

The ultimate husband in Chinese chapter 3191-3200

Chapter 3191

Finally, Hall was the first to react and laughed at Doug: “Doug, do you have a brain problem, you follower, you want to lift the knight statue? Don’t you have no one in Simon City? , can this kind of person be recruited as a follower?”

Haha... The

voice fell, and the entire hall burst into laughter.

Irene couldn’t stand it anymore, and whispered to Doug: “Father, let’s admit defeat!”

Doug shook his head.

To be honest, Doug also thought that Yue Feng was joking, but thinking about it carefully, when Lord Fu Yi traveled to the Roland Continent two thousand years ago, he was also regarded as an alien at the time, and later performed various miracles, which were later used by future generations. To be regarded as a legend...

At this time, Yue Feng said that he would lift the knight statue, which seemed absurd and ridiculous, maybe he could really do it.

Everyone’s laughter came, but Yue Feng ignored it!

The next second, Yue Feng slowly walked out of the hall and came to the statue of the knight.

“Haha...”

At this time, Sam couldn’t help sneering: “The clown is about to start performing. Everyone, come and see!” The

voice fell, and many maids and soldiers of the royal court also gathered around, facing Yue Feng. Point to point.

“What is this person doing?”

“It looks like he’s going to lift the statue of the knight.”

“Is there something wrong with his brain...”

This chapter is provided by . Visit for daily update.

While everyone was talking, they saw Yue Feng walking around the statue of the knight. , reached out and touched the statue, as if checking something.

However, no one saw it at this time. When Yue Feng was touching the statue, he quietly took out a packet of powder from his body and smeared it on the statue.

The powder used by Yue Feng is called Shiqingsan. As the name suggests, sprinkled on the stone can make the stone lighter. Speaking of which, this Shiqingsan was accidentally invented by Yue Feng when he was concocting alchemy. Used, but interesting, and left it on.

Just now, after betting with Sam, Yue Feng immediately thought of Shi Qingsan. You must know that this knight statue is carved from stone, and it is completely fine to use stone to reduce weight.

“Look, he’s ready to lift it!” Just when everyone was impatient, someone suddenly shouted, and in an instant, the whole audience was stunned.

He saw that Yue Feng bent down, grasped the cornerstone of the knight statue with both hands, and slowly lifted it up. What?

Seeing this scene, whether it was Sam or the others, their eyes widened in disbelief.

This.... this kid actually moved the knight statue, how is this possible?

Simply incredible.

At this time, everyone did not know that after the statue of the knight was smeared and scattered, the weight was reduced by dozens of times. At this time, it was less than a few tens of kilograms. It was easy for Yue Feng to lift it.

quiet!

At this moment, the entire Royal Court Hall was deadly silent, almost a needle dropped, and the sound could be heard clearly.

And what’s even more shocking is the back.

call!

Seeing Yue Feng take a deep breath and use his hands again, he slowly lifted the huge knight statue above his head. This scene looks the same as Sam lifting the water tank just now, but one is in the sky and the other is underground.

Whoa!

Seeing this scene, the audience was boiling!

Everyone's eyes looked at Yue Feng in horror, completely shocked.

The knight statue weighing several tons was lifted up by him with ease.

If you hadn't seen it with your own eyes, who would have believed it?

Hall's smile suddenly froze on his face, his heart trembled, and he couldn't believe his eyes at all!

This... how is this possible?

This man looks very thin, but he has so much power.

Sam on the side was even more stunned.

He really lifted it up. It was a statue of a knight weighing several tons. This kid lifted it up effortlessly. Is he still a human?

Chapter 3192

Bang!

After holding it for half an hour, Yue Feng knew that it was almost the same, because the duration of Shi Qingsan was only about half an hour. As soon as his hand was released, the statue of the knight suddenly fell, and in an instant, a cloud of dust filled the air.

Immediately, Yue Feng clapped his hands and said to Hall with a smile: "Lord Hall, you have lost."

Shuh!

The voice fell, and everyone's eyes focused on Hall.

Hall blushed, embarrassed.

A few seconds later, Hall recovered from the shock and said to Sam, "Sam, from today onwards, you should follow Lord Doug."

When he said this, Hall looked calm, but his heart ached in secret.

Sam was his number one general, so he handed it over to Doug. He was really unwilling, but he had no choice. I made a bet in front of the king just now that if he went back on his word, he would be embarrassed in the future.

“Sir!”

