

The ultimate husband in Chinese chapter 3266-3270

Chapter 3266

“Lolita!”

Maddie looked displeased: “This is your fault, I heard that your grape plantation was on fire in the morning, I kindly came over to take a look, but I didn’t expect you to say it was me. The ghost.”

When he said this, Maddie looked serious, but there was a slyness in his eyes.

Lolita guessed right, the plantation was set on fire by Maddie’s orders, and this time he came here to see the joke.

Seeing Maddie’s serious look, Lolita was suspicious.

“Lolita!”

At this time, Maddie took a step forward: “I heard that your Dumen family signed a cooperation agreement with Mr. Kunning’s winemaking company a few months ago, and will provide them with grape raw materials for winemaking in the future. There was a fire last night, and all the grapes in the plantation were destroyed. When the time comes, your Dumen family can’t pay it, but it will be considered a breach of contract.”

Hearing this, Lolita’s pretty face changed, and she said coldly: “You What do you mean?”

At this time, Lolita’s expression was calm, but her heart was a little flustered.

Because McGrady said it well, the Dumen family did sign a cooperation agreement with the winery company in Kunning, and provided the winery company with a lot of grape raw materials for winemaking every year.

There was a fire in the plantation last night, and the grapes that were about to ripen were completely burnt. In a few days, the Duman family will deliver the raw materials. They will not be able to get them by then, but they will have to pay a huge amount of compensation. Maddie

showed a smile and said to Lolita: “Lolita, don’t be so indifferent to me all the time. I’m here this time because I really want to help you. We are friends from life.”

He continued: “I just got the news that Mr. Kunning from this brewing company will hold a private banquet in Pearl City at noon today. Maybe you have a chance to meet him.”

Phew!

Hearing this, Lolita's delicate body trembled, and she couldn't help but say, "Really?"

This chapter is provided by . Visit for daily update.

No matter how the fire started last night, it is already a fact that these batches of grapes were destroyed. If there is a chance to see Kunning I, explaining the situation, may be able to make the family lose less.

It's just that Kunning is a big man, can he see it easily?

Seeing that Lolita seemed to be moved, Maddie's smile gradually deepened, approached slowly, and continued: "In the past few years, our Maiwei family has cooperated with Mr. Kunning many times, and we are also friends. If you If you want, how about I take you to this private dinner tonight?" As

he spoke, Maddie watched Lolita's expression change.

To be honest, the McWay family and Kunning do cooperate, but they have only met McGrady a few times, so they are not friends. McGrady is doing this, just creating an opportunity to get along with Lolita.

Maddie thought about it, as long as Lolita attended a private banquet, he would get her drunk. As long as Lolita was drunk, he could do whatever he wanted.

Anyway, Du Men is already old, so there is no need to worry.

And Yue Feng, the son-in-law who came to the door, should not be taken seriously.

The thought of Yue Feng made Maddie angry, and his teeth itch with hatred. Maddie, at the wedding yesterday, he was humiliated by this Yue Feng in front of so many people. He must have revenge for this.

call!

At this moment, Lolita hesitated, bit her lip and said softly: "Will you help me introduce Mr. Kunning? Maddie, will you be so kind?"

Maddie shook her head and said solemnly: "Lolita, you Why don't you believe me? You forgot, our two families are long-term friends, and we have had other business dealings over the years. If your Dumen family is in a state of collapse due to the plantation being burned, our Maiwei family will also suffer."

"So, I'm helping you this time, and I'm actually helping myself." I

have to say that Maddie acted very similar, and his words were full of emotion and could not be refuted.

This...

Lolita pondered for a few seconds, and finally nodded: "Okay, I'll go to the party with you."

Haha... Hooked.

Seeing Lolita's promise, Maddie was instantly overjoyed, and hurriedly said: "It's getting late, it's not too late, let's go quickly! I'll wait for you in the car first."

Chapter 3267 The

voice fell, and Maddie got on the unicorn car not far away. Lolita directed at the attendants

around her: "You guys go home first, tell Grandpa about the situation, and say that I attended the banquet and then go home."

"Okay, miss!"

Turned around and left.

