponents!

Seeing this scene, Long Yaotian and the civil and military officials were shocked!

You must know that the Heavenly Drive Saint Guard is the secret trump card of the Nayun royal family. With so many Heavenly Drive Saint Guards appearing, even Yue

Feng has to avoid the edge, but facing the two women in front of him, he can't take advantage of it at all. arrive.

If you don't see it with your own eyes, who can believe it? !

They didn't even know that Yan Hong and Miao Ying were not from Kyushu at all, but fairies born in the illusory realm.

"Yue Feng, take someone to go first!" At this moment, Miao Ying urged softly.

When the words fell, Yan Hong also said lightly, "Let's go quickly, obviously the strength has not recovered, so I have to cause trouble."

Uh...

Hearing Yan Hong's words, Yue Feng was very embarrassed.

After that, Yue Feng did not hesitate, endured the pain, holding Long Qianyu and the Queen tightly, one in each hand, soaring into the sky and flying towards the outside of the imperial city.

"Stop them!"

Seeing this scene, Long Yaotian was furious and couldn't help shouting.

swoosh swish...

In an instant, many Heavenly Drive Saint Guards urged their internal forces to pursue them, but they were intercepted by Yanhong and Miaoying before they flew into the air.

Bang....

Seeing this scene, Long Yaotian's face was extremely ugly, and he slapped his palm on the dragon seat: "Trash, it's all trash, pass my order, no matter how much you pay, you must take down these two women and arrest them. Staying in Yue Feng..."

It was a shame and shame for Yue Feng to take sister Long Qianyu away in front of so many people.

"Kill!" The

voice fell, and the Tianxu Shengwei and the imperial city guards screamed and rushed towards Yanhong and Miaoying.

In an instant, the two sides fought together, screaming constantly!

...

the other side.

Dozens of miles away from Longmen Pass, there is a valley where Duan Yu is temporarily stationed with the defeated army of death.

At this moment, Duan Yu sat there in the tent of the camp with a gloomy expression on his face.

Jed stood aside, trembling. The atmosphere was indescribably depressing.

This time the attack on Longmen Pass was a tragic defeat. Whether it was Duan Yu or Jade, the mood was extremely bad.

“Your Majesty!”

Finally, Jade took a step forward and said cautiously: “I will reorganize the army later, and I must capture the Longmen Pass to relieve Your Majesty’s worries.”

Duan Yu chuckled and sneered: “Then Yue Feng and Lu Lingshan have the Chaos Yin-Yang Pearl of Empress Nuwa, I am no match, can you beat me?”

Uh...

Jed scratched his head awkwardly, then thought of something, and quickly said: “Your Majesty, Chaos Yin-Yang Pearl is nothing, didn’t His Majesty capture the Nine Heavens Saintess? As long as they fuse all their innate auras, defeating Yue Feng is easy.”

After speaking, Jed showed a smile and continued: “The previous generation of Hades is still there. At that time, I overheard him say that in order to fully integrate the power of the Nine Heavens Saintess, it is necessary to form a great soul-melting formation on the top of the Kunlun Mountains at the top of Kyushu, because the Kunlun Mountains are connected to the Mitian Spiritual Realm where the Nine Heavens Saintess is located. , the fusion of innate spiritual power will be more pure...”

Hahaha...

Hearing this, Duan Yu was overjoyed, nodded in approval and said, "Okay, just do as you said, set off immediately, and take the Holy Maiden of Nine Heavens to the top of Kyushu."

"Yes, Your Majesty!" Jade responded and hurriedly Get out of the tent.

A few minutes later, the death army quickly assembled, escorted Duan Yu, and headed for the top of Kyushu.

...

on the other side, in mid-air.

Yue Feng took Long Qianyu and the queen and flew out of the imperial city smoothly.

"Yue Feng, let go of me, let go..." Long Qianyu's pretty face flushed, and she kept struggling and shouting.

The queen was in a trance, as if she had lost her soul.

Suddenly, he was pregnant, and then he was expelled from the throne and thrown into prison. Before he fully understood what was going on, Yue Feng suddenly appeared again and said that he was the father of the child. It would be difficult for any woman to accept this for a while.

