

The ultimate husband in Chinese chapter 3221-3230

Chapter 3221

With emotion, Yue Feng couldn't hold it anymore, his eyes darkened and he fainted.

Whoops!

Seeing this scene, dozens of elites from the Bloody Hand Organization quickly gathered around and carried Yue Feng out.

At this moment, Irene wanted to stop her, but the suffocation of these blood-hand organizations was too strong, as long as they watched them take Yue Feng away.

.....

Yue Feng and Wick, the two royal knights fought in the tavern, and the news quickly spread throughout Arendis.

At this time, Baisheng Palace, Doug's room.

Doug sat there, his face gloomy and terrible!

Beside her, Irene stood there, her delicate body trembling faintly, and her heart was flustered.

call!

Finally, Doug took a deep breath and asked Irene angrily, "Mr. Yue Feng was taken away by the Bloody Hand Organization?"

"Yes!" Irene replied in a low voice, "There are too many of them. I didn't dare to stop it!"

Hearing this, Doug became annoyed: "Okay, let's not mention this for the time being, let me ask you, why did Mr. Yue Feng fight with Wick?"

"The situation was said.

At the end, Irene was very aggrieved: "Who knew that Teacher Yue Feng was so persistent and insisted on taking me away, and said that Wick was not a good person, I think Wick is very good!"

"Not bad?"

At this moment, Doug He couldn't bear it any longer, his eyes almost burst into flames, and he pointed at Irene and roared loudly: "That's a wolf in sheep's clothing. After saying a few sweet words to you, you can't tell the difference between north and south?"

Wick is romantic by nature. He has harmed many girls over the years. With his deep background, he secretly suppressed these things, but these things could not be hidden from Doug.

After all, as the lord of Simon City, Doug can easily find out.

"How can you blame me?"

Irene was very aggrieved and couldn't help shouting: "It was he who had to provoke Wick, but his strength was not enough, and he was attacked by Wick's men. K..."

"Crack!" Before

he could finish speaking, Doug raised his hand suddenly and slapped Erin hard.

At this time, Doug was trembling with anger: "You are still obsessed with it? Wick is plotting against you, and it was Mr. Yue Feng who saved you. Do you know that, and you still say that Mr. Yue Feng is self-conscious. How can I give birth to your stupid daughter?"

After speaking, Doug said coldly: "I tell you, if Mr. Yue Feng is all right, it will be fine, if there are three advantages and two disadvantages, I will never forgive you!"

When he said this, Doug's face was gloomy, and his eyes were even more anxious.

Mr. Yue Feng is the descendant of Lord Fu Yi. If he is a knight of the royal court, if he is famous in the world, he will follow him, but if something happens to him, he will also be unlucky.

Irene covered her face, feeling wronged and angry.

"Father, you...you beat me for an outsider? I really don't understand, what did I do wrong!" Irene shouted with tears, then stomped her feet and ran out.

Ugh!

Watching his daughter run out, Doug sighed, and then called his subordinates: "No matter what method you use, you must find Mr. Yue Feng, go!"

"Yes!"

...

the other side!

Not knowing how long he had been in a coma, Yue Feng woke up faintly.

call!

The moment he opened his eyes, Yue Feng smelled a charming fragrance, and when he opened his eyes, he was stunned.

I saw myself lying in a boudoir. The furnishings of the whole room were indescribably fresh and elegant. The air was sprayed with perfume, and the fragrance was charming.

On the stool next to the bed, sat a charming and cold figure.

It was Olina.

Seeing Yue Feng open her eyes, Olina hurried over and said softly, "Wake up? What do you think?"

Yue Feng nodded and looked at her with a smile: "It's okay, luckily your people are here. Timely, by the way, how did you know that I was in that tavern, did you send someone to follow me?"

Chapter 3222

Hearing this, Olina's pretty face changed, and she quickly explained: "No, I happened to pass by."

Seriously, Olina didn't want to be so humble in front of Yue Feng, but she had no choice but to take it. Tong Shen Dan, within a year, needs Yue Feng's antidote to survive.

Seeing her nervous look, Yue Feng showed a smile, and wanted to tease her more: "Well, if that's the case, why didn't you show up at that time?"

"This..."

Olina hesitated and said softly: "You may not know yet, our Bloody Hand organization is huge and its personnel are all over the Roland Continent, so the six major duchies regard us as a threat."

"You and Wick are both royal knights of the Tianxing Duchy. As the leader of the Bloody Hands organization, naturally he can't show his face easily."

It turned out to be the case.

Hearing this, Yue Feng suddenly nodded.

