

## The ultimate husband in Chinese chapter 3141-3150

Chapter 3141

Beautiful!

This woman is so beautiful, with a beautiful face and a perfect figure, without the slightest flaw, just the breath that permeates her body, too strong, too fierce.

Yan Hong didn't care about the gazes of these guards, her icy expression did not fluctuate in the slightest.

"Tell your emperor to come out and lead him to death." An icy voice sounded from Yan Hong's mouth.

Yanhong has a cruel personality and acts arbitrarily. Although what happened today was caused by Yue Feng, it is also indirectly related to Long Yaotian. Because Yanhong has to keep his promise, he can't do anything to Yue Feng, so he can only spread the fire on the ground. On the Nayun Royal Family and Long Yaotian.

What?

Hearing this, all the guards below were extremely shocked.

This woman is so arrogant that she even single-handedly provokes the imperial palace, and even threatens to be detrimental to His Majesty. She is so arrogant and lawless.

"You're not timid!"

Finally, a captain of the guards took the lead in reacting and shouted angrily at Yan Hong: "During the day, Yue Feng and Yue Feng made a riot at the execution ground. See if you don't know how to write dead characters."

"It's long-winded." A

cold voice came from Yanhong's mouth, and then her delicate body flashed, and she instantly came to the captain and slapped him fiercely. face!

"Ah..."

Before the captain could react, the whole person flew up, spilling a patch of blood in the air, and when he landed, he died of anger.

hiss!

This chapter is provided by . Visit for daily update.

Seeing this scene, the other guards present couldn't help gasping for air.

Strong... This woman's strength is simply a pervert. You must know that the captain of the guards is also the strength of the fifth stage Martial Emperor, so he was beaten by Yan Hong.

"Someone is making a riot in the palace, come and help!"

Under the shock, several guards couldn't help shouting. In an instant, all the guards in the palace were alerted, including the heavenly exorcism saints, all came.

Seeing so many guards coming, Yan Hong's expression was cold, without the slightest fluctuation.

In the next second, Yanhong looked around and saw Long Yaotian's figure, so she couldn't help but scornfully said: "Your new emperor, can you be so capable? I don't dare to come out alone! In that case, I will take you all first. Kill it, set the palace on fire with a torch, and see where he can hide!"

Om!

When the voice fell, Yan Hong slowly raised her jade hand, and saw a black fog quickly spread out, and then, a fiery red thunder and lightning condensed in Yan Hong's hand.

It was Yanhong's ultimate move, the Blood Devil Lightning Palm.

What a strong breath, and this thunderbolt turned out to be blood red.

Seeing this scene, all the guards present, including Tianxu Shengwei, trembled in their hearts.

It was at this moment that Yan Hong did not hesitate at all. With a wave of her jade hand, blood-colored lightning burst out!

boom!

The blood-red thunder and lightning broke out in the crowd of guards in an instant, and the blood-colored thunder and lightning spread rapidly, and many guards were enveloped.

Seeing this scene, the remaining guards, as well as the Heavenly Drive Saint Guard, all turned pale.

This woman's strength is too terrifying, how can she fight?

Whoops!

That is, at this moment, several figures came out of the hall quickly, and the dragon robe at the head was Long Yaotian.

“It’s you again!”

Seeing Yanhong, Long Yaotian was stunned for a moment, and then roared, “How dare you come back to make a riot in the palace? This time you don’t want to leave alive!”

While speaking, Long Yaotian clearly saw, Surrounded by the bodies of guards, the ground was dyed red with blood, and the anger was rising.

Yan Hong snorted coldly, a trace of gloomy expression on her beautiful face, looked at Long Yaotian and said word by word, “Stop talking nonsense, I’m going back and coming back, I’m here to take your life!”

Chapter 3142

Swish!

Hearing this, Long Yaotian’s face was extremely ugly, and the flesh at the corner of his eyes twitched.

“Okay, very good!!” In the

next second, Long Yaotian sneered and said with red eyes: “I want to see how talented you are!” The voice fell, and Long Yaotian urged him with a long sword. Holding hands tightly, it erupted immediately, heading towards Yanhong.

Seriously, after seeing Yanhong’s strength in the daytime, Long Yaotian didn’t want to do it himself, but he was so dignified by Emperor Nanyun that he was despised by a woman.

Moreover, this woman fought against the Heavenly Drive Saint Guard during the day, and the internal energy consumed must have not recovered, so Long Yaotian did not panic at all.

At this time, Long Yaotian didn’t realize that the Yanhong in front of him was not a human at all, but a fairy.

“Om!”

Seeing Long Yaotian burst out, Yan Hong raised a trace of contempt at the corner of her mouth, then raised her jade hand and laid down a protective layer in front of her.

