

## The ultimate husband in Chinese chapter 3241-3250

### Chapter 3241

If Adolf didn't save him, he would have drowned at the bottom of the sea. Moreover, Adolf's wooden house by the sea is too shabby.

call!

Hearing this, Du Men nodded approvingly: "Mr. Yue Feng is really rare."

After speaking, he asked his servants to give the gold coins to Adolf's grandparents.

He suddenly got his life back, and at the same time got a large amount of gold coins, Adolf was completely blinded, and he was stunned for more than ten seconds before he came back to his senses and thanked Yue Feng.

Afterwards, Adolf's grandparents and grandsons were sent out.

"Mr. Yue Feng!"

At this moment, Du Men couldn't hide his excitement, and said to Yue Feng: "You don't want to be paid, I'm really sorry. In this way, when I prepare a banquet, I will ask Mr. Yue Feng to show his face."

At this moment, Yue Feng did not hesitate, nodded and smiled: "Okay!"

He was brought here just after waking up from a coma. After so long, he was hungry.

Moreover, Yue Feng didn't know what was going on, and found that this Lolita and Liu Xuan looked alike, so he wanted to stay here for a while.

Seeing Yue Feng's agreement, Du Men was very happy, and quickly ordered his servants to prepare a banquet.

Afterwards, Du Men asked people to set off fireworks in the manor to celebrate. The illness that had plagued his granddaughter for more than a year was finally cured, can you not be happy?

night!

There was a lively atmosphere in the hall of the manor.

This chapter is provided by . Visit for daily update.

There were only Yue Feng and Du Men at the dinner table, but there were more than a dozen maids around who were responsible for serving tea and pouring wine, which made Yue Feng very emotional.

Du Men was in a good mood and kept clinking glasses with Yue Feng.

After three rounds of drinking, Du Men thought of something, and asked Yue Feng with a smile: "By the way, I haven't asked Mr. Yue Feng, what are your plans next?"

"This." Yue Feng thought about it and smiled. Said : "I'm not sure yet."

Just as he was talking, he saw a guard walk in quickly, with a complicated face, and said to Du Men: "Sir, Maddie is here!"

What?

Hearing Maddie's words, Du Men's face changed, and instantly became gloomy, and he said unpleasantly: "What is he doing?"

Haha...

As soon as he finished speaking, he heard a burst of laughter from outside the hall, followed by a handsome The figure walked in slowly. He was about twenty-five years old, dressed well, and had a good aura.

It is the young master of the McWay family, McGrady.

The Maiwei family, like the Dumen family, is also one of the largest families in Pearl City. Moreover, because of the growing business in recent years, the limelight has overshadowed the Dumen family.

"Old man!" After

entering the hall, Maddie smiled and saluted at Du Men: "I came to visit without prior notice. Don't be surprised." When he said this, Maddie didn't even look at Yue Feng.

In Maddie's heart, he thought that Yue Feng was Du Men Xinshou's subordinate, but he didn't take it seriously at all.

"What are you doing here?" Du Mian said coldly with an expressionless face.

"Oops!"

Maddie snorted, with a face of ingratiating her expression: "Father, old man, our family is a family friend, and you and my grandfather are old friends, why are you rejecting me so much?"

Saying that, Maddie glanced outside and continued: "In the afternoon, I saw fireworks set off in the manor, and then I heard that Lolita's illness was cured, so I came here to congratulate."

"Really?" Du Men chuckled lightly. A cry, unable to hide the disgust in his heart.

It's good that Maddie didn't mention this, but Du Men was furious when he mentioned it.

Speaking of which, the unique family and the Mai Wei family are indeed friends from the world, and three years ago, the two specially arranged the marriage of Maddie and Lolita.

However, after Lolita fell ill a year ago, everything changed. Maddie not only broke off the marriage, but also secretly dealt with the Dumen family with other families, causing the Dumen family's winemaking industry to plummet.

Chapter 3242

Feeling Du Men's indifference, Maddie didn't care at all, and said with a smile: "By the way, what about Lolita?" As he

spoke, Maddie couldn't help but look around.

"She's just getting better, she's still a little weak, and she's resting!" Du Men responded coldly.

Speaking, Du Men glanced at Maddie lightly: "So, she won't see anyone now."

Er...

Hearing this, Maddie was a little embarrassed, but he quickly calmed down and smiled: "Okay, It's better to take more rest! In fact, besides visiting Lolita, I have one more important thing to do this time."