The next second, Yue Feng looked at Olina with a smile: "It's really uncomfortable to have so many wounds on my body, why don't you give me a hammer? Maybe I can get better faster!"

"

Hearing his words, Olina's cold face immediately flushed red!

This... This Yue Feng is really too much. How can he be the leader of his dignified blood-handed organization?

Seeing Olina's expression, Yue Feng patted his forehead! "Oh, I wanted to give you an antidote earlier, but today I was injured and my brain hurt, and I suddenly couldn't remember it..."

"You..."

Olina was anxious when she heard this. A stomp.

She is a smart person, and naturally understands what Yue Feng means. If she doesn't agree, he will keep delaying giving the antidote. For a year, it's not too long, naturally it's better to get the antidote earlier.

Thinking of this, Olina bit her lip: "Okay, I'll press it for you..." The voice fell, Olina sat beside the bed, a pair of jade hands on Yue Feng's shoulders, and pressed gently.

call!

Feeling Olina's jade hand, it came out softly, Yue Feng was indescribably comfortable, he let out a long sigh of relief, and narrowed his eyes in enjoyment.

I can't see that this Olina is usually very cold and gentle, and it is also so fascinating.

If there are people from the Bloody Hand Organization present, they will definitely be surprised.

It is incredible that the leader of the dignified bloody hand organization put down his dignity and pressed the shoulder for a man.

For the next few hours, Yue Feng was in Olina's room to cultivate. Speaking of which, Yue Feng is a skin injury, and there is no need to refine medicine pills, and Olina also has some good healing medicines.

Therefore, Yue Feng is getting better very quickly.

A few hours later, Yue Feng said goodbye to Olina and returned to Baisheng Palace.

“Mr. Yue Feng!”

Doug was in a hurry. When he saw Yue Feng coming back, he was surprised and quickly greeted him: “I sent someone to look for you everywhere, worried that something happened to you.”

Yue Feng smiled slightly : “It was just a fight, what could have happened?”

Doug nodded, and then thought of something: “By the way, I heard that the Bloody Hand Organization came at that time, does Mr. Yue Feng know them?”

Huo!

Yue Feng took a deep breath, thought about it, and responded, “Yes! I have some connections with the Bloody Hand Organization.” Yue Feng didn’t plan to say anything about his relationship with Olina.

Doug was a smart man, so he didn’t ask much, but his brows furrowed: “Broken! That Wick is very cunning. Guessing that you are related to the Bloody Hand Organization, he will definitely sue in front of the king!

“

Yue Feng frowned.

If you lose, file a complaint, this Wick will not be so despicable.

“Master Knight!”

Just as he was talking, a soldier walked in quickly and respectfully said to Yue Feng: “The king has invited you to visit the royal court!”

At this moment, Yue Feng and Doug looked at each other, both stunned.

As soon as Wang Jue was mentioned, Wang Jue sent someone to summon him. Obviously, it was because of Yue Feng and Wick.

Soon, Doug reacted and said, “I’ll go with you!”

Yue Feng thought about it and smiled, “No need!” Although the tavern was because of Irene, it was also provoked by himself. , Yue Feng did not want to implicate Doug.

Chapter 3223 The

voice fell, and Yue Feng followed the soldiers to the royal court.

After a while, Yue Feng came to the Royal Palace.

As soon as he entered the hall, he saw Wang Jue sitting there with a gloomy face, and Kelly next to him also frowned.

And Wick was standing there, smug and gloomy on his face. However, after being taught by dozens of people organized by bloody hands in the tavern, the bruises on his face were still there, which looked very funny.

Made!

Seeing this scene, Yue Feng immediately understood something. It must be Wick who told Wang Jue that he had colluded with the Bloody Hand Organization.

Thinking to himself, Yue Feng didn't panic at all, he walked forward and saluted Wang Jue: "Yue Feng has seen His Royal Highness Wang Jue !

"

Yuefeng Knight, during the day you and Wick had a conflict in the tavern, and then the people from the Bloody Hand Organization came, right?"

"Not bad!" Yue Feng responded.

"Then the bloody hand organization besieged Wick, right?"

"Yes!" Yue Feng said calmly.

boom!

As soon as he finished speaking, Wang Jue's face sank, he slammed down his throne, and shouted angrily, "Knight Yue Feng, have you colluded with the Blood Hand Organization? Tell me honestly!"

Olina said it well, the Blood Hand Organization is all over the place. Roland Continent, the six major duchies are all regarded as a huge threat, and they have long wanted to eradicate them. At this time, Yue Feng and the Blood Hand Organization were suspected of collusion, and Wang Jue was very angry.

