

The ultimate husband in Chinese chapter 3311-3315

Chapter 3311

It turns out that he is so powerful... But why does he hide his strength?

At the previous wedding, Maddie came to make trouble, and Yue Feng tortured him in public. At that time, Lolita didn't think much about it, thinking that Yue Feng was just lucky, but at this time, when she saw that Yue Feng had summoned Fang Tianhuaji, this was the case. Realize that this man is much stronger than he imagined.

"Yue Feng!"

At this moment, Maddie reacted, covering his face and shouting at Yue Feng, "Finally showing

your true colors, right!" After speaking, Maddie shouted at the surrounding: "Everyone has seen it. , This Yue Feng is very powerful, otherwise, how can he collude with Man Xiong? Only with his strength, can he secretly kill the old man of Du Men without leaving any evidence!"

Hearing this, many people around him were shocked. They nodded.

At this time, Seth wiped the cold sweat from his forehead and shouted at the remaining guard soldiers: "Don't be afraid, no matter how strong he is, there is only one person, come together and take this scum!"

Wow!

The voice fell, and the remaining guard soldiers looked at each other and rushed over at the same time!

Mad!

Seeing this situation, Yue Feng's eyes were completely blood red, and he locked on Maddie: "Mady, even if the blood splashes three feet today, I will first take off your head to pay homage to the spirit of the old man Du Men in the sky!"

"Those who block me will die. Come on special!"

At this time, Yue Feng was completely irritated, this Maddie was too sinister and despicable, and at this time, he didn't forget to smear himself and didn't get rid of him, it was hard to vent his heart.

The last howl fell, Yue Feng held Fang Tianhua halberd tightly, thinking of Maddie rushing directly.

Swish!

This chapter is provided by . Visit for daily update.

Feeling Yue Feng's terrifying aura, Maddie felt a chill in his heart, his face was extremely pale, and he fled toward the crowd behind.

"Stop him!" Seth was even more shocked.

The next moment, Yue Feng was intercepted by guard soldiers.

"Pfft!"

"Pfft!"

At this time, Yue Feng, intent on killing Maddie, didn't pay any attention to these guard soldiers. When the halberd is raised, several guard soldiers must fall.

call!

Seeing this scene, many of the guests in the distance were so horrified that they could hardly stand still, and some timid female guests fainted with fright.

Horrible, so scary!

Only one person, fighting so many guard soldiers, can still defeat so many people, is this still a person?

At this time, everyone didn't know that what Yue Feng showed was not the peak strength, otherwise, a cold white lotus fire, and the entire Dumen family manor would be burned to ashes.

"Everyone!"

At this moment, Seth shouted at the guests not far away in anger: "Yue Feng is a disaster for Pearl City, and the crime is terrible. We must unite as one, and ask your family to help!"

When he shouted these words, Seth panicked.

I thought that with so many guard soldiers, I could easily take down Yue Feng, but I never thought that the strength of this son-in-law was too terrifying, like a god of war descending to earth.

In this case, we can only ask the major families present to help. You must know that the major families have their own guards. Together, they are a force that cannot be underestimated.

The voice fell, and the major families among the guests shouted.

“The guards of the Green family, take down Yue Feng for me!”

“Guardian of the Rocky family, take down Yue Feng.”

Wow!

In an instant, the guards of the major families heard the order and surrounded Yue Feng, nearly a thousand people.

Nima!

Seeing this situation, Yue Feng was both angry and anxious.

There were more and more people, and things became more and more troubled, and he suddenly became the public enemy of the entire Pearl City.

But no matter what, I have to kill Maddie today to avenge the old man Du Men.

Chapter 3312 The

other side!

Located 80 miles northwest of Pearl City, it is a virgin forest.

At this time, in this forest, a figure kept running forward with a pale face. It was Moloch, the leader of the Hall of Living Beings.

Half a day ago, after being hit hard by Yue Feng, Moloch destroyed the main altar and took the opportunity to escape, without the slightest pause along the way.

After several hours of running away, Moloch finally came to a precipitous mountain.

I saw that this mountain was steep and straight, towering into the clouds, very dangerous, and only a hidden path could reach the top of the mountain.

This mountain, called Giant's Peak, was the resting place of one of Moloch's benefactors.

call!

At the foot of the mountain at this time, Moloch breathed a sigh of relief, and the panic of fleeing before was completely gone. As a benefactor, his strength is unfathomable. Even if the son-in-law who came to the door chased him here, he didn't have to be afraid.

