

The ultimate husband in Chinese chapter 3201-3210

Chapter 3201

How can this happen?

In shock, Olina realized that she was poisoned, and glared at Yue Feng: "You dare to lie to me."

Yue Feng responded with a smile: "Miss Olina, I don't know if you have heard a sentence called soldiers never tire of cheating. , you caught me first, and now I'm just fighting back properly."

"Bastard!"

Olina shouted, ready to stab Yue Feng with a dagger, but she lost all strength, just raised her hand, The dagger fell to the ground.

"Don't struggle!" Yue Feng said with a relaxed look on his face, and said with a smile: "Tongshen Dan contains highly poisonous, and if there is no antidote within a year, it will fester and die. It will speed up the spread of the poison in the body, if you don't believe it, you can try it!"

"You're courting death..."

Olina was shocked and angry, staring at Yue Feng, angrily.

The leader of his own dignified blood-handed organization almost traverses the Roland Continent. I didn't expect to be planted in this person's hands today. What a shame!

"Hurry up and take out the antidote!" The more she thought about it, the more angry she became, and she couldn't help shouting coquettishly.

At this time, Olina was very annoyed. She didn't expect this person to be so cunning, but in the end, she underestimated the enemy.

Yue Feng smiled slightly: "Do you think it's possible? I'll give you the antidote now, and you'll die! But don't worry, we can negotiate a condition!"

"What condition?" Olina said, biting her lip.

Yue Feng said slowly: "It's very simple, within a year, you have to do things for me wholeheartedly and obey my orders. When that time comes, I will naturally give you the antidote."

Although he didn't know the Bloody Hand organization, Yue Feng could feel that people like Roston were willing to be this woman's subordinates, so her background strength must be very strong.

This chapter is provided by . Visit for daily update.

If you can use Olina for your own use, that would be even better.

"Impossible!" The cold words were spit out from Olina's mouth without any hesitation.

As the leader of the Bloody Hand Organization, how could he obey his orders?

Yue Feng guessed that she would refuse, shrugged his shoulders, and said indifferently: "Well, if you don't agree, let's die together. It's not a loss for me to have a beauty like you buried with me."

"You. ..."

Olina was so angry, her delicate body trembled.

Finally, after a few seconds of confrontation, Olina finally let go of her dignity: "Okay, I promise you..."

Seriously, to compromise with a person who was caught by herself, Olina was reluctant. But if you don't promise, you can't do it. When she thinks that she has no antidote, her whole body will fester and die, and Olina's whole body is cold and shuddering.

call!

Seeing that she finally agreed, Yue Feng showed a smile: "Very good, I hope we can cooperate happily in the future..."

Olina nodded, and then called Roston in.

"Miss Olina!"

The moment Roston came in, he immediately said respectfully to Olina: "Did this guy provide Shi Qingsan's smelting technology? Do you want to kill him now? Don't worry, where is the royal court? I have done a good job, no one will know."

When he said this, Roston gave Yue Feng a contemptuous look, in his heart, Yue Feng was no different from a dead person at this time.

At this time, Roston didn't know that Olina had already surrendered to Yue Feng.

"Shut up!"

Olina scolded, no doubt: "Don't be rude to Lord Yue Feng!"

What?

Lord Yue Feng?

Hearing this, Roston was shocked, and the whole person was stupid.

Miss Olina called him lord? Isn't this kid a prisoner?

Chapter 3202

Seeing Roston froze there, Olina frowned and said coldly: "What? Do you have any questions?"

"Don't dare!"

Roston trembled and shook his head quickly.

A few minutes later, Olina sent Yue Feng out.

Back at the resting place, it was already early morning.

As the city lord of Simon City, Doug has a prominent identity. This time he came to Arandis to participate in the All Souls Festival and was arranged by the prince in Baisheng Palace.

The Baisheng Palace is next to the royal court, and it is heavily guarded, and ordinary people cannot approach it at all.

What the hell!

Entering Baisheng Palace, Yue Feng was a little confused.

This place is also too big, many rooms are similar, which one is yours?

After turning around, Yue Feng had a big head, so he just found a room. After tossing around in the middle of the night last night, he was really tired.

Um?

Entering the room, Yue Feng could smell a faint fragrance in the room.

The life of this Roland mainlander is quite sentimental. Do you still use perfume?

He was muttering in his heart, but Yue Feng didn't care. He was too tired at this time, so he took off his clothes and lay on the bed.

At this time, Yue Feng didn't know that he had walked into the wrong room. This room belonged to Irene.