Feeling the anger of the king, Yue Feng did not have the slightest wave in his heart, and said lightly: "Go back to the king, no!"

"No?"

At this time, Wick couldn't help sneering, and shouted at Yue Feng: "If not, why did the Bloody Hand help you deal with me? Don't think about sophistry!"

Wang Jue nodded in agreement.

Only Kelly sat there, frowning slightly, as if thinking about something.

call!

Yue Feng took a deep breath, looked at Wick and said, "Everything needs evidence. Those who organized the bloody hands entered the tavern and never communicated with me. How do you think I know them?"

"Come up and besiege me?" Wick said coldly.

Yue Feng chuckled lightly: "Who knows? Maybe you have misbehavior and provoked them."

"Fart!"

Wick was furious and shouted: "Don't think I don't know, after I leave, you will be in a coma, and then was taken away by the Bloody Hand Organization!"

Yue Feng did not change his face, and responded: "I was in a coma at that time, and I didn't know anything. I only knew that I woke up in the suburbs of Arendis. When I came, there was no one around!"

After speaking, Yue Feng looked at Wang Jue and Kelly, and continued: "I just came to Arlandis two days ago, so how could I know the people of the Blood Hand Organization??"

Hearing this, Wick sneered suddenly.

The next second, Wick respectfully said to the king: "His Royal Highness, this Yue Feng is too cunning, why don't you lock it up and torture him!"

Hmm!

With a gloomy face, the king nodded subconsciously.

The king is dull and has no opinion, and Wick is a popular man around him. He can speak well, so he naturally listens to his slander.

What the hell!

Seeing this situation, Yue Feng was startled, is this prince too incompetent? Before confirming that he was related to the Bloody Hand, he followed Wick's advice.

At this moment, Wang Jue waved his hand, and several soldiers walked in.

Yue Feng clenched his fist secretly, angry and depressed.

I thought that when I became a Knight of the Royal Court, I would be able to find Miao Ying and Yan Hong better, but I didn't expect that this king was so incompetent, just after hearing a few slanderous words from Wick, he would lock himself up.

At this time, Yue Feng secretly stimulated his internal strength and prepared for battle.

Since this prince is so incompetent, there is no point in staying here by himself. What kind of royal knight is not uncommon for me.

Chapter 3224

Seeing those soldiers approaching, Yue Feng did not panic at all, ready to summon Fang Tianhuaji.

For a time, the atmosphere was indescribably solemn, and the air was filled with the smell of gunpowder.

Haha...

Seeing this scene, Wick stared at Yue Feng, his eyes couldn't hide his pride.

What if you are a royal knight? The king is completely on my side and fighting with me is completely self-defeating.

"Alright, alright!"

However, at this critical moment, Kelly, who had been sitting there silent, smiled at the prince: "The matter hasn't been figured out yet, why do you want to arrest Yue Feng? I see. , there must be a misunderstanding in this."

Hmm....

Hearing this, Wang Jue pondered, rubbing his beard lightly and said, "Sister is also right!" Wang Jue has been in control of the Tianxing Principality for all these years, and Kelly has always been Assisting and helping behind the back, so many things, the king obeys Kelly.

At the same time, the soldiers also stopped.

Wick was in a hurry and couldn't help saying: "His Royal Highness, this Yue Feng is obviously colluding with the Bloody Hand organization, and he must not be lightly forgiven..."

Kelly interrupted him before he finished speaking.

"Wick, you keep saying that Yue Feng and the Bloody Hand Organization have colluded, but you can't come up with conclusive evidence." Kelly's delicate face, showing a bit of displeasure, pointed at Wick: "Also, Yue Feng, like you, is a knight of the royal court. If he is locked up today, how will the king convince the public in the future?"

"..."

Hearing this, Wick blushed and wanted to refute a few words, but didn't have the guts.

Although she is a celebrity beside the king, Kelly is the younger sister of the king and holds a lot of power.

At this time, Kelly's face softened and she said slowly: "Actually, what happened today is a misunderstanding. I didn't think it was as serious."

After saying that, Kelly looked at Yue Feng and then at Wick. : "You two are both royal knights, and you are the right-hand man of the king. How can you argue with each other? Well, wait for the king and I to prepare a banquet. You two stay and shake hands and make peace!"

said At these times, Kelly's voice was soft, but with unquestionable majesty.

"Okay, that's good." Wang Jue nodded in agreement with a smile.

With my sister here, you can worry about everything.

This...

Wick hesitated, instinctively wanting to refuse, but seeing Kelly's expression, he nodded and said, "Okay!"

Yue Feng also nodded, agreeing, and was secretly grateful.