At this time, the queen only felt that her brain was buzzing, and it was completely messed up.

Long Qianyu shouted and made a lot of noise, but Yue Feng ignored it.

Pfft!

After flying for more than ten minutes, and seeing that there were no chasing soldiers behind him, Yue Feng slowly landed in a forest. The moment he landed, Yue Feng finally couldn't hold it anymore, and suddenly collapsed on the ground.

When he came from Longmen Pass, Yue Feng's injuries had not fully recovered. He had experienced a fight just now, and he couldn't stand it anymore.

"Yue Feng!"

Seeing this scene, the Queen, who had been in a trance, reacted, couldn't help but exclaimed, and quickly took Yue Feng's arm: "How are you?"

When asking these questions, the Queen's beautiful face , full of complexity.

To be honest, knowing that Yue Feng is the father of the child, the queen was also a little ashamed and angry, but she didn't know why, but she couldn't hate Yue Feng.

"It's okay, I can't die!" Yue Feng responded with a wry smile.

The next second, Yue Feng looked at the Queen seriously, and said with guilt: "Your Majesty, it's my fault, I made you like this, but there are too many coincidences in it..."

After that, Yue Feng said He explained in detail what happened when he mistakenly entered the queen's bedroom and was then regarded by the queen as the first emperor.

Swish!

Chapter 3137

Hearing this, the queen's beautiful face suddenly flushed with shame.

It turns out...the truth is like this.

At this time, Yue Feng scratched his head, embarrassed: "Your Majesty, the main responsibility for this matter lies with me. If you want to kill or cut me, you will never complain." The

queen pondered silently.

Yue Feng continued: "If Her Majesty the Queen wants to give birth to the child, I will be responsible to the end..."

"..."

Hearing this, the Queen's face blushed again, and her heart was a little confused.

Yue Feng is a famous figure in Kyushu. He knows everything about astronomy and geography. He is a rare talent. The queen really can't bear to kill him, but she is a majestic queen and wants to be his woman

... , the queen was in a tangle.

Seeing that the Queen hesitated, Yue Feng did not urge, but looked at her quietly.

puff!

However, at this time, Yue Feng rushed to the back and a chill came, and then his heart was cold, and he saw a sword directly penetrated his heart, and blood gushed out instantly!

When the severe pain came, Yue Feng only felt the blackness in front of him, and when he turned his head to look, he saw Long Qianyu holding a long sword tightly, and his eyes were full of resentment.

“You...”

Yue Feng was shocked, opened his mouth, but only said one word, and he couldn't go on. He only felt that the strength of his body was rapidly draining, his breath was extremely weak, and he lost the strength to speak.

In his heart, he was also extremely shocked. Yue Feng never thought that Long Qianyu would surprise him from behind.

“Yue Feng!”

Seeing this scene, the queen's delicate body was shocked, and the whole person was stunned.

In the next second, the queen said to Long Qianyu, “What are you doing, are you crazy?” As she spoke, the queen took out the brocade from her body and hurriedly helped Yue Feng to cover the wound, but Yue Feng was bleeding too much and was very Kuaijinpa was dyed red.

“Imperial Sister!”

Long Qianyu gave Yue Feng a look of disgust with a cold face: “I'm not crazy at all, Yue Feng is despicable and shameless, tarnishing your innocence, it's not a pity to die, get out of the way and let me kill you He.”

“No!” The

Queen immediately shook her head and said anxiously, “He was hurt like this to save us. You killed him now, wouldn't you take advantage of others' danger? Let's talk about it...” With

that, the Queen's delicate face It was a bit complicated: “The matter between me and him is also a coincidence. If you kill him, what will happen to the child?”

“Child?”

Hearing this, Long Qian's delicate body trembled. , the anger in his heart was completely ignited, and he shouted: “Do you really want to give birth to a child? Don't forget, who hurt you so badly? If this bastard tarnished your innocence, you wouldn't be kicked out. When you step down to the throne, you won't be called a woman who has no shame in the mouths of the people.”

“All of this is Yue Feng, it’s him.”

Bah!

The last word fell, Long Qianyu pushed the Queen away, and the long sword stabbed at Yue Feng.

What the hell!

