

## The ultimate husband in Chinese chapter 3301-3310

### Chapter 3301

However, Yue Feng looked indifferent and didn't take it seriously at all.

"Today, I'm going to take your lives to pay homage to the dead soul of the old man Du Men. If you die, you will die for me !

"

Summoned, a blood-red ray of light swept out to meet more than a dozen elite killers.

"Ah!" A

dozen elite killers were instantly shrouded in blood-colored light, screaming constantly, blood sprayed, and the last one fell from the air and fell into a pool of blood.

For a time, only Moloch was left in the entire hall!

hiss!

Seeing the scene in front of him, Moloch couldn't help gasping for air, and he was completely shocked.

What is the origin of this door-to-door son-in-law, and his strength is so terrifying!

At this time, Yue Feng held Fang Tianhua halberd tightly, his eyes locked on Moloch, and his tone seemed to come from hell: "It's your turn, tell who the employer is, and I'll give you a treat!"

"Ha ! Haha..."

Feeling Yue Feng's cold arrogance, Moloch smirked: "Okay, very good, since I established the Temple of All Living Beings, no one has ever dared to talk to me like this, you are the first, you want My life, I'm afraid I don't have this ability!" The

voice fell, and Moloch burst into holy power!

hum!

This chapter is provided by . Visit [for](#) daily update.

In an instant, Yue Feng clearly felt that a terrifying aura erupted from Moloch's body and instantly filled the entire hall!

Nima!

Yue Feng's face changed, and he stared at Moloch, secretly shocked.

This Moloch turned out to be the strength of the Holy Emperor.

After staying in the Roland Continent for nearly two months, Yue Feng knew clearly that the cultivation strength in this world was divided into five realms, namely the Holy Teacher, the Holy King, the Holy Venerable, the Holy Emperor, and the Holy Spirit.

In Yue Feng's cognition, it is already very remarkable to be able to reach the Holy Venerable. After all, in the Principality of Tianxing before, the royal knight Wick was the realm of the Holy Venerable.

And Moloch in front of him turned out to be the Holy Emperor!

"Kacha!"

Just when Yue Feng was secretly shocked, he saw Moloch raised his hand and waved, and a pitch-black scepter appeared in his hand.

This black scepter, which seems to be cast from a special metal, has a white skull at the top, which looks very evil.

Seeing Moloch's black scepter, Yue Feng's eyes flickered with disdain.

He owns the Fang Tianhua halberd, and he doesn't care about any weapon in the Roland Continent.

hum!

Moloch didn't talk nonsense. After summoning the black scepter, he charged directly towards Yue Feng.

Bang bang bang!

Yue Feng did not hesitate, his figure flashed, and he rushed forward. In the blink of an eye, he was in a fierce battle with Moloch!

I saw the figures of the two of them, in the hall, constantly shuttled back and forth. At first, Moloch was very confident, but gradually he was horrified to find that the son-in-law who came to the door in front of him obviously did not have a trace of holy power, but his whole body was filled with The breath made him almost breathless.

A few minutes later, Moloch was completely anxious and roared: "Good boy, it seems that I really underestimate the enemy, but you are definitely not my opponent!"

Om!

The voice fell, Moloch raised his hand fiercely, raised his scepter, and in an instant, a sinister power crazily spread from his body. Immediately afterwards, a black mist filled the air and enveloped the entire hall.

In the black fog, Moloch's expression was ferocious, like a ghost.

Um?

Seeing this scene, Yue Feng's face changed, and while he was shocked, he was also extremely puzzled.

A familiar evil force.

Yue Feng clearly remembered that in the mainland of Kyushu, at that time, King Guangping and Jie De were controlled by the Hades of the ghost world, and they practiced Yin Evil Techniques one by one.

But... this is Roland Continent, another world, how can this guy in front of him have the power of Hades?

Chapter 3302

"Boy, go to hell!"

Just when Yue Feng was secretly surprised, Moloch howled, holding the black scepter tightly, like a ghost, coming straight towards Yue Feng.

Under the blessing of the evil aura, Moloch's speed was almost twice as fast as before.

In the blink of an eye, Moloch was in front of Yue Feng.

What a great speed.

Yue Feng was taken aback and had no time to dodge, so he had to hold Fang Tianhua halberd in front of him.

boom!

At this moment, the black scepter and Fang Tianhua halberd collided fiercely. Yue Feng clearly felt that a powerful force erupted, and the whole person trembled, and was directly knocked back ten meters away.

Nima!

Yue Feng quickly stabilized his figure and stared at Moloch, terrified.