Nima, fortunately, this Kelly is sensible. If it weren't for her to come forward, there would really be a fight.

Soon, at Kelly's command, a sumptuous banquet was ready.

Yue Feng sat there with a calm expression on his face, and kept toasting with Wang Jue and Kelly.

Wick was not happy at all, and couldn't tell the fire in his heart.

I thought that I could get rid of Yue Feng by relying on Wang Jue, but I never thought that at a critical moment, Kelly would help Yue Feng speak.

no!

We must think of a way to get rid of Yue Feng.

After making up his mind, Wick's eyes kept moving between Yue Feng and Kelly, flashing gloomy and cold, and soon thought of a plan.

After half an hour, the banquet was over.

When he walked out of the hall, Wick hurriedly called a soldier. This soldier was Wick's confidant and had secretly helped Wick do a lot of bad things.

"Wait when you go and tell Yue Feng, and say that His Royal Highness Kelly is looking for him."

"Yes!" The soldier responded and left quickly.

Watching the soldier walk away, Wick gave a treacherous sneer, then looked to the courtyard where Kelly was resting.

Wick's solution is very simple, that is, to use Kelly to frame Yue Feng.

Wick knew that Kelly had the habit of bathing every time she drank, and she must be bathing in her room just after the banquet. Before Yue Feng arrived, he knocked Kelly unconscious, then put the blame on Yue Feng, and then came forward to accuse him. At that time, Yue Feng couldn't argue, and he was dead.

Soon, Wick came to the door of Kelly's room, and sure enough, he heard the sound of rushing water inside.

At this moment, Wick did not hesitate, and looked over from the windowsill.

At this time, Kelly, with her eyes closed, was bathing in a wooden barrel, and she didn't realize that Wick had sneaked in.

Bang!

The next second, Wick quietly approached from behind and slapped Kelly on the back of the neck with his palm.

Chapter 3225

Kelly couldn't react at all, her delicate body trembled, and she fainted as soon as it got dark.

Hehe....

The plan went so smoothly, Wick was very proud, but he didn't stay much, turned around and left quickly.

Right now, on the other side.

After the banquet, Yue Feng was about to leave the royal court and go to Baisheng Palace to find Doug.

"Your Excellency Yue Feng!"

As a result, before he left the royal court, he heard a shout from behind. Yue Feng turned to look, and saw a soldier chasing after him quickly.

"Is something wrong?" Yue Feng stopped and asked.

The soldier looked polite: "Your Excellency Yue Feng, His Highness Kelly wants to see you."

Kelly wants to see me?

Yue Feng was stunned for a moment, the banquet has just ended, why do you want to see me again?

On second thought, there must be something wrong with Kelly seeing herself alone. Moreover, in the hall before, Kelly also spoke for herself and resolved a crisis, so it would be inappropriate not to go.

Thinking of this, Yue Feng nodded and said, "Okay!"

With that, Yue Feng asked the soldiers to lead the way and rushed towards the courtyard where Kelly was resting.

Soon, outside Kelly's door, the soldier politely said: "Here, Your Excellency Yue Feng, go in directly!" After speaking, he turned and left.

The soldier walked very quickly and disappeared in a blink of an eye, but Yue Feng didn't think much about it.

call!

Yue Feng took a deep breath, stood outside the door and said, "His Royal Highness Kelly, I'm here!" The

room was silent and no one responded.

what's the situation?

Yue Feng scratched his head and shouted again: "His Royal Highness Kelly, what are you looking for from me?"

Still no one paid attention.

This time, Yue Feng realized that something was wrong, was it not there? No, Kelly was called her own, and she should be in the room at the moment.

Muttering in his heart, Yue Feng slowly opened the door.

I go!

The moment the door was opened, Yue Feng was shocked when he saw the scene in front of him, and he was stunned!

I saw that in the elegant and luxurious room, mist was lingering, facing the door, there was a large wooden barrel, and a sexy and charming figure was soaking in it.

It's Kelly!

At this time, Kelly, with her back to Yue Feng, was surrounded by water mist, and her charming shoulders were exposed in the air. Any man who saw it would be unable to extricate himself.

It was the same with Yue Feng, who watched for more than ten seconds before he recovered.

And in my heart, I was extremely shocked.

This... This Kelly is about to take a bath and rest, but she asked someone to call her over, is it interesting to herself?

Thinking to himself, Yue Feng secretly swallowed his saliva and said, "His Royal Highness Kelly?"

However, what made Yue Feng depressed was that Kelly was soaked in the wooden barrel, motionless, and still did not respond.

What's the matter?

At this moment, Yue Feng was completely impatient and walked over slowly. When he got to the front, he was suddenly stupid.

