

The ultimate husband in Chinese chapter 3316-3320

Chapter 3316

Nima!

Seeing Maddie reversed black and white, Yue Fengqi's eyes were blood red, and he wanted to refute, but the injury was too serious, the acupuncture points were blocked, and he didn't have the strength to speak.

"Tsk tsk!"

Hearing this, Yanhong showed a teasing smile, walked over, and mocked Yue Feng: "I can't tell, Yue Feng, who is famous in the Kyushu continent, would actually do such a thing. "

"I'm a hypocrite, and pretend to be arrogant in front of me? Whether I agree to the conditions I said or not!"

Yue Feng chuckled, too lazy to refute.

"Okay, okay!" Yan Hong sneered: "I see how hard you can be." In the

next second, Yan Hong looked around and said slowly, "This person has no fighting power, what should you do? !" After the

last sentence fell, Yanhong tapped the ground with her toes and flew into the distance, disappearing from everyone's sight in the blink of an eye.

Yanhong didn't give up Yue Feng completely, she thought about it, let Yue Feng suffer a little from the people in Pearl City first, and then talk about the conditions when he can't stand it any longer.

What the hell!

Seeing Yanhong leave, Yue Feng's heart was shocked, and he was stunned.

gone like this?

Whoa!

At this moment, Seth and Maddie not far away reacted one by one, indescribably excited.

This chapter is provided by . Visit for daily update.

“Yue Feng!” Maddie smiled proudly at Yue Feng: “Have you seen it? If you do too much evil, God can’t stand it. That beautiful lady passing by was sent by God to punish you.”

At the same time, Seth waved his hand quickly: “Quick, bind Yue Feng.”

Suddenly, several people walked over and tied Yue Feng.

Yuefeng’s acupuncture point was sealed, and he couldn’t resist at all.

“You despicable and shameless thing!”

At this time, a middle-aged woman came out of the crowd. It was Launa, the housekeeper of the Dumen family.

Arriving in front of Yue Feng, Lau Na scolded: “Master is so good to you, but you killed him, you should go to hell!” After speaking, she spit on Yue Feng’s face.

Speaking of which, Launa didn’t dare to do this half an hour ago, when Yue Feng was invincible, like a god of war.

But now it’s different. Yue Feng was injured by the beautiful lady and tied up. Launa was not afraid at all.

Whoa!

For a time, the surrounding people also reacted and attacked Yue Fengkou.

“Such a scum, just kill him.”

“Yes, hang him publicly!” During the

curse, many people from the big family looked at Yue Feng with intense hatred. In the previous battle, Yue Feng didn’t know how many family guards he had hurt. At this time, the people of these big families could not wait to peel him off.

In the face of everyone’s responsibilities and abuse, Yue Feng was too lazy to explain.

This city lord Seth, colluding with the major families, is useless no matter how to explain it.

“Calm down everyone!”

At this moment, Seth shouted, then came over, looked at Yue Feng and said coldly: “Yue Feng, do you plead guilty now?”

Huh!

Yue Feng took a deep breath, looked directly at Seth, and was not afraid: "I didn't kill the old man, what am I guilty of?"

Hearing this, Seth was so angry that he shouted: "You are still arrogant. Man Xiong's subordinates have already identified you, what else do you have to say?"

At this time, Maddie stepped out and shouted, "Don't talk nonsense with this kind of person, let's give him some color first!" The

voice fell, The people of the major families around also nodded.

"Yes, this guy has injured so many of our guards just now, and he must not be forgiven lightly."

Chapter 3317

"Teach him a good lesson and see how long he can be tough."

Hearing everyone's shouting, Seth didn't hesitate, raised his hand and waved: "Come here, hit me until he confesses his guilt.

" As soon as he landed, a soldier of Seth's body quickly walked over, holding a soft whip in his hand. You can see that this soft whip is made of metal wire and beef tendon, and it is extremely tough.

Haha...

At this moment, Maddie looked proud, and said to Yue Feng, "Yue Feng, I advise you to confess your guilt quickly, so as not to suffer from flesh and blood!"

When he said this, Maddie couldn't express the excitement .

As long as Yue Feng confessed his guilt and killed Du Men, it would be a sure thing.

Nima!

Hearing this, Yue Feng was furious and responded with a sneer: "Maddy, don't be complacent, as long as I don't die, I won't let you go!"

When he said this, Yue Feng's face was meaningless, and he felt in his heart. But want to cry without tears.