Seeing the long sword piercing, Yue Feng was furious and instinctively wanted to dodge, but because he lost too much blood, he had no strength at all, and could not dodge at all.

At this time, Yue Feng was almost on the verge of crying without tears.

He never thought that he would desperately try to rescue the Long Qianyu sisters. In the end, Long Qianyu was not grateful at all and would kill himself.

However, Yue Feng couldn’t hate it, because Long Qianyu said it well, if it wasn’t for Yue Feng, the Queen would not have ended up in such a situation.

The queen next to her wanted to stop her, but she was helpless.

“Stop it!”

At this critical moment, a coquettish shout came, and then, two slender figures flew quickly from a distance, blocking Long Qianyu’s sword.

It was Miao Ying and Yan Hong.

Chapter 3138 Yanhong

and Miaoying joined forces, and they were invincible. The entire Nanyun Imperial City was unstoppable. They quickly defeated the Tianxu Shengwei and rushed to join Yue Feng. As soon as they arrived, they saw that Long Qianyu was going to kill Yue. wind.

At this moment, Miao Ying stood in front of Yue Feng and said to Long Qianyu: “What’s the matter with you, Yue Feng took the risk to rescue you, why did you kill him?” As

she spoke, Miao Ying saw Yue Feng’s situation suddenly trembled, and he was worried.

I saw that Yue Feng’s heart was pierced, the blood flowed non-stop, and the whole person was extremely weak.

“Yue Feng, how are you, how are you...” Miao Ying helped Yue Feng, her eyes were full of worry and she was about to cry.

“Look at how nervous you are!”

Yan Hong, who was next to him, looked indifferent: “He won’t die, but he lost too much blood.”

After speaking, Yan Hong looked at Long Qianyu: “Why did you kill him?”

Long Qianyu bit her lip tightly, and said coldly, “He tarnished my royal sister’s innocence, and it would not be a pity to die 10,000 times.” After

speaking, Long Qianyu looked at Yue Feng and said, “I didn’t kill you just now, count you. Good luck!”

Whoosh!

Feeling Long Qianyu’s anger and disgust, Yue Feng took a deep breath, not knowing whether to laugh or cry. At this time, Miao Ying couldn’t stand it anymore, and shouted at Long Qianyu

: “Yue Feng saved you, but you want to kill him, aren’t you ashamed?”

What it means, she only knows that Yue Feng risked his life to rescue Long Qianyu, but Long Qianyu retaliates with kindness, which is very inappropriate.

Long Qianyu snorted coldly and did not respond.

“okay!”

At this time, Yan Hong was too lazy to talk nonsense, and said lightly: “What are you talking about with her? Just kill it.” After the words fell, Yan Hong stretched out her finger and touched Long Qianyu’s acupuncture point.

She and Miao Ying are both fairy spirits, but Yan Hong has a violent personality and is extremely murderous.

Yanhong’s speed was so fast that Long Qianyu didn’t have time to react. In an instant, her delicate body trembled, and she couldn’t move at all.

hum!

The next second, Yanhong slowly raised her right hand and patted it on Long Qianyu’s head.

Feeling the powerful aura of Yanhong’s eruption, Long Qianyu had a fearless face on the surface, but was panicked in his heart.

It's so sad to die like this.

"Don't!"

Seeing this scene, the queen's delicate body trembled, and she couldn't help but let out a coquettish cry.

Immediately afterwards, the queen tilted her head to plead for Yue Feng: "Yue Feng, the imperial sister has an impulsive personality. You know it better, so please forgive him this time."

Having said that, the queen held her own identity, and did not want to be so arrogant to Xiang Yue. Feng begged for mercy, but there was nothing she could do. She and Long Qianyu were deeply in love, so how could she just watch her die?

"Sister, you don't ask him!" Long Qianyu couldn't help shouting.

Yue Feng hurt his sister so badly, he would rather die than bow his head to him.

However, the queen didn't seem to hear it, and kept begging to Yue Feng: "Yue Feng, please spare her, please..."

Phew!

Yue Feng took a deep breath and said to Yanhong: "Forget it, let her go!" To

be honest, Long Qianyu's surprise attack from behind made Yue Feng very annoyed, but Yue Feng also knew that the two sisters of Long Qianyu In such a situation, he has a direct relationship.