I saw that Kelly's eyes were closed, and the whole person was completely in a coma.

No, it's a trap!

Seeing this scene, Yue Feng completely woke up and quickly exited the room to leave.

After so many years of walking in the rivers and lakes, Yue Feng was very vigilant. In the situation in front of him, it was obvious that someone had knocked Kelly unconscious, and then wanted to slander himself.

Whoa! Whoa!

As a result, as soon as he walked outside the door, he heard footsteps from not far away.

Made!

Yue Feng hurriedly looked over, and when he saw it, his brows were furrowed, and his heart was angry.

The ultimate husband in Chinese chapter 3225-3230

Chapter 3226

saw that Wick brought dozens of royal court soldiers and quickly surrounded the entire yard. These royal court soldiers were all powerful.

"Yue Feng!" At this moment, Wick

took the lead and pointed at Yue Feng and shouted: "The banquet is over long ago, you won't go back to rest, what are you doing here?"

Is very proud.

Haha...

This Yue Feng is still hooked, who can help you this time?

Yue Feng did not speak, but looked at him coldly.

Wick was too lazy to talk nonsense, so he called a maid who pretended to say, "Quick, go and see how Your Highness Kelly is doing!" The

maid hurriedly approached the room, and after a few seconds, ran out in a panic: "Not good, Her Royal Highness Kelly was knocked unconscious and is still in the barrel..."

"Good you Yue Feng!"

At this moment, Wick was full of anger and cursed at Yue Feng, "Your Highness Kelly is right. You are not bad, you were talking to you in the main hall before, but you sneaked into her room, knocked her unconscious while she was bathing, and plotted to do something wrong! People like you deserve to die!" I

have to say, Wick's rest Very enough, for a time, the surrounding soldiers all glared at Yue Feng.

You know, Kelly is Wang Jue's sister, and this Yue Feng is so bold, he is courting death.

Phew...

Hearing Wick's accusation, Yue Feng took a deep breath and laughed in anger.

This chapter is provided by . Visit for daily update.

"Wick, half an hour ago, I thought you were just lecherous!" Yue Feng looked at Wick and said coldly, "But I never thought that as a knight of the royal court, you would use such despicableness. nasty means."

The scene in front of him, Yue Feng guessed at once, all this is a game set up by Wick.

Otherwise, how could it come so coincidentally, so quickly?

"Made, what did you say?" Wick said angrily.

Yue Feng chuckled: "What I said, you know clearly."

Hula!

Just as he was talking, Wang Jue and many royal court soldiers rushed over when they heard the movement.

Um?

When they got to the front, Wang Jue and everyone were stunned when they saw the situation in front of them.

“What’s the matter?”

“Your Excellency Wick, and Your Excellency Yue Feng, why are you arguing again?”

“Also, it’s still in the place where His Royal Highness Kaelin is resting.

” Live proudly.

“Wick, Yue Feng!”

Finally, Wang Jue reacted, and asked very displeased, “What’s going on?” The two royal court knights confronted each other at the door of their sister’s room.

“His Royal Highness!” Wick hurried over and said loudly, “This Yue Feng was so daring, he knocked her out while Her Royal Highness Kaileen was bathing, ready to do something wrong. Fortunately, I was patrolling nearby and came over in time. , otherwise the consequences would be unimaginable!”

What?

Hearing this, Wang Jue was furious and glared at Yue Feng: “Yue Feng, is that so?”

Yue Feng took a deep breath and said slowly: “Your Excellency Wang Jue, this is just one side of Wick’s words. I was going to go back to rest just now, but a soldier found me and said that Your Excellency Kelly wanted to see me, so I came, and I came. After that, I saw Her Royal Highness Kaileen passed out in a wooden barrel.”

“I was about to find out the situation when Wick brought someone here.” He said, neither humble nor arrogant.

Hearing this, the king frowned secretly, and then said: “According to you, is it Wick who misunderstood you again?”

Chapter 3227

Yue Feng smiled slightly and glanced at Wick: “I was indeed wronged. As for whether Wick framed me or not, I still need His Royal Highness to make a clear decision.” The king pinched his beard and pondered.

At this time, Wick couldn't help sneering: "Yue Feng, you don't have to quibble. You said that a soldier sent you a message, can you tell who it is?"

Yue Feng was stunned, looked around, and said no for a while. speak out.

The soldier who sent the message just now walked too fast, plus it was night and the light was dim, so he completely forgot what he looked like.

Haha...

Seeing that Yue Feng was speechless, Wick showed a playful smile: "Yue Feng, are you speechless? When I brought someone here just now, you were about to run away, right?"