At this time, I saw Yue Feng approaching from a distance. After saying goodbye to Olina just now, Yue Feng hurried over.

Um?

At this moment, seeing the situation in front of him, Yue Feng was stunned.

I saw Lolita standing at the gate of the plantation, her delicate face showing a bit of exhaustion and helplessness, and not far away, a unicorn car was parked there, Maddie was sitting in the carriage, with a leisurely look on his face.

what's going on? How did Maddie come here?

Muttering in my heart, Yue Feng quickened his pace!

At this moment, when Lolita saw Yue Feng, she was a little unhappy: "Why are you here?!"

"I am also a member of the Dumen family now. If something happens to the plantation, I will come and see!" Yue Feng smiled. As he spoke, he immediately pointed to Maddie on the unicorn car: "What's the matter? Why is he here?"

At this time, Lolita was very upset, but she still told the situation and told In the end, Lolita said lightly: "I'm going to attend a private banquet with Maddie later, don't follow me, go back first."

Private banquet?

Hearing this, Yue Feng was stunned for a moment, and then he came to understand: "That guy Maddie's words are not credible at all, I advise you not to go!"

Mad, that guy Maddie, has been thinking about Lolita, and taking her to a private banquet at this time is definitely not a good thing.

"You don't need to worry about what I do." Lolita didn't listen at all. After saying this coldly, she walked towards the unicorn car.

To be honest, Lolita doesn't want to be with Maddie either, but for the sake of the family business, she can only apologise to herself temporarily.

However, in these situations, Lolita was too lazy to explain to Yue Feng, nor did she want to explain. What can an impulsive person know?

What the hell!

Feeling the indifference of Lolita, Yue Feng was very depressed.

The next second, Yue Feng chased after him: "If you have to go, how about I'll be with you?"

Lolita said impatiently, "Yue Feng, are you bothered or not? I said, I don't need you to take care of my business." The

voice fell, and when she was in front of the unicorn car, Lolita walked up quickly.

"Tsk tsk!"

At this time, Maddie in the car saw Yue Feng, with a proud and mocking expression on his face: "I said why Lolita didn't come up for a long time, it turns out that your son-in-law who came to the door is here."

"Lolita and I want to Talking about business, you can go home and eat soft rice, haha..." The

last word fell, and Maddie drove away quickly.

Nima!

Listening to Maddie's laughter, Yue Feng stood there, getting further and further away, very annoyed.

This Lolita is really a muscle, why don't you listen to your own advice?

Thinking to himself, Yue Feng quickly followed.

Chapter 3268

Half an hour later, Yue Feng followed the unicorn car to a private manor near the sea.

As you can see, this manor is very large and the scenery inside is beautiful. It is Kunning's private manor.

Because there is a private banquet in the manor today, there are many guards at the entrance, and guests need invitations to enter, which can be said to be heavily guarded.

At this moment, Yue Feng wanted to break in directly, but he held back. Yesterday at the wedding, Maddie was beaten up in public, and the city was full of trouble.

Thinking to himself, Yue Feng saw the weak deployment of the back door of the manor, so he quietly went over and slipped in without anyone noticing.

call!

Arriving in the manor, Yue Feng couldn't help taking a deep breath when he saw the situation in the front hall.

I saw that there were already quite a few guests in the hall, and each of them was a well-known figure, not only the dignitaries of Pearl City, but also many family representatives from other cities. At this time, the host Kunning hadn't arrived yet, so many guests gathered in twos and threes and were chatting and laughing.

Around, many servants walked around the hall with wine and fruit plates.

The whole front room was filled with a happy atmosphere.

Seeing this scene, Yue Feng couldn't help sighing secretly.

Unexpectedly, these nobles in Roland Continent would enjoy it quite a bit.

At this time, Yue Feng didn't know that the person who held this private banquet was Kunning, who had just met once.

With emotion in his heart, Yue Feng looked around and saw that Maddie and Lolita were sitting not far away, and immediately walked over without thinking much.

At this time, Lolita and Maddie were talking and didn't notice Yue Feng at all.

"Lolita!" Maddie flattered, holding a glass of wine, he smiled and said: "When Mr. Kunning appears, I will introduce you as soon as possible, don't worry, Mr. Kuning and I are old acquaintances. , he will definitely give me face!"

