

The ultimate husband in Chinese chapter 3351-3360

Chapter 3351

At this time, Abel and Hongshang on the opposite side were secretly anxious.

At this time, they did not expect that the situation would change so dramatically. Originally, Mr. Fu Zheng came to Xing Xing to ask his guilt.

Especially Abel, looking at Feng Tao closely, he couldn't be more anxious.

But you must not agree.

You must know that at this time, the Principality of Ziri is going on a crusade, and it is hostile to the Principality of Tianxing, and Guangwu Academy is the highest institution of the Principality of Tianxing. If Yue Feng joins, then the Principality of Ziri will have an additional strong enemy.

As the commander-in-chief of the Principality of Sunrise, Abel would never allow such a thing to happen.

At this moment, Abel wanted to dissuade Yue Feng, but thought that he and him were just friends, and the decision to control him was too abrupt, so he held back.

“Fengtao!”

At this moment, Mr. Fu Zheng smiled slightly and looked at Yue Feng: “How is it? How did you think about it?”

Shuh!

In an instant, the eyes of the audience all converged on Yue Feng, each with a complicated expression.

Yue Feng smiled and looked very relaxed: “I understand Mr.'s kindness. I am used to being free.”

What?

The teacher took the initiative to invite, but he is still unwilling?

At this moment, several of Dongshen's disciples were secretly angry, but because of Mr. Fu Zheng's face, they did not dare to attack.

This chapter is provided by . Visit for daily update.

Mr. Fu Zheng was also stunned, feeling a little lost.

Abel and Hong Chang, on the other hand, were secretly relieved.

At this moment, Yue Feng continued: "However, if I went to Arlandis that day, maybe I would go back to Guangwu Academy to visit Mr., and then I hope Mr. will not turn me away."

When he said this, Yue The wind looked sincere.

Although Yue Feng is strong and is not afraid of anyone in this different world, he has to say that there are many extraordinary ways of cultivation in this world, and Mr. Fu Zheng is a big man in Guangwu Academy. It is still necessary to make friends.

Moreover, Mr. Fu Zheng took the initiative to release his suspicions, and he had to give the other party a step down.

call!

Hearing this, Mr. Fu Zheng showed a smile and nodded: "Okay, then I'll wait." Although Yue Feng did not agree to be his own disciple, which made people a little disappointed, but since he said that he would go to Guangwu in the future. There is still hope for the academy.

With that said, Mr. Fu Zheng bid farewell to Yue Feng and left with a few disciples.

call!

As soon as his forefoot left, Abel reacted and patted Yue Feng on the shoulder with a big laugh: "Haha, Mr. Feng Tao is indeed a genius, and he can even let Mr. Fu Zheng accept him as a disciple."

Yue Feng smiled . : "Are you very nervous just now that you were afraid that I would agree?"

Abel's temperament is broad, and he doesn't hide it, he laughed: "Of course, if you go to Guangwu Academy, you will be against me, can I not be afraid?"

Saying that, Abel took Yue Feng's hand: "Let's go, let's go back and continue drinking!"

Just now seeing Yue Feng's strength again, Abel was not only shocked, but also extremely excited. At this time, he just wanted to have a good time with Yue Feng. Have a good relationship.

At this time, Hongshang next to him also let go of his previous cold arrogance and contempt, and said to Yue Feng with a smile: "Mr. Fengtao and Na Dongshen fought

just now, which is really eye-opening. From now on, you are Our VIP of Tianzhao City, the gate of Tianzhao City is open for you at any time.”

When she said this, Hongshang smiled like a flower, very charming.

Feeling the change in Hongshang's attitude and her sexy and hot body, Yue Feng couldn't help but secretly praised, and then said with a smile: “Thank you for your love.”

After

that, Yue Feng, Abel, and Hongshang returned to At the banquet.

Chapter 3352

Yue Feng and Abel drank very late, during which time Hongshang kept company.

Early the next morning, Yue Feng was sleeping soundly when Abel woke him up.

“Mr. Fengtao!”

Abel said solemnly: “I planned to take you to see the Goddess of Light today, but there were some temporary changes.”

After speaking, Abel took a deep breath and continued: “The gentleman of the Principality of Tianxing, led the army. They attacked Storm City and were defeated. Wen Liang was also killed. This incident has caused a sensation in the major duchies. If it is not what I expected, the duchies that were on the sidelines at the beginning would definitely send troops. How powerful.”

“So, I must return to the royal city as soon as possible to meet with His Majesty the King to discuss countermeasures.”

Hearing this, Yue Feng nodded and understood.