" , Wick said to Wang Jue: "Your Highness Wang Jue, this Yue Feng built a bloody hand organization before, but it has not been checked, and now he wants to conspire against His Royal Highness Kelly, it is a disaster to stay with such people, it is better to hurry up. Get rid of it."

Whoa!

Hearing this, the anger in Wang Jue's heart rose, pointing at Yue Feng and roaring: "Catch him for me."

Wang Jue and Kelly have a deep relationship. If Yue Feng made other mistakes, maybe You can still open up the net, but when Kelly is involved, it is like touching the scales of the king, and he will never forgive him lightly.

Of course, it was precisely because he knew this that Wick used Kelly to frame Yue Feng.

Swish swish....

The voice fell, and the surrounding soldiers pulled out their weapons one after another, and one by one, the holy power exploded and charged directly towards Yue Feng!

call!

Looking at the soldiers rushing up, Yue Feng took a deep breath. At this moment, his heart was ashes as he was, and he said lightly to the king: "When I was at the banquet before, I decided to stay for the time being because of His Highness Kelly's face. Wrong, the Duchy of Tianxing has such an incompetent and incompetent prince, it is really sad!"

Said, Yue Feng's eyes fell on Wick: "Do you think you can kill me with too many people? You underestimate me too much. "

"You're courting death!!"

At this moment, Wang Jue was furious and pointed at Yue Feng: "Kill him to me, kill him!"

He was the dignified ruler of the Duchy of Heaven, but Yue Feng was in front of everyone. How to convince the public without killing him?

"Dare to be disrespectful to His Royal Highness, you are courting death!" Wick also yelled.

Swish swish...

At this moment, dozens of soldiers have rushed to the front.

Yue Feng stopped talking nonsense, his inner strength was mobilized, and a powerful breath swept out, and then he slowly raised his hands!

Yue Feng had been hiding his dantian inner strength before, just to avoid trouble, but now, facing the despicable Wick, Yue Feng didn't want to hide it.

"Nine Dragons Ascension!" The

four words came out of Yue Feng's mouth like thunder, and the moment the voice fell, he saw that the surrounding air was suddenly torn apart, and then, under the roar of dragons, nine giant dragons and tigers roared. He came out and rushed towards the dozens of soldiers who were rushing.

"Ah!" In the

blink of an eye, dozens of soldiers screamed incessantly, and all of them fell into a pool of blood.

what!

Seeing this scene, whether it was the king, Wick, and the surrounding soldiers, they couldn't help but take a deep breath.

What kind of skill is this, and what is that huge beast?

Moreover, this Yue Feng is only one person, but dozens of soldiers can't even stop him!

"Yue Feng!"

Under the shock, Wick was the first to react, pointing at Yue Feng and shouting: "You finally showed your true face, and said that you have nothing to do with the Bloody Hand Organization!"

"Wang Jue shouted: "His Royal Highness, Yue Feng's skills are very evil. It is said that there are many people in the Blood Hand Organization, and they know some powerful magic arts. It can be seen that Yue Feng and the Blood Hand Organization must have some skills. Relationship."

In the Roland Continent, Yue Feng's Dantian Nelly, and the exercises he practiced, were unseen and unheard of by everyone present.

Chapter 3228

Nima!

Hearing this, Yue Feng was both angry and funny.

This Wick, who has never seen the inner strength and skills of the dantian in the Kyushu mainland, said it was a sorcery.

But Wang Jue believed it, glaring at Yue Feng, his eyes blood red: "Bastard, I was almost deceived by you before, tonight, don't want to leave alive!" As the words

fell, more soldiers kept rushing towards Yue Feng.

Whoosh!

At the same time, Wick couldn't bear it any longer, and the figure burst out, rushing directly towards Yue Feng.

"Yue Feng!"

At this time, Wick mocked Yue Feng with a mocking expression: "Yue Feng, it doesn't matter whether you are plotting against His Highness Kelly, you are showing your true colors now, even if you are bloody. The leader of the organization is here, but he can't save you!"

After speaking, Wick rushed to Yue Feng, lowered his voice, and continued: "Also, aren't you trying to protect that Irene? Hey, the woman I liked, sooner or later, get it!"

"I just want you to know that going against me is going to be miserable."

Wick's eyes were full of pride when he said the last sentence.

Cao Nimad.

Hearing this, Yue Feng was completely irritated, his eyes were instantly blood red, and he looked Wick directly: "You are courting death!"

Seriously, Wick didn't say these things, but when he said this, Yue Feng immediately became really angry. .

A despicable villain, showing off his strength in front of himself, no one can bear it.

call!