This guy broke out the power of Yin evil, and his strength has been doubled. Fortunately, he has internal strength to protect his body, otherwise, he will be disabled even if he does not die.

“Hahaha...”

At this time, Moloch was indescribably proud, and there was also a bit of contempt in his eyes: “With this little strength, you still want to kill me? If you don’t blow your bones to ashes today, I won’t be. Moloch.”

Moloch’s eyes were full of madness when he said this.

In Moloch’s heart, the son-in-law who came to the door before him, although he had just killed Leng Feng and more than a dozen elite men, was very powerful, but he was not his opponent.

“Really?”

Feeling Moloch’s arrogance, Yue Feng chuckled and said lightly: “You are indeed very strong, but I tell you, what you saw just now is not my true strength!”

Om!

The voice fell, Yue Feng slowly raised his right hand, and saw a pure black bead slowly emerge.

It is the Chaos Yangzhu.

Chaos Yangzhu is an innate treasure before the division of heaven and earth, restraining all evil spirits.

What is this?

Seeing Chaos Yangzhu, Moloch frowned and was very puzzled. At the same time, he also had a bad feeling in his heart.

Yue Feng didn’t talk nonsense, he directly stimulated the power of Chaos Yangzhu, and then merged with Bailian cold fire to form a white fireball, which suddenly smashed towards Moloch.

hum!

In an instant, wherever the white fireball passed, the air burned with it.

Moloch was shocked, and quickly took the black scepter to resist.

“Boom!...” The

white fireball slammed on the black scepter in an instant, and a powerful roar was heard. Then, Moloch screamed, a mouthful of blood spurted out, and his body shook out and slammed into the hall door.

At the same time, the black scepter in his hand was also completely burnt.

Moloch’s evil power is terrifying, but in the face of a nemesis like Chaos Yangzhu, it can’t be stopped at all.

laugh.

Yue Feng did not give Moloch a chance to resist, and at the moment when the white fireball disappeared, he waved Fang Tianhua halberd violently, and saw a blood-colored light, like lightning, coming towards Moloch!

Moloch didn’t have time to dodge at all. This \*\*\*\* light directly penetrated his right shoulder, dripping blood, and it was terrible.

hiss!

When the pain came, Moloch couldn’t help taking a breath of cold air. Looking at Yue Feng’s eyes, he lost his previous cold and arrogance, but showed panic.

Who is he? The strength is so terrifying!

At this time, Moloch did not dare to continue fighting, and raised his hand and slapped it on the pillar at the door. He used all his strength for this palm!

Chapter 3303

Wow!

In the battle just now, the castle hall was already crumbling. At this time, Moloch broke the pillar and could no longer support it.

And Moloch took this opportunity to turn around and run.

When Yue Feng rushed out of the dust and smoke, he saw that Moloch had disappeared without a trace.

Nima!

At this time, Yue Feng clenched his fists tightly, his face extremely ugly.

I thought that after defeating Moloch, I could ask him who the employer was, but I never thought that this guy was so cunning that he collapsed the castle and then took the opportunity to escape.

However, Yue Feng didn't get anything.

This Moloch actually knew Pluto's evil exercises, which must have something to do with Yanhong. You must know that Abel first devoured Pluto's power, and at the peak of Kunlun, Yanhong devoured Abel's power.

After that, Yan Hong, Miao Ying, and Yue Feng were both involved in the chaotic vortex, and were then teleported to the Roland Continent.

Therefore, the evil power of this Moloch must come from Yanhong.

Thinking of this, Yue Feng immediately returned to Pearl City to find Olina.

The Roland Continent is too big, and it is difficult to trace Moloch's whereabouts by relying only on himself, so he can only rely on Olina's bloody hand organization.

...

At this moment, the Maiway family!

Maddie sat in the hall, his face was calm, but his heart was secretly anxious.

Leng Feng from the Hall of Living Beings said that as long as Yue Feng returns to Pearl City, he will be killed within half a day. And now, Yue Feng has returned to Pearl City for a day, and there is no news of being assassinated.

Could it be that there was an accident in the assassination of the Hall of Living Beings?

The more Maddie thought about it, the more anxious he became. At this time, he did not know that the main altar of the Hall of Living Beings had been leveled by Yue Feng, Leng Feng had been killed, and the leader Moloch had fled.

No, I can't wait for news!

With a murmur in his heart, Maddie called his confidant Jacka over.

Jackie is the housekeeper of the McWay family and the person McGrady trusts most. In the Maiwei family for more than ten years, he is very loyal to Maddie.