Hearing this, Sam’s heart was shocked, and his whole body was full of resistance.

Sam has been loyal to Hall for five years, and he has suddenly become Doug’s subordinate. It is difficult for anyone to accept it. More importantly, Hall and Doug have always had a feud.

“No need!”

At this moment, Doug walked out with a smile and said to Hall: “Sam is your favorite, I don’t want to take love with a knife, but since he loses, come over and give it to me. Kneel down and toast the bar. By the way, Hall, you still owe me a thousand gold coins, don’t forget!”

Yue Feng won Sam, and Doug was very happy.

But Doug was not dazzled by the victory. You must know that Sam is Hall’s confidant, and even if he came to work under his own hands, he would not be willing. Instead of leaving a hidden danger around, it is better to take this opportunity to humiliate Hall’s reality.

Hearing this, Hall blushed and was very annoyed, but he couldn’t refute it.

Sam was secretly relieved, and then hurried over to pour a glass of wine.

Pfft!

The next second, Sam walked up to Doug, bent his knees, and knelt down: “Master Doug, please use wine!”

Mmm!

Doug nodded with satisfaction, took a sip from the wine glass, and said lightly: “Sam, don’t act so flamboyant in the future, you know, there is still a mountain high in a flash, even if you have a backer, maybe your backer will one day. It’s down.”

When he said this, Doug glanced at Hall subconsciously.

Mad!

Hearing Doug taunting himself, Hall secretly clenched his fists, trembling with anger, but not easy to attack.

“Wonderful! Really wonderful!” At this time, Wang Jue couldn’t help but clapped his hands and said with a smile: “I didn’t expect that a small follower could have such magical

power, which is really eye-opening.”

Kelly also smiled slightly, looked at Yue Feng and said, “What’s your name?”

When asked, Kelly’s eyes flashed with a strange brilliance.

I didn’t expect that he really won, and the performance just now was really shocking.

“My name is Yue Feng!” Yue Feng responded.

Kelly smiled lightly, becoming more and more interested in Yue Feng at this time, and continued to ask: “Are you really Doug’s entourage?”

When the words fell, Doug hurriedly said: “Dear Your Highness Kelly, in fact, Mr. Yue Feng is not my entourage, but my friend.”

Doug is a smart person, and he knows that Yue Feng cannot condescend to be a small person. Little Simon City, why not take this opportunity to introduce him to the king, so that Yue Feng has more room for development, and he will definitely be grateful to himself. When Yue Feng became famous, he would have a strong backer.

Not a follower?

At this moment, everyone present was stunned for a moment, and then they were all stunned.

Chapter 3193

It turned out to be Doug’s friend, so it’s no wonder, if it’s just a small follower, how could it have such magical power?

“Come on!”

At this time, Kelly smiled and said, “Pour wine for this Mr. Yue Feng, the scene just now is really eye-opening.” The

voice fell, and Wang Jue also said with a smile: “I declare, Feng Yuefeng is a knight of the royal court, and can enter and leave the royal court freely!”

Wow!

Hearing this, there was an uproar in the audience, and many people cast envious glances at Yue Feng.

You must know that in Roland Continent, being called a knight is the dream of countless people. Before in Simon City, Heath was Doug's personal knight, and he had an extraordinary position, and the royal knight was even more extraordinary, and it was a supreme honor.

It can be said that the royal knights are similar to the imperial guards in the Kyushu mainland, but they are more noble. After all, there are only three royal knights in the entire Tianxing Principality.

"Your Majesty, the Knight of the Royal Court, must be a person who has made a great contribution to our Tianxing Principality, or has a strong strength. This Yue Feng, who has no strength, is directly named a Knight of the Royal Court. It seems a little sloppy!"

At this moment, a man stood up and said slowly.

This man's name is Roston, he is the head of the guard of Arendis, and he has a good personal relationship with Hall.

Just now Hall and Doug lost the bet, and Roston felt very upset for Hall. At this time, the person Doug brought was named a knight of the royal court by the king, which made Roston even more dissatisfied.

As soon as the voice fell, many people around also spoke up.

"Yeah, this Yue Feng has great strength and average strength."

"It seems too far-fetched to make him a knight of the royal court!"

"Your Majesty, think twice."

Seeing so many people objecting, Wang Jue suddenly hesitated. His ability is mediocre. The position of this king is also passed down by his father. At this time, Kelly

looked around and said coldly: "What? The king has already decided. You openly objected. Are you questioning my brother's vision?"

