

The ultimate husband in Chinese chapter 3251-3260

Chapter 3251

Nima!

Seeing this situation, Yue Feng was sweating profusely. To be honest, with Yue Feng's strength, he could completely shake the big net, but in this case, it would inevitably hurt Thea. But if he didn't explode his internal power, he would be hacked to death by these pirates...

Seeing the pirates getting closer and closer, Yue Feng suddenly had an idea.

"Brother pirates!"

Yue Feng made a very frightened look and shouted: "I really have nothing to do with this Xia, to be honest, we are traveling together, and I am also a pirate. Of course, I am just a little boy who is not in the mainstream. Pirates, you can't compare to the big brothers at all. Half an hour ago, Thea was caught by this Thea!"

"This Thea caught me and asked me to help him explore Alcatraz Island. As a result, the big brothers were caught by the big brothers as soon as they arrived on the island. Got it!"

What? ...This kid is also a pirate?

Hearing this, both the three Zare brothers and the surrounding pirates were all stunned.

Thea also trembled, staring blankly at Yue Feng, speechless.

Did he say he was a pirate? What does he want?

"Boy!"

Finally, Zalei was the first to react and said to Yue Feng, "Are you really a pirate too?"

Yue Feng nodded quickly and made a compliment: "It's true, how dare I deceive Brothers, speaking of which, I am very longing for Alcatraz Island, but unfortunately no one has ever recommended it, this time I was caught by the brothers, it is also a fate, if you don't dislike it, I want to join you!"

When he said this, Yue Fengyi The sincerity of his face, at the same time, his mind turned rapidly.

Yes, Yue Feng didn't really want to join these pirates, but a temporary stopgap measure. To be honest, Yue Feng is not afraid of these pirates in a real fight, but in a real fight, it is inevitable that he will accidentally hurt Thea.

This chapter is provided by . Visit for daily update.

Yue Feng thought about it, first stabilize these pirates temporarily, and then rescue Thea when there is a chance.

"You..."

Seeing this scene, Thea was anxious and angry, and yelled at Yue Feng: "This bastard, do you want to join Devil Island?"

This person has no backbone at all, and does not know the Dumen family. The eldest lady, how did you see him.

The more Thea thought about it, the more angry she was, and she wanted to say more, when she saw Yue Feng shaking his head secretly.

At this moment, Thea immediately closed her mouth.

Xia is not stupid, she vaguely guessed something from Yue Feng's eyes.

Could it be...he didn't really want to join Alcatraz, but to break into these pirates?

Um!

At this time, feeling the sincerity of Yue Feng, Zalei nodded: "This brother is so sincere, well, from now on, you are from our Devil's Island!" After

speaking, he waved people Put down the big net.

At this moment, a few people came up, released Yue Feng, and at the same time tied Thea.

"Three big brothers!"

At this time, Yue Feng stepped forward to please, took out a bag of gold coins from his body, and handed it politely: "The brothers just joined, there is nothing to express, these jewels should be regarded as the entry fee."

These jewels, which Doug gave to Yue Feng for emergency use when he was in Simon City before, are of great value.

After so many years of walking in the rivers and lakes, Yue Feng is well versed in the world of people.

“Haha!”

Zare took the jewelry, his eyes were straight, and he was very happy: “Brothers are so polite, we will be our own from now on.”

“Yes, everyone is brothers...”

“Brothers are so polite. , Hahahaha...”

Zach and Zaha next to him were also smiling, the brother in front of him was so generous, who wouldn't feel good after seeing it?

Seeing this scene, Thea's face was calm, but she was secretly worried.

I didn't expect this Yue Feng to join Devil's Island so smoothly, but... there are too many pirates, can he successfully rescue himself?

Chapter 3252

With new members joining, the three Zare brothers are very excited.

Soon, surrounded by many pirates, Yue Feng and Xia were taken to the camp.

call!

When he arrived at the camp, Yue Feng looked around and saw that the camp was set up in a shallow water bay on the island, with large and small houses scattered in an orderly manner.

Not only that, Repulse Bay was also specially enclosed, and many sea areas were kept in captivity.

call!

Seeing this scene, Yue Feng couldn't help feeling secretly.

Nima, these pirates are really cunning. With this Repulse Bay, even if they don't go out to loot for a few months, they are enough to eat and drink. No wonder it hasn't been wiped out for so many years.

Whoa!

At this moment, I heard chaos from the pirates guarding Repulse Bay.