Entering the hall, Jacka respectfully said, "Master, do you have anything to do with me?"

Maddie took a deep breath and asked in a deep voice, "What's the situation with the Dumen family now?"

Jacka smiled and responded: "That Dumen The old thing is dead, and now the entire Dumen family is busy arranging the funeral? Why did the young master suddenly ask this?"

Hu!

Maddie nodded silently and exhaled: "It's nothing, by the way, I asked you to monitor Manxiong's situation for the past few days, how is it?" male.

"Young master!"

Mentioning Manxiong, Jacka's face instantly became solemn, and he said slowly: "I have been secretly sending people to watch, which is strange, Manxiong has not come to Pearl City these days, nor has he robbed anywhere. Just yesterday, a lot of subordinates were dismissed, and then he left with a few cronies!"

Left?

Hearing this, Maddie was stunned for a moment. A dignified and dignified bandit leader turned out to be a good person?

Could it be because of Yue Feng?

Thinking of the night a few days ago, he was threatened by Yue Feng and Man Xiong, and he signed the letter of shame, and Maddie's heart filled with endless resentment.

Under the resentment, Maddie's eyes flickered, thinking of something, and asked: "Are any of Man Xiong's dismissed subordinates in Pearl City?"

Jacka thought for a while, then scratched his head and said: "There seems to be one, called Amon, who has changed his identity. Working in the fishing port."

Maddie nodded, a hint of gloom on the corner of his mouth, and said slowly: "Jacka, I'll give you a task now, use money to pay for this man named Amon, then at Dumen's funeral, I will It's going to be a good show!"

When he said this, Maddie's eyes were full of gloom.

There has been no news from the Hall of Living Beings for a long time, and it is temporarily impossible to count on it. It's up to you now.

Chapter 3304

“Okay, young master, I’ll do it now!”

Jacka responded quickly, then walked out of the hall quickly.

...

the other side.

Crescent Principality, Eagle Castle!

Eagle Fort, located in the southernmost part of the Crescent Principality, surrounded by mountains and mountains, is a border town.

Today’s weather is good, the wind is sunny, and the streets of Feiyingbao are full of pedestrians, a bustling and lively scene.

The guards at the gate of the city gathered together in twos and threes, chatting and bragging there, which was very pleasant.

Wow wow wow...

But at this moment, on the mountain road outside the city, there were bursts of strange noises.

“What’s the sound?”

“Come up to the city tower!”

The guards who were chatting and bragging when they heard the sound became alert one by one, and they boarded the city gate one after another and looked out of the city.

hiss!

At this moment, the guards present couldn’t help gasping for air.

I saw that on the mountain road outside the city, a large army was coming quickly. There were tens of thousands. The uniform bright-colored armor, the position of the heart, embroidered with the shape of the sun, was the elite of the Principality of Zuri.

“This...”

“The Principality of Zuri is calling!”

Seeing the situation in front of him, the guards present were inexplicably panicked.

Half a month ago, the Principality of the New Moon attacked the Sunset City of the Principality of Sunrise, and suffered a disastrous defeat. I wanted to recharge my batteries, but I didn't expect that the Principality of Sunrise came over first.

"It's not good, the Principality of Zuri is coming, hurry up and gather!" In a panic, the guards of Flying Eagle Fort shouted loudly.

Whoa!

In an instant, it was the lively Feiyingbao Street. The people ran in panic, the shops closed one after another, and there was a tense atmosphere in the air.

Immediately afterwards, thousands of guard soldiers quickly assembled, and at the same time, the city lord Harun quickly arrived.

Harlan is about forty, the realm of strength and sainthood.

At this moment, Harlan climbed the tower and saw the situation outside the city, his face was extremely solemn.

It was seen that the army of the tens of thousands of Sun-Zhi Principality had already arrived under the city gate, and the commander-in-chief headed by them was the lord of Sunset City, Abel.

"Abel!"

Seeing Abel, Harlan couldn't hide the contempt in his eyes, and shouted: "We attacked Sunset City before and let you win by luck. Now you dare to violate my border. Have you thought about the consequences?"

"The environment of the fort was complex, and it was easy to defend and difficult to attack. Although there were only a few thousand guards, Harlan did not take Abel's army of tens of thousands in his eyes.

"Haha!"

Hearing this, Abel looked up to the sky and laughed, and the holy energy all over his body exploded and rose into the air.

In the next second, Abel stared at Harlan and said coldly, "Harlan, I know that Eagle Fortress has a strong defense, but it can't stop us. Let me tell you, our Crescent Principality is under the care of the goddess of light, united by the goddess of light. The mainland is God's will, if you are wise, open the door and surrender immediately!"