What's more, the queen is pregnant with her own child, and she really wants to kill Long Qianyu, which is too unreasonable.

What?

Yan Hong thought she had heard it wrong, her eyebrows furrowed, and she said to Yue Feng, "She almost killed you, so you want to let her go?"

"Yes!" Yue Feng said seriously, "Let her go!"

However, Long Qianyu didn't appreciate it at all, her pretty face flushed and she cursed: "Yue Feng, don't be hypocritical, kill if you want, stop talking nonsense, let me tell you, even if you let me go, I won't forgive you, and I won't let the imperial sister give birth to the child, you better die!"

Hearing this, Yue Feng's face was extremely ugly.

Chapter 3139

Nima, this Long Qianyu is crazy, she explained it herself, and the queen didn't blame it, but she always held on to it.

Thinking to himself, Yue Feng was too lazy to say more, and motioned Yanhong to let Long Qianyu leave quickly.

Yue Feng thought about it, the queen is pregnant, she should stay by her side and take good care of it. As for Long Qianyu, let her go first, she will calm down after a long time.

Yanhong didn't let go of Long Qianyu immediately, seeing that the more she scolded her, the more unpleasant it sounded, she said coldly, "You don't know how to praise..."

Long Qianyu interrupted her before she finished speaking.

"You don't come and teach me." Long Qianyu's eyes flashed with contempt, and he sneered: "You are not a good thing to follow a person like Yue Feng!"

At this time, Long Qianyu, under the shame and anger in his heart, has lost reason.

Swish!

Seeing her pointing her finger at her, Yanhong's face changed, and a murderous intent burst out in her eyes: "You are courting death!"

As fairy spirits born in the illusory realm, Yanhong and Miaoying are diametrically opposed. He is evil by nature, acts as he pleases, and has no scruples. He didn't restrain himself until he met Yue Feng, but Yue Feng was also in awe of her, but at this time, he was insulted by Long Qianyu face to face, how could he bear it?

What the hell!

At this moment, Yue Feng was also shocked, looking at Long Qianyu's eyes, showing helplessness and depression.

She has to be careful with Yanhong, but Long Qianyu dares to scold her, isn't this courting death?

hum!

Under the anger, Yanhong's power erupted, and a terrifying aura instantly locked Long Qianyu.

"stop!"

In a panic, Yue Feng couldn't help shouting: "Yanhong, let her go immediately." His voice was weak, but there was no doubt.

"A mortal woman dares to scold me, she really doesn't know her life or death." Yan Hong said coldly.

When the words fell, Yan Hong stretched out her jade hand and grabbed Long Qianyu's neck all of a sudden. With the powerful force surging, she saw Long Qianyu's beautiful face instantly turn purple.

Long Qianyu wanted to struggle, but with the terrifying power of the fairy in front of him, he had no chance to resist at all. He only felt that his eyes were darkened and his breathing became more and more difficult.

"Yanhong!"

Seeing this scene, Yue Feng was shocked and angry: "You didn't listen to my orders, didn't you, don't forget, how did you promise me in the Great Illusory Realm before? Are you going to go back on your word??"

When he said this, Yue Feng was righteous, but his heart was confused.

Previously in the illusory realm, Yue Feng used the formation to trap Yan Hong and forced her to obey, but Yue Feng also knew that in Yan Hong's heart, she had never accepted herself. At this time, she wanted to kill Long Qianyu wholeheartedly, and she really couldn't stop it.

call!

Hearing this, Yan Hong's icy face was gloomy and uncertain, and it took more than ten seconds before she let go of her jade hand.

"Yue Feng, what can you do with a soft-hearted person like you? You want to let her go, right, okay, I will follow your wish, but in the future, don't ask me to help you again.

" With these, Yanhong's figure turned around and walked towards the distance.

Obviously, Yue Feng's actions made her very annoyed, but she couldn't help it. She had promised Yue Feng in the illusory realm before that everything had to obey his orders. Yan Hong was arrogant, but she did what she said.

call!

Seeing this scene, Yue Feng secretly breathed a sigh of relief.