I have to say that Abel has a long-term vision and is a qualified commander. The current situation in Roland Continent is indeed the case. Since the Principality of Zuri has provoked a war, it has reported many victories and has not lost a single battle. Under such circumstances, the other five principalities will definitely not be able to sit still.

At this time, Abel continued: “Then I'll set off. If you are in a hurry, you can ask Hongshang, and she will do her best to help you.” After the

voice fell, Abel said goodbye to Yue Feng, with a team of guards, Go to King City.

After Abel left, someone brought breakfast.

At this time, Yue Feng was already a VIP of Hongshang, and the servants of the entire city lord manor did not dare to be slighted.

After breakfast, Yue Feng went to the front hall.

When I got to the front hall, I saw that Hongshang had summoned the guard commander of Storm City and was deploying the defense.

At this time, Hongshang, wearing a long purple dress, showed her charming curves, coupled with that high-cold temperament, she was indescribably charming.

“Mr. Fengtao!”

Seeing Yue Feng coming in, Hongshang showed a smile and waved to let everyone back down.

Yue Feng walked in slowly, smiled slightly, and said, “I have something to do, I want to ask the city lord to help!”

“What is it? Just say it, sir.” Hong Chang said without thinking, after what happened last night, Hongshang’s view of Yue Feng has changed greatly, and she even has some admiration.

call!

Yue Feng took a deep breath and took out a portrait from his body. On it was painted a very beautiful woman, like a fairy, it was Miao Ying’s portrait.

When he was in Simon City at that time, Yue Feng asked Doug to help find Miao Ying, and he painted many portraits, and Yue Feng kept one on his body.

“This is a friend of mine who has been separated from me. I want to ask the city owner to help me find it.” Yue Feng said.

For so long, there has been no news of Miao Ying, and she has to be found no matter what.

call!

At this moment, Hongshang took the portrait and looked at it, and suddenly her body trembled.

What a beautiful woman.

With emotion, Hongshang smiled lightly: “Mr. Fengtao don’t worry, I’ll let my men do it.”

After speaking, Hongshang was very curious: "Is this woman the wife of Mr.?" I saw Yue last night. After Feng's true strength, Hongshang became more and more interested in him.

"That's right!" Yue Feng nodded with a smile.

In the illusory realm, the first time I saw Miaoying, it was a coincidence that she and Miaoying were indeed married.

Hearing this, Hong Chang's eyes flashed with a strange brilliance. To have such a beautiful wife, this Feng Tao is definitely not an ordinary person.

"Report!"

At this moment, a knight in armor walked in quickly and respectfully said to Hong Shang: "The news just came that the five principalities have formed a coalition, and the troops are divided into two groups, all the way to Storm City, ready to go. Help the Crescent Principality to recover Storm City, and the other way is coming to our Tianzhao City!"

What?

Hearing this, Hongshang's delicate body trembled, and she was furious.

Chapter 3353 The

five principalities actually formed a coalition?

At the same time, Yue Feng was also stunned for a moment, and then smiled: "Abel really has foresight. When he said goodbye to me in the morning, he expected that the five major duchies would join forces, but he didn't expect it so soon.

"Chang reacted and asked the knight: "How far is the allied army from our Tianzhao City?"

"About fifty miles away!" The knight said quickly.

fifty miles? It's here in two hours.

Hongshang Xiu frowned, realizing that the situation was critical, and immediately said: "mobilize all the defenders, be on guard, and immediately ask Cyanwood City for support, hurry!"

Cyanwood City is not far from Tianzhao City, if you are fast, within an hour, the reinforcements of Aoki City will be able to arrive.

“Yes, Lord City Lord!” The knight responded quickly and walked out of the hall.

As soon as the forefoot left, Hongshang quickly opened the map of Tianzhao City and began to study the preparation strategy.

At this time, Yue Feng looked at the map and said, “How are you going to fight?”

Huh!

Hongshang took a deep breath, and her delicate face was full of seriousness: “Tianzhao City has a special geographical location, so it is safer to play by guarding.”

Hearing this, Yue Feng shook his head: “It’s definitely not possible to play by guarding, you see. , Tianzhao City is surrounded by mountains on three sides, if the enemy forces occupy the hilltops on three sides and form an encirclement, no matter how you defend it, it will be useless.”

Yes!

Hongshang’s delicate body trembled, and she suddenly became anxious: “Then what should I do?” Although Hongshang is the lord of a city, she is still young and has never fought a war.

A day ago, Wen Liang led the army to attack Tianzhao City. Fortunately, Abel arrived in time and defended Tianzhao City. It was because of this that Hongshang was very grateful to Abel.