Just a few minutes before Yue Feng came in, Irene went to the bathroom to wash after waking up.

At this time, Irene was only wearing a nightgown. After washing up, she was going to change her clothes to find Doug. Teacher Yue Feng went to see Kelly last night, and she hasn't come back yet. There must be something wrong.

Thinking of this, Erin felt very unhappy.

I thought this teacher Yue Feng, who usually speaks frivolously, should be very upright, but he never thought that when he met Kelly, he would be fascinated by it.

Swish!

Back in the bedroom, Irene was stunned when she saw the scene in front of her, her delicate face flushed with embarrassment.

I saw that Yue Feng was lying on his bed with his upper body unobstructed, just naked...

"Yue Feng..."

Two seconds later, Irene reacted and couldn't help but let out a coquettish cry, A heart is beating wildly.

He...isn't he in the royal court? Why did he suddenly appear in his room, and he didn't have clothes on yet, could it be that he wanted to do something to himself...

For a while, Irene's head was buzzing, and the whole person was a little dazed.

who called me?

Yue Feng was about to fall asleep when he suddenly heard Irene's cry and sat up suddenly.

What the hell!

The moment he sat up, seeing the scene in front of him, Yue Feng's body froze, and he was stunned!

I saw Irene standing there, shy and angry, her delicate face like a ripe apple.

More importantly, she was only wearing a nightgown, and that charming curve was half-covered...

hiss.

At this moment, Yue Feng only felt that his head was blank, and the whole person was crazy!

“what!”

Aware of Yue Feng’s gaze, Irene quickly reacted and screamed! He hurriedly picked up the clothes next to him and ran into the bathroom quickly. While putting on his clothes, he shouted, “Yue Feng, what do you want to do? Why did you come to my room...”

What? Is this her room?

Hearing this, Yue Feng was stunned for a moment, and suddenly wanted to cry without tears!

Chapter 3203

Nima, it’s too coincidental, I accidentally entered Irene’s room by mistake.

“No, you misunderstood!” Yue Feng quickly explained: “I didn’t know this was your room. I thought this room was empty, so I came in and rested...” As he spoke, Yue Feng also hurriedly dressed. .

At this time, Irene got dressed and came out of the bathroom, looking at Yue Feng, full of disappointment: “Yue Feng, I treat you as a teacher and respect you so much, but I didn’t expect you to stay with Wang Jue’s sister last night. One night, not only that, but also came to my room, you are a big pervert, bastard...”

At this time, Irene was embarrassed and angry, so charming.

Yue Feng stared at it for a while, and then smiled bitterly: “Irene, it’s not what you think, I...”

However, Irene didn’t believe it at all. Thinking of the scene just now, a shameful picture emerged in her mind. , his face turned even redder, and he stomped his feet and turned to leave the room.

Uh....

Seeing this, Yue Feng couldn’t help laughing and laughing, and quickly left the room.

After finding his room, Yue Feng began to sleep soundly, and he slept until the afternoon, feeling refreshed.

After getting up, Yue Feng washed his face with water, thinking about waiting to see if Irene came back.

Bang bang...

As a result, at this moment, there was a knock on the door!

Yue Feng quickly opened the door and saw Doug standing outside smiling.

“Mr. Yue Feng!” Doug said with a smile: “I was named a Knight of the Royal Court last night, I haven’t had time to congratulate.”

“You’re welcome!” Yue Feng responded with a smile.

When he said this, Yue Feng had a smile on his face, but he was a little embarrassed.

Will Erin tell Doug about the morning?

“That’s right!”

Just when Yue Feng was thinking about it, Doug took out a letter of recommendation from his body and said politely, “Although you are a royal knight now, but you just came to Alandis, you still need to Just a little more connections. Mr. Xue Shan, the leader of the Bounty Alliance in Arlandis, is my friend. In this letter, I introduced you to him, maybe the two of you can become friends.”

Bounty Alliance?

Hearing this, Yue Feng was stunned.

In the next few minutes, Yue Feng learned through inquiries that in the Roland Continent, the situation was complicated because of the co-existence of several principalities, so many lawless people were born, and the principalities did not have the energy to bring these lawless people to justice. , and a profession was derived, the bounty hunter.

Although bounty hunters are social groups, they are recognized by various principalities, and the principalities will reward bounty hunters if they catch criminals.

Under this circumstance, the profession of bounty hunters was very prosperous, and finally the Bounty Alliance was formed, and the headquarters of the alliance was located in Arendis.