Nima, it is fortunate that this Yanhong is faithful to her words, otherwise, Long Qianyu would be really dangerous.

Long Qianyu walked around from the edge of death, and was still in shock, but he didn't have the slightest gratitude to Yue Feng.

"Yue Feng, I won't let you go!" Long Qianyu said coldly, and turned away without looking back. In the blink of an eye, he disappeared into the woods.

Nima!

Watching Long Qianyu go away, Yue Feng was very depressed.

What is this called.

He saved Long Qianyu twice, but he didn't say thank you, and indirectly offended Yanhong.

Chapter 3140

"Yue Feng!"

At this time, the queen said softly: "Don't blame the emperor...she is so impulsive sometimes."

Yue Feng smiled and said it was fine.

Miao Ying next to her was nervous: "Yue Feng, how do you feel?" As she spoke, she sat down with her knees crossed to help Yue Feng heal her injuries.

It has to be said that Miao Ying, as a fairy in the illusory realm, has a pure innate spiritual energy, and after a while, Yue Feng's complexion recovered a touch of rosy.

"Let's go!"

Yue Feng took a deep breath and said slowly: "Let's go back to Longmenguan, hurry!" His tone was flat, but his eyes were a little anxious.

To be honest, Yue Feng's current situation needs to be cultivated in time, but he is very clear in his heart that he has just rescued the Long Qianyu sisters from the palace. Long Yaotian will never give up and will definitely send an army to Longmenguan to deal with Ren. Yingying and Sun Dasheng.

Therefore, it is imperative to rush back.

.....

At this moment, Nagumo Palace!

Inside the hall, Long Yaotian sat there, his face extremely gloomy.

I originally planned to publicly judge the Queen and Long Qianyu today to secure my throne, but unexpectedly, Yue Feng suddenly attacked, not only saving people, but also making a mess of the palace.

“Report—“

At this moment, Liu Quan, the commander of the imperial city guard, walked in quickly, knelt down with a plop, sweating profusely: “Avoid, my subordinates lead the army to search the mountains and fields near the imperial city with all their strength, but... There is no whereabouts of Yue Feng!”

“Trash!”

Hearing this, Long Yaotian was extremely angry: “Yue Feng was seriously injured when he fled, and it is absolutely impossible to escape.”

Liu Quan knelt there tremblingly, not daring to let out a breath.

In the next second, Liu Quan thought of something, and said cautiously, “Your Majesty, although Yue Feng has escaped, the Ouyang family is still at Longmen Pass. As long as we capture the Ouyang family, Yue Feng will definitely show up!”

Shuh!

Hearing this, Long Yaotian’s eyes flashed suddenly, and then he showed a smile: “This is a good way!”

Although Yue Feng escaped, but the Ouyang family was still at Longmenguan, how could he forget this.

Thinking to himself, Long Yaotian was very excited, and immediately ordered: “If you send the order, you can send troops to Longmen Pass and wipe out the Ouyang family!”

“Yes!”

Liu Quan hurriedly responded and walked out of the hall.

A few minutes later, hundreds of thousands of elites from the imperial city, led by Liu Quan, rushed to Longmenguan!

Hundreds of thousands of elites from the Imperial City left, and the defense of the entire Nagumo Palace was weakened a lot in an instant.

At this time, darkness gradually fell, and the entire Nagumo Palace was shrouded in darkness.

“Whoosh!”

Suddenly, a slender figure flew from a distance and landed steadily on the top of the north gate of the palace.

Through the moonlight, I saw her wearing a fiery red dress, her tight figure was looming, and she was extremely charming.

It is Yanhong.

Before Yanhong wanted to kill Long Qianyu, she was stopped by Yue Feng with a tough attitude, which made Yanhong very annoyed. She was originally a fairy in the illusory realm, with an evil and cruel nature, but her freedom of behavior was restricted by a human man. , At this time, there is nowhere to vent his grievances, and he intends to come to trouble the Nagumo royal family.

“Huh? Who?!”

“So bold? Dare to trespass the palace?”

“It’s her!? The woman who helped Yue Feng before...” In an

instant, the palace guards discovered Yanhong, and everyone panicked. at a loss.

At the same time of panic, the eyes of many guards also looked at Yan Hong without blinking.