Lolita nodded: "That's good!"

Maddie's eyes flickered, and he said with a smile: "Lolita, if this matter is really resolved, how do you thank me? "

While speaking, Maddie's eyes were looking at Lolita recklessly. Maddie

's gaze made Lolita very unhappy, and she said lightly: "How do you want me to thank you?"

"

, after the banquet is over, you can stay with me..."

Shua!

Hearing this, Lolita's body trembled, embarrassed and angry.

At the same time, Yue Feng, who was standing in the back, felt a great fire in his heart. Mad, this Maddie was not too timid, and dared to make such a request to Lolita.

Thinking to himself, Yue Feng couldn't bear it any longer, and said coldly, "Lolita won't accompany you !

"

, couldn't help scolding, but seeing that it was Yue Feng, he swallowed the words behind.

Mad, is it Yue Feng?

At this moment, Maddie's eyes met Yue Feng's, and he couldn't help but fight a cold war. Thinking of being abused by Yue Feng at the wedding yesterday, Maddie was even more afraid.

But thinking of the environment here, Maddie suddenly regained his confidence, and mocked at Yue Feng: "Who do I think, it turns out to be your son-in-law."

When the voice fell, Lolita also reacted and frowned: "Yue Feng, why are you here?"
After speaking

, Lolita was very puzzled: "You didn't have an invitation post, how did you come in?"

Yue Feng was about to answer, but was directly interrupted by Maddie.

"Is there any need to ask?" Maddie sneered and sneered: "I think he sneaked in when no one was paying attention!" This is Mr. Kunning's private banquet, and Yue Feng is just a door-to-door son-in-law. Eligible to participate?

Lolita bit her lip tightly, her face was very ugly, she frowned at Yue Feng and said, "Go back quickly!"

Chapter 3269

This is Mr. Kun Ning's private banquet, and the people who come to attend are all prominent figures in Pearl City, and Yue Feng acts impulsive, so he can't be embarrassed here.

"Why should I leave?" Yue Feng replied without thinking, his tone unquestionable.

Saying that, Yue Feng glanced at Maddie: "He doesn't really want to help you at all. You should know what his purpose is. I don't think we need to attend this banquet. Come home with me."

Lolita was tight. Biting his lip, he was anxious and angry, but he didn't know how to refute.

"Haha..."

At this time, Maddie couldn't help laughing, and taunted Yue Feng: "Yue Feng, you said I wouldn't help Lolita, do you have the ability to help her? Apart from fighting fiercely, if you can eat soft rice, what else can you do?"

Maddie's laughter caught the attention of everyone around him, and many people looked over and pointed.

"Hey? Isn't this the son-in-law of the Dumen family?" "I heard that the eldest lady of the Dumen

family married a poor boy, so it turned out to be him."

The dung is on..." The

crowd's discussion came, and Lolita's delicate face was instantly difficult to look at.

This Yue Feng, let him go or not go, and now it's okay, the entire Dumen family's face has been thrown away by him.

Yue Feng was indifferent, and whispered to Lolita: "Lolita, let's go back!" After the voice fell, Maddie couldn't help taunting: "Okay Yue Feng, I'll bring Lolita to talk. Seriously, don't be ashamed here."

This idiot!

Yue Feng frowned and was about to speak.

Whoa!

However, at this time, the crowd suddenly became restless, and then, a middle-aged man walked in slowly.

It is Kunning!

When they saw Kunning, the people around them quickly gathered around and greeted each and everyone nicely.

"Mr. Kunning!"

"Haha, Mr. Kunning has finally appeared!"

"Mr. Kuning is really spirited today..."

The families present all have their own grape plantations, and Kunning has the largest vineyard in the entire Crescent Principality. It can be said that the brewery is like the God of Wealth, so it is natural to have a good relationship.

At this moment, Maddie also put on a smile and hurriedly greeted Kunning: "Haha, Mr. Kunning, we meet again."

Compliments resounded throughout the hall.

Only Yue Feng stood there indifferently, as if the scene in front of him had nothing to do with him.

"I'm sorry everyone!"

