

## The ultimate husband in Chinese chapter 3261-3265

### Chapter 3261

Hearing these words, Yue Feng raised his head and glanced at them, his eyes flashing coldly: "It was your young master who challenged me, why? You want to go back on your word? Otherwise, I won't stop."

"Who are you? If you are not convinced, you can come up and try, I am not responsible for hurting you by mistake!"

Feeling Yue Feng's powerful aura, several of Maddie's subordinates were all nervous, and none of them dared to step forward.

This person, even the young master is not an opponent, he is looking for abuse if he goes up himself. After drinking a few people back, Yue Feng's eyes fell on

Maddie: "Do you admit defeat?" At this time, Maddie was beaten and rolled on the ground, unable to resist. "I give up, I give up!" Maddie yelled, almost crying. McGrady held his own identity, and would rather die than admit defeat to Yue Feng, but he also knew that if he did not admit defeat, it would be even more embarrassing to be abused by Yue Feng all the time. "That's right!" Hearing this, Yue Feng showed a smile, clapped his hands and let go of Maddie: "How much better it is? I have to get a few more slaps." After speaking, Yue Feng's face darkened and he continued. : "Remember, in the future, when the Dumen family makes trouble again, think about it first, so as not to be embarrassed!" Shua! Hearing this, Maddie almost exploded with anger. Mad, the dignified young master of the Maiwei family, was threatened by a son-in-law who came to the house. wow. At this time, the surrounding men quickly walked over and helped Maddie up. At this time, Maddie, unable to say anything, held back his fire and shouted, "Go!"

When the voice fell, he took his subordinates and left in embarrassment.

"Boy!"

When he was about to walk out of the garden, Maddie turned back and glared at Yue Feng: "You wait for me, we're not done." After

speaking, Maddie yelled at Du Men again: "Old man, don't think you are Marry Lolita, I can't do anything about it, let's see."

Du Men's face was gloomy and he didn't respond.

Yue Feng, on the other hand, looked indifferent, smiled at Maddie and said, "I'm not convinced yet, okay, I'll wait for you."

Maddie grinned and led people away.

call!

At this time, everyone around them reacted, and they looked at Yue Feng with complex expressions.

This door-to-door son-in-law beat Maddie, I was afraid that the Dumen family would have a hard time. You must know that the Maiwei family is one of the largest families in Pearl City. If the young master was beaten, they would not let it go.

This chapter is provided by . Visit for daily update.

At the same time, Laona and the servants around were also a little flustered.

This Yue Feng's disaster, the life of the Dumen family, I'm afraid it will not be easy.

However, Du Men didn't seem to be worried about this, stood up with a smile, and motioned for the wedding to continue.

The wedding reception continued until the end of the evening.

"Master!"

After seeing off the guests, Yue Feng said embarrassedly to Du Men: "Am I being too impulsive during the day?"

"It's okay!" Du Men smiled and comforted: "That bastard, Maddie, dare If you come to make trouble at the wedding, you deserve to be taught a lesson." Thinking of the scene during the day, Du Men became a little angry.

"master!"

At this moment, Launa next to her couldn't help but shouted: "It's true that the uncle is too impulsive today, so don't go to him. Maddie was beaten so badly, and we won't let our Dumen family go easily in the future. ."

Saying this, Lau Na pointed at Yue Feng: "As I see it, let him go to the Mai Wei family to plead guilty as soon as possible, there may be room for relaxation."

When she said this, Lau Na looked at Yue Feng with dissatisfaction. .

This uncle, if he has no other skills, will be impulsive to cause trouble.

Chapter 3262

“Shut up!”

Du Men frowned and couldn't help scolding: “Who told you to speak, back off!”

Seeing that the master was angry, Lau Na quickly shut her mouth, but she was very unconvinced.

I don't know what's so good about this Yue Feng. The master not only married the young lady to him, but also favored him everywhere.

“Lolita!”

At this moment, Du Men showed a kind smile and said to Lolita: “What do you think about today's affairs?”

At the same time, Yue Feng also looked at Lolita.

In today's matter, I didn't embarrass the Dumen family, maybe it could make her change her opinion of herself.

However, with a look of indifference on Lolita's face, she glanced at Yue Feng and said lightly, “What can I say? I'm tired, I'll go to rest first!” After saying that, she walked towards the backyard.