All over the hall, at the same time, the charming body was filled with a powerful aura.

Unlike her elder brother, Kelly acted resolutely, and it was with her assistance that the king could sit firmly on the throne.

"Don't dare!"

Feeling Kelly's aura, Roston trembled, shook his head quickly, and backed away.

At this time, Kelly looked around and said slowly: "Everyone has seen the scene just now, this Mr. Yue Feng, who can lift several tons of knight statues, has amazing power, how about our entire Tianxing Principality, Who can do it? He is fully qualified to be a knight of the royal court!"

Hearing this prosperity, everyone who opposed it just now closed their mouths and did not dare to say a word.

What the hell!

Seeing this scene, Yue Feng's face did not fluctuate at all, but his heart was secretly excited.

Looking at it like this, the status of the royal knights is very high, which is not bad. With such a status, it is easier to find Miaoying and Yanhong.

Doug and Irene next to them were also very excited.

Yue Feng became a royal knight all of a sudden, and Simon City would follow suit.

"Yue Feng!"

At this moment, Kelly smiled lightly, looked at Yue Feng and said, "How would you like to be a Templar Knight?"

Yue Feng shrugged and responded with a smile, "I can do whatever I want!"

Being a Knight of the Royal Court is not the purpose. What matters is to find Miaoying and Yanhong as soon as possible, and then return to the world of the Kyushu Continent.

What?

Hearing this, everyone present was stunned for a moment, and looked at Yue Feng's eyes, which were also extremely complicated.

The royal knight, but the supreme glory, this kid actually looks indifferent.

Chapter 3194

"Okay!"

Kelly looked at Yue Feng with a smile, nodded and said, "That's it!" After saying that, she gave Yue Feng a waist card symbolizing the identity of a royal knight.

Yue Feng's attitude is very presumptuous in the eyes of everyone, but in Kelly's eyes, there is a different kind of free and easy.

The banquet lasted for several hours, and when it ended, it was already late at night.

"Lord Knight, please stay!"

Just as the crowd dispersed, a maid suddenly stopped Yue Feng.

Yue Feng stopped on the foot cloth, and Doug and Irene next to him also stopped.

"Is something wrong?" Yue Feng couldn't help asking.

The maid was very respectful: "His Royal Highness Kelly wants to see you!" As she spoke, she made a gesture of invitation.

This...

Hearing this, Yue Feng was stunned.

It's so late, what does Kelly have to do with herself? You must know that Kelly is the king's younger sister, and her status is noble. It is inevitable that people will be suspicious if she summons herself alone.

And Doug and Irene also have complicated expressions, especially Irene, with a bit of blush on her delicate face.

"Teacher, don't go!" Irene couldn't help but pulled Yue Feng's arm and whispered.

Everyone in the Tianxing Principality knew that Kelly, as Wang Jue's younger sister, had a prominent status, but she was wild by nature and was ambiguous with many men. At this time, she suddenly asked Yue Feng to see her, and it was definitely not a good thing.

Hearing Irene's words, Yue Feng hesitated.

However, after thinking about it, with Kelly's help, wouldn't it be easier to find Miaoying and Yanhong in the future?

Thinking to himself, Yue Feng nodded and said, "Okay, I'll go with you!" After the voice fell, Yue Feng followed the maid and went to the resting place behind the royal court.

Seeing this scene, Irene stomped her feet angrily.

To be honest, Irene worshipped Yue Feng as her teacher, and she was always unconvinced in her heart. When Yue Feng and Sam competed, the audience was shocked, and Irene looked at Yue Feng with admiration.

However, seeing Yue Feng meeting Kelly at this time, Irene felt a little sour in her heart and was very unhappy.

the other side!

Yue Feng followed the maid and walked through a beautiful corridor to Kelly's room, and saw that the room was lit.

"His Royal Highness Kelly, the Yuefeng Knight is here!" The maid stood at the door and spoke respectfully.

As soon as the voice fell, Kelly's delighted voice came from the room: "Come in!"

Phew!

At this moment, Yue Feng took a deep breath, pushed the door and walked in. He was stunned when he saw the scene inside.

I saw that Kelly was wearing a light nightgown, her sexy curves were looming, and she had drunk a lot at the banquet before. At this time, her face was still flushed, and under the light, she was indescribably charming. .

A few seconds later, Yue Feng reacted and said, "I don't know what happened to His Highness's sudden summons!"