At this time, Abel went to Wangcheng, Hongshang had no experience in fighting, and was very clueless, so he could only ask Yue Feng for help.

Yue Feng pondered for a while, and said slowly: “If the city owner believes me, he will transfer all the defenders out of Tianzhao City, join forces with the reinforcements from Qingmu City, and fight the opponent outside the city.”

This...

Hongshang is tight Biting his lip, he hesitated for a while: “Is this okay?”

Yue Feng did not respond, but showed a confident smile.

Back then, in Kyushu Continent, Yue Feng used his troops like a god and became famous all over the world. Moreover, the wars in Kyushu were hundreds of thousands, or even nearly a million large-scale wars, and the six principalities of Roland Continent, the total number of people who fought together. , not more than half a million.

In Yue Feng’s eyes, it’s like a child playing a house, and it doesn’t matter at all.

“Okay!”

After a few seconds, Hongshang struggled inwardly, and finally nodded: “Just do as Mr. said!” The

voice fell, Hongshang immediately dispatched troops, and under Yue Feng’s instructions, sent Tianzhao The main force of the city was mobilized on a hillside outside the city.

It was at this time that tens of thousands of reinforcements from Aoki City arrived.

The leader is Zhan Chao, the lord of Aoki City.

“Hongshang!”

After arriving, Zhan Chao was blindsided when he saw the situation in front of him: “Why did you call out all the defenders?”

Zhan Chao saw that the 30,000 defenders in Tianzhao City were all over the place. Hongshang gathered on the hillside, plus the reinforcements he brought, a total of no more than 70,000. In this kind of terrain, how could it be possible to stop the hundreds of thousands of coalition forces?

Hongshang bit her lip lightly and responded, “This is Mr. Fengtao’s idea!” After saying that, Hongshang glanced at Yue Feng next to her.

At this time, Yue Feng was observing the surrounding environment.

Mr. Feng Tao?

Zhan Chao was stunned and looked at Yue Feng up and down: “Who is he?”

Chapter 3354

Hongshang didn’t hide it, and said softly: “Zhan Chao, this is Abel’s friend, Mr. Feng Tao. Before, Wen Liang of the Principality of Tianxing led his army to attack Tianzhao City, and he was killed by him?”

What?

Hearing this, Zhan Chao was stunned.

This kid killed Wen Liang? But he only has the strength of a holy king. You must know that Wenliang is the youngest and best commander in the Principality of Tianxing, with the strength of a holy lord.

After being stunned for a few seconds, Zhan Chao reacted and smiled lightly: "I heard that Wen Liang and Abel fought fiercely for a long time at that time, and both sides consumed a lot of strength, so Wen Liang was able to be killed by this wind wave. , he just happened to catch up." In his

words, there was disdain for Yue Feng.

Feeling Zhan Chao's contempt, Yue Feng didn't care.

Hongshang was a little anxious, and said, "Zhan Chao, you don't know, Mr. Fengtao..."

However, Zhan Chao interrupted him before he finished speaking.

"Hongshang, you are also the master of a city anyway. How could you let an outsider get involved in such a big event as the two armies are fighting?" Zhan Chao frowned, a little impatient: "Hurry up with me while you still have time. Let's retreat back to the city together."

Wow...

just after the voice fell, I heard footsteps coming from the woods under the hillside, and then I saw hundreds of thousands of coalition troops coming quickly, and in the blink of an eye The valley is surrounded.

Done!

Seeing this scene, Zhan Chao's face was pale, and he was furious.

There is no danger to defend this hillside, and now it is surrounded by enemy troops, and it is impossible to go down. This battle will definitely be lost.

At the same time, Hongshang also trembled with a delicate body, panicking in her heart.

Only Yue Feng looked calm.

Hahaha...

That's when the coalition forces at the foot of the mountain saw the situation on the hillside and burst into laughter.

Immediately afterwards, the commander of the coalition, Ren Guang, shouted at Zhan Chao and Hongshang on the mountain: "You guys are very fast, I didn't expect that the reinforcements from Qingmu City would arrive one step ahead of us, but you only have this amount of troops to gather here. Are you going to break up our formation on the hillside? Haha..."

In the geographical environment of Tianzhao City, defending and fighting is the best choice, but the two city lords, Hongshang and Zhan Chao, actually stationed troops on the hillside, Simply ridiculous.

Boom.. The

voice fell, and the surrounding hundreds of thousands of coalition soldiers burst into laughter again.

Mad!

Hearing Ren Guang's mockery, Zhan Chao's face was extremely stern.