Speaking of which, when Yue Feng beat Maddie in the daytime, Lolita also felt relieved at the time, but after calming down, she felt that even if Yue Feng fought fiercely, he acted recklessly. It's still too far.

Uh...

Seeing this scene, Yue Feng was very embarrassed.

It seems that this Lolita is still very resistant to herself.

At this moment, Du Men winked at Yue Feng and urged: “Hurry up, the wedding night, hurry up and rest, haha...”

Yue Feng nodded and walked towards the wedding room.

call!

As soon as he entered the room, he saw Lolita sitting beside the bed, looking helpless.

“you...”

Seeing Yue Feng come in, Lolita's delicate body trembled, a little nervous, and a little embarrassed: "Why did you come in?"

"We are husband and wife now, why can't I come in?" Yue Feng said with a smile.

Hearing this, Lolita bit her lip and said, "Don't laugh at me, let me tell you, our marriage is just an agreement between you and your grandfather, it's not true at all, so you'd better not treat me What are your thoughts?"

Yue Feng nodded and smiled bitterly: "You don't have to be nervous, I won't do anything to you, but we are married, so we have to act like that! Oh, I'm so tired..."

With that said, Yue Feng stretched and prepared to go to bed.

Swish!

Seeing this scene, Lolita's delicate face suddenly blushed, this Yue Feng, wants to sleep in a bed with him?

Shameless!

Thinking to myself, Lolita kicked Yue Feng's butt.

Yue Feng didn't expect Lolita to kick himself, lost his balance all of a sudden, and sat on the ground.

"Hey, what are you doing?" Yue Feng didn't know whether to laugh or cry.

This Lolita's temper is too big.

"Who let you sleep on my bed?" Lolita said coldly, with disgust in her eyes, and then pointed to the ground: "You will sleep on the ground in the future, you know?"

"

Hearing this, Yue Feng was very speechless, and at the same time, he was a little angry. Even if you and I are fake husband and wife, we can't be so indifferent.

Thinking to himself, Yue Feng stood up all of a sudden, turned on the electricity, and tapped Lolita's acupuncture point directly.

Snapped!

Lolita didn't react at all, her delicate body trembled and she couldn't move.

“Yue Feng!” At this time, Lolita, embarrassed and angry, shouted: “What have you done to me?”

When she said this, Lolita couldn't tell the panic in her heart, she clearly felt it. , his body is out of control, but he can still speak.

There is no point of acupuncture in Roland Continent, so Lolita at this time is very terrified.

### Chapter 3263

Seeing her panicked appearance, Yue Feng smiled slightly: “Don't panic, you have been tapped by me, of course you can't move.”

Acupuncture?

Hearing this, Lolita was stunned.

What kind of means is this, I have never heard of it.

Soon, Lolita reacted: “What are you doing? Let me go.”

Yue Feng smiled and looked at her playfully: “You don't let me go to bed, I have to do this, you are tired today too. Let's rest together!”

With that, Yue Feng carried Lolita onto the bed.

call!

At this moment, smelling the fragrance of Lolita, Yue Feng couldn't help taking a deep breath.

I have to say that Lolita looks sexy and charming, and her figure is also very good. Speaking of which, Yue Feng didn't want to tap Lolita's acupuncture points, but she always looked down on herself, and Yue Feng wanted to tease her.

Being held in Yue Feng's arms, Lolita couldn't move at all, her face flushed with anger: “You bastard, let me go...”

Yue Feng shook his head and deliberately made a bad look: “We had a wedding during the day, I am your husband now, but you call me a bastard and make me sleep on the floor, you say, should I teach you a lesson?”

“You...”

Hearing this , Lolita didn't know how to refute for a while, and was about to cry.

Seeing her pitiful appearance, Yue Feng sighed secretly and said, "Isn't that right? You call me a good husband, and I'll let you go, and then sleep on the ground today, how about that?"

Shuh!

At this moment, Lolita's face was blushing and embarrassed.

This Yue Feng is getting more and more excessive. He and he are obviously fake marriages, and they have to call her husband.

But if I don't shout, I will sleep with him on the bed tonight, how can this work?

Seeing her hesitant face, Yue Feng couldn't help laughing, and jokingly said, "Are you screaming? If you feel reluctant, forget it, I'm going to turn off the lights and go to bed!" As he

said that, he was about to turn off the lights.