Understanding this, Yue Feng was very moved. He took the letter of recommendation and smiled at Doug: "Thank you!"

Seriously, Yue Feng knew that Doug's full help to him was entirely up to him and Fuxi relationship, but it is also my luck to get to know such a friend.

Doug waved his hand and said humbly: "Mr. Yue Feng is very polite. I am very grateful that you can be Irene's teacher. It is nothing to help you. Originally I planned to go to see Xue Shan with you, but Wang Jue just sent someone and said that he wants to summon me, so he can't accompany you."

"Okay!"

Yue Feng nodded: "I see."

With that said, Yue Feng and Doug said goodbye temporarily, left Baisheng Palace, and rushed in the direction of the Bounty Alliance.

Yue Feng knew that it would not be easy to find Miaoying and Yanhong in Roland Continent with the power of Doug and Blue Rose. In this case, one more friend means one more way.

The Bounty Alliance is located in the western city of Arendis.

call!

Ten minutes later, Yue Feng arrived at the Bounty Alliance headquarters and was shocked when he saw the magnificent building in front of him.

As you can see, this Bounty Alliance headquarters has three floors, and there are beast sculptures at the entrance, which are very majestic.

With emotion, Yue Feng approached the hall!

"Hello, do you need any help?" In the

hall, a female receptionist came up to meet Yue Feng and said with a smile.

Chapter 3204

This woman is in her mid-twenties, very beautiful, with fair skin and a short skirt suit, which is very sexy.

I'll go, this bounty alliance is okay, the people in the lobby are all so beautiful.

"That... I want to find Mr. Xue Shan." Yue Feng replied with a slight smile!

Looking for a leader?

The woman was stunned for a moment, and then forced a smile: "I'm sorry, Mr. Xue Shan has something to do and is not here." As she spoke, she couldn't hide the disgust in her eyes. This person is dressed in ordinary clothes, and he has no holy power on his body. I don't know where the gangster came from, and he still wants to see the leader?

Sensing the woman's face, Yue Feng secretly frowned.

She's pretty, but she's a little underwhelming.

"Come back next time!" Seeing that Yue Feng didn't mean to leave, the woman couldn't help urging.

Yue Feng smiled bitterly, and was about to take out a letter of recommendation.

"Ah!"

But at this moment, I heard footsteps, and then I saw a few people supporting a middle-aged man and rushing into the hall.

The middle-aged man's face was full of pain and blood was dripping all over his body. It is the leader of the Bounty Alliance, Xue Shan.

"Leader!" "Lord

Xue Shan!"

Seeing this scene, all the people in the hall panicked and rushed around.

Is he Xue Shan?

Yue Feng frowned and walked over quickly.

"Quick, stop the bleeding for my father." A young man shouted anxiously, and then went to find a pharmacist. The pharmacist is the name of the doctor in Roland mainland. The bounty alliance is strong and has a special pharmacist.

This young man is Xue Shan's son, Xue Peng.

After Xue Peng left, the people around hurriedly stopped the bleeding to Xue Shan. However, there were too many wounds on Xue Shan's body and they couldn't stop it at all.

Yue Feng stood aside, observed it secretly, and saw at a glance that Xue Shan was attacked by a beast, and the wounds on his body were caused by sharp claws.

This Xue Shan's strength is very strong, and he was injured like this. What kind of beast is it, so terrifying.

Thinking to himself, Yue Feng walked over: "You can't stop the blood like this!" After the voice fell, Yue Feng took out the silver needle from his body, started with lightning, and stabbed several acupoints on Xue Shan's body.

"What are you doing?"

"Who is this person..."

Everyone's anger came, and the woman who received Yue Feng was even more angry, and shouted at Yue Feng: "Who made you mess up? ...Huh?"

After speaking, the woman's eyes fell on Xue Shan, and her body trembled.

At the same time, everyone around was stunned.

I saw that the wound on Xue Shan's body stopped bleeding without a drop of blood.

Swish!

The next second, everyone's eyes converged on Yue Feng, and they were very surprised. Who is this person? This method is incredible.

At this moment, Xue Peng hurried over with the pharmacist, and when he saw the scene in front of him, his expression changed.

Xue Peng saw that his father had a few strange needles stuck on his body. Isn't this fatal?

"Who did it?" Xue Peng looked around and roared.

Seeing Xue Peng getting angry, everyone around was trembling with fear, and at the same time their eyes turned to Yue Feng.