At the same time, he didn't forget to give Yue Feng a stern look. It was this kid. If he hadn't made up his mind, he and Hong Chang would not have been so passive.

Hongshang next to her also frowned, secretly anxious.

"Don't be in a hurry!"

At this moment, Yue Feng smiled slightly, and said to Hong Shang: "You call the enemy commander now and tell him that the decisive battle tomorrow morning!"

When he said this, Yue Feng had a light expression on his face. Yun Dan, very confident.

What?

Hearing this, Hongshang, Zhan Chao, and the surrounding soldiers were all stunned.

They are all surrounded by the mountain, the crisis is extremely high, you have to take the initiative to fight the opponent, isn't this courting death?

"Shut up!" Zhan Chao couldn't help but yelled at Yue Feng: "It was you who made up your mind and caused us to fall into such a situation. I tell you, if this battle is lost, I will kill you first!"

Facing Zhan Chao's anger, Yue Feng chuckled lightly: "How do you expect this battle to be lost?"

Seeing that the atmosphere was getting more and more stiff, Hong Shang hurried to smooth things out: "Zhan Chao, calm down first!"

After speaking, Hong Shang rushed Yue Feng asked, "Mr. Fengtao, what are your plans?" Hongshang was very flustered at this time, but she believed that Yue Feng must have his reasons for doing this.

After all, even Mr. Fu Zheng from Guangwu Academy admired him.

call!

Chapter 3355

Yue Feng breathed a sigh of relief, looked around the hillside and said: "I said that the decisive battle tomorrow is just a tactic to delay the troops. In fact, we don't have to fight with them at all. Before dawn tomorrow, the opponent will lose."

What?

Hearing this, both Hong Chang and Zhan Chao were stunned.

Without confrontation, the opponent can be defeated?

How is this possible?

"Haha!"

Zhan Chao quickly reacted, unable to hide his contempt: "Okay, don't talk nonsense here, I don't think you understand anything." After speaking

, Zhan Chao tilted his head and looked at Hong Chang: "The most important thing for us now is to wait until it gets dark, find a way to break through and go back to defend Tianzhao City."

Hong Chang bit her lip tightly, not knowing what to do for a while.

At this time, Yue Feng pointed to the distance and said slowly: "Look, the movement of the mountains in the distance, combined with the river in the distance, does not look like a bow?"

Huh?

Hearing this, Hongshang and Zhan Chao followed his gaze, and sure enough, they saw that the river not far away was meandering, indeed like the back of a bow.

But, what does this have to do with the war at hand?

Yue Feng said again: "Look again, the position pointed by this big bow and feather arrow is exactly at the foot of this hillside. This is called anti-bow water in Feng Shui. Bad!"

Whoops!

Hearing this, everyone around was in an uproar.

Zhan Chao couldn't bear it anymore, and shouted angrily, "Boy, what nonsense are you talking about? What are you talking about? I think you are a liar!"

In Roland Continent, there is no such thing as Feng Shui, so in Zhan Chao's eyes, Yue Feng is a complete fabrication and confuses people.

Yue Feng ignored Zhan Chao's shouting, but tilted his head and smiled at Hong Shang: "Trust me, message the enemy, and agree to a decisive battle tomorrow morning. We only need to wait one night and wait for work."

Hong Shang hesitated, then nodded: "Okay."

As soon as he finished speaking, Zhan Chao interrupted loudly: "Hongshang, do you still believe his nonsense?"

In an instant, the surrounding soldiers also agreed.

"That's right, I've never heard of it!"

"I think this person is deliberately making up reasons, even if it's getting dark, so he's looking for a chance to escape!"

"Yes, this person must not be trusted!"

Listening to the crowd Yue Feng frowned secretly.

Nima, they have already said it so clearly, yet they still don't believe it. But then again, there is no feng shui statement in Roland Continent, and it is really difficult to convince them.

At this time, Hongshang reacted and said to Zhan Chao: "Zhan Chao, no matter what Mr. Fengtao said is feasible or not, we have no other way now, and we can delay the time by agreeing with the enemy for a decisive battle tomorrow!"

"At this point, Zhan Chao didn't say anything, but still stared at Yue Feng fiercely.

"Ren Guang!" The

next second, Hongshang shouted at the foot of the mountain: "Tomorrow morning, let's have a decisive battle, how about it?"

At this time, Ren Guang was deploying soldiers to form a formation under the hillside, ready to take Hongshang and Zhan Chao. The tens of thousands of soldiers were trapped on it.

What? Is she going to fight tomorrow?

At this moment, when he heard Hongshang's shouting, Ren Guang was stunned for a moment, and then he couldn't help laughing.