"Yue Feng, you don't have to be restrained, sit down..."

Kelly was very enthusiastic, and after saying hello, she couldn't wait "I'd like to know, how did you do it when you competed with Sam and lifted a statue of a knight that weighed several tons?"

It turned out to be because of this.

Hearing this, Yue Feng thought for a while and smiled: "This... is actually nothing!" After speaking, Yue Feng started talking nonsense, mixed with a lot of words from the Kyushu Continent. Li tut tsk amazed.

call!

A few minutes later, Kelly looked adored and couldn't help saying: "I didn't expect that Yue Feng Knight would know so much! What you said is very interesting, why don't you leave tonight..."

What ? not leaving?

Yue Feng was taken aback, this Kelly is really open, she is just a royal knight, staying in the room of Wang Jue's sister for one night, if it is spread out, it will definitely be misunderstood.

Thinking to himself, Yue Feng hurriedly said: "His Royal Highness Kelly, it's getting late, I have to go back to rest, and if you have something to do in the future, you can call me again!"

After speaking, Yue Feng opened the door and turned to leave. .

Kelly was a little disappointed, but she still smiled lightly: "Okay, I'll see you off."

"Don't dare, please stay, Your Highness!" Yue Feng dropped these words and left quickly.

Chapter 3195

Call!

When he got outside, Yue Feng couldn't help taking a long breath, his palms were sweaty.

I have to say, this Kelly is so enthusiastic, and she is almost completely different from the aloof attitude in the hall before.

Leaving the royal court, Yue Feng did not return to Doug's resting place, but wandered on the streets of Arendis.

It has to be said that Arendis, as the royal city of the Tianxing Principality, is very lively and prosperous. Even if it is late at night, the streets are still very lively.

Yue Feng thought about it, Arendis was the largest city in the Principality of Tianxing, so he might be able to find clues about Miaoying and Yanhong.

After making up his mind, Yue Feng chose a high-end tavern and walked in directly.

When I got inside, I saw a lot of people and it was very lively. And most of the wine here is wine.

"Hey!"

Just when Yue Feng sat down and was about to order wine, suddenly, a few big men came around, all with bad expressions on their faces.

The one at the head, wearing a cowhide vest and facing the evil, is the famous gangster of Arendis, Sang Biao.

“Boy!”

At this time, Sang Biao looked at Yue Feng up and down, and said in an arrogant tone: “Get up, get out!”

Sang Biao is a regular customer of this tavern and has always been in this position. At this time, he saw Yue Feng sitting here. , suddenly there is some fire.

In Sang Biao’s eyes, Yue Feng was obviously an outsider, and he didn’t take it seriously at all!

Um?

Yue Feng was stunned for a moment, then smiled and said, “Friend? We have no grievances, right?”

“What are you talking about? Get up quickly!” Sang Biao said coldly with wide eyes.

At the same time, several companions beside him also spoke.

“Ma De, where is the stinky boy, dare to take our place.”

“If you don’t get out of the way, you will break your leg .

“

One by one, they were gearing up to surround Yue Feng.

Whoops!

Seeing this situation, the surrounding guests hurriedly avoided one after another, and pointed and pointed from a distance!

“Where did you come from, dare to provoke Sang Biao.”

“Outside, I’m afraid it will be unlucky!” Surrounded

by Sang Biao, Yue Feng did not panic at all, and looked at him with a smile: “You are a guest, and I am also a guest. , why do I have to get up to make room for you?” He

was just a local ruffian, and Yue Feng didn’t take it seriously at all.

“Boy looking for death!”

Sang Biao suddenly got angry, took a step forward, grabbed Yue Feng's shoulders, and was about to pull him up.

Um?

However, it was at this time that Sang Biao was shocked when he saw what was on Yue Feng's waist, and he was stunned.

"Boss Biao, what's the matter?"

"Boss..."

Seeing Sang Biao's face, the surrounding accomplices were a little puzzled, and then they were also shocked when they saw the knight's waist card on Yue Feng's body.

This... this kid, is actually a royal knight?

You are right!

In shock, Sang Biao couldn't help rubbing his eyes and looked again.

That's right, Yue Feng's waist is the royal knight's waist badge that Kelly gave him before, which is the highest honor symbol of a knight.

For a time, Sang Biao was dripping with cold sweat, staring blankly at Yue Feng, his mind in a mess. Totally speechless.