"It's me!" Yue Feng looked at Xue Peng and said, "Don't be nervous, I am using acupuncture to help your father stop the bleeding."

Acupuncture?

Hearing this, Xue Peng frowned, unable to hide his anger and contempt: "Where is the liar, a few needles can stop the bleeding? You treat me as a child, I think you are tired of living."

In Roland In the mainland, there has never been a word about acupuncture. In Xue Peng's mind, this is simply nonsense.

Saying that, Xue Peng was about to pull out the silver needle.

Chapter 3205

Yue Feng frowned and stopped: "If you pull out the needle, your father's situation will be very dangerous!"

Yue Feng is not alarmist, Xue Shan is not only scratched, his internal organs have also been severely injured. Feng sealed the meridians and acupoints with silver needles, stabilizing the deterioration of the injury. Once it was pulled out, the consequences would be disastrous.

Hearing this, Xue Peng was completely angry and cursed: "Ma De, where did you get the liar? You got here, do you know where this place is? This is the Bounty Alliance."

After speaking, Xue Peng pointed Zhu Yue Feng: "Come on, tie him up to me!"

Whoa!

The voice fell, and several people walked over quickly and surrounded Yue Feng.

Yue Feng did not resist, but let them tie him up.

"I've said everything I need to say, don't regret it later!" Yue Feng said lightly.

Regret! ?

Hearing this, Xue Peng laughed angrily, didn't bother to talk nonsense, waved his hand, and asked his subordinates to lock Yue Feng in the back basement.

As soon as his forefoot left, Xue Peng pulled out the silver needle.

call!

The moment he pulled out the silver needle, Xue Peng was inexplicably nervous and stared at his father!

After more than ten seconds, seeing that nothing happened to Xue Shan, Xue Peng couldn't help sneering: "A liar, dare to scare me!" The

voice fell, and the pharmacist who had been silent next to him answered: "The situation is chaotic now, All kinds of liars are emerging one after another, but fortunately we came in time!"

After speaking, he ordered everyone to bring Xue Shan to the upstairs room.

Xue Peng didn't go in, but went downstairs and asked everyone, "What happened to that person just now?"

Thinking of the scene just now, Xue Peng was a little angry.

As soon as the words fell, the woman at the front desk was full of fear: "I'm sorry, this person said that he was looking for the leader, but I stopped him and didn't drive him away in time. It's my fault!"

Xue Peng's face was gloomy: "This is This situation is only allowed to happen once, and the next time, I can't spare you!"

"It's not good!"

Just as he was talking, he heard a shout from upstairs, and then the pharmacist came down with a panicked face: "Boss The adults are dying, hurry up and come!"

What?

Xue Peng's expression changed, and he hurried upstairs.

The people around also looked at each other in dismay, and immediately followed.

When I got to the room, I saw Xue Shan lying on the bed, his face was pale, his whole body was trembling, and the wound was bleeding again, and he couldn't stop it.

At this moment, Xue Peng only felt his brain buzzing.

"How could this be?" Xue Peng couldn't help muttering.

The pharmacist stood aside, his face completely lost the confidence he had before, and cautiously said: "Master Chief is too injured and lost too much blood, I have tried my best!"

Hearing this, Xue Peng was heartbroken and couldn't help losing his voice. Hu:
"Father..."

The faces of everyone around were also gloomy and very uncomfortable.

"Could it be..."

At this moment, someone in the crowd said, "Is it caused by pulling out the silver needle? Wasn't that person a liar just now?" The

voice fell, and the expressions of everyone present became complicated.

Xue Peng was also stunned there.

For a time, the whole room was terribly quiet.

“Go!”

Finally, Xue Peng reacted and ordered to the person at the door: “Bring that person up.”

Seriously, in Xue Peng’s heart, Yue Feng was a liar, and he absolutely couldn’t believe it.

But there is really no way out now, why don’t you bring him up to try.

The ultimate husband in Chinese chapter 3206-3210

Chapter 3206

“That person is obviously a liar, how can you believe what he said?” The pharmacist next to him, suddenly anxious, couldn’t help speaking.

While talking, the pharmacist took out two bottles of medicine and quickly gave Xue Shan an injection.

These two bottles of medicine were specially prepared by the pharmacist, and they have obvious relieving and calming effects. This medicine is not easy to use, but now Xue Shan is in critical condition and can only take a risk.

Xue Peng frowned: “Does your method work?”