What?

Hearing this, Harlan was shocked. Goddess of Light wants to help the Crescent Principality to unify the entire continent?

How is this possible?

Thinking to himself, Harlan couldn't help laughing loudly: "Abel, is your brain...what?"

Before he could finish speaking, Harlan was completely stunned when he saw the scene in front of him.

Not only that, many guards around Flying Eagle Fort also stayed where they were.

I saw that in the mid-air behind Abel, a slender figure was quietly suspended, dressed in a long white dress, with delicate facial features, beautiful and refined, and an air of immortality permeated his body.

It was Miao Ying.

quiet!

Chapter 3305

For a time, the entire Flying Eagle Fort was dead silent.

Really...really the goddess of light.

At this time, neither Harun nor the guards of Flying Eagle Castle doubted Miao Ying's identity, because when the New Moon Principality attacked Sunset City, it was about to win a big victory. At that time, Miao Ying suddenly appeared and attacked Killed the commander at the time and defended Sunset City.

This matter, at that time, spread throughout the Crescent Principality.

"Harlan!" At this moment, Abel

couldn't hide his pride and shouted: "Open the city gate and surrender quickly, are you going to go against the wishes of the goddess of light?"

At this time, Abel was indescribably excited. .

Although this Miss Miao Ying is a fake goddess of light, but with this extraordinary temperament, even if the real goddess of light comes, it is difficult to distinguish. With her present, the army of the Principality of the Sun has already won in terms of momentum.

call!

Hearing this, Harlan reacted, took a deep breath and said: “The king of the Sun-Zhiking Principality, but a mediocre monarch, how can the entire continent be unified, the goddess of light is really confused!”

Abel’s face changed: “Dare to blaspheme the light. Goddess, you are courting death!”

Om!

When the voice fell, Abel pulled out his broad sword, and the holy power exploded, thinking of Harlan rushing directly.

Not to be outdone, Harlan fought Abel in midair.

Bang bang bang...

I saw that the two of them were in the air, constantly shuttled to each other, and bursts of breath vibrations erupted.

Seeing this scene, the soldiers on both sides were extremely nervous.

In the blink of an eye, more than ten minutes passed, and neither Abel nor Harlan could do anything about the other. Speaking of which, the two were of equal strength, and it was difficult to tell the winner in a short period of time.

“Respected Highness Goddess of Light!”

At this time, Abel was a little anxious, and shouted at Miaoying: “This battle is very important, and please help Your Highness Goddess!”

Seriously, I really want to explode with all my strength. If so, Abel could also defeat Harun, but the price was too great. And Miss Miaoying is so powerful that it is better to let her help.

More importantly, when the ‘Goddess of Light’ made a move, it was even more intimidating, and the Principality of Ziri was also famous this time.

Um!

Hearing the call, Miao Ying bit her lip lightly and responded.

The next second, Miao Ying raised her hand, and the spiritual energy of heaven and earth quickly condensed, and then formed a dazzling light, directly thinking of Harun bursting out.

To be honest, Miao Ying didn’t want to take action herself, but since she promised the king of Zuri Principality, she couldn’t care less.

boom!

This dazzling ray of light was like a lightning bolt, and Harun couldn't dodge at all. The whole person was directly shaken, flying a few hundred meters, and smashed into the street of Flying Eagle Fort, sprayed with blood, and died tragically on the spot.

What? !

Seeing this scene, the thousands of guards in Flying Eagle Fort trembled.

Lord City Lord, was this a trick?

This...is this the strength of the Goddess of Light? so horrible!

At the same time, the many people hiding in the Flying Eagle Fort were completely stupid at this time.

"Long live the goddess!"

"Long live, long live..."

At this moment, the army of tens of thousands of Sun-Zhi Principality couldn't help cheering, and the momentum was overwhelming.

"The soldiers of Eagle Castle and the people listen!"

At this moment, Abel leaped over the city gate and shouted: "His Royal Highness the Goddess of Light, fully support the Crescent Principality, you have all seen it, don't disobey the wishes of His Highness the Goddess, let alone make senseless resistance."

Hearing

this, nearly 10,000 soldiers guarding the Eagle Fort lowered their heads and gave up their resistance. Then the gate was opened.

Whoa!

For a time, tens of thousands of the Principality's army, incomparably excited, poured into the Eagle Fort like a tide!

## **The ultimate husband in Chinese chapter 3306-3310**

less than a day, the goddess of light helped the Principality of Ziri to break the Flying Eagle Fort, which spread all over the Roland Continent at once.