“Boss, there are sharks moving around!” A pirate rushed over in a panic and said to Zare.

Yue Feng quickly looked, and saw a shark quickly approaching on the sea not far away.

“Mad, these nasty sharks are making trouble again!” Zare frowned, scolded, and then instructed many pirates: “Quick, go to Xiaoting and drive this shark into Repulse Bay for me!

”!

Hearing the order, dozens of pirates took action one by one, jumping onto the small boats on the shore, and then under the command of Zare, they chased and blocked the shark.

Seeing this scene, Yue Feng frowned secretly.

These pirates are really hard to deal with.

I saw that these pirates were very disciplined. Under the command of the boss, Zare, they cooperated with each other tacitly. After a while, they drove the big shark into the Repulse Bay. Although the shark was fierce, it was immediately caught in the Repulse Bay. stuck.

“Haha!”

Zare was very excited, so he immediately arranged a banquet and said loudly, “Brothers, today we have a new brother, and we also caught a big shark, so we must have a good drink later. “

Hearing this, the pirates present were extremely excited and couldn't help cheering.

Soon, the banquet began.

Because Yue Feng contributed a lot of jewelry, he was very appreciated by Zare, and was placed at the front table.

After three rounds of drinking, the second child, Zach, stood up slowly, looked around and smiled: “Brothers, we are going to start our old game next, whoever has a good drink, this female knight of Thea, let him tonight. Enjoy, haha...”

Wow!

The voice fell, and the surrounding pirates rubbed their hands together excitedly.

In Alcatraz, every time these pirates robbed a woman, they would use the method of drinking wine to distribute the former rights of women. This is the rule.

What the hell!

At this moment, Yue Feng's heart was shocked, and he was suddenly stunned.

These pirates are so good at playing that they decide Thea's enjoyment rights by way of drinking beer.

"You..."

At the same time, Aki, who was tied to the pillar next to him, with an indescribable humiliation, his delicate face flushed extremely red, and he couldn't help scolding: "You bastards, kind of kill me. ..."

Under the delicate drink, Thea kept struggling, but her hands and feet were tied, which was of no use at all.

"Ha ha..."

And Thea's struggle aroused the interest of the pirates.

At this time, Zach drank the wine in the cup, looked at Thea with a smile, and teased: "Your Excellency the female knight, you don't have to struggle, this is Devil Island, not Pearl City, you shout again. Loud, no one can save you."

Saying that, Zach moved a wine jar from the side and smiled at Yue Feng: "Brother, why don't we compare first?" Come brothers, you have the right to play games first, this is the rule.

Swish!

At this moment, everyone's eyes were focused on Yue Feng.

Yue Feng stood up, looked around, scratched his head and said with a smile: "This... drinking is too boring, why don't we change the game?"

When he said this, Yue Feng had a smile on his face, but his eyes showed cunning. .

He could see that this second child, Zach, had a strong back and had nothing to do with drinking two jars just now. Fighting with him was just looking for abuse.

Change the game?

Hearing this, everyone was stunned, and then many people looked at Zare. Zare is the boss, and if you want to change the gameplay, you have to get his consent.

“Haha...”

Zarei smiled slightly, looked at Yue Feng and said, “I don’t know Brother Yue Feng, what would you like to do differently?”

Yue Feng took a deep breath and pointed to the shark trapped in the Repulse Bay. One sentence: “Who can subdue this shark today, this Miss Thea, who is it, how?”

What?

Hearing this, both Zare and the pirates around were stunned.

Even Thea trembled, staring blankly at Yue Feng, thinking that she had heard it wrong.

Chapter 3253

Is he crazy, even proposing to subdue sharks?

quiet!

The entire pirate camp was deadly silent, and a drop of a needle could be heard clearly.

Although these pirates kill without blinking, when they hear that they want to subdue sharks, they all feel a little nervous. You must know that sharks are the overlords of the ocean. How is it possible to subdue them with human power?

“What?”

Seeing that no one dared to respond, Yue Feng showed a smile: “Brothers, you are invincible across the ocean, are you still afraid of a shark?”

As soon as the voice fell, Zach shouted, his face proud: “Who is afraid Now, isn’t it a shark, I’ll come first!”

Saying that, Zach clenched a dagger, walked down quickly, and plunged into Repulse Bay.

“Second leader is mighty!”

“Second leader, domineering.”