“Boom!” In the

next second, Long Yaotian's long sword stabbed hard on the protective film, and he saw Long Yaotian's face instantly pale, and his body was shaken out.

On the other hand, Yanhong was quietly suspended in mid-air, not moving at all.

What?

Seeing this scene, all the guards around were dumbfounded.

Long Yaotian stabilized his figure and looked at Yanhong closely, shocked.

How could this be? His all-out blow didn't even threaten this woman at all. Who is she?

"ended!"

Just when Long Yaotian was secretly shocked, Yanhong's red lips parted lightly, and she said a few words, and then her figure was astonished, and she slapped Long Yaotian with a palm. Wherever the figure passed, the sky was distorted.

"Bang!"

Long Yaotian had just been shaken, his internal strength was disordered, and he had no time to dodge. This palm directly smashed the top of his head, and he fell to the ground with a bang, his eyes widened, and his breath was completely gone.

Yanhong stood there proudly, looking at Long Yaotian's corpse, her eyes were full of cold evil. In her heart, killing Long Yaotian was no different from crushing an ant.

call!

At this moment, the surrounding guards were all dumbfounded, and the whole place was deadly silent.

"Your Majesty is dead!"

Finally, someone shouted, and many guards dispersed, scrambling to escape.

...

on the other side, Longmenguan!

In the hall of the defending general's mansion, Wen Chouchou, Sun Dasheng and others sat there one by one, all a little anxious.

Yue Feng went to the imperial city alone, and he didn't know what happened.

Because before Yue Feng left, he only said that he would rescue the Queen and Long Qianyu, and he did not say any relevant details, so the crowd of Wen Chou Chou did not know the specific situation.

“It’s not good!”

At this moment, Meihui walked in quickly, with a hint of panic on her delicate face: “The royal family of Nanyun has sent a team of elites and they have already gone outside the city. I heard that it is for our Ouyang family. Come!”

What?

Hearing this, Wen Chou Chou, Sun Dasheng and the others all looked at each other in dismay.

Could it be that Yue Feng caused trouble in the Nanyun Imperial City?

That’s not right, Yue Feng had just helped to defend the Longmen Pass, and the new emperor of Nanyun Continent had specially ordered someone to send him a generous gift.

“Don’t panic!”

At this time, Wen Chou Chou reacted and said slowly, “Let’s go out and have a look.” After saying that, he walked out first.

In the past few days, with the help of Bing Yao, Wen Chou Chou completely got rid of the soul contract, and his injuries have also recovered a lot.

After getting rid of the soul contract, the evil arts of the ghost world that Wen Chou Chou practiced before disappeared without a trace, and at the same time lost control of the blood Buddha. It is said that before Wen Chouchou got rid of the soul contract, he was a living dead person with extremely heavy yin, so he could control the blood Buddha through the tiger talisman, and once the soul contract disappeared, he would lose the ability to control the blood Buddha.

Chapter 3143

Losing control of the blood slaughterhouse, Wen Chou Chou is not a pity at all, since he has changed back to a normal person, he can be with his brothers, and it is worth the cost.

Sun Dasheng, Ren Yingying and the others looked at each other and followed.

Outside the city gate, I saw other sects also coming out.

call!

Seeing the scene in front of him, whether it was Wen Chou Chou or Ren Yingying and others, they were all stunned.

I saw the elites of the 200,000 Imperial City, waiting in full force, enclosing the entire Longmen Gate like an iron barrel!

These elites in the imperial city are much stronger than the defenders of Longmen Pass. They are uniform in armor, armed with long spears, and their murderous aura is awe-inspiring!

In front of this elite army, a man was riding a warhorse and wearing golden armor, his face was cold.

It is the commander Liu Quan!

“Hey!”

At this time, Sun Dasheng couldn't help coming out and looked directly at Liu Quan: “Are you the commander of the imperial guards? You named our Ouyang family, what's the matter?”

Liu Quan did not respond immediately, but looked around. After a circle, he said lightly: “The people from other sects stand back, so as not to hurt the innocent!”

Wow!

Hearing this, the other sects around were in an uproar.

“What's the situation?”

“This is going to be done?”

“The Ouyang family has just helped guard the Longmen Pass, and the credit is not small. Could it be that the Nanyun royal family is going to cross the river and demolish the bridge?” During the

discussion, many sects retreated.

At this moment, Wen Chou Chou was also a little angry, and glared at Liu Quan: “What do you mean?”

Liu Quan sneered, then his eyes turned cold, and he shouted: “The whole army obeys the order and immediately eradicates the Ouyang family, leaving no one behind! “

Yes!" The

voice fell, and the elites of the 200,000 Imperial City drew out their long knives in unison, howling one by one, and charged directly towards Ren Yingying, Sun Dasheng and others.

"You..."

Ren Yingying's body trembled and she was furious.