"Speak!" Du Men was too lazy to talk nonsense.

Maddie took a step forward and said to please: "Master, I want to discuss with you about my marriage with Lolita."

What?

Hearing this, Yue Feng, who was standing beside him, was stunned for a moment, and couldn't help but look at Maddie seriously.

Is he married to Lolita? This kid looks like a dude's disciple, if Lolita marries him, her whole life will be ruined.

Swish!

At the same time, Du Men's expression changed in an instant, with a trace of anger flashing in his eyes: "Maddy, do you still have the face to mention marriage to me? When Lolita was sick a year ago, I didn't see you coming to visit, and sent me Someone came to cancel the engagement, and now that Lolita has recovered from her illness, don't you think it's funny that you have come to mention the marriage?"

At this time, Du Men wanted to blast Maddie directly, but thinking of the other party's identity, he held back.

"this..."

Maddie scratched his head, and then said with a fake smile: "Old man, I was forced by others before, young and ignorant, for the sake of the two families, don't care about me, besides, I and Luo Rita grew up together, she became my wife, and I will love her for the rest of my life." As

he spoke, Maddie clapped his hands towards the door, and the two attendants walked in quickly, holding two boxes in their hands.

Whoa!

The next second, after the box was opened, both Du Men and the maids present were stunned.

I saw that the two boxes were full of jewels, the dazzling brilliance, almost everyone couldn't open their eyes, the pearls as big as fists, the gems as bright as blood, and the exquisite pure gold accessories, each of which was valuable. Not cheap.

What the hell!

Even Yue Feng was moved.

This kid is quite willing to pay for Lolita.

"Old man!" Maddie showed a smile and said to Du Men: "These two boxes of jewelry are my betrothal gifts. Before coming, I have discussed with my family. After a few days to choose a good day, I will hold a meeting with Lolita. Wedding, how?"

Maddie looked confident when he said this.

The entire Pearl City can only be worthy of Lolita. Moreover, in recent years, the Dumen family's business has plummeted, and it has long since lost its former glory. At this time, as the young master of the Maiwei family, he took the initiative to come to the door to marry, Dumen this The old guy must have asked for it.

To be honest, Maddie came to propose marriage this time, not because he really loved Lolita, but because of Dumen's family property. You must know that Dumen's son died in an accident a few years ago, and the only relative he gave birth to was Lolita, as long as she marries Lolita, she controls the entire single family.

call!

Facing Maddie's self-confidence, Du Men breathed a sigh of relief, his face did not fluctuate in the slightest, and slowly said: "Madi, take these dowry gifts back."

When he said this, Du Men suppressed his anger.

This Maddie, arrogant and often bullying others in Pearl City, must not let Lolita marry him.

"Why?" Maddie was stunned, thinking he had heard it wrong.

Du Men chuckled: "Because Lolita already has a sweetheart, and the wedding will be held soon."

What?

At this moment, Maddie completely froze there, and then he couldn't help but ask, "Who is that person? Which family?" Maddie at this moment was full of anger.

Chapter 3243

Mad, in Pearl City, whoever dares to rob a woman with himself is simply courting death.

At the same time, Yue Feng, who was next to him, also frowned secretly.

That Lolita has another crush?

However, when Lolita was seriously ill just now, no young man was present.

In the face of Maddie's questioning, Du Men looked indifferent and said slowly: "This person is not a rich young master, but this Mr. Yue Feng next to me!" After speaking, he raised his finger and pointed at Yue Feng.

The voice fell, and the whole hall was in an uproar.

Swish!

At this moment, Maddie's eyes also locked on Yue Feng.

At the same time, Yue Feng was also blinded and only felt his brain buzzing.

What the hell is this Dumen doing? I just met Lolita, how did I become her sweetheart? Even if Du Men didn't want his granddaughter to marry this Maddie, he couldn't be so casual.

"Huh!"

Finally, Maddie reacted and looked at Yue Feng up and down, unable to hide the hostility: "That's him?"

"That's right!"

Du Men nodded and said, "Mr. Yue Feng, with his superb medical skills, is exactly the He completely rescued Lolita, and Lolita has a good impression of him."

Hearing this, Maddie couldn't help sneering: "Master, are you confused? After a long time, this guy is just a Pharmacist, you have no power and no power, how can you compare with me?"