“It can temporarily relieve the leader’s pain. The medicine lasts for an hour. Within this hour, I will find a way as soon as possible!” The pharmacist wiped his sweat and said.

Just as he was talking, Yue Feng was brought in.

Ugh!

As soon as he entered the room, Yue Feng couldn’t help sighing, and saw that Xue Shan was lying there, his face pale, and the situation was very critical. He had a needle in his arm and was undergoing an infusion.

Seeing this scene, Yue Feng shook his head secretly, the infusion was useless at this time!

Muttering in his heart, Yue Feng walked over and took down the medicine.

“What are you doing?” The pharmacist’s expression changed, and he couldn’t help but scold.

Xue Peng was even more angry!

I brought this kid here, just to ask about the situation, but he was so bold that he made his own decisions as soon as he came.

Feeling Zheng Peng’s anger, Yue Feng did not panic at all, and said indifferently: “This treatment method can only be relieved for a while, it is useless at all!”

Hearing this, the pharmacist was very angry, and said coldly: “This is still What do you say? The leader’s situation is very dangerous, and this is the only way to alleviate it.”

This chapter is provided by . Visit for daily update.

“That’s because your ability is limited, you can’t do it, it doesn’t mean that others can’t do it.” Yue Feng said lightly, and then carefully observed Xue Shan’s situation.

I told you not to pull out the needle. If you don’t listen, you should be panicking now.

Huh....

Hearing this, everyone present was stunned, looking at Yue Feng with complicated eyes.

What is this kid saying? How dare he despise the pharmacist? You must know that this pharmacist has been in the Bounty Alliance for more than five years. During these five years, I don’t know how many people have been saved.

And the boy in front of him actually said that he was not good at medicine.

The pharmacist was also stunned for a while, and looked at Yue Feng with an extremely angry smile: “You are not young, but your tone is not young, you...”

Xue Peng interrupted him just halfway through.

“Okay, stop arguing!” Xue Peng looked gloomy and looked at the pharmacist: “In an hour, are you sure you can think of a cure?”

Uh... The

pharmacist was embarrassed and immediately closed his mouth.

Xue Peng turned his head to look at Yue Feng: “Do you have a way to save my father?”

“Yes!” Yue Feng nodded.

Xue Peng took a deep breath, and after some entanglement in his heart, he said coldly: “Okay, I will believe you once, but if you don’t come here, you can bury with you!”

Hearing this, the pharmacist became anxious and wanted to stop it. But seeing Xue Peng’s gloomy face, he swallowed the words that poured out of his mouth.

Hearing Xue Peng’s threat, Yue Feng smiled lightly, then walked slowly to the bed and carefully checked Xue Shan’s situation: “Let me ask, has your leader been poisoned before?”

With Xue Shan’s current situation, even if the silver needle was pulled out, it would not have become so serious in just a few minutes.

Moreover, Xue Shan’s face at this time was pale with a hint of cyan, and Yue Feng immediately concluded that Xue Shan had been poisoned before, and the poison in his body had not been eliminated at that time.

Whoa!

Hearing this, the surrounding people suddenly whispered.

“This kid doesn’t treat the leader quickly, what nonsense is he talking about?”

“That is, I think he is trying to find a reason to shirk his responsibility...” During the

discussion, the pharmacist couldn’t help but sneer and scolded Yue Feng: “What nonsense are you talking about, the leader is so powerful, how could he have been poisoned?” As

he spoke, the pharmacist wanted to make some sarcasm, but Xue Peng waved his hand to stop him.

Chapter 3207

At this time, Xue Peng, with complicated eyes, looked at Yue Feng: “My father was bitten by a poisonous python five years ago, and he was in a coma for three days.”

When he said this, Xue Peng looked at Yue Feng There was a bit of surprise in Feng’s eyes.

To be honest, Xue Peng originally questioned Yue Feng’s ability, but after hearing what Yue Feng said just now, he suddenly changed his mind.

It is not simple to be able to see at a glance that his father has been poisoned before.

What?

Did the old man really get poisoned?

For a moment, everyone around was stunned again.

“That’s right!” Yue Feng nodded, then took out a dozen silver needles and stabbed them on the major acupoints on Xue Shan’s body.

In the next second, Yue Feng mobilized his internal force and injected it into Xue Shan’s meridians through the silver needle.

Chi Chi...

A few seconds later, Xue Shan trembled slightly, and some black venom came out from the place where he was pierced by the silver needle.

This....

Seeing this scene, Xue Peng was stunned.

And the pharmacist next to him opened his mouth even more, which was enough to smother a fear, and was extremely shocked.