This city owner of Tianzhao City is really interesting. He has already been trapped on the hillside by me, and he still has the courage to agree to a decisive battle tomorrow morning.

While feeling ridiculous, Ren Guang shouted at Hong Shang: "Okay, let's have a decisive battle tomorrow morning, but I remind you, if you want to delay the time and break through the siege at night, you should give up your thoughts."

As the commander-in-chief, Ren Guang Not stupid, guessing that Hongshang is delaying time by doing this.

But Ren Guang was not afraid, because this hillside had already been besieged by himself, not even a mouse could escape, let alone tens of thousands of soldiers.

The ultimate husband in Chinese chapter 3356-3360

Chapter 3356

"Red dress!"

Seeing this situation, Zhan Chao was anxious and angry: "You really listen to him, I'm afraid we will all be annihilated on this hillside until tomorrow morning! The most important thing now is , is to find a way to break through, not to listen to his nonsense."

Hearing this, Yue Feng frowned and couldn't help it.

Nima, this Zhan Chao has a sick mind.

However, Yue Feng was too lazy to explain, and said lightly to Zhan Chao: "I have said everything I should say, believe it or not, if you really want to break through the encirclement, you can try! Remind you."

Hehe...

this kid is still pretending to be with me?

Hearing this, Zhan Chao laughed dumbly, his face full of disdain: "Boy, do you know who you are talking to? When it comes to wars, our military has a lot of merit, how about you?"

Yue Feng showed a smile: "As a commander, you are so impetuous, I don't think your ability to fight is very good!"

Mad!

Zhan Chao suddenly became angry, and shouted angrily: "What did you say?"

How can he bear the contempt of this guy who has no status and no status?

In anger, Zhan Chao was about to rush to Yue Feng, but was stopped by Hong Chang.

Zhan Chao almost exploded with anger: "Hongshang, this guy is a liar, why are you protecting him?"

Phew!

This chapter is provided by . Visit for daily update.

Hongshang breathed a sigh of relief, and her delicate face was full of helplessness: "Zhan Chao, it's not that I have to protect him, I just want you to calm down, the enemy army has already formed a formation at the foot of the mountain, you will break through rashly and you will be damaged. I think it is better to listen to Mr. Fengtao's opinion."

"Listen to him? You're crazy..."

At this time, Yue Feng didn't bother to talk too much, walked to a flat grass in the distance, and lay down leisurely.

The opponent's commander, Ren Guang, has promised to fight tomorrow morning. As the commander, he will promise a lot of money, so he doesn't have to worry about the opponent attacking in the dark, so he just needs to wait.

And Hongshang and Zhan Chao are still arguing.

Finally, Hongshang couldn't beat Zhan Chao, stomped her feet, and walked towards Yue Feng.

"Mr. Feng Tao!"

When he got to the front, Hongshang was very anxious: "Zhan Chao has to break through, and now he is selecting the vanguard, what should I do?"

Yue Feng lay there leisurely and smiled slightly: "He doesn't believe in evil, let him try. After trying it, he will be honest when he suffers a loss." The opponent's army of hundreds of thousands is guarding below, unless this Zhan Chao can fly, he will never break through.

While speaking, Yue Feng couldn't help admiring Hongshang.

I have to say that this red dress is really very temperamental. At this time, wearing a gorgeous robe, the temperament is indescribably charming, and from the angle of Yue Feng at this time, you can just see that charming curve... I

feel Yue Feng's eyes, Hong Chang's delicate face, suddenly turned red.

A few seconds later, Hongshang reacted and said, "But..."

Yue Feng interrupted her before she finished speaking.

"Okay, since you can't stop it, why don't you learn from me, take a good rest while it's still early, and recharge your batteries!" Yue Feng said with a smile, and raised Erlang's legs at the same time!

At this time, Zhan Chao, who was not far away, had already selected hundreds of vanguards, and when night fell, they dived down the hillside and prepared to break through.

However, before reaching the foot of the mountain, he was discovered by the enemy.

"Tsk tsk..."

At this moment, Ren Guang's ridicule resounded throughout the hillside: "Isn't this Zhan Chao? With so few people, just want to break through? I think you don't have to wait until tomorrow morning, just surrender now. Haha..."

Mad!

Zhan Chao was very annoyed that he failed to break through the siege, and returned to the hillside in dismay with hundreds of soldiers.

Haha...

Seeing this scene, Yue Feng couldn't help laughing.

This idiot had already warned him, but he didn't listen.

Hongshang next to her frowned, looking at Yue Feng with a strange look.