After speaking, Maddie gave Yue Feng a contemptuous look, with an aloof attitude.

Du Men sneered and retorted: "You are wrong, our single-family family is not short of money, so Lolita's men don't need to be rich or powerful, just good character, and that's enough." The

meaning is obvious, you Maddie Too bad character to be worthy of Lolita.

"You..."

Maddie blushed and was angry, but he didn't feel good, and waved his hand: "Let's go!" The voice fell, and he walked out of the hall angrily.

The two followers quickly took the treasure chest and followed closely.

"Old man!"

As soon as his forefoot left, Yue Feng reacted and looked at Du Men with a dumbfounded expression: "Is this a big joke?"

At this time, Yue Feng also saw that Du Men didn't want his granddaughter to marry Maddie, so he would take himself Made a shield.

Hehe...

Du Men took a deep breath, smiled bitterly, and said embarrassedly: "Mr. Yue Feng, Maddie came so suddenly, I have no choice but to do it."

After speaking, Du Men thought of something and said bitterly, "This Maddie came here. The Maiwei family I belong to has always had a good relationship with our Dumen family, but after Maddie's grandfather, my old friend, died, the relationship changed, especially this Maddie, who deliberately wanted to annex our Dumen family's property."

"Originally, Maddie and Lolita had a marriage contract, but a year ago Lolita was seriously ill, and they broke off the marriage. Now that they know that Lolita is getting better, they want to marry again. It's shameless."

"Actually . I know that Maddie's marriage to Lolita is fake, and it's true to control the property of my Dumen family."

"It's so sinister and despicable, how can I let them succeed?"

Finally, because he was too excited, Dumen hunched over, violently. cough up.

At this moment, looking at Du Men's old image, Yue Feng suddenly felt a little sympathetic in his heart, but he couldn't help saying: "But, you lied to this Maddie today, he will find out the truth sooner or later. This method can only be delayed for a while. Ah."

Du Men smiled and did not answer directly, but looked at Yue Feng and asked, "Mr. Yue Feng, what do you think of Lolita?"

Uh...

Seeing Du Men's sudden remark, Yue Feng was stunned. down.

Chapter 3244

After more than ten seconds, Yue Feng reacted: "Master, you..."

Before he could finish, Du Men waved his hand to interrupt.

"Mr. Yue Feng, although we have only just met, but through the story of Adolf's grandson and grandson, I can see that you are a very noble person." Du Men smiled and said with admiration: "Knowing that there is danger , and resolutely came here to save their grandparents and grandchildren!"

Said, Du Men's face was serious: "So, I decided to marry Lolita to you."

"This..."

Yue Feng was shocked, I just felt my brain buzzing: "I'm afraid this is a bit inappropriate, I'm just a wanderer, how can I be worthy of Miss Lolita?"

Du Men shook his head and smiled: "You are too humble, although I Du Men are old, Your brain is not confused. Although you have nothing, your moral character is a hundred times stronger than that of Maddie. Besides, it is not a problem that you are always wandering around. It is your fate to save Lolita today. It is better to join our Dumen family. Hearing this ,

Yue Feng couldn't sit still and said with a wry smile: "Old man, I'm really ashamed to be able to love you so much, but I never thought of joining the big family, maybe it's my wandering habit. I'm gone."

I'm not from here at all, how can I join the Dumen family?

Hearing this, Du Men pondered and asked, "Don't you like Lolita?"

"No... Miss Lolita is beautiful, like a fairy in the sky, it's just me..." Yue Feng quickly waved his hand, his heart was in a mess, and he didn't know how to explain it.

"Then why are you resisting so much?" Du Men was very puzzled.

Yue Feng scratched his head, and in a hurry, he locked the truth and told the truth: "Father, the truth is, I'm not from here..."

In the next few minutes, Yue Feng explained his identity and origin in detail.

To be honest, Yue Feng didn't want to tell the truth so quickly, but with the situation in front of him, he couldn't think of any other reason to refuse. Moreover, Yue Feng could see that this Du Men, like Doug, was tolerant and kind-hearted, so it wouldn't hurt. my own.

What?

Hearing this, Du Men was stunned.

He... is he from another world? In the next second, Du Men

reacted and nodded suddenly: "No wonder, no wonder you treated Lolita just now. I have never heard of the medicinal bath you used to treat Lolita."