Thinking to himself, Moloch took a short rest and went up the mountain quickly.

....

at this moment, the summit of the Giants.

On the top of the peak, there is a wide cave, and at this time, at the entrance of the cave, a slender figure is sitting there, closing his eyes and resting.

This woman is in her twenties, wearing a long black and red dress, which shows the graceful curves, and her facial features are exquisite and beautiful. Against the backdrop of the surrounding smoke and clouds, she is like a fairy, but her entire body is filled with ice that cannot be blasphemed. breath.

If Yue Feng was present at this time, he would definitely be surprised.

Because this woman is exactly the Yanhong he has been looking for!

A few months ago, Yanhong, Yue Feng, and Miao Ying were involved in a chaotic vortex together, and were finally teleported to this Roland Continent. At that time, Yanhong had just swallowed Duan Yu's Pluto power, but Pluto's power was too strong, so I came here. After arriving on this continent, Yanhong has been practicing fusion.

call!

At this moment, a figure slowly climbed to the top of the peak, and the exhaustion that could not be concealed was Moloch!

Yes, Yanhong is Moloch's benefactor.

Speaking of which, Moloch was originally an unknown wanderer. A month ago, he was oppressed by the nobles in the Principality of the New Moon, and almost died. In the end, he met Yan Hong who was passing by and was rescued.

At that time, Yanhong found out that Moloch's aptitude was not bad, so he taught him some exercises, and then asked him to build the Hall of All Living Beings.

Yanhong did this because she wanted to establish her own power in this different world.

"Morocco!"

Seeing Morocco, Yan Hong frowned lightly: "You didn't manage the Hall of Living Beings well, how did you come here?" Yanhong

explained to Moloch that there is no important thing, so don't disturb yourself.

"Respected Highness Goddess!"

Moloch walked up to him with a bitter expression on his face, and said respectfully, "Something has happened to the Hall of Living Beings..." Because of awe, Moloch always called Yanhong His Highness the Goddess.

Later, Moloch explained the situation in detail.

Huh?

Knowing the situation, Yan Hong's eyes flashed, and her beautiful face suddenly became solemn: "What did you say? The main altar of the Hall of Living Beings has been destroyed?"

"Yes!" Moloch was ashamed, wiped his sweat, and said cautiously: "That person is very evil. I used the power that His Highness the Goddess taught me, but was suppressed by that person."

"Fortunately, I was witty. Destroyed the main hall, and then escaped, otherwise, he would have died in the hands of that person."

Yan Hong's eyes flickered, and she said lightly, "What's this person's name? Where is he from?"

Hu!

Moloch took a deep breath, unable to hide the resentment in his heart: "This person is Yue Feng, he is Pearl City, the son-in-law of the Dumen family..."

Yue Feng?

Before he could finish speaking, Yanhong's expression changed and she stood up.

.....

On the other side, Pearl City, Duman Family Manor.

The fighting continues.

To be honest, with Yue Feng's strength, if it broke out completely, these guards would not be able to stop him, but Yue Feng did not lose his mind. It was Maddie who deserved death, and these guards and guards were innocent.

Therefore, Yue Feng did not use the killer, but severely injured these guard soldiers and guards without taking their lives.

Chapter 3313

However, it was precisely because of Yue Feng's kindness that he was besieged by the guards of major families for a while, and it was difficult to rush to Maddie.

Bang bang bang...

Finally, after more than three hours of fierce fighting, I saw that the guards of the major families, as well as the guard soldiers of the city lord, were lying there in disorder, one by one completely lost their combat effectiveness, and no one could stand. up.

And Yue Feng, standing there proudly, holding the Fang Tianhua Halberd, was majestic.

Phew...

At this moment, both the City Lord Seth and the major families present were all dumbfounded.

Shock.

Total shock.

So many people can't stop Yue Feng alone...

"Maddy!"

At this moment, Yue Feng stared at Maddie, and his icy voice spread throughout the manor: "Get ready to die, no one can save you! "

You..."

Maddie's body trembled, only to feel her legs were weak, and she couldn't panic:
"You...you..."

Under the huge panic, Maddie was speechless. The wind strength is terrible.

Yue Feng didn't talk nonsense, he held Fang Tianhua halberd tightly, thinking about Maddie step by step, every step seemed to be stepping on Maddie's heart.

hum! However, at this moment, I saw the sky not far away, the wind was surging, and then a charming figure flew over quickly, with a charming figure and beautiful facial features, but it was as cold as ice!

It is Yanhong!