“It’s so exciting...” In an

instant, the pirates around couldn't help shouting, and at the same time, they all stared at the situation in Repulse Bay.

Yue Feng stood there, watching with a half-smile.

I saw that after Zac entered the Repulse Bay, the shark locked him in an instant, swam over quickly, and then fought fiercely in the water.

Zac was very brave at the beginning, but gradually he couldn't bear it.

Pfft...

Finally, the shark found an opportunity, bit Zack's shoulder, and tore off a piece of meat. Zach's face was pale, and he completely lost his previous self-confidence, but was extremely frightened.

"Quick, pull me up!" Zach couldn't help shouting.

Hearing the call, a few pirates who had been prepared on the shore hurriedly threw the rope over and brought Zack up.

At this time, Zach was dripping with blood, and he couldn't tell how embarrassed he was.

call!

Seeing this scene, the pirates around couldn't help but start talking.

"This shark is too strong!"

"Yeah, even the second leader is no match!"

"In my opinion, no one in this world can subdue a shark, it's impossible."

Listening to the discussions around, Yue Feng couldn't help but secretly sneer.

A bunch of idiots, going head-to-head with sharks, can never surrender.

Thinking to himself, Yue Feng looked around and said loudly, "Is there anyone else who wants to try it?"

Many pirates looked at each other in dismay, but no one dared to answer.

Even Zach was bitten by a shark and almost died, who would dare to go?

"Hey!"

Finally, someone couldn't help shouting at Yue Feng: "You want to change this game. If you have the skills, you can go and try it?" The

voice fell, and many people agreed.

"That's right, do you dare?"

"I think this guy is very talkative."

"He definitely won't dare..."

Everyone shouted, and Yue Feng smiled slightly: "I don't dare to say anything. What?" The

voice fell, Yue Feng moved his hands and feet, and walked towards Repulse Bay.

This...

Seeing this scene, everyone was stunned.

This guy really went.

At this moment, Thea looked at Yue Feng closely, and her delicate face also revealed a bit of surprise and worry.

Then Zach was bitten by a shark, he still wants to go, isn't he to die?

Speaking of which, Thea knew that Yue Feng did this entirely to save himself, but it was a shark.

Pfft!

Under everyone's attention, Yue Feng jumped and jumped into the shallow bay. While diving into the water, Yue Feng quietly took out something from his body.

It is the Imperial Beast Ring.

Yes, when Yue Feng proposed to change the rules of the game just now, he planned to enter the Repulse Bay and use the beast ring to subdue the shark.

To be honest, with Yue Feng's real strength, he can also subdue sharks, but it is too troublesome, and it is easy to expose his strength. If he uses the beast ring, it is much easier.

Chapter 3254

Swish!

As soon as he dived into the water, Yue Feng felt that he was locked tightly by a pair of eyes, and then, a huge body quickly approached.

It was that shark.

At this moment, Yue Feng didn't have time to think about it, and quickly urged his inner strength to inject it into the beast-fighting ring.

hum!

In an instant, I saw the beast ring flashing with a strange light, and then, a wave of energy waves shrouded the shark.

Feeling the energy fluctuation, the shark instantly slowed down, staring at Yue Feng with a pair of eyes, revealing a trace of doubt.

The breath that pervades this human being is so special...

At the same time, the shark did not relax its vigilance, posing a posture of fighting at any time.

At this time, the shark did not realize that the special breath that permeated Yue Feng's body was emitted by the ring of the beast, which could communicate with the beasts in the world, and this shark was no exception.

"Good, good..."

Feeling the danger of the shark, Yue Feng did not panic at all, and kept sending messages to the shark through the beast ring: "Don't be afraid, I'm not here to hurt you..."

"Those pirates It's their fault for trapping you here, don't worry, I'll take you back to the sea later, but you have to listen to me, you know?"

Yue Feng said this with sincerity on his face, but in his heart A little nervous. You know, this is a shark, the most ferocious existence in the ocean.

If the communication is not good and the fierceness of this shark is stimulated, it will be troublesome.

Hearing Yue Feng's words, the shark lay there quietly, as if in contemplation. Yue Feng communicated with it through the beast-fighting ring, and the shark naturally understood what Yue Feng meant.

And at this moment, in the camp outside.

Seeing Yue Feng diving into the water and not moving for a while, the pirates couldn't help but whisper.

"Look, I'll say that this kid is talking big!"

"That's a shark, how can one person be subdued?"