In an instant, in addition to the Sunrise Principality, enormous pressure shrouded the other five principalities.

The goddess of light is so favored by the Principality of Zuri, how can this be fought?

...

on the other side, Pearl City.

Duman family.

Today's weather is gloomy, just like the mood of everyone in the Dumen family.

Yes, Dumen's funeral will be held today.

At this time, the hall of the Dumen family's manor was filled with white flowers, and there were hundreds of mourning guests standing around.

Du Men was a prominent figure in Pearl City. For his funeral, all the major families in Pearl City came to attend, and even the city lord came in person.

In front of the crystal coffin in the center of the hall, Yue Feng, dressed in a black long gown, stood there quietly with a filial piety wrapped around his cuffs, with a sad expression on his face.

After making a riot at the main altar of the Hall of All Living Beings, Yue Feng immediately found Olina and asked her to track down Moloch's whereabouts and at the same time track down the mastermind behind the assassination and blocking the door.

However, a day has passed, and there is still no news from Olina.

Beside Yue Feng, Lolita was wearing a long black dress and her eyes were red, which was pitiful.

The surrounding guests stood there one by one, mourning for the crystal coffin, and the atmosphere in the entire hall was indescribably heavy.

This chapter is provided by . Visit for daily update.

Whoa!

However, at this moment, the door of the hall was pushed open, and then, several figures walked in quickly.

The first one looked indifferent, but his eyes flashed with pride.

It was Maddie.

Woolen cloth?

Seeing Maddie, everyone present was stunned.

Why is the young master of the Maiwei family here? Last time, at the wedding of Lolita and Yue Feng, Maddie deliberately provoked trouble, but was tortured by Yue Feng. After that, the Mai Wei family withdrew from the industrial cooperation with the Dumen family.

It can be said that now the Maiwei family and the Dumen family have no relationship at all.

“Maddy!”

Finally, Lolita took the lead in reacting and said coldly to Maddie, “What are you doing here?”

Alas!

Maddie sighed and said hypocritically, “Lolita, although our two families have stopped cooperating, they were considered family friends before, and Mr. Du Men suddenly passed away. Is it wrong for me, a junior, to come to the funeral on purpose? ?”

Hearing this, Lolita was at a loss for words and didn’t know how to refute.

“Participate in the funeral?”

At this moment, Yue Feng took a step forward and stared at Maddie coldly: “I think you have another purpose?”

At this moment, Yue Feng was holding back his anger.

Du Men’s death is too suspicious. Although the employer has not been found in the Hall of Living Beings, it is not difficult for Yue Feng to guess that the person who hired the killer of the Hall of Living Beings is likely to be Maddie.

After all, during this time, Maddie suffered too much from Yue Feng.

“Yue Feng!” Maddie looked displeased: “What do you mean?”

Yue Feng sneered and asked Maddie, "Old man Du Men was killed by a hired killer, and I have already found out that the killer is The Hall of Living Beings, which has just risen recently, I would like to ask, does this have anything to do with you?"

Shuh!

At this moment, the eyes of the surrounding guests all converged on Maddie.

A few days ago, the Maiwei family withdrew from several industries that they had cooperated with the Dumen family, and word spread throughout Pearl City. The Maiwei family suffered a big loss, and then Du Men died, which is indeed worth scrutinizing.

Facing everyone's eyes, Maddie's eyes flickered, and then he sneered: "Yue Feng, you do good things yourself, but you want to blame me, you really do."

After speaking, Maddie looked around and shouted: "Ladies and gentlemen, this time, in addition to seeing off the old man Du Men, I also have to tear down the mask of this Yue Feng. The old man Du Men was actually killed by him!"

"

One after another!

Chapter 3307 Mr.

Du Men, was Yue Feng killed?

Yue Feng was extremely shocked.

Madd, this Maddie turned out to be the first to sue the villain?

Lolita was also trembling with anger, and shouted at Maddie: "Mady, don't talk nonsense, how could Yue Feng kill Grandpa?"

After getting along for the past few days, Lolita gradually understood Yue Feng, this man, act upright and aboveboard, definitely not a despicable villain.

"Haha!"

Maddie chuckled and said slowly, "Lolita, you were deceived by him, do you still remember that you were kidnapped by Manxiong before? It was all planned by him and Manxiong, and the purpose was to make you fight against him. He has a good impression." With

that, Maddie clapped his hand, and a man suddenly approached the hall.

The man was twenty-five or six years old, and there was a scar on his forehead, which made him look a bit fierce, but at this time he was submissive and restrained.