Sun Dasheng was even more enraged, he pulled out his axe, and howled, "Okay, you Nanyun Continent, we just helped to defend the Dragon Gate Pass, then turn around and deal with us!"

At the same time, retreat to the other surrounding The masters of the sect were also frowning secretly, feeling that the actions of the Nanyun Imperial Family were too much.

"Haha!"

Liu Quan sneered and said to Sun Dasheng: "You feel very angry, right? Well, I'll let you all understand that Yue Feng acted daringly, forged with the previous queen, and conceived a wicked seed. Later, he was openly on the execution ground, Taking the Long sisters away and ignoring the imperial power is a heinous crime, and you, as Yue Feng's relatives, are also unforgivable!"

What?

Hearing this, both Ren Yingying and Sun Dasheng, as well as the surrounding masters of various sects, were all stunned.

Yue Feng...and the previous queen...have a child?

Especially Ren Yingying, her body was trembling and her heart was extremely complicated.

I thought that Yue Feng went to rescue the Long Qianyu sisters, just to help them mediate the conflict with the royal family, but never expected that the situation would be so serious.

No wonder they sent an army here.

At the same time, the surrounding sects also exploded.

"This Yue Feng is so daring..."

"To actually get her hands on the empress..."

“What about her strength? Her character is so corrupt, and now it’s affecting the Ouyang family...”

Under the discussion , No sect came to help, but avoided far away, for fear of being involved.

Chapter 3144

Wow!

In the blink of an eye, everyone in the Ouyang family was besieged in circles, and fierce battles broke out between the two sides.

Despite the huge disparity in numbers between the two sides, Wen Chou Chou, Sun Dasheng, Ren Yingying and the others are all top experts in Kyushu, and even if they are besieged, they have no disadvantage.

Swish, swish, swish...

Just when the two sides were fighting fiercely, suddenly, a roar was heard in the wilderness not far away.

Looking at the sound, I saw an army of tens of thousands of dead coming quickly. Under the night, the white faces of those dead soldiers made my heart shudder.

Headed by the two handsome figures.

It is Jed’s right-hand man, Zangshuiyue and Zanghuoyue.

what’s the situation?

Seeing this scene, whether it is the two sides who are fighting fiercely, or the surrounding sect masters, they are all shocked.

A day ago, didn’t Duan Yu and Jade lead the army of death to withdraw? Why did it appear silently again?

At this time, everyone didn’t know that Duan Yu didn’t take all the death warriors away, but kept some of them. He was watching the situation near Longmen Pass. The people in charge were the brothers Zang Huoyue and Zang Shuiyue.

Just now, the Zang Huoyue brothers discovered that there was an infighting at Longmen Pass, and without any hesitation, they led tens of thousands of dead soldiers to launch an attack.

“Quick, meet the enemy!”

In an instant, the masters of various sects who were watching the battle around, reacted one after another, and fought fiercely with the army of tens of thousands of dead.

In this case, Wen Chou Chou, Sun Dasheng and others also temporarily stopped fighting with Liu Quan and resisted the army of death together.

Although this army of death was only tens of thousands of people, it was difficult to kill these dead soldiers, and everyone was in a hurry to resist, so after a fight, everyone suffered heavy casualties.

Bang Bang....

During the fierce battle, Sun Dasheng waved his axe and sent several dead soldiers flying in front of him, and then shouted angrily at Liu Quan: "You Nanyun Continent are really shameless, you have to provoke infighting, otherwise, I won't let the army of death have a chance to take advantage of it!" The

voice fell, and Wen Chou Chou followed suit: "Yes, if the Dragon Gate Pass falls this time, the Nanyun Royal Family will be blamed!" When he said this, Wen Chou Chou was very anxious.

Just dealing with Liu Quan and the elites of the Huang family, the Ouyang family is not afraid at all, but now that the army of death is taking advantage of it, it will be different.

"Nonsense!" Hearing this, Liu Quan was very annoyed and scolded: "If it wasn't for Yue Feng's nonsense ,

why would I use Nanyun Continent to do anything to you?

"

Howling rushed up and drowned out their voices.

The situation is getting more and more critical.

It was at this moment that several figures came from a distance, it was Yue Feng, Miao Ying, and the three queens.

What?

Seeing the scene in front of him, Yue Feng was shocked and anxious.

He was in such a hurry to come back because he was afraid that the royal family of Nanyun would take action against the Ouyang family. He didn't expect it to be a step too late, and what he didn't expect was that Duan Yu actually left a small army of death behind.

At the same time, the empress next to her also trembled and was shocked.

Unexpectedly, the battle situation ahead is so tragic. . . .

In the next second, Yue Feng didn't have time to think, and said to Miaoying, "Miaoying, take down those two brothers!" His injury did not recover, so Miaoying could only take action.

