

The ultimate husband in Chinese chapter 3211-3215

Chapter 3211 The

voice fell, and several of the men pulled out their weapons and charged directly towards Yue Feng.

Seeing a few people rushing over, Yue Feng didn't panic at all, but he pretended to be very frightened and shouted: "Oh, I'm really a passerby, even if you don't like it, you can't do it. Ah."

While shouting, Yue Feng pretended to turn around and run away, but secretly he was running the inner strength of his dantian.

Bang!

In the next second, the guy who rushed to the front was hit by Yue Feng and snorted, and the whole person flew out directly. After landing, he passed out!

Um? !

Seeing this scene, whether it was Auf or a few other people, they were all stunned.

What is the situation, this kid has no holy power at all, how did he fall?

At the same time, Xue Mi'er, who was hiding in the dark, also frowned, looking at Yue Feng with complex eyes.

How did he do that?

"Mad!"

Finally, Auf reacted and scolded: "Hack him to death for me! The black dog must have drank too much and tripped himself." The black dog was the one who was knocked out by Yue Feng. guy.

Black dog, haha, the name is interesting.

Hearing this, Yue Feng couldn't help laughing.

After hearing Auf's words, the remaining subordinates howled and charged towards Yue Feng again.

This chapter is provided by . Visit for daily update.

At this moment, Yue Feng was no longer pretending, moved his wrist, and directly greeted him.

bang bang bang...

After just a few seconds, the robbers all fell to the ground, each with a painful expression.

What?

Seeing this scene, Xue Mi'er trembled, completely stunned.

This Yue Feng is so fast, how did these people get knocked down, I didn't see clearly once.

At the same time, Auf was also shocked!

"Good boy, it turned out to be faked just now!" After reacting, Auf roared, holding a huge hammer, and smashed it directly at Yue Feng.

The hammer weighed a few hundred pounds, but it was blown away by Aufwu, with astonishing power.

Yue Feng did not fight recklessly, but with agile movement, surrounded the bonfire, and fought with Auf.

"Quick, go into the cave to save people!" Yue Feng did not forget to shout at Xue Mi'er while pestering Auf.

At this time, Xue Mi'er was completely dumbfounded when she saw that Yue Feng and Auf did not lose in the fight, but she still reacted quickly when she heard Yue Feng's shouting.

Um? there's still one!

Seeing Xue Mi'er, Auf was even more angry, and his eyes were instantly blood red.

Wow...

But just when Xue Mi'er was about to rush into the cave, suddenly, there was a sound of footsteps coming from the bottom of the mountain, and then, she saw dozens of Auf's men at the bottom of the mountain, rushing quickly. come over.

Obviously, the sound of fighting here alarmed them.

"Quick!" Auf shouted, "Give me a hold of this woman!"

At the same time, Auf's eyes couldn't help but glance at Xue Mi'er, flashing with excitement.

This woman is so beautiful. Compared with the noble women in the cave, she is no less inferior. She must be captured alive.

When the voice fell, dozens of subordinates howled and rushed towards Xue Mi'er.

Done!

Seeing this situation, Xue Mi'er's delicate body trembled, and she couldn't be more anxious.

So many people, how can I stop myself?

Thinking to herself, Xue Mi'er gave Yue Feng a stern look. It was this person who had to mess around. Now it's alright, both of them can't run away.

Um?

But just when Xue Mi'er was secretly annoyed, she was completely stunned by the scene in front of her.

I saw that dozens of Auf's subordinates rushed into the stone, one of them seemed to have lost their way, and they circled around in place, but they couldn't get out.

Chapter 3212

What's the matter?

Isn't this just a pile of rocks?

Seeing this scene, Xue Mi'er only felt her brain buzzing, and she was extremely shocked.

At the same time, Auf was also stunned.

He clearly saw that dozens of his subordinates were trapped in a rock, and they were all dizzy, as if they were playing hide-and-seek.

"Made!"

Soon, Auf reacted and cursed: "What are you doing in there? Why don't you come and help?" The

voice fell, and dozens of men trapped in the stone formation were all about to cry. No tears.

“Boss, we can’t get out.”

“These stones are so evil that they seem to be able to move.”

“Yeah...”

The voices of dozens of subordinates came, and Auf was anxious and angry.

Bang!

At this moment, Yue Feng found the opportunity and punched Auf in the heart. Hearing Auf groan, the whole person staggered back a dozen steps, and the giant hammer in his hand fell to the ground.