It is Man Xiong's former subordinate, Amon.

At this moment, everyone's eyes were focused on Amon.

At the same time, Yue Feng was also stunned.

This person seems to be Man Xiong's subordinate, why did he come with Maddie?

"Everyone, this person is the notorious Man Xiong's subordinate. He can confirm the specific situation." Maddie said loudly, a sinister smile appeared on the corner of his mouth.

"Not bad!"

Amon pointed at Yue Feng and said loudly: "It's him, I heard it with my own ears, he said to Boss Manxiong that he wanted to control the Dumen family, but the old man Dumen was a stumbling block and he had to be the first. Get rid of it!"

"Afterwards, he conspired with the Boss Manxiong, kidnapped Miss Lolita, and then acted as a hero to save the beauty in order to win Miss Lolita's trust.

" Trust, he will have no worries!"

When he said this, Amon looked serious.

Whoa!

Hearing this, the whole hall burst into flames.

Everyone's eyes were focused on Yue Feng, flashing with anger.

Haha...

Seeing this scene, Maddie's face was indifferent, but his heart was indescribably excited.

Half a day ago, Maddie bought Amon with a lot of money and asked him to slander Yue Feng. How could he be unhappy when the plan went so smoothly?

"You..."

At this moment, Lolita's delicate body trembled, and she turned her head to look at Yue Feng: "Yue Feng, is this... true?"

Yue Feng suddenly became anxious and shook his head: "Don't Listen to his nonsense!"

At this time, Yue Feng's anger was rising, and he never thought that Maddie would find Man Xiong's subordinates and slander him in public.

"Bullshit?"

At this moment, Maddie made a look of grief and indignation, pointed at Yue Feng and shouted, "You not only want to control the Dumen family, but you are also very ambitious to attract the attention of our Maiwei family.

"Maddie took out the letter written before, and said to the surrounding: "After Yue Feng and Manxiong colluded, they kidnapped me too, and forced me to write a letter, asking the Maiwei family to give up several items of cooperation with the Dumen family. Industry! This Amon can also testify."

"Yes!" Amon nodded: "I was there at the time, and it was Yue Feng and the boss Manxiong who forced Master Mai Wei to write the letter."

"Okay, it's true!"

At this moment, Yue Fengqi laughed and glared at him. He said to Maddie, "Mady, you are really good at it. I really underestimate you, but I tell you, you can't escape the death of Mr. Du Men."

Until this time, Yue Feng was more certain that he hired a killer to kill him. Du Men's is Maddie, otherwise, he wouldn't deliberately discredit himself.

Snapped!

As soon as the words fell, Lolita next to her suddenly raised her jade hand and slapped Yue Feng's face.

"Yue Feng, you bastard." Lolita's tender body trembled, her eyes were full of hatred and grief: "My grandfather is not mean to you, why did you do this? Why..."

She shouted the last sentence At the time, Lolita was almost insane.

Speaking of which, Lolita doesn't want to believe Maddie's words, but Man Xiong's subordinates have all come to testify, can it still be fake?

Chapter 3308

Yue Feng covered his face and looked at Lolita complicatedly, full of bitterness.

I thought that Lolita would believe in herself, but she didn't expect that she was also deceived by Maddie's conspiracy. After all, Lolita had no social experience and was too simple.

"Damn it!"

At this moment, the Pearl City Lord Seth, finally couldn't bear it anymore, he stood up, pointed at Yue Feng and shouted: "Well, you Yue Feng, we were almost deceived by you before, we Pearl City, the city of etiquette, the state of civilization, has a scum like you!"

"Bastard scum, take it directly, open trial!"

"Yes, such scum, it is not a pity to die!"

In an instant, all the surrounding guests, They also pointed at Yue Feng and cursed.

The loud scolding from the crowd came, Yue Feng clenched his fists tightly and locked on Maddie: "Mady, you know the truth better than anyone else, do you think you can cover up your ugly behavior by turning black and white?"

"I told You, the death of the old man Du Men, I must personally seek justice for him!"

At this time, Yue Feng was extremely emotional, and when he recalled Du Men's help to him, Yue Feng's heart couldn't help but tremble.

"Yue Feng!"

Maddie said with a smug look on his face, and said to Yue Feng with a faint smile: "You are still arguing? Manxiong's subordinates have said everything, I think you should give up."

"Just a The little pharmacist has become the son-in-law of the Dumen family. It is already a gift from God to you, and you? But you are not satisfied. Not only do you want to occupy the Dumen family's property, but also collude with the most evil tyrants to kill the old man Dumen. , people like you should be struck by lightning."