Although he is a gangster, Sang Biao has been well-informed after staying in Arendis for a long time. The knight's waist badge on the person in front of him is genuine and definitely not fake.

The ultimate husband in Chinese chapter 3196-3200

Chapter 3196

At the same time, several brothers behind Sang Biao also stared blankly at the waist card, fearful and afraid to show the atmosphere.

what's the situation?

Seeing this scene, the crowd watching the excitement all frowned secretly, and the eyes of many people converged on Yue Feng.

At this time, Yue Feng suddenly became the focus!

"Your Majesty the Knight of the Royal Court!"

Finally, Sang Biao came back to his senses, squeezed out a smile, and said to Yue Feng in fear: "Misunderstanding, this is a misunderstanding, I was confused for a while and offended you..."

Saying this At that time, Sang Biao only felt that his heart was about to jump out, and he was terrified.

The person in front of him turned out to be a royal knight, how could he be a little bastard?

What?

Royal knight?

Hearing this, the expressions of the people around froze, and they couldn't help taking a deep breath.

This inconspicuous boy in front of him turned out to be a royal knight?

Yue Feng was too lazy to talk nonsense, so Sang Biao left!

"Tsk tsk!"

At this moment, a slender figure slowly came down from the upstairs, with a pleasant voice: "I didn't expect that it would be a great honor to have a royal knight visiting our store!"

" A long dress, a delicate and beautiful face, painted with light makeup, and the whole body is filled with a charming atmosphere.

It is the female owner of this tavern, Blue Rose!

hiss.

As soon as the blue rose appeared, everyone present couldn't help but take a breath!

So beautiful.

Even Yue Feng was stunned.

Unexpectedly, the owner of this tavern turned out to be a woman, and she was a beautiful woman, and she was so charming and charming.

For a while, the entire tavern was silent, and many male guests stared at Blue Rose without blinking, unable to move their eyes away.

Along with the commotion, Blue Rose walked up to Yue Feng.

Lan Rose showed a faint smile, staring at Yue Feng: "Dear Royal Knight, is it convenient for you to chat alone?"

Wow!

Hearing this, there was an uproar in the surrounding area, and many men cast envious glances at Yue Feng. You must know that Blue Rose, a delicate woman, can open a tavern in Arendis, not just by her beautiful appearance, but also as well as strong communication skills and wit.

Because of this, Blue Rose has become the goddess in the hearts of many men, but there are very few who can be admired by her. It is said that many noble young masters of Arendis want to make Blue Rose, but they are all rejected by her.

At this time, Lan Rose actually took the initiative to invite Yue Feng, can the men present not be jealous?

Chat alone?

Yue Feng was stunned for a moment, then nodded: "Yes."

Seeing Yue Feng's agreement, Lan Rose smiled charmingly, then turned and walked upstairs.

Looking at Blue Rose's charming back, Yue Feng couldn't help but feel a little restless, but he calmed down and followed quickly.

On the second floor, Yue Feng followed Blue Rose and entered a luxurious room.

call!

At this moment, the moment he entered the room, Yue Feng was stunned.

As you can see, the whole room is completely rose-red, with a soft carpet on the floor. In addition to the soft sack for rest, there are also wine cabinets and bartending tables. It is just like the presidential suite, very luxurious.

"How is it here?" Blue Rose said with a smile, then took out a bottle of wine from the wine rack and poured a glass for Yue Feng.

Yue Feng took the wine glass, sat directly on the sofa, nodded and said: "Not bad!"

Lan Rose smiled, and then said seriously: "I heard that at the banquet in the royal court tonight, the city lord of Simon City brought a My friend, raised the statue of a knight in the royal court in public, and was named a knight of the royal court by the king, that's you!"

Chapter 3197

When saying this, Blue Rose looked up and down at Yue Feng, looking very interested.

What the hell!

Yue Feng was stunned for a moment, secretly surprised: "How do you know?"

A tavern owner is so well-informed about Wang Ting's news, this woman is not simple.

puff!

Looking at Yue Feng's surprised appearance, Lan Rose couldn't help laughing, and she couldn't help but be charming and sultry: "What's surprising, there are all the guests who come to my tavern every day, what news do I want to find out? , but it's easy."

Hearing this, Yue Feng nodded secretly.

Yes, a place like a tavern is indeed a good place to collect information.

"Then you called me up, what's the matter?" After regaining his senses, Yue Feng went straight to the point.

"Giggle..."