At this moment, Lolita was so angry that she stared at Yue Feng fiercely.

Knowing that this Yue Feng was such a scoundrel, he should not have promised his grandfather a fake marriage before.

Thinking to herself, Lolita bit her lip and said softly, "Okay....good husband!" After shouting this sentence, Lolita's delicate face was extremely flushed and indescribably charming.

"Oh, my wife is really good."

Seeing that she finally called out, Yue Feng responded with a smile, and then unblocked her acupuncture points. At this time, she only thought that this Lolita was quite cute.

"You..."

Lolita was angry, but she was helpless.

In the next second, Lolita stomped her feet: "Aren't you going down yet?"

"Okay, let's go down now." Yue Feng smiled, got out of bed, spread the quilt on the ground, and then lay on it. The wind slept soundly.

Early the next morning, Yue Feng and Lolita were called by Du Men to the study.

"My good granddaughter!"

After arriving, Du Men stood up with a smile and said to Lolita: "From today, I will hand over all the family business to you, don't live up to my expectations! "

Lolita nodded: "Don't worry, Grandpa, I will work hard!"

Saying that, Lolita tilted her head and glanced at Yue Feng: "Go out!" What grandfather said is all about the family business. He is a son-in-law who comes to the house, how can he be qualified to listen here?

"No, no..."

As soon as he finished speaking, Du Men waved his hand: "He is your husband, his own person, and Yue Feng will help you with family affairs in the future."

Lolita's face was full of displeasure . : "Grandpa, he will cause trouble if he goes out, how can he help?"

Lolita became furious when she thought about how Yue Feng forced herself to call her husband last night.

Chapter 3264

Haha...

Looking at Lolita's expression, Yue Feng laughed secretly.

This Lolita is really interesting, and she hates herself because of what happened last night.

At this time, Du Men smiled and said, "Okay, alright, the family doesn't need to see outsiders like this." After speaking, Du Men explained the situation of the family business in detail.

What the hell!

At this moment, learning about the situation of the Dumen family, Yue Feng couldn't help being secretly surprised.

The Duman family is involved in many industries, such as fish market, wine brewing, and even a grape plantation of several hundred hectares. It can be said that the industry is strong.

It's just these years, with Dumen's old age, these industries are a little downturn.

"Master!"

Just as he was talking, a servant suddenly ran in, sweating profusely: "Something happened to the grape plantation. There was a fire in the plantation last night, and a lot of grapes were destroyed."

What?

Hearing this, Dumen and Lolita were shocked.

The grape plantation, one of the largest properties of the Duman family, was destroyed by fire overnight, with immeasurable losses.

Soon, Lolita reacted and said, "I'll take a look!" She is now at the helm of the Dumen family. If something goes wrong, of course she's going to take a look.

The voice fell, and Lolita walked out of the study, preparing to rush to the grape plantation.

Yue Feng quickly followed.

"What are you doing here?" Lolita couldn't help frowning.

Yue Feng smiled and said, "I'm also a member of the Dumen family now. If such a big thing happens, of course I want to go and see it with you."

Lolita frowned and didn't even think about it: "No need.!" The

voice fell, and he took the unicorn car directly and drove out of the manor.

Uh!

At this moment, Yue Feng was speechless. It seems that this Lolita has never regarded herself as her own.

However, Yue Feng didn't care, and asked the servant next to him, ready to walk to the grape plantation.

Crunch!

After leaving the manor, before walking far, I heard a brake sound behind me, and I saw a gorgeous unicorn car parked on the side of the road. Immediately afterwards, two

big men walked over quickly and looked at Yue Feng up and down: "Are you Yue Feng?"

"Someone asked you to go up and talk."

“Come with us!”

Wind on the unicorn car.

call!

After getting on the unicorn car, Yue Feng was stunned when he saw the scene inside.

I saw a sexy and enchanting figure sitting quietly inside, wearing a long burgundy dress, which set off that perfect figure and graceful beauty, but there was a cold aura all over his body.

It is the leader of the Blood Hand Organization, Olina.

Opposite Olina, a middle-aged man stood respectfully.

“Mr. Yue Feng, it’s really you!”