Chapter 3357

Who is this Fengtao? In the face of such a difficult situation, you can still be calm and calm.

Unable to break through, Zhan Chao was very irritable. Seeing that the night was getting darker and tens of thousands of soldiers were trapped on it, Zhan Chao was very anxious.

Several hours passed in a blink of an eye.

Seeing that there was no movement at the foot of the mountain, Zhan Chao finally couldn't bear it anymore. He took out his big sword and pointed at Yue Feng: "Boy, it's all you, we're in such a desperate situation, let's die!

"It was dawn in more than an hour, and by then, tens of thousands of soldiers would be wiped out.

At this time, Zhan Chao, in anger, just wanted to kill Yue Feng.

idiot!

Seeing Zhan Chao coming with the big sword in his hand, Yue Feng didn't panic at all!

Hongshang hurried over to stop him: "Zhan Chao, don't be impulsive, Mr. Feng Tao is Abel's friend."

"What about Abel's friend? I have to kill him."

Rumble!

Just when Zhan Chao and Hong Shang were arguing, suddenly, a deafening loud noise was heard in the distance.

In an instant, both Zhan Chao, Hongshang and the surrounding soldiers were all shocked.

Immediately afterwards, everyone hurried to look over, and when they saw it, they were all stunned.

I saw that the river bank a few hundred meters away suddenly burst open, and the rushing river water poured down the hillside in an instant. In an instant, the formation of the enemy army below was in chaos!

This...

Seeing this scene, Hongshang's delicate body trembled, shocked!

Did he get it right? ! It's really not good to have troops below.

What Feng Shui he said before is too amazing.

call!

At the same time, Zhan Chao and the surrounding soldiers couldn't help gasping for air.

I saw that in the blink of an eye, the hillside became a vast ocean, and many enemy soldiers were swept away by the flood, and the screams, mixed with the surging river, resounded through the world.

This wind wave is really right. Before dawn, without fighting, the opponent will be defeated.

But...that's too incredible.

right!

This guy is just lucky, the blind cat broke the dead mouse, and the nonsense is right.

Any feng shui is made up.

Thinking to himself, Zhan Chao reacted from the shock and turned his head to look at Yue Feng, his eyes full of contempt.

Ten minutes later, the river receded, and the hillside was in a mess.

It was seen that the hundreds of thousands of coalition forces led by Ren Guang were swept away by the river in the face of the sudden natural disaster.

Great!

Seeing this situation, Hong Shang was indescribably excited and happy, and looked at Yue Feng's eyes with deep admiration.

This Mr. Fengtao is really amazing.

At this time, Yue Feng showed a smile and said to Hong Shang: "The enemy has been scattered, and now is the time to counterattack! Quickly give an order."

Hearing this, Hong Shang did not hesitate at all, and snorted: "Soldier We obey orders and fight back in an all-round way!"

"Kill..."

Hearing the order, the surrounding tens of thousands of soldiers rushed down the hillside, all with imposing manners.

At this time, the coalition forces were all mired in the quagmire, and they had not yet reacted. At this time, facing Hongshang's counterattack, none of them had the strength to fight back, and they screamed and fell into a pool of blood.

Mad!

Seeing the coalition soldiers fall one by one, Ren Guang, who had just recovered from his recovery, his eyes were extremely bloody, his body was trembling, and his heart was even more angry!

Chapter 3358

“Break through, all break through...” A roar came from Ren Guang's mouth, revealing deep unwillingness!

I thought that trapping the other party on the hillside this time, I could easily capture Tianzhao City, but I never thought that the river bank not far away suddenly burst open, and hundreds of thousands of troops were flooded.

At this time, Ren Guang wanted to fight Hong Chang head-on, but the coalition soldiers had lost their morale, and even their formations were scattered. Forcing a battle would cost even more.

Whoa!

The voice fell, and many coalition soldiers turned around and ran. In an instant, he escaped cleanly, very embarrassed.

wow.

At this moment, whether it was the people in the red dress or the people in Tianzhao City not far away, they all cheered.

Hundreds of thousands of coalition troops were defeated like this!

If you hadn't seen it with your own eyes, who would have believed it?

This is God helping Tianzhao City, otherwise, the river bank is so good, how can it collapse?

While everyone cheered, no one cared about Yue Feng. After all, what Yue Feng said about Feng Shui seemed like a fantasy and could not exist at all.

Hongshang, however, looked at Yue Feng closely, with deep shock and admiration in her eyes.

Others don't understand it, but Hongshang knows that this time the enemy can be defeated, and it is entirely up to him to strategize.

"Mr. Fengtao!"