Blue Rose couldn't help laughing, and said softly: "The dignified knight of the royal court, come to my tavern, of course I will entertain you well, you must know that the entire Tianxing Principality, plus you only have Three royal knights, this status is incomparably noble, but it is the dream of many people for a lifetime."

I went, there were only three in the entire Tianxing Principality.

Yue Feng was taken aback secretly, no wonder so many people around him objected at the royal banquet before.

At this time, Lan Rose stretched out her jade hand and put it lightly on Yue Feng's shoulder: "Don't be nervous, Sir Knight, I just want to make friends with you."

Lan Rose is a wise woman. It can be seen that Yue Feng is not an ordinary person, otherwise, he would not have been named a royal knight as soon as he arrived in Arendis.

Such people, naturally, should be well drawn.

What the hell!

At this moment, Yue Feng only felt an aroma coming to his face, and the whole person was crisp.

I have to say that this blue rose is so sexy, especially this charming look, which is even more charming than Kelly.

With emotion in his heart, Yue Feng said with a smile: "Of course you can be friends, just right, I just came to Arlandis, I have a lot of things, and I still need help."

After speaking, Yue Feng took out two portraits, just before In Simon City, Doug asked someone to paint the portraits of Miao Ying and Yan Hong, and Yue Feng kept two of them on his body.

Wow!

Seeing the portrait, Lan Rose's delicate body was shocked, her red lips slightly parted, and she looked very surprised.

"Two beautiful beauties, are these your women?" Blue Rose asked curiously.

Uh...

Yue Feng was embarrassed and explained with a wry smile: "You misunderstood, these are my two friends. I have been separated from them before, please help me pay attention to them. If there are any of their whereabouts, please first Let me know when it's time."

Yue Feng could feel that Lan Rose was not an ordinary woman, maybe she could really help herself.

"Okay, there's no problem with this!" Blue Rose smiled lightly and agreed without thinking.

Finding two people was just a trivial matter for her, but in exchange for a royal knight friend, it was worth it.

"Thank you then!" Yue Feng said with a smile, and then touched the glass with Blue Rose.

The blue rose smiled charmingly, and the beauty was inexhaustible.

An hour later, Yue Feng and Blue Rose said goodbye!

At this time, Yue Feng was in a very good mood. He became a knight of the royal court and got acquainted with Blue Rose. In the future, it would be much easier to find Miaoying and Yanhong.

It was already late at night, and the lively streets were also deserted.

Whoosh!

As soon as he arrived at a street intersection, Yue Feng heard a faint sound behind him. He looked back subconsciously, but he didn't see anyone. At this moment, his back suddenly numb.

I saw an anesthesia needle stuck on Yue Feng's back.

What the hell!

what's the situation?

Yue Feng cursed secretly, and looked around to see who was plotting against him, but the anesthetic needle was powerful, and before he found anyone, his eyes were dark, and he didn't know anything!

Chapter 3198 I

don't know how long I was in a coma, Yue Feng woke up in a daze.

The moment he opened his eyes, Yue Feng only felt that his whole body was numb, and his whole body was also tied up.

Um?

The next second, Yue Feng looked around and was stunned.

I saw that I was locked in a stone room, and the entire stone room was empty except for a chair, but this chair was very beautiful.

A beautiful sexy woman is sitting on a chair.

A long red sleeveless dress brings out the exquisite curves. The facial features are exquisite, but there is a heroic spirit. Holding a glass of wine in his hand, it is indescribably elegant, and at the same time, it gives people a strong sense of oppression.

And beside this woman, stood a man.

Mad!

Seeing this man, Yue Feng was shocked and frowned.

It is the head of the guard of Arendis, Roston. At that time, at the banquet, he was the first person to object to Yue Feng being a knight of the royal court.

Did he catch me?

In a panic, Yue Feng turned his eyes to the woman again, who is this person? I didn't seem to see it at the royal court banquet before.

"It's him?"

At this moment, the woman looked up and down at Yue Feng, her red lips parted lightly, and she said slowly, "With one person's strength, you lifted the statue of the knight in the royal court?"

"Yes!" Roston nodded quickly. The attitude is very humble and respectful.

call!

Yue Feng looked at the woman and couldn't help but said, "Who are you? Why are you arresting me?"

Yue Feng could see that this woman was above Roston and was also the mastermind behind her arrest.

"Do you know the Blood Hand Organization?" The woman said lightly, but her expression was extremely proud.