Nima, it's really a tiger falling and Pingyang being bullied by a dog. If Yanhong hadn't attacked him just now, he wouldn't have fallen into the hands of these people.

At this time, Seth next to him stopped talking nonsense and shouted: "Hit, hit me!"

Slap!

As soon as the words fell, the soldier immediately raised the whip and slammed it on Yue Feng. With a thunderous explosion, a bloodstain appeared on Yue Feng's body, and the blood soaked his clothes in an instant!

Damn Nima.

When the pain came, Yue Feng couldn't help gasping for air, gritted his teeth and didn't cry out, but his eyes were blood red.

Seeing that he gritted his teeth and still pleaded not guilty, Seth's face turned grim: "Come on, how did you kill the old man Du Men?"

Yue Feng sneered and did not respond.

Seth was furious and let the soldiers continue to fight!

"Crack! Slap! Slap!" The

soldier waved his whip and kept falling on Yue Feng's body.

Yuefeng's acupuncture point was blocked, and he couldn't move at all, he could only bear it with gritted teeth.

Seeing this scene, Maddie and everyone in the surrounding family showed a smug smile.

Although this Yue Feng is very powerful, he has not been caught in the end?

At the same time, Lolita stood not far away, looking at Yue Feng, whose body was dripping with blood, her eyes twinkled with complexity, and her delicate body also trembled slightly.

At that moment, Lolita couldn't bear it, but when she thought of her grandfather's tragic death, her eyes returned to indifference.

The whip lashed, Yue Feng finally couldn't bear it anymore, he gritted his teeth and cursed at Seth: "As the city lord, you don't have the ability to distinguish right from wrong. In today's matter, Maddie is obviously slandering me. You have been covering him up, and I tell you, if I don't die, what you did to me today, I will pay back tenfold!"

"And your family, none of you can escape!" He

said in a cold voice, as if General from hell.

Swish!

In an instant, whether it was Seth or the major families present, when they heard these words, they couldn't help but fight a cold war, and then they all became furious.

"It's still so rampant now?"

"Kill him directly!"

Under the anger, Seth also pulled out his great sword, walked towards Yue Feng step by step, and said solemnly: "Do not confess? Then I will fulfill you!" After the

voice fell, Seth raised the great sword and pointed directly at Yue Feng. The wind pierced the heart.

Nima!

Looking at the giant sword, Yue Feng's eyes were blood red, and he couldn't tell how unwilling he was.

just die? Not reconciled!

Chapter 3318

"Lord City Lord!"

However, at this critical moment, an urgent voice was heard, and then a heroic figure stopped Seth.

It was Thea.

"Thea?"

Seth frowned, very unhappy, and said coldly: "What are you doing? Get out of the way!"

This Yue Feng was so arrogant, he didn't put himself and the major families in the eyes, and he had to kill him Not possible.

At the same time, everyone around Maddie frowned.

"Sir City Lord!" Thea bit her lip and said anxiously: "Don't be impulsive, the law of the duchy stipulates that to execute a prisoner, you need to convene the public and execute the execution in public. If you kill him here, it is a violation of the law of the duchy. Fa."

When she said this, Thea looked at Yue Feng intentionally or unintentionally, feeling anxious.

She believed that Yue Feng was framed, how could she just watch him be executed?
call!

Hearing this, Seth was silent for a while, then put away the big sword, and said angrily: "Come on, put Yue Feng into the prison first, and tomorrow morning, call the people of the city and execute them publicly."

Seriously, Seth is very I wanted to kill Yue Feng immediately, but Xia was right, the law of the duchy stipulated that no one could use the death penalty in private. As the city lord, you cannot knowingly commit crimes.

Whoa!

Soon, several soldiers came over and left the manor with Yue Feng.

At this moment, Yue Feng secretly breathed a sigh of relief, and at the same time glanced at Thea gratefully.

At this time, Yue Feng never thought that at the last crucial moment, Thea would help him.

After Yue Feng was taken away, the major families also left one after another, and only Maddie stayed.

"Lolita!"

Watching everyone leave, Maddie showed a smile, walked up to Lolita and said to please: "The old man is gone, people can't be resurrected, don't be too sad!"

When he said this, Maddie had a face Sad, but my heart is happy.

Haha... Yue Feng has already lost his reputation, and now he has no worries.

Lolita breathed a sigh of relief and said slowly, "Maddy, thank you for revealing Yue Feng's mask today. Otherwise, I would have been kept in the dark by him."