"It's not worth taking a life to enjoy this beautiful female knight... ."

The pirate's discussion kept coming, Thea bit her lip, indescribably embarrassed. At the same time, looking at that piece of Repulse Bay, there is an indescribable sadness in my heart.

This Yue Feng.... is too self-aware, how could he subdue the shark alone?

Speaking of which, Thea didn't have a good impression of Yue Feng, but at this time, she couldn't help but feel moved when she saw that Yue Feng was desperate to save herself and was in deep danger.

"Hey!"

At this moment, Zalei, who was sitting on the main seat, couldn't help sighing, and said regretfully: "This brother Yue Feng has extraordinary courage and admiration, but it's a pity that he is a little too confident!"

Saying that, Zalei waved his hand: "Quick, get ready to go down and rescue Brother Yue Feng!"

Like everyone else, Zalei also thinks that Yue Feng is very ferocious, and this newcomer is good, and he can't be allowed to die like this.

Whoa!

Hearing Zare's order, dozens of pirates prepared to board the boat to rescue Yue Feng.

"Haha..."

However, at this moment, a cynical laughter came from the Repulse Bay, and then, Yue Feng's figure slowly surfaced out of the water. No sign of injury at all.

What?

Seeing this scene, both Zare and the other pirates present were stunned.

He... is he all right?

Just when everyone was stunned, they saw that Yue Feng's feet also quickly left the water, and under his feet was the shark. Everyone clearly saw that the shark had completely lost its previous ferocity, and had become extremely docile under Yue Feng's feet.

This...

Chapter 3255

At this moment, everyone's eyes widened, looking at Yue Feng in a daze, their eyes full of inconceivable, completely stupid.

He actually managed to tame a shark, this... how did he do it?

If you hadn't seen it with your own eyes, who would have believed it?

At this time, everyone did not know that Yue Feng had a beast ring on his body that communicated with the beasts in the world. Otherwise, he would not have tamed the shark so easily.

quiet!

At this moment, the entire Devil Island was silent, and a drop of a needle could be heard clearly.

"Boss!"

At this time, Yue Feng rode the shark and smiled at Zare: "The shark has been successfully tamed by me. I won this game. Does this Miss Xia belong to me?"

"Ya's delicate face suddenly blushed, and she couldn't help but spit out two words: "Shameless!"

When Xia didn't say these two words, Xia looked at Yue Feng's eyes, but there was a strange brilliance.

I thought this Yue Feng was ordinary and had no ability, but now it seems that he is really different, no wonder the eldest lady of the Dumen family would marry him.

"Haha.."

At this time, Zare also recovered and said with a smile: "I didn't expect my brother to have this kind of ability. Today is really eye-opening. It's wonderful. It's really wonderful."

” He tilted his head and glanced at Thea, and continued: “Okay, from now on, this beautiful female knight in Pearl City belongs to you!”

At this time, Zare was very excited, this newcomer was able to subduing the shark, with his joining, the strength of my pirate organization has been greatly enhanced, can you be unhappy?

The voice fell, and the surrounding pirates also cheered.

At this moment, all the pirates looked at Yue Feng with admiration. Unknowingly, Yue Feng’s status in Devil Island suddenly improved a lot.

You must know that pirates are all advocating force, and seeing Yue Feng successfully subduing the shark just now, they all naturally regarded Yue Feng as a hero, and they became very close to Yue Feng in their hearts.

“Thank you, boss!”

At this moment, Yue Feng laughed: “Then I’m welcome!” After saying that, he walked over and hugged Xia lazily.

Swish!

Xia was not ready when she was suddenly embraced by Yue Feng, her delicate blushing with embarrassment.

“Don’t talk, they have gained my trust now.” Yue Feng lowered his voice and said slowly, “I’ll let you go when I get a chance, and I’ll wipe out these pirates.”

Yue Feng’s voice was very small, Only he and Thea could hear it.

Um!

Thea nodded, just being held by Yue Feng like this, she felt a little uncomfortable.

Yue Feng didn’t speak, and walked towards the resting place with Thea in his arms. After joining Alcatraz just now, Zare specially arranged a resting place for Yue Feng.

Yue Feng thought about it, and when he got to the resting place, he released Thea directly, and then let him leave quietly. As for himself, stay on Alcatraz Island, and when Thea brings reinforcements, he will catch these pirates inside and out.

“Brother!”

However, before taking two steps, Zare’s cry came from behind.