Under the excitement, Hongshang smiled lightly, and said to Yue Feng: "This time, I can defend Tianzhao City, sir, and when Abel comes back, I will let him report to the king, be good. Give you some rewards."

Hearing this, Yue Feng smiled.

Helping Hongshang to guard Tianzhao City this time, she didn't want to see the people suffer, and never thought of any reward.

"Hongshang!"

However, at this time, Zhan Chao was a little unhappy, and frowned: "This time we can defeat the enemy, relying on God to help us, what does it have to do with him, do you really believe what Feng Shui he said? ?"

Zhan Chao couldn't tell the disgust in his heart when he saw that Hongshang respected Yue Feng so much.

He was just a nobody, how could He Dehe get such an honor?

"You..."

Hong Chang stomped her feet angrily, but didn't know how to refute.

Although Hongshang believed Yue Feng's feng shui, he didn't understand it very well, so he couldn't argue with Zhan Chao.

"Okay!"

At this time, Yue Feng smiled at Hong Shang: "Don't argue with him, since the city owner Zhan Chao doesn't believe it, I won't force it. Anyway, Tianzhao City has been saved for the time being!"

Yue Feng slowly descended the mountain and walked towards the city.

Hong Chang hummed and quickly followed.

.....

On the other side, Storm City.

In the command camp in the city, Miao Ying sat there with a bit of sadness on her delicate face.

After so long, there has been no news of Yue Feng. Could it be that he didn't come to this world?

"The enemy army is coming!"

"A lot!"

Just when Miaoying was worried, she suddenly heard chaos outside the city, and the soldiers guarding the city gate exclaimed in surprise.

Um?

Hearing the movement outside, Miao Ying frowned, and quickly walked out.

Arriving at the city gate, seeing the scene outside, Miao Ying's delicate body was shocked, and she was stunned!

I saw that hundreds of thousands of coalition troops came in like a tide and surrounded the entire Storm City. The one headed, dressed in black armor, is majestic.

It was the commander-in-chief of the coalition forces on this road, Tian Yi.

There are so many people!

Miao Ying bit her lip lightly, shocked.

Half a day ago, Miaoying received a secret letter from Abel, saying that the five principalities had formed a coalition and might help the Crescent Principality to retake Tianzhao City.

Chapter 3359

Wow!

As soon as Miao Ying appeared, the defenders of the entire Storm City immediately cheered.

"The goddess has come out!"

"With the goddess here, no matter how many troops the enemy has, don't even think about taking back Storm City."

"Not bad!"

In the eyes of the Storm City defenders, Miaoying appeared as if she had eaten one. Peace of mind.

This...

At the same time, the hundreds of thousands of coalition troops outside the city were also stunned when they saw Miao Ying.

Beautiful, so beautiful.

And the strength is unfathomable, too strong.

At the same time as the shock, the hundreds of thousands of coalition troops lost their morale one by one. With the goddess of light stationed here, can this storm city be attacked?

“Respected Highness Goddess of Light!”

Finally, Tian Yi, the commander of the coalition forces, reacted, took a deep breath, and said politely to Miaoying: “You are admired by all people, why do you want to help the Principality of Zuri and start a war?”

When he said this, Tian Yi’s face was serious, and his tone was indescribably respectful.

Seriously, as the commander-in-chief of the coalition forces, Tian Yi holds his own identity and doesn’t want to be so humble, but he can’t help it. The goddess of light is in front of him, do you dare to be disrespectful?

At this time, Tian Yi didn’t know that the goddess of light in front of him was fake.

Swish!

At this moment, whether it was the hundreds of thousands of coalition troops or the defenders in Storm City, all eyes were on Miao Ying to see how she answered.

“No reason!” Miao Ying’s red lips parted lightly, and she spit out a few words without the slightest emotional fluctuation.

She just wanted to find Yue Feng. As for the fake goddess of light, it was just an agreement with the king of Zuri Principality. Therefore, she was too lazy to think about why she wanted to start a war, nor did she want to think about it.

This... The

voice fell, and the hundreds of thousands of coalition troops suddenly burst into an uproar.

This answer is too casual. As a goddess, you should treat the six major duchies fairly and justly, but her answer is obviously partial to the Sunrise Duchy.

Tian Yi also blushed, unable to express the embarrassment.

In the next second, Tian Yi smiled wryly: "So, Her Royal Highness the Goddess must help the Principality of Zuri, even if she was criticized by the world, she insisted on doing so?"

"Not bad!"

Miaoying was too lazy to talk nonsense, and looked around the city Outside, he said lightly: "With me here, if you can't break through Storm City, you should retreat as soon as possible."