At this moment, seeing Yue Feng, Olina was overjoyed and took Yue Feng’s hand very excitedly.

Half a month ago, Yue Feng was forced to fall off a cliff by Roston led by Roston in Arendis. When she learned of the situation, Olina was very annoyed and scolded Roston fiercely. They sent people to search around the cliff, but they couldn’t find any trace of Yue Feng.

Olina realized that Yue Feng might have escaped from Arendis, so she kept sending people to inquire about it.

Just yesterday, Olina learned that the Dumen family in Pearl City held a wedding, and the groom was named Yue Feng. When she got the information, Olina immediately rushed to Pearl City, but she didn’t expect that there would be a I met Yue Feng.

Chapter 3265

Call!

Feeling Olina’s enthusiasm, Yue Feng looked indifferent and said with a smile: “Long time no see, Olina.”

“I’ve been looking for news about you recently, I’m really afraid something happened to you.” Olina smiled. respond.

Hearing this, Yue Feng smiled and said nothing.

He knew in his heart that Olina was so excited that she was not really worried about her own safety, but was thinking about the antidote of the magic pill.

After a brief chat, Yue Feng looked at the middle-aged man next to him: "This is..."

Before he could finish speaking, the man hurriedly said: "My name is Kunning, and I'm a small attendant of Miss Olina. "

Little follower!

Hearing this, Yue Feng nodded. At this time, Olina couldn't help but said: "Mr. Yue Feng, I heard that you joined the Dumen

family. Is this true?"

is complicated.

You must know that this Yue Feng was a royal knight of the Principality of Tianxing before, and his status was very noble, but now he is married to a small Dumen family and became a door-to-door son-in-law. It is incredible.

Yue Feng smiled: "What? Isn't it bad to be married?"

"No, no, it's good!"

Olina shook her head quickly, then pointed to Quentin and introduced: "This Kunning is the biggest winemaker in Pearl City. Shang, since Mr. Yue Feng stayed in Pearl City, maybe he can help you in the future."

After speaking, Olina instructed Kunning: "This Mr. Yue Feng is my most important friend, and he will be my most important friend in the future. If you have any orders, you must do your best, you know?"

"Understood, I understand!" Kunning nodded again and again, shocked at the same time.

As the leader of the Bloody Hand Organization, Olina is very cold and arrogant. She has never heard of any friends, but at this time, she is so complimenting the person in front of her, which shows that this person is extraordinary.

Thinking to himself, Kunning bowed ninety degrees to Yue Feng: "Mr. Yue Feng, please give me more advice in the future."

Yue Feng didn't take Kunning's words to heart, he just nodded and smiled.

After chatting for a while, Yue Feng and Olina said goodbye.

.....

On the other side, on the outskirts of Pearl City, the wine plantation of the Duman family.

At this moment, Lolita stood in the plantation with her mouth full, looking at the scene in front of her, her delicate face was extremely ugly.

I saw that the plantation that was supposed to be fruitful was filled with thick smoke at this time. Although the fire had been extinguished, hundreds of hectares of grapes had been burned.

Seeing this scene, Lolita was distressed and annoyed.

Hundreds of hectares of grapes were completely destroyed, and this time the family lost a lot.

“Oops!”

At this moment, a yin and yang strange voice came from not far away: “It’s all burned down, it’s such a pity.”

Shuh!

Lolita looked back immediately, her brows furrowed, and there was a bit of anger in her eyes.

I saw that Maddie, surrounded by several subordinates, swaggered over and was brutally beaten by Yue Feng yesterday. At this time, Maddie’s face was not healed, but he still couldn’t hide his pride.

“Lolita!”

When they got to the front, McGrady looked at Lolita up and down and said with a smile: “I just got married yesterday, and today I will take over the family business? Such a big burden falls on a delicate woman, alas, it is really pitiful.”

McGrady His gaze made Lolita very unhappy.

“Shut up!” Lolita’s pretty face was cold and frosty, and she shouted coldly: “Maddy, don’t talk sarcastically here. Let me ask you, my grape plantation suddenly caught fire last night, does it have anything to do with you?”

This Maddie must be reported. Yesterday, he was beaten by Yue Feng and lost face in public. He will definitely not swallow this breath, so the fire in the plantation must be related to him.

Maybe it was the fire that he secretly instructed his men to set.