Yue Feng stopped, turned around and smiled at Zalei: "Boss, what's the matter?"

When he said this, Yue Feng's face was calm, but his heart was secretly anxious.

Mad, this Zare doesn't like Thea and suddenly changes his mind, right?

"Brother Yue Feng!"

Just when Yue Feng was muttering secretly, he saw Zalei smiling and said: "It's still early, the brothers want to enjoy the beauty, so don't be in a hurry, it's better to stay and drink more with the brothers. A few cups, I really want to know how you subdued the shark just now."

Saying that, Zare looked around: "I believe that many brothers also want to know, right?"

The ultimate husband in Chinese chapter 3256-3260

Chapter 3256 The

voice fell, and the surrounding pirates nodded in agreement.

"Yeah, the scene just now was really shocking."

"Brother Yue Feng, you have to teach us any tricks."

"Yes, this Xia, let my brother send you there first, anyway, it's all about it. What are you waiting for?"

Many pirates were enthusiastic and chattering, two of them came over and took Thea to the resting place, while Yue Feng was pulled back to the wine table. superior.

At this moment, Yue Feng wanted to cry without tears.

Nima, she can't get out, so she can't let Thea go. It seems that she will change her plan.

Thinking to himself, Yue Feng looked around with a smile: "Actually, I don't have any special skills, I guess it's just luck..." Of course, the matter of the Royal Beast Ring can't be said, and Yue Feng began to talk nonsense.

At the same time, Yue Feng did not forget to pour wine for each pirate diligently.

While pouring the wine, Yue Feng quietly took out a packet of medicinal powder from his body and mixed it in the wine. The medicine powder is a kind of stun medicine. It was made by Yue Feng when he was refining alchemy before. It was useless when it was left on the body.

No one paid attention to Yue Feng's small movements.

After a while, the pirates drank a lot of wine. Yue Feng's conversation is extraordinary, and he subdued the shark just now, which made all the pirates look at him with admiration. Therefore, the wine Yue Feng poured, all the pirates did not refuse, even the three Zare brothers drank a lot.

After three rounds of drinking, the stunner started to attack.

"How do you feel, today's wine has a bit of stamina..." Zare muttered, and fell asleep on the table.

puff puff....

This chapter is provided by . Visit for daily update.

Zac and Zaha beside them, and the pirates around them, also stumbled and lost consciousness.

Ha ha!

Seeing this scene, Yue Feng showed a smile.

Nima, it's finally done.

Muttering in his heart, Yue Feng walked quickly to the resting place.

As soon as she entered the room, she saw Thea was tied there, obviously she couldn't wait.

"Yue Feng!"

Seeing Yue Feng coming in, Thea quickly asked, "How's the situation outside? Come over and untie me!"

Yue Feng did not untie her immediately, but said with a smile, "What are you anxious about? There are pirates guarding outside, if I untie you, I will be exposed!"

"You..."

Hearing this, Xia's body trembled, embarrassed and anxious: "Then what are you going to do? You You won't really want to be with me..." The last sentence, Thea didn't say it, it was too embarrassing.

Seeing her expression, Yue Feng couldn't help laughing and said, "Otherwise? If there is nothing between us tonight, they will definitely doubt it."

When he said this, Yue Feng had a playful expression on his face.

This Thea is too conceited. If she hadn't strayed into the trap before, she and herself would not have been caught. At this time, she decided to tease her and teach her a lesson.

Swish!

Hearing this, Thea's delicate body trembled, and her delicate face was extremely red.

I am innocent, how can I be with him.....

Haha...

Yue Feng closed it when he saw it, and said with a smile: "Okay, I won't tease you, I have taken care of all the pirates outside!" After saying that, he came over to untie Thea.

Xia was so angry that she glared at Yue Feng: "Then you lied to me just now?"

Saying that, Xia walked out of the room and was stunned when she saw the scene outside.

Chapter 3257 I

saw that at the banquet not far away, the three Zare brothers, as well as many pirates, were lying there, one by one, unconscious.

After being stunned for more than ten seconds, Thea calmed down and looked at Yue Feng: "How...how did you do it?"

At this time, Thea was very shocked. You must know that on the Devil's Island The pirates, all newbies are fierce, especially the three Zare brothers, who are powerful.

And Yue Feng was only one person, and he didn't have the slightest holy power, but he managed so many people.

Simply incredible.