The Bloody Hand Organization is a killer organization in Roland Continent, with great influence. And this woman is the leader of the Bloody Hand Organization, Olina.

As for Roston, he was the commander of the garrison of Arendis on the surface, but secretly, he was a senior member of the Bloody Hand Organization.

During the day, Roston saw Yue Feng holding up the statue of the knight, and he was very shocked, so he told Olina of the situation at the first time. At that time, Olina was very surprised, so Roston tried to catch Yue Feng.

Bloody Hands?

Hearing this, Yue Feng frowned secretly.

It seems that it is an underground organization, but I just came to Arendis, and I don't seem to have any grudges against this organization.

Thinking to himself, Yue Feng looked at Roston and took a deep breath: "Roston, as the head of the guard, if you arrest me in private, you are not afraid of being known by the king and punish you?"

"Haha!"

Roston sneered: "Don't use the prince to scare me. Since I dare to arrest you, I'm not afraid of it!"

After speaking, Roston didn't bother to talk nonsense, and went straight to the point: "Let me ask you, how did you lift the knight statue during the day?"

It was because of this.

Yue Feng smiled secretly and looked directly into Roston's eyes: "It's nothing special, I'm just born with divine power!" As

he spoke, Yue Feng secretly urged his inner strength to break free from the rope. However, the rope on his body was mixed with a special Metal is very tough. Yue Feng tried several times, but he didn't succeed.

Snapped!

At this moment, Roston walked over quickly and slapped Yue Feng fiercely: "Innate power? Do you think I'm a child? There must be something wrong with this, you'd better explain it honestly."

"What's wrong with me? Explained? I said everything I should say." Yue Feng responded lightly.

The matter of Shi Qingsan cannot be said easily. You must know that this is the Roland Continent, not the Kyushu. Moreover, the people here do not understand the knowledge of alchemy, and even if they say it, they will not understand.

Seeing Yue Feng's tough mouth, Olina, who was sitting there, lost her patience and said coldly, "Roston, stop talking nonsense with him!"

Hmm!

Roston nodded, and then pulled out a cane from the corner next to him.

I saw that the rattan was full of sharp spines, so tough that it would peel off if it was beaten.

Chapter 3199 What the hell

! Seeing this scene, Yue Feng couldn't help taking a deep breath of cold air and was furious: "Roston, don't forget my identity!"

"Identity?"

"Your status as a royal knight in our hands is just a false name. I tell you, no one will know if I kill you today!" The

voice fell, and Roston held the cane tightly and took it directly!

Snapped!

A crisp sound came, Yue Feng couldn't help taking a breath of cold air, and his body suddenly burst into flesh and blood dripped.

Mad!

Yue Feng clenched his teeth tightly and did not cry out, but his eyes were instantly bloodshot!

"Speak or not?" Seeing the blood, Roston's eyes flashed with madness, and shouted at Yue Feng.

Yue Feng took a deep breath and said slowly, "Okay, I'll say it." Immediately, Yue Feng explained Shi Qingsan in detail.

To be honest, Yue Feng didn't want to compromise so quickly.

But there is no way, people have to bow their heads under the eaves. Continue to speak stubbornly, and you will only end up with bruises all over your body.

Stone light scattered?

Is there such a magical thing in the world?

Hearing Yue Feng's words, Roston and Olina looked at each other in astonishment.

The next second, Olina couldn't help standing up and walked to Yue Feng: "This Shi Qingsan, do you still have it?"

"Yes, it's on me, but you have to untie me first!" Yue Feng responded.

When talking, Yue Feng's eyes couldn't help but look at Elena.

So sexy!

The facial features are also perfect, but unfortunately, this is a rose with thorns.

Hearing this, Olina gestured to Roston and asked him to untie the rope for Yue Feng.

“Where’s Shi Qingsan?” The moment he untied the rope, Roston stretched out his hand, no doubt.

Yue Feng took a deep breath and took out a bag of stones from his body.

At this moment, Olina and Roston’s eyes lit up, and then Roston snatched it away.

“Sprinkling it on a stone can make it lighter?” Olina asked suspiciously.

Yue Feng nodded.

At this time, Roston hurriedly went out to get a stone, and then sprinkled the stone lightly on it.

A few seconds later, Roston picked up the stone again, his eyes full of incredulity: “This.... This stone has really become lighter, it’s not as heavy as a piece of paper.”

Really!

At this moment, Olina’s delicate body trembled, and she was extremely happy. Looking at Yue Feng’s eyes, a strange light flashed.