Phew!

At this moment, Tian Yi's face turned blue and white, and he couldn't say how to hold back his fire.

The commander-in-chief of the dignified hundreds of thousands of coalition forces, shouldering the heavy trust of the five principalities, and has already surrounded Storm City with a large army.

In the next second, Tian Yi's eyes became firm: "Since His Highness the Goddess insists on doing this, then don't blame us." The

voice fell, and Tian Yi raised his hand and waved: "The whole army obeys the order and can attack the city!" The goddess of light, so partial to the Principality of the Sun, there is no need to respect it.

Whoa!

Hearing the order, hundreds of thousands of coalition troops burst into howls and launched a siege battle.

At the same time, Tian Yi drew out his big sword and rushed towards Miao Ying directly.

Seeing Tian Yi rushing in, Miao Ying did not panic at all, and said lightly: "You are not my opponent, don't be brave!"

Om!

The voice fell, and a powerful aura erupted from Miaoying's body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Miao Ying slowly raised her jade hand and called Tian Yi with a palm!

What a great speed!

Feeling the powerful pressure, Tian Yi was shocked.

At this time, Tian Yi clearly felt that the palm sent by Miao Ying seemed to be fluttering gently and slowly, but it came to him in the blink of an eye.

Chapter 3360

At this moment, Tian Yi didn't have time to dodge, and quickly put the big sword in front of him.

Bang!

In the next second, the palm force slammed on Fang Tianhua halberd. Tian Yi only felt an overwhelming force, and the whole person was shocked and flew out. After landing, he retreated a few dozen meters before he stabilized. live figure.

too strong!

As expected of the goddess of light, it's just an understatement, and I can't handle it myself.

At the same time, the hundreds of thousands of coalition troops were also shocked.

"I said, you are not my opponent!" Miao Ying floated in mid-air, looking at Tian Yi and said softly, "Give it up!"

Miao Ying is kind-hearted and doesn't want to kill anyone, so the palm of her hand just now If he didn't do his best, otherwise, Tian Yi would be dead.

call!

Hearing this, Tian Yi gritted his teeth secretly, his face extremely ugly.

How to do? Are you really going to withdraw?

Buzz buzzing...

Just when Tian Yi was in a dilemma, suddenly, there was a wave of powerful aura fluctuations in the sky not far away, and everyone quickly looked over, all of them were stupid.

I saw that twelve figures, like thunder and lightning, came quickly.

These twelve men, wearing uniform golden armor, shone brightly in the sun, like gods descending to earth.

It is the twelve holy knights of the Temple of Light.

Hiss...

At this moment, feeling the strength of the Twelve Paladins, everyone couldn't help but gasp.

It turned out...it was the power of the Holy Spirit.

"This... this is the Twelve Holy Knights of the Temple of Light?"

Finally, someone exclaimed in surprise. All of a sudden, everyone in the room was shocked, and their eyes converged on the Twelve Holy Knights. , speechless for a long time!

In the entire Roland Continent, no one does not know that the Goddess of Light lives in the Temple of Light, and there are twelve Paladins under her command. These twelve Paladins are very terrifying, but for thousands of years, very few of them have been in the world. appear in front of you.

At this time, these twelve Paladins appeared together, which was really shocking.

However, the goddess of light is all here, and it is normal for the twelve paladins to appear.

At this time, everyone thought that the twelve holy knights were summoned by Miao Ying.

Whoa!

For a time, the defenders in Storm City were indescribably excited.

"Haha, the Twelve Paladins are here. Now there will be hundreds of thousands of people from the five principalities." "

Yeah..."

“Long live the goddess, long live the Twelve Paladins.”

The guards couldn't help but cheer loudly.

The hundreds of thousands of coalition troops outside the city were inexplicably panicked, and their hearts sank to the bottom of the valley.

The Twelve Paladins are here, how can we fight this battle?

Oops!

As for Miao Ying, who was suspended in mid-air, her brows were furrowed. She looked at the twelve Holy Knights who were approaching quickly, and she felt inexplicably nervous in her heart.

Are the twelve holy knights from the Temple of Light? It seems that his fake identity can't be concealed.

At this time, the twelve holy knights came to the front, and the golden lion, headed by him, stared at Miao Ying, and said coldly, “You are very courageous, you dare to pretend to be the goddess!”

When he said this, the golden lion couldn't hide his inner anger. .

The goddess of light has a noble status and cannot be profaned, and the woman in front of her, who dares to fake it, deserves death.

However, at the same time as he was furious, seeing Miaoying's celestial face, the golden lion was also a little stunned for a while.

What a nice view!