Yue Feng said sincerely: "In that case, how about a deal between Mr. Yue Feng and me?"

"What deal?" Yue Feng couldn't help but ask.

Du Men stroked the white beard on his chin and said slowly: "Three days later, you and Lolita will fake marriage and become the son-in-law of our Dumen family. A woman, at the same time, find a way to help you get out of here."

“The time limit is three years. After three years, no matter if you can find someone for you or not, you can break off the engagement with Lolita as agreed.”

This...

heard Yue Feng was stunned for a moment, and couldn't help frowning and said, “Old man, I don't understand why you must let me join your Dumen family. I heard that there are many wealthy families in this Pearl City. Except for Maddie, there are always A person suitable for Miss Lolita.”

Du Men shook his head: “Mr. Yue Feng, you still don't understand the situation, most of Pearl City's industries are now almost monopolized by the Maiwei family, and other families follow the Maiwei family's lead. Under such circumstances, who would dare to marry our Dumen family?”

“I did this to make that Maddie stop thinking.”

Having said this, Du Men smiled at Yue Feng: “To be honest, we made this agreement entirely for Lolita's consideration. After you fake marriage, Lolita doesn't have to worry about being harassed by Maddie, and can do it wholeheartedly. Manage the family business.”

Phew!

Hearing this, Yue Feng couldn't help but take a deep breath and sighed secretly.

Jiang is really old and spicy. I didn't expect that Du Men would see so long.

Chapter 3245

Thinking, Yue Feng couldn't help but say: “Since the old man said so, if I refuse, I can't justify it, but will Miss Lolita agree?”

Seriously, Yue Feng doesn't want to get involved in this Family grievances rise.

But thinking about it carefully, I made such a big commotion in Arendis in the Principality of Tianxing, I am afraid that the Principality of Tianxing is still chasing him everywhere, in this case, it is better to stay in Dumen than to take risks on my own. The family, with the help of the strength of the Dumen family, inquired about Miaoying and Yanhong.

Hehe...

Seeing that Yue Feng finally let go, Du Men was very happy: “You don't have to worry about this, Lolita's side, I'll tell you, she has listened to me since she was a child, and she will definitely agree.”

After saying this, Du Men Greeting Yue Feng to sit down, he continued to change the cup, and drank happily.

The banquet didn't end until very late.

After arranging a room for Yue Feng to rest, Du Men hurriedly went to Lolita's room.

In the room, Lolita hadn't rested yet, and the housekeeper Lorna was waiting by the side.

"Haha..."

At this time, Du Men walked in with a blushing face, and said with a smile: "Lolita, it's a big happy event."

Lolita frowned and said softly: "Grandpa, what a big deal. Happy event, I heard, that Maddie came to propose, right?" When

it came to Maddie, Lolita became angry.

Du Men shook his head and said, "It's not Maddie! Grandpa chose a better husband for you!"

"Who is it!" Lolita couldn't help asking.

At this time, Laona next to her couldn't help but said, "Yes, which family's young master?"

"It's the pharmacist who saved you today, Mr. Yue Feng." Du Men said with a smile: "This Mr. Yue Feng, who is of noble character, is a gentleman and polite, is an ideal candidate. I have decided that three days later, I will give you the meeting. Wedding!"

Speaking of this, Du Men was very excited and continued: "I talked to Mr. Yue Feng just now, and he has agreed, now it's up to you, Lolita!"

What? Marry that pharmacist?

Hearing this, Lolita's body trembled, and her whole body was stunned.

Laura next to her was also dumbfounded.

After a few seconds, Lolita reacted and said with great resistance: "Grandpa, that Yue Feng is just a pharmacist, and his origin is unknown, so I asked me to marry him so hastily?" "

Yeah!"

Laona said, "That person has a little medical skills and doesn't understand anything, so he is worthy of our young lady? Sir, are you confused?"

Du Men suddenly got angry and glared at Laona: "Shut up. , what do you know?"

Laona was startled and quickly shut her mouth.

At this time, Du Men took a deep breath and said to Lolita with a kind face: "Lolita, you have to trust Grandpa. If Grandpa does this, it will never hurt you."

At this time, Du Men wanted to tell Lolita the truth. , but was afraid that she would not be able to accept it, so she held back.

Lolita was very resistant, covered her ears, shook her head and said, "Grandpa, this is too hasty. I don't want to marry Yue Feng. If I have to choose, I'd rather not marry for the rest of my life."