Yue Feng is proficient in the art of war, and he knows the truth of capturing the thief first. As long as the brothers Zang Huoyue and Zangshuiyue are controlled, those tens of thousands of dead soldiers are nothing to worry about.

Um!

Miao Ying responded, and her figure flew up, heading straight for Zangshuiyue and Zanghuoyue.

"A woman, also rushed over to be presumptuous?" Seeing Miaoying coming, Zang Huoyue didn't panic at all, her eyes were full of contempt.

Zang Shuiyue also sneered and joined hands with Zang Huoyue to deal with Miaoying.

At the beginning, the two were still full of self-confidence, but gradually they felt that something was wrong. No matter how they cooperated, they couldn't hurt Miao Ying, and they couldn't even touch the corners of her skirt.

bang bang....

Chapter 3145

Finally, Miao Ying found an opportunity, raised her jade hand, and clicked on the acupoints of the brothers.

In an instant, Zang Shuiyue and Zang Huoyue were both shocked and unable to move.

"Let these death warriors stop immediately!" Yue Feng came over, took a deep breath, and shouted angrily at the brothers.

"Haha..."

Zang Huoyue smiled coldly and said cunningly: "The army of death, only obey the orders of Lord Jed and Hades. If you have the ability, you can find Master Jed and His Majesty.

" With the support of Pluto, Zang Huoyue did not panic at all.

Zang Shuiyue next to her also had a cold and arrogant look on her face.

Mad!

Yue Feng was very annoyed, even if he captured the leading Zang Huoyue brothers, the surrounding tens of thousands of dead troops would not stop fighting, and the battle had to continue...

“Fengzi, kill them!”

“Yes, kill them directly. It’s over...”

Seeing the situation here, Sun Dasheng and Wen Chouchou, who were still fighting, couldn’t help shouting.

Hearing this, Yue Feng nodded at Miao Ying and signaled to start.

Since the two brothers did not cooperate, they were killed directly, so as not to leave future troubles.

“Yue Feng!”

At this moment, Ren Yingying suddenly thought of something, and shouted at Yue Feng: “Don’t kill them first, I heard Bing Yao say that to control these dead armies, you need an exorcism spell, check it out. On the two of them.”

Yue Feng nodded, walked quickly to the Zang Huoyue brothers, peeled off their upper clothes, and saw a faint blue spell painted on their backs.

Yue Feng saw that these two spells were painted with the unique pigments of the ghost world, and water could not wash them off at all.

However, Yue Feng quickly thought of a way to let Miao Ying use her innate spiritual energy to directly dispel the spell on the brothers.

The moment the spell was dispelled, tens of thousands of dead soldiers on the battlefield stopped fighting and froze there, like statues.

Puff, puff!

And Zang Huoyue and Zang Shuiyue also trembled and collapsed directly to the ground with panicked expressions.

Done!

The exorcism spell on his body was broken. Tens of thousands of death warriors have fallen. If Hades and Jed knew about it, they would not let their brothers go.

call!

At this time, the surrounding masters of various sects secretly breathed a sigh of relief.

Fortunately, Yue Feng came back in time, otherwise, Longmengan would be really dangerous.

However, under the emotion, everyone looked at Yue Feng's eyes, but did not show any gratitude, but showed complexity.

Especially the elites of the imperial city headed by Liu Quan, and Sun Dasheng, Wen Chou Chou and others, confronted coldly, the smell of gunpowder was strong, and they were about to explode.

"Yue Feng!"

Finally, Liu Quan glared at Yue Feng and couldn't help shouting: "You still dare to go back to Longmen Pass? I am under His Majesty's order to bring you and the Ouyang family back. Capture it!"

Although Yue Feng had just solved the crisis at Longmen Pass, he could not forget his mission, and in any case, he had to be taken back to the imperial city and handed over to His Majesty's disposal.

Yue Feng did not respond, his face was indifferent, but his heart was extremely bitter.

He was indeed at fault for the whole thing. After all, he had a night of spring rain with her without the Queen's knowledge, causing her to conceive a child and lose the throne.

After all, the Nagumo Royal Family is right.

But now that Duan Yu is harming Kyushu, it is just when the wind and rain are drifting, how can he follow Liu Quan back to the imperial city?

"Your Majesty?"

Just when Yue Feng was secretly depressed, suddenly, a faint voice came from the sky not far away: "This commander, your Majesty, I'm afraid you will never see him again!"  
The

last one The words fell, and a slender figure flew over quickly, the beautiful face was extremely cold, and at the same time there was a bit of mockery.

It is Yanhong!

## The ultimate husband in Chinese chapter 3146-3150

Chapter 3146

Huh?

Hearing this, Liu Quan was stunned for a moment, frowning at Yan Hong: "What do you mean?"