At the moment of the roar, Yue Feng flipped his palm, and a white flame jumped and jumped, quickly transforming into the shape of a lotus flower. In an instant, the surrounding temperature rose rapidly, and the entire royal court was enveloped by a white light.

It is Bailian Lenghuo!

Um? white flame? !

Seeing Bai Lian's cold fire, Wick was stunned for a moment, and then chuckled disdainfully, "A fire is like dealing with me? Is it my naivety, or are you naive?"

" come up.

In Roland Continent, there is no such thing as a different fire, so Wick has no idea what a terrifying existence he is facing.

A fool!

Seeing that Wick came up directly, Yue Feng didn't talk nonsense, he waved his hand, and Bai Lian Leng Huo directly floated over!

"Ah..."

Bai Lian's cold fire was burning very fast. Before Wick could react, his whole body was engulfed by a white flame. In an instant, the whole person let out a shrill scream, and after a few seconds, it turned into a piece of fly ash dissipated into the air.

hiss!

Seeing this scene, whether it was Wang Jue or the others present, they couldn't help gasping for air.

This white flame is so terrifying. Wick is in the realm of the Holy Venerable. Fighting alone, the entire Tianxing Principality can fight against one of the few, and at this time, he was burned to death.

Moreover, there is no chance of resistance at all.

In an instant, the entire royal court was deadly silent, and everyone stared at Yue Feng blankly, unable to say a word in panic.

And Yue Feng, proudly suspended in mid-air, like a killing god.

call!

A few seconds later, Yue Feng took a deep breath and withdrew Bai Lian's cold fire.

Wick is despicable and shameless, and should have died a long time ago, but these soldiers around are innocent, and there is no need to deal with Bailian cold fire.

Moreover, Yue Feng found that when he came to this different world, the speed of dantian's internal power consumption was twice as fast as when he was in Kyushu. And Bai Lian Leng Huo consumes the most internal energy, so you don't need to use it if you can.

Wow...

just when Yue Feng put away the cold fire of the white lotus, footsteps sounded again not far away, and then, tens of thousands of guards rushed over quickly, the one headed by a black armor, holding a big sword .

Chapter 3229

It is Roston!

"Roston!"

Seeing Roston, the king reacted, and hurriedly shouted: "This Yue Feng, who colluded with the Bloody Hand Organization, killed Wick just now, get him for me!"

"Yes, Your Royal Highness!" Roston responded quickly, his eyes quickly locked on Yue Feng, flashing gloomy and cold!

Made!

This Yue Feng must have leaked the information of the organization, and before his identity is exposed, he must kill him quickly.

When Yue Feng first arrived at the Royal Court, he beat Sam in the competition and was named a Knight of the Royal Court. At that time, Roston felt very unbalanced. After that, Yue Feng was named a VIP by Olina, which made Roston even more in his heart. Unhappy, I will not miss such a good opportunity at this time.

Roston?

At this moment, Yue Feng was secretly relieved when he saw Roston.

This guy is a high-level executive of the Bloody Hand Organization, and Olina told him before to help him secretly. It seems that he can easily escape now.

However, what happened next was the exact opposite of what Yue Feng imagined.

“Array, use beast spar!” Roston shouted with no expression on his face!

wow.

The voice fell, and tens of thousands of guards quickly formed a formation to surround Yue Feng.

The next second, each soldier took out a spar from his body, mobilized the power inside, and gathered together. In an instant, a terrifying power quickly condensed.

What the hell!

Seeing this scene, Yue Feng was shocked, this Roston did not help him to leave, but wanted to kill himself?

At the same time, Yue Feng also saw that the spar in the hands of these guards was similar to the Neidan in the Kyushu Continent, but there were some differences. Moreover, the practitioners in the Kyushu Continent all fused the power of the Neidan into their bodies for the purpose of I use it myself, and the people here directly use it as an external force.

But I have to say that when it is displayed like this, the power is really amazing.

hum!

Just when Yue Feng was secretly surprised, this violent force erupted towards Yue Feng like the top of Mount Tai.

At this moment, Yue Feng did not hesitate in the slightest, and quickly mobilized his inner strength to form a protective film in front of him!

Bang!

The violent force was crushed, and Yue Feng’s body trembled, the protective film shattered instantly, a mouthful of blood spurted out, and the whole person was directly shaken.

To be honest, tens of thousands of guard soldiers used beast spar, Yue Feng was not afraid at all, but before using the white lotus cold fire, it consumed a lot of internal energy, so it was not blocked.

“Go to hell!”

At this time, Roston roared, and before Yue Feng could stabilize his figure, he clenched his sword and rushed over.

Nima!