With this punch, Yue Feng stimulated five layers of internal force and broke Auf’s two ribs.

Speaking of which, if Yue Feng broke out with all his strength, this Auf would definitely die, but Yue Feng knew that this was the Roland Continent, and his dantian inner strength was of a different kind. Click OK.

Anyway, the situation in front of him is basically under his control.

“Go in and save people!” Yue Feng shouted at Xue Mi’er.

Oh!

Hearing the shout, Xue Mi’er reacted and rushed into the cave quickly.

Yue Feng took a deep breath, walked slowly towards Auf, and said leisurely: “Auf, right? You can’t run away today, so just catch yourself!”

Mad!

Watching Yue Feng come step by step, Auf’s face was extremely gloomy. He never thought that with so many people, even a kid couldn’t stop him.

What makes Auf unacceptable is that this person in front of him has no holy power at all, and he can still hurt himself.

“Mad, go to hell!” Seeing that Yue Feng was less than two meters away from Auf, Auf suddenly scolded, raised his right arm at the same time, and showed the arrow on his arm.

Um? And dark weapons!

The moment he saw Xiu Jian, Yue Feng frowned secretly, instinctively wanting to hide, but the distance was too close, it was too late.

Whoosh!

Auf quickly pressed the machine spring, and the sleeve arrow shot out. He saw Yue Feng's body trembled suddenly, his shoulder was instantly pierced, and blood spurted out.

At this time, Xue Mi'er rescued the woman who was trapped in the cave. Just when she saw the scene, her tender body trembled.

What the hell!

Seeing the women rescued by Xue Mi'er, Yue Feng was also stunned.

I saw that these girls were all in their twenties, each one was prettier than the other, wearing aristocratic long skirts, but they were all too scared.

This Auf's vision is quite good, and he has caught so many beautiful women.

call!

Muttering in his heart, Yue Feng endured the severe pain from his shoulders, took a deep breath, stared at Auf, and showed a smile: "Auf, you are over, is it interesting to do such a meaningless resistance?"

As he spoke, Yue Feng raised his hand to seal the acupuncture point on his shoulder to stop the bleeding.

What?

Seeing this scene, both Auf and Xue Mi'er opened their mouths wide and their eyes filled with incredulity.

Just tap on the shoulder and the blood stops flowing.

How did he do that?

There is no point of acupuncture in Roland Continent. At this time, Yue Feng's approach is more miraculous than magic in the eyes of Auf and Xue Mi'er.

"you you..."

Chapter 3213

Finally, Auf reacted, his tone trembled, obviously panicking.

In the next second, Auf's eyes flashed with ferocity, and he rushed towards Xue Mi'er. Xue Mi'er was startled and instinctively retreated.

However, Auf's target was not Xue Mi'er, but the woman she had just brought out of the cave.

Those women were imprisoned for a day, and they were all very weak. At this time, it was too late to dodge. In the blink of an eye, one of them was tightly grasped by Auf.

"Fuck you, back me up!" Auf pulled the woman and stood in front of him, not knowing when there was a dagger in his hand, which was placed across the woman's neck and scolded at Yue Feng.

At this time, Auf's eyes were full of madness.

He knew that he was not Yue Feng's opponent, and the only way to escape was to take hostages.

"Don't, don't kill me..." The woman was frightened, her delicate body trembled, she kept begging for mercy, and her tears kept streaming down.

Nima!

Seeing this situation, Yue Feng was instantly furious.

This Auf is simply a lunatic who dares to threaten him with the hostage.

For so many years, Yue Feng is not afraid of powerful enemies. The only thing he hates is that the opponent threatens him with weakness.

"Don't come here, or I'll kill her! Hurry back, if you hear me, back up..." Seeing Yue Feng's changing face, Auf howled loudly.

At the same time, Auf also clenched the dagger in his hand.

Swish!

At this moment, Xue Mi'er bit her lip tightly and became tense in an instant, all her heart was raised in her throat.

She never thought that Auf was even more sad than rumored, and took a woman as a hostage.

Yue Feng did not rush forward, clenching his fists and looking at Auf!

“Hey...”

Seeing Yue Feng stop, Auf looked smug: “Made, aren’t you very good? Don’t you want to listen to me now?”

After saying that, Auf turned his head and glanced. Xue Mi’er: “And you, you look familiar, you should be from the Bounty Alliance, right?”