The venom remaining in the body was expelled like this? And this method is really unheard of.

Is there such a way in the world?

Yue Feng didn’t pay attention to the shocked faces of everyone, but urged his inner strength to detoxify Xue Shan. After a few minutes, after all the venom had been expelled, Yue Feng did not stop and continued to clear Xue Shan’s meridians.

call!

After being busy for more than half an hour, Yue Feng stopped and wiped the sweat from his face: “Okay.”

Everyone quickly looked, and saw Xue Shan’s pale face, now rosy and body. There was no trembling, and the heartbeat gradually returned to normal.

Really cured!

Seeing this scene, everyone present was dumbfounded.

The pharmacist opened his mouth even more, unable to speak for a long time.

At this time, Yue Feng asked the person next to him for paper and pen, wrote a prescription, and handed it to the pharmacist: "According to the above, make these medicines twice a day, morning and evening, and give them to the leader. Within seven days, they will be It can be healed."

"Uh...good." The

pharmacist's voice trembled a little when he was shocked by the result of the prescription.

"It seems that your medical skills are really good." Xue Peng recovered and looked up and down at Yue Feng and

said, "Who the hell are you?" live in doubt.

A man of unknown origin, with such excellent medical skills, is really suspicious.

"Haha..."

Yue Feng smiled slightly: "I came here this time because I was recommended to visit Lord Xue Shan." After speaking, he took out Doug's letter of recommendation.

Xue Peng took the recommendation letter and read it, and was stunned: "Mr. Doug's friend?" The

next second, Xue Peng looked ashamed and said to Yue Feng, "It turned out to be recommended by Mr. Doug. How offended." Doug and his father are old friends, and if he introduced them, they are not outsiders.

"You're welcome!" Yue Feng smiled, and then looked at Xue Shan, who was still in a coma: "I was looking for the leader this time to ask for advice on some things. Now that the leader is injured, I won't bother. Come back another day."

After saying this, Yue Feng was about to leave.

"Father!"

However, at this moment, an anxious voice came from outside the door, followed by a hot figure who hurried in.

Is a very beautiful woman.

Grade 25 or so, with delicate facial features, hot body, and a close-fitting red leather jacket, indescribably sexy and charming.

Chapter 3208

is Xue Shan's daughter, Xue Peng's sister, Xue Mi'er.

Xue Mi'er is also a bounty hunter. She originally had a task to do today, but she hurried over when she learned that Xue Shan was seriously injured.

When she got to the room, Xue Mi'er felt a little panic when she saw Xue Shan lying on the bed, still in a coma.

"Brother!"

After a few seconds, Xue Mi'er reacted and asked anxiously at Xue Peng, "How is your father?"

Xue Peng smiled and comforted: "My father is fine for the time being, don't panic, and said Get up, thanks to this gentleman." The

voice fell, Xue Peng pointed to Yue Feng, and said the situation just now.

he?

Xue Mi'er was stunned for a moment, her eyebrows frowned, and her eyes looked up and down on Yue Feng: "He saved his father?"

When she said this, Xue Mi'er's eyes flashed with complexity, and she obviously didn't believe it. This person looks ordinary, and it is difficult to associate with a highly skilled pharmacist.

But Xue Mi'er didn't think much about it, as long as her father was okay.

"That's right!"

At this moment, Xue Mi'er thought of something, and said to Xue Peng: "I just got news that Auf may be hiding in a cave a dozen kilometers north of Arendis. According to the news, Auf arrested him. A couple of beautiful women who don't know what to do."

Really?

Hearing this, Xue Peng was shocked and very excited: "Ma De, finally there is news about him!"

Auf, a fugitive from the Principality of Tianxing, this man is tyrannical and does all kinds of evil. Half a year ago, he rewarded him. The Golden Alliance received a mission, and the target was this Auf, but this Auf was too cunning. He almost caught it several times, but he ran away.

beautiful woman?

At the same time, Yue Feng's eyes flashed, and he naturally thought of Miaoying and Yanhong. Speaking of which, Miao Ying and Yan Hong are immortals with powerful strength, so they should not be caught, but this is a different world after all, who knows if there will be accidents.

Excited, Xue Peng said to Xue Mi'er, "You take care of your father, I'll catch Auf!" After saying that, Xue Peng took a big sword and was about to leave, but suddenly his body trembled and his face turned pale.

Obviously, when Xue Shan was escorted back just now, Xue Peng was also injured.