Knowing from Moloch that Yue Feng had become a son-in-law in Pearl City, Yan Hong was very surprised, and then rushed over quickly.

Yue Feng, it's really him!

At this moment, seeing Yue Feng standing proudly in the manor, Yan Hong's delicate body was shocked.

Ever since she came out of the Great Illusory Realm, Yan Hongtian was not afraid of anything, but she was only afraid of Yue Feng. Seeing that he, like herself, had also come to this different world, Yan Hong was completely unable to calm down.

Whoosh!

At this time, Yanhong did not hesitate at all, and immediately accelerated her speed. At the same time, a very strong aura burst out, condensed on her right palm, and slapped Yue Feng's back fiercely!

Whoa!

The sudden appearance of Yanhong surprised everyone present, and at the same time, they were all attracted by Yanhong's charming appearance.

Especially the young masters of the clan like Maddie and Matsuda, all eyes were straight.

What a beautiful woman.

Also, the aura is so powerful.

Um?

Yue Feng's attention was originally on Maddie, but when he suddenly saw that the faces of the people around him were wrong, he turned back subconsciously, but it was too late.

Yanhong was originally a fairy, but now she has the power of the Hades, and her strength is extremely powerful.

"Bang!" In the

blink of an eye, Yan Hong came to the front and slapped Yue Feng's shoulder, causing a dull vibration. At that time, Yue Feng's body was immediately sent flying out, and it flew out more than a hundred times. Mi Yuan fell heavily on the ground, and a mouthful of blood spurted out!

Nima!

At the moment of landing, Yue Feng only felt that all his internal organs were shattered! There was a burst of pain, and I almost fainted!

Yue Feng wanted to struggle to stand up, but the palm just now was really powerful. At this time, Yue Feng's body was soft and he couldn't even try.

Yanhong? is her!

Yue Feng endured the severe pain, turned his head to look, his eyes fell on Yan Hong, his heart was shocked, and the whole person was stunned.

Nima, how could it be her?

Whoa!

At the same time, everyone present was stunned, looking at Yan Hong in shock.

The strength of this woman is so terrifying?

The strength that Yue Feng showed just now is already shocking, and this beautiful woman seems to be stronger than Yue Feng.

Chapter 3314

"Yue Feng!"

At this time, Yan Hong looked up and down at Yue Feng, with a bit of drama on her delicate face: "I didn't expect it, we will meet again! I didn't expect that your life is quite big. , was caught in the chaotic vortex and didn't die!" The

voice fell, Yan Hong slowly walked over, full of evil spirits!

Yanhong couldn't hide her anger when she thought that she was brought into the chaotic vortex by Yue Feng.

call!

Seeing Yanhong getting closer and closer, Yue Feng took a deep breath and revealed a smile: "You're all right, how could I die in the chaotic vortex? Yanhong, you are a fairy in an illusory realm, but you also learned It's really disappointing."

At this moment, listening to the conversation between the two, everyone around was stunned.

Chaos vortex? Too illusory? Fairy?

What are Yue Feng and this woman talking about?

"Crack!"

At this moment, Yan Hong walked up to Yue Feng, first smiled evilly, then raised her jade hand and slapped Yue Feng without warning.

Yue Feng was just attacked by Yanhong and was extremely weak. He couldn't dodge this slap at all. After a crisp sound, half of his face suddenly swelled up.

hiss!

For a while, the whole place was dead silent.

Soon, Maddie was the first to react, and laughed in relief: "Beauty played well, then..." Before she could finish her sentence, Yan Hong interrupted her with a look.

At this moment, when he felt Yanhong's cold eyes, Maddie only felt a chill in his heart.

This woman is so sexy and beautiful, but her eyes are so terrifying.

After glaring at Maddie, Yanhong turned around!

"Yue Feng!" Yan Hong looked up and down at Yue Feng, her eyes full of arrogance: "Don't laugh at me, do you think you are still the famous hero of Jiuzhou? This is a different world, and I am about to merge with Hades. Strength, when the time comes, in this other world continent, no one will be my opponent, so when you talk to me, you have to be polite, understand?"

Hearing this, Yue Feng rubbed his face, a little dumbfounded.

This Yanhong really hasn't changed at all, she's still so cold and arrogant. Thinking to himself, Yue

Feng couldn't help but say, "How do you know I'm here?"

I can find you!"

Your person?

Yue Feng was stunned for a moment, but he quickly reacted and said with a dumb laugh: "It seems that I guessed right, that guy named Moloch is indeed yours."