Yue Feng also frowned secretly, with a bad feeling in his heart. Yan

Hong chuckled lightly, looking at Liu Quan with contempt in her eyes, and wrote lightly, "Can't you hear this? Your Majesty, I killed you two hours ago."

Looking at Yue Feng with a smile, "Yue Feng, that emperor sent someone to hunt you down. It's very abominable. I have already solved it for you.

" It's just that there is a hint of cunning in his eyes.

Yes, Yanhong did it on purpose.

In the past, Yue Feng tried his best to protect Long Qianyu, which made Yan Hong very unhappy. In order to let out his anger, he killed Long Yaotian behind Yue Feng's back. At this time, he made a special trip to tell Yue Feng, just to make him feel uncomfortable.

Whoa!

Hearing this, both Liu Quan and the others present were shocked.

She...she actually killed Long Yaotian.

Only the Queen stood there, stunned, and did not recover for a long time. Long Yaotian conspiracy to usurp the throne, he should be killed, but for some reason, the queen is not happy.

The Yanhong in front of her is charming and sexy, but her methods are very hot. Yue Feng keeps such a woman by his side, which is unpredictable.

"Yue Feng!"

Finally, Liu Quan reacted, glared at Yue Feng and shouted: "You are so bold, you dare to instruct the people around you to harm your Majesty, you are full of benevolence, righteousness and morality, open your mouth to Kyushu and close your mouth to

Kyushu, but you can hide behind your back. , but fornicating with the previous queen, causing the Nanyun royal family to lose face, and now killing the emperor, is this what you call justice in the world?”

This chapter is provided by . Visit for daily update.

When he said this, Liu Quan was righteous, and his eyes almost burst into flames.

At this moment, Liu Quan really wanted to give an order to let the elites of the imperial city behind him make another move to capture Yue Feng, but feeling the strength of Yan Hong and Miao Ying, he didn't have the courage.

What's more, in the previous melee, the soldiers were exhausted and no longer able to fight.

The voice fell, and the surrounding masters of various sects also talked about it.

“To send someone to assassinate Emperor Nanyun, this Yue Feng is crazy.”

“Haha... It's not to continue to hang out with the previous queen...”

“The famous Tianmen Sect Master is just like that.”

“Yes . Ah, I have always admired him so much, it turns out that he is a deceiver and a daring person.” The

surrounding discussions kept coming, Yue Feng's face was extremely embarrassed, but he didn't know how to refute.

After all, Yanhong was on her side. She killed Long Yaotian, and she couldn't escape the responsibility.

“Yanhong!” In the

next second, Yue Feng looked directly at Yanhong and asked, “Why did you do this?” Speaking of which, Long Yaotian committed a crime and forced the Queen to step down. It really deserves to die, but Yue Feng didn't think about it for the time being. Overkill him, after all, the biggest enemy of Kyushu now is Duan Yu.

But now, Yanhong has killed Long Yaotian, and the Nanyun Continent will surely fall into turmoil, which is very unfavorable for the Kyushu to fight against Duan Yu together.

Yan Hong looked displeased: “I got rid of the enemy for you, are you still unhappy?”

“When did I ask you to kill Long Yaotian?”

“But you didn’t say, don’t let me kill him! “

“You...”

In the face of Yan Hong’s strong words, Yue Feng was at a loss for words, unable to say anything.

“Okay, okay!”

Under the fire, Yue Feng looked around and said loudly: “Everyone, I didn’t know about Emperor Nanyun’s death in advance. From now on, I declare that I will draw a clear line with Yanhong. What I did has nothing to do with me.”

Chapter 3147

At this time, Yue Feng has also figured it out clearly, Yanhong is evil by nature, if she is forcibly restrained because of the agreement in the illusory realm, it will only make her more and more rebellious, and cause trouble for herself one after another, it is better Clear the relationship.

“Okay!”

Hearing this, Yan Hong sneered: “Yue Feng, this is what you said, and we will have nothing to do with each other in the future.”

When saying this, Yan Hong’s face was full of anger, but her eyes flashed. Be proud.

That’s right, everything Yanhong had done before, the ultimate purpose was to force Yue Feng to draw a clear line with herself. Then, without Yue Feng’s restraint, she would be able to do whatever she wanted.

After speaking, before Yue Feng could respond, Yan Hong’s delicate body flashed and rushed into the night sky, disappearing from everyone’s sight.

“Yue Feng!”

Seeing this scene, Ren Yingying stamped her feet anxiously, walked over quickly and whispered, “You shouldn’t have done this.”

Ren Yingying’s mind was quick and she could see Yanhong’s subplot at a glance. both.

“Why?” Yue Feng frowned.

“You have drawn a clear line with her, and there is no one in Kyushu to restrain her.” Ren Yingying sighed, her beautiful face was full of worry: “Also, these people in front of you will not believe you. “

Sure enough, as soon as Ren Yingying finished speaking, Liu Quan sneered.