"It's nothing!" Yue Feng shrugged, his face indifferent: "It's just some small tricks!"

Thea did not speak, but fell into deep thought, looking at Yue Feng's eyes, also flashing a strange brilliance.

This Yue Feng is really hidden.

“Okay!”

At this moment, Yue Feng said to Thea: “While these pirates have fallen asleep, you hurry back to Pearl City and bring people over. I’ll stay here and watch them.”

Thea nodded . Head, indescribably excited. This time, he has done a great job in killing all the pirates of Alcatraz Island.

Soon, with the help of Yue Feng, Thea boarded a small boat and quickly returned to Pearl City.

Watching Thea go away, Yue Feng took a deep breath and returned to the camp.

At this time, the three Zare brothers, as well as many pirates, were still in a deep coma and would not wake up until at least ten hours later. Yue Feng was bored and searched the island.

After searching around, Yue Feng found three treasure chests in the cave behind the camp, all of which were treasures.

At this moment, Yue Feng couldn’t help feeling secretly.

Nima, these pirates have been entrenched in Alcatraz Island for so many years, and they have robbed so many treasures.

With emotion in his heart, Yue Feng turned around again, and accidentally discovered an inconspicuous hole. The entrance of the hole is covered with straw, which is very hidden.

hiss!

Yue Feng walked over curiously, opened the straw, and suddenly couldn’t help gasping for air.

I saw that this hole was half the size of a basketball court, and it was full of gold coins and treasures.

What the hell!

After being stunned for more than ten seconds, Yue Feng gradually reacted.

The three Zare brothers are too cunning to hide a huge treasure in such a hidden place.

With emotion, Yue Feng used straw to cover the entrance of the cave again. Speaking of which, Yue Feng has no need for money, but such a huge treasure may be useful to keep. Get these treasures in case you need them.

Half an hour later, Thea arrived with the guards of Pearl City, and took the three comatose Zare brothers, as well as many pirates, back to Pearl City. At the same time, they brought back the three boxes of jewelry.

And the treasures hidden in the cave were not discovered because they were too hidden.

A few minutes later, more than a dozen ships, with many pirates, returned to Pearl City in a mighty manner.

At this moment, Thea stood on the deck, indescribably excited and excited.

Yue Feng stood aside with a calm expression.

“Yue Feng!”

Excited, Thea said to Yue Feng, “Thanks to you, I can completely wipe out these pirates. When I return to Pearl City, I will tell the city owner the truth. At that time, the city owner will definitely It will give you a knighthood.”

When saying this, Thea looked serious. She did this also for Yue Feng’s good. You must know that the marriage between Yue Feng and the Dumen family eldest lady has long been spread all over Pearl City. Many people think that Yue Feng is not worthy of the Dumen family eldest lady. After all, he is only a Unknown pharmacist.

But this time, Yue Feng helped exterminate the pirates of Devil Island. If he was named a knight again, no one would make irresponsible remarks.

“No need!” Yue Feng shook his head and said with a smile: “This time, the main credit for destroying the pirates of Devil Island is you. I just made a mistake and got lucky. I don’t need to report to the city owner.

” Yue Feng didn’t want to publicize anything about Landis, and thought it was better to keep a low profile.

Chapter 3258

Seeing Yue Feng’s serious face, Thea had no choice but to nod: “That’s fine!”

At the same time, there was some doubts in her heart!

This Yue Feng is really strange, he clearly caught these pirates, but he didn’t take any credit.

After a while, back in Pearl City, Yue Feng said goodbye to Thea immediately and returned to the Dumen family.

As soon as I returned to the Dumen family, I ran into Laura.

“Hey, where have you been all day? The master asked you to discuss the wedding, but I couldn’t find anyone.” As soon as she saw Yue Feng, Lau Na began to nag.

Launa has been a big housekeeper in the Dumen family for several years, and she has a strong sense of superiority and has always looked down on Yue Feng.

Yue Feng was too lazy to talk nonsense, so he just found a reason and returned to the room.

Three days later, the Dumen family estate.

Today is the wedding of Yue Feng and Lolita, and the whole manor is very grand and lively.

In the garden behind the manor, there are hundreds of seats.

The Dumen family is quite famous in Pearl City, so for this wedding, all the major families in Pearl City came, and even the city owner personally came to support.

At this moment, Du Men was sitting there dressed in full clothes, with a knowing smile on his old face.