As soon as Yue Feng was mentioned, Lolita snorted . Deep disgust.

"No, no!" Maddie waved his hand, with a look of course: "The old man is also my elder, and I should do it."

After speaking, Maddie leaned a little closer: "Lolita, my heart for you, You should understand that when Yue Feng is executed tomorrow, you will marry me, okay? The old man is gone, and you also need a man to take care of you, don't worry, I will definitely treat you well for the rest of my life."

Maddie at this time, in his eyes Full of anticipation.

However, Lolita shook her head: "I'm sorry Maddie, I don't want to talk about marriage for the time being. Even if I want to get married, I have to be filial to my grandfather for a year!"

A year of filial piety?

Hearing this, Maddie was a little disappointed, but he nodded slyly and said, "Lolita, you are so filial. Well, I'll wait for you for a year."

A year is not too long, I can afford it myself .

Afterwards, Maddie chatted with Lolita for a few more words, and left happily.

.....

At night, Pearl City, guard the prison.

In the gloomy and dark cell, Yue Feng was tied there, unable to move.

Across the prison door, listening to the sound of the sea water in the distance, Yue Feng had a sad face. He had been beaten with dozens of whips during the day, and the wound was burning with pain. Moreover, the acupuncture point was sealed by Yanhong.

However, Yue Feng did not sit still and endured the pain, secretly mobilizing his inner strength and trying to break through the acupoints.

call!

Chapter 3319

Finally, after more than an hour of hard work, the acupoint opened.

"

Squeak—" Before Yue Feng could breathe a sigh of relief, suddenly, he heard footsteps coming from outside the prison door. The footsteps were very soft, and then, the prison door was gently pushed open a gap, and a charming figure flashed in quickly.

Nima, Maddie secretly sent someone to assassinate him!

At this moment, Yue Feng was startled, and hurriedly looked at the door. After seeing who was coming, he breathed a sigh of relief.

I saw that the person who came was wearing a knight's armor, with delicate facial features, charming curves, and a heroic spirit all over his body. It was Thea.

"Xia, why are you here?" Yue Feng was very surprised and couldn't help but ask.

Thea didn't answer directly, but came over, first looked at Yue Feng's wound, and then scolded: "Yue Feng, why didn't you listen to my advice during the day? If you have to fight with the city lord and the major families, you There is only one person, can it be their opponent?"

When saying this, Thea was full of accusations, but there was a bit of worry in her eyes.

call!

Yue Feng breathed a sigh of relief and smiled bitterly: "You came to see me on a risky basis, and you made a special trip to accuse me? You don't like me, do you?"

Hearing this, Thea's delicate face instantly flushed red. He said with a good air: "Shut up, you are about to die, and you are still so rude!" After saying that, he quickly helped Yue Feng to untie the chain.

"Now is the most slack time in prison, wait for me to send you out of Pearl City, and don't come back again!" Thea said seriously.

Hearing this, Yue Feng felt warm in his heart and was very moved, but he couldn't help but say, "Are you going to let me go?"

Huh!

Thea exhaled, her eyes flashing a bit of complexity: "That savage subordinate, the man named Amon, I investigated him yesterday, and he was bought by Maddie, but I have insufficient evidence, but I believe , you are being slandered!"

Said, Thea changed her words: "The city lord has a close relationship with the Maiwei family, and has close contacts with other families. It is really unwise for you to conflict with them today.

" I'm letting you go late, not because I like you, but for justice, understand?"

Hearing Xia's remarks, Yue Feng fell silent, and a little admiration for Xia also rose in his heart.

Although this female knight is not very strong, this sense of justice is really rare.

With emotion, Yue Feng couldn't help but said: "You let me go, what do you do?"

Thea smiled lightly: "Don't worry, no one saw me when I came in, time is running out, let's go quickly!"

"After falling, Thea left the prison with Yue Feng.

The guard prison in Pearl City is not very big, and soon, Yue Feng and Xia arrived at the city gate.

Um?

When he was about to leave the city, Yue Feng suddenly stopped!

Yue Feng clearly felt that there was a faint movement in the direction outside the city gate!

Seeing that Yue Feng suddenly stopped, Thea couldn't help but wonder: "Why don't you leave?" After saying that, she followed Yue Feng's gaze, and her body trembled when she saw it!

I saw that there were a lot of people standing quietly on the roadside outside the city gate, waiting for them.