“Yue Feng!”

Liu Quan stared at Yue Feng, and said coldly, “You don’t play this trick, you send someone to kill His Majesty, and then you clear the relationship and put the blame completely, thinking that We are all three-year-old children.”

“Your Majesty’s revenge, let’s write it down for the time being, and when the army of death is completely defeated, we will settle accounts with you in the Southern Cloud Continent.”

The last sentence, Liu Quan shouted out, and finally called the elite of the imperial city and retreated to the Longmen Pass.

Liu Quan knew that fighting with Yue Feng at this time was completely courting death, but he couldn’t lose his momentum.

At this moment, the surrounding sects could not help but speak.

“Yue Feng, your conduct has made the entire Jiuzhou rivers and lakes ashamed for you. From today onwards, our Mingzong has nothing to do with your Tianmen!”

“Our Tianmen will also have nothing to do with your Tianmen.”

“Yue Feng, the covenant . Release it, you can do it yourself.”

“And us...”

For a while, the major sects present expressed their dissociation from Tianmen, and then retreated to Longmen Pass.

call!

Seeing this scene, Yue Feng was depressed and helpless.

Ren Yingying, Wen Chou Chou and the others looked at each other, each with an extremely aggrieved expression.

“Made!”

At this moment, Sun Dasheng couldn’t hold back his grievances, he slammed the sky-opening axe on the ground, and cursed: “These people, the whole special code is full of water, and Fengzi is for the sake of Kyushu. After doing so many things, in their mouths, they have become despicable villains?”

Afterwards, Sun Dasheng spit at Longmenguan: "Who cares about alliance with you."

At this time, Wen Chou Chou came over and pointed at Yue Feng He comforted: "Fengzi, don't feel bad, even if the whole world misunderstands you, as long as the three brothers are together, the big thing is nothing."

"That's right!" Sun Dasheng said.

Um!

Yue Feng nodded, the sullen breath in his chest suddenly became much smoother, and then the three brothers looked at each other and smiled.

A few minutes later, the three brothers, Ren Yingying and others temporarily set up camp at a place more than ten kilometers away from Longmen Pass. Yue Feng and Tianmen were rejected by the major sects, and there was no need to go back to Longmen Pass. Things cannot be ignored.

At the same time, there are Zang Shuiyue and Zang Huoyue brothers.

Chapter 3148

After setting up the camp, Yue Feng asked people to bring the Zang Huoyue brothers over.

"Let me ask you!"

Yue Feng looked blankly at the brothers, "Duan Yu and Jade, where have you been?"

When he came back just now, Yue Feng saw that something was wrong, and he stayed near Longmen Pass. , only Zang Shuiyue and Zang Yunyue, and tens of thousands of dead soldiers were left, but Duan Yu and the main force disappeared.

Duan Yu was arrogant and belligerent, and suddenly disappeared with the main force. This was not his style.

"I don't know!"

Zang Huoyue and Zang Shuiyue looked at each other and answered in unison!

do not know?

Hearing this, Yue Feng's face turned gloomy: "As your subordinates, don't you know where Duan Yu and Jed are going? Do you think I'm stupid?" As

soon as he finished speaking, Sun Dasheng next to him exclaimed: “Fengzi, stop talking nonsense. , These two scum, first betrayed the Rakshasa clan, and then followed Jade to harm the Kyushu Continent, so let’s cut it directly.”

Sun Dasheng had a fiery personality, and at this time, seeing the brothers were still stubborn, he couldn’t help it.

“Great Sage!”

As soon as he finished speaking, Wen Chou Chou, who was sitting next to him, gave a wry smile: “Don’t talk yet, let Feng Zi decide!”

These two brothers, Jade’s right-hand man, must not be killed easily.

Sun Dasheng stopped talking.

call!

Yue Feng took a deep breath and looked at the two brothers in front of him: “I’ll give you one more chance, where did Duan Yu and Jade go?”

“Yue Feng, kill if you want, stop talking nonsense!” Zang Huoyue sneered. .

Zang Shuiyue said coldly: “Yes, even if we know, we won’t tell you! If you want to do it , do it. His Majesty Pluto and Lord Jed will definitely avenge us.” With a face of fearlessness, even if Yue Feng really killed them, Duan Yu would be able to resurrect them through the power of the ghost world, so it was not false at all.

Made!

Seeing that the two brothers refused to eat, Yue Feng’s face was extremely ugly, but he was helpless.

Whoa!

At this moment, a slender figure walked in, with a long ice blue dress, with a cold temperament that could not be desecrated, glamorous like a fairy, detached from the world, it was Bing Yao.