Facing the enthusiasm of everyone, Kunning smiled: "I have something to do just now, it's too late!"

Just as he was talking, Kunning's eyes fell on Yue Feng, and his heart was shocked, and then he was shocked. walked over.

At this time, Kun Ning was very surprised. This Mr. Yue Feng, who was Olina's friend, suddenly came to his private banquet, and was really flattered.

Um?

Seeing this scene, both Maddie and the others around were stunned.

what's going on? Does Mr. Kunning know this door-to-door son-in-law?

"Sir, I didn't expect to see you here."

At this time, Kunning came to the front, very attentive shook hands with Yue Feng, and spoke with great excitement.

Chapter 3270

This...

At this moment, everyone around is completely dumbfounded. "Isn't this kid the door-to-door son-in-law of the Dumen

family?"

"Yes, how did he know Mr. Kunning?"

"Could it be that this door-to-door son-in-law has another identity?"

Rita was also stunned, staring at Yue Feng, speechless.

What is his relationship with Mr. Kunning?

"Yue Feng!"

Finally, Lolita reacted and couldn't help but ask Yue Feng, "Do you know each other?"
As the

voice fell, Kunning hurriedly said, "This beautiful lady is Lolita, I am. And..." He wanted to say that he knew each other, but halfway through, he was stopped by Yue Feng with his eyes.

"I'm an unknown pharmacist, how can I know Mr. Kunning?" Yue Feng said with a smile: "I think this Mr. Kunning is the wrong person."

When he said this, Yue Feng had a face on his face Seriously, at the same time secretly winked at Kunning.

Kunning is a smart person, and it was immediately obvious that Yue Feng didn't want to reveal his identity, so he patted his forehead and smiled awkwardly: "Oh, this gentleman is right, it seems that I have identified the wrong person.

", Kunning smiled modestly at Yue Feng: "I'm sorry, you are very similar to one of my former friends."

Phew!

Seeing this scene, everyone around couldn't help but breathe a sigh of relief.

After a long time, it turned out that Mr. Kunning recognized the wrong person, and thought that this son-in-law who came to the door had nothing to do with Mr. Kunning.

At the same time, Lolita recovered and looked a little lost.

I thought that Yue Feng and Kunning knew each other. If that happens, if the botanical garden is destroyed, there is no need to worry about paying Kunning liquidated damages. Unfortunately, it is just a misunderstanding.

And Maddie, who was standing aside, couldn't help but sneer.

It turned out that Kunning had mistaken the wrong person, Mad, who was really taken aback just now.

Thinking to himself, Maddie couldn't help but flattered Kunning: "Mr. Kunning, this kid is the son-in-law of the Dumen family, a man who eats soft rice, there is no need to tell him too much! By the way, this kid may be It was sneaked in. Let the guards chase it out."

Hearing this, the eyes around him suddenly converged on Yue Feng.

This guy came uninvited and would definitely be driven away by Mr. Kunning.

However, Kunning ignored McGrady.

"This gentleman." Kunning looked at Yue Feng with a smile: "Being able to recognize the wrong person by me also proves that the two of us are destined. If you don't mind, how about we make friends?"

Kunning said this, A polite face.

Just kidding, this Yue Feng is Olina's friend, and even if he has ten courage, he doesn't dare to blast him out.

What?

Hearing this, whether it was Maddie or everyone around him, they were all dumbfounded.

Mr. Kunning, actually took the initiative to make friends with this son-in-law who came to the door?

Hmm...

Yue Feng pondered for a while, and said indifferently: "I don't like to make friends, but Mr. Kunning is so enthusiastic, then let's make friends!"

This....

At this moment, the expressions on the faces of the people around them were extremely wonderful.

This kid is crazy, Mr. Kunning took the initiative to make friends with him, and he was still reluctant.

"It's great."

Kunning looked very happy, and quickly asked the narrator's maid to bring two glasses of wine, and said to Yue Feng, "I'm really happy to have a friend like Mr. Yue Feng today, come, let's Let's have a drink together!"

Yue Feng nodded and touched the glasses with Kunning.

call!

At this moment, the expressions of the surrounding people changed one by one, and there was jealousy and envy in the eyes of Yue Feng.