Lolita is not a girl who covets wealth and wealth. Son, but she has always been very strict when it comes to love. In her heart, if she can't find the person she likes, she would rather not marry for the rest of her life.

### **Chapter 3246**

"Cough cough..."

Seeing that Lolita didn't agree, Du Men was so anxious that he coughed violently, and at the same time said eagerly: "Lolita...you...why don't you understand? Grandpa's painstaking efforts? You want... If you don't get married, Maddie will always harass you... Then, how will you keep the Dumen family's property... ahem..."

"Grandpa does this only temporarily. An expedient measure, three years...within three years, when you have complete control of the family business, grandpa will allow you and Yue Feng to break up the relationship between husband and wife..."

In a hurry, Du Men coughed out a trace of blood.

Yes, Du Men is old, and it is already in his twilight years, and the pressure of the family is almost unbearable.

"Grandpa..."

Seeing this scene, Lolita was quite frightened, she quickly grabbed Du Men, and said distressedly: "Grandpa, don't be angry, I promise you."

When saying this, Luo Rita bit her lip, her delicate face full of complexity.

To be honest, Lolita was reluctant to marry the Yue Feng she just met, but she had no choice but to compromise for the sake of the family business and to reassure her grandfather.

Only three years will pass soon.

Haha...

Seeing that the granddaughter finally agreed, Du Men smiled brightly, and his mood suddenly improved a lot. The next second, Du Men directed at

Launa: "Go, prepare the invitation immediately, my old Du Men is going to marry his granddaughter, and the wedding must be grand."

"Okay, sir!"

, but still responded and went out to prepare.

.....

Overnight, Miss Lolita of the Dumen family was going to marry a little-known pharmacist. The news spread all over Pearl Harbor, and all of a sudden, people were talking about it.

At this time, in the manor of the Maiwei family.

Maddie sat there, his face gloomy to the extreme.

Just now, the news of Lolita and Yue Feng's wedding in three days reached Maddie's ears, which made him very annoyed.

"Mad!"

Maddie grew angrier as he thought about it, and couldn't help but slapped the table: "This old Duman really married Lolita to that kid, yes, yes."

As long as he married Lolita, After Du Men's death, the Du Men family's business fell into his own hands, but now this plan is completely in vain.

"Master Di, the Dumen family has sent an invitation." At this time, a follower cautiously said, "You, are you going?"

Maddie became angry and yelled, "Where are you going? Get out of here? !" The entourage responded and quickly backed out.

"Wait!"

At this moment, Maddie suddenly stopped the entourage and pondered, with a gloomy look in his eyes: "Since it is the happy day of the Dumen family, it is inappropriate not to go, I want to prepare a big gift."

When he said this, Maddie couldn't hide the anger in his heart.

Du Men, an old man, thinks that if you marry Lolita to someone else, you will be able to give up your heart, but I will not let you do so.

...

At this moment, in the Dumen family manor.

The wedding will be held in three days. At this time, the manor is decorated with lanterns, and there is a festive atmosphere everywhere.

Last night, I drank very late with Du Men. Yue Feng slept until noon and woke up. After washing up, he came to the courtyard where Lolita lived.

Although it is a fake marriage three days later, but also to understand each other.

call!

As soon as he arrived at the courtyard, Yue Feng was stunned when he saw the scene in front of him.

I saw that Lolita was wearing a long white dress and was sitting on a bench in the yard, indescribably elegant and charming. Beside her, Laura quietly accompanied her.

It really looks like Xuan'er.

Chapter 3247

At this time, from Yue Feng's point of view, Lolita's profile is really similar to Liu Xuan's, and she was completely stunned for a while.

At this time, Lolita saw Yue Feng and was stunned for a moment: "You...why are you here?"

Although this person doesn't look annoying, but when she thinks about marrying him in three days, she can't tell in her heart. resistance.

Yue Feng calmed down, scratched his head and said with a smile, "I'll come to see you." As he

spoke, he was about to come over.

However, just two steps away, she was stopped by Launa.

"Hey!"

Launa shouted at Yue Feng with a look of disgust on her face: "Do you understand the rules? You and the young lady haven't gotten married yet. How can you come to the place where the young lady lives? Hurry up and go out.

" At these times, Laura carefully observed Lolita's expression.