The leader, in a gorgeous robe, with a gloomy face, is the city lord Seth!

"Thea!"

At this time, Seth's eyes fell on Thea, and his tone was full of sinister: "You don't let me kill Yue Feng during the day, I feel that something is wrong, it seems that I really guessed right, you and this Yue Feng are really related. That's amazing!"

Said, Seth's eyes sank, and he shouted: "Thea, let go of the felon in private, do you know

the crime?" Oops!

Thea's delicate face was a little pale, and she was very flustered.

At this time, Thea did not expect that Seth had been eyeing her for a long time.

Yue Feng stood aside, his face seemed calm, but his heart was secretly anxious!

Chapter 3320

"Seth!"

In anxiety, Yue Feng tried his best to calm down and shouted at Seth: “Just based on the one-sided words of that man’s subordinate, you think that I am still the old man of Dumen, it seems that you secretly charged It’s a lot of good for Maddie!”

“As the city owner, secretly colluding with major families, and pretending to be full of benevolence and morality, it’s ridiculous!

“

Hearing this, Seth was furious, too lazy to talk nonsense, and shouted: “Take it down, take both Thea and Yue Feng!” The

voice fell, and nearly a hundred guard soldiers rushed over thinking of Yue Feng. .

Mad!

Seeing this situation, Yue Feng scolded secretly, and his internal force was running, and he went up directly. At the same time, Thea also pulled out the long sword on her body.

Although Yue Feng rushed to open the acupoint, his injuries were too serious. At first, he was able to cope with the siege of many guards, but gradually he couldn’t stand it anymore.

boom!

Under the fierce battle, a guard soldier rushed over from behind and punched Yue Feng on the back. Hearing a dull sound, Yue Feng trembled, staggered back a few steps, and at the same time spurted out a mouthful of blood.

Seeing this scene, Thea was very anxious, and swung a sword to force the few people in front of her to retreat, then quickly rushed over and supported Yue Feng’s arm: “Yue Feng, how are you?”

“It’s okay..” Yue Feng Shaking his head, he wiped the blood from the corners of his mouth.

Ma De, if he hadn’t been raided by Yanhong before, and then beaten with dozens of whips, he wouldn’t be so weak. Moreover, Olina and the people from the Bloody Hand Organization left Pearl City two days ago. If Olina was still here, she would not be so passive.

“Thea!”

At this moment, Seth stood there with a gloomy expression on his face, and shouted at Thea: “It’s not a pity to die like a scum like Yue Feng. As the captain of the guard, you

have colluded with him, have you ever thought about the consequences? Immediately put down your weapons. , I may give you a chance!”

Hearing this, Thea’s delicate face was full of determination: “Seth, don’t be hypocritical, I have been working under you for all these years, and I have seen you clearly. , This captain of the guard, I have long wanted to do it.”

“Okay, very good!”

At this moment, Seth was trembling with anger, pointing at Thea and roaring: “I have given you a chance, since you don’t Be sure, then don’t blame me for being cruel!”

“Execute them on the spot.” The

last sentence was shouted, and Seth’s eyes were full of madness.

After following his subordinates for several years, he suddenly betrayed him, how can he not be angry?

“Kill!”

For a time, nearly a hundred guard soldiers let out a howl and rushed up again.

To be honest, if it was during the day, these guards would not dare to rush. At that time, at the Dumen family manor, Yue Feng fought against the major families alone, like a god of war. But at this time, Yue Feng was injured and there is no threat at all.

Seeing these guard soldiers rushing over, Thea’s delicate face was not at all nervous.

The next second, Thea pushed Yue Feng away and said seriously: “Yue Feng, I will block them, you go!” For the

sake of fairness and justice, Yue Feng must not fall into their hands.

What the hell!

Yue Feng was stunned for a moment, and shouted: “Are you crazy?” With

so many people, how could you be able to stop them alone?

“I’m not crazy, don’t forget, I’m the only female knight in Pearl City, these guards can’t stop me at all!” Thea showed a smile and urged Yue Feng: “Go, go!” The

last sentence When the words fell, Thea used all her strength to push Yue Feng away!

Whoa!

At this moment, nearly a hundred guards rushed over and surrounded Thea at once. In the blink of an eye, a fierce battle broke out between the two sides.

Yue Feng saw that Thea was wielding a long sword, like an elf in the dark night, with a light figure, constantly shuttled through the crowd, but there were too many enemies to rush out.