Although Yue Feng and Lolita’s marriage was only a three-year agreement, Du Men could see that Yue Feng was a person who valued friendship and would definitely stay with Lolita for a long time.

It was almost noon, and the guests were almost all there. At this time, the wedding host walked out quickly, looked around and said loudly, “Welcome to the wedding of Mr. Yue Feng and Miss Lolita!

” Warm applause for the start of the wedding.”

Whoa whoa whoa!

The voice fell, and many guests applauded, and then, they saw Yue Feng and Lolita walking out slowly.

At this time, Yue Feng, dressed as a groom, was indescribably handsome and stylish.

However, the eyes of the surrounding guests all converged on Lolita, and they couldn’t help but sigh with regret.

“The groom is this kid? There’s nothing special about it!”

“Yeah, I really don’t know what this Miss Lolita thinks.”

“I heard that this marriage was decided by Mr. Dumen, and Miss Lolita didn’t at all. What a pity!”

While many male guests were discussing, their eyes focused on Lolita, and they all stared blankly.

At this time, Lolita, wearing a snow-white wedding dress, showed her graceful figure. Because her condition had not fully recovered, her expression was a little weak, but even so, it did not affect her charming temperament, but revealed A different kind of beauty.

Yue Feng didn’t take it to heart when the surrounding discussions came.

Anyway, the marriage between himself and Lolita was fake, it was just an agreement.

But I have to say that this Lolita is really beautiful, and she, as a woman, will shoulder the burden of the entire Dumen family in the future, which is really pitiful.

Soon, Yue Feng and Lolita walked to the wedding table side by side.

At this time, the wedding host showed a smile, looked around and said, “May the great God witness the wedding of this couple today, let’s...”

Bang!

Before the wedding host had finished speaking, suddenly, the gate of the manor was kicked open. Looking from a distance, I saw a dozen burly men walking in quickly.

The leader was also dressed as a groom, with a gloomy face.

It’s Maddie!

This... what’s the situation?

Seeing Maddie, everyone at the wedding was stunned.

“It’s Master Maddie!”

“This... Maddie is also dressed as a groom, do you want to get married?”

Chapter 3259

“No way...”

For a while, many people couldn't help but talk.

"Maddy!"

At this moment, Du Men reacted, stood up and glared at Maddie: "What do you mean?"

When he said this, Du Men suppressed his anger.

"What do you mean?" Maddie shrugged and chuckled: "Today is Lolita's big day, how could I miss it?"

After speaking, Maddie looked around, and finally his eyes fell on Lolita: "Me and Luo Lita has grown up together since she was a child, and it can be said that she is a childhood sweetheart. In the entire Pearl City, only I am worthy of Lolita, and only I can be a man of Lolita."

Wow!

Seeing this scene, everyone present was in an uproar.

It's really interesting to rob a relative.

Du Men was furious and shouted angrily: "Maddy, you are arrogant!"

At the same time, Lolita was also trembling with anger, and scolded: "Maddy, don't be fooling around here, I can't marry you, I My husband is Mr. Yue Feng, please leave."

Hahaha...

Maddie laughed, looking extremely arrogant, pointed at Yue Feng and said, "I'm not fooling around, let's let everyone present say, this guy, Is there anything better than me?"

Saying that, Maddie's eyes fell on Yue Feng, unable to hide his contempt: "Boy, now I officially challenge you, if you have the kind, just have a test with me, you If you win, I'll leave immediately, and I won't make trouble, if you lose, get out of Pearl City!"

At this moment, Maddie's eyes were full of confidence.

In the past two days, Maddie sent someone to investigate Yue Feng secretly, and learned that Yue Feng was a wanderer and that he did not have a trace of holy power, so he planned this marriage grab.

In Maddie's heart, Yue Feng didn't dare to accept his challenge at all. At that time, the Dumen family would lose face and the wedding would not go on.

Swish!

At this moment, everyone's eyes will focus on Yue Feng.

Maddie challenges at the wedding, does he dare to answer?

Yue Feng stood there, his eyes narrowed slightly, looking at Maddie, his face did not fluctuate, but his heart was full of anger.

Mad, this kid is so arrogant that he dares to make a big fuss about the wedding.

"Maddy!"

At this moment, Du Men almost fainted from anger, and said angrily: "Today is Lolita's wedding, you better not make trouble, otherwise I will never forgive you!"

Yue Feng is highly skilled in medicine, but there is nothing on him. How could Shengli be Maddie's opponent?