It’s unbelievable that something so miraculous actually exists.

“Haha...”

At this moment, Roston reacted, unable to hide the contempt in his heart, and mocked at Yue Feng: “Ma De, I thought you really had any skills, so you used this thing to deceive you. Everyone, just like you, can you still be a royal knight? Hehe...”

Yue Feng ignored him, but looked at Olina and said, “Can you talk about it alone?”

Olina pondered for a while, then nodded: “Yes! Roston, you go out first.”

“Your Excellency!”

Roston was stunned for a moment, and quickly said: “This guy is very cunning, you can’t trust him.”

In his heart, Yue Although the wind’s stone light powder is magical, it is only a little trick of carving insects, and it is not necessary to pay such attention to it.

However, Olina insisted on her face and softly reprimanded: "Get out!"

As the leader of the Bloody Hand Organization, Olina is very far-sighted. This Shi Qingsan seems to be a trick to bluff people, but if Used in the right place, it can play a vital role.

Chapter 3200

Seeing Olina's insistence, Roston couldn't say anything else, so he had to withdraw.

"How many of these things do you have?" Olina asked Yue Feng as soon as her forefoot left.

Yue Feng looked directly at Olina with a smile on the corner of his mouth: "This is the last bag on my body, there is no more!"

What?

Olina's face changed, her eyes widened, and she looked at Yue Feng closely, and then, a powerful killing intent filled her body.

"Are you kidding me?"

At this time, Olina was extremely angry. I thought that this person was going to talk alone, and there would be a lot of Shi Qingsan on his body, but he didn't expect that the one he just took out was the last bag!

The leader of his dignified blood-handed organization was played like this, how could he bear it?

"I think you are courting death!" The cold words came out of Olina's mouth, and a cold light flashed in her hand. A dagger appeared in her hand, and then stabbed towards Yue Feng's heart!

Seeing that his heart was about to be pierced, Yue Feng did not panic at all, and said lightly: "Shi Qingsan, I am indeed gone, but I have other things! I have a kind of medicine pill, which can double the strength. Is Miss Linna interested?"

When he said this, Yue Feng looked serious, but there was a hint of teasing in his eyes.

Elixir?

When Olina heard this word for the first time, her body trembled and she was stunned.

The next second, Olina's pretty face was covered in frost: "Can you double your strength? How could there be such a thing in this world? You want to lie to me!"

Yue Feng smiled calmly and shrugged: "That Shi Qing What about San? You didn't believe it at first, but you saw it just now."

This...

Olina's body trembled, and she was speechless.

Seeing the change in Olina's face, Yue Feng showed a smile. He was too lazy to talk nonsense, and took out a medicinal pill from his body: "This medicinal pill is called Tongshen Dan, and it can instantly enhance the holy power after taking it."

Seeing that Yue Feng really took it Out of the medicine pill, Olina's delicate body trembled!

There really is!

However, Olina was still a little worried, and looked closely at Yue Feng: "Can you really double your strength?"

Yue Feng smiled slightly: "Miss Olina, I am in your hands now, how could I lie to you? You?"

Tongshen Pill, which Yue Feng refined on the basis of Tongtian Pill, can indeed improve his strength, but at the same time retains the characteristics of Tongtian Pill.

Yue Feng knew very well that in Olina's hands, it was impossible to get out alive, because he knew Roston's identity.

"Okay!"

Seeing Yue Feng's serious face, Olina no longer hesitated and swallowed the medicine pill.

Haha....

Seeing her swallowing it, Yue Feng showed a smile and stood silently waiting.

After a few minutes passed, Olina didn't feel any change in her strength, and suddenly became puzzled: "Why is there no sign of my strength improving at all!"

Yue Feng frowned, it shouldn't be.

In the next second, Yue Feng thought of something. This is Roland Continent. The holy power he cultivates is completely different from the inner strength of the dantian in Kyushu, so Olina took the magic pill, and it did not improve the effect at all.

However... the toxicity contained in the medicinal pill should not have any effect.

“Yue Feng, what’s the matter? Why hasn’t my strength improved?” Olina frowned and asked Yue Feng coldly.

As soon as the words fell, Olina suddenly frowned, her delicate body trembled, and her face was a little bad.

At this time, Olina clearly felt that her whole body was soft, and she couldn’t exert any strength?

Not only that, but the holy force could not be released, as if it was suppressed by an invisible force.