When he said this, Maddie had a look of resentment on his face.

Speaking of which, Maddie was a little nervous in the face of Yue Feng's anger, but thinking about the presence of so many people and the presence of the city lord, he regained his courage.

Swish!

Hearing this, Yue Feng's eyes were extremely red, and he walked towards Maddie step by step!

"Stop, you...what are you doing..."

Seeing Yue Feng approaching step by step, Maddie trembled, suddenly panicked, and his voice trembled.

too terrifying.

This Yue Feng's eyes, like a devil, are extremely terrifying.

"Crack!"

Yue Feng didn't talk nonsense. When he got to the front, he slapped him fiercely. This slap, he used all his strength. He heard a miserable howl from Maddie, and the whole person was forcibly fanned, and flew out of the hall directly, landing heavily on the ground.

"Pfft!" A

mouthful of blood spit out from Maddie's mouth. Before standing up, Yue Feng walked over quickly, raised his right hand, and slapped it slap after slap.

"Clap! Clap! Clap!"

The crisp sound made everyone stunned, but they never thought that Yue Feng would dare to attack Maddie in public!

At this moment, some of Maddie's subordinates wanted to rush up, but they could feel the momentum on Yue Feng's body, and they all felt inexplicable heart palpitations.

"Ma De, you dare to hit me? You're dead!" Maddie felt extremely humiliated by Yue Feng's slap in the face, howling, and wanted to get up.

However, Yue Feng did not give him any chance at all!

Not knowing how many slaps he slapped, Maddie's face was swollen like a pig's head, and Yue Feng stopped.

"I, Yue Feng, use my personality to guarantee that Du Men's death has nothing to do with me!" Yue Feng looked around the audience and said coldly, "Master Du Men is not mean to me, if I harm him, I will be struck by lightning!"

As for me forcing Maddie to write down the evidence, it is indeed a fact, but I am not trying to occupy these industries, but to help the Dumen family clear up potential threats.”

“As for this Man Xiong’s subordinate, it is true that I colluded with Man Xiong. It’s just his one-sided words, how can it become evidence?” The

words were loud and clear!

quiet!

At this moment, the entire Dumen Family Manor was silent, and everyone was silent.

“Yue Feng!”

Chapter 3309

After being silent for more than ten seconds, finally the lord of Pearl City, Seth, came out slowly, with a majestic look on his face: “Since you say you are innocent, then accept the investigation.”

Said, Seth waved He started: “Come here, take him down and put him in the guards prison! The trial will be open tomorrow.”

Phew!

Hearing this, Yue Feng took a deep breath, nodded and said, “I can cooperate with the investigation, but there is a requirement that this Maddie has a serious suspicion. If he wants to be imprisoned, he must be imprisoned together.”

At this time, Yue Feng, Very angry, Mad, what happened today, obviously he was slandered, but everyone present was bewitched by Maddie, and even the city owner believed that he was the murderer.

But no matter what, McGrady can’t be easily let go.

“Nonsense!”

Seth’s face changed and he scolded: “Are you the city lord, or am I the city lord? The biggest suspect in this matter is you, what is your relationship with Maddie?”

When he said this, Seth looked serious , but there is complexity and gloom in his eyes.

As the lord of Pearl City, Seth has a close relationship with the major families, especially the Mai Wei family, who have huge interests. How could it be possible to capture Maddie.

Hehe...

Hearing this, Yue Feng was stunned for a moment, and then he understood something.

Mad, the city lord helped Maddie to speak, and it seemed that he and the Maiwei family were on the same page. He thought he could handle it impartially, but it seemed that he thought too much.

At this moment, a man in the crowd came out, pointed at Yue Feng and shouted: "A son-in-law who comes to the house, a scum who eats soft rice, dares to negotiate conditions with the city owner, what do you think you are?" The

tone was mean, showing contempt, It was Matsuda.

Matsuda and Maddie have a good relationship in private. Just now, Yue Feng beat Maddie in public, which made Matsuda very annoyed.

Yue Feng sneered silently!

At this moment, everyone around him also shouted at Yue Feng. "A son-in-law who came

to the door openly attacked the young master of the Maiwei family. It is really lawless."

"This kind of scum, hurry up and arrest!"

"That is, we must give justice to Du Men!"

Stand there and don't panic!

At this moment, standing there, Lolita's delicate face was full of indifference, and her eyes flashed with grief and anger.

Like everyone else, Lolita also believes that Yue Feng is the most suspicious.

Seeing Yue Feng refusing to plead guilty at this time, Lolita felt extremely regretful in addition to being angry.