"Brother!"

Seeing this scene, Xue Mi'er quickly supported Xue Peng, worried: "I'll go, you stay to recover." The

elder brother was injured, and he was definitely not Auf's opponent.

Xue Peng frowned: "Can you do it alone?"

"Don't worry, I know Mrs. O's a lot, so I'll check it out secretly. I won't show up to fight him unless I have to." Michelle comforted him. road.

At this time, Yue Feng came over and said, "How about I go with this young lady?"

Speaking of which, the Bounty Alliance has nothing to do with him, but in case one of the women caught by Auf has Miao Ying and Yanhong, didn't you miss them?

"You?"

Michelle turned her head and glanced at Yue Feng, unable to hide her contempt: "How can you help?" This person has no holy power at all, and it is a complete burden to carry.

Feeling Michelle's contempt, Yue Feng didn't care.

"Sister!"

At this moment, Xue Peng showed a smile and said to Michelle: "Since Mr. Yue Feng said it, let him accompany you."

Although this Yue Feng is not strong, but his medical skills are brilliant. In case of an emergency situation and his sister is injured, this Yue Feng is present and can take care of him.

“Brother, why let him follow.” Michelle looked unhappy.

Xue Peng smiled bitterly, and then said seriously: “Father hasn’t woken up yet, I’m your brother, so you have to listen to me. If you don’t listen, don’t go!” The

voice was not loud, but there was no doubt about it.

Chapter 3209

Seeing that Xue Peng’s tone was firm, Xue Mei’er was not good at opposing it, but she was still reluctant, stomped her feet, and walked out quickly.

“Mr. Yue Feng, trouble!” Xue Peng smiled awkwardly.

Yue Feng waved his hand, indicating that it was all right, and then quickly chased out.

When they got outside, they saw Xue Mi’er standing on the side of the road, her beautiful face full of pride.

“Hey!”

Seeing Yue Feng coming out, Xue Mi’er said angrily: “When you get to the place, everything follows my arrangement. If you don’t obey the command and something happens, I don’t care about you, you know?”

“Okay. !” Yue Feng smiled and nodded.

To be honest, Xue Mi’er’s arrogant attitude made Yue Feng very uncomfortable, but in order to find out whether there were two beauties caught by Auf, Yue Feng didn’t bother to care.

Seeing his happy promise, Xue Mi’er turned around and left the city without further talking.

Yue Feng followed slowly.

After leaving Arendis and walking north for more than an hour, Yue Feng and Xue Mi’er came to one barren mountain, and they saw that this barren mountain was overgrown with grass and trees. Dimly lit up.

There is only one mountain road leading to the platform, but there are many people guarding it at the foot of the mountain.

These people, all of them are not low in strength, and their faces are hideous, all of them are Auf’s subordinates.

Xue Mi'er hid in the dark to observe, and said coldly: "Follow me!"

Saying that, Xue Mi'er bypassed the people at the foot of the mountain, went to the back of the hillside, and approached the platform from a hidden path. Xue Mi'er is a local, so she is very familiar with the environment around Arendis.

Soon, near the platform, Michelle and Yue Feng hid behind the tree and observed it secretly.

I saw that inside the platform, there was indeed a big cave, vaguely, I could hear the cries of women coming from the cave.

At the entrance of the cave, a bonfire was lit, and there were several big men sitting around, talking and laughing while drinking wine.

The one headed by him was burly and had a scar on his face that stretched from his right eye to the corner of his mouth.

It was Off.

Swish!

Seeing Auf, Xue Mi'er bit her lip tightly, her eyes couldn't hide the anger: "This bastard, really caught some women and locked them here."

Yue Feng did not respond, but listened carefully to the sound from the cave. The woman was crying, and there seemed to be no Miaoying and Yanhong in the cry. Yue Feng suddenly let out a sigh of relief.

At this time, the entrance of the cave.

Auf and several of his subordinates had already drunk a lot of alcohol at this time, and all of them were inexplicably excited under the stimulation of alcohol.

"Boss!"

At this moment, one of them said to Auf: "The aristocratic women we caught are more beautiful than the other, but they just asked for some ransom, which is too bad." The

voice fell, and the others All followed suit.

"Yeah!"

"Brothers have been on this broken mountain for so long for this business, and they have forgotten what it's like to be a woman."

Hearing this, Auf grinned, with sinister eyes flashing in his eyes: "Look at you one. A hopeless person, well, when you finish drinking these wines, you can go in and play, remember, don't let these women commit suicide, and if they die, they won't get the ransom."