Seeing that he could still laugh, Yan Hong frowned. Locked tightly: "Yue Feng, are you really afraid that I will kill you?"

"You won't for the time being!" Yue Feng shook his head and said firmly: "You know better than me, this is not our world, and we will go back sooner or later. , when you decide to go back, you will definitely ask me for help, won't you?"

Phew!

Hearing this, Yan Hong fell silent.

Yue Feng is right. After Yanhong came to this Roland Continent, she was not used to everything. During this time, while integrating the power of Hades, she also thought about how to leave, but she had no clue.

"Okay!"

Finally, Yanhong reacted and looked at Yue Feng in a complicated way: "You are really smart, I really won't kill you for the time being, but I can't let you go now, unless you can promise me a condition! "

When saying this, Yanhong's eyes flashed with slyness, and her tone was unquestionable.

"What conditions?" Yue Feng asked subconsciously.

"It's very simple!" Yan Hong showed a smile, extremely charming: "You swear to be loyal to me, and from now on, everything will obey my orders!"

At that time in the illusory realm, Yan Hong and Yue Feng lost the bet and agreed. To obey Yue Feng's orders, this matter has always been a shame in Yan Hong's heart.

And now with such a good opportunity, Yan Hong naturally wants to regain his face.

What?

Chapter 3315

At this moment, Yue Feng's expression froze, and the whole person was stunned.

From now on, at your command?

Nima, this Yanhong's tone is not small.

Muttering in his heart, Yue Feng looked at Yan Hong secretly with a pair of eyes.

It has to be said that this Yanhong, as a fairy born in the illusory realm, is not only sexy, but also has a queen-like aura all over her body. And after a while, it seems to be even more charming.

Seriously, it's been a pleasure working with such a charming stunner.

But Yanhong is evil by nature, she really has to agree, I am afraid that Yanhong will make her do a lot of things that hurt heaven and reason.

"Hey!"

Seeing that Yue Feng remained silent, Yan Hong lost his patience and urged, "Have you made up your mind?"

Yue Feng smiled and said, "Yan Hong, do you think I will agree?"

Shuh!

Hearing this answer, Yan Hong's pretty face changed, and her eyes flashed with a hint of coldness.

"Okay, very good, Yue Feng, you are very strong!" Yan Hong said coldly, and then looked around: "Those around are all your enemies, right? I know that the practitioners in this world, and the continent of Kyushu. There is a big difference between them, and you are so powerful that you are not afraid of them at all. But if I block your dantian inner strength, what do you think will happen?"

Pa! Snapped! Snapped!

The voice fell, and Yan Hong shot without warning, sealing several acupoints on Yue Feng's body.

Yan Hong's shot was very fast, Yue Feng didn't have time to react, and he couldn't move for a moment.

Nima!

Yue Feng was incessantly complaining, angry and helpless.

"Yue Feng, I'll give you one last chance!"

At this time, Yan Hong was very proud, with a bit of drama in her eyes: "I surrender to me immediately, and I will take you away safely! Otherwise, you will Do it well."

Yue Feng gritted his teeth and did not respond.

To be honest, agreeing to Yanhong's conditions might be the best choice at the moment, but doing so would violate his own principles.

Seeing that Yue Feng was still unwilling to accept softness, Yan Hong was very angry.

"This... this beautiful lady."

At this moment, the city lord Seth walked over slowly and said carefully to Yan Hong, "Who are you? What kind of grievance do you have with this Yue Feng?"

" At these times, Seth was sweating profusely and was very nervous.

As the lord of Pearl City, Seth didn't want to act so cowardly, but he couldn't help it. The aura of the woman in front of him was too powerful.

Swish!

At the same time, the eyes of other people around also focused on Yan Hong.

Yan Hong frowned and replied lightly, "I have nothing to do with him! I just happened to be passing by and saw this person committing murder in public, so I came over to help."

Although Yan Hong is a fairy, she is not stupid, and naturally she will not. Tell them the truth.

It was passing by.

At this moment, both Seth and Maddie were all secretly relieved.

At this time, Yan Hong looked around the audience and asked, "What kind of grievance does this person have with you, why are you besieging him?"

As soon as the words fell, Maddie quickly replied: "Beautiful lady, this is the case, this Yue Feng is despicable and shameless, he is the son-in-law of the Du Men family, and he is not restless at all, not only killing the old man Du Men, but also wanting to occupy other people's properties. .."

For the next few minutes, McGrady told the situation.

Of course, when McGrady said it, he deliberately distorted the facts and added fuel to it, making Yue Feng a heinous scum.