“Not bad!” Xue Mi’er responded: “The leader of the Bounty Alliance, Lord Xue Shan, is my father. ” Speaking, Xue Mi’er

took a deep breath and said slowly: “Auf, today you can’t fly, or give up your resistance and go back with us obediently!

“

Do you think it’s possible? Let me tell you, even if I die today, I’ll pull a back.”

Auf yelled, looking around, planning an escape route in his heart.

At this time, Auf was extremely resentful in his heart.

Mad, if it wasn’t for the men and women’s raid, he and his subordinates would have already received the ransom.

Seeing Auf’s refusal to accept the softness, Xue Mi’er’s body trembled with anger.

call!

At this time, Yue Feng lost his patience, took a step forward, and said coldly to Auf: “Auf, you are also a famous person, don’t you feel ashamed to use a woman as a shield now?

” Nimad!” When the

voice fell, Auf’s face changed, and he couldn’t help but yell: “What kind of thing are you, you are also qualified to say Laozi?”

Over the years, he has traversed the Roland Continent, has a notorious reputation, and has a gang of subordinates who follow him with all his heart, and can be regarded as a generation of heroes.

And this little-known boy in front of him, how can he endure such humiliation?

In the face of Auf's rage, Yue Feng did not panic at all, and said lightly: "Isn't it? If you want to be considered a man, let her go and fight me dignifiedly!" As he

said, Yue Feng continued to slow down. Approach slowly.

"You're wrong! Stop, you give me a special code to stop!" Auf's eyes flashed with hatred, and he shouted angrily.

Yes, Yue Feng said this on purpose, preparing to psychologically break Auf's line of defense. As long as Auf is confused by himself, there will be flaws.

"Hey!"

Seeing this scene, Xue Mi'er's pretty face changed, and she stomped her feet anxiously: "Don't be impulsive!"

Is he crazy? What if he really pushed Auf into a hurry and really killed the hostage?

Chapter 3214

Yue Feng's face was indifferent, and he gave Xue Mi'er a look, indicating not to be nervous.

The next second, Yue Feng showed a smile and looked at Auf: "Okay, everyone take a step back, how can you let her go!"

When he said this, Yue Feng looked behind Auf intentionally or unintentionally, I saw a few meters behind Auf, a colorful little snake, lying there.

Yue Feng knew that the more beautiful a snake was, the more poisonous it was, and at this moment he had a plan in his heart.

"Hahaha..."

Seeing that Yue Feng finally compromised, Auf couldn't help laughing up to the sky: "Is it a condition? It's very simple. I want you to remove those stones and cut off one of your own hands."

Until now, Auf has not figured out how his dozens of subordinates were trapped in those stones, but he knew that as long as the stones were removed, these subordinates would be fine.

As for letting Yue Feng cut off a hand, it was entirely Auf's way of venting the anger in his heart.

Nima!

Hearing this, Yue Feng couldn't help but scolded in his heart, this Auf was quite ruthless, and even let himself cut off a hand.

Thinking of this, Yue Feng showed a smile, nodded and said, "Okay, you have to say what you say!"

"Hey, you're crazy!!" As soon as the words

fell, Xue Mi'er had a complicated face and couldn't help shouting.

This Auf is vicious and despicable, and what he said is not credible at all. If Yue Feng really cut off one of his hands, the situation would be completely passive.

Yue Feng secretly shook his head at Xue Mi'er and said, "Go, move the stone away!"

Xue Mi'er was very reluctant, but seeing Yue Feng's serious expression, she still walked slowly towards the stone formation.

Swish!

At this moment, Auf stared closely at Xue Mi'er, with excitement and cruelty flashing in his eyes.

Auf has thought about it, as long as his subordinates are released, they will immediately let them capture Xue Mi'er alive. As for this Yue Feng, he has cut off one hand and cut off another hand, so he has no threat to himself, so don't worry at all.

Complimented, Auf said to Yue Feng coldly: "She's going to move the stone, cut off one of your hands! Don't try to play tricks."

Yue Feng replied with a smile, and then put his hand in his mouth, making a series of hissing noises.

Hissing...

Hearing the sound, the poisonous snake lying there, as if it had received an order, crawled towards Auf like lightning.

Yes, Yue Feng used ventriloquism just now to signal an attack to this poisonous snake.

"What are you doing?" Auf frowned and asked coldly.

At this time, Auf did not realize that the danger behind him was rapidly approaching.

"Oh!"

Yue Feng had a leisurely face and responded with a smile: "It's nothing, the shoulder injury is a little uncomfortable."