"Thank you boss!" Several subordinates were overjoyed and responded in unison.

Yue Feng and Xue Mi'er could clearly hear the conversation between Auf and several of his subordinates.

"These bastards!" Xue Mi'er clenched her pink fist tightly, her delicate face flushed red, and she was furious.

Mad!

Yue Feng also frowned secretly, with a trace of anger in his eyes.

This Auf is really notorious, even if he kidnapped these women, he had to let his subordinates have fun.

Chapter 3210

"You are here!"

At this time, Xue Mi'er reacted and said to Yue Feng, "I'll go back and find someone."

Xue Mi'er knew that it was impossible to destroy the cave with the strength of the two of her own. The woman inside was rescued. Now that the situation has been investigated clearly, the only thing that can be done is to go back and move rescue soldiers.

"This is inappropriate!" Yue Feng shook his head.

Swish!

Seeing that he didn't obey the command, Xue Mi'er was very unhappy, and said coldly: "Stop talking nonsense, this time, everything follows my command."

Yue Feng was very helpless, and smiled bitterly: "You heard it just now, these people finish drinking soon, and wait for you to bring people over, I'm afraid the women in the cave have already suffered."

Although Yue Feng heard that there were no Miao Ying and Yan Hong in the cave, he couldn't helplessly watch Auf and these. People do evil.

Hearing this, Xue Mi'er was stunned for a moment, and her heart suddenly became entangled.

Yes, it takes at least an hour to go back and forth from here to Arendis. For such a long time, I am afraid that the innocence of the women in the cave will be ruined by people like Auf.

But... if you don't go back and call someone, what else can you do? Relying only on himself and this Yue Feng, he is no match for the people like Auf.

call!

Just when Xue Mi'er was secretly anxious, she saw Yue Feng take a deep breath, then stood up, moved some stones, and placed them on the mountain road.

Just now, Yue Feng carefully observed the environment. Most of Auf's subordinates were at the foot of the mountain. In order to prevent them from coming up to support, a stone formation was deployed on the mountain road they must pass.

In this way, when the fight really starts, I am not afraid that they will come up to support Auf.

"Hey!"

Seeing this scene, Xue Mi'er was anxious and angry, and couldn't help shouting: "What are you doing?"

At this time, Yue Feng had already deployed the stone formation, and when she heard Xue Mi'er's inquiry, she replied lightly: "Prepare to save Man, I did this to block the people below and prevent them from rushing up."

What?

Hearing this, Xue Mi'er was stunned for a moment, and looked at Yue Feng in a complicated way, thinking that there was something wrong with this person's brain.

Just get some rocks and put them on the road to block the people below?

This guy can't be crazy.

At this time, Xue Mi'er didn't even know that the stones placed by Yue Feng seemed to be chaotic and ordinary, but they were actually an extremely powerful ecstasy formation.

"Hahaha..."

At this moment, Auf and a few subordinates were very excited after drinking the last bottle of wine.

“We’re done drinking, let’s go in and pick beautiful women!”

“Let’s go, let’s go in together.”

“Haha, I’m so excited.”

A few of his men laughed and thought about walking inside the cave.

Nima!

Seeing this scene, Yue Feng hurriedly said to Xue Mi’er: “Wait for me to attract their attention, you find a chance to sneak into the cave and rescue people.” After the

voice fell, Yue Feng took a deep breath and stood up and left. In the past, he shouted: “Hey, such a good thing, everyone has a share, do you want me to choose a beautiful girl too?”

Huh?

In an instant, Auf and several of his subordinates were stunned for a moment, and then they all looked over and looked at Yue Feng up and down.

“Boy, who are you?” Auf asked coldly with a gloomy face.

Yue Feng smiled slightly: “Don’t be nervous, I’m just a passerby. Seeing that you guys are very lively here, just come and have a look!”

Passing by?

As soon as the words fell, Auf and several of his subordinates were all furious, and after that, a few people looked at each other and quickly approached Zhou Qin. Mad, a passer-by, dared to make trouble, he was just courting death.

Oops, this man is sick!

At the same time, Xue Mi’er, who was hiding in the dark, stomped her feet in a hurry. This Yue Feng, who has no holy power at all, dares to provoke Auf in the past, does he think he will live long?

Patting his forehead, Yue Feng stood up cautiously and walked up to it.

“Made. Chop him for me!” At this time, Auf was also very angry, pointing at Yue Feng and scolding.

Whoops!