Seeing Roston rushing towards him, Yue Feng scolded secretly, turned around and ran without any hesitation.

At this time, Yue Feng was very annoyed. He thought that Roston could help him, but he never thought that he would fall into trouble.

Seeing Yue Feng fleeing, Wang Jue was both excited and anxious: “Hurry up, hurry up!”

“Don’t worry, His Royal Highness, he can’t run!” Roston responded, and immediately led his men to chase after him. go up.

Soon, Yue Feng rushed out of Arendis, and saw Roston chasing after him, he was very anxious.

“Roston!”

When he reached a cliff and saw that there was no way in front of him, Yue Feng simply stopped and turned back and shouted at Roston: “We are all our own people, if you kill me now, you are not afraid that you will not be able to go back. Explain?”

Yue Feng’s voice was not loud, only he and Roston could hear it.

Hearing this, Roston’s face changed, and then he stopped the people behind him.

In the next second, Roston showed a smile and pretended to say to Yue Feng: “Mr. Yue Feng, I had no choice but to watch the prince just now, don’t worry, the leader told me to help you, how could I forget? ?”

When he said this, Roston’s face was harmless, but there was a trace of viper-like coldness in his eyes.

Chapter 3230

Call!

Hearing this, Yue Feng secretly breathed a sigh of relief.

Since this Roston was acting before, he didn't have to worry about it.

"Mr. Yue Feng!"

Seeing Yue Feng relax his vigilance, Roston showed a smile and said slowly: "You have seen the situation now, the king wants to kill you, you can't escape alone, why don't you follow me? Let's go, I'll find a way to send you to the stronghold of the Bloody Hand." As

he spoke, Roston slowly approached.

Yue Feng thought for a while, then nodded and said, "That's fine!"

At this time, Roston had already arrived, his polite face suddenly turned hideous, and he shouted, "I really thought I would help you? Go to hell. Go!"

Om!

The voice fell, and a powerful holy force burst out from Roston, then raised his hands, and the big sword slashed towards Yue Feng.

With this sword, Roston almost burst out with all his strength, and the big sword swung out a dazzling light curtain, as fast as thunder, extremely powerful!

Nima!

Seeing Roston's sudden attack, Yue Feng was taken aback, because the distance was too close, it was too late to avoid, so he cursed inwardly, Yue Feng quickly put Fang Tianhua halberd in front of him to block Roston's attack!

Bang!

The big sword slammed into Fang Tianhua's halberd, and he heard a dull vibration. Roston's big sword shattered in an instant, and Yue Feng also let out a groan, the whole person trembled, and fell directly from the cliff. go.

Fang Tianhua halberd was Lv Bu's weapon back then. It was extremely tough, comparable to the existence of a magic weapon. Although Roston's great sword was also well-made, it was several levels inferior to Fang Tianhua halberd.

Speaking of which, Yue Feng, relying on the tenacity and sharpness of Fang Tianhua halberd, does not need to take Roston seriously, but he was seriously injured in the royal court just now, and the use of Bailian cold fire also consumed a lot of internal energy, so , Roston succeeded in the raid even though his great sword was destroyed.

hiss!

At this moment, Roston looked at the remnant sword in his hand and was extremely shocked.

What kind of weapon is this Yue Feng holding in his hand? It was terrifying to be able to shatter his own sword.

In shock, looking at Yue Feng falling off the cliff, Roston smiled again.

What if your weapon is sharp? Didn't he die at my hands in the end?

Complimented, Roston waved at the many subordinates in the distance: "Go, go back!" This cliff is high and dangerous, and Yue Feng will surely die if he falls, so he doesn't need to go down to check.

Crash.... The

voice fell, and everyone followed Roston and quickly returned to Arendis.

At this time, Yue Feng is here.

Huhu....

Yue Feng's body fell rapidly, the wind whistling in his ears kept coming, and his heart was also anxious and angry. Madd, I thought this Roston would help him, but he didn't expect that he was a shameless man hiding a knife while laughing.

Pfft!

After falling for more than ten seconds, Yue Feng fell into the water. It turned out that there was a river under the cliff. The river was very wide and the water was fast.

Haha....

immersed in the icy river water, Yue Feng was not depressed at all, but extremely excited.

It seems that God still cares for him very much.

He thought that Yue Feng was about to swim to the shore, but what made Yue Feng depressed was that the river was too fast, and he was traumatized one after another, and his strength was very weak.

call!

In this turbulent water current, Yue Feng was completely helpless, and was finally involved in the undercurrent of the water. As soon as his eyes darkened, he fainted.

...

On the other side, Roston took his men and quickly returned to the royal court.