After Bing Yao helped Wen Chou Chou disperse the soul contract, he went to investigate Duan Yu’s situation. As a result, Duan Yu left with the main force. Bing Yao searched for a day and a night, but could not find Duan Yu’s whereabouts, and finally returned without success.

As a result, when I returned to Longmenguan, I saw that Yue Feng and Wen Chou Chou were not there. Only then did I learn that Yue Feng and Tianmen were excluded from the rivers and lakes of Jiuzhou, and finally found this place.

“Bingyao! You’re back!” Yue Feng was very happy to see Bingyao, and hurriedly said, “Have you found out Duan Yu’s whereabouts?”

“No!” Bingyao’s red lips parted lightly, and she spat out two words.

Swish!

In the next second, Bing Yao’s eyes fell on the Zang Huoyue brothers, her eyes were full of hostility.

Feeling Bing Yao’s gaze, both brothers were inexplicably flustered.

“Have you come up with something?” Bing Yao asked at Yue Feng.

Yue Feng shook his head: “These two people are not afraid of death at all, they didn’t ask anything.” Aren’t they

afraid of death?

Bing Yao frowned, walked slowly in front of the two brothers, raised her jade hand, a terrifying aura permeated, and saw a curse condensed out of her palm.

Hiss...

Seeing the curse in Bing Yao’s palm, the brothers became inexplicably terrified and gasped at the same time.

“You... what are you going to do?” Zang Huoyue couldn’t help but speak, her voice trembling.

Bing Yao said with a blank face: “I know you are not afraid of death, but don’t forget, I am a former queen of the underworld, and I will also do some of the methods of the king of the underworld! The reason why you are not afraid of death is because you will be killed by that person after death. Duan Yu was resurrected, that’s why he is so fearless!”

“Have you seen the curse in the palm of my hand, as long as I slap it on top of your heads, you will all be blown away, and there will be no possibility of rebirth!”

Chapter 3149

Call!

When the words fell, Bing Yao gently waved her palm and patted the nearest Cang Huoyue on top of her head.

Seeing the curse getting closer and closer, Zang Huoyue was so frightened that her legs became weak, and she quickly said, "I said, I said..."

Zang Shuiyue, who was next to him, was also pale, completely lost his previous arrogance and arrogance. Calm down.

Haha...

Seeing this scene, Yue Feng was very happy. Fortunately, Bingyao was there, otherwise, there would be no way to take these two brothers.

Thinking to himself, Yue Feng shouted angrily at the two brothers: "Come on!"

Zang Huoyue trembled and stammered: "His Majesty Pluto and Lord Jed, went to Kunlun Peak!"

What?

Hearing this, Yue Feng was stunned for a moment, and then asked: "What are you going to do at Kunlun Jue Ding?" Zang Huoyue lowered her

head and said in fear: "His Majesty the Hades is going to combine the power of the eight saintess, and the nine-day saintess is where The entrance to the Mitian Spirit Realm is just above the top of Kunlun, so..."

In the next few minutes, Zang Huoyue didn't hide anything, and told everything she knew.

To be honest, Cang Huoyue didn't want to say it, because the end of betraying Hades was terrible, but there was no way, if you didn't say it, you would be lost.

Swish!

Knowing these circumstances, both Yue Feng and Bing Yao's expressions changed.

No wonder Duan Yu's whereabouts are so difficult to trace. It turns out that he took the main force of the death army to Kunlun Peak.

"quick!"

Finally, Wen Chou Chou took the lead in reacting, and ordered to the people outside: "Go and inform the major sects in Longmen Pass so that they can rush to the top of Kunlun!"

After saying this, Wen Chou Chou said to Yue Feng, "It's not right. Late, let's go too quickly."

If Duan Yu were to combine the power of the eight saintess, the consequences would be unimaginable.

Yue Feng nodded, and quickly sent someone to Longmenguan to report the letter, and at the same time greeted everyone to prepare to leave.

"Report!" A

few minutes later, the person who was sent to Longmenguan quickly returned with a very ugly face: "Brother Huifeng, the major sects in Longmenguan do not believe that Duan Yu is at the top of Kunlun, and he said, he said Let's stop wasting our scheming..."

Hearing this, both Yue Feng, Wen Chou Chou and others were all angry.

Bang!

Sun Dasheng slapped the table fiercely and cursed: "What a bunch of villains, all of them are full of benevolence, righteousness and morality. They say that others are not. When it really comes to the matter, none of them can be counted on." After speaking

, Sun Dasheng directed at Yue Feng Dao: "Fengzi, they don't believe it, let's go!"

"Yes, this matter cannot be delayed!" Wen Chou Chou followed.

"Okay!"

Yue Feng's eyes flickered, he nodded, and then he and everyone rushed towards the top of Kunlun.

After several hours of traveling, Yue Feng and Wen Chou Chou finally arrived at a forest near the top of Kunlun Mountain.

call!