Laona has been a housekeeper in the Dumen family for more than ten years, and she almost watched Lolita grow up. She could see that Lolita did not want to marry Yue Feng at all.

In this case, Luo Na naturally did not have a good face towards Yue Feng.

Seeing Launa scolding Yue Feng, Lolita's delicate face was full of indifference, and she didn't mean to stop it.

Uh...

Yue Feng scratched his head, very embarrassed: "I'm sorry, I was abrupt!" He

turned around and left.

At this time, Launa thought of something, and said to Lolita: "By the way, I just heard that the tens of thousands of troops from the New Moon Principality attacked Sunset City, and it was about to be successful. As a result, the Goddess of Light appeared and helped Sunset City..."

"Really?" Lolita responded lightly, seemingly uninterested.

Goddess of Light?

At this moment, Yue Feng was about to leave, and suddenly stopped when he heard their conversation. Are there gods in this world?

“What is the goddess of light?” Yue Feng looked back at Lolita and couldn’t help but ask, with a look of anticipation in his eyes.

If there are gods in this world, they must know how to leave this world.

Launa’s face was full of impatience: “What’s the matter with you? Why don’t you leave? Don’t think I don’t know what you think, I deliberately find a topic and want to stay here, right?”

Nima!

Yue Feng frowned, feeling a little angry in his heart, but still said seriously: “No, I really don’t know the goddess of light, I want to hear what you guys tell me.”

Launa was stunned for a while, and couldn’t help but contemptuously said: “Lian The goddess of light doesn’t know? How did you live so big?” After speaking, he ignored Yue Feng.

Lolita, who was sitting there, never looked at Yue Feng.

Seeing this situation, Yue Feng was very depressed and turned to leave.

call!

At this moment, looking at the back of Yue Feng’s departure, Lolita bit her lip, and her heart was full of misery.

The goddess of light is Roland Continent. She believes in the goddess of justice a few years ago. Everyone knows it, but this Yue Feng doesn’t know it. I really don’t know what grandfather likes about him. He insists on marrying him.

Leaving Lolita’s courtyard, Yue Feng was bored.

I don’t know what happened to Adolf’s grandparents.

Thinking to himself, Yue Feng left the Dumen family manor and walked towards the sea.

When he was about to arrive, he could see from a distance that there was a group of people standing around the wooden house where Adolf’s grandson and grandson lived, pointing and pointing.

“Grandpa, grandpa, wake up...” In the

crowd, Little Jack sat there, crying non-stop, while Adolf lay on the side with his eyes closed and blood on his forehead, obviously being knocked unconscious.

What the hell!

Seeing this scene, Yue Feng didn't have time to think, and hurried over.

Chapter 3248

“Jack!”

When he got to the front, Yue Feng asked Jack, “What’s the matter, what happened to Senior Adolf?”

When he said this, Yue Feng checked Adolf’s injury and it should have been knocked out by a wooden stick. Yes, it’s scratched a bit, but it’s fine.

“Wooooo...”

Jack wiped away his tears and sobbed: “There were two pirates just now, who stole our money and knocked out grandpa, woohoo...”

Pirates?

Hearing this, Yue Feng was stunned.

In the next few minutes, Yue Feng learned through inquiries that there was a demon island dozens of miles away from Pearl City, with a group of pirates entrenched on it, rampant. For decades, Pearl City has organized several The encirclement and suppression operations were unsuccessful.

Half an hour ago, two pirates in disguise came to Pearl City to hang out. They accidentally learned that Adolf had received a large sum of money from the Dumen family, a few thousand gold coins. The wooden house, snatched the gold coins, and knocked out Adolf.

Nima!

Knowing these circumstances, Yue Feng was very angry, and these pirates were too rampant. In broad daylight, they dared to blatantly loot.

Thinking to himself, Yue Feng asked Jack, “Where is Alcatraz Island?” Jack was about to speak when he was interrupted by a voice

: “Little Jack! Have you really been robbed by pirates?”

A heroic figure walked over from the crowd.

The woman is about 20 years old, with delicate features, wearing a golden and red knight armor, holding a long and narrow sword, and her long golden hair fluttering in the wind.

I go! Female knight?

Seeing this woman, Yue Feng was stunned.

At this time, Yue Feng still didn't know that the woman in front of her was the captain of the guard of Pearl City and the only female knight in Pearl City. In Roland mainland, the status of women was low, so there were very few female knights.