If I knew this earlier, I would never promise my grandfather to marry this bastard.

For a while, the atmosphere became more and more tense!

"Yue Feng!"

At this moment, a heroic figure walked over quickly, it was the captain of the guard, Thea.

When they got to the front, Thea said complexly to Yue Feng: "Don't be impulsive, let alone confront the city lord, first follow what the city lord said, don't worry, I will definitely help you find out the truth before you are publicly interrogated. "

When she said this, Thea was very anxious.

Thea is an honest person, and has no interests in the major families. It can be seen at a glance that the old man Du Men has many doubts, and Yue Feng was obviously framed by Maddie.

It's just that the city lord and the Mai Wei family have a close relationship, so they will naturally turn to Maddie. In this case, Yue Feng and the city lord will definitely suffer.

The relationship between Thea and Yue Feng is not close, but I don't know why, seeing Yue Feng being slandered, it is difficult for Thea to sit back and watch under the drive of justice.

"Thank you, Thea."

Yue Feng took a deep breath, glanced at Thea gratefully, and said slowly: "I understand your kindness, you should leave this matter alone, in this place, although I He has no status or status, but he has always acted upright, and he will never bow his head to any force!" The

words were firm and unequivocal.

Chapter 3310

Thea stomped her feet in a hurry, but didn't know how to refute.

This Yue Feng is really too stubborn.

"Yue Feng, you are so bold!"

At this moment, Seth, who had been sullen all the time, pointed at Yue Feng and scolded: "You want to openly confront the entire Pearl City?"

"Haha!"

Yue Feng chuckled lightly . With a bang, he responded: "City Lord, don't use these high-sounding reasons to oppress me. You want to cover up Maddie, just say it!"

"Sir City Lord." : "Yue Feng openly attacked me, and now he is so disrespectful to you, so arrogant, don't talk nonsense!" The

voice fell, Seth did not hesitate at all, and pointed at Yue Feng and howled: "All the guard soldiers listen to the order, Give me this Yue Feng!"

Whoa!

The voice fell, and the guard soldiers waiting outside the manor rushed in at once, hundreds of them.

These guard soldiers, responsible for the safety of Pearl City, belong to the direct command of the city owner, and they are not low in strength.

Seeing this scene, the guests present scattered far away.

"Yue Feng!"

At this time, Seth, with a gloomy face, said coldly at Yue Feng: "I will capture it immediately, if you dare to resist, you will be at your own risk!" The

voice fell, and Thea on the side also shouted anxiously: "Yue Feng, calm down, don't be impulsive, okay?"

Huo!

Yue Feng breathed a sigh of relief and looked at the hundreds of guards around him with a proud face: "A mere group of guards just want to arrest me? I want to go, none of you can stop me!"

The sound is not big, but it spreads throughout the audience, and it is domineering and unparalleled!

At this moment, feeling the aura of Yue Feng's body, everyone present felt nervous.

Such a strong breath.

Finally, Maddie reacted, laughed and sarcastically said: "No one can stop you? What do you think you are?"

"Take it, take it down immediately..." Seth was too lazy to talk nonsense and howled loudly.

Buzz buzzing...

The voice fell, and hundreds of guard soldiers burst into holy energy one after another, holding their long swords tightly and rushing towards Yue Feng.

Yue Feng stood there proudly, without the slightest nervousness, instead showing a smile.

Since you want to fight, then come with a special code!

hum!

At this moment, a powerful aura erupted from Yue Feng's body and swept the entire manor.

At this time, Yue Feng, holding the Fang Tianhua halberd, shrouded his body with blood-colored rays of light, his aura was like a rainbow, like a killing god.

“Blood battle in all directions!” The

cold four words came out from Yue Feng's mouth, Fang Tianhua halberd suddenly swung out, and a dazzling blood-colored light burst out towards the surroundings.

Bang bang bang ...

In an instant, hundreds of guard soldiers were instantly shrouded in blood-colored light, and under the crushing force of terrifying, many soldiers let out a scream.

In this bloody battle, nearly a hundred soldiers lost their combat effectiveness in an instant and fell into a pool of blood one by one.

What?

Seeing this scene, whether it was Seth or Maddie and the many guests who had retreated far away, they couldn't help gasping for air, they were all stupid.

Just a door-to-door son-in-law, his strength is so terrifying.

What he burst out just now is obviously different from holy power. What kind of power is it?

Also, what kind of weapon is in his hand?

For a time, shock and doubt filled the minds of everyone present.

At this moment, Lolita stood there, staring blankly at Yue Feng, and was shocked.