At this moment, seeing the direction of Kunlun's top, everyone couldn't help gasping.

I saw that at the foot of the top, the death army was densely gathered, like a copper wall and an iron wall. Not only that, but Jade led thousands of elites and constantly patrolled around.

Obviously, in order to prevent Kyushu from coming to support, Duan Yu specially let Jade lead the army of death to make arrangements at the foot of the mountain.

“What should I do?”

At this time, Ren Yingying observed for a while, very anxious, and couldn't help saying: “With so many enemies, when we all break through and rush to the top, I'm afraid it's too late.”

Wen Chou Chou also frowned and thought, Think about countermeasures.

“That's it!”

After a few seconds, Yue Feng thought of a solution and said slowly, “You attract Jed's attention and lead the army away. Me, Miaoying and Bingyao will find a chance to fly to the top.”

Chapter 3150

When he said this, Yue Feng was very helpless.

To be honest, if the major sects believe in themselves and come together, they can completely contain Jade and the army of death. At that time, you and Wen Ge, Dasheng, Ren Yingying and others will be able to reach the top of the mountain smoothly.

But now, with a serious shortage of manpower, this is the only way to plan!

As soon as the words fell, Ren Yingying shook her head and refused: “No! I want to go with you!”

At the same time, Wen Chou Chou and Sun Da Sheng also objected.

“Fengzi, Duan Yu's strength is too strong, but the three of you go up, I'm afraid it's not an opponent!”

“Yes, we three brothers go up together, live together, die together!”

Huo!

Hearing this, Yue Feng felt a warm current in his heart. It is worthwhile to have such a brother in life.

In the next second, Yue Feng took a deep breath and said slowly, “Let's follow my plan. If there are too few of us, if we all rush to the decision, there are too many targets and it is easy to cause casualties.” After speaking

, Yue Feng smiled slightly . : “Don't worry, Bing Yao and Miao Ying, one is the Queen of the Underworld and the other is a fairy. With their protection, I will be fine.” After

hearing these words, Wen Chou Chou and Sun Dasheng were very unwilling, but No rebuttal.

Because what Yue Feng said is right, Kunlun is extremely high, steep and steep, and if they rush upward together, they are completely targets.

Soon, after the agreement was reached, Yue Feng took Miaoying and Bingyao to hide in the dark.

“Kill!”

Wen Chou Chou and Sun Dasheng led the crowd, waved the flag and shouted, pretending that there were many people, and launched an attack directly on Jed’s death army.

At this time, Jed was patrolling around with his subordinates, and suddenly he was stunned when he heard the screams of killing.

Immediately afterwards, I saw the woods not far away, filled with dust and smoke, followed by Wen Chou Chou, Sun Dasheng, and the others, killing them with great momentum.

Made!

Seeing this scene, Jed was furious, and quickly shouted: “Quick, meet the enemy, the major sects in Kyushu are coming!”

At this time, Jed did not know that there were not many people in the dust and smoke in front of him. It was Wen Chou Chou and Sun Dasheng who deliberately made noise.

Whoa!

After receiving the order, the death army quickly assembled to meet Sun Dasheng and others, and a fierce battle broke out between the two sides.

However, Wen Chou Chou, Sun Dasheng and others did not forget Yue Feng’s explanation. After fighting against Jade, they did not fight in love, but led the army of death to the distance.

call!

Seeing this scene, Yue Feng, who was hiding in the dark, breathed a sigh of relief, then greeted Bing Yao and Miao Ying, rushed over quickly, and flew towards Kunlun Jue Ding.

.....

At this moment, Kunlun is on top.

On the extremely wide platform, there was a huge copper tripod.

Under the copper tripod, a faint blue fire burned.

Around the copper tripod, there was a circle of white skulls, and the skull exuded a trace of death black energy, which was constantly being absorbed by the copper tripod.

Not only that, the entire sky above the summit was also shrouded in thick black clouds.

At this moment, Duan Yu stood aside, looking at the bronze tripod, showing a trace of pride and excitement.

Behind him, the eight saintess Zi Yan and Huanxiang were all tied up with five flowers, all pale and extremely weak.

“Saints!”

At this moment, Duan Yu turned around slowly, his eyes swept over the eight saintess one by one, and jokingly said: “The soul fusion formation has been completed, we can start, wait for me to merge. Your power is the ruler of the entire Kyushu and the ghost world, so you should be honored!”

Om!

When the words fell, Duan Yu raised his hand and waved, and the chain of the Underworld God was suddenly thrown out, directly entangling the nearest Zi Yan.

“Let go of me, let me go...”

Zi Yan was resisting all over, her beautiful face was filled with despair in addition to resentment.

The soul-melting formation in front of him has been completed, and there is no room for turning around.