Whoa!

At the same time, the people around were in an uproar.

"Captain Thea is here."

"It's so beautiful, worthy of being the only female knight in our Pearl City."

The admiration from the surrounding continued, and Thea's face did not have the slightest emotional fluctuations, and seemed to be used to this kind of attention-seeking scene .

The next second, Thea walked up to Jack and asked again: "Little Jack, are you really robbed by pirates?"

Hmm!

Jack reacted and nodded.

Xia Fan clenched her fists tightly and said fiercely: "These damn pirates don't take the guards of Pearl City seriously. If you don't teach them a lesson, these pirates will be more reckless in the future."

Said, Xi Ya comforted Jack, "Don't worry, I will definitely help you recover your losses."

These days, the guards of Pearl City are negotiating how to exterminate the pirates in Alcatraz Island, and today, the pirates openly came to Pearl City to rob the city. The plundering of the people, Thea, as the captain of the guard, couldn't bear it at all.

After comforting Jack, Thea jumped into a small boat, ready to explore Alcatraz alone.

"Alas!"

At this moment, Yue Feng quickly followed and said to Thea: "Are you going to Devil's Island? Take me with you!"

Adolf saved his life, but now he was robbed by pirates, he decided Can't sit idly by.

"You?"

Sita turned his head and looked at Yue Feng up and down: "Who are you?"

This person, who has no holy power in his body, has the courage to go to Devil's Island. Do you think he has a long life?

At this time, Thea did not know that Yue Feng had hidden the inner strength of his dantian, so he looked similar to ordinary people.

"My name is Yue Feng!" Yue Feng took a deep breath and said seriously: "Adolf helped me, but now something happens, I have to do something for him."

Yue Feng's voice was not loud, only he and Xi Ya can hear.

Yue Feng?

Hearing this name, Thea frowned, and suddenly thought of something: "Oh, it turns out that you are the one who is going to marry the eldest lady of the Dumen family in three days. It doesn't look very good.

" Thea looked at Yue Feng again, with a bit of contempt in her eyes.

The Dumen family's wedding had already spread in Pearl City, and Thea naturally knew it.

Chapter 3249

Yue Feng smiled: "I have already said what I should say, you can take me there."

Phew!

Seeing Yue Feng's insistence, Thea pondered for a while, nodded and said, "Okay, I can take you there, but when you arrive at Devil's Island, you must obey my instructions. If you mess up by yourself and are caught by pirates, Don't blame me for not saving you."

Hearing this, Yue Feng couldn't help laughing.

This Thea is a bit interesting, because she is afraid of making trouble for her.

Thinking to himself, Yue Feng smiled and nodded: "Okay, listen to your command." With that, Yue Feng jumped onto the boat.

As soon as it was uploaded, Thea threw the oar to Yue Feng: "You row!" The sound was not loud, but it was unquestionable.

What the hell!

At this moment, Yue Feng was stunned.

This is using yourself as a subordinate.

Muttering in his heart, Yue Feng didn't care, he slowly slid the oar, and under the guidance of Thea, he headed towards Devil's Island.

Along the way, Thea sat there, very cold.

Yue Feng originally wanted to ask about the pirates, but seeing Thea's posture, he held back.

Half an hour later, the boat finally arrived at Alcatraz.

"Yue Feng!"

When she went ashore, Thea warned Yue Feng again: "It's very dangerous here, you must

follow my instructions later, understand?" When she said this, Thea was serious on the surface, but she was actually very nervous. , You know, this is her first time to explore Alcatraz.

Yue Feng was a little confused, but nodded and said, "Understood!"

As they spoke, the two explored the depths of the island.

"Huh? What is that?"

After a while, in a forest, Thea's eyes flashed and she found something, her delicate face showed a hint of excitement.

Yue Feng quickly looked over and saw a dried fish hanging from the branches in the woods ahead.

Each fish was large and apparently caught by pirates on the island.

“The pirates are drying the fish here. It seems that their old nest is near here!” Xia said hurriedly, and was about to walk over to investigate.

Yue Feng nodded in agreement, but at this moment, he found that the ground under the dried fish had traces of cover.

Clearly, there is a trap here.

Discovering this, Yue Feng quickly shouted at Thea: “Don’t go there, there are traps here!” At the same time, Yue Feng couldn’t help but muttered in his heart.