Maddie sneered and ignored it.

In the next second, Maddie pointed at Yue Feng and said arrogantly, "Boy, dare to fight, say something!"

Slap!

As soon as he finished speaking, he saw Yue Feng's body flash and slap Maddie fiercely.

The crisp voice sounded, and everyone around was stunned.

This... this guy, actually beat Maddie?

Go crazy.

Maddie was also beaten, covering his face and looking at Yue Feng, he couldn't help howling: "You dare to beat me? Mad, I'm going to abolish you."

"As the young master of a family, he came to deliberately disrupt other people's weddings. It seems that he lacked education since childhood. Today, I will discipline you for your family!" Yue Feng said coldly.

"Aren't you going to challenge? Okay, as long as you can meet me today, even if you win!" The voice fell, and Yue Feng slapped him again.

To be honest, Yue Feng was too lazy to pay attention to Maddie, but in front of everyone, he made a big fuss about the wedding, and he was so arrogant, Yue Feng couldn't help it at all.

Chapter 3260

"You are courting death!" Maddie was completely angry, roared, and charged directly towards Yue Feng.

In the blink of an eye, the two fought fiercely together.

call!

Seeing this scene, everyone around was completely stupid. Many people were shocked to see that Yue Feng was so fast that he couldn't even catch it with the naked eye. In comparison, Maddie seemed very clumsy.

How could this be?

This Yue Feng has no holy power at all, how could he be so powerful? You know, Maddie is the strength of the Holy King, but in front of this Yue Feng, there is no chance to resist at all, and he is completely beaten.

Lolita was anxious, but she was stunned when she saw the scene in front of her.

Isn't he a pharmacist? How can it be so powerful?

Bang!

At this moment, Maddie's scream was heard, and he fell heavily to the ground, his face swollen like a pig's head, extremely embarrassed.

Beside him, Yue Feng stood there proudly, with a grim expression.

What?

This... this Yue Feng, actually won?

At this moment, the entire wedding banquet was silent, and everyone was dumbfounded!

"You...you dare to hit me, you're dead." Maddie covered her swollen face, staring at Yue Feng in shock and howling.

The young master of his dignified Mai Wei family was actually abused by a pharmacist. If the news spreads, how can he still gain a foothold in Pearl City in the future?

Yue Feng took a deep breath and said coldly to Maddie, "What? You were the one who wanted to challenge me just now. Now that you can't beat me, you're going to jump off the wall?"

"Let me tell you, today is my wedding with Lolita, I won't let anyone make trouble easily!" The

last sentence fell, and Yue Feng walked towards Maddie step by step.

At this moment, Yue Feng's eyes flashed with anger, and his face was extremely cold.

Maddie wanted to continue scolding, but when he met Yue Feng's eyes, his heart trembled, and he couldn't help but gasp.

Such a terrible look...

just a pharmacist, how can there be such a terrible look.

Soon, when he got to the front, Yue Feng didn't talk nonsense, he raised his foot and stepped on Maddie's body, and then slapped him with a slap!

Snapped! Snapped! Snapped!

Every slap is crisp and loud, with a loud voice!

In the huge garden, everyone present looked at Yue Feng blankly, as if seeing a devil, and everyone was shocked.

I thought that this Yue Feng was just a useless member of the Dumen family, but he never thought that Master Maddie would be so completely abused by him.

Du Men, who was sitting there, looked at Yue Feng with a bit of approval.

He really did not see the wrong person. This Yue Feng not only valued friendship, but was also a man who stood up to the sky at a critical time. He could feel at ease when he handed his granddaughter to him.

On the wedding stage, Lolita also looked closely at Yue Feng, her delicate body trembling faintly, and her heart was also inexplicably throbbing.

This Yue Feng thought that he would be cowardly in the face of Maddie's riotous wedding, but he didn't expect that he actually beat Maddie in public. It seemed that he had misunderstood him before.

Liu Zhiyuan was about to cry without tears, and rolled on the ground.

No one from the surrounding Liu family dared to step forward to stop them. Finally, the grandmother couldn't stand it any longer, and waved at the young Liu family.

“Slap! Slap! Slap!”

At this time, Yue Feng hadn't stopped, and every time he slapped, everyone around was terrified!

Finally, Maddie's subordinates couldn't bear it any longer, they approached cautiously, and shouted: “Stop...stop!”

“Let go of our young master!”

“Hurry up and stop...”