Auf's eyes flickered, and just as he was about to speak, he saw the poisonous snake behind him, which had already arrived in front of him and bit him. Off's calf.

hiss!

When the pain came, Auf couldn't help taking a deep breath. When he looked back, his face changed.

I saw a poisonous snake biting my calf.

Pfft!

The next second, Auf hurriedly released the hostage, trying to squeeze the venom out, but the venom spread quickly, and in an instant, a sense of paralysis spread throughout the body, and Auf shuddered and fell soft to the ground.

what's the situation?

At this time, Xue Mi'er had just walked to the stone formation, and when she heard the situation here, she quickly looked over. When she saw it, she was immediately stunned.

I saw Auf's face turning blue, lying on the ground, completely losing his resistance.

After being stunned for a few seconds, Xue Mi'er walked over quickly and asked Yue Feng, "What's the matter? Where did the poisonous snake come from?"

Alas!

Yue Feng smiled slightly, looked at Auf and said hypocritically: "It seems that he has done too much evil, and God can't stand it anymore, so he sent a poisonous snake to punish him."

It's better not to talk about his ventriloquism. After all, this is another world.

Yeah?

Chapter 3215

Xue Mi'er was stunned, but seeing Yue Feng's serious face, she had no doubts.

The next second, Xue Mi'er took out the rope, walked over to tie Auf Wuhua, and didn't forget to kick a few times: "I made you do bad things, and now you get the retribution, you really deserve it."

Haha...

Look At this scene, Yue Feng couldn't help but burst into laughter.

This Xue Mi'er is quite interesting.

At this time, several noble women next to them also recovered, and came over to express their thanks to Yue Feng.

"Thank you for saving us..."

"Thank you for your benefactor..."

"I don't know what the benefactor is called."

Yue Feng smiled and replied: "Don't be so polite, my name is Yue Feng, by the way, your family is in Where? How did they get arrested?"

Hearing the question, several noble women looked at each other, and then answered one by one.

"My name is Rena, I'm the daughter of Duke Ruibo of the Crescent Principality..."

"I'm from the Stead family..."

"My father is the lord of Lie Sun City..."

Hearing these women's answers, Yue Feng was stunned there, secretly startled.

Damn, the identities of these women are more prominent than the other. This Auf is really audacious. He has captured so many noble ladies. No wonder he is wanted by the entire Roland Continent.

After a few chats, Yue Feng let these noble ladies go down the mountain and leave.

"Yue Feng!"

At this moment, Xue Mi'er came over and said, "You stay here, I'll go back and call someone to send Auf and the others to Arendis for trial."

Yue Feng nodded, expressing no objection. At this moment, Xue Mi'er

thought of something, pointed to the stone formation and asked, "How on earth did you do it? Why are these people trapped inside and can't get out?"

full of curiosity.

Until this time, dozens of Auf's subordinates were still trapped inside, like headless flies.

This...

Yue Feng scratched his head and said with a smile: "It's actually very simple. When I placed this stone before, I smeared a potion that can cause hallucinations on each stone. Auf's these My subordinates, after entering, inhaling these medicines, they become unconscious, and naturally they are trapped inside." The

formation technique is more esoteric and difficult to understand than ventriloquism, Yue Feng was too lazy to explain to Xue Mi'er, Just made up a lie.

It turned out to be so.

Hearing this, Xue Mi'er nodded suddenly, then curled her lips and said: "I thought you had some special ability, so you used such a small trick." The

voice fell, Xue Mi'er said no more, and hurried down the mountain to call someone went.

call!

After Xue Mi'er left, Yue Feng breathed a sigh of relief, feeling a little bored.

At this time, Auf's poisoning deepened and he was completely unconscious.

Made!

At this moment, Yue Feng's eyes fell on Auf, and he couldn't help muttering in his heart.

This Auf has done so many bad things in Roland Continent, robbing and killing people, doing all kinds of evil, and there must be treasures on him.

Thinking to himself, Yue Feng walked over and searched Auf's body. Soon, he found a crumpled map. He saw that this map has drawn the entire Roland Continent, but the paper is yellowed, obviously the age long time ago.

In a place at the top right of the map, it was specially marked with a red dot.

Treasure Map?

Seeing the red dot marked, Yue Feng was stunned for a moment, not at all excited.

Mad, what is the use of the treasure map for me? I don't even need money.

Although a little depressed, Yue Feng still put away the treasure map.

After a while, Xue Mi'er came with people and brought Auf and his men to Arendis.