Acting so recklessly and not at all careful, how did you become the captain of the guard?

“There is no one around, how can there be any danger?”

Thea looked disapprovingly, looked around, and then quickened her pace!

What the hell!

Hearing this, Yue Feng was very depressed, and quickly followed, ready to stop Thea!

Whoa!

However, it was too late, and a sound was heard, Thea triggered the trap hidden on the ground, and a huge net suddenly bounced up, directly covering Yue Feng and Thea.

All this happened so fast that Xia and Yue Feng didn’t have time to react, only to see the big net tightened quickly, directly hanging the two of them up.

“Look!” Yue Feng couldn’t help but said: “I said there are traps here, but you don’t listen!”

“You...”

Xia blushed and blamed angrily: “Who asked you to follow? Even if there is a trap here, I can only be trapped by one, you follow me rashly, we are both trapped, whoever comes is us?”

While speaking, Thea pulled out the dagger on her body, ready to slash Open a big net, but this big net is extremely tough, and the dagger never cuts.

What the hell!

Hearing this, Yue Feng was dumbfounded.

Obviously you didn't listen to the advice, but now it's my fault?

Chapter 3250

While depressed, Yue Feng was very happy. At this time, he and Thea were squeezed into the big net, not only could appreciate Thea's figure up close, but also smell the fragrance from her body.

"Hey, don't move!" Seeing Yue Feng's gaze, Xia was so embarrassed that she couldn't help but scold.

Yue Feng smiled bitterly and said, "Why am I moving? Are you moving?"

"You...shut up..."

Hula...

the two were arguing when they heard footsteps around. , Immediately afterwards, dozens of pirates gathered around, each with a burly figure and a bad face, some with red turbans tied on their heads, and their imposing manners were overwhelming.

The three people headed by them were filled with a powerful aura.

These three are the leaders of this group of pirates on Devil Island, the eldest Zare, the second Zack, the third Zaha, and the three brothers are rampant in the waters near Pearl City, doing all kinds of evil.

Done!

Seeing these pirates, Yue Feng and Xia's expressions changed.

"Haha..."

At this moment, the pirates walked up to them, and they couldn't help laughing when they saw Yue Feng trapped in the big net.

While laughing, the eyes of many pirates were deeply attracted by Thea.

beautiful!

So beautiful.

Finally, the boss Zalei came over and looked at Thea up and down: "Tsk tsk, I thought I caught someone who didn't open my eyes, but I didn't expect it to be a famous female knight in Pearl City."

Gudong!

When the voice fell, Zach and Zaha beside him were also deeply attracted by Thea, and they kept swallowing saliva.

Thea was ashamed and angry, and said coquettishly: "You don't get complacent, I warn you, it's better to let me go quickly, otherwise, you will wait to be exterminated."

"Hehe!"

Facing Thea's scolding, Zha Not only did Lei not panic, but he laughed proudly: "Destroy us? Miss Thea, how many siege operations have you organized in Pearl City over the years, and as a result, are we not living well? Tell me, how did you annihilate us? Ah? Haha..." The

voice fell, and the surrounding pirates all laughed.

"You..."

Thea blushed and was too angry to speak.

What Zare said was the truth. Alcatraz has a complex environment and is easy to defend and difficult to attack. Over the years, Pearl City has been besieged and suppressed several times, all of which have failed miserably.

"Big brother!"

At this moment, the second child Zack's eyes fell on Yue Feng: "This Xia's subordinate, just kill it, let's just leave this female knight, have fun, hehe!" The

voice fell, and the surrounding The pirates nodded in agreement.

In their hearts, they believed that Yue Feng was Xia's subordinate, and it was of little value to keep it.

What the hell!

Hearing this, Yue Feng's expression changed. These pirates are very cruel. If they don't ask anything, they will kill themselves.

At the same time, Thea also changed her pretty face and couldn't help saying: "Don't mess around, he's not my subordinate."

Xia has justice in her heart. Although she doesn't like Yue Feng, she can't bear to watch him die. .

Not a subordinate?

At this moment, the pirates frowned.

In the next second, Zare couldn't help sneering: "Miss Thea, you don't have to do this with us, he is not your subordinate, how could he be caught by us with you?"

"You want to save him, only It's a pity that this method is useless for us."

Saying that, Zare raised his hand, and suddenly the two pirates clung to the long knives and walked over quickly.
